Shares Held by Brokers or Nominees

If the shares you own are held in "street name" by a brokerage firm, your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your brokerage firm provides you. Many brokers also offer the option of providing voting instructions to them over the Internet or by telephone, directions for which would be provided by your brokerage firm on your vote instruction form.

Under stock exchange rules applicable to most brokerage firms, if you do not give instructions to your broker, your broker will be permitted to vote any shares it holds for your account in its discretion with respect to "routine" proposals, but will not be allowed to vote your shares with respect to "non-routine" proposals. **Proposal 1, regarding the election of Directors, and Proposal 2, regarding the approval, on an advisory, non-binding basis, of the Company's executive compensation, are "non-routine" proposals. If you do not instruct your broker how to vote with respect to these proposals, your broker will not vote your shares on them and your shares will be recorded as "broker non-votes" and will not affect the outcome of the vote on those proposals.** "Broker non-votes" are shares that are held in "street name" by a bank or brokerage firm that indicates on its proxy that, while voting in its discretion on one matter, it does not have or did not exercise discretionary authority to vote on another matter.

Proposal 3, regarding the amendment of the Company's Articles of Incorporation to change the name of the Company to AstroNova, Inc., and Proposal 4, the ratification of Wolf & Company, P.C. as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2017, are considered to be routine items under the applicable rules and your broker will be able to vote on those items even if it does not receive instructions from you, so long as your broker holds your shares in its name.

If a broker or nominee holds shares of common stock in "street name" for your account, then this proxy statement may have been forwarded to you with a voting instruction card, which allows you to instruct the broker or nominee how to vote your shares on the proposals described herein. To vote by proxy or instruct your broker how to vote, you should follow the directions provided with the voting instruction card. **In order to have your vote counted on Proposal 1 and Proposal 2, you must either provide timely voting instructions to your broker or obtain a properly executed proxy from the broker or other record holder of the shares that authorizes you to act on behalf of the record holder with respect to the shares held for your account.**

Votes Required to Transact Business At the Meeting

The holders of a majority of the shares entitled to vote, present in person or represented by proxy, will constitute a quorum for the transaction of business at the meeting. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

Company's fiscal year 2016 Annual Report. **PROPOSAL NO. 1
ELECTION OF DIRECTORS**

At the annual meeting, seven directors are to be elected to hold office until the next annual meeting or until their respective successors are elected and qualified. The persons named in the accompanying proxy, who have been designated by the Board, intend to vote, unless otherwise instructed, for the election to the Board of the persons named below. The biographies below contain information regarding the person's service as director, business experience, director positions held currently or at any time during the last five years, and the experiences, qualifications, attributes or skills that caused the Nominating Committee and the Board to determine that the person should serve as a director.

Graeme MacLetchie, 78, is a private investor and was a director of Deutsche Bank Alex Brown (Private Client Division), an investment banking and brokerage services company for private wealth and asset management, from November 1995 until his retirement in March 2010. Prior to this, Mr. MacLetchie was Senior Vice President of C. J. Lawrence Deutsche Bank Securities Corporation from 1970 to 1995. He has been a director of the Company since 2002 and also served as a director of E-Sync Networks Inc., a provider of managed enterprise services and solutions to medium and large businesses, from 1994 to 1999. We believe that Mr. MacLetchie's substantial experience in the financial sector and knowledge of the financial, regulatory, corporate governance and other matters affecting public companies qualify him to serve on our Board.

April L. Ondis, 42, has been a director since November 2015. Since September 2015, Ms. Ondis has served as a Marketing Manager for Crossref, a collaborative reference linking service operated by Publishers International Linking Associations, Inc. Prior to joining Crossref, Ms. Ondis held a variety of marketing-related positions with the Company, including Applied Marketing Manager from January 2015 to August 2015,

Worldwide Marketing Director from 2005 through December 2014 and Marketing Assistant from 1998 to 2005. We believe that Ms. Ondis' substantial knowledge of the markets in which the Company operates and extensive knowledge of the Company's customer relationships qualify her to serve on our Board.

Everett V. Pizzuti, 79, served as Chief Executive Officer of the Company from June 2011 to January 31, 2014. Prior to serving as Chief Executive Officer of the Company, Mr. Pizzuti was its President and Chief Operating Officer from 1971 to June 2011. Mr. Pizzuti has also been a director of the Company since 1985. Prior to 1971, he served as General Sales Manager of the Recorder Division of Gulton Industries. Through his long service with the Company, Mr. Pizzuti has an intimate knowledge of the Company's products and markets and is able to provide our Board with insight and advice related to the Board's decisions. Based on this experience, we believe that Mr. Pizzuti is qualified to serve on our Board.

