2. Date of Material Change

May 16, 2003.

3. Press Release

The MFC Bancorp Ltd. press release announcing the material change disclosed in this report was disseminated from New York, NY on May 28, 2003.

4. Summary of Material Change

On May 28, 2003, MFC Bancorp Ltd. ("MFC" or the "Corporation") announced that it had amended and restated the terms of its shareholder protection rights plan agreement that was adopted by the board of directors of MFC (the "BOARD") on May 17, 1993 and confirmed by the shareholders at the annual meeting held on June 25, 1993.

5. Full Description of Material Changes

MFC announced that the Board approved, on May 16, 2003, the adoption of an amended and restated shareholder rights plan agreement among MFC and Computershare Investor Services Inc., as rights agent (the "Amended and Restated Rights Plan Agreement") to replace the shareholder protection rights plan agreement (the "Rights Plan Agreement") that expired at the close of business on May 18, 2003. The Amended and Restated Rights Plan Agreement became effective upon expiration of the existing plan.

Although the Amended and Restated Rights Plan Agreement became effective upon execution thereof, in accordance with the terms thereof, the rights will terminate if the Amended and Restated Rights Plan Agreement is not confirmed by the shareholders of the Corporation at the annual and special meeting of shareholders scheduled for June 27, 2003. If confirmed, the rights will expire six years after the effective date, unless the Amended and Restated Rights Plan Agreement is reconfirmed by the shareholders in three years or the rights are exchanged or redeemed earlier by the Corporation as described below.

As the Amended and Restated Rights Plan Agreement may increase the price to be paid by an acquiror to obtain control of the Corporation and may discourage certain transactions, the Amended and Restated Rights Plan Agreement may reduce the likelihood of a take-over bid being made for the outstanding common shares of the Corporation. Accordingly, the Amended and Restated Rights Plan Agreement may deter some take-over bids that shareholders might wish to receive and may make the replacement of management less likely.

The Amended and Restated Rights Plan Agreement was not implemented in response to any proposal, inquiries or in anticipation of any pending or threatened take-over bid or offer for the common shares of MFC.

The following description of the characteristics of the Amended and Restated Rights Plan Agreement is qualified in its entirety by reference to the text of the Amended and Restated Rights Plan Agreement attached hereto as Schedule A. All capitalized terms used herein but not defined in this summary are defined in the Amended and Restated Rights Plan Agreement attached hereto as Schedule A.

Upon a person or related group making a Take-over Bid, or acquiring Beneficial Ownership of 20% or more of the outstanding Common Shares, other than through certain "Permitted Acquisitions" (as discussed below), including a Permitted Bid or Competing Permitted Bid, or on terms otherwise approved by the Board (a "Flip-in Event"), the Rights entitle their holders (other than the acquiror) to acquire Common Shares at a 50% discount from the then prevailing market price, with the result that the acquiror may suffer substantial dilution of its interest in the Corporation.

The dilutive effects of the Rights are not triggered by a Permitted Bid or Competing Permitted Bid, which are each a Take-over Bid made to all Independent Shareholders by take-over bid circular prepared in compliance with applicable laws and subject to certain additional conditions (as set forth below). The "permitted bid" concept, which is found in most of the shareholder rights plans adopted in Canada, is intended to permit Shareholders to review and decide upon a take over bid for themselves, while establishing a minimum standard of fairness and giving Shareholders and the Board sufficient time to evaluate the Permitted Bid or Competing Permitting Bid.

The Amended and Restated Rights Plan Agreement does not require that a special meeting of Shareholders be called to approve a Permitted Bid or Competing Permitted Bid. Instead, Shareholders who favour the bid indicate their approval simply by tendering their Common Shares to it. If Shareholders independent of the bidder tender shares representing more than 50% of the Common Shares then outstanding by the end of the minimum initial tender period (i.e. 60 days), the bid must be extended for a further period of 10 days to allow initially non-tendering Shareholders to tender their Common Shares to the bid if they so choose. Common Shares deposited pursuant to a bid for less than all of the Common Shares held by Independent Shareholders must be taken up and paid for on a pro rata basis. The initial tender acts as a surrogate for the costly and rather cumbersome process of requiring a Shareholder vote at a special Shareholders' meeting. As with a Shareholder vote, there is no coercion to tender during the initial 60-day period as the bid, by definition, must be open for acceptance for at least 10 days after expiry of the initial tender period. Of course, the Board may call a Shareholders' meeting at any time should it believe that a meeting would be beneficial to the Shareholders.

The Rights Plan Agreement was amended to remove the "Flip-over Transaction or Event" feature which had provided in the event that, if at any time following the Separation Time, the Corporation had undergone a merger or amalgamation or similar transaction, or had disposed of assets: (a) aggregating more than 50% of the assets; or (b) which generated more than 50% of the operating income or cash flow of the Corporation and its subsidiaries, taken together, each Right (other than those held by an Acquiring Person) would "flip-over" to entitle the registered holder to acquire Common Shares in the continuing or acquiring company at a 50% discount.

In addition, the "Exchange Option" feature was removed. The Exchange Option had provided that, if at any time the Board, acting in good faith, had determined that conditions existed which would

eliminate or materially diminish in any respect the benefits intended to be afforded to the holders of Rights under the Rights Plan Agreement, it may, at its option, at any time after a person has become an Acquiring Person, authorize the Corporation to issue or deliver, in exchange for each Right (excluding Rights held by an Acquiring Person), debt or equity securities or assets (or a combination thereof) of the Corporation and, in that event, the rights of holders of Rights to exercise the Rights would terminate. Furthermore, the Exercise Price for the Rights was increased from \$18.00 to \$75.00 to bring the Amended and Restated Rights Plan Agreement in line with current market conditions.

The adoption of the Amended and Restated Rights Plan Agreement does not in any way detract from or lessen the duty of the Board to act honestly and in good faith in the best interests of the Corporation and to consider an offer in accordance with that duty. It is not the intention of the Board to secure the continuance of existing directors or officers in office to avoid an acquisition of control of the Corporation in a transaction that is fair and in the best interests of the Corporation and its Shareholders, or to avoid the fiduciary duties of the Board. The public proxy mechanism of the Business Corporations Act (Yukon) is not affected by the Amended and Restated Rights Plan Agreement, and a Shareholder may use his statutory rights to promote a change in the management or direction of the Corporation, including the right of Shareholders holding not less than 5% of the outstanding Common Shares to requisition the Board to call a meeting of Shareholders.

Summary of the Amended and Restated Rights Plan Agreement Terms

Distribution of Rights

In order to implement the Amended and Restated Rights Plan Agreement, the Board authorized the Corporation to issue one Right in respect of each outstanding Common Share to holders of record as at the Record Time and authorized the Corporation to issue one Right for each Common Share issued after the Record Time and prior to the "Separation Time" or the "Expiration Time" (as defined below). The initial exercise price of a Right is \$75 (the "Exercise Price"). The Exercise Price is subject to certain adjustments as described below. Conditional upon confirmation of the Amended and Restated Rights Plan Agreement by the Shareholders of the Corporation at the Meeting, the Rights will expire six years after the Effective Date (the "Expiration Time"), unless the Amended and Restated Rights Plan Agreement is reconfirmed or the Rights are exchanged or redeemed earlier by the Corporation as described below.

Dilution

In the event that a person announces the acquisition of 20% or more of the Common Shares of the Corporation, other than through certain Permitted Acquisitions including a Permitted Bid or Competing Permitted Bid or on terms otherwise approved by the Board, each Right (other than any held by an Acquiring Person) will "Flip-In" to entitle the registered holder to acquire Common Shares at a 50% discount from the then prevailing market price. For example, if at the time of such announcement the Exercise Price is \$75 and the Common Shares have a Market Value of \$30 each, the holder of each Right would be entitled to purchase 5 Common Shares for an aggregate price of \$75 (the number of Common Shares at 50% of Market Value that can be obtained for the Exercise Price, excluding any fractional shares).

Separation Time

The "Separation Time" is the Close of Business on the tenth Business Day following the earlier of:

- (a) the Stock Acquisition Date;
- (b) the date of the commencement of, or first public announcement of the intent of any Person (other than the Corporation or any Subsidiary of the Corporation) to commence a Take-over Bid other than a Permitted Bid or Competing Permitted Bid so long as such Take-over Bid continues to satisfy the requirements of a Permitted Bid or Competing Permitted Bid); and
- (c) the date upon which a Permitted Bid or Competing Bid ceases to be such.

In addition, the Board may determine such later time provided that, if the Board determines to waive the application of the Flip-in Event provision, or if any Take-over Bid is cancelled, terminated or otherwise withdrawn prior to the Separation Time, such offer shall be deemed never to have been made.

