NOTE: Schedules filed in paper format shall include a signed original and five copies of the schedule, including all exhibits. See Rule 13d-7 for other parties to whom copies are to be sent.

*The remainder of this cover page shall be filled out for a reporting person's initial filing on this form with respect to the subject class of securities, and for any subsequent amendment containing information which would alter disclosures provided in a prior cover page.

The information required on the remainder of this cover page shall not be deemed to be "filed" for the purpose of Section 18 of the Securities Exchange Act of 1934 ("Act") or otherwise subject to the liabilities of that section of the Act but shall be subject to all other provisions of the Act (however, see the Notes).
Item 1. Security and Issuer

This statement constitutes Amendment No. 6 to the Schedule 13D relating to the Common Stock, par value $1.00 (the "Shares"), issued by The Clorox Company (the "Issuer"), and hereby amends the Schedule 13D filed with the Securities and Exchange Commission on February 11, 2011 and amended by amendments No.1 through 5 thereto (as amended, the "Initial Schedule 13D"), on behalf of the Reporting Persons (as defined in the Initial Schedule 13D), to furnish the additional information set forth herein. All capitalized terms contained herein but not otherwise defined shall have the meanings ascribed to such terms in the Initial Schedule 13D.

Item 4. Purpose of Transaction

Item 4 is hereby amended by adding the following:

The Reporting Persons have decided to withdraw their slate of directors after concluding that a considerable base of shareholders would not support their stated campaign at this time. While the Reporting Persons continue to believe that the best way to ultimately maximize shareholder value is through a sale of the Issuer to a strategic buyer, the Reporting Persons respect and understand that several large shareholders may believe that now is not the best time to run that process, given the deteriorating conditions of the financial markets and the Issuer's view that even the Reporting Persons $80 per share offer substantially undervalues the Issuer.
After reasonable inquiry and to the best of each of the undersigned knowledge and belief, each of the undersigned certifies that the information set forth in this statement is true, complete and correct.
