GENERAL

Introduction

The Board of Directors (the “Board”) of Speedway Motorsports, Inc. (“SMI” or the “Company”) is soliciting your proxy to be voted at the 2013 Annual Meeting of Stockholders to be held on Tuesday, April 16, 2013, at 10:00 a.m., Eastern Daylight Time (the “Annual Meeting”). The Annual Meeting will be held at the Smith Tower located at Charlotte Motor Speedway, 5555 Concord Parkway South, Concord, North Carolina. Only holders of record of SMI’s common stock, par value \$.01 per share (the “Common Stock”), at the close of business on March 1, 2013 (the “Record Date”) are entitled to receive notice of the Annual Meeting, to receive this Proxy Statement, including the accompanying proxy card, and to vote at the Annual Meeting.

How to Vote

This Proxy Statement, including the accompanying proxy card, is first being sent to stockholders on or about March 22, 2013.

Stockholders may vote using any of the following methods:

- *By Mail* . Be sure to complete, sign and date the proxy card and return it in the prepaid envelope. If you are a “holder of record” (*i.e.* , your shares are registered directly in your name with American Stock Transfer & Trust Company, SMI’s transfer agent), and you return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by that proxy as recommended by the Board.
- *By Telephone or on the Internet* . If you are a “beneficial owner” (*i.e.* , your shares are held in a stock brokerage account or by a bank or other holder of record), telephone and Internet voting may be available to you depending on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your proxy card.
- *In Person at the Annual Meeting* . All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

If you are a holder of record, you can revoke your proxy before your shares are voted at the Annual Meeting by:

- Written notice to SMI’s Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212, received prior to the date of the Annual Meeting;
- Timely delivery of a valid, later-dated proxy; or
- Voting by ballot at the Annual Meeting.

If you are a beneficial owner, you may submit new voting instructions by contacting your bank, broker or other holder of record. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above.

All shares that have been properly voted and not revoked will count as voted at the Annual Meeting.

Representatives of SMI’s transfer agent, American Stock Transfer & Trust Company, will tabulate the votes and act as inspectors of election.

Number of Shares Outstanding and Voting

SMI currently has 200,000,000 shares of Common Stock authorized for issuance under its Certificate of Incorporation, as amended to date, of which 41,412,049 shares were issued and outstanding as of the Record Date and entitled to be voted at the Annual Meeting. At the Annual Meeting, holders of Common Stock will have one vote per share.

In order to establish a quorum at the Annual Meeting, a majority of the shares entitled to vote must be present either in person or by proxy.

Table of Contents

Abstentions and “uninstructed shares” that are voted by the holder of record are counted as present and entitled to vote for purposes of determining a quorum. An “uninstructed share” occurs when a bank, broker or other holder of record holding shares for a beneficial owner may exercise discretionary voting authority on routine proposals because that holder of record has not received voting instructions from the beneficial owner.

If you are a beneficial owner, your bank, broker or other holder of record has discretionary authority to vote your shares on the ratification of PricewaterhouseCoopers LLP as SMI’s independent registered public accounting firm, even if the holder of record does not receive voting instructions from you. However, the holder of record may not vote on the election of directors, the Speedway Motorsports, Inc. 2013 Stock Incentive Plan (the “2013 Stock Incentive Plan”) approval or any stockholder proposals properly brought before the meeting absent instructions from you. As of the date of this Proxy Statement, the Company was not aware of any stockholder proposals for the Annual Meeting.

Proposal 1 — Election of Directors. A plurality of the votes cast is required for the election of directors to the Board. This means that the director-nominee with the most votes for a particular slot is elected for that slot. You may vote “for” or “withheld” with respect to the election of directors. Only votes “for” or “withheld” are counted in determining whether a plurality has been cast in favor of a director-nominee. Abstentions and, if applicable, “broker non-votes” are not counted for purposes of the election of directors. A “broker non-vote” occurs if the holder of record chooses not to vote the uninstructed shares on a routine matter or is not permitted to vote the uninstructed shares on a non-routine matter.

Proposal 2 — 2013 Stock Incentive Plan Approval. The votes cast “for” must exceed the votes “against” to approve the 2013 Stock Incentive Plan. Under applicable New York Stock Exchange (“NYSE”) listing standards, the total votes cast on this proposal must also represent more than 50% of all shares of common stock entitled to vote on the proposal. You may vote “for” or “against” the proposal, or you may abstain from voting on the proposal. Abstentions and, if applicable, broker non-votes are not counted for this proposal.

Proposal 3 — Ratification of Independent Registered Public Accounting Firm. The votes cast “for” must exceed the votes cast “against” to approve the ratification of PricewaterhouseCoopers LLP (“PwC”) as our independent registered public accounting firm for fiscal year ending December 31, 2013. Abstentions and, if applicable, broker non-votes are not counted as votes “for” or “against” these proposals. In the event that our stockholders fail to ratify the selection, it will be considered as a direction to the Audit Committee to consider the selection of a different firm. However, if the Audit Committee determines it to be in the best interests of the Company to retain PwC as our independent registered public accounting firm, it may do so in its sole discretion, despite the stockholders’ failure to ratify the selection. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm.

CORPORATE GOVERNANCE

Corporate Governance Guidelines and Code of Business Conduct and Ethics

The Board follows the procedures and standards that are set forth in the Company's Corporate Governance Guidelines. In addition, SMI is committed to conducting business ethically and legally throughout the organization. The Company's Code of Business Conduct and Ethics guides the Company's directors, officers (including our chief executive officer, chief operating officer, chief financial officer and treasurer and chief accounting officer) and employees to live up to SMI's high ethical standards. Our Corporate Governance Guidelines and our Code of Business Conduct and Ethics are available on the Corporate Governance page of our website at www.speedwaymotorsports.com. Printed copies may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212. We post any amendments to the Code of Business Conduct and Ethics, as well as any waivers that are required to be disclosed by SEC or NYSE rules, on our website.

Board and Committee Member Independence

Because Mr. O. Bruton Smith holds more than 50% of the voting power of the Common Stock, SMI can qualify as a "controlled company" for purposes of the listing standards of the NYSE and is, therefore, not required to comply with the NYSE requirement that a listed company have a majority of independent directors. However, SMI is committed to having its board membership comprised of a majority of independent directors as evidenced by SMI's Corporate Governance Guidelines.

SMI's non-management directors hold meetings, separate from management, at least four times per year. Those meetings are presided over by the Company's Lead Independent Director, Mr. Robert L. Rewey. In Mr. Rewey's absence, the other independent directors will choose a different independent director to preside over such meetings.

The Nominating/Corporate Governance Committee regularly reviews the independence of all directors on the Board and reports its findings to the Board, which then makes regular determinations as to director independence under applicable SEC and NYSE requirements. The Board relies upon the Company's Categorical Standards for Director Independence, which the Board adopted to assist in evaluating the independence of each of its directors. SMI's Categorical Standards for Director Independence are available on the Corporate Governance page of our website at www.speedwaymotorsports.com. The Board has determined that Mr. Mark M. Gambill, Mr. James P. Holden, Mr. Robert L. Rewey and Mr. Tom E. Smith are currently independent within the meaning of the NYSE's current listing standards and SMI's Categorical Standards for Director Independence, and further that all members of its Audit Committee meet the requirements of SEC Rule 10A-3 applicable to Audit Committee members. The Board's determination was based upon its assessment of each director's relationship with SMI and the materiality of that relationship in light of all relevant facts and circumstances from the standpoint of the director in his individual capacity and the persons to which the director is related and organizations with which the director is affiliated. In reaching this determination, the Board has relied upon representations made by Messrs. Gambill, Holden, Rewey and Tom E. Smith in director questionnaires and discussions between the foregoing individuals, the Nominating/Corporate Governance Committee and the Board. In concluding that Mr. Gambill is independent, the Board took into consideration Mr. Gambill's prior service on the board of managers of SMISC, LLC, the Company's equally-owned joint venture with International Speedway Corporation that does business as Motorsports Authentics ("MA"). The Board concluded that Mr. Gambill's prior service on the MA board of managers did not compromise his independence. With respect to Mr. Holden, the Board considered his service as a member of the Board of Directors of SiriusXM Radio, Inc., a sponsor of NASCAR and a contract party with the Company's subsidiary, Performance Racing Network, and the Board of Directors of Snap-on, Inc., a contract party with several of the Company's subsidiaries. The Board determined that the relationships were immaterial and that Mr. Holden remains independent. The Board also considered Mr. Rewey's service on the Board of Directors of Sonic Automotive, Inc., a company controlled by Mr. O. Bruton Smith, and the Board concluded that such service did not compromise his independence. Mr. Tom E. Smith is not related to Messrs. O. Bruton Smith or Marcus G. Smith.

Board Leadership Structure and Role in Risk Oversight

The Company's Chief Executive Officer, Mr. O. Bruton Smith, also serves as the Chairman of the Board. The Board believes that this leadership structure is optimal for the Company at this time because Mr. Smith's extensive experience and status as a pioneer

Table of Contents

in the motorsports industry, together with his founding of and significant equity interest in the Company, provides SMI with strong and consistent leadership. Mr. Robert L. Rewey is the Company's Lead Independent Director. Mr. Rewey coordinates providing feedback from other non-management members of the Board to the Chief Executive Officer and other Company management regarding business issues. Mr. Rewey is also the director who presides over the regularly scheduled meetings of the Company's non-management directors.

The Board has not adopted a policy regarding the separation of the position of Chairman of the Board from the Chief Executive Officer. The Board recognizes that there may be circumstances in the future that would lead it to separate the positions, but believes that the absence of a policy requiring either the separation or combination of the positions provides the Board with the flexibility to determine the leadership structure that is in the best interests of the Company and its stockholders at the time.

Management is responsible for managing the Company's risk and for bringing to the Board's attention areas of risk that are material to the Company. The Board, including through its committees, all of which are comprised solely of independent directors, and through regular meetings of the independent directors without management present, regularly reviews areas of risk to the Company and advises and directs management on the scope and implementation of policies, strategy and other actions designed to mitigate risk. The Company's Audit Committee also reviews risks and works with management and the Company's independent auditors to identify and address areas of significant risk to the Company. Specific examples of risks primarily overseen by the Audit Committee include risks related to the preparation of the Company's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act, accounting, financial and auditing risks, treasury risks (insurance, credit and debt), matters reported to the Audit Committee through the Company's Internal Audit Department and through anonymous reporting procedures, risks posed by significant litigation matters, compliance with applicable laws and regulations and risks associated with related person transactions and potential conflicts of interest. The Nominating/Corporate Governance Committee monitors the Company's compliance with its Corporate Governance Guidelines and Code of Business Conduct and Ethics. The Company's Compensation Committee reviews and evaluates potential risks related to compensation programs for executive officers of the Company, and the risks to the Company from SMI's compensation policies and practices generally.

Communications to the Board

Stockholders and other parties interested in communicating with the Board as a group regarding Board-related matters may do so by writing to the Chairman of the Board, c/o J. Cary Tharrington IV, Vice President and General Counsel, Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212. The Company's General Counsel will review the facts and circumstances outlined in the communication and pass appropriate materials on to the Board. In that regard, certain items that are unrelated to the duties and responsibilities of the Board will be excluded. Any correspondence relating to accounting, internal controls or auditing matters will be immediately brought to the attention of the members of the Company's Audit Committee for consideration in accordance with established procedures. Communications intended for the Lead Independent Director or other non-management directors should be directed to the Lead Independent Director at the address above.

COMMITTEES OF THE BOARD AND BOARD MEETINGS

There are three standing committees of the Board: the Audit Committee, Nominating/Corporate Governance Committee and Compensation Committee. The Audit Committee is currently comprised of Messrs. Mark M. Gambill (Chairman), James P. Holden and Tom E. Smith. The Nominating/Corporate Governance Committee is currently comprised of Messrs. James P. Holden (Chairman), Robert L. Rewey and Tom E. Smith. The Compensation Committee is currently comprised of Messrs. Tom E. Smith (Chairman), Mark M. Gambill, James P. Holden and Robert L. Rewey. The Board has determined that all committee members are independent as defined by the applicable listing standards of the NYSE, the applicable rules of the SEC and the Company's Categorical Standards for Director Independence. In addition, all Compensation Committee members are independent under Section 16 of the Exchange Act and Section 162(m) of the Internal Revenue Code (the "Code").

