GREIF, INC. COMMENCES OFFER TO PURCHASE AND CONSENT SOLICITATION

DELAWARE, Ohio (Jan. 11, 2007) – Greif, Inc. (NYSE: GEF, GEF.B) the global leader in industrial packaging, today announced that it is commencing an offer to purchase and consent solicitation for any and all of its outstanding 8 ⁷/₈ percent Senior Subordinated Notes due 2012. The aggregate principal amount of notes currently outstanding is approximately \$242.6 million.

The offer to purchase will expire at midnight, New York City time, on Feb. 8, 2007, unless extended. The consent solicitation will expire at 5 p.m., New York City time, on Jan. 25, 2007, unless extended.

Holder tendering their notes will be deemed to have delivered their consent to certain proposed amendments to the notes and the indenture governing the notes, which will eliminate, among other things, substantially all of the restrictive covenants and certain events of default in the indenture.

The purchase price for each \$1,000 principal amount of notes tendered and not validly withdrawn on or prior to the expiration date of the offer to purchase will be \$1,028.36 plus unpaid interest on the principal amount of the notes accruing to, but not including, the payment date. In addition to the purchase price, Greif will make a consent payment of \$30.00 for each \$1,000 principal amount of notes for which consents have been delivered and not validly withdrawn on or prior to the expiration date of the consent solicitation. Holders who validly tender their notes after the expiration date of the consent solicitation will receive only the purchase price for the notes but not the consent payment.

The terms of the offer to purchase and consent solicitation, including the conditions to Greif's obligations to accept tendered notes and consents delivered and to pay the purchase price and consent payments, are set forth in Greif's offer to purchase and consent solicitation statement, dated Jan. 11, 2007. The conditions include a majority of the aggregate principal amount of notes outstanding being tendered on or prior to the consent date, a refinancing condition, and the execution of a supplemental indenture on or prior to the acceptance date implementing the proposed amendments.