Mitchell I. Quain, 64, has been a director since August 2011. Mr. Quain has served as a Senior Advisor at Carlyle Group, a private equity firm since December 2011. From January 2010 through December 2011, Mr. Quain was a Partner at One Equity Partners, a private investment firm. From 2006 through 2009, he was a Senior Director of ACI Capital Corp. From 2002 through 2005, Mr. Quain served as Chairman of Register.Com, Inc., an internet services provider, and from 1997 to 2001 he was employed with ABN AMRO and its predecessors in several capacities, including Vice Chairman of Investment Banking. Mr. Quain also serves as a director of Hardinge Inc., a global designer, manufacturer and distributor of machine tools, RBC Bearings, Inc., an international manufacturer and marketer of highly engineered precision plain, roller and ball bearings, Jason Industries, Inc. a manufacturing company operating in the seating, finishing, acoustics and components businesses. Mr. Quain previously served as a director of DeCrane Aircraft Holdings, Inc., Handy & Harman Ltd., HEICO Corporation, MagneTek, Inc., Mechanical Dynamics, Inc., Register.com, Inc., Titan International, Inc. and Tecumseh Products Company. We believe that Mr. Quain's extensive experience in the private equity sector and public company experience qualify him to serve on our Board.

Harold Schofield, 74, has been the owner and manager of Schofield Imaging Associates, LLC, in Narragansett, Rhode Island since 2004. Prior to founding Schofield Imaging Associates, LLC, Mr. Schofield was Founder, President and CEO of Atlantek Incorporated ("Atlantek"), a manufacturer of thermal printers and retired as Vice President and General Manager of Zebra Atlantek, Inc. following the acquisition of Atlantek by Zebra Technologies Corp. in November 2003. Prior to founding Atlantek, Mr. Schofield was Design Engineering Manager at Gulton Industries where he was responsible for design and development of thermal printers, plotters and chart recorders. Mr. Schofield is an internationally recognized authority in the electronic printing field. We believe that Mr. Schofield's long history and expertise in the printing and imaging field qualify him to serve on our Board.

Hermann Viets, Ph.D., 73, served as the President and Chief Executive Officer of the Milwaukee School of Engineering, a university located in Milwaukee, Wisconsin focused primarily on engineering education, from 1991 until his retirement in June 2015 and continues to serve on the Board of Regents of that institution. Dr. Viets served as a director of Gehl Co., a publicly traded manufacturing company, from 1999 until its acquisition by Manitou BF S.A. in 2008. Dr. Viets was also a trustee of Polytechnic University (a private engineering school located in Brooklyn, NY) until 2009. Dr. Viets has been a director of the Company since 1988. We believe that Dr. Viets' executive experience as president of a university and as a director of another public company and his understanding of the Company's products as well as corporate governance matters qualify him to serve on our Board.

Gregory A. Woods, 57, has served as Chief Executive Officer of the Company since February 1, 2014. Mr. Woods joined the Company in September 2012 as Executive Vice President and Chief Operating Officer and was appointed President and Chief Operating Officer on August 29, 2013. Prior to joining the Company, Mr. Woods served from January 2010 to August 2012 as Managing Director of Medfield Advisors, LLC, an advisory firm located in Medfield, Massachusetts focused on providing corporate development and strategy guidance to technology driven manufacturing firms. From 2008 to 2010, Mr. Woods served as President of Performance Motion Devices, a specialty semiconductor and electronics manufacturer located in Lincoln, Massachusetts. Through his work experience, Mr. Woods has extensive knowledge of the technology and electronics industries, as well as lean manufacturing processes. Based on this experience and his position as Chief Executive Officer of the Company, we believe that Mr. Woods is qualified to serve on our Board.

The Board has determined that all of the directors of the Company, including each of the nominees standing for election at the 2016 annual shareholders meeting, other than Gregory A. Woods, Everett V. Pizzuti and April L. Ondis, are independent of the Company in that such nominees have no material relationship with the Company either directly, or as a partner, shareholder or affiliate of an organization that has a relationship with the Company. The Board has made this determination in accordance with applicable Securities and Exchange Commission (“SEC”) rules and NASDAQ listing standards.

Each of the directors must be elected by a plurality of the votes properly cast at the annual meeting. This means that the seven nominees receiving the highest number of FOR votes will be elected as directors. Votes may be cast FOR or WITHHELD FROM each nominee. Broker non-votes and votes that are WITHHELD FROM the nominees will be excluded entirely from the vote and will have no effect.

The Board recommends a vote FOR the election of each the nominees listed above.

CORPORATE GOVERNANCE

The Board of Directors – Meetings and Committees

The Board currently consists of seven members, all of whose terms will expire at the annual meeting and each of whom has been nominated for re-election. During the fiscal year ended January 31, 2016, the Board held eight meetings. During fiscal year 2016, all directors attended at least 75% of the meetings of the Board and meetings of committees on which such director serves. The Board has adopted a policy that requires members of the Board to make every effort to attend each annual shareholders meeting. All members of the Board attended the 2015 annual shareholders meeting.

The Board currently has three standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee. The members and chairs of each of those committees are appointed each year. The Audit Committee is comprised of Messrs. MacLetchie, Quain and Schofield. The Nominating Committee is comprised of Messrs. MacLetchie, Quain and Viets. The Compensation Committee is comprised of all of our independent directors, Messrs. MacLetchie, Quain, Schofield and Viets. Each of the members of our committees is independent as defined under the applicable NASDAQ listing standards and SEC rules. Each of the Audit, Compensation and Nominating Committees has a written charter approved by the Board. A copy of each charter is available on the Company’s website at www.astronovainc.com under “Investors – Governance Documents.”