Audit Committee

The Audit Committee, which held eight meetings in 2012, is responsible for the selection of the Company's independent registered public accounting firm, reviews and approves the scope of the annual audit, approves annual audit fees and services, reviews the conclusions of the auditors and reports the findings and recommendations thereof to the Board, reviews with the Company's auditors the effectiveness of the Company's system of internal control over financial reporting, disclosure controls and procedures and the associated role of management, reviews transactions between the Company and its officers, directors and principal stockholders, reviews and discusses with management and the auditors the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and interim financial information included in quarterly earnings announcements, approves non-audit fees and services rendered by the auditors and performs such other functions and exercises such other powers as the Board from time to time may determine. The committee's role in risk oversight is set forth above in the "Board Leadership Structure and Role in Risk Oversight" section of this Proxy Statement. The Audit Committee operates under a formal charter that governs its duties and conduct. The charter is available on the Corporate Governance page of our website at www.speedwaymotorsports.com. A printed copy may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212.

Based on the representations made by Mr. Gambill and discussions between Mr. Gambill and other members of the Board, the Board has determined that Mr. Gambill is an "audit committee financial expert" in accordance with current SEC regulations. The Board based this determination primarily on Mr. Gambill's experience as the former President of Wheat First Securities and as the current Chairman of Cary Street Partners. Both of these positions required Mr. Gambill to be extensively involved in analyzing public company financial statements when supervising investment banking and research analyst operations, and as chairman of the underwriting committee, of Wheat First Securities and in managing Cary Street Partners. The Board also determined that each Audit Committee member is "financially literate" in accordance with NYSE rules based on representations made by and discussions with these directors.

The following is the Audit Committee Report for the year ended December 31, 2012.

Audit Committee Report

In accordance with its written charter, the Audit Committee of the Board assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence, consistent with Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, discussed with the independent registered public accounting firm any relationships or services that might impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed and reviewed with management, and the independent registered public accounting firm, the quality and adequacy of the Company's internal control over financial reporting, and discussed and reviewed with management the effectiveness of the Company's disclosure controls and procedures used for periodic public reporting. The Audit Committee reviewed with the independent registered public accounting firm their audit plans, audit scope and identification of audit risks.

Table of Contents

The Audit Committee discussed and reviewed with the independent registered public accounting firm all communications required by generally accepted auditing standards and the Public Company Accounting Oversight Board, including those described in Statement on Auditing Standards No. 114, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, with and without management present, discussed and reviewed the results of the independent registered public accounting firm's audit of the Company's financial statements and reviewed the Company's audited financial statements as of and for the year ended December 31, 2012 with management and the independent registered public accounting firm.

Management is responsible for the Company's financial reporting process, including its system of internal control over financial reporting, disclosure controls and procedures and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles in the United States of America. The Company's independent registered public accounting firm is responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are not employees of the Company, and they may or may not be experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on (a) management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and (b) the representations of the independent registered public accounting firm appearing in the auditors' report on the Company's financial statements. The Audit Committee's oversight does not provide the Audit Committee with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting and auditing standards and applicable laws and regulations.

Based on the above-mentioned review and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2012 for filing with the SEC. The Audit Committee also recommended the reappointment of the independent registered public accounting firm of PricewaterhouseCoopers LLP for the fiscal year ending December 31, 2013.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee, which held two meetings in 2012, assists the Board in identifying and recommending individuals qualified to become members of the Board, monitors and reviews corporate governance issues and develops and recommends to the Board corporate governance principles applicable to the Board, the Company and its business strategy and operations, including those set forth in SMI's Corporate Governance Guidelines and Code of Business Conduct and Ethics. Messrs. O. Bruton Smith and Robert L. Rewey were recommended to the Board as director-nominees to stand for election at the Annual Meeting by the Nominating/Corporate Governance Committee. The committee's role in risk oversight is set forth above in the "Board Leadership Structure and Role in Risk Oversight" section of this Proxy Statement. The Nominating/Corporate Governance Committee operates under a formal charter that governs its duties and conduct. The charter is available on the Corporate Governance page of our website at www.speedwaymotorsports.com. A printed copy may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212.

Director Nomination Criteria and Process

Directors may be nominated by the Board in accordance with the Company's Certificate of Incorporation and By-laws, as both have been amended to date. The procedures used by the Nominating/Corporate Governance Committee to identify and evaluate nominees for director positions involve members of the committee drawing on their contacts in the business community and directly soliciting and interviewing candidates and reviewing director questionnaire responses of prospective nominees. The Nominating/Corporate Governance Committee reviews all nominees for the Board in accordance with the committee's charter.

Table of Contents

Given the size and resources of the Nominating/Corporate Governance Committee as well as the number of Company stockholders, the Board believes the committee does not have the resources to thoroughly review the number of Board nominations that would likely be received if the committee accepted unsolicited nominations from stockholders. Accordingly, it is the Nominating/Corporate Governance Committee's policy not to accept unsolicited nominations to the Board from stockholders.

The assessment of a nominee's qualifications will include, at a minimum, a review of Board member criteria listed in the Company's Corporate Governance Guidelines including, among other things, the following:

- Ability to use sound judgment;
- Substantive knowledge in areas of importance to the Company (such as accounting or finance, business or management, industry knowledge, customer-based perspective, sponsorship relationships, strategic planning and leadership);
- Diversity (background and experience);
- Skills (financial literacy and financial expertise for members of the Audit Committee, management and consulting experience for members of the Compensation Committee and leadership and strategic planning for members of the Nominating/Corporate Governance Committee);
- Service on the boards of directors of other public companies;
- Integrity, honesty and fairness;
- Thorough understanding of the Company's business;
- Independence under the various applicable standards; and
- Such other factors as the Nominating/Corporate Governance Committee concludes are pertinent in light of the Board's current needs at the time such director is nominated.

The Nominating/Corporate Governance Committee will select qualified nominees and review its recommendations with the full Board, which will decide whether to nominate a Board candidate. The Board intends that each director contribute knowledge, experience and skill in at least one area of importance to the Company. Nominees should neither have nor appear to have a conflict of interest that would impair the nominee's ability to represent the interests of all Company stockholders and to otherwise fulfill the stated responsibilities of a director. A nominee should also be able to work well with other directors and executives of the Company and should have independent opinions and be willing to state them in a constructive manner and be willing to comply with other guidelines as adopted by the Board.

As part of the Nominating/Corporate Governance Committee's assessment of a prospective director-nominee's skill, experience, knowledge and judgment, the committee considers diversity of background and personal experience. The Board should be composed ideally of persons having a diversity of skills, background and experience that are useful to SMI and its present and future needs. However, the Nominating/Corporate Governance Committee does not have a formal policy specifying how diversity of background and personal experience should be applied in identifying or evaluating director-nominees, and a nominee's background and personal experience, while important, do not necessarily outweigh other attributes or factors the committee may consider.

When considering potential nominees for the Board, the Nominating/Corporate Governance Committee considers the standards above and each potential nominee's individual qualifications in light of the needs of the Board at such time and its anticipated needs in the future.

Compensation Committee

The Compensation Committee, which held five meetings in 2012, administers certain compensation and employee benefit plans of the Company, reviews and determines executive officer compensation, including annual salaries, bonus performance goals, bonus plan allocations, equity-based compensation and other benefits of all executive officers and certain other non-executive employees of the Company. The Compensation Committee administers the Speedway Motorsports, Inc. 1994 Stock Option Plan (the "1994 Stock Option Plan"), the Speedway Motorsports, Inc. 2004 Stock Incentive Plan, the Speedway Motorsports, Inc. Employee Stock Purchase Plan (the "Employee Stock Purchase Plan") and the Speedway Motorsports, Inc. Incentive Compensation Plan (the "Incentive Compensation Plan"). The Compensation Committee periodically reviews the Company's executive development and succession planning and executive compensation programs. The Compensation Committee also takes action to

modify programs that yield payments or benefits not closely related to Company or executive performance. The policy of the Compensation Committee's program for executive officers is set forth below in "Compensation Discussion and Analysis" in the "2012 Executive Compensation" section of this Proxy Statement. The committee's role in risk oversight is set forth above in the "Board Leadership Structure and Role in Risk Oversight" section of this Proxy Statement. The Compensation Committee operates under a formal charter that governs its duties and conduct. The charter is available on the Corporate Governance page of our website at www.speedwaymotorsports.com. A printed copy may be obtained upon written request to SMI's Corporate Secretary at Speedway Motorsports, Inc., 5401 E. Independence Boulevard, Charlotte, North Carolina 28212.

Compensation Committee Interlocks and Insider Participation

Messrs. Tom E. Smith, Mark M. Gambill, James P. Holden and Robert L. Rewey served on the Company's Compensation Committee in 2012. No member of the Compensation Committee was an officer or employee of the Company and no executive officer of the Company served on the compensation committee or board of directors of any company that employed any member of the Compensation Committee.

Attendance at Board and Committee Meetings

During 2012, there were five meetings of the Board, with all directors attending at least 75% of all Board meetings and of all meetings held by committees of the Board on which they served. The Company encourages all Board members to attend its annual meeting of stockholders. However, SMI does not have a policy regarding director attendance at annual meetings of stockholders. All directors attended the Company's 2012 annual meeting of stockholders.

PROPOSAL 1 — ELECTION OF DIRECTORS

Nominees for Election to the Board

Directors of SMI are elected at the annual meeting of stockholders to serve staggered terms of three years and until their successors are elected and qualified. The Board currently consists of seven directors.

- The terms of Messrs. Marcus G. Smith and Tom E. Smith expire at the 2015 annual meeting of stockholders;
- The terms of Messrs. William R. Brooks, Mark M. Gambill and James P. Holden expire at the 2014 annual meeting of stockholders; and
- The terms of Messrs. O. Bruton Smith and Robert L. Rewey expire at the Annual Meeting.

If elected, each director-nominee will serve until the 2016 annual meeting of stockholders and until his successor is elected and qualified, except as otherwise provided in SMI's Certificate of Incorporation and Bylaws, as both have been amended to date. If for any reason a director-nominee is not a candidate when the election occurs, proxies will be voted in favor of the other director-nominee and may be voted for a substitute director-nominee, unless the Board chooses to reduce the number of directors serving on the Board.

The Board unanimously recommends a vote FOR the election of Messrs. O. Bruton Smith and Robert L. Rewey as members of the Board.

James P. Holden, 61, became a director of SMI in 2004. Mr. Holden retired in 2000 after completing 27 distinguished years in the auto industry, including 19 years with DaimlerChrysler and its predecessor Chrysler Corp. ("Chrysler"). PROPOSAL 2 — APPROVAL OF THE SPEEDWAY MOTORSPORTS, INC. 2013 STOCK INCENTIVE PLAN

We are requesting that stockholders approve the Speedway Motorsports, Inc. 2013 Stock Incentive Plan. The 2013 Stock Incentive Plan is similar to our 2004 Stock Incentive Plan which will terminate in February 2014. The Board believes that it is in the best interests of SMI and its stockholders to adopt a new plan that will allow SMI to continue to provide a variety of equity-based incentives to attract and retain key employees, directors and consultants of SMI and its subsidiaries and provide them with incentives to contribute to SMI's growth and success, as well as align their interests with those of SMI's stockholders. Therefore, following the recommendation of the Compensation Committee, the Board adopted the 2013 Stock Incentive Plan on February 13, 2013, subject to and to be effective upon stockholder approval at the Annual Meeting.

The 2004 Stock Incentive Plan was initially approved by our stockholders at the 2004 annual meeting of stockholders. The 2004 Stock Incentive Plan was most recently amended and restated as of February 10, 2009 and approved by our stockholders at the 2009 annual meeting of stockholders. SMI will continue to have the ability to grant awards under the 2004 Stock Incentive Plan until its termination in February 2014. Approval of the 2013 Stock Incentive Plan will not amend or modify the 2004 Stock Incentive Plan or adversely affect rights under any outstanding awards previously granted under the 2004 Stock Incentive Plan. Under the 2004 Stock Incentive Plan, SMI is authorized to issue up to 2,500,000 shares of Common Stock. As of March 11, 2013, approximately 847,236 shares of Common Stock are subject to currently outstanding awards and 1,271,242 shares of Common Stock are available for future awards under the 2004 Stock Incentive Plan.

The 2013 Stock Incentive Plan also is intended to allow the Compensation Committee to grant certain awards that may meet the requirements for performance-based compensation under Section 162(m) of the Code. Section 162(m) of the Code generally limits SMI's annual federal income tax deduction for compensation paid to certain officers to \$1,000,000 with respect to each such officer. However, compensation that qualifies as performance-based compensation under Section 162(m) of the Code is not subject to this deduction limit. Compensation qualifies as performance-based only if it satisfies certain requirements, including that the material terms of the plan and the performance criteria pursuant to which the awards will be paid are disclosed to and approved by the stockholders. Therefore, stockholder approval of the 2013 Stock Incentive Plan, including the provisions regarding performance-based awards, also is being sought to give SMI the continued ability to grant awards intended to qualify as performance-based compensation under Section 162(m) of the Code.