Trading and Exercise of Rights

The Rights will separate and trade apart from the Common Shares and become exercisable after the Separation Time upon the issuance of "Rights Certificates" (as defined below). Until the Separation Time, the Rights may be transferred only with the associated Common Shares and will be represented by the outstanding Common Share certificates; new Common Share certificates issued on the transfer of existing Common Shares or on the issuance of additional Common Shares will contain a notation incorporating the Rights Agreement by reference. Promptly following the Separation Time, separate certificates evidencing the Rights (the "Rights Certificates") will be mailed to holders of record of Common Shares as of the Separation Time; thereafter, the Rights Certificates will evidence the Rights.

Acquiring Person

Subject to certain exceptions set forth in the Rights Agreement, the dilutive effects of the Rights are triggered by a person becoming an Acquiring Person upon the acquisition of Beneficial Ownership of 20% or more of the outstanding Voting Shares. A person will not trigger the separation and exercisability of the Rights if he becomes the Beneficial Owner of 20% or more of the Voting Shares as a result of Permitted Bid Acquisitions, Voting Share Reductions, Pro-rata Acquisitions or otherwise on terms approved by the Board (collectively the "Permitted Acquisitions"), provided that if he becomes the Beneficial Owner of 20% or more of the Voting Shares by such means and he is or subsequently becomes the Beneficial Owner of additional Voting Shares constituting more than 1% of the Voting Shares outstanding, other than by a Permitted Acquisition, then, as of the date of such additional acquisition, he shall become an Acquiring Person.

The Amended and Restated Rights Plan Agreement also contains a grandfathering provision which states that a person shall not be and shall not be deemed to be an Acquiring Person if such person was the beneficial owner of 20% or more of the outstanding Voting Shares of the Corporation as determined at the Record Time. The provision further states that should such a person after the Record Time become the beneficial owner of additional Voting Shares of the Corporation constituting more than 0.5% of the Voting Shares of the Corporation other than through Permitted

Acquisitions the exemption provided by the grandfathering provision shall cease to be applicable to that person. This provision is necessary as the Corporation already has a Shareholder with a greater than 20% interest in its Voting Shares.

Beneficial Ownership

Beneficial Ownership is broadly defined in the Amended and Restated Rights Plan Agreement, but certain exceptions from its scope are provided, among them an exception designed to avoid inadvertent triggering of the dilutive effects of the Rights by portfolio managers acting for pension funds and others who do not intend to make a Take-over Bid for the Corporation's Voting Shares and persons who enter into Permitted Lock-up Agreements.

Permitted Bid

As discussed above, a Permitted Bid or Competing Permitted Bid will not trigger the dilutive effects of the Rights. A Permitted Bid or Competing Permitted Bid is a Take-over Bid by means of a Take-over Bid Circular, and which also complies with the following conditions:

- (a) the bid must be made to all Shareholders wherever resident as registered on the books of the Corporation on identical terms; and
- (b) the bid contains irrevocable and unqualified provisions that:
 - (i) all Voting Shares may be deposited pursuant to the bid at any time prior to the close of business on the date referred to in (ii) below and that all Voting Shares deposited pursuant to the bid may be withdrawn at any time prior to the close of business on such date;
 - (ii) no Voting Shares will be taken up or paid for pursuant to the bid prior to the close of business on a date which is not less than 60 days following the date of the bid and unless Independent Shareholders have deposited or tendered shares representing more than 50% of the Voting Shares then outstanding pursuant to the bid and have not withdrawn such shares; and
 - (iii) should the condition referred to in (ii) above be met, the bid will be extended on the same terms for a period of not less than 10 days from the date referred to in (ii) above provided that where a greater number of Voting Shares are deposited than the bidder is bound or willing to acquire pursuant to a bid for less than all of the Voting Shares held by Independent Shareholders, the Voting Shares must be taken up and paid for on a pro rata basis.

A Competing Permitted Bid may proceed contemporaneously with a Permitted Bid provided it expires on the later of 35 days after the date of the Competing Permitted Bid and 60 days following the date of the earliest Permitted Bid.

The Corporation is of the view that the requirement that the bid be made to all registered holders of Voting Shares, wherever resident, is necessary in order to ensure equal treatment for all Shareholders, particularly as a number of the Corporation's Shareholders reside in the United States.

Redemption and Waiver

The Board may, at its option, at any time prior to the Flip-in Event, with the prior consent of holders of Voting Shares or Rights, as applicable, elect to redeem all but not less than all of the Rights at a redemption price of \$0.001 per Right and, in that event, the right of holders of Rights to exercise the Rights will terminate. The Rights Agreement also gives the Board the right in certain circumstances, without the prior consent of holders of Voting Shares or Rights, as applicable, to waive the application of Amended and Restated Rights Plan Agreement, as set out therein.

For example, the Amended and Restated Rights Plan Agreement contains certain provisions with regard to waiver of the Amended and Restated Rights Plan Agreement if a person became an Acquiring Person by inadvertence and without any intention to become or knowledge that it would become an Acquiring Person under the Amended and Restated Rights Plan Agreement in the event that the person, within 10 days following the determination by the Board, has reduced its beneficial ownership of shares such that the person is no longer an Acquiring Person. If the person remains an Acquiring Person at the close of business following the 10 days, the provisions of the plan are triggered.

Supplements and Amendments

The ability of the Corporation to amend the Amended and Restated Rights Plan Agreement is subject to the terms contained therein. The Corporation may amend or supplement the agreement, inter alia, as follows:

- (a) without the consent of holders of Voting Shares or Rights to correct any clerical or typographical error or cure any ambiguity or inconsistency which are required to maintain the validity of the Amended and Restated Rights Plan Agreement as a result of any change in any applicable legislation, regulations or rules thereunder;
- (b) with the prior consent of the holders of Voting Shares, at any time prior to the Separation Time, supplement, amend, vary or delete any of the provisions;
- (c) with the prior consent of the holders of Rights, at any time on or after the Separation Time and before the Expiration Time, supplement, amend, vary or delete any of the provisions; and
- (d) without the prior approval of any holders of Voting Shares or the Rights, supplement, amend, delete or vary any of the provisions of the Amended and Restated Rights Plan Agreement or the Rights as may be required to maintain its validity or effectiveness including without limitation, revising the Exercise Price of the Rights as a result of any change in applicable legislation or regulation provided that: (i) if made before the Separation Time, any such amendment, supplement, variation or deletion shall be submitted to the shareholders of the Corporation at the next general meeting of the shareholders for confirmation; or (ii) if made after the Separation Time, any such amendment, variation or deletion shall be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Corporation for confirmation. If the Corporation fails to receive confirmation by its shareholders, then such supplement, amendment, variation or deletion shall cease to be effective from and after the termination of the meeting.

Notwithstanding anything in the Amended and Restated Rights Plan Agreement, no amendment or supplement may be made to the provisions concerning the Rights Agent without the express written consent of the Rights Agent.

A copy of the Rights Agreement is attached hereto as Schedule "A".

AMENDED AND RESTATED SHAREHOLDER RIGHTS PLAN AGREEMENT

THIS AMENDED AND RESTATED SHAREHOLDER RIGHTS PLAN AGREEMENT is dated for reference and made effective as of the 16th day of May, 2003 (amending and restating the shareholder protection rights plan agreement of the Corporation dated as of May 18, 1993 and confirmed by shareholders at the annual meeting of the Corporation held on June 25, 1993).

BETWEEN:

MFC BANCORP LTD., a corporation organized under the laws of the Yukon Territory having its registered office at Suite 300 - 204 Black Street, Whitehorse, Yukon.

(the "Corporation")

OF THE FIRST PART

COMPUTERSHARE INVESTOR SERVICES INC., a trust company existing under the laws of Canada having an office at 510 Burrard Street Suite 408, Vancouver, British Columbia, V6C 3B9.

