#### **Item 4. Description of Securities**

Not applicable.

#### **Item 5. Interests of Named Experts and Counsel**

Not applicable.

## **Item 6. Indemnification of Directors and Officers**

Section 33-771(a) of the Connecticut Business Corporation Act (“CBCA”) provides that the Company shall, subject to the determination and authorization requirements of Section 33-775, indemnify an individual who is a party to a proceeding because he or she is a director of the Company against liability incurred in the proceeding if such individual acted in good faith and reasonably believed, in the case of conduct in his or her official capacity, that his or her conduct was in the best interests of the Company, and, in all other cases, that his or her conduct was at least not opposed to the best interests of the Company. For indemnification in the case of any criminal proceeding, a director must have had no reasonable cause to believe his or her conduct was unlawful. Section 33-776 of the CBCA provides that the Company shall, subject to the determination and authorization requirements of Section 33-775, indemnify an individual who is a party to a proceeding because he or she is an officer of the Company to the same extent as if the individual was a director of the Company under Section 33-771.

The termination of a proceeding by judgment, order, settlement or conviction or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that a director did not meet the relevant standard of conduct described in Section 33-771 of the CBCA. Section 771(d) of the CBCA provides that, unless ordered by a court, the Company shall not indemnify a director under Section 33-771 of the CBCA in connection with a proceeding by or in the right of the Company, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct under Section 33-771 of the CBCA, or in connection with any proceeding with respect to conduct for which the director was found liable on the basis that he or she received a financial benefit to which he or she was not entitled, whether or not involving action in his or her official capacity.

Section 33-772 of the CBCA requires the Company to indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which such director was a party because he or she was a director of the Company against reasonable expenses incurred by him in connection with the proceeding.

Section 33-773 of the CBCA provides that the Company may advance funds to pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding because he or she is a director. The director is required to deliver a written affirmation of his good faith belief that he has met the relevant standard of conduct described in Section 33-771 of the CBCA and an undertaking to repay any funds advanced if such director is not entitled to mandatory indemnification and it is ultimately determined that he or she has not met the relevant standard of conduct.

Section 33-775 of the CBCA provides that the Company shall not indemnify a director under Section 33-771 unless authorized for a specific proceeding after a determination has been made that indemnification of the director is permissible because he or she has met the relevant standard of conduct set forth in Section 33-711. For directors, the determination and authorization required by Section 33-775 may be made by, if there are two or more disinterested directors, a majority vote of all the disinterested directors or by a majority vote of the members of a committee of two or more disinterested directors, by special legal counsel, or by the

shareholders. For officers, the determination and authorization required by Section 33-775 may be also be made by the general counsel of the Company or such other or additional officer or officers as the board of directors may specify.

Articles Sixth and Seventh of the Amended and Restated Certificate of Incorporation, as amended, of the Company provide for indemnification of directors, officers and other persons as follows:

SIXTH: The personal liability of any person who is or was a director of the Company to the Company or its stockholders for monetary damages for breach of duty as a director is hereby limited to the amount of the compensation received by the director for serving the Company during the year or years in which the violation occurred so long as such breach did not (i) involve a knowing and culpable violation of law by the director, (ii) enable the director or an associate, as defined in Section 33-840 of the Connecticut General Statutes, to receive an improper personal economic gain, (iii) show a lack of good faith and a conscious disregard for the duty of the director to the Company under circumstances in which the director was aware that his or her conduct or omission created an unjustifiable risk of serious injury to the Company, (iv) constitute a sustained and unexcused pattern of inattention that amounted to an abdication of the director's duty to the Company, or (v) create liability under Section 33-757 of the Connecticut General Statutes. Any lawful repeal or modification of this provision of the Amended and Restated Certificate of Incorporation of the Company by the stockholders and the Board of Directors of the Company shall not adversely affect any right or protection of a person who is or was a director of the Company existing at or prior to the time of such repeal or modification.

SEVENTH: A. The Company shall, to the fullest extent permitted by law, indemnify its directors from and against any and all of the liabilities, expenses and other matters referred to in or covered by the Connecticut Business Corporation Act. In furtherance and not in limitation thereof, the Company shall indemnify each director for liability, as defined in subsection (5) of Section 33-770 of the Connecticut General Statutes, to any person for any action taken, or any failure to take any action, as a director, except liability that (i) involved a knowing and culpable violation of law by the director, (ii) enabled the director or an associate, as defined in Section 33-840 of the Connecticut General Statutes, to receive an improper personal economic gain, (iii) showed a lack of good faith and a conscious disregard for the duty of the director to the Company under circumstances in which the director was aware that his or her conduct or omission created an unjustifiable risk of serious injury to the Company, (iv) constituted a sustained and unexcused pattern of inattention that amounted to an abdication of the director's duty to the Company, or (v) created liability under Section 33-757 of the Connecticut General Statutes; provided that nothing in this sentence shall affect the indemnification of or advance of expenses to a director for any liability stemming from acts or omissions occurring prior to the effective date of this Article SEVENTH.

The Company shall indemnify each officer of the Company who is not a director, or who is a director but is made a party to a proceeding in his or her capacity solely as an officer, to the same extent as the Company is permitted to provide the same to a director, and may indemnify such persons to the extent permitted by Section 33-776 of the Connecticut General Statutes.

