Section 1 – Registrant’s Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

Amended and Restated Directors Deferred Compensation Plan.

On March 16, 2006, the Compensation Committee of the Board of Directors (the “**Board**”) of Greif, Inc. (the “**Company**”) approved various amendments to, and a restatement of, the Company’s Directors Deferred Compensation Plan (the “**Plan**”). Certain amendments were made to bring the Plan into compliance with the requirements of Section 409A of the Internal Revenue Code.

The following provides a brief description of the terms of the Plan as amended and restated.

All non-employee directors (the “**participants**”) of the Company are eligible to participate in the Plan. The Plan provides participants with the opportunity to defer the payment of their director compensation for retirement savings purposes. Participants may elect to participate in the Plan with respect to either or both (i) cash compensation earned in the form of retainer fees, regular fees and meeting fees (including committee fees) (collectively, “**Board Fees**”), and (ii) shares of restricted stock received under the 2005 Outside Directors Equity Award Plan (the “**Directors Equity Award Plan**”).

Participants may defer the receipt of 25% to 100% of their Board Fees. Deferred Board Fees are credited to a participant’s account as “**Phantom Shares**.” Phantom Shares have a value equal to the market value from time to time of the Company’s Class A Common Stock. The number of Phantom Shares credited to a participant’s account is based on the dollar amount of the deferred Board Fees divided by the then current per share value of the Company’s Class A Common Stock. Participants may elect to receive payment of their deferred Board Fees in cash at termination of membership on the Board, at a fixed future date, or on the earlier to occur of those two dates. Participants must also select the method in which they want their deferred cash amounts paid. The selections are in a single lump sum or annual installment payments over a period of five or ten years.

Participants may defer the receipt of 25% to 100% of their shares of restricted stock (rounded down to the lowest whole share) awarded under the Directors Equity Award Plan. Shares of restricted stock will be held in a rabbi trust subject to the general creditors of the Company. Dividends paid on shares of restricted stock are paid from the rabbi trust to the participant and are not retained in the Plan. Participants may elect to receive payment of their restricted stock at termination from membership on the Board, at a fixed future date that is at least three years after the date of the stock award, or on the earlier to occur of those two dates. The restricted stock deferred for a year will then be distributed in-kind on the selected payment date in a single lump sum.

Each participant’s rights to benefits under the Plan are equivalent to the rights of any unsecured general creditor of the Company.