(the "Rights Agent")

OF THE SECOND PART

WHEREAS:

- A. The term of the shareholder rights protection plan agreement of the Corporation, initially adopted by the Board of Directors of the Corporation on May 17, 1993 and subsequently confirmed by shareholders at the annual meeting of the Corporation held on June 25, 1993, expires on May 18, 2003 (the "Original Rights Plan");
- B. The Board of Directors has been advised that, based upon the experiences of other corporations and taking into account the circumstances of the Corporation itself including, inter alia, the regulation of significant ownership interests of certain of its financial services businesses, the adoption of the Rights Plan is in the best interests of the Corporation;
- C. The Board of Directors has determined that it is in the best interest of the Corporation to adopt this shareholder rights plan effective as of May 16, 2003, to amend, restate and replace the Original Rights Plan, inter alia, in order to:
 - (a) facilitate the maximization of shareholder value if a substantial portion of the Voting Shares or the assets of the Corporation are to be acquired by any Person and, to the extent possible, ensure shareholders of the Corporation are treated fairly in connection with any takeover bid for the Corporation;
 - (b) protect the Corporation and its shareholders from abusive or coercive acquisition tactics or acquisitions which may not be in the best interests of the Corporation and its shareholders; and

(c) provide a framework in which appropriate take-over bids for the Corporation can be put before its shareholders in a fair and proper manner so that its shareholders can make a fully informed decision with respect to such take-over bids;

D. It is not the intention of the Board of Directors of the Corporation to adopt the Rights Plan as a means of preventing any Person from seeking to acquire the Voting Shares or the assets of the Corporation, provided they do so in a manner that is fair to all shareholders, or of foreclosing the ability of the Board of Directors to take any action that in its fiduciary capacity it considers reasonable in the circumstances of any such transaction having regard for the best interests of the Corporation;

E. In order to implement the Rights Plan, the Board of Directors has:

(a) authorized and declared effective immediately following the Close of Business on May 20, 2003 a distribution of one right (a "Right") in respect of each Common Share outstanding at the Close of Business on May 20, 2003 (the "Record Time"); and

(b) authorized the issuance of one Right in respect of each Common Share issued after the Record Time and prior to the earlier of the Separation Time (as hereinafter defined) and the Expiration Time (as hereinafter defined);

F. Each Right entitles the holder thereof, after the Separation Time but before the Expiration Time, to purchase securities of the Corporation (or, in certain cases, of certain other entities) pursuant to the terms and subject to the conditions set forth herein;

G. The Corporation desires to appoint Computershare Investor Services Inc. as the Rights Agent to act on behalf of the Corporation, and the Rights Agent is willing to so act, in connection with the issuance, transfer, exchange and replacement of Rights Certificates (as hereafter defined), the exercise of Rights and other matters referred to herein; and

H. The Board of Directors has determined that it is advisable to amend and restate, effective May 16, 2003, the Original Rights Plan (such rights plan as amended and restated hereby is herein referred to as the "Rights Plan") upon the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the premises and the mutual agreements set forth herein, the parties hereto hereby agree that this Agreement amends and restates the Original Rights Plan to read in its entirety as follows:

(i) the numerator is the number of Shares per Right that may be purchased pursuant to paragraph 3.1(a)(ii); and

(ii) the denominator is the number of Shares per Right that could have been purchased pursuant to paragraph 3.1(a)(i) in the event that there had been sufficient authorized but unissued Common Shares to permit each holder of a Right (other than an Acquiring Person or a transferee of the kind described in paragraph 3.1(b)(ii)) to purchase the number of Common Shares to which they would have been entitled under paragraph 3.1(a)(i);

(c) "Adjustment Factor" shall mean a fraction in which:

(i) the numerator is equal to the Corporation's authorized but unissued Voting Shares; and

(i) may be exercised; and

(ii) will be registrable and transferable independent of Shares.

Promptly following the Separation Time the Rights Agent will mail to each holder of record of Common Shares as of the Separation Time and, in respect of each Convertible Security converted into Common Shares after the Separation Time and prior to the Expiration Time promptly after such conversion to the holder so converting (other than an Acquiring Person and other than, in respect of any Rights Beneficially Owned by such Acquiring Person which are not held of record by such Acquiring Person, the holder of Record of such Rights (a "Nominee")), at such holder's address as shown by the records of the Corporation (and the Corporation hereby agrees to furnish copies of such records to the Rights Agent for this purpose),

(A) a Rights Certificate in substantially the form of Exhibit A hereto appropriately completed, representing the number of Rights held by such holder at the Separation Time and having such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Corporation may deem appropriate and as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange or quotation

system on which the Rights may from time to time be listed, quoted or traded, or to conform to usage, and

(B) a disclosure statement describing the Rights;

provided that a Nominee shall be sent the materials provided for in (A) and (B) only in respect of all Common Shares held of record by it which are not Beneficially Owned by an Acquiring Person. In order for the Corporation to determine whether any Person is holding Voting Shares which are beneficially owned by another Person, the Corporation may require such first-mentioned Person to furnish such information and documentation as the Corporation deems necessary or appropriate in order to make such determination.

(d) Rights may be exercised in whole or in part on any Business Day after the Separation Time and prior to the Expiration Time by submitting to the Rights Agent the Rights Certificate evidencing such Rights with an Election to Exercise (an "Election to Exercise") substantially in the form attached to the Rights Certificate duly completed and executed by the holder or its executors or other personal representatives or its legal attorney duly appointed by an instrument in writing in form and manner satisfactory to the Rights Agent, accompanied by payment in cash, or by certified cheque, banker's draft or money order payable to the order of the Corporation, of a sum equal to the Exercise Price multiplied by the number of Rights being exercised and a sum sufficient to cover any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for the relevant Shares in a name other than that of the holder of the Rights being exercised.

(e) Upon receipt of a Rights Certificate, with a duly completed and executed Election to Exercise accompanied by payment as set forth in subsection 2.2(d) above, the Rights Agent will (unless otherwise instructed by the Corporation) forthwith:

(i) requisition from a transfer agent for the relevant Shares, certificates representing the number of Shares to be purchased (the Corporation hereby irrevocably authorizing its transfer agents to comply with all such requisitions);

(ii) when appropriate, requisition from the Corporation the amount of cash to be paid in lieu of issuing fractional Shares;

(iii) after receipt of such certificates, deliver the same to or upon the order of the registered holder of such Rights Certificate, registered in such name or names as may be designated by such holder; and

(iv) when appropriate, after receipt, deliver such cash to or to the order of the registered holder of the Rights Certificate.

(f) In case the holder of any Rights shall exercise less than all the Rights evidenced by such holder's Rights Certificate, a new Rights Certificate evidencing the Rights remaining unexercised will be issued by the Rights Agent to such holder or to such holder's duly authorized assigns.

(g) The Corporation covenants and agrees that it will:

(i) take all such action as may be necessary and within its power to ensure that all Shares delivered upon exercise of Rights shall, at the time of delivery of the certificates for such Shares (subject to payment of the Exercise Price), be duly and validly authorized, executed, issued and delivered as fully paid and non-assessable;

(ii) subject to Section 5.19, take all such action as may be necessary and within its power to comply with any applicable requirements of the Canadian Securities Laws or comparable legislation of each of the provinces of Canada, the Securities Act and the Exchange Act or the rules and regulations promulgated thereunder or any other applicable law, rule or regulation, in connection with the issuance and delivery of the Rights Certificates and the issuance of any Shares upon exercise of Rights;

(iii) cause to be reserved out of its authorized and unissued Voting Shares the number of Voting Shares that, as provide in this Agreement, will from time to time be sufficient to exercise in full all outstanding Rights;

(iv) use commercially reasonable efforts to cause all Shares issued upon exercise of Rights to be listed on the principal exchanges on which the Shares of such class or series were traded prior to the Stock Acquisition Date; and

(h) pay when due and payable any and all Canadian and United States federal, provincial and state transfer taxes (for greater certainty not including any income taxes on capital gains of the holder or exercising holder or any liability of the Corporation to withhold tax pursuant to Section 5.20) and charges which may be payable in respect of the original issuance or delivery of the Rights Certificates or certificates for Shares, provided that the Corporation shall not be required to pay any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for Shares in a name other than that of the holder of the Rights being transferred or exercised.

2.3. ADJUSTMENTS TO EXERCISE PRICE; NUMBER OF RIGHTS

The Exercise Price, the number and kind of Shares subject to purchase upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 2.3.

(a) In the event the Corporation shall at any time after the Record Time and prior to the Expiration Time:

(i) declare or pay a dividend on the Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares) other than pursuant to any optional stock dividend program, dividend reinvestment plan or a dividend payable in Common Shares in lieu of a Regular Periodic Cash Dividend;

(ii) subdivide or change the then outstanding Common Shares into a greater number of Common Shares;

(iii) consolidate or change the then outstanding Common Shares into a smaller number of Common Shares; or

(iv) issue any Common Shares (or other capital stock or securities exchangeable for or convertible into or giving a right to acquire Common Shares or other capital stock) in respect of, in lieu of, or in exchange for existing Common Shares, except as otherwise provided in this Section 2.3;

the Exercise Price and the number of Rights outstanding, or, if the payment or effective date therefor shall occur after the Separation Time, the Shares purchasable upon exercise of Rights shall be adjusted in the manner set forth below. If the Exercise Price and number of Rights outstanding are to be adjusted,

(A) the Exercise Price in effect after such adjustment will be equal to the Exercise Price in effect immediately prior to such adjustment divided by the number of Common Shares (or other capital stock) (the "Expansion Factor") that a holder of one Common Share immediately prior to such dividend, subdivision, change, combination or issuance would hold thereafter as a result thereof; and

(B) each Right held prior to such adjustment will become that number of Rights equal to the Expansion Factor, and the adjusted number of Rights will be deemed to be allocated among the Shares with respect to which the original Rights were associated (if they remain outstanding) and the Shares issued in respect of such dividend, subdivision, change, combination or issuance, so that each such Share (or other capital stock) will have exactly one Right associated with it.