The following is a summary of the 2013 Stock Incentive Plan submitted for stockholder approval. The summary describes the principal features of the 2013 Stock Incentive Plan, but it is qualified by reference to the full text of the 2013 Stock Incentive Plan, which is included in this Proxy Statement as Appendix A.

Summary of Proposed 2013 Stock Incentive Plan

Administration

The 2013 Stock Incentive Plan will be administered by the Compensation Committee. The Compensation Committee has the full authority to grant awards under the 2013 Stock Incentive Plan, to select the recipients of awards under the 2013 Stock Incentive Plan, to determine the type and size of awards and to determine and amend the terms, restrictions and conditions of awards. Among other things, the Compensation Committee also has the full authority to construe and interpret the 2013 Stock Incentive Plan and any related award agreement, to establish rules and regulations relating to the administration of the 2013 Stock Incentive Plan, to delegate administrative responsibilities and to make all other determinations and take any other actions that may be necessary or advisable for the administration of the 2013 Stock Incentive Plan.

To the extent permitted by applicable law and to the extent that any such action will not prevent the 2013 Stock Incentive Plan or any award from satisfying certain regulatory exemptions and requirements, the Compensation Committee may delegate to executive officers of the Company (or other such persons it deems appropriate) the authority to perform such functions that the Compensation Committee determines; provided that awards to executive officers and related substantive matters shall be determined solely by the Compensation Committee.

Table of Contents

Eligibility

The Compensation Committee may grant awards under the 2013 Stock Incentive Plan to employees, directors, consultants and other individuals providing services to SMI and its subsidiaries. In selecting recipients of awards and determining the applicable terms and conditions, the Compensation Committee may take into account any factors it deems relevant, including, among other things, their duties and the Compensation Committee's assessment of their present and potential contributions to the success of SMI and its subsidiaries. The number of individuals who will be eligible to participate in the 2013 Stock Incentive Plan will vary and, in light of the Compensation Committee's discretion, the actual number of individuals who will be granted an award in the future cannot be determined. As of March 1, 2013, the Company had approximately 797 employees and directors.

Types of Awards

Awards under the 2013 Stock Incentive Plan may be granted in the form of incentive stock options, nonstatutory stock options, stock appreciation rights, restricted stock, restricted stock units and other stock awards. Awards also may be designated as performance awards that are subject to achievement of certain pre-established, objective performance goals. Each type of award is discussed in more detail below.

Shares Subject to 2013 Stock Incentive Plan and Award Limits

If the stockholders approve the 2013 Stock Incentive Plan, the number of shares of Common Stock available for issuance under the 2013 Stock Incentive Plan will be 3,500,000 shares, subject to adjustment as described below. Shares of Common Stock covered by awards that expire or are forfeited, canceled, settled in cash or otherwise terminated without the delivery of the full number of covered shares will be available for further awards under the 2013 Stock Incentive Plan to the extent of such expiration, forfeiture, cancellation, cash settlement, etc. However, shares of Common Stock subject to an award that are withheld or retained by the Company in payment of the exercise or purchase price of an award (including shares withheld or retained by the Company or not issued in connection with the net settlement or net exercise of an award), or tendered to, withheld or retained by the Company in payment of tax withholding obligations relating to an award, will not become available again for awards under the 2013 Stock Incentive Plan.

The maximum number of shares of Common Stock that may be issued pursuant to incentive stock options under the 2013 Stock Incentive Plan also will be 3,500,000 shares, subject to adjustment as described below.

No individual may be granted options and/or stock appreciation rights under the 2013 Stock Incentive Plan with respect to an aggregate of more than 300,000 shares of Common Stock during any calendar year. With respect to all other types of awards, no individual may be granted awards (whether such awards may be settled in shares of Common Stock and/or cash) consisting of, covering or relating to, in the aggregate, more than 100,000 shares of Common Stock during any calendar year. With respect to any cash-based stock award that is intended to be a performance award (as described below under "Performance Awards"), the 2013 Stock Incentive Plan provides that the maximum cash payment that may be paid during any one calendar year to a participant is \$10,000,000.

In the event of a reorganization, recapitalization, stock split, stock dividend, extraordinary dividend, spin-off, combination of shares, merger, consolidation or similar transaction or other change in corporate capitalization affecting the Common Stock, equitable adjustments and/or substitutions, as applicable, to prevent the dilution or enlargement of rights generally shall be made by the Compensation Committee, including adjustments to the number and kind of shares that may be issued under the 2013 Stock Incentive Plan, the number of shares subject to the award limits under the 2013 Stock Incentive Plan and the number, kind and price of shares subject to outstanding awards under the 2013 Stock Incentive Plan.

Stock Options

Stock options may be granted under the 2013 Stock Incentive Plan in the form of either incentive stock options (also referred to as "ISOs") intended to qualify under Section 422 of the Code or nonstatutory stock options. Incentive stock options can be granted only to employees of SMI and certain subsidiaries. Stock options give the recipient an opportunity to purchase shares of Common Stock from SMI at a designated exercise price.

Table of Contents

The exercise price of options granted under the 2013 Stock Incentive Plan is determined at the discretion of the Compensation Committee, but the exercise price per share generally may not be less than the fair market value of a share of Common Stock on the grant date of the option. In the case of incentive stock options granted to any holder on the grant date of more than 10% (directly or by attribution through relatives or entities in which the holder has an ownership interest) of the total combined voting power of all classes of stock of SMI or a parent or subsidiary corporation (a "10% Stockholder"), the exercise price per share may not be less than 110% of the fair market value of a share of Common Stock on the grant date. Fair market value under the 2013 Stock Incentive Plan generally is based on the closing sale price of the Common Stock on the NYSE on the grant date of the option.

Unless otherwise provided by the Compensation Committee, the exercise price of an option generally may be paid:

- In cash;
- Subject to applicable law, by tendering previously acquired shares of Common Stock having an aggregate fair market value equal to the total exercise price as long as certain requirements are met;
- Subject to applicable law and such rules as may be established by the Compensation Committee, by means of a "cashless exercise" through an approved broker; and/or
- Subject to applicable law and such rules as may be established by the Compensation Committee, by means of a "net share settlement" procedure.

The Compensation Committee also may provide that options may be exercised by other means consistent with applicable law.

The Compensation Committee establishes the time period within which options must be exercised, but this period may not exceed ten years from the grant date of the option or, in the case of incentive stock options granted to a 10% Stockholder, five years from the grant date of the option. Options may expire before the end of the option period if the option holder ceases to perform services for SMI and its subsidiaries. Stock options will be exercisable at such time or times and subject to such restrictions as determined by the Compensation Committee. To the extent that the fair market value of incentive stock options (determined based on the fair market value on the grant date) that become exercisable for the first time in a calendar year exceeds \$100,000, such options generally will be deemed nonstatutory stock options.

Except as otherwise set forth in an award agreement, the following rules apply if an option holder's service with SMI and its subsidiaries terminates:

- If an option holder's service terminates for any reason other than involuntary termination without cause (as defined in the 2013 Stock Incentive Plan), disability (as defined in the 2013 Stock Incentive Plan) or death, the individual's stock options will expire and no longer can be exercised.
- If the option holder is involuntarily terminated without cause, options (to the extent vested) generally may be exercised during the three months following termination.
- If the option holder's service terminates due to his or her disability, options (to the extent vested) generally may be exercised during the twelve months following termination.
- If the option holder dies while employed or during the applicable three-month or twelve-month period described above, options (to the extent vested) generally may be exercised during the twelve-month period following the option holder's death.

In no event can an option be exercised after the expiration of its term (i.e., the option period fixed by the Compensation Committee).

Options generally may not be transferred except by will or the laws of descent and distribution and options generally may be exercised during the lifetime of the option holder only by the option holder. However, the Compensation Committee, in its discretion, may permit the transfer of options on a general or specific basis and may impose conditions and limitations on any such transfers.

Stock Appreciation Rights

Stock appreciation rights (or "SARs") allow a recipient to receive upon exercise an amount equal to the excess of the then fair market value of the shares of Common Stock with respect to which the SARs are being exercised over the initial value assigned to

Table of Contents

such SARs. This amount may be payable in cash, shares of Common Stock or a combination, as determined by the Compensation Committee. The initial value of SARs granted under the 2013 Stock Incentive Plan is determined at the discretion of the Compensation Committee, but the initial value per share of Common Stock covered by the SARs may not be less than the fair market value of a share of the Common Stock on the grant date of the SARs. For this purpose, fair market value generally is based on the closing price of the Common Stock on the NYSE on the grant date.

SARs may be granted in tandem with stock options or independently. The Compensation Committee will establish the time period within which SARs must be exercised, but this period may not exceed ten years from the grant date of the SARs. SARs granted in tandem with stock options must have the same term as the options to which they relate. SARs may expire before the end of the exercise period if the recipient ceases to perform services for SMI and its subsidiaries. SARs will be exercisable at such time or times and subject to such restrictions as determined by the Compensation Committee. However, SARs granted in tandem with stock options may be exercised only with respect to the shares of Common Stock for which their related stock options are then exercisable. The exercise of either options or SARs that are granted in tandem will result in the termination of the other to the extent of the number of shares of Common Stock with respect to which such options or SARs are exercised.

If an individual's service with SMI and its subsidiaries terminates, SARs then held by such individual will terminate on the same terms and conditions that apply to stock options as described above, unless otherwise provided by the Compensation Committee.

SARs may not be transferred other than by will or the laws of descent and distribution and SARs may be exercised during the lifetime of the recipient only by the recipient.

Restricted Stock and Restricted Stock Units

Restricted stock is an award of shares of Common Stock that is subject to restrictions and other terms and conditions set by the Compensation Committee. Restricted stock units are non-voting units of measurement that represent the contingent right to receive shares of Common Stock or the value of shares of Common Stock in the future, but no shares are actually awarded to recipients on the grant date. Once applicable restrictions lapse or have been satisfied, restricted stock units may be payable in cash, shares of Common Stock or a combination, as specified by the Compensation Committee.

The Compensation Committee determines the type of restrictions applicable to the award, which can include restrictions based on achievement of financial or other business objectives (including objective performance goals as described below), the occurrence of a specific event, continued service for a period of time or other time-based restrictions. The Compensation Committee also determines the purchase price, if any, to be paid for the restricted stock or restricted stock units. Restricted stock units are not transferable and restricted stock generally may not be transferred until all restrictions applicable to the award have lapsed or been satisfied.

If the recipient's service with SMI and its subsidiaries terminates, all shares of Common Stock or restricted stock units, as the case may be, that are still subject to restrictions will be forfeited unless the Compensation Committee otherwise provides.

Except as otherwise provided by the Compensation Committee, a recipient of restricted stock generally will have certain rights and privileges of a stockholder, including the right to vote such shares of restricted stock and to receive cash dividends, if any (although the Compensation Committee may require that any dividends be reinvested in additional shares of restricted stock). A recipient of restricted stock units will not have any voting or other stockholder rights. However, the Compensation Committee may provide that, if the Board declares a dividend with respect to the Common Stock, a recipient of restricted stock units will receive dividend equivalents on terms specified by the Compensation Committee.

Stock Awards

The Compensation Committee may grant other types of stock awards that involve the issuance of shares of Common Stock or that are valued by reference to shares of Common Stock. The terms and conditions applicable to such stock awards will be determined by the Compensation Committee in its discretion.

Performance Awards

The 2013 Stock Incentive Plan is intended to allow the Compensation Committee to grant restricted stock, restricted stock units or a stock award as a performance award that may meet the requirements for performance-based compensation under Section 162 (m) of the Code. Section 162(m) of the Code limits SMI's annual federal income tax deduction for compensation paid to the Chief Executive Officer and the next three highest paid officers (generally excluding the principal financial officer) to \$1,000,000 with respect to each such officer. However, compensation that qualifies as performance-based compensation under Section 162(m) of the Code is not subject to this deduction limit. Compensation qualifies as performance-based only if it satisfies certain requirements, including that the material terms of the plan and the performance criteria pursuant to which the awards will be paid are disclosed to and approved by the stockholders. Accordingly, the Board also is seeking stockholder approval of the 2013 Stock Incentive Plan to allow the grant of awards that may satisfy the requirements of Section 162(m) of the Code.

For performance awards, the Compensation Committee will establish in writing the performance goals upon which the performance award is contingent, the period over which such goals will be measured and any other applicable conditions. These terms must be established within 90 days after the beginning of the applicable period (or, if earlier, by the date on which 25% of the period has been completed).

