Explanation of Responses:

- (1) The common stock is subject to certain forfeiture provisions. Some, all or none of the shares can be earned and vest upon the achievement of certain financial milestones and the employee remaining employed by the Company. The number of shares of restricted stock which may vest is based on the level of financial milestone achieved through December 26, 2009. In addition to achievement of the financial milestones, the employee must remain employed by Kopin Corporation. 50% of the shares the employee is eligible to receive will vest if they remain with Kopin Corporation through December 26, 2009, and the remaining 50% will vest if the employee remains employed through December 11, 2010. Shares which are not earned or do not vest will be forfeited. The number of shares shown assumes the achievement of all milestones and full vesting.
