Pinnacle West Capital Corporation (“Pinnacle West”) Facility

On May 9, 2014, Pinnacle West entered into a five-year unsecured revolving credit facility with Barclays Bank PLC, as Agent and Issuing Bank, The Royal Bank of Scotland PLC, as Syndication Agent and Issuing Bank, Bank of America, N.A., JPMorgan Chase Bank, N.A., Suntrust Bank and Wells Fargo Bank, National Association, as Co-Documentation Agents and Issuing Banks, and the lender parties thereto, allowing Pinnacle West to borrow, repay and reborrow, from time to time, up to \$200 million through May 9, 2019. On May 9, 2014, Pinnacle West terminated its prior \$200 million unsecured revolving credit facility with Barclays Bank PLC, as Agent and Issuing Bank, The Royal Bank of Scotland PLC and Wells Fargo Bank, National Association, as Co-Syndication Agents and Issuing Banks, Bank of America, N.A. and Credit Suisse AG, Cayman Islands Branch, as Co-Documentation Agents, and the lender parties thereto, which was replaced by the new facility. The prior credit facility would have expired on November 4, 2016. Pinnacle West will use the new facility for general corporate purposes, including as a standby facility to support commercial paper issuances. The facility can also be used for letters of credit.

Borrowings under the facility will bear interest based on Pinnacle West’s then-current senior unsecured debt ratings or, if no senior unsecured debt is outstanding at the time of determination, the rating for Pinnacle West’s bank credit facilities.

Borrowings under the facility are conditioned on Pinnacle West’s ability to make certain representations at the time each borrowing is made, except for representations concerning no material adverse effect and certain litigation matters, which were made only at the time the facility was entered into. The facility includes customary covenants, including requirements that Pinnacle West maintain ownership of a specified percentage of the outstanding capital stock of Arizona Public Service Company (“APS”), maintain a consolidated debt-to-capitalization ratio no greater than a prescribed level and comply with certain lien restrictions. The facility also includes customary events of default, including a cross default provision and a change of control provision. If an event of default occurs, lenders holding a specified percentage of the commitments, or the agent with such lenders’ consent, may terminate the obligations of the lenders to make loans under the facility and the obligations of the issuing banks to issue letters of credit and may declare the obligations outstanding under the facility to be due and payable.

Pinnacle West and its affiliates maintain normal banking and other relationships with the agents and various other lenders in the new facility and/or their affiliates and in the prior \$200 million credit facility that has been terminated.