The performance goals established by the Compensation Committee must be objectively determinable. The 2013 Stock Incentive Plan provides that the Compensation Committee may establish performance goals based on one or more of the following:

- Stock price
- Earnings per share
- Net earnings
- Operating or other earnings
- Gross or net profits
- Revenues
- Net cash flow
- Net income or operating income
- Financial return ratios
- Stockholder return
- Return on equity
- Return on investment
- Return on net assets
- Reduction of debt
- Debt rating
- Debt to equity ratio
- Debt to capitalization ratio
- Consummation of debt offerings
- Consummation of equity offerings
- Sales
- Expense reduction levels
- Growth in assets or sales
- Share count reduction
- Strategic business objectives based on meeting specified revenue goals, market penetration goals, geographic business expansion goals, cost targets or goals relating to acquisitions or divestitures

Performance goals may be based on the performance of:

- One or more divisions, business units, subsidiaries or other entities in which SMI has a significant ownership interest (provided that a performance goal related to any such entity would satisfy the requirements of Section 162(m) of the Code);
- SMI and/or its subsidiaries as a whole; or
- Any combination of the foregoing.

Performance goals also may be expressed by reference to an individual's performance relating to any of the criteria listed above.

The 2013 Stock Incentive Plan provides that performance goals may be expressed in such form as the Compensation Committee determines, including in either absolute or relative terms (including, but not limited to, relative comparison to other companies or other external measures), in percentages, in terms of growth over time or otherwise. Performance goals do not have to be based upon an increase or positive result under one of the above criteria and could include, for example, maintaining the status quo or the limitation of economic losses (measured in such case by reference to the specific criteria). Performance goals may provide for determination either before or after taxes and for the inclusion or exclusion of items such as:

- Asset write-downs or impairment charges;

Table of Contents

- The effect of unusual or extraordinary charges or income items or other events, including acquisitions or dispositions of businesses or assets, restructurings, reductions in force, refinancing/restructuring of short-term and/or long-term debt or extraordinary non-recurring items as described in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in SMI's Annual Report on Form 10-K for the applicable year;
- Litigation or claim expenses, judgments or settlements; or
- Changes in accounting principles or tax laws or other laws or provisions affecting reported results.

The Compensation Committee also can establish subjective performance goals, but the subjective performance goals may be used only to reduce, and not increase, an award.

Following completion of the applicable performance period, the Compensation Committee will certify in writing the extent to which the performance goals have been reached. The Compensation Committee cannot waive the performance goal requirements for a covered officer except in its discretion in the case of the death or disability of the recipient or in the event of a change in control of SMI.

As noted previously, no individual may be granted restricted stock, restricted stock units or stock awards with respect to an aggregate of more than 100,000 shares of Common Stock during any calendar year. In addition, the maximum cash payment that may be paid under a cash-based stock award during a calendar year to a participant is \$10,000,000.

The Compensation Committee may, in its discretion, grant awards to covered officers that do not qualify as performance-based compensation under Section 162(m) of the Code. The Plan does not limit the authority of SMI or the Compensation Committee to adopt other compensation arrangements, including an arrangement not intended to be or that does not meet the requirements for performance-based compensation under Section 162(m) of the Code.

Change in Control

In the event of a change in control of SMI, all outstanding stock options and SARs will become fully vested and exercisable and all outstanding restricted stock, restricted stock units and other stock awards (including awards designated as performance awards) will fully vest with all restrictions and related conditions being deemed satisfied. Under the 2013 Stock Incentive Plan, "change in control" is a defined term and generally includes:

- The acquisition of 50.1% of either the Common Stock or the combined voting power of the outstanding voting securities entitled to vote generally in the election of directors (subject to certain exceptions);
- A change in the composition of the Board during any two-year period such that the individuals who, at the beginning of such two-year period, constitute the Board cease for any reason to constitute at least a majority of the Board (subject to certain exceptions);
- Approval by the stockholders of SMI of a merger, reorganization or consolidation or a sale or other disposition of all or substantially all of SMI's assets (subject to certain exceptions); or
- Approval by SMI's stockholders of a complete liquidation or dissolution of the Company.

Amendment, Suspension or Termination

The Board may at any time amend, suspend or terminate the 2013 Stock Incentive Plan in whole or in part for any reason, provided that such action may be subject to stockholder approval if necessary to comply with legal, regulatory or securities exchange listing requirements or the action is intended to allow the exercise price of outstanding stock options to be reduced by repricing or replacing such options. Unless terminated earlier, the 2013 Stock Incentive Plan will terminate on February 12, 2023, a term of ten years from its initial adoption by the Board. The Compensation Committee also may amend the terms of an outstanding award. Generally, no amendment, suspension or termination of the 2013 Stock Incentive Plan (or amendment of an outstanding award) may adversely affect in any material way the rights of the holder of an outstanding award without his or her consent. However, the Board may amend the 2013 Stock Incentive Plan and/or the Compensation Committee may amend any outstanding award without obtaining the award holder's consent if it deems the amendment necessary or advisable to comply with applicable law or address other regulatory matters.

Table of Contents

The 2013 Stock Incentive Plan also provides that all awards granted under the 2013 Stock Incentive Plan are intended to be subject to the terms and conditions of any policy regarding clawbacks, forfeitures or recoupments adopted by the Company.

Market Price of Common Stock

The closing price of a share of the Common Stock on the NYSE on March 11, 2013 was \$17.30.

Plan Benefits

No awards may be granted under the 2013 Stock Incentive Plan until it is approved by our stockholders. Since all awards under the 2013 Stock Incentive Plan are made at the discretion of the Compensation Committee, future awards that may be received by any executive officers or others pursuant to the 2013 Stock Incentive Plan are not presently determinable.

Federal Income Tax Consequences

The following is a brief summary of the current federal income tax consequences that generally apply with respect to awards that may be granted under the 2013 Stock Incentive Plan. Applicable laws and regulations may change in the future. This summary is not intended to be exhaustive and does not describe a number of tax rules, including any foreign, state or local tax consequences, tax withholding requirements or various other rules that could apply to a particular individual or to SMI and its subsidiaries under certain circumstances (and references to SMI in this section shall include the applicable subsidiary). This summary is not intended or written to be used (and cannot be used by any taxpayer) to avoid penalties that may be imposed on a taxpayer. Tax implications may vary due to individual circumstances. Participants should consult their personal tax advisors about the tax consequences related to awards under the 2013 Stock Incentive Plan.

Nonstatutory Stock Options . The grant of nonstatutory stock options generally has no federal income tax consequences to SMI or the option holder. Upon the exercise of a nonstatutory stock option, the option holder will recognize ordinary income equal to the excess of the fair market value of the acquired shares on the date of exercise over the exercise price paid for the shares. SMI generally will be allowed a federal income tax deduction equal to the same amount that the option holder recognizes as ordinary income. In the event of the disposition of the acquired shares of Common Stock, any additional gain or loss generally will be taxed to the option holder as either short-term or long-term capital gain or loss depending on how long the shares were held.

Incentive Stock Options . The grant and exercise of incentive stock options generally have no federal income tax consequences to SMI. The grant and exercise of incentive stock options generally have no ordinary income tax consequences to the option holder. However, upon the exercise of an incentive stock option, the option holder treats the excess of the fair market value on the date of exercise over the exercise price as an item of tax adjustment for alternative minimum tax purposes, which may result in alternative minimum tax liability.

If the option holder retains the shares of Common Stock acquired upon the exercise of an incentive stock option for at least two years following the grant date of the option and one year following exercise of the option, the subsequent disposition of such shares will ordinarily result in long-term capital gains or losses to the option holder equal to the difference between the amount realized on disposition of the shares and the exercise price. SMI will not be entitled to any deduction in such case. If the holding period requirements described above are not met, the option holder will recognize ordinary income upon disposition of the Common Stock equal to the excess of the fair market value of the shares on the date of exercise (or, if less, the sale price received on disposition of the shares) over the exercise price. SMI will be entitled to a corresponding tax deduction in the same amount. Any additional gain or loss realized by the option holder on the disposition of the Common Stock will be taxed as short-term or long-term capital gain or loss, as applicable.

Stock Appreciation Rights . The grant of SARs generally has no federal income tax consequences to SMI or the recipient. Upon the exercise of SARs, the recipient will recognize ordinary income equal to the amount of cash received and the fair market value of any shares of Common Stock received. SMI generally will be allowed a federal income tax deduction equal to the same amount that the recipient recognizes as ordinary income.

Table of Contents

Restricted Stock . The recipient normally will recognize ordinary income when the restrictions on the restricted stock lapse (i.e., at the time the restricted shares are no longer subject to a substantial risk of forfeiture or become transferable, whichever occurs first). However, a recipient may elect to recognize ordinary income at the time the restricted stock is granted by making an election under Section 83(b) of the Code within 30 days after the grant date. In either case, the recipient will recognize ordinary income equal to the fair market value of such shares of stock at the time the income is recognized (reduced by the amount, if any, the recipient paid for the stock) and SMI generally will be entitled to a corresponding tax deduction (subject to Section 162(m) limitations). If the recipient subsequently disposes of the shares of Common Stock, any additional gain or loss should be eligible for short-term or long-term capital gain or loss tax treatment depending on how long the shares were held after the ordinary income was recognized. If a recipient makes an “83(b) election” and then forfeits the shares of Common Stock, the recipient normally will not be entitled to a refund with respect to the tax already paid.

Restricted Stock Units . The grant of restricted stock units generally has no federal income tax consequences to SMI or the recipient. When the restricted stock units vest and become payable, the recipient will recognize ordinary income equal to the amount of cash received and the fair market value of any shares of Common Stock received. SMI generally will be allowed a federal income tax deduction equal to the same amount that the recipient recognizes as ordinary income (subject to Section 162(m) limitations).

Other Stock Awards . The federal income tax consequences of other stock awards will depend on the form of such awards.

Section 162(m) of the Code

The above discussion regarding SMI’s federal income tax deductions is subject to meeting certain requirements under Section 162(m) of the Code. Section 162(m) of the Code generally limits SMI’s annual federal income tax deduction for compensation paid to the Chief Executive Officer and certain other officers to \$1,000,000 with respect to each such officer. However, compensation that qualifies as performance-based compensation under Section 162(m) of the Code is not subject to this deduction limit. The 2013 Stock Incentive Plan is intended to permit the Compensation Committee to grant awards that may qualify for this exception to the Section 162(m) deduction limit.

Section 409A of the Code

Section 409A of the Code provides requirements for certain nonqualified deferred compensation arrangements. If applicable, Section 409A of the Code also imposes penalties (including an additional 20% tax) on the recipient of deferred compensation in the event such compensation fails to comply with Section 409A of the Code. Awards granted under the 2013 Stock Incentive Plan generally are intended to either comply with or meet the requirements for an exemption from Section 409A of the Code. SMI does not guarantee to any participant that the 2013 Stock Incentive Plan or any award granted under the 2013 Stock Incentive Plan complies with or is exempt from Section 409A of the Code, and SMI will not have any liability to indemnify or hold harmless any individual with respect to any tax consequences that arise from any such failure to comply with or meet an exemption under Section 409A of the Code.

The Board unanimously recommends a vote FOR the approval of the 2013 Stock Incentive Plan.

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth information regarding the shares of Common Stock issuable under all of SMI's equity compensation plans as of December 31, 2012:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders ⁽¹⁾⁽²⁾	1,147,970 ⁽³⁾	\$ 31.34 ⁽⁴⁾	1,930,340 ⁽⁵⁾
Equity compensation plans not approved by security holders	—	—	—
Total	1,147,970	\$ 31.34	1,930,340

(1) Includes the 1994 Stock Option Plan, the 2004 Stock Incentive Plan, the Speedway Motorsports, Inc. Formula Stock Option Plan for Independent Directors (the "Formula Stock Option Plan"), the Speedway Motorsports, Inc. 2008 Formula Restricted Stock Plan for Non-Employee Directors (the "2008 Formula Restricted Stock Plan") and the Employee Stock Purchase Plan.

(2) Awards of restricted stock under the 2008 Formula Restricted Stock Plan consist of that number of shares of Common Stock that equals \$75,000 divided by the average closing price of Common Stock on the NYSE for the twenty trading days immediately preceding the grant date (rounded up to the nearest whole share).