Audit Committee. The Audit Committee's primary duties and responsibilities include: overseeing the integrity of the Company's financial reports; appointing, setting the compensation of and overseeing the Company's independent accountants; and assessing the qualifications and independence and performance of the Company's independent accountants and the adequacy of internal controls. The Audit Committee meets with the Company's independent accountants to review quarterly financial results, the results of the audit and other relevant matters. Mr. MacLetchie serves as Chairman of the Audit Committee, which held five meetings during the fiscal year ended January 31, 2016. The Board has determined that all three members of the Audit Committee satisfy the financial literacy requirements of the NASDAQ listing standards and are independent as defined under the NASDAQ listing requirements and applicable SEC rules. Additionally, the Board has determined that Graeme MacLetchie satisfies the "financial sophistication" requirement of the NASDAQ listing requirements, and that Mitchell Quain qualifies as an "audit committee financial expert" as defined by the SEC rules.

Compensation Committee. The Compensation Committee assists the Board in discharging the Board's responsibilities relating to director and executive compensation. The Compensation Committee's responsibilities include: establishing and reviewing the Company's executive and director compensation philosophy, strategies, plans and policies; making recommendations with respect to the design of the Company's incentive compensation plans and equity based plans; granting awards under such plans and overseeing generally the administration of such plans; evaluating the performance and determining the compensation of the Chief Executive Officer; and reviewing and approving recommendations on compensation of other executives. Mr. Quain serves as chairman of the Compensation Committee, which held four meetings during the fiscal year ended January 31, 2016.

Nominating Committee. The Nominating Committee is responsible for identifying individuals qualified to be members of the Board and recommending such individuals to be nominated by the Board for election to the Board by the shareholders. The Nominating Committee held three meetings in the fiscal year ended January 31, 2016. Dr. Viets serves as chairman of the Nominating Committee.

Director Share Ownership Requirements. In March 2015, the Board approved a stock ownership policy to require each director to hold shares of Company common stock with a value equal to at least \$200,000. Any director who does not currently meet this requirement will have five years from the later of April 1, 2015 or his or her initial election to the Board to achieve this ownership level. Directors are expected to retain at least 50% of the shares acquired upon exercise of any stock option (net of shares withheld or tendered in payment of the exercise price) or vesting of a restricted stock or restricted unit award until they achieve the specified ownership level and thereafter maintain such ownership level. Currently, all but one director meets the ownership requirement.

Nomination of Directors

The Nominating Committee considers suggestions from many sources, including shareholders, regarding possible candidates for director. The Nominating Committee does not set specific criteria for directors but seeks individuals who possess the highest ethical standards and integrity, have a history of achievement that reflects superior standards for themselves and others, have the ability to provide wise, informed and thoughtful counsel to management on a range of issues, exercise independence of thought and possess skills and expertise appropriate to meet the Company's needs and advance the long-term interests of the shareholders. The Nominating Committee does not have a policy with respect to diversity and does not specifically consider issues of diversity, such as gender, race, origin or sex, when determining whether to nominate any person to be a director of the Company.

The Nominating Committee must also ensure that members of the Board as a group maintain the requisite qualifications under the NASDAQ listing standards for populating the Audit, Compensation and Nominating Committees. The Nominating Committee will consider shareholder nominees for director in the same manner as nominees for director from other sources.

Shareholders may send recommendations for director nominees to the Nominating Committee at the Company's offices at 600 East Greenwich Avenue, West Warwick, Rhode Island 02893. Submissions should include information regarding a candidate's background, qualifications, experience and willingness to serve as a director. In addition, Section 10 of Article III of the Company's By-Laws sets forth specific procedures that, if followed, enable any shareholder entitled to vote in the election of directors to make nominations directly at an annual meeting of shareholders. These procedures include a requirement for written notice to the Company not more than 150 days nor less than 60 days prior to the scheduled annual meeting and must contain the name and certain information concerning the nominee and the shareholders who support the nominee's election. For the annual meeting to be held in 2017, the notice must be received no earlier than December 19, 2016 and no later than March 17, 2017. A copy of the Company's By-Laws may be obtained by writing to Astro-Med, Inc., Attn: Investor Relations Department, 600 East Greenwich Avenue, West Warwick, Rhode Island 02893.

Communications with the Board of Directors

The Company's Board provides a process for shareholders to communicate directly with the members of the Board or the individual chairman of each standing committee. Any shareholder with a concern, question or complaint regarding our compliance with any policy or law, or who would otherwise like to contact the Board may communicate directly with the directors by writing directly to those individuals c/o Astro-Med, Inc., 600 East Greenwich Avenue, West Warwick, Rhode Island 02893. The Company's general policy is to forward, and not to intentionally screen, any mail received at the Company's corporate offices that is sent directly to an individual unless the Company believes the communication may pose a security risk.

Board Leadership Structure

All members of the Board, other than Gregory A. Woods, April L. Ondis and Everett V. Pizzuti, are independent and all our key committees – Audit, Compensation and Nominating – are comprised solely of independent directors. The non-management directors meet in executive session without Mr. Woods, Ms. Ondis and Mr. Pizzuti at least quarterly.

The Board believes that separating the positions of Chief Executive Officer and Chairman of the Board is preferable and in the best interests of shareholders because it gives our independent directors a significant role in Board direction and agenda setting and enhances the Board's ability to fulfill its oversight responsibilities, including of senior management. Separating the positions also provides an independent viewpoint and focus at Board meetings, and ensures that our Chief Executive Officer will be able to focus his energy on running the Company. The Board believes this structure provides strong leadership for the Board, while also positioning the Chief Executive Officer as the leader of the Company in the eyes of our customers, employees and shareholders.

Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks through a program of sound policies, systems, processes, and reports. The Audit Committee of

the Board has oversight responsibility over financial reporting and disclosure processes, compliance and legal matters, and information security and fraud risk. The Audit Committee also monitors controls for material weaknesses in the financial reporting function. The Audit Committee meets regularly with our Chief Financial Officer and Controller in carrying out these responsibilities, and with the Company's independent auditors in executive session.

The Compensation Committee of the Board oversees risks as they relate to the Company's compensation policies and practices as described under "Compensation Discussion and Analysis." The Board's Nominating Committee assists the Board in fulfilling its oversight responsibilities with respect to independence of Board members and identification of individuals qualified to be members of the Board.

While each committee is responsible for evaluating the risks within their areas of responsibility and overseeing the management of such risks, all committees report regularly to the full Board, which also considers the Company's entire risk profile.

Compensation of Directors

The Compensation Committee is responsible for reviewing and establishing the compensation of the directors of the Company. The Company adopted a Non-Employee Director Annual Compensation Program (the "Program") on January 30, 2012 effective as of February 1, 2012, which was amended and restated as of February 1, 2014. Under the Program, each non-employee director is entitled to an annual cash retainer of \$7,000 (the "Cash Retainer"), plus \$500 for each Board and committee meeting attended. In addition, the Chairman of the Board, if a non-employee director, will receive an annual retainer of \$6,000, and the Chair of the Audit Committee and Chair of the Compensation Committee will each receive an annual retainer of \$4,000 (each a "Chair Retainer"). Any non-employee director who is first elected or appointed to such position after February 1 of any fiscal year will receive a pro rata portion of any Cash Retainer and Chair Retainer payable. Each non-employee director may elect for any fiscal year to receive all or a portion of the Cash Retainer or Chair Retainer in the form of common stock of the Company.

In addition, under the Program, each non-employee director will receive a restricted stock award with a value equal to \$20,000 (the "Equity Retainer") upon adjournment of each annual meeting (or special meeting in lieu of annual meeting) of shareholders. If a non-employee director is first appointed or elected to the Board effective on a date other than at the annual shareholders meeting, on the date of such appointment or election the director will receive a pro rata award of restricted common stock having a value based on the number of days remaining until the next annual meeting. The Equity Retainer will vest on the earlier of 12 months after the grant date or the date immediately prior to the next annual meeting (or special meeting in lieu of annual meeting) of the shareholders following the meeting at which such restricted stock award was granted. However, a non-employee director may not sell, transfer, assign, pledge or otherwise encumber the vested common stock prior to the second anniversary of the vesting date. In the event of the death or disability of a non-employee director, or a Change in Control (as such term is defined in the Company's 2015 Equity Incentive Plan) of the Company, the restricted stock award shall immediately vest and shall no longer be subject to such restrictions on transfer.

Unless a non-employee director elects to receive all or a portion of the Cash Retainer or Chair Retainer in common stock (as described below), each non-employee director will receive the Cash Retainer and Chair Retainer in four equal quarterly installments on the first day of each fiscal quarter.

If a non-employee director elects to receive all or a portion of the Cash Retainer or Chair Retainer (each, a “Retainer”) in the form of common stock, such shares will be issued in four quarterly installments on the first day of each fiscal quarter, and the number of shares of common stock issued will be based on the fair market value of the common stock on the date such installment is payable. The common stock received in lieu of a Retainer will be fully vested. However, a non-employee director who receives common stock in lieu of all or a portion of a Retainer may not sell, transfer, assign, pledge or otherwise encumber the common stock prior to the first anniversary of the date on which such shares were issued. In the event of the death or disability of a non-employee director, or a Change in Control (as such term is defined in the Company’s 2007 Equity Incentive Plan) of the Company, any shares of common stock issued in lieu of a Retainer, will no longer be subject to such restrictions on transfer.

In addition to the Program, under the Company’s 2015 Equity Incentive Plan, each non-employee director receives non-qualified options to purchase 5,000 shares of the Company’s common stock upon initial election to the Board (if not at the annual meeting) and upon the adjournment of each annual meeting or special meeting in lieu of an annual meeting of the shareholders of the Company. These options have a term of ten years and become exercisable immediately prior to the occurrence of the next annual meeting following the date the option is granted.

Based solely on a review of the copies of such reports received by the Company and certain written representations that no other reports were required, the Company believes that for the fiscal year ended January 31, 2016, all of its officers, directors and 10% beneficial owners complied with the requirements of Section 16(a), except that the following forms were filed late:

COMPENSATION DISCUSSION & ANALYSIS

The Compensation Committee (the “Committee”) is charged with the responsibility for establishing, implementing and monitoring adherence to the Company’s compensation philosophy and ensuring that executives and key management personnel are effectively compensated in a manner which is internally equitable. The Committee also is responsible for reviewing and establishing the compensation of directors.