If the Shares purchasable upon exercise of Rights are to be adjusted, the Shares purchasable upon exercise of each Right after such adjustment will be the Shares that a holder of the Shares purchasable upon exercise of one Right immediately prior to such dividend, subdivision, change, combination or issuance would hold thereafter as a result thereof. If after the Record Time and prior to the Expiration Time the Corporation shall issue any shares of capital stock other than Common Shares in a transaction of a type described in paragraphs 2.3(a)(i) to (iv), shares of such capital stock shall be treated herein as nearly equivalent to Common Shares as may be practicable and appropriate under the circumstances and the Corporation and the Rights Agent agree to amend this Agreement in order to effect such treatment.

In the event the Corporation shall at any time after the Record Time and prior to the Separation Time issue any Common Shares otherwise than in a transaction referred to in the preceding paragraph, each such Common Share so issued shall automatically have one new Right associated with it, which Right shall be evidenced by the Certificate representing such Common Share.

(b) In the event the Corporation shall at any time after the Record Time and prior to the Separation Time fix a record date for the making of a distribution to all holders of Common Shares of rights, options, or warrants entitling them (for a period expiring within 45 calendar days after such record date) to subscribe for or purchase Common

Shares (or securities convertible into or exchangeable for or carrying a right to purchase or subscribe for Common Shares) at a price per Common Share (or, if a security convertible into or exchangeable for or carrying a right to purchase or subscribe for Common Shares, having a conversion, exchange or exercise price (including the price required to be paid to purchase such convertible or exchangeable security or right per share)) less than the Market Price per Common Share on such record date, the Exercise Price shall be adjusted. The Exercise Price in effect after such record date will equal the Exercise Price in effect immediately prior to such record date multiplied by a fraction, of which the numerator shall be the number of Common Shares outstanding on such record date plus the number of Common Shares which the aggregate offering price of the total number of Common Shares so to be offered (and/or the aggregate initial conversion, exchange or exercise price of the convertible or exchangeable securities or rights so to be offered (including the price required to be paid to purchase such convertible or exchangeable securities or rights)) would purchase at such Market Price and of which the denominator shall be the number of Common Shares outstanding on such record date plus the number of additional Common Shares to be offered for subscription or purchase (or into which the convertible or exchangeable securities or rights so to be offered are initially convertible, exchangeable or exercisable). In case such subscription price may be paid in a consideration part or all of which shall be in a form other than cash, the value of such consideration shall be as determined by the Board of Directors of the Corporation, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of the Rights. For purposes of this Agreement, the granting of the right to purchase Common Shares (whether from treasury shares or otherwise) pursuant to any dividend or interest reinvestment plan and/or any Common Share purchase plan providing for the reinvestment of dividends or interest payable on securities of the Corporation and/or the investment of periodic optional payments and/or employee benefit or similar plans (so long as such right to purchase is in no case evidenced by the delivery of rights or or warrants) shall not be deemed to constitute an issue of rights, options or warrants by the Corporation; provided, however, that, in the case of any dividend or interest reinvestment plan, the right to purchase Common Shares is at a price per share of not less than 90% of the current market price per Common Share (determined as provided in such plans) of the Common Shares. Such adjustment shall be made successively whenever such a record date is fixed and, in the event that such rights, options or warrants are not so issued, the Exercise Price in respect of the Rights shall be adjusted to be the Exercise Price which would then be in effect if such record date had not been fixed.

(c) In the event the Corporation shall at any time after the Record Time and prior to the Separation Time fix a record date for the making of a distribution to all holders of Common Shares (including without limitation any distribution made in connection with a merger in which the Corporation is the continuing corporation) of evidences of indebtedness or assets (other than a Regular Periodic Cash Dividend or a dividend paid in Common Shares) or rights, options or warrants entitling them to subscribe for or purchase Common Shares (or Convertible Securities in respect of Common Shares) at a price per Common Share (or, in the case of a Convertible Security in respect of Common Shares having a conversion or exercise price per share (including the price required to be paid to purchase such Convertible Security) less than 90% of the Market Price per Common Share on such record date (excluding those referred to in subsection 2.3(b)), the Exercise Price shall be adjusted. The Exercise Price in effect after such record date will equal the Exercise Price in effect immediately prior to such record date less the fair market value as shall be determined by the Board of Directors of the Corporation, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the

Rights Agent and the holders of the Rights, of the portion of the assets, evidences of indebtedness, rights or warrants so to be distributed applicable to the securities purchaseable upon exercise of one Right. Such adjustments shall be made successively whenever such a record date is fixed and, in the event that such distribution is not so made, the Exercise Price in respect of the Rights shall be adjusted to be the Exercise Price in respect of the Rights which would have been in effect if such record date had not been fixed.

(d) Each adjustment made pursuant to this Section 2.3 shall be made as of:

(i) the payment or effective date for the applicable dividend, subdivision, consolidation, change, combination or issuance, in the case of an adjustment made pursuant to subsection 2.3(a) herein; and

(ii) the record date for the applicable dividend or distribution, in the case of an adjustment made pursuant to subsections 2.3(b) or (c) herein.

Any adjustment pursuant to subsections 2.3(a), (b), (c) and (e) hereof shall be made successively whenever an event referred to herein shall occur, subject to the other subsections of this Section 2.3.

(e) In the event the Corporation shall at any time after the Record Time and prior to the Separation Time issue any Shares (other than Common Shares), or rights, options or warrants to subscribe for or purchase any such shares, or securities convertible into or exchangeable for any such shares, in a transaction referred to in paragraphs 2.3(a)(i) or (iv) above, if the Board of Directors of the Corporation determines that the adjustments contemplated by subsections 2.3(a), (b), and (c) above in connection with such transaction will not appropriately protect the interests of the holders of Rights, the Board of Directors of the Corporation may determine what other adjustments to the Exercise Price, number of Rights and/or securities purchaseable upon exercise of Rights would be appropriate and, notwithstanding subsections 2.3(a), (b), and

(c) above, such adjustments, rather than the adjustments contemplated by subsections 2.3(a), (b), and (c) above, shall be made with the prior approval of the holders of shares in accordance with Section 5.4. The Corporation and the Rights Agent shall amend this Agreement as appropriate to provide for such adjustments.

(f) Notwithstanding anything herein to the contrary, no adjustment in an Exercise Price shall be required unless such adjustment would require an increase or decrease of at least one percent in such Exercise Price; provided, however, that any adjustments which by reason of this subsection 2.3(f) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. Each adjustment to the Exercise Price made pursuant to this Section 2.3 shall be calculated to the nearest cent or the nearest ten-thousandth of a Common Share or other Share as the case may be. Whenever an adjustment to the Exercise Price is made pursuant to this Section 2.3, the Corporation shall:

(i) promptly prepare a certificate setting forth such adjustment and a brief statement of the facts accounting for such adjustment; and

(ii) promptly file with the Rights Agent and with each transfer agent for the Common Shares a copy of such certificate and a brief summary thereof to each holder of Rights.

(g) Irrespective of any adjustment or change in an Exercise Price or the number of securities purchaseable upon exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the relevant Exercise Price per Share and the number of securities so purchaseable which were expressed in the initial Rights Certificates issued hereunder.

(h) Unless the Corporation shall have exercised its election as provided in subsection 2.3(i), upon each adjustment of an Exercise Price as a result of the calculations made in subsections 2.3(b) and (c), each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Exercise Price, that number of Common Shares (calculated to the nearest one ten-thousandth), obtained by:

(i) multiplying (X) the number of such Shares covered by a Right immediately prior to this adjustment by (Y) the relevant Exercise Price in effect immediately prior to such adjustment of the relevant Exercise Price; and

(ii) dividing the product so obtained by the relevant Exercise Price in effect immediately after such adjustment of the relevant Exercise Price.