(3) Includes 180,000 shares to be issued upon the exercise of outstanding options under the Formula Stock Option Plan that was terminated upon stockholder approval of the 2008 Formula Restricted Stock Plan at the 2008 annual meeting of stockholders. Because the Formula Stock Option Plan was terminated, no options remain available for issuance under that plan. Also includes 305,200 shares to be issued upon the exercise of outstanding options under the 1994 Stock Option Plan that terminated in 2004. Because the 1994 Stock Option Plan was terminated, no options remain available for issuance under that plan. Also includes 60,356 shares issuable upon vesting of outstanding restricted stock units and 602,414 shares to be issued upon the exercise of outstanding options, all of which were granted under the 2004 Stock Incentive Plan. The weighted-average exercise price information in column (b) does not take the restricted stock units into account because they do not have an exercise price.

(4) Does not include the exercise price of options under the Employee Stock Purchase Plan because no such options are outstanding.

(5) Includes 1,317,908 shares remaining available under the 2004 Stock Incentive Plan. Under the 2004 Stock Incentive Plan, SMI may award shares in the form of options, restricted stock or restricted stock units. Also includes 173,432 shares remaining available for restricted stock grants under the 2008 Formula Restricted Stock Plan. No further options can be granted under the 1994 Stock Option Plan or the Formula Stock Option Plan.

PROPOSAL 3 — SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected the firm of PricewaterhouseCoopers LLP to serve as the principal independent registered public accounting firm of the Company for the fiscal year ending December 31, 2013. PwC's first year serving in this capacity for the Company was 2007.

Representatives of PwC will attend the Annual Meeting. They will have an opportunity to make a statement if they so desire and to respond to appropriate questions.

Stockholder ratification of the Audit Committee's selection of PwC as our principal independent registered public accounting firm is not required by the Company's Bylaws, as amended, or otherwise. The Board is submitting the selection of PwC to the stockholders for ratification and the Audit Committee will reconsider whether to retain PwC if the stockholders do not ratify this selection. In addition, even if the stockholders ratify the selection of PwC, the Audit Committee may, in its discretion, select a different independent accounting firm at any time during the year if the Audit Committee determines that a change is in the best interests of SMI.

Principal Accounting Firm Fees and Services

The following table shows the aggregate fees billed to the Company by PwC for the fiscal years ended December 31, 2012 and 2011:

	2012	2011
Audit Fees ⁽¹⁾	\$605,000	\$665,000
Audit-Related Fees ⁽²⁾	—	—
Tax Fees ⁽³⁾	—	—
All Other Fees ⁽⁴⁾	83,000	—

(1) This fee category consists of services for: (i) the audit of our annual financial statements and review of our quarterly financial statements, (ii) the audit of the effectiveness of our internal control over financial reporting for Sarbanes-Oxley Act Section 404 Compliance, and (iii) services normally provided by the independent registered public accounting firm in connection with statutory, regulatory and annual filings, including services associated with other SEC registration statements, SEC staff reviews and inquiries, and documents filed with the SEC (e.g. , comfort letters and consents) in 2012 and 2011.

(2) This fee category consists of assurance and related services that are reasonably related to performing the audit and review of our financial statements, and are not reported above under "Audit Fees". There were no fees for this category in 2012 or 2011.

(3) This fee category consists of professional services rendered by PwC for tax return preparation, tax compliance and tax planning. There were no fees for this category in 2012 or 2011.

(4) This fee category consists of fees billed for services other than the services reported in other categories, and consists of advisory services on information technology and certain agreed upon procedures in 2012. There were no fees for this category in 2011.

The Audit Committee has considered whether the non-audit services provided were compatible with maintaining the principal independent registered public accounting firm's independence, and believes that such services and related fees, due to, among other things, the nature and scope of the services provided and the fact that different PwC personnel provided audit and non-audit services, have not impaired the independence of the Company's principal independent registered public accounting firm. All services provided by PwC in 2012 and 2011 were approved by the Audit Committee.

Generally, before an independent auditor is engaged by the Company to render audit or non-audit services, the engagement is approved early each calendar year by the Audit Committee. Any subsequent changes in audit, audit-related, tax or other services to be provided by such independent auditor due to changes in scope of work, terms, conditions or fees of the engagement must be pre-approved by the Audit Committee or by one of its members who has been delegated such authority. Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both such independent auditor and the Chief Financial Officer of the Company and must be consistent with applicable SEC regulations and NYSE listing standards regarding auditor independence.

The Board unanimously recommends a vote FOR the ratification of PricewaterhouseCoopers LLP as SMI's independent registered public accounting firm for fiscal year ending December 31, 2013.

2012 EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

2012 EXECUTIVE OFFICER COMPENSATION PROGRAM

The Company's objectives with respect to compensation of its executive officers are to: (1) link executive compensation to SMI's business strategy execution and performance; (2) offer compensation designed to attract, retain and reward key executive officers; (3) offer salary, cash bonus and incentive compensation pay opportunities that are competitive in the marketplace and recognize achievement of SMI's business strategy objectives; and (4) provide performance incentives and equity-based compensation intended to align the long-term interests of executive officers with those of SMI's stockholders.

The Company's executive compensation program is designed to reward successful achievement of the Company's objectives, which we believe will return value to the stockholders. The Company's objectives include: revenue growth; operating earnings growth; earnings per share growth; increased shareholder return through dividends and share repurchases; and growth of return on average equity.

SMI has three executive officers: Mr. O. Bruton Smith, the Company's Chairman and Chief Executive Officer, Mr. Marcus G. Smith, the Company's President and Chief Operating Officer, and Mr. William R. Brooks, the Company's Vice Chairman, Chief Financial Officer and Treasurer. SMI's executive compensation program is comprised of two components:

- Annual cash compensation, paid in the form of annual salary, objective performance-based incentive compensation payments under the Incentive Compensation Plan and possible discretionary bonuses; and
- Long-term compensation, paid in the form of options to purchase Common Stock or through the grant of performance-based restricted stock or restricted stock units.

None of the Company's executive officers currently have an employment agreement, severance agreement or any retirement plans other than the Speedway Motorsports, Inc. 401(k) Plan and Trust (the "401(k) Plan"), which is available to all employees. None of the Company's executive officers have any agreement pursuant to which there is an accelerated vesting of outstanding equity awards in the event of termination of employment.

SMI's executive compensation tends to favor current cash payments in the form of annual salary, incentive compensation under the Incentive Compensation Plan and a possible discretionary bonus consistent with the Company's earnings, margins and cash flows. The Company believes current cash compensation is the most effective tool to generate and enhance high earnings, margins and cash flows.

The Company also believes that a certain level of equity ownership is beneficial in an effort to align executive officer long-term interests with those of its stockholders. The Compensation Committee believes the Company's executive officer compensation program adequately achieves this goal through the periodic awards of equity compensation, taking into account the executive officers' existing equity ownership and the desired mix of cash and equity compensation. The Company also considered the effects of applicable accounting guidance on equity-based payments, which require the Company to currently expense an estimated future value of equity compensation. Retention and long-term focus of the Company's executive officers has not historically been an area of concern, evidenced by the more than 25-year average tenure of the current executive officers of the Company and its predecessors.

The Compensation Committee reviews base salaries, awards of cash bonuses, awards of incentive cash compensation and equity-based compensation in the first quarter of each year. Mr. O. Bruton Smith and Mr. Brooks present the Compensation Committee with a report of the Company's financial results for the prior year, recommendations regarding compensation, including recommended base salaries, recommended discretionary bonus payments and management's rationale for such recommendations. The Compensation Committee is required to certify the Company's results for purposes of the Incentive Compensation Plan, and must decide whether to approve the incentive compensation award yielded under the Incentive Compensation Plan, and whether to reduce that award, and whether circumstances justify a discretionary bonus award. See "Incentive Compensation and Cash Bonuses" below. Mr. O. Bruton Smith does not make any recommendation regarding his own compensation.

Table of Contents

The Compensation Committee also reviewed the results of the Company's first advisory "say on pay" vote held during SMI's 2011 annual meeting of stockholders and determined not to make any significant changes to the Company's compensation program given the approval of the say on pay proposal by 85% of stockholders casting votes.

ANNUAL CASH COMPENSATION

Annual cash compensation for SMI's executive officers consists of a base salary, payments earned under the Incentive Compensation Plan and a possible discretionary bonus. Executive officer cash compensation has been weighted in favor of incentive compensation dependent upon the Company's and each executive officer's performance for the particular year. Although the Company does not engage in compensation benchmarking, the Compensation Committee has utilized the services of Pearl Meyer, an independent consultant, to assist the Committee with its review of comparative pay data for companies that share industry or financial characteristics similar to the Company to better understand the marketplace. The independent consulting firm did not provide any personal services for any of the Company's executive officers, nor did it provide any other services to the Company. The Compensation Committee has assessed the independence of Pearl Meyer pursuant to SEC rules and concluded that no conflict of interest exists that would prevent Pearl Meyer from independently representing the Compensation Committee.

ANNUAL SALARY

The base salaries of SMI's executive officers and adjustments to executive officers' base salaries are generally based upon a subjective evaluation of the executive officer's performance by the Compensation Committee in light of the Company's compensation objectives. The Compensation Committee's evaluation is also based upon factors such as the current responsibilities of each executive officer, the compensation of similarly situated executive officers of comparable companies, the performance of each executive officer during the prior calendar year, the Company's performance during the prior calendar year and management's recommendations submitted to the Compensation Committee by the Chairman and Chief Executive Officer and by the Chief Financial Officer. In March 2012, the base salaries of the executive officers for 2012 were established using the referenced criteria. The base salaries for Messrs. O. Bruton Smith, Marcus G. Smith and Brooks remained unchanged for 2012 and 2013.

PERFORMANCE-BASED INCENTIVE COMPENSATION

Each of SMI's executive officers was eligible to participate in the Incentive Compensation Plan in 2012. Compensation under the Incentive Compensation Plan is intended to provide the Company's executive officers an incentive to enhance the Company's value for the benefit of stockholders. In March 2012, the Compensation Committee established objective, performance-based goals, reflective of the Company's projected earnings for 2012, and potential incentive compensation payouts to the eligible executive officers. The performance period was January 1, 2012 through December 31, 2012. Earnings per share, with certain adjustments designed to more accurately reflect the Company's and the eligible executive officers' performance, was selected as the performance goal ("Plan EPS"). For purposes of the Company's 2012 performance goal, Plan EPS was, consistent with the Incentive Compensation Plan, defined as:

- The Company's net income as determined in accordance with U.S. generally accepted accounting principles (GAAP), excluding (a) any gain or loss on asset/goodwill impairment or expense charges, litigation or claim expenses, or judgments or settlements, (b) restructuring charges, (c) refinance charges, (d) extraordinary non-recurring items as described in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in the Company's Annual Report on Form 10-K for the applicable year, and (e) the cumulative effect of any changes in GAAP during 2012; divided by
- A share count of 41,300,000 shares.

The exclusions from the calculation of the Company's earnings were selected to more accurately reflect the Company's normalized performance in 2012, leading to a more fair and accurate incentive compensation award.

In accordance with the Incentive Compensation Plan for the fiscal year ended December 31, 2012, the incentive compensation awarded to Messrs. O. Bruton Smith, Marcus G. Smith and Brooks was calculated by comparing Plan EPS to the target Plan EPS of \$1.50 selected by the Compensation Committee ("Target EPS").

If the Company achieved exactly the Target EPS, the following incentive compensation awards would have been earned (for each of Messrs. O. Bruton Smith, Marcus G. Smith and Brooks, the "Target EPS Incentive Compensation Award"):

- O. Bruton Smith = 3.0 times current annual base salary (i.e., $3.0 \times \$600,000 = \$1,800,000$)
- Marcus G. Smith = 2.0 times current annual base salary (i.e., $2.0 \times \$550,000 = \$1,100,000$)
- William R. Brooks = 2.0 times current annual base salary (i.e., $2.0 \times \$500,000 = \$1,000,000$)

Table of Contents

However, if the Company achieved more or less than the Target EPS, the amounts payable to Messrs. O. Bruton Smith, Marcus G. Smith and Brooks based on the Plan EPS performance objective would have been the Target EPS Incentive Compensation Award increased or reduced (as the case may be) by the percentage by which the Company's achieved Plan EPS for 2012 was greater than or less than the Target EPS. However, no incentive compensation award would be payable if the Company achieved less than the minimum Plan EPS threshold of \$0.60 selected by the Compensation Committee or 40% of the Target EPS (the "Minimum EPS Threshold").

