Explanation of Responses:

(1) Phantom stock units pursuant to the Libbey director's deferred compensation plan (the "Plan"), a 16b(3) plan are acquired in lieu of cash compensation earned as a director for board and board committee service or in lieu of cash dividends on the deferred phantom stock units. The number of units (each equivalent to one common share of Libbey Inc.) acquired are equivalent to the dollar value of the compensation earned based on the market value of Libbey Inc. shares at the time the compensation is earned or the dividend paid. The market value of Libbey Inc. shares is the closing price of the Libbey Inc. shares on the New York Stock Exchange on the last trading day prior to the day the compensation is earned or the dividend is paid. The units earned are settled in cash upon the director's retirement from the board.

(2) The phantom stock units under the Libbey Inc. directors deferred compensation plan are to be settled in cash upon the reporting person's retirement. The plan is a 16b(3) plan. The reporting person acquired 53.0410 units equal to one share per unit on December 9, 2003 in lieu of compensation for a board meeting. Units were acquired on December 9, 2003 at $28.28 per unit.