The indemnification provided for herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any Bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

B. Expenses incurred by a director or officer of the Company in defending a civil or criminal action, suit or proceeding shall be paid for or reimbursed by the Company to the fullest extent permitted by law in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall be ultimately determined that such director or officer is not entitled to be indemnified by the Company.

C. The Company may indemnify and pay for or reimburse the expenses of employees and agents not otherwise entitled to indemnification pursuant to this Article SEVENTH on such terms and conditions as may be established by the Board of Directors.

D. No amendment to or repeal of this Article SEVENTH shall apply to or have any effect on the indemnification of any director, officer, employee or agent of the Company for or with respect to any acts or omissions of such director, officer, employee or agent occurring prior to such amendment or repeal, nor shall any such amendment or repeal apply to or have any effect on the obligations of the Company to pay for or reimburse in advance expenses incurred by a director, officer, employee or agent of the Company in defending any action, suit or proceeding arising out of or with respect to any acts or omissions occurring prior to such amendment or repeal.

Section 33-777 of the CBCA authorizes the Company to purchase and maintain insurance on behalf of the Company's directors and officers. The directors and officers of the Company are covered by liability insurance. The Company has also purchased an insurance policy covering the possible liability of its officers and employees, as well as directors and former directors, for any losses or liability they might incur in their positions as administrators of The Connecticut Water Company Employees' Retirement Plan and Trust.

## Item 9. Undertakings

### A. Undertaking to Update Annually

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the Prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraph (1)(i) and (1)(ii) above do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

#### **B. Undertaking With Respect to Incorporating Subsequent 1934 Act Documents By Reference**

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

#### **C. Undertaking With Respect to Indemnification of Directors, Officers or Controlling Persons**

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, as amended, the Company certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement on Form S-8 to be signed on its behalf by the undersigned, thereunto duly authorized, in the Town of Clinton and State of Connecticut on the 20th day of July, 2004.

Re: Connecticut Water Service, Inc. Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as counsel to Connecticut Water Service, Inc., a Connecticut corporation (the "Company"), in connection with the Registration Statement on Form S-8 (the "Registration Statement") being filed by the Company with the Securities and Exchange Commission (the "Commission") on the date hereof for the purpose of registering with the Commission under the Securities Act of 1933, as amended (the "Securities Act"), 700,000 shares (the "Shares") of common stock of the Company, without par value (the "Common Stock") issuable pursuant to the terms of the Connecticut Water Service, Inc. 2004 Performance Stock Program (the "Program"), together with the Preference Share Purchase Rights related to the Shares (the "Rights").

In connection with this opinion, we have examined originals or copies, certified or otherwise identified to our satisfaction, of (i) the Registration Statement, (ii) the Program, (iii) the Amended and Restated Certificate of Incorporation and By-Laws of the Company, each as currently in effect, (iv) the Rights Agreement, originally dated as of August 12, 1998, between the Company and the Rights Agent named therein, as subsequently amended (the "Rights Agreement"), and (v) certain resolutions adopted by the Board of Directors of the Company relating to the Program and the issuance of the Shares and certain related matters. We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such agreements, certificates of public officials, certificates of officers or other representatives of the Company or others, and such other documents, certificates and records as we have deemed necessary or appropriate as a basis for the opinions set forth herein.

---

We have made such other investigations of fact and law as we have deemed necessary or appropriate in order to express the opinions hereinafter set forth.

In our examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies.

In making our examination of documents executed or to be executed by parties other than the Company, we have assumed that such parties had or will have the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and the validity and binding effect thereof.

As to various matters of fact material to our opinion, we have relied upon, and assumed the accuracy, completeness and genuineness of, the statements of fact contained in the documents we have examined or made to us by officers or employees of the Company who by reason of their positions would be expected to have knowledge of such facts. Although we have made no independent investigation of any such facts, nothing has come to our attention which would lead us to believe that such facts are inaccurate.

Members of our firm are admitted to the Bar of the State of Connecticut and do not purport to be experts on, or express any opinion concerning, any law other than the laws of the State of Connecticut and the federal securities laws of the United States.

Based upon and subject to the foregoing, we are of the opinion that:

1. The Shares have been duly authorized for issuance and, upon the effectiveness of the Registration Statement under the Securities Act, and the issuance of the Shares and delivery of proper stock certificates therefor in the manner contemplated in the Program, the Shares will constitute validly issued, fully paid and nonassessable shares of capital stock of the Company.
2. Assuming that the Rights Agreement has been duly authorized, executed and delivered by the Rights Agent, when the Registration Statement has been declared effective under the Securities Act and the Shares have been validly issued and delivered as contemplated in the preceding paragraph, the Rights attributable to the Shares will be validly issued.

The opinion set forth in paragraph 2 above is limited solely to the valid issuance of the Rights under the Rights Agreement and the corporation laws of the State of Connecticut and is subject to general principles of equity (regardless of whether such principles are considered in a proceeding in equity or at law) and fiduciary considerations. We express no opinion herein with respect to such general principles of equity or fiduciary considerations or, other than the valid issuance of the Rights under the Rights Agreement, to any other aspect of the Rights, the

---

adoption of the Rights Agreement or the enforceability of any particular provisions of the Rights Agreement.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving the foregoing consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act, or the rules and regulations of the Commission thereunder.

Very truly yours,

MURTHA CULLINA LLP