The following examples illustrate the incentive compensation award calculation for achieved Plan EPS other than the Target EPS:

If the Company's achieved Plan EPS was \$3.00 (or 200% of Target EPS), then the following Plan EPS incentive compensation awards would have been earned:

- O. Bruton Smith = \$3,600,000 (or 200% of the Target EPS Incentive Compensation Award)
- Marcus G. Smith = \$2,200,000 (or 200% of the Target EPS Incentive Compensation Award)
- William R. Brooks = \$2,000,000 (or 200% of the Target EPS Incentive Compensation Award)

If the Company's achieved Plan EPS was \$0.60 (or 40% of Target EPS), then the following Plan EPS incentive compensation awards would have been earned:

- O. Bruton Smith = \$720,000 (or 40% of the Target EPS Incentive Compensation Award)
- Marcus G. Smith = \$440,000 (or 40% of the Target EPS Incentive Compensation Award)
- William R. Brooks = \$400,000 (or 40% of the Target EPS Incentive Compensation Award)

The Company achieved a Plan EPS of \$1.00 for the fiscal year ended December 31, 2012. Accordingly, Messrs. O. Bruton Smith, Marcus G. Smith and Brooks earned Plan EPS incentive compensation awards of \$1,200,000, \$733,333 and \$666,667, respectively.

LONG-TERM EQUITY COMPENSATION

The Compensation Committee believes that an appropriate level of equity-based compensation or equity holdings is part of a balanced and effective compensation program designed to align the interests of executive officers with those of stockholders.

In March 2012, the Compensation Committee made restricted stock grants of 35,000 shares of performance-based restricted stock to Mr. Brooks and 35,000 performance-based restricted stock units to Mr. Marcus G. Smith under the 2004 Stock Incentive Plan (each, a "Restricted Stock Award") for the fiscal year ended December 31, 2012.

The Compensation Committee determined that the Restricted Stock Awards would be subject to forfeiture based on the extent to which Plan EPS for the fiscal year ended December 31, 2012 fell short of Target EPS as follows:

If Plan EPS was less than the Minimum EPS Threshold, then the Restricted Stock Awards would not vest and would be forfeited in their entirety.

If Plan EPS met or exceeded the Minimum EPS Threshold, the number of shares of Common Stock or restricted stock units, as applicable, that would remain outstanding under each Restricted Stock Award for the remainder of the restricted period (the outstanding shares being scheduled to vest in increments of one-third on each anniversary of the grant date) would equal:

- The applicable Target Grant Amount (in this case 35,000); multiplied by
- Plan EPS expressed as a percentage of Target EPS (however, the percentage cannot exceed 100%).

As discussed above in "Incentive Compensation and Cash Bonuses," the Company achieved a Plan EPS of \$1.00 for the fiscal year ended December 31, 2012, exceeding the Minimum EPS Threshold. As such, Mr. Marcus G. Smith retained 23,333 restricted stock units to be settled in Common Stock and Mr. Brooks retained ownership of 23,333 restricted shares of Common Stock as their respective Restricted Stock Awards, with the remaining 11,667 units or shares forfeited in their entirety.

Table of Contents

The Compensation Committee has broad discretion regarding the types of long-term incentive compensation awarded to named executive officers and other employees of the Company, typically using either restricted stock, restricted stock units, stock option awards or some combination thereof. Depending upon circumstances in the future, the Compensation Committee may exercise its discretion and award all stock options, all restricted stock, all restricted stock units or a mixture thereof.

OTHER BENEFIT PLANS

Executive officers of SMI (including the Chief Executive Officer) were also eligible in 2012 to participate in various benefit plans provided to other employees of SMI. These benefit plans are intended to provide a safety net of coverage for various events, such as death, disability and retirement.

Senior level highly compensated Company employees, including the executive officers of SMI, were also eligible to participate in the Speedway Motorsports, Inc. Deferred Compensation Plan (the "Deferred Plan") during the 2012 calendar year. Under the Deferred Plan, eligible employees could elect to defer up to 75% of their annual base salary and up to 100% of their annual cash bonus or commission payments. SMI, in its sole discretion, may match deferred compensation contributions of executive officers and all other eligible participants. To date, no matching contributions have been made. Contributions by participants in the Deferred Plan, including the executive officers, are credited with a rate of return (positive or negative) based on deemed investments selected by a participant from among several different investment funds, with such deemed earnings determined by the actual market performance of the investment funds selected by the participant. To date, no named executive officer has participated in the Deferred Plan.

FEDERAL INCOME TAX CONSIDERATIONS

The incentive compensation paid to the Company's executive officers is based primarily on Company performance. The Compensation Committee considers the potential effect of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") in designing our executive compensation program, along with other factors in the context of our overall approach to executive compensation. Section 162(m) of the Code generally imposes a limitation on the deductibility of annual compensation in excess of \$1,000,000, unless the compensation meets various technical requirements to constitute "performance-based" compensation. Executive officer compensation attributable to the exercise of stock options granted under the 1994 Stock Option Plan and the 2004 Stock Incentive Plan, and incentive compensation paid under the Incentive Compensation Plan, generally is intended to meet the requirements for deductible performance-based compensation. The Compensation Committee intends to continue to manage SMI's executive compensation program in a manner that is intended to preserve material federal income tax deductions when appropriate and if deductibility can be achieved without sacrificing flexibility and other important elements of the executive compensation program. However, the Compensation Committee also must approach executive compensation in a manner which will attract, motivate and retain key personnel and may from time to time award compensation that may not be deductible under Section 162(m) of the Code. The Compensation Committee retains the ability to evaluate performance and compensate our executive officers appropriately in the Committee's judgment, even if it may result in certain compensation that may not be deductible under Section 162(m) of the Code. The Compensation Committee believes that the flexibility to award such compensation serves the interests of the Company and its stockholders by allowing the Compensation Committee to compensate executive officers appropriately in its discretion as circumstances warrant.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based upon such review and discussions, recommended to the Board that the Compensation Discussion and Analysis be included in SMI's Annual Report on Form 10-K and Proxy Statement on Schedule 14A.

ARTICLE 3 ADMINISTRATION

3.1 General. The Plan shall be administered by the Committee. The members of the Committee shall be appointed from time to time by, and shall serve at the discretion of, the Board of Directors.

3.2 Authority of the Committee. Subject to the provisions of the Plan, the Committee shall have full and exclusive power to select the individuals to whom Awards may from time to time be granted under the Plan; grant Awards; determine the size and types of Awards; determine the terms, restrictions and conditions of Awards in a manner consistent with the Plan (including, but not limited to, the number of shares of Common Stock subject to an Award; vesting or exercise conditions applicable to an Award; the duration of an Award; whether an Award is intended to qualify as a Performance Award; restrictions on transferability of an Award and any shares of Common Stock issued thereunder; whether, to what extent and under what circumstances Awards may be settled in cash, Common Stock or otherwise; subject to applicable law, the effect of a suspension of employment or leave of absence on an Award; and other restrictions and covenants upon which a Participant's rights to receive, exercise or retain an Award or cash, Common Stock or other gains related thereto shall be contingent); construe and interpret the Plan and any agreement or instrument entered into under the Plan; correct any defect, supply any omission and reconcile any inconsistency in the Plan or any Award Agreement and determine all questions arising under the Plan or any Award Agreement; establish, amend, waive or rescind rules and regulations for the Plan's administration; delegate administrative responsibilities under the Plan; and (subject to the provisions of Article 12) amend the terms and conditions of any outstanding Award to the extent such terms and conditions are within the discretion of the Committee, including accelerating the time any Option or SAR may be exercised, waiving restrictions and conditions on Awards and establishing different terms and conditions relating to the effect of a Termination of Service. The Committee also shall have the absolute discretion to make all other determinations and take any other actions that may be necessary or advisable in the Committee's opinion for the administration of the Plan. Notwithstanding the foregoing, the Board shall have full and exclusive power to make the determinations set forth above with respect to Awards to non-employee Directors.

Table of Contents

3.3 Award Agreements. Each Award granted under the Plan shall be evidenced by an Award Agreement in such form as the Committee shall determine. Each Award Agreement shall be subject to the applicable terms and conditions of the Plan and incorporate any other terms and conditions, not inconsistent with the Plan (except when necessary to comply with Section 409A of the Code or other applicable law), as may be directed by the Committee. Except to the extent prohibited by applicable law, the Committee may, but need not, require as a condition of any such Award Agreement's effectiveness that the Agreement be signed by the Participant.

3.4 Delegation. To the extent permitted by applicable law and only to the extent that any such action will not prevent the Plan or any Award from satisfying an exemption under Rule 16b-3 of the Exchange Act, the outside director requirement of Section 162 (m) of the Code, the rules of any applicable securities exchange or any other applicable law, the Committee may delegate to executive officers of the Company (or other such persons it deems appropriate) the authority, subject to such terms as the Committee shall determine, to perform such functions, including but not limited to administrative functions, as the Committee may determine appropriate; provided that Awards to executive officers and substantive matters related thereto shall be determined solely by the Committee. For the avoidance of doubt and without limiting the foregoing, the authority to grant Restricted Stock or other Awards may not be delegated unless permitted by Delaware law.

3.5 Decisions Binding. All determinations, decisions and interpretations made by the Committee pursuant to the provisions of the Plan and all related resolutions of the Board shall be final, conclusive and binding on all persons, including the Company, the Company's stockholders, and Participants and their estates and beneficiaries.

3.6 Indemnification. In addition to such other rights they may have as Directors or members of the Committee under the Company's Articles of Incorporation or Bylaws or otherwise, each person who is or shall have been a member of the Committee, or the Board, shall be indemnified and held harmless by the Company against any loss, cost, liability or expense that may be imposed upon or reasonably incurred by the member in connection with or resulting from any claim, action, suit or proceeding to which the member may be a party or in which the member may be involved by reason of any action taken or failure to act under or in connection with the Plan or any Award and against all amounts paid by the member in settlement thereof (provided such settlement is approved by the Company) or paid by the member in satisfaction of any judgment in any such action, suit or proceeding against the member, except with respect to matters as to which the member of the Committee has been grossly negligent or engaged in willful misconduct with respect to the performance of the member's duties or as prohibited by applicable law; provided, however, that the member shall give the Company an opportunity, at its own expense, to handle and defend the same before the member undertakes to handle and defend it on the member's own behalf.

ARTICLE 4 STOCK SUBJECT TO THE PLAN; LIMITS

4.1 Stock Available Under the Plan. Subject to adjustments as provided in Section 4.3, the aggregate number of shares of Common Stock that may be issued pursuant to Awards under the Plan is Three Million Five Hundred Thousand (3,500,000) shares. Shares of Common Stock issued under the Plan may be shares of original issuance, treasury shares or shares purchased in the open market or otherwise. Shares of Common Stock covered by Awards that expire or are forfeited or canceled for any reason or that are settled in cash or otherwise are terminated without the delivery of the full number of shares of Common Stock underlying the Award or to which the Award relates shall be available for further Awards under the Plan to the extent of such expiration, forfeiture, cancellation, cash settlement, etc. However, shares of Common Stock subject to an Award that are (a) withheld or retained by the Company in payment of the Option Price or other exercise or purchase price of an Award (including shares of Common Stock withheld or retained by the Company or not issued in connection with the net settlement or net exercise of an Award), or (b) tendered to, withheld or retained by the Company in payment of tax withholding obligations relating to an Award shall not become available again for Awards under the Plan.

Notwithstanding the other provisions of this Section 4.1, the maximum number of shares of Common Stock that may be issued pursuant to ISOs under this Plan shall be Three Million Five Hundred Thousand (3,500,000) shares, subject to adjustments as provided in Section 4.3. No fractional shares shall be issued, and the Committee shall determine the manner in which fractional share value shall be treated.

4.2 Award Limits. Notwithstanding any provision in the Plan to the contrary, the following limitations shall apply (subject to adjustment as provided in Section 4.3):

(a) Individual Option and SAR Limit. No Participant shall be granted, during any one calendar year, Options and/or SARs (whether such SARs may be settled in shares of Common Stock, cash or a combination thereof) covering in the aggregate more than Three Hundred Thousand (300,000) shares of Common Stock.

(b) Individual Limit on Other Awards. With respect to any Awards other than Options and SARs that are intended to be “performance-based compensation” (within the meaning of Section 162(m) of the Code), no Participant shall be granted, during any one calendar year, such Awards (whether such Awards may be settled in shares of Common Stock, cash or a combination thereof) consisting of, covering or relating to in the aggregate more than One Hundred Thousand (100,000) shares of Common Stock. With respect to any cash-based Stock Award that is intended to be a Performance Award, the maximum cash payment that may be paid during any one calendar year to a Participant shall be \$10,000,000.

The foregoing limitations shall be applied in a manner that will permit Awards that are intended to constitute “performance-based compensation” under Section 162(m) of the Code to meet the applicable requirements thereunder.