Compensation Philosophy and Objectives. The Committee’s overall philosophy in terms of executive compensation is to link management incentives with the actual financial performance of the Company. Similarly, the compensation should attract, retain and motivate highly qualified individuals to achieve the Company’s business goals and link their interests with shareholder interests. In setting compensation for the Company’s executive officers, the Committee considers the executive’s performance, awards, if any, made during prior years and other relevant factors. The Committee seeks to have the long-term performance of the Company’s common stock reflected in executive compensation through our equity incentive programs.

Elements of Compensation. The total compensation program for the Company’s executive officers consists of the following:

- salary;
- cash incentive and bonus awards tied to the Company’s and executive’s annual performance;
- long-term incentive compensation, in the form of stock options, restricted stock units and performance units; and
- retirement and other benefits.

The Committee seeks to structure each element of compensation to attract and retain the necessary executive talent, reward annual performance and provide incentive for both long-term strategic goals as well as short-term performance. The Committee’s policy for allocating between currently paid and long-term compensation is to ensure adequate base compensation to attract and retain personnel, while providing incentives to maximize long-term value for our shareholders.

Say on Pay Consideration. In accordance with SEC rules, the Company conducted a non-binding, advisory vote on the Company’s executive compensation at its 2015 annual meeting. Approximately 76% of shareholders voted to approve the Company’s executive compensation practices at the 2015 annual meeting.

Setting Executive Compensation. The Committee is responsible for establishing and periodically reviewing the compensation of the Company’s executive officers and approving all equity awards. The Committee annually reviews the performance of the executive officers and, based on these reviews, the Committee determines salary adjustments and annual awards. Mr. Woods does not participate during deliberations regarding his compensation.

Salary. Base salaries for executive officers, other than recent hires, were established a number of years ago. Historically, base salaries have been increased at annual rates which approximate the general rates of increase of compensation for all employees of the Company. Annual salary adjustments are made effective April 1 of each year. For fiscal year 2016, the Committee increased the compensation of the Company’s employees and executive officers, other than Mr. Woods, Mr. O’Connell and Mr. Morawetz, by approximately

3%. Salaries are also reviewed at the time of a promotion or other change in responsibilities. During fiscal year 2015, the Committee approved salary increases for Mr. Woods and Mr. O'Connell, to \$315,000 and \$250,000, respectively, to bring their salaries more in line with base salaries paid for comparable positions at similarly sized public companies. Effective April 6, 2015, Mr. Woods received an additional \$45,000 salary increase. Effective April 1, 2016, Mr. Woods' and Mr. Morawetz's salaries were increased to \$370,800 and \$190,921, respectively. Cash compensation paid to Mr. Morawetz is paid in Euros; the amount reported was converted to U.S. dollars at an assumed exchange rate of €1:\$1.089.

Cash Incentive and Bonus Awards. Annual cash incentive awards are an important component of total executive cash compensation because they reward the Company's executives for achieving targeted, annual results and emphasize variable or "at risk" compensation. From time-to-time the Committee awards discretionary cash bonuses to the Company's executives to reward their efforts in extraordinary circumstances.

Short-Term Incentive Plan

During late 2014, the Committee engaged Radford, an Aon Hewitt Company, to conduct an assessment of the Company's executive compensation program, including a review of executive base salaries, short-term incentive opportunities and long-term incentives and pay mix as compared to the competitive market. Following receipt of Radford's report in March 2015, the Committee approved the Senior Executive Short-Term Incentive Plan (the "STIP"), which replaced the Company's prior Domestic and International Branch Plans for the fiscal year beginning February 1, 2015. Participants in the STIP (which may include any executive officer, vice president or director level manager) are determined annually by the Committee. Awards under the STIP are earned based on achieving or exceeding annual financial objectives ("Performance Goals"). The Committee has full discretion to establish the Performance Goals for any plan year. In March 2015, the Committee established Performance Goals for fiscal year 2016 of Consolidated Net Sales of \$98,279,000, Consolidated Operating Income of \$9,238,000 and Economic Value Added, which is defined as Net Operating Profit after Taxes – [Capital × Cost of Capital] ("EVA"), of \$500,000.

Annually, the Committee establishes a Target Award for each STIP participant, which may vary as to each participant and from year to year. For fiscal year 2016, the Committee established the following Target Awards for our Named Executive Officers:

Name	Target Award (\$)
Gregory A. Woods	270,000
Joseph P. O'Connell	103,000
Michael Morawetz	65,000

The Committee allocated the Target Awards to the fiscal year 2016 Performance Goals as follows:

- 25% of the Target Awards are tied to achievement of the Consolidated Net Sales Performance Goal;
- 55% of the Target Awards are tied to the achievement of the Consolidated Operating Income Performance Goal; and
- 20% of the Target Awards are tied to the achievement of the EVA Performance Goal.

Performance with respect to each specific Performance Goal is calculated independently to determine the amount of the award for each Performance Goal (each, an "Award Component"). The total STIP award earned by

a participant for a plan year is equal to the sum of the separate Award Components determined for each Performance Goal. Each Award Component is independently adjusted by an “Adjustment Factor” as follows:

- If the actual performance exceeds the Performance Goal, the Adjustment Factor for that Performance Goal would be 1 plus the percentage by which actual performance exceeds the Performance Goal. For example, if actual performance exceeds the Performance Goal by 4%, the Adjustment Factor for that Award Component would be increased by 4% to 1.04.
- If actual performance is less than the Performance Goal for the plan year, the Adjustment Factor is 1 minus 10 percentage points for each percentage point by which actual performance is less than the Performance Goal. For example, if actual performance is 97% of the Performance Goal, then the Adjustment Factor for that Award Component would be reduced by 30% to 0.70.

