NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The offer is made for the securities of IAMGold, a Canadian company. The offer is subject to disclosure requirements of Canada that are different from those of the United States. Financial statements included in the Offer and Circular dated June 9, 2004, in the Notice of Variation dated June 30, 2004 and the Notice of Extension and Variation dated July 15, 2004 (collectively, the "Notices of Variation") have been prepared in accordance with foreign accounting standards that may not be comparable to the financial statements of U.S. companies.

The enforcement by investors of civil liabilities under U.S. federal securities laws may be affected adversely by the fact that IAMGold and Golden Star are organized and have locations and assets in foreign countries, and that some or all of our officers and directors, and those of IAMGold, some of the experts named in the Offer and Circular and the First Notice of Variation and the Canadian Dealer Manager are residents of foreign countries.

Shareholders should be aware that we or our affiliates, directly or indirectly, may bid for or make purchases of IAMGold's securities subject to the offer, or of IAMGold's related securities, during the period of the tender offer, as permitted by applicable Canadian laws or regulations.

We have filed with the U.S. Securities and Exchange Commission (the "SEC") Post-Effective Amendment No. 2 to our Registration Statement on SEC Form S-4 and have filed our Amendment No. 3 to our Schedule 14D-1F, each previously filed with the SEC, and have mailed an amended prospectus to IAMGold shareholders concerning the proposed business combination with IAMGold. **WE URGE INVESTORS AND SECURITY HOLDERS TO READ THE REGISTRATION STATEMENT AND PROSPECTUS AND ANY OTHER RELEVANT DOCUMENTS FILED OR TO BE FILED WITH THE SEC, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION.** Investors and security holders will be able to obtain the documents free of charge at the SEC's website, www.sec.gov. NOTICE OF EXTENSION AND VARIATION

TO: THE HOLDERS OF SHARES OF IAMGOLD CORPORATION

This Notice of Extension amends and supplements the Offer to Purchase and accompanying Circular dated June 9, 2004 (the “Offer and Circular”), the Notice of Variation dated June 30, 2004 (the “First Notice of Variation”) and the Notice of Extension and Variation dated July 15, 2004 (the “Second Notice of Variation”). Except as otherwise set forth in this Notice of Extension, the information, terms and conditions in the Offer and Circular, as varied by the First Notice of Variation and the Second Notice of Variation (collectively, the “Notices of Variation”) continue to be applicable in all respects and this Notice of Extension should be read in conjunction with the Offer and Circular and the Notices of Variation, provisions of which (as hereby amended) are incorporated herein by reference. References to the “Offer” means our offer to acquire IAMGold shares set out in the Offer and Circular as varied by the Notices of Variation and this Notice of Extension.

1. Extension of the Offer

We have extended the expiry time of our offer from 9:00 p.m. (Toronto time) on July 30, 2004 to 12:01 a.m. (Toronto time) on August 16, 2004 or such later time and date or times and dates as we may fix from time to time pursuant to Section 6 of the Offer to Purchase, “Extensions, Variations and Changes to the Offer”, unless we withdraw the offer.

2. Conditions to the Offer

The offer remains subject to the conditions set forth in Section 2 of the Offer to Purchase, “Conditions to the Offer”, as varied by the Notices of Variation.

3. Change in Information in the Offer and Circular

The closing prices of the IAMGold shares on the TSX and the AMEX on July 27, 2004 were Cdn.\$7.64 and U.S.\$5.71, respectively. The closing prices of the Golden Star shares on the TSX and the AMEX on July 27, 2004 were Cdn.\$5.25 and U.S.\$3.94, respectively. The change in the share prices from those disclosed in the Second Notice of Variation does not have any impact on the pro forma capitalization or financial statements contained in the Second Notice of Variation.

4. Recent Developments

On July 19, 2004, IAMGold issued a press release stating that a special committee of its independent directors and RBC Capital Markets, IAMGold’s financial advisor, were continuing the process of pursuing alternatives to maximize value for IAMGold shareholders. The press release also stated, among other things, that IAMGold would vigorously defend its shareholder rights plan in response to Golden Star’s application filed on July 15, 2004 with the Ontario Securities Commission to set aside the plan.

Also on July 19, 2004, RBC Capital Markets sent to Golden Star a form of bid letter, confidentiality agreement and undertaking required to be executed by all parties wishing to review certain confidential information relating to IAMGold. RBC Capital Markets indicated that Golden Star would be able to gain access to confidential information about IAMGold and participate in the binding offer process on the terms described in the bid letter. On July 21 and July 22, 2004, counsel for Golden Star and IAMGold’s special committee continued to discuss the terms under which Golden Star would be granted due diligence access.

