CURRENT REPORT PURSUANT TO SECTION 13 OR 15(d) OF THE SECURITIES EXCHANGE ACT OF 1934 DATE OF REPORT (DATE OF EARLIEST EVENT REPORTED)

January 11, 2014

ASTRO-MED, INC

(EXACT NAME OF REGISTRANT AS SPECIFIED IN ITS CHARTER)

COMMISSION FILE NUMBER 0-13200

RHODE ISLAND (STATE OR OTHER JURISDICTION OF INCORPORATION OR ORGANIZATION) 05-0318215

(IRS EMPLOYER IDENTIFICATION NUMBER)

600 EAST GREENWICH AVENUE, WEST WARWICK, RI 02893 (ADDRESS OF PRINCIPAL EXECUTIVE OFFICES, INCLUDING ZIP CODE)

(401-828-4000) (REGISTRANT'S TELEPHONE NUMBER, INCLUDING AREA CODE)

Item 1.01. Entry into a Material Definitive Agreement.

On January 11, 2014, Astro-Med, Inc. (the "Company") entered into an Asset Purchase Agreement (the "Purchase Agreement") by and between the Company and Miltope Corporation (d/b/a VT Miltope, a company of VT Systems), an Alabama corporation (the "Seller"), whereby the Company will acquire the Seller's ruggedized printer product line (the "Products") in exchange for the approximate \$6.7 million cash purchase price (the "Transaction"). Astro-Med will fund such purchase price with existing cash and borrowings under its credit facility. The Transaction is expected to close on January 21, 2014 (the "Closing Date").

The assets that the Company will acquire from the Seller will consist principally of inventory, equipment, intellectual property and customer contracts relating to the Products. Of the \$6.7 million purchase price, \$500,000 will be held in escrow for 12 months following the Closing Date to provide an indemnity to the Company in the event of any breach in the representations, warranties and covenants of the Seller.

Concurrent with the closing of the Transaction, the Company and Miltope will enter into certain Transition Services Agreements, pursuant to which the Seller will provide transition services and continue to manufacture the Products for the Company for approximately six months, after which time the Company will manufacture such Products at its West Warwick, Rhode Island facility.

The Products consist of rugged printers for use in commercial and military aircraft sold to aircraft manufacturers, tier one contractors, and directly to airlines around the world.

A copy of the Company's press release regarding the foregoing is attached hereto as Exhibit 99.1.

PRESS RELEASE

Mastro-Med, Inc

600 East Greenwich Avenue West Warwick, Rhode Island 02893 USA

For Immediate Release January 13, 2014

Astro-Med, Inc. to Acquire Miltope Ruggedized Printer Line

West Warwick, RI, and Hope Hull, Alabama (January 13, 2014) -- Astro-Med, Inc. (NASDAQ:ALOT), and Miltope Corporation, d/b/a VT Miltope, a company of VT Systems, today announced that the companies have entered into a definitive agreement for Astro-Med to acquire the Ruggedized Printer Product line from Miltope. The Miltope products consist of rugged printers for use in commercial and military aircraft sold to aircraft manufacturers, tier one contractors, and directly to airlines around the world.

The transaction is expected to close on January 21, 2014. Astro-Med will fund the approximate \$6.7 million cash purchase price with existing cash and borrowings under its credit facility. Astro-Med will purchase the assets of the Miltope printer product line less property and staffing. Miltope and Astro-Med will enter into a manufacturing services agreement under which Miltope will continue to manufacture printers for Astro-Med for a period of time until Astro-Med transitions the manufacturing to its West Warwick, R.I. facility.

"Miltope has been a leading supplier of ruggedized printers for the last fifteen years. The products have been consistently profitable and we expect the line to be accretive to our Test and Measurement product group earnings in the first quarter of ownership," said Everett V. Pizzuti, CEO of Astro-Med. "The acquisition expands our penetration of the market for avionics printers, especially in the segment related to direct sales to the airlines."

"Miltope's aviation market growth area is ruggedized computing and wireless products and services for in-flight entertainment and aircraft support. The divestiture of the airborne printer product line enables Miltope to focus our resources on the future core products," said Julie Briggs, President and CEO of VT Miltope.

Astro-Med has scheduled a conference call on Wednesday, January 15 at 11:00 a.m. EST to discuss this transaction. Interested parties may call 1-877-941-0844 to be included on the call, which will be available using passcode 4662367.