If actual performance does not exceed 90% of the Performance Goal, then the Award Component for that Performance Goal will be zero. A participant’s STIP award is uncapped, except as follows:

- Aggregate awards under the STIP in any year may not exceed 15% of the Company’s Consolidated Operating Income for that year determined without deduction for the STIP awards.
- If the EVA Performance Goal is less than \$1 million for any plan year, the maximum award to a participant that year may not exceed two (2) times the participant’s Target Award.
- Adequate reserves for awards must be accrued when determining whether a Performance Goal based upon operating income has been achieved.

Based on the Company’s results, the Award Components were as follows:

Performance Goal	Target (\$)	Actual Performance (\$)	Adjustment Factor
Consolidated Net Sales	98,279,000	94,658,000	0.6
Consolidated Operating Income	9,238,000	6,910,000	—
EVA	500,000	2,770,000	2.0

The amount of a participant’s award under the STIP will be credited to a book account maintained by the Company (the “Award Bank”). The resultant balance in the participant’s account after crediting the amount of award (the “Bank Balance”) will then be used to determine the participant’s Payout Amount for the plan year.

The “Payout Amount” is equal to the sum of (i) the lesser of (A) the participant’s actual award for the plan year or (B) the participant’s Target Award for the plan year (“Base Award”) *plus* (ii) 30% of the participant’s Bank Balance (after deduction of the amount of the Base Award). Thus, only 30% of the amount in excess of the Target Award will be paid out currently and 70% of such excess will be “banked” and paid out in subsequent years in accordance with the foregoing formula, provided the participant remains employed with the Company.

For example, if a participant’s Target Award for Year 1 is \$45,000 but the actual award is \$55,000, then the Payout Amount for such year would be \$48,000 (\$45,000 + [30% × \$10,000]) and the Bank Balance remaining after the payout would be \$7,000. If the participant’s Target Award for Year 2 is \$47,000 and the actual award is \$45,000, then the Payout Amount for such year would be \$47,100 (\$45,000 + [30% × \$7,000]) and the Bank Balance remaining after the payout would be \$4,900.

The following table sets forth for each of our Named Executive Officers the amount of the award under the STIP for fiscal year 2016. Because the awards under the STIP for fiscal year 2016 were lower for each of our Named Executive Officers than their respective Target Awards, the full amount of the fiscal 2016 awards were paid to the Named Executive Officers, and no amounts were credited to their Bank Balances.

Name	Award Under the 2016 STIP (\$)
Gregory A. Woods	150,626
Joseph P. O'Connell	57,461
Michael Morawetz	34,318

If a participant's employment with the Company is terminated for any reason other than death, disability or retirement, then the participant will forfeit any interest in his Bank Balance. A participant's Bank Balance will vest in full and become immediately payable in the event of termination of a participant's employment with the Company due to the participant's death, disability or retirement. A participant's Bank Balance will also vest in full and become payable upon a change in control of the Company.

Long-Term Incentive Compensation . Total compensation at the executive level also includes long-term incentive awards granted under the Company's 2007 Equity Incentive Plan and 2015 Equity Incentive Plan. The objectives of the equity incentive program are to align executive and shareholder long-term interests by creating a strong and direct link between executive pay and total shareholder return, and to enable executives to develop and maintain a long-term stock ownership position in the Company's common stock. Prior to fiscal year 2013, all equity awards were in the form of stock options, which were generally granted in March of each year at an exercise price equal to the market price on the date of grant. Since 2004, all options granted to employees vest in four equal annual installments commencing on the first anniversary of the date of grant. Under the Company's 2007 Equity Incentive Plan and 2015 Equity Incentive Plan, the Committee may also make equity awards in the form of restricted stock, restricted units and performance units in addition to stock options. In fiscal year 2014, the Committee awarded restricted stock units to the Company's executive officers. Twenty-five percent of each award was subject to time-based vesting and became vested in April 2016. Vesting of the remaining 75% of each award was contingent upon the Company meeting specified performance goals, with 50% of each award to vest upon the achievement of cumulative budgeted sales targets for fiscal years 2014 through 2016; and 25% to vest upon the achievement of an average operating income return on net assets ("ORONA") goal for fiscal years 2014 through 2016. In March 2016, the Committee determined that the average ORONA goal for fiscal years 2014 through 2016 had been achieved and the corresponding portion of the awards would become vested upon the filing of the Company's Annual Report on Form 10-K.

In fiscal year 2016, the Committee adopted its 2015 Long Term Equity Incentive Program, or the 2015 LTIP. Under the terms of the 2015 LTIP, the Committee granted restricted stock units to the Company's executive officers. A portion of the awards issued to each officer were time-based awards, which vest in four equal annual installments commencing on the first anniversary of the date of grant. The remaining awards may be earned based upon the increase in net sales, if any, achieved in each of the fiscal years 2016, 2017 and 2018 in relation to the Company's three-year net sales increase goal. To the extent that the Committee determines that net sales growth in a fiscal year was achieved due to organic growth, any restricted stock units earned as a result will immediately vest, while restricted stock units earned as a result of net sales growth resulting from acquisitions will vest in three equal annual installments commencing on the first anniversary of the date the Committee determines that the performance goal was achieved. Any performance based restricted stock units that are not

earned at the end of the three-year performance period will be forfeited. In March 2016, the Committee determined that approximately 9.6% of the performance based restricted stock units had been earned based on fiscal 2016 organic net sales growth and approximately 0.6% of the performance based awards had been earned based on fiscal 2016 net sales growth resulting from acquisitions.