(i) The Corporation may elect on or after the date of any adjustment of an Exercise Price to adjust the number of Rights, in lieu of any adjustment in the number of Shares purchaseable upon the exercise of a Right. Each of the Rights outstanding after the adjustment in the number of Rights shall be exercisable for the number and kind of Shares for which such Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest one ten-thousandth) obtained by dividing the relevant Exercise Price in effect immediately prior to adjustment of the relevant Exercise Price by the relevant Exercise Price in effect immediately after adjustment of the relevant Exercise Price. The Corporation shall make a public announcement of its election to adjust the number of Rights, indicating the record date for the adjustment, and, if known at the time, the amount of the adjustment to be made. This record date may be the date on which the relevant Exercise Price is adjusted or any day thereafter but, if the Rights Certificates have been issued, shall be at least 10 days later than the date of the public announcement. If Rights Certificates have been issued, upon each adjustment of the number of Rights pursuant to this subsection 2.3(i), the Corporation shall, as promptly as practicable, cause to be distributed to holders of record of Rights Certificates on such record date, Rights Certificates evidencing, subject to Section 5.5, the additional Rights to which such holders shall be entitled as a result of such adjustment or, at the option of the Corporation, shall cause to be distributed to such holders of record in substitution and replacement for the Rights Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, if required by the Corporation, new Rights Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Rights Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein and may bear, at the option of the Corporation, the relevant adjusted Exercise Price and shall be registered in the names of holders of record of Rights Certificates on the record date specified in the public announcement.

(j) In any case in which this Section 2.3 shall require that an adjustment in an Exercise Price be made effective as of a record date for a specified event, the Corporation may elect to

defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date of the number of Shares and other securities of the Corporation, if any, issuable upon such existence over and above the number of Shares and other securities of the Corporation, if any, issuable upon such exercise on the basis of the relevant Exercise Price in effect prior to such adjustment; provided, however, that the Corporation shall deliver to such holder a due bill or other appropriate instrument evidencing such holder's right to receive such additional Shares (fractional or otherwise) or other securities upon the occurrence of the event requiring such adjustment.

(k) Notwithstanding anything in this Section 2.3 to the contrary, the Corporation shall be entitled to make such reductions in each Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that in their judgment the Board of Directors of the Corporation shall determine to be advisable in order that any (i) consolidation or subdivision of Shares, (ii) issuance wholly for cash of any Shares at less than the applicable Market Price, (iii) issuance wholly for cash of any Common Shares or securities that by their terms are convertible into or exchangeable for Shares, (iv) stock dividends or (v) issuance of rights, options or warrants referred to in this Section 2.3, hereafter made by the Corporation to holders of its Shares, shall not be taxable to such shareholders.

2.4. DATE ON WHICH EXERCISE IS EFFECTIVE

Each person in whose name any certificate for Shares is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Shares represented thereby on, and such certificate shall be dated, the date upon which the Rights Certificate evidencing such Rights was duly surrendered (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the relevant Share transfer books of the Corporation are closed, such person shall be deemed to have become the record holder of such Shares on, and such certificate shall be dated, the next succeeding Business Day on which the relevant Share transfer books of the Corporation are open.

2.5. EXECUTION, AUTHENTICATION, DELIVERY AND DATING OF RIGHTS CERTIFICATES

(a) The Rights Certificates shall be executed on behalf of the Corporation by any one of its Chairman of the Board, President or Vice-President and by its Secretary. The signature of any of these officers on the Rights Certificates may be manual or facsimile.

(b) Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper directors or officers of the Corporation shall bind the Corporation, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the countersignature and delivery of such Rights Certificates.

(c) Promptly after the Corporation learns of the Separation Time, the Corporation will notify the Rights Agent of such Separation Time and will deliver Rights Certificates executed by the Corporation to the Rights Agent for countersignature, and the Rights Agent shall countersign (manually or by facsimile signature in a manner satisfactory to the Corporation) and deliver such Rights Certificates to the holders of the Rights pursuant to subsection 2.2(c) hereof. No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.

(d) Each Rights Certificate shall be dated the date of countersignature thereof.

2.6. REGISTRATION, REGISTRATION OF TRANSFER AND EXCHANGE

(a) The Corporation will cause to be kept a register (the "Rights Register") in which, subject to such reasonable regulations as it may prescribe, the Corporation will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed "Rights Registrar" for the purpose of maintaining the Rights Register for the Corporation and registering Rights and transfers of Rights as herein provided. In the event that the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.

After the Separation Time and prior to the Expiration Time, upon surrender for registration of transfer or exchange of any Rights Certificate, and subject to the provisions of subsection 2.6(c) below, the Corporation will execute, and the Rights Agent will countersign and deliver, in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.

(b) All Rights issued upon any registration of transfer or exchange of Rights Certificates shall be valid obligations of the Corporation, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.

(c) Every Rights Certificate surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Corporation or the Rights Agent, as the case may be, duly executed by the holder thereof or such holder's attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Corporation may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Rights Agent) in connection therewith.

(d) The Corporation shall not be required to register the transfer or exchange of any Rights after the Rights have been terminated under Section 5.1 hereof.

2.7. MUTILATED, DESTROYED, LOST AND STOLEN RIGHTS CERTIFICATES

(a) If any mutilated Rights Certificate is surrendered to the Rights Agent prior to the Expiration Time, the Corporation shall execute and the Rights Agent shall countersign and deliver in exchange therefor a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so surrendered.

(b) If there shall be delivered to the Corporation and the Rights Agent prior to the Expiration Time:

(i) evidence to their satisfaction of the destruction, loss or theft of any Rights Certificate; and

(ii) such security or indemnity as may be required by them to save each of them and any of the agents harmless,

then, in the absence of notice to the Corporation or the Rights Agent that such Rights Certificate has been acquired by a bona fide purchaser, the Corporation shall execute and upon its request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so destroyed, lost or stolen.

(c) As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Corporation may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Rights Agent) in connection therewith.

(d) Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence an original additional contractual obligation of the Corporation, whether or not the destroyed, lost or stolen Rights Certificate shall be at any time enforceable by anyone and shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other Rights duly issued hereunder.

2.8. PERSONS DEEMED OWNERS

Prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Share certificate) for registration of transfer, the Corporation, the Rights Agent and any agent of the Corporation or the Rights Agent may deem and treat the person in whose name such Rights Certificate (or, prior to the Separation Time, such relevant Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever.

2.9. DELIVERY AND CANCELLATION OF CERTIFICATES

All Rights Certificates surrendered upon exercise or for redemption, registration of transfer or exchange shall, if surrendered to any person other than the Rights Agent, be delivered to the Rights Agent and, in any case, shall be promptly cancelled by the Rights Agent. The Corporation may at any time deliver to the Rights Agent for cancellation any Rights Certificates previously countersigned and delivered hereunder which the Corporation may have acquired in any manner whatsoever, and all Rights Certificates so delivered shall be promptly cancelled by the Rights Agent. No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Agreement. The Rights Agent shall destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Corporation.

2.10. AGREEMENT OF RIGHTS HOLDERS

Every holder of Rights by accepting a Right consents and agrees with the Corporation and the Rights Agent and with every other holder of Rights that:

(a) it will be bound by and subject to the provisions of this Agreement, as amended from time to time in accordance with the terms hereof, in respect of all Rights held;

(b) prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Voting Share;

(c) after the Separation Time, the Rights Certificates shall be transferable only upon the registration of the transfer on the Rights Register as provided herein;

(d) prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Share certificate) for registration of transfer, the Corporation, the Rights Agent and any agent of the Corporation or the Rights Agent may deem and treat the person in whose name the Rights Certificate (or, prior to the Separation Time, the associated Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Share certificate made by anyone other than the Corporation or the Rights Agent) for all purposes whatsoever, and neither the Corporation nor the Rights Agent shall be affected by any notice to the contrary;

(e) without the approval of any holder of Rights and upon the sole authority of the Board of Directors of the Corporation, this Agreement may be supplemented or amended from time to time as provided herein;

(f) such holder of Rights has waived its right to receive any fractional Rights or any fractional shares upon exercise of a Right (except as provided herein); and

(g) that notwithstanding anything in this Agreement to the contrary, neither the Corporation nor the Rights Agent shall have any liability to any holder of a Right or to any other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a government, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation.

2.11. RIGHTS HELD BY THE CORPORATION AND SUBSIDIARIES

Notwithstanding any other provision of this Agreement, any Rights held by the Corporation or any of its Subsidiaries shall not be exercisable for so long as they are held by the Corporation or its Subsidiaries.

