Item 7.01 Regulation FD Disclosure.

On April 14, 2015, Anixter International Inc. (“the Company”) issued a press release indicating that it will release its first quarter 2015 results on Tuesday, April 28, 2015, before the opening of the New York Stock Exchange. The Company also announced that as a result of the previously announced sale of the Company’s OEM Supply - Fasteners segment, this segment will now be classified as an “Asset Held for Sale” and restated prior period financial results will be reported as “Discontinued Operations” to reflect this reclassification. The segment is expected to deliver estimated sales of \$245 million - \$250 million and estimated operating profit of \$11 million - \$12 million in the first quarter of 2015; however, these results will be reported as “Discontinued Operations.”

Further detail, including restated prior period financial results reflecting the reclassification, the related impact on stranded corporate costs and a reclassification of the Company’s segment results between its Enterprise Cabling and Security Solutions and Wire and Cable segments in conjunction with the integration of its Tri-Ed acquisition, has been made available on the Company’s investor relations website on April 20, 2015.

The press release and information disclosed in Item 7.01 of this Current Report on Form 8-K is furnished as Exhibit 99.1 to this report.

Item 9.01 Financial Statements and Exhibits.