Gregory A. Woods joined the Company as Chief Operating Officer in September 2012 and became Chief Executive Officer on February 1, 2014, upon Everett V. Pizzuti's retirement. In November 2014, the Company entered into an Equity Incentive Award Agreement with Mr. Woods (the "Equity Agreement"), which provides for grants of equity awards to Mr. Woods that are intended to enhance his equity ownership, create stronger alignment with shareholder interests and reward him for driving the long-term growth and profitability of the Company. The Equity Agreement provides that in each of 2015, 2016 and 2017, the Company will grant Mr. Woods the following equity awards:

- an option for 50,000 shares (subject to adjustment in the event of any stock splits, stock dividends or similar changes in capital structure), each with an exercise price equal to the fair market value of the Company's common stock as of the grant date of such option; and
- a restricted stock award with a value equal to the amount (if any) by which the exercise price of such year's option exceeds \$13.80, multiplied by the number of shares covered by the option granted in such year (initially 50,000, subject to adjustment in the event of any stock splits, stock dividends or similar changes in capital structure).

Each option and restricted stock award under the Equity Agreement will vest in four equal annual installments commencing on the first anniversary of the grant date for each such award, and all options and restricted stock will vest upon a change in control of the Company. The Equity Agreement provides that, in the event there is a change in control of the Company prior to June 1, 2018, the Company will pay Mr. Woods an amount equal to (i) the positive difference (if any) between the fair market value of the Company's common stock as of the date of the change in control and \$13.80 (ii) multiplied by the number of options which the Company remains obligated to grant under the Equity Agreement.

Share Ownership and Retention Guidelines . The Committee believes that senior management should have a meaningful equity interest in the Company. In order to promote equity ownership and further align the interests of management with our shareholders, the Board has adopted share ownership and retention guidelines for our executives. These guidelines are based upon the market value of our common stock as a multiple of such officer's base pay. The multiple is 3 times base salary for the CEO, 2 times base salary for the Chief Financial Officer and 1.25 times base salary for the other executive officers. Under these guidelines, an executive is expected to achieve the ownership level within five years from the later of April 1, 2015 or initial appointment as an executive officer. Executives are expected to retain at least 50% of the shares acquired upon exercise of any stock option (net of any shares tendered upon exercise or sold to pay the option exercise price) or vesting of restricted stock until they achieve the specified ownership level and thereafter maintain such ownership level.

Retirement and Other Benefits . In order to attract and retain key executives, the Company offers retirement benefits through a Profit-Sharing Plan and Employee Stock Ownership Plan for employees, including its executive officers.

Profit Sharing Plan. The Company maintains a qualified Profit Sharing Plan which provides retirement benefits to substantially all the Company's employees. Each eligible employee shares in contributions on the basis of relative (limited to \$265,000 in 2015) compensation. In addition, participants are permitted to defer up to

50% of their cash compensation and make contributions of such deferral to this plan through payroll deductions. The Company makes matching contributions equal to 50% of the first seven percent of compensation contributed. The deferrals are made within the limits prescribed by Section 401(k) of the Internal Revenue Code. The Profit Sharing Plan provides for the vesting of 100% of matching contributions made by the Company to the account of the employee after three years of service. Contributions by an employee are 100% vested immediately.

Employee Stock Ownership Plan. The Company also has an Employee Stock Ownership Plan (“ESOP”) which provides retirement benefits to substantially all of its employees. Contributions in such amounts as the Board may annually determine are allocated among eligible employees on the basis of relative (limited to \$100,000) compensation. Participants are 100% vested in any and all allocations. Contributions, which may be in cash or stock, are invested by the Plan’s trustee in shares of common stock of the Company.

Perquisites. In addition to the benefits described above, the Company provides automobile allowances to certain of its executive officers. The amount of any automobile allowance granted to our Named Executive Officers is reflected in the “All Other Compensation” column of the Summary Compensation Table below.

Change in Control Agreement. In November, 2014, the Company entered into a Change in Control Agreement (the “CIC Agreement”) with Mr. Woods. The CIC Agreement provides for the payment of severance benefits upon a change in control of the Company if Mr. Woods’ employment is terminated by the Company without cause or by Mr. Woods for good reason within the period (the “CIC Period”) beginning on the earlier of (i) 180 days prior to the occurrence of the change in control and (ii) the announcement of a transaction expected to result in a change in control, and ending on the second anniversary of the occurrence of a change in control. Severance payments to Mr. Woods include (i) payment of one and one-half times the sum of (A) his annual salary and (B) the greater of the amount of his target bonus for the fiscal year in progress or the highest annual bonus paid to him in the prior three years (collectively, “base compensation”), (ii) immediate vesting of all unvested stock options and restricted stock awards, (iii) continued health coverage for 18 months or until he receives benefits from another employer, and (v) reimbursement for outplacement services in an amount not to exceed 17% of his base compensation. If any payment or benefit under the CIC Agreement or under any other plan or agreement would constitute an “excess parachute payment” within the meaning of Section 280G of the Internal Revenue Code, and if Mr. Woods would be in a better after-tax position by reducing the such payments or benefits, the amounts payable under the CIC Agreement will be reduced to the extent necessary to avoid the excise tax payable under Section 280G.