ARTICLE 3. - ADJUSTMENTS TO THE RIGHTS

3.1. FLIP-IN EVENT

(a) Subject to subsection 3.1(b) and Section 5.1 hereof, in the event that prior to the Expiration Time a Flip-in Event shall occur:

(i) each Right shall thereafter constitute, effective at the close of business on the 10th Business Day thereafter, the right to purchase from the Corporation upon exercise thereof in accordance with the terms hereof, that number of Common Shares of the Corporation having an aggregate Market Price on the date of consummation or occurrence of such Flip-in Event equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (such right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after such date of consummation or occurrence an event of a type analogous to any of the events described in Section 2.3 shall have occurred);

(ii) in the event that there are insufficient authorized but unissued Shares to permit each holder of a Right (other than an Acquiring Person or a transferee of the kind

described in paragraph 3.1(b)(ii)) to purchase from the Corporation that number of Common Shares per Right provided for in paragraph 3.1(a)(i), then until such time as holders of Common Shares approve an increase in the Corporation's authorized capital such that there are sufficient authorized but unissued Common Shares to permit each holder of a Right (other than an Acquiring Person or a transferee of the kind described in paragraph 3.1(b)(ii)) to purchase from the Corporation that number of Common Shares per Right provided for in paragraph 3.1(a)(i), each whole Right shall constitute, effective at the Close of Business on the eighth Trading Day after the Stock Acquisition Date, the right to purchase from the Corporation, upon exercise thereof in accordance with the terms hereof, that number of Common Shares that is equal to one Common Share multiplied by the Adjustment Factor for an amount in cash equal to the Adjusted Exercise Price (such right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after the consummation or occurrence or event, an event of a type analogous to any of the events described in Section 2.3 shall have occurred).

(b) Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are or were Beneficially Owned on or after the earlier of the Separation Time or the Stock Acquisition Date by:

(i) an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person); or

(ii) a transferee or other successor in title directly or indirectly (a "Transferee") of Rights held by any Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of an Acquiring Person) where such transferee becomes a transferee concurrently with or subsequent to the Acquiring Person becoming an Acquiring Person becoming such in a transfer that the Board of Directors has determined is part of a plan, arrangement or scheme of an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Associate or Affiliate of an Acquiring Person), that has the purpose or effect of avoiding paragraph 3.1(b)(i);

shall become void and any holder of such Rights (including Transferees) shall thereafter have no right to exercise such Rights under any provision of this Agreement and shall not have thereafter any other rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise.

(c) Any Rights Certificate that represents Rights Beneficially Owned by a Person described in either paragraphs (i) or (ii) of subsection 3.1(b) or transferred to any nominee of any such Person, and any Rights Certificate issued upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain the following legend:

"The Rights represented by this Rights Certificate were issued to a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person or a Transferee (as such terms are defined in the Rights Plan) or acting jointly or in concert with

any of them. This Rights Certificate and the Rights represented hereby are void or shall become void in the circumstances specified in subsection 3.1(b) of the Rights Plan."

provided that the Rights Agent shall not be under any responsibility to ascertain the existence of facts that would require the imposition of such legend but shall be required to impose such legend only if instructed to do so by the Corporation or if a holder fails to certify upon transfer or exchange in the space provided on the Rights Certificate that such holder is not an Acquiring Person or an Affiliate or Associate thereof or acting jointly or in concert with any of them;

(d) From and after the Separation Time, the Corporation shall do all such acts and things as shall be necessary and within its power to ensure compliance with the provisions of this Section 3.1, including, without limitation, all such acts and things as may be required to satisfy the requirements of the Business Corporations Act (Yukon), the Canadian Securities Laws, the Exchange Act and the securities laws or comparable legislation in each of the provinces of Canada and each of the states of the United States in respect of the issue of shares upon the exercise of Rights in accordance with this Agreement.

ARTICLE 4. - THE RIGHTS AGENT

4.1. GENERAL

(a) The Corporation hereby appoints the Rights Agent to act as agent for the Corporation and the holders of Rights in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Corporation may from time to time appoint such co-Rights Agents as it may deem necessary or desirable. In the event the Corporation appoints one or more co-Rights Agents, the respective duties of the Rights Agent and co-Rights Agents shall be as the Corporation may determine. The Corporation agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and other disbursements incurred in the administration and execution of this Agreement and the exercise and performance of its duties hereunder. The Corporation also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, or expense, incurred without negligence, bad faith or willful misconduct on the part of the Rights Agent, for anything done or omitted to be done by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending any claim of liability, which right to indemnification will survive the termination of this Agreement.

(b) The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any certificate for Shares, Rights Certificates, certificate for other securities of the Corporation, instrument of assignment of transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.

4.2. MERGER, AMALGAMATION OR CONSOLIDATION OR CHANGE OF NAME OF RIGHTS AGENT

(a) Any corporation into which the Rights Agent or any successor Rights Agent may be merged or amalgamated or with which it may be consolidated, or any corporation resulting from any merger, amalgamation or consolidation to which the Rights Agent or any successor Rights Agent is a party, or any corporation succeeding to the shareholder or stockholder services business of the Rights Agent or any successor Rights Agent, will be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such corporation would be eligible for appointment as a successor Rights Agent under the provisions of Section 4.4 hereof. In case at the time such successor Rights Agent succeeds to the agency created by this Agreement any of the Rights Certificates have been countersigned but not delivered, any such successor Rights Agent may adopt the counter signature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, any successor Rights Agent may countersign such Rights Certificates either in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.

(b) In case at any time the name of the Rights Agent is changed and at such time any of the Rights Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and in case at that time any of the Rights Certificates shall not have been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

4.3. DUTIES OF RIGHTS AGENT

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, by all of which the Corporation, and the holders of Rights Certificates, by their acceptance thereof, shall be bound:

(a) The Rights Agent may retain and consult with legal counsel (who may be legal counsel for the Corporation), and the opinion of such counsel will be full and complete authorization and protection to the Rights Agent as to any action taken or omitted to be taken by it in good faith and in accordance with such opinion and the Rights Agent may also consult with such other experts as the Rights Agent shall consider necessary or appropriate to properly carry out the duties and obligations imposed under this Agreement (at the Corporation's expense) and the Rights Agent shall be entitled to act and rely in good faith on the advice of any such expert.

(b) Whenever in the performance of its duties under this Agreement the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Corporation prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by a person believed by the Rights Agent to be the Chairman of the Board, the President or any Vice President and by the Treasurer or any Assistant Treasurer or the Secretary or any Assistant Secretary of the Corporation and delivered to the Rights Agent; and such certificate will be full

authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate.

(c) The Rights Agent will be liable hereunder only for its own negligence, bad faith or willful misconduct.

(d) The Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Corporation only.

(e) The Rights Agent will not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any Share certificate or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Corporation of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exercisability of the Rights (including the Rights becoming void pursuant to subsection 3.1(b) hereof) or any adjustment required under the provisions of Section 2.3 hereof or responsible for the manner, method or amount of any such adjustment or the ascertainment of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 describing any such adjustment); nor will it by any act hereunder be deemed to make any representation or warranty as to the authorization of any Share to be issued pursuant to this Agreement or any Rights or as to whether any Shares will, when issued, be duly and validly authorized, executed, issued and delivered as fully paid and nonassessable.

(f) The Corporation agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performance by the Rights Agent of the provisions of this Agreement.

(g) The Rights Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder from any person believed by the Rights Agent to be the Chairman of the Board, the President, any Vice President or the Secretary of the Corporation, and to apply to such persons for advice or instructions in connection with its duties, and it shall not be liable for any action taken or suffered by it in good faith in accordance with instructions of any such person.

(h) The Rights Agent and any shareholder or stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in Shares, Rights or other securities of the Corporation or become pecuniarily interested in any transaction in which the Corporation may be interested, or contract with or lend money to the Corporation or otherwise act as fully and freely as though it were not Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Corporation or for any other legal entity.

(i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent will not be answerable or accountable for any act, default, neglect or

misconduct of any such attorneys or agents or for any loss to the Corporation resulting from any such act, default, neglect or misconduct, provided reasonable care was exercised by the Rights Agent in the selection and continued employment thereof.

4.4. CHANGE OF RIGHTS AGENT

The Rights Agent may resign and be discharged from its duties under this Agreement upon 60 days' notice (or such lesser notice as is acceptable to the Corporation) in writing mailed to the Corporation and to each transfer agent of Shares by registered or certified mail in accordance with Section 5.9. The Corporation may remove the Rights Agent upon 30 days' notice in writing, mailed to the Rights Agent and to each transfer agent of the Shares by registered or certified mail, and to the holders of the Rights in accordance with Section 5.9. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the corporation will appoint a successor to the Rights Agent. If the Corporation fails to make such appointment within a period of 30 days after such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of any Rights (which holder shall, with such notice, submit such holder's Rights Certificate for inspection by the Corporation), then the holder of any Rights may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Corporation or by such a court, shall be a corporation incorporated under the laws of Canada or a province thereof authorized to carry on the business of a trust company in the Province of British Columbia. After appointment, the successor Rights Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment, the Corporation will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Shares, and mail a notice thereof in writing to the holders of the Rights in accordance with Section 5.9. Failure to give any notice provided for in this Section 4.4, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of any successor Rights Agent, as the case may be.

