Item 1.01 Entry into a Material Definitive Agreement.

On 17 March 2011, Ensco plc (the “Company”) completed a sale of \$1,000,000,000 aggregate principal amount of its 3.250% Senior Notes due 2016 (the “2016 Notes”) and \$1,500,000,000 aggregate principal amount of its 4.700% Senior Notes due 2021 (the “2021 Notes,” and collectively, with the 2016 Notes, the “Notes”).

The Notes were issued pursuant to an Indenture between the Company and Deutsche Bank Trust Company Americas, as trustee (the “Trustee”), dated 17 March 2011 (the “Indenture”), and a Supplemental Indenture between the Company and the Trustee, dated 17 March 2011 (the “Supplemental Indenture”). The Supplemental Indenture establishes the terms of the Notes. Each of the 2016 Notes and the 2021 Notes constitute a separate series of notes under the Indenture, but will be treated together with any of the Company’s future outstanding debt securities issued under the Indenture for amendments and waivers and for taking certain other actions.

The Notes of each series constitute the Company’s senior unsecured debt and rank equally in right of payment with the other series of Notes and with the Company’s senior unsecured debt from time to time outstanding and senior in right of payment to any future subordinated debt from time to time outstanding. The Notes are effectively junior to the Company’s secured debt from time to time outstanding to the extent of the value of the assets securing that debt.

The 2016 Notes bear interest, payable semi-annually, at a rate of 3.250% per annum and mature on 15 March 2016. The 2021 Notes bear interest, payable semi-annually, at a rate of 4.700% per annum and mature on 15 March 2021. Interest on the Notes is payable in cash semiannually in arrears on 15 March and 15 September of each year. The first interest payment is due on 15 September 2011.

Ensco intends to use the proceeds (net of the underwriting discounts and commissions and estimated offering expenses) of approximately \$2,444.0 million from the sale of the Notes to fund a portion of the cash consideration payable in connection with the pending merger (the “Merger”) of one of the Company’s indirect, wholly-owned subsidiaries with Pride International, Inc. (“Pride”). However, in the event that, for any reason, (i) the Company does not consummate the Merger prior to 5:00 p.m., New York City time, on 3 February 2012 or (ii) the merger agreement with Pride is terminated at any time before such time but after 17 September 2011, the Company must redeem all of the Notes at a redemption price equal to 102% of the aggregate principal amount of the Notes, plus accrued and unpaid interest to the Special Mandatory Redemption Date. If the merger agreement with Pride is terminated at any time on or before the date which is six months after 17 March 2011, the issue date of the Notes, the Company must redeem the Notes at a redemption price equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest to the Special Mandatory Redemption Date. “Special Mandatory Redemption Date” means the earlier to occur of (1) 9 March 2012, if the Merger has not been consummated prior to 5:00 p.m., New York City time, on 3 February 2012, or (2) the 35th day (or if such day is not a business day, the first business day thereafter) following the termination of the merger agreement with Pride for any reason.

Ensco may also redeem each series of the Notes, in whole or in part, at any time, at a price equal to 100% of their principal amount, plus accrued and unpaid interest and a “make-whole” premium. The Notes, the Indenture and the Supplemental Indenture also contain customary events of default, including failure to pay principal or interest on the Notes when due, among others.

The Supplemental Indenture contains certain restrictions, including, among others, restrictions on the Company’s ability and the ability of the Company’s subsidiaries to create or incur secured indebtedness, enter into certain sale and leaseback transactions and enter into certain merger or consolidation transactions.

The material terms of the Notes are described in the Company’s prospectus supplement dated 8 March 2011, which relates to the offer and sale of the Notes (the “Prospectus Supplement”), and the Company’s prospectus dated 13 January 2009, which relates to the offer and sale from time to time of an indeterminate amount of the Company’s debt securities (the “Prospectus”). The Prospectus Supplement,

together with the Prospectus, was filed by the Company with the Securities and Exchange Commission on 9 March 2011 pursuant to Rule 424 (b)(5) of the Securities Act of 1933, as amended, in connection with the offer and sale of the Notes.

The Company offered and sold the Notes under the Company's Registration Statement on Form S-3 (File No. 333-156705), which registration statement relates to, among other matters, the offer and sale on a delayed basis from time to time of an indeterminate amount of the Company's debt securities. This current report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy the Notes.

The foregoing description is qualified in its entirety by reference to the Indenture and the Supplemental Indenture, including the form of the Notes attached thereto. A copy of each of the Indenture and the Supplemental Indenture (which includes the forms of the global notes of the 2016 Notes and the 2021 Notes) was filed as an exhibit to the Company's Post-Effective Amendment No. 2 to Form S-3 filed on 17 March 2011, each of which is incorporated by reference herein. The above descriptions of the Indenture, the Supplemental Indenture and the Notes are qualified in their entirety by reference to the Indenture, the Supplemental Indenture and the Notes.