Employment Agreements and Severance Benefits. In November 2014, in order to comply with certain legal requirements, the Company entered into an Employment Agreement with Michael Morawetz, Vice President-International Branches, as the general manager of its German subsidiary. The employment agreement can be terminated on six months’ notice and provides that in the event of the termination of his employment by the Company without cause, Mr. Morawetz will receive severance equal to one month’s salary for each year of his employment. Other than the contract with Mr. Morawetz, we have no employment agreements with any of our executive officers. Except for the Morawetz Employment Agreement and the CIC Agreement with Mr. Woods, we generally do not provide any severance benefits to our executives other than those provided to all employees. Severance benefits will vary based upon salary levels and length of service.

PROPOSAL NO. 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by the Section 14A(a)(2) of the Exchange Act, the Board is providing shareholders with the opportunity to cast an advisory vote on the Company's executive compensation at the annual meeting through the following resolution:

“RESOLVED, that the shareholders approve the Company's executive compensation, as described in the Compensation Discussion and Analysis and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement.”

The Board believes that the Company's compensation policies and procedures, which are described more fully in the "Compensation Discussion and Analysis" section of this Proxy Statement and in the tables and narrative in the "Executive Compensation" section, are strongly aligned with the long-term interests of shareholders. These policies and procedures balance short-term and longer-term compensation opportunities to ensure that the Company meets short-term objectives while continuing to produce value for our shareholders over the long term.

Approval of this proposal requires the affirmative vote of a majority of the shares of common stock represented in person or by proxy at the annual meeting. This vote will not be binding on or overrule any decisions by the Board or any committee thereof, will not create or imply any additional fiduciary duty on the part of the Board, and will not restrict or limit the ability of the Company's shareholders to make proposals for inclusion in proxy materials related to executive compensation. However, the Compensation Committee and the Board will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board recommends a vote "FOR" approval of the Company's executive compensation, as described in the Compensation Discussion and Analysis, and the tabular disclosure regarding named executive officer compensation (together with accompanying narrative disclosure) in this Proxy Statement.

PROPOSAL NO. 3

APPROVAL OF AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

The Board has adopted and is seeking shareholder approval of an amendment (the "Name Change Amendment") to the Company's Articles of Incorporation to change the Company's name from "Astro-Med, Inc." to "AstroNova, Inc." The Board recommends this action in order to publicly reflect the Company's transformational strategy.

Rationale for Proposed Name Change

On September 25, 2015, the Company announced that it would begin doing business as AstroNova on worldwide basis.

The Astro-Med name was originally based on the two markets where the Company applied its data visualization technology – aerospace and medical. Since divesting the medical business in 2013, the "Med" part of the name no longer describes our business and confuses customers and investors.

AstroNova was selected because it fits the Company's transformation strategy. "Astro" refers to the company's strong roots in the aerospace business. "Nova" comes from the Latin word "novus," meaning "new." AstroNova exemplifies our traditional strengths in aerospace, plus our expanding presence in test and measurement, product identification, and other new areas where data visualization technology can be applied.

How the Name Change will be Implemented

If the Name Change Amendment is approved by shareholders, it will be implemented through, and become effective upon, the filing of an amendment to the Articles of Incorporation with the Secretary of State of the State of Rhode Island. The Name Change Amendment will change Article First of the Articles of Incorporation to read in its entirety as follows:

FIRST: The name of the corporation is AstroNova, Inc.

No changes will be made to the other provisions of the Articles of Incorporation pursuant to this Proposal 3. A copy of the proposed amendment to the Company's Articles of Incorporation is set forth in Appendix A.

If the Name Change Amendment is approved, the rights of shareholders holding certificated shares under currently outstanding stock certificates and the number of shares represented by those certificates will remain unchanged. The Name Change Amendment will not affect the validity or transferability of any currently outstanding stock certificates nor will it be necessary for shareholders with certificated shares to surrender or exchange any stock certificates they currently hold as a result of the name change. Regardless of whether the Name Change Amendment is approved, the Company will continue its product and services rebranding efforts under the AstroNova brand as described above.

Approval of this proposal requires the affirmative vote of a majority of our common stock entitled to vote. Votes may be cast for or against the proposal or may abstain; votes that abstain and broker non-votes will have the same effect as a vote against the proposal.

The Board recommends a vote "FOR" the approval of Proposal No. 3, which approves the amendment to the Company's Articles of Incorporation to change the name of the Company to AstroNova, Inc.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has sole authority to select, evaluate and when appropriate, to replace the Company's independent auditors. The Audit Committee has appointed Wolf & Company, P.C. as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2017. Although action by the Company's shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification in light of the critical role played by the independent auditors in maintaining the integrity of Company financial controls and reporting and hereby requests the shareholders to ratify such appointment.