On July 21, 2004, Golden Star’s counsel sent a letter to counsel for IAMGold’s special committee requesting that IAMGold’s auditor give its consent to allow Golden Star to incorporate by reference the auditor’s audit report on the financial statements that form part of Golden Star’s registration statement and prospectus filed with the U.S. Securities and Exchange Commission relating to the offer.

Also on July 21, 2004, IAMGold filed a response letter with the Ontario Securities Commission regarding Golden Star’s challenge to the shareholder rights plan of IAMGold, contending that the plan is in the best interests of the IAMGold shareholders.

Table of Contents

On July 22, 2004, Golden Star and IAMGold entered into an access agreement pursuant to which IAMGold agreed to provide Golden Star the same documentation provided to other parties who had signed confidentiality agreements and Golden Star agreed, among other things, to withdraw its application to the Ontario Securities Commission with respect to IAMGold's shareholder rights plan and to extend the offer so that it will expire no earlier than the expiration date of the rights plan. IAMGold agreed that if IAMGold's current shareholder rights plan or any new shareholder rights plan is in existence after August 15, 2004, Golden Star's taking up and payment for IAMGold shares would not trigger any rights under such plans. Golden Star and IAMGold also entered into a confidentiality agreement in which the parties agreed, among other things, that for a period of one year, neither party will, or will attempt to, gain control of the other party except pursuant to the offer. The access agreement does not restrict Golden Star from varying or extending the offer, provided the amended offer does not reduce the consideration or add any new conditions to the offer.

On July 23, 2004, IAMGold provided Golden Star with access to a limited number of documents relating to IAMGold. On July 27 and 28, 2004, Golden Star sent to IAMGold supplementary lists of documents that Golden Star wished to review in connection with its due diligence review of IAMGold.

On July 28, 2004, Golden Star's board of directors approved the extension of the expiry time of the offer as set out in this Notice of Extension. A press release announcing the extension was issued that day.

5. Take-Up of Deposited IAMGold Shares

If all of the conditions referred to in Section 2 of the Offer to Purchase, "Conditions to the Offer", as varied by the Notices of Variation, have been fulfilled or, where permitted, waived at the expiry time of our offer, we will take up and pay for the IAMGold shares deposited under the offer and not withdrawn no later than 10 days from the expiry date, and will pay for the IAMGold shares taken up as soon as possible, but, in any event not later than three business days after taking up the IAMGold shares, other than the payment of amounts with respect to the contingent payment entitlement which shall be paid in the manner described in Section 1 of the First Notice of Variation "Increase in Price Offered for IAMGold Shares". See Section 3 of the Offer to Purchase, "Payment for Deposited IAMGold Shares".

6. Right to Withdraw Deposited IAMGold Shares

Under the terms of the offer, IAMGold shares may be withdrawn by or on behalf of a depositing shareholder (unless otherwise required or permitted by applicable law): (a) at any time where the IAMGold shares have not been taken up; (b) at any time before the expiration of ten days from the date of a notice of change or variation in respect of the offer; or (c) if we have not paid for the shareholder's IAMGold shares within three business days after having been taken up.

7. Variations to the Offer

The Offer, as amended by the Notices of Variation, should be read as amended in order to give effect to the amendments set forth in this Notice of Extension.

8. Directors' Approval

The contents of this Notice of Extension have been approved, and the sending thereof to the IAMGold shareholders has been authorized, by our board of directors.

9. Offerees' Statutory Rights

Securities legislation in certain of the provinces and territories of Canada provides securityholders of IAMGold with, in addition to any other rights that they may have at law, rights of rescission or damages, or both, if there is a misrepresentation in a circular or notice that is required to be delivered to such securityholders. However, such rights must be exercised within prescribed time limits. Securityholders should refer to the applicable provisions of the securities legislation of their province or territory for the particulars of those rights or consult with a lawyer.

APPROVAL AND CERTIFICATE OF THE OFFEROR

The foregoing, together with the Offer to Purchase and Circular dated June 9, 2004, the Notice of Variation dated June 30, 2004 and the Notice of Extension and Variation dated July 15, 2004, contains no untrue statement of a material fact and does not omit to state a material fact that is required to be stated or that is necessary to make a statement not misleading in the light of the circumstances in which it was made. In addition, the foregoing does not contain any misrepresentation likely to affect the value or the market price of the securities which are the subject of the Offer.