ARTICLE 5. - MISCELLANEOUS

5.1. REDEMPTION AND WAIVER

(a) The Board of Directors shall waive the application of Section 3.1 in respect of the occurrence of any Flip-in Event if the Board of Directors has determined, following a Stock Acquisition Date and prior to the Separation Time, that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under this Agreement and, in the event that such a waiver is granted by the Board of Directors, such Stock Acquisition Date shall be deemed not to have occurred. Any such waiver pursuant to this subsection 5.1(a) must be on the condition that such Person, within 10 days after the foregoing determination by the Board of Directors or such earlier or later date as the Board of Directors may determine (the "Disposition Date"), has reduced its Beneficial ownership of Shares such that the Person is no longer an Acquiring Person. If the Person remains an Acquiring Person at the close of business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date and Section 3.1 shall apply thereto.

(b) The Board of Directors acting in good faith may, prior to a Flip-in Event having occurred, upon prior written notice delivered to the Rights Agent, determine to waive the application of Section 3.1 to a Flip-in Event that may occur by reason of a Take-over Bid made by means of take-over bid circular to all holders of record of Shares (which for greater certainty shall not include the circumstances described in subsection 5.1(a)), provided that if the Board of Directors waives the application of Section 3.1 to a particular Flip-in Event pursuant to this subsection 5.1 (b), the Board of Directors shall be deemed to have waived the application of Section 3.1 to any other Flip-in Event occurring by reason of any Take-Over Bid which is made by means of a Take-Over Bid circular to all holders of record of Shares prior to the expiry of any Take-Over Bid (as the same may be extended from time to time) in respect of which a waiver is, or is deemed to have been granted under this subsection 5.1 (b).

(c) In the event that prior to the occurrence of a Flip-in Event a Person acquires, pursuant to a Permitted Bid, a Competing Permitted Bid or an Exempt Acquisition under subsection 5.1(b), outstanding Shares, then the Board of Directors shall, immediately upon the consummation of and acquisition without further formality be deemed to have elected to redeem the Rights at a redemption price of \$0.001 per Right appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 if an event of the type analogous to any of the events described in Section 2.3 shall have occurred (such redemption price being herein referred to as the "Redemption Price").

(d) The Board of Directors may, with the prior approval of the holders of Shares or Rights given in accordance with the terms of Section 5.4, at any time prior to the occurrence of a Flip-in Event elect to redeem all but not less than all of the then outstanding Rights at the Redemption Price appropriately adjusted in a manner analogous to the applicable adjustments provided for in Section 2.3, which adjustments shall only be made in the event that an event of the type analogous to any of the events described in Section 2.3 shall have occurred.

(e) The Board of Directors may, prior to the close of business on the tenth Trading Day following a Stock Acquisition Date or such later Business Day as they may from time to time determine, upon prior written notice delivered to the Rights Agent, waive the application of Section 3.1 to the related Flip-in Event, provided that the Acquiring Person has reduced its Beneficial ownership of Shares (or has entered into a contractual arrangement with the Corporation, acceptable to the Board of Directors, to do so within 10 calendar days of the date on which such contractual arrangement is entered into or such other date as the Board of Directors may have determined) such that at the time the waiver becomes effective pursuant to this subsection 5.1(e) such Person is no longer an Acquiring Person. In the event of such a waiver becoming effective prior to the Separation Time, for the purposes of this Agreement, such Flip-in Event shall be deemed not to have occurred.

(f) Where a Take-over Bid that is not a Permitted Bid Acquisition is withdrawn or otherwise terminated after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price. Upon the Rights being redeemed pursuant to this subsection 5.1(f), all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights Certificates representing the number of Rights held by each holder of record of Common Shares or Voting Shares, as the case may be, as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement the Separation Time shall be deemed not to have occurred and the Corporation shall be

deemed to have issued replacement Rights to the holders of its then outstanding Common Shares or Voting Shares, as the case may be.

(g) If the Board of Directors is deemed under subsection 5.1(c) to have elected or elects under subsections 5.1(d) or (f) to redeem the Rights, the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

(h) Within 10 Business Days after the Board of Directors is deemed under subsection 5.1(c) to have elected or elects under subsection 5.1(d) or (f) to redeem the Rights, the Corporation shall give notice of redemption to the holders of the then outstanding Rights by mailing such notice to each such holder at his last address as it appears upon the registry books of the Rights Agent or, prior to the Separation Time, on the registry books of the transfer agent for the Shares. Any notice which is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made.

(i) The Corporation shall give prompt written notice to the Rights Agent of any waiver of the application of Section 3.1 pursuant to this subsection 5.1.

5.2. EXPIRATION

No Person shall have any rights pursuant to this Agreement or in respect of any Right after the Expiration Time, except the Rights Agent as specified in subsection 4.1(a) of this Agreement.

5.3. ISSUANCE OF NEW RIGHTS CERTIFICATES

Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Corporation may, at its option, issue new Rights Certificates evidencing Rights in such form as may be approved by the Board of Directors of the Corporation to reflect any adjustment or change in the number or kind or class of Shares purchasable upon exercise of Rights made in accordance with the provisions of this Agreement.

5.4. SUPPLEMENTS AND AMENDMENTS

The Corporation may from time to time supplement or amend this Agreement as follows:

(a) The Corporation may, without the consent of the holders of Voting Shares or Rights, make any amendments to this Agreement to correct any clerical or typographical error or cure any ambiguity or inconsistency which are required to maintain the validity of the Agreement as a result of any change in any applicable legislation, regulations or rules thereunder.

(b) The Corporation may, prior to the date of the shareholders' meeting referred to in Section 5.16, supplement, amend, vary or delete this Agreement without the approval of any of the holders of the Rights or the Voting Shares in order to make any changes which the Board of Directors may deem necessary or desirable.

(c) Subject to subsections 5.4(a) and (b), the Corporation may, with the prior consent of the holders of Voting Shares given in accordance with subsection 5.4(d), at any time prior to the Separation Time, supplement, amend, vary or delete any of the provisions of this

Agreement and the Rights, which the Board of Directors may deem necessary or desirable (whether or not such action would materially adversely affect the interests of the holders of Rights generally).

(d) Any consent or approval of holders of Voting Shares shall be deemed to have been given if the action requiring such consent or approval is authorized by the affirmative vote of a majority of the votes cast by Independent Shareholders present or represented at or entitled to be voted at a meeting of the holders of Voting Shares duly called and held in compliance with applicable laws and the articles of the Corporation.

(e) The Corporation may, with the prior consent of the holders of Rights, at any time on or after the Separation Time and before the Expiration Time, supplement, amend, vary or delete any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if such supplement, amendment, variation or deletion is authorized in the manner specified in subsection 5.4(f).

(f) Any consent or approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to be voted at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Corporation's by-laws and the Business Corporations Act (Yukon) with respect to meetings of the shareholders of the Corporation.

(g) Without the approval of any of the holders of the Voting Shares or the Rights, the Corporation may supplement, amend, delete or vary any of the provisions of this Agreement or the Rights as may be required to maintain the validity or effectiveness of this Agreement or the Rights, including without limitation, revising the Exercise Price of the Rights, as a result of any change in any applicable legislation or regulation provided that:

(i) if made before the Separation Time, any such supplement, amendment, variation or deletion shall be submitted to the shareholders of the Corporation at the next general meeting of shareholders and the shareholders may, by the majority referred to in subsection 5.4(d) confirm or reject such supplement, amendment, variation or deletion; or

(ii) if made after the Separation Time, any such amendment, variation or deletion shall be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Corporation and the holders of Rights may, by resolution passed by the majority referred to in subsection 5.4(f) confirm or reject such supplement, amendment, variation or deletion.

Any such supplement, amendment, variation or deletion shall be effective from the date of the resolution of the Board of Directors adopting such supplement, amendment, variation or deletion until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such supplement, amendment, variation or deletion is confirmed, it continues in effect in the form so confirmed. If such supplement,

amendment, variation or deletion is rejected by the holders of Voting Shares or Rights or is not submitted to the shareholders or holders of Rights as required, then such supplement, amendment, variation or deletion shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been, but was not held, and no subsequent resolution of the Board of Directors to amend this Agreement to substantially the same effect shall be effective until confirmed by the holders of Voting Shares or Rights, as the case may be.

(h) Notwithstanding anything else in Section 5.4, no amendment shall be made to the provisions of ARTICLE 4 without the prior written consent of the Rights Agent.