4.3 Adjustments. In the event of a reorganization, recapitalization, stock split, stock dividend, extraordinary dividend, spin-off, combination of shares, merger, consolidation or similar transaction or other change in corporate capitalization affecting the Common Stock, equitable adjustments and/or substitutions, as applicable, to prevent the dilution or enlargement of rights shall be made by the Committee to the maximum number and kind of shares of Common Stock that may be issued under the Plan set forth in Section 4.1, the number of shares subject to the ISO limit in Section 4.1, the number of shares of Common Stock subject to the Award limits set forth in Section 4.2 (to the extent such adjustment would not cause a failure to comply with the “performance-based compensation” exception under Section 162(m) of the Code) and in the number, kind and price of shares of Common Stock subject to outstanding Awards granted under the Plan. In addition, the Committee, in its sole discretion, shall have the right to make such similar adjustments as described above in the event of any corporate transaction to which Section 424(a) of the Code applies or such other event that in the judgment of the Committee necessitates an adjustment as may be determined to be appropriate and equitable by the Committee. Adjustments under this Section 4.3 shall, to the extent practicable and applicable, be made in a manner consistent with the requirements of Sections 162(m) and 409A of the Code and, in the case of ISOs, Sections 422 and 424(a) of the Code. Notwithstanding the foregoing, the number of shares of Common Stock subject to any Award shall always be a whole number and the Committee, in its discretion, shall make such adjustments as are necessary to eliminate fractional shares that may result from any adjustments made pursuant hereto. Except as expressly provided herein, the issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an outstanding Award.

ARTICLE 5 ELIGIBILITY AND PARTICIPATION

Awards under the Plan may be granted to Employees, Directors, consultants who are natural persons and other individuals providing services to the Company or a Subsidiary (provided such consultants and other individuals render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction and which services do not directly or indirectly promote or maintain a market for the Company’s securities) as selected by the Committee. In determining the individuals to whom such an Award shall be granted and the terms and conditions of such Award, the Committee may take into account any factors it deems relevant, including the duties of the individual, the Committee’s assessment of the individual’s present and potential contributions to the success of the Company or its Subsidiaries and such other factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan. Such determinations made by the Committee under the Plan need not be uniform and may be made selectively among eligible individuals under the Plan, whether or not such individuals are similarly situated. Subject to the Award limits set forth in Section 4.2, a Partic-

ipant may be granted more than one Award under the Plan; however, a grant made hereunder in any one year to a Participant shall neither guarantee nor preclude a further grant to such Participant in that year or subsequent years.

ARTICLE 6
STOCK OPTIONS

6.1 Grants of Stock Options. Subject to the provisions of the Plan, the Committee may grant Options upon the following terms and conditions:

(a) Award Agreement. Each grant of an Option shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the Option pertains, whether the Option is an ISO or a NSO, the Option Price, the term of the Option, the conditions upon which the Option shall become vested and exercisable, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine. ISOs may be granted only to Employees of the Company or a Subsidiary.

(b) Option Price. The Option Price per share of Common Stock shall be determined by the Committee, but shall not be less than the Fair Market Value per share of Common Stock on the date of grant of the Option. In the case of an ISO granted to a Ten Percent Stockholder, the Option Price per share of Common Stock shall not be less than 110% of the Fair Market Value per share of Common Stock on the date of grant of the Option. Notwithstanding the foregoing, an Option may be granted with an Option Price per share of Common Stock less than that set forth above if such Option is granted pursuant to an assumption of, or substitution for, another option in a manner satisfying the provisions of Section 424(a) of the Code.

(c) Exercise of Options. An Option shall be exercisable in whole or in part (including periodic installments) at such time or times, and subject to such restrictions and conditions, as the Committee shall determine. Except as otherwise provided in the Award Agreement, the right to purchase shares of Common Stock under the Option that become exercisable in periodic installments shall be cumulative so that such shares of Common Stock (or any part thereof) may be purchased at any time thereafter until the expiration or termination of the Option.

(d) Option Term. The term of an Option shall be determined by the Committee, but in no event shall an ISO be exercisable more than ten years from the date of its grant or, in the case of any ISO granted to a Ten Percent Stockholder, more than five years from the date of its grant.

(e) Termination of Service. Except to the extent that an Option remains exercisable as provided below or as otherwise set forth in the Award Agreement, an Option shall immediately terminate upon the Participant's Termination of Service for any reason.

(i) Involuntary Termination Without Cause. In the event that a Participant incurs a Termination of Service that constitutes an Involuntary Termination Without Cause, the Participant may exercise an outstanding Option to the extent that the Participant was entitled to exercise such Option as of the date of termination, but only within such period of time ending on the earlier of (A) the date three months following such Termination of Service or (B) the expiration of the term of such Option as set forth in the Award Agreement.

(ii) Disability. In the event that a Participant incurs a Termination of Service as a result of the Participant's Disability, the Participant may exercise an outstanding Option to the extent that the Participant was entitled to exercise such Option as of the date of termination, but only within such period of time ending on the earlier of (A) the date twelve months following such Termination of Service or (B) the expiration of the term of such Option as set forth in the Award Agreement.

(iii) Death. In the event that a Participant's Termination of Service is caused by the Participant's death, or in the event of the Participant's death following the Participant's Termination of Service but during the three-month or twelve-month period described in subparagraph (i) or (ii) above, then an outstanding Option may be exercised to

the extent the Participant was entitled to exercise such Option as of the date of death by the person or persons to whom the Participant's rights to exercise the Option passed by will or the laws of descent and distribution (or by the executor or administrator of the Participant's estate), but only within the period ending on the earlier of (A) the date twelve months following the date of death or (B) the expiration of the term of such Option as set forth in the Award Agreement.

(f) ISO Limitation. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of the shares of Common Stock with respect to which a Participant's ISOs are exercisable for the first time during any calendar year (under all plans of the Company and its Subsidiaries) exceeds \$100,000 or such other applicable limitation set forth in Section 422 of the Code, such ISOs shall be treated as NSOs. The determination of which ISOs shall be treated as NSOs generally shall be based on the order in which such ISOs were granted and shall be made in accordance with applicable rules and regulations under the Code.

(g) Payment. Options shall be exercised by the delivery of a written notice of exercise to the Company in the manner prescribed by the Company (or its delegate), specifying the number of shares of Common Stock with respect to which the Option is to be exercised, accompanied by the aggregate Option Price for the shares of Common Stock. Unless otherwise provided by the Committee, the aggregate Option Price shall be payable to the Company in full (i) in cash or cash equivalents acceptable to the Company, (ii) subject to applicable law, by tendering previously acquired shares of Common Stock (or delivering a certification of ownership of such shares) having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the shares of Common Stock either were purchased on the open market or have been held by the Participant for a period of at least six months (unless such six-month period is waived by the Committee)), (iii) subject to applicable law and such rules and procedures as may be established by the Committee, by means of a "cashless exercise" facilitated by a securities broker approved by the Company through the irrevocable direction to sell all or part of the shares of Common Stock being purchased and to deliver the Option Price (and any applicable withholding taxes) to the Company, (iv) subject to applicable law and such rules and procedures as may be established by the Committee, by means of a "net share settlement" procedure, or (v) a combination of the foregoing. The Committee also may provide that Options may be exercised by any other means it determines to be consistent with the Plan's purpose and applicable law (including the tendering of Awards having an aggregate Fair Market Value at the time of exercise equal to the total Option Price).

(h) Transfer Restrictions. Options may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner other than by will or the laws of descent and distribution and Options shall be exercisable during the Participant's lifetime only by the Participant (or, to the extent permitted by applicable law, the Participant's guardian or legal representative in the event of the Participant's legal incapacity). Notwithstanding the foregoing, the Committee, in its absolute discretion, may permit further transferability of Options, on a general or specific basis, and may impose conditions and limitations on any permitted transferability.

(i) No Stockholder Rights. No Participant shall have any rights as a stockholder with respect to shares of Common Stock subject to the Participant's Option until the issuance of such shares to the Participant pursuant to the exercise of such Option.

ARTICLE 7 STOCK APPRECIATION RIGHTS

7.1 Grants of SARs. Subject to the provisions of the Plan, the Committee may grant SARs upon the following terms and conditions:

(a) Award Agreement. Each grant of a SAR shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the SAR pertains, the term of the SAR, the conditions upon which the SAR shall become vested and exercisable, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine. The Committee may grant SARs in tandem with or independently from Options.

Table of Contents

(b) Initial Value of SARs . The Committee shall assign an initial value to each SAR, provided that the initial value may not be less than the aggregate Fair Market Value on the date of grant of the shares of Common Stock to which the SAR pertains.

(c) Exercise of SARs . A SAR shall be exercisable in whole or in part (including periodic installments) at such time or times, and subject to such restrictions and conditions, as the Committee shall determine. Notwithstanding the foregoing, in the case of a SAR that is granted in tandem with an Option, the SAR may be exercised only with respect to the shares of Common Stock for which its related Option is then exercisable. The exercise of either an Option or a SAR that are granted in tandem shall result in the termination of the other to the extent of the number of shares of Common Stock with respect to which such Option or SAR is exercised.

(d) Term of SARs . The term of a SAR granted independently from an Option shall be determined by the Committee, but in no event shall such a SAR be exercisable more than ten (10) years from the date of its grant. A SAR granted in tandem with an Option shall have the same term as the Option to which it relates.

(e) Termination of Service . In the event that a Participant incurs a Termination of Service, the Participant's SARs shall terminate in accordance with the provisions specified in Article 6 with respect to Options.

(f) Payment of SAR Value . Upon the exercise of a SAR, a Participant shall be entitled to receive (i) the excess of the Fair Market Value on the date of exercise of the shares of Common Stock with respect to which the SAR is being exercised, over (ii) the initial value of the SAR on the date of grant, as determined in accordance with Section 7.1(b) above. Notwithstanding the foregoing, the Committee may specify in an Award Agreement that the amount payable upon the exercise of a SAR shall not exceed a designated amount. At the Committee's discretion, the amount payable as a result of the exercise of a SAR may be settled in cash, shares of Common Stock of equivalent value, or a combination of cash and Common Stock. A fractional share of Common Stock shall not be deliverable upon the exercise of a SAR, but a cash payment shall be made in lieu thereof.

(g) Nontransferability . SARs granted under the Plan may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner other than by will or the laws of descent and distribution, and SARs shall be exercisable during the Participant's lifetime only by the Participant (or, to the extent permitted by applicable law, the Participant's guardian or legal representative in the event of the Participant's legal incapacity).

(h) No Stockholder Rights . No Participant shall have any rights as a stockholder of the Company with respect to shares of Common Stock subject to a SAR until the issuance of shares (if any) to the Participant pursuant to the exercise of such SAR.

ARTICLE 8 RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1 Grants of Restricted Stock and Restricted Stock Units . Subject to the provisions of the Plan, the Committee may grant Restricted Stock and/or Restricted Stock Units upon the following terms and conditions:

(a) Award Agreement . Each grant of Restricted Stock or Restricted Stock Units shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Restricted Stock granted or with respect to which the Restricted Stock Units are granted, the Restricted Period, the conditions upon or the time at which the Restricted Period shall lapse, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

(b) Purchase Price . The Committee shall determine the purchase price, if any, to be paid for each share of Restricted Stock or each Restricted Stock Unit, subject to such minimum consideration as may be required by applicable law.

(c) Nontransferability . Except as otherwise set forth in the Award Agreement, shares of Restricted Stock may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner until the end of

Table of Contents

the Restricted Period applicable to such shares and the satisfaction of any and all other conditions prescribed by the Committee. Restricted Stock Units may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner until the end of the Restricted Period applicable to such Restricted Stock Units and the satisfaction of any and all other conditions prescribed by the Committee.

(d) Other Restrictions. The Committee may impose such conditions and restrictions on the grant or vesting of Restricted Stock and Restricted Stock Units as it determines, including but not limited to restrictions based upon the achievement of financial or other business objectives (including the Performance Goals described in Section 10.1(b)), the occurrence of a specific event, continued service for a period of time or other time-based restrictions. The Committee may provide that such restrictions may lapse separately or in combination at such time or times and with respect to all shares of Restricted Stock or all Restricted Stock Units or in installments or otherwise as the Committee may deem appropriate.

(e) Settlement of Restricted Stock Units. After the expiration of the Restricted Period and all conditions and restrictions applicable to Restricted Stock Units have been satisfied or lapsed, the Participant shall be entitled to receive the then Fair Market Value of the shares of Common Stock with respect to which the Restricted Stock Units were granted. Such amount shall be paid in accordance with the terms of the Award Agreement and shall be paid in cash, shares of Common Stock (which shares of Common Stock themselves may be shares of Restricted Stock) or a combination thereof as specified in the Award Agreement.

