Eldorado Announces First Gold Pour at the Tanjianshan Mine

VANCOUVER, BC - Paul N. Wright, President and Chief Executive Officer of Eldorado Gold Corporation (“Eldorado” the “Company” or “we”) is pleased to announce the first pouring of gold December 2, 2006 at the Company’s 90% owned Tanjianshan Gold Mine (“TJS” or “Tanjianshan”) in Qinghai Province, China.

The first dor é bar weighs 13.6 kilograms and contains approximately 84% gold. Commissioning which had been interrupted by a small fire in the plant resumed in early November. Production at TJS is progressing with 182,000 tonnes of ore stockpiled. Tanjianshan is expected to reach commercial production in the 1st Quarter 2007.

Tanjianshan was officially opened on November 12, 2006 by Madame Shi Qing, Haixi Prefecture Vice-Governor and Mr. Li Zhiyong, the Vice-General Director of Qinghai Provincial Ministry of Land and Resources. Also participating in the opening ceremonies were the Director of Qinghai Provincial Gold Bureau and other local dignitaries. The opening celebrations were attended by 239 guests and 100 employees.

“With our first gold pour at Tanjianshan, Eldorado has become one of the first North American companies to produce gold in China. This is a very special occasion for Eldorado, our joint venture partners, employees and shareholders whose efforts and continued support have enabled our success.” commented Paul Wright, President and Chief Executive Officer.

Eldorado is a gold producing and exploration company actively growing businesses in Brazil, Turkey and China. We operate the São Bento Mine, Kisladag Mine and Tanjianshan Mine. With our international expertise in mining, finance and project development, together with highly skilled and dedicated staff, we believe that Eldorado is well positioned to grow in value as we create and pursue new opportunities.