5.5. FRACTIONAL RIGHTS AND FRACTIONAL SHARES

(a) The Corporation shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights. After the Separation Time there shall be paid to the registered holders of the Rights Certificates with regard to which fractional Rights would otherwise be issuable, an amount in cash equal to the same fraction of the Market Price of a whole Right in lieu of such Fractional Rights.

(b) The Corporation shall not be required to issue fractional Shares upon exercise of the Rights or to distribute certificates which evidence fractional Shares. In lieu of issuing fractional Shares, the Corporation shall pay to the registered holder of Rights Certificates at the time such Rights are exercised as herein provided, an amount in cash equal to the same fraction of the Market Price of one whole Share.

5.6. RIGHTS OF ACTION

Subject to the terms of this Agreement, rights of action in respect to this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective holders of the Rights and any holder of any Rights, without the consent of the Rights Agent or of the holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights, as the case may be, enforce, and may institute and maintain any suit, action or proceeding against the Corporation to enforce, or otherwise act in respect of such holder's right to exercise such holder's Rights, or Rights to which it is entitled, in the manner provided in this Agreement, and in such holder's Rights Certificate. Without limiting the foregoing or any remedies available to the holders of Rights, as the case may be, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of and injunctive relief against actual or threatened violations of, the obligations of any Person subject to this Agreement.

5.7. HOLDER OF RIGHTS NOT DEEMED A SHAREHOLDER

No holder, as such, of any Rights, shall be entitled to vote, receive dividends or be or be deemed for any purpose the holder of Shares or any other securities which may at any time be issuable on the exercise of Rights, nor shall anything contained herein or in any Rights Certificate confer or be construed to confer upon the holder of any Rights, as such, any of the rights of a shareholder of the Corporation or any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting shareholders (except as provided in Section 5.8 hereof), or to receive dividends or subscription rights or otherwise, until such Rights, or Rights to which such holder is entitled, shall have been exercised in accordance with the provisions hereof.

5.8. NOTICE OF PROPOSED ACTIONS

In case the Corporation shall propose after the Separation Time and prior to the Expiration Time:

- (a) to effect or permit (in cases where the Corporation's permission is required) any Flip-in Event; or
- (b) to effect the liquidation, dissolution or winding up of the Corporation or the sale of all or substantially all of the Corporation's assets;

then, in each such case, the Corporation shall give to each holder of a Right, in accordance with Section 5.9 hereof, a notice of such proposed action, which shall specify the date on which such Flip-in Event, liquidation, dissolution, or winding up is to take place, and such notice shall be so given at least 20 Business Days prior to the date of the taking of such proposed action by the Corporation.

5.9. NOTICES

5.10. COSTS OF ENFORCEMENT

The Corporation agrees that if the Corporation or any other Person the securities of which are purchasable upon exercise of Rights fails to fulfill any of its obligations pursuant to this Agreement, then the Corporation or such Person will reimburse the holder of any Rights for the costs and expenses (including legal fees) incurred by such holder in actions to enforce its rights pursuant to any Rights or this Agreement.

5.11. SUCCESSORS

All the covenants and provisions of this Agreement by or for the benefit of the Corporation or the Rights Agent shall bind and enure to the benefit of their respective successors and assigns hereunder.

5.12. BENEFITS OF THIS AGREEMENT

Nothing in this Agreement shall be construed to give to any Person other than the Corporation, the Rights Agent and the holders of the Rights any legal or equitable right, remedy or claim under this Agreement; but this Agreement shall be for the sole and exclusive benefit of the Corporation, the Rights Agent and the holders of the Rights.

5.13. GOVERNING LAW

This Agreement and each Right issued hereunder shall be deemed to be a contract made under the laws of the Province of British Columbia and for all purposes shall be governed by and construed in accordance with the laws of British Columbia and the federal laws of Canada applicable therein.

5.14. COUNTERPARTS AND FACSIMILE

This Agreement may be executed in several parts in the same form and by facsimile and such parts as so executed shall together constitute one original document, and such parts, if more than one, shall be read together and construed as if all the signing parties had executed one copy of the Agreement.

5.15. SEVERABILITY

If any term or provision hereof or the application thereof to any circumstances shall, in any jurisdiction and to any extent, be invalid or unenforceable, such term or provision shall be ineffective as to such jurisdiction to the extent of such invalidity or unenforceability without invalidating or rendering unenforceable the remaining terms and provisions hereof or the application of such term or provision to circumstances other than those as to which it is held invalid or unenforceable.

5.16. EFFECTIVE DATE

This Agreement is and shall be effective in accordance with its terms as of the close of business on May 16, 2003. If this Agreement is not confirmed by resolution passed by a simple majority of the votes cast by Independent Shareholders who vote in respect of confirmation of this Agreement at the 2003 annual

meeting of shareholders of the Corporation in respect of fiscal 2002 and scheduled to be held on June 27, 2003 (or any postponement or adjournments thereof) then this Agreement and any then outstanding Rights shall be of no further force and effect from the Close of Business on the date of termination of such meeting.

5.17. SHAREHOLDER REVIEW

Notwithstanding the confirmation of this Agreement pursuant to Section 5.16 above, if this Agreement is not subsequently reconfirmed by a resolution passed by a simple majority of the votes cast by Independent Shareholders who vote in respect of such reconfirmation of this Agreement at or prior to the annual meeting of shareholders to be held in 2006, this Agreement and all outstanding Rights shall terminate and be void and of no further force and effect on and from the Close of Business on that date which is the earlier of the date of termination of the shareholders' meeting called to consider the reconfirmation of this Agreement and the date of termination of the 2006 annual meeting of shareholders of the Corporation; provided, however, that no Flip-in Event has occurred prior to the date upon which this Agreement would otherwise terminate pursuant to this Section 5.17, which has not been waived pursuant to Section 5.1 hereof.

5.18. DETERMINATIONS AND ACTIONS BY THE BOARD OF DIRECTORS

(a) All actions, calculations, interpretations and determinations (including all omissions with respect to the foregoing) which are done or made by the Board of Directors pursuant to this Agreement, (i) may be relied on by the Rights Agent; (ii) shall not subject the Board of Directors to any liability to the holders of the Rights or to any other parties; and (iii) absent manifest error, shall be conclusive, final and binding.

(b) Nothing contained in this Agreement shall be deemed to be in derogation of the obligation of the Board of Directors to exercise its fiduciary duties. Without limiting the generality of the foregoing, nothing contained herein shall be construed to suggest or imply that the Board of Directors shall not be entitled to recommend that the holders of the Voting Shares reject any Permitted Bid or any Competing Permitted Bid or any Take-over Bid, or to take any other action (including, without limiting the generality of the foregoing, the commencement, prosecution, defence or settlement of any litigation and the submission of additional or alternative Permitted Bids or Competing Permitted Bids or Take-over Bids) with respect to any Permitted Bid or any Competing Permitted Bid or any Take-over Bid or otherwise that the Board believes is necessary or appropriate in the exercise of its fiduciary duties.

5.19. DECLARATION AS TO NON-CANADIAN HOLDERS

If in the opinion of the Board of Directors (who may rely upon the advice of counsel) any action or event contemplated by this Agreement would require compliance by the Corporation with the securities laws or comparable legislation of a jurisdiction outside Canada, the Board of Directors shall take such actions as it may deem appropriate to ensure such compliance. In no event shall the Corporation or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to persons who are citizens, residents or nationals of any jurisdiction other than Canada or the United States, in which such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes.

5.20. WITHHOLDING RIGHTS

The Corporation and the Rights Agent shall be entitled to deduct and withhold from any distribution or consideration otherwise payable to any holder of Rights or to any Person on behalf of any such holder such amounts as the Corporation or Rights Agent is (i) required to deduct and withhold with respect to such payment under the Income Tax Act (Canada), the Internal Revenue Code of 1986 (US) or any provision of federal, provincial, territorial, state, local or foreign tax law, in each case, as amended or succeeded, or (ii) entitled to withhold under Section 116 of the Income Tax Act (Canada) or any corresponding provisions of provincial law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes as having been paid to the holder of Rights in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing authority. To the extent that the amount so required or entitled to be deducted or withheld from any payment to a holder of Rights exceeds the cash portion of the distribution or consideration otherwise payable to the holder, the Corporation and Rights Agent are hereby authorized to sell or otherwise dispose of such portion of the distribution or consideration as is necessary to provide sufficient funds to the Corporation or Rights Agent to enable them to comply with such deduction or withholding requirement or entitlement and the Corporation or Rights Agent shall notify the holder of Rights thereof and remit to such holder any unapplied balance of the net proceeds of such sale.

5.21. TIME OF ESSENCE

Time is of the essence of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and to be effective as of the date first above written.
