(e) All documents subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all such securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be part hereof from the date of filing of such documents.

Not applicable.

Edward A. Cutter, Esq., who has rendered an opinion regarding the validity of the securities being registered hereby, is the Senior Vice President-General Counsel and Secretary of the Company. As of July 29, 1994, Mr. Cutter owned 40,327 shares of the Company's common stock, including 24,558 shares issuable upon the exercise of stock options that were exercisable within 60 days of such date.

Item 6. Indemnification of Directors and Officers.

The Company, a Delaware corporation, is empowered by Section 145 of the Delaware General Corporation Law (the "DGCL"), subject to the procedures and limitations stated therein, to indemnify any person against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in the defense of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made a party by reason of his or her being or having been a director or officer of the Company. The statute provides that indemnification pursuant to its provisions is not exclusive of other rights of indemnification to which a person may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise.

Part I of Article Eight of the Restated Certificate of

Incorporation of the Company provides that the Company shall indemnify its directors and officers substantially to the fullest extent permitted by the DGCL.

The Company is also empowered by Section 102(b) of the DGCL to include a provision in its certificate of incorporation to limit a director's liability to the Company or its stockholders for monetary damages for breaches of fiduciary duty as a director. Article Nine of the Restated Certificate of Incorporation of the Company states that directors of the Company shall not be liable for monetary damages for breach of fiduciary duty except for liability for (i) a breach of their duty of loyalty to the Company or its stockholders; (ii) any acts or omissions not in good faith; (iii) their intentional misconduct or knowing violation of law; (iv) improper dividend payments, stock repurchases or redemptions; and (v) any transaction from which the director derived an improper personal benefit.

II-2

The Clorox Company 1993 Directors' Stock Option Plan (the "Plan") provides that no member of the committee selected by the board of directors to administer the Plan shall be liable for any action that he or she has taken or has failed to take in good faith with respect to the Plan or any option issued thereunder.

**Item 9. Undertakings.**

The Company hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment referred to in undertaking (a) above shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(d) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(e) That, insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liability (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Oakland, State of California on November 21, 1994.
