Explanation of Responses:

- The company inadvertently withheld fewer shares than were required to meet tax withholding obligations. Upon realization of this administrative oversight, the reporting person transferred the shares that were mistakenly granted to him back to the Company (with such transfer being effective as of April 22, 2005).
- This amended Form 4 filing shows the correct ownership of the reporting person as of April 22, 2005. This amount includes 48,000 "performance shares" reflected at the target level granted in 2003 and 2004. These shares are subject to the achievement of specified performance levels.
