### TERRA NOVA ANNOUNCES OVERSUBSCRIPTION AND CLOSING OF RIGHTS OFFERING

NEW YORK (September 8, 2010) . . . Terra Nova Royalty Corporation (NYSE: TTT) (the “Company”) is pleased to announce that, further to its news release dated July 27, 2010, that its shareholders rights offering to holders of common shares (the “Shares”) of the Company (the “Rights Offering”) has expired and is fully subscribed. A total of 7,571,227 Shares of the Company will be issued under the Rights Offering pursuant to the subscription privileges thereunder, representing total gross proceeds of approximately USD\$50.0 million.

Pursuant to the Rights Offering, each holder of record of the Company’s Shares received one transferable right (a “Right”) for every Share held as of August 6, 2010. Every four Rights entitled a holder to purchase one Share at a price of USD\$6.60.

Chairman Michael Smith said, “The preliminary tabulations provide that we have received subscriptions and requests for oversubscription privileges for an aggregate of 19,011,407 Shares, which would have amounted to approximately USD\$125.5 million, or well over twice the amount we offered for sale. We appreciate the strong vote of confidence represented by this response.”

Under the terms of the Rights Offering, a fixed number of shares were available for sale, and all those shares were sold.