(f) Section 83(b) Election. The Committee may provide in an Award Agreement that an Award of Restricted Stock is subject to the Participant making or refraining from making an election under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to Restricted Stock, the Participant shall be required to promptly file a copy of such election with the Company as required under Section 83(b) of the Code.

(g) Termination of Service. Notwithstanding anything herein to the contrary and except as otherwise set forth by the Committee in the Award Agreement, in the event of the Participant's Termination of Service prior to the expiration of the Restricted Period, all shares of Restricted Stock and all Restricted Stock Units with respect to which the applicable restrictions have not yet lapsed shall be forfeited. Notwithstanding the foregoing, in the event that a Participant's Termination of Service is the result of the Participant's death, Disability or Involuntary Termination Without Cause, the Committee may elect, in its discretion, to waive in whole or in part any remaining restrictions with respect to all or any part of such Participant's Restricted Stock.

(h) Stockholder Rights.

(i) Restricted Stock. Except to the extent otherwise provided by the Committee, a Participant that has been granted Restricted Stock shall have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock and the right to receive dividends, if and when declared by the Board of Directors, provided, that the Committee may require that any cash dividends shall be automatically reinvested in additional shares of Restricted Stock.

(ii) Restricted Stock Units. A Participant shall have no voting or other stockholder rights or ownership interest in shares of Common Stock with respect to which Restricted Stock Units are granted. Notwithstanding the foregoing, the Committee may, in its discretion, provide in an Award Agreement that, if the Board of Directors declares a dividend with respect to the Common Stock, Participants shall receive dividend equivalents with respect to their Restricted Stock Units. Subject to Section 409A of the Code, the Committee may determine the form, time of payment and other terms of such dividend equivalents, which may include cash or Restricted Stock Units.

(iii) Adjustments and Dividends Subject to Plan. With respect to any shares of Restricted Stock or Restricted Stock Units received as a result of adjustments under Section 4.3 hereof and also any shares of Common Stock, Restricted Stock or Restricted Stock Units that result from dividends declared on the Common Stock, the Participant shall have the same rights and privileges, and be subject to the same restrictions, as are set forth in this Article 8 except to the extent the Committee otherwise determines.

Table of Contents

(i) Issuance of Restricted Stock . A grant of Restricted Stock may be evidenced in such manner as the Committee shall deem appropriate, including without limitation, book-entry registration or the issuance of a stock certificate (or certificates) representing the number of shares of Restricted Stock granted to the Participant, containing such legends as the Committee deems appropriate and held in custody by the Company or on its behalf, in which case the grant of Restricted Stock shall be accompanied by appropriate stop-transfer instructions to the transfer agent for the Common Stock, until (i) the expiration or termination of the Restricted Period for such shares of Restricted Stock and the satisfaction of any and all other conditions prescribed by the Committee or (ii) the forfeiture of such shares of Restricted Stock. The Committee may require a Participant to deliver to the Company a stock power, endorsed in blank, relating to the shares of Restricted Stock to be held in custody by or for the Company.

ARTICLE 9 STOCK AWARDS

The Committee may grant other types of Stock Awards that involve the issuance of shares of Common Stock or that are denominated or valued by reference to shares of Common Stock, including but not limited to the grant of shares of Common Stock or the right to acquire or purchase shares of Common Stock. Stock Awards shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the Stock Award pertains, the form in which the Stock Award shall be paid and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

ARTICLE 10 PERFORMANCE AWARDS

10.1 Performance Awards. Subject to the terms of the Plan (including the award limits in Section 4.2), the Committee may grant an Award of Restricted Stock or Restricted Stock Units or a Stock Award upon or subject to the attainment of one or more Performance Goals (a "Performance Award") based upon a determination that the Participant is or may become a Named Executive Officer and the Committee intends for such Awards to qualify for the exemption from the limitation on deductibility imposed by Section 162(m) of the Code. The provisions of this Article 10 shall control to the extent inconsistent with Articles 8 and 9 and such Performance Awards shall be subject to the following terms and conditions:

(a) Award Agreement . Each grant of a Performance Award shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the Performance Award pertains, the applicable Performance Goals, the Performance Period, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

(b) Performance Goals . The Committee shall establish one or more Performance Goals for the Participant that are objectively determinable (i.e., such that a third party with knowledge of the relevant facts could determine whether the goals have been met). Such Performance Goals must be established in writing by the Committee within ninety (90) days after the beginning of the Performance Period (or, if earlier, by the date on which 25% of the Performance Period has elapsed) or within such other time period prescribed by Section 162(m) of the Code; provided, that achievement of the Performance Goals must be substantially uncertain at the time they are established. The Performance Goals shall be based on one or more of the following, as determined in the sole discretion of the Committee: stock price; earnings per share; net earnings; operating or other earnings; gross or net profits; revenues; net cash flow; net income or operating income; financial return ratios; stockholder return; return on equity; return on investment; return on net assets; reduction of debt; debt rating; debt to equity ratio; debt to capitalization ratio; consummation of debt offerings; consummation of equity offerings; sales; expense reduction levels; growth in assets or sales; share count reduction; or strategic business objectives based on meeting specified revenue goals, market penetration goals, geographic business expansion goals, cost targets, or goals relating to acquisitions or divestitures. Performance Goals may be expressed by reference to (i) one or more divisions, business units, Subsidiaries or other entities in which the Company has a significant ownership interest (provided, that a Performance Goal related to any such entity would satisfy the requirements for performance-

based compensation under Section 162(m) of the Code); (ii) the Company and/or its Subsidiaries as a whole, or (iii) any combination of the foregoing. Performance Goals also may be expressed by reference to the Participant's individual performance with respect to any of the foregoing criteria. Performance Goals may be expressed in such form as the Committee shall determine, including either in absolute or relative terms (including, but not by way of limitation, by relative comparison to other companies or other external measures), in percentages, in terms of growth over time or otherwise, provided that the Performance Goals meet the requirements hereunder. Performance Goals need not be based upon an increase or positive result under one of the above criteria and could include, for example, maintaining the status quo or the limitation of economic losses (measured in such case by reference to the specific criteria). Performance Goals may provide for determination either before or after taxes and for the inclusion or exclusion of items such as (A) asset write-downs or impairment charges; (B) the effect of unusual or extraordinary charges or income items or other events, including acquisitions or dispositions of businesses or assets, restructurings, reductions in force, refinancing/restructuring of short term and/or long term debt, or extraordinary non-recurring items as described in management's discussion and analysis of financial condition and results of operations appearing in the Company's Annual Report on Form 10-K for the applicable year; (C) litigation or claim expenses, judgments or settlements, or (D) changes in accounting principles or tax laws or other laws or provisions affecting reported results. The Performance Goals established by the Committee may be (but need not be) particular to a Participant and/or different each Performance Period.

The Committee also may establish subjective Performance Goals for Participants, provided that for Named Executive Officers, the subjective Performance Goals may be used only to reduce, and not increase, the Performance Award otherwise payable under the Plan. The Committee can establish other performance measures for Awards granted to Participants to the extent they are not intended to qualify under the performance-based compensation provisions of Section 162(m) of the Code.

(c) Payment. Prior to the vesting, settlement, payment or delivery, as the case may be, of a Performance Award, the Committee shall certify in writing the extent to which the applicable Performance Goals and any other material terms of the Performance Award have been achieved or exceeded for the applicable Performance Period. In no event may the Committee waive achievement of the Performance Goal requirements for a Named Executive Officer except in its discretion in the case of the death or Disability of the Participant or as otherwise provided in Article 11 with respect to a Change in Control.

(d) Code Section 162(m). The Committee shall have the power to impose such other restrictions on Performance Awards as it may deem necessary or appropriate for Performance Awards that are intended to satisfy the requirements for "performance-based compensation" within the meaning of Section 162(m) of the Code. Nothing contained in the Plan shall be construed to limit the authority of the Company or the Committee to adopt other compensation arrangements, including an arrangement not intended to be or that does not meet the requirements for performance-based compensation under Section 162(m) of the Code.

ARTICLE 11 CHANGE IN CONTROL

11.1 Impact on Options and SARs. Notwithstanding any other provision of the Plan, in the event of a Change in Control, any Option and any SAR outstanding as of the date such Change in Control is determined to have occurred, and which is not yet then exercisable and vested, shall become fully exercisable and vested.

11.2 Impact on Restricted Stock and Restricted Stock Units. Notwithstanding any other provision of the Plan, in the event of a Change in Control, all Awards of Restricted Stock and Restricted Stock Units (including Performance Awards) and Stock Awards outstanding as of the date such Change in Control is determined to have occurred shall be deemed vested, and all restrictions shall be deemed lapsed, all terms and conditions (including applicable Performance Goals) shall be deemed satisfied and the Restricted Period and, if applicable, the Performance Period shall be deemed to have ended.

ARTICLE 12 AMENDMENT, SUSPENSION AND TERMINATION

12.1 Amendment, Suspension and Termination of Plan. The Board may at any time, and from time to time, amend, suspend or terminate the Plan in whole or in part; provided that, any such amendment, suspension or termination of the Plan shall be subject to the requisite approval of the stockholders of the Company (a) to the extent stockholder approval is necessary to satisfy the applicable requirements of the Code (including, but not limited to, Sections 162(m) and 422 thereof), the Exchange Act or Rule 16b-3 thereunder, any New York Stock Exchange, Nasdaq or securities exchange listing requirements or any other law or regulation; or (b) if such amendment is intended to allow the Option Price of outstanding Options to be reduced by repricing or replacing such Options. Unless sooner terminated by the Board, the Plan shall terminate on February 13, 2023, a term of ten years from the date the Plan was initially adopted by the Board. No further Awards may be granted after the termination of the Plan, but the Plan shall remain effective with respect to any outstanding Awards previously granted. No amendment, suspension or termination of the Plan shall adversely affect in any material way the rights of a Participant under any outstanding Award without the Participant's consent.

12.2 Amendment of Awards. Subject to Section 12.1 above, the Committee may at any time amend the terms of an Award previously granted to a Participant, but no such amendment shall adversely affect in any material way the rights of the Participant without the Participant's consent except as otherwise provided in the Plan or the Award Agreement.

12.3 Compliance Amendments. Notwithstanding any other provision of the Plan to the contrary, the Board may amend the Plan and/or the Committee may amend any outstanding Award in any respect it deems necessary or advisable to comply with applicable law or address other regulatory matters without obtaining a Participant's consent, including but not limited to reforming (including on a retroactive basis, if permissible and applicable) any terms of an outstanding Award to comply with or meet an exemption from Section 409A of the Code or to comply with any other applicable laws, regulations or exchange listing requirements (including changes thereto).

ARTICLE 13 WITHHOLDING

13.1 Tax Withholding Requirements. The Company and its Subsidiaries shall have the power and the right to deduct or withhold from cash payments or, subject to Section 13.2, other property to be paid to the Participant, or require a Participant to remit to the Company or a Subsidiary, an amount sufficient to satisfy federal, state, local, or foreign taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising in connection with an Award under this Plan. The Company shall not be required to issue, deliver or release restrictions on any shares of Common Stock or settle any Awards payable hereunder if such withholding requirements have not been satisfied.

13.2 Withholding Arrangements. With respect to withholding required upon the exercise of Options, or upon any other taxable event arising as a result of Awards granted hereunder that are to be paid in the form of cash or shares of Common Stock, at the discretion of the Committee and pursuant to such procedures as it may specify, the Committee may require or permit the Participant to satisfy the Participant's withholding obligations (a) by delivering cash or having the Company or applicable Subsidiary withhold an amount from cash otherwise due the Participant; and/or (b) provided that any such share withholding or delivery can be effected without causing liability under Section 16(b) of the Exchange Act: (i) by having the Company or applicable Subsidiary withhold or retain from an Award shares of Common Stock having a Fair Market Value on the date the tax is to be determined of no more than the minimum statutory total tax that could be imposed on the transaction (if necessary to avoid adverse accounting consequences to the Company), or (ii) by delivering sufficient shares of Common Stock the Participant already owns (which are not subject to any pledge or security interest) having a Fair Market Value of no more than the minimum statutory total tax that could be imposed on the transaction (if necessary to avoid adverse accounting consequences to the Company). Notwithstanding the foregoing, the Committee shall have the right to restrict a Participant's ability to satisfy tax obligations through share withholding and delivery as it may deem necessary or appropriate.

ARTICLE 14 GENERAL PROVISIONS

14.1 Company Policies. All Awards granted under the Plan also shall be subject to the terms and conditions of any policy regarding clawbacks, forfeitures, or recouplements adopted by the Company from time to time. Without limiting the foregoing, by acceptance of any Award, each Participant agrees to repay to the Company or any Subsidiary any amount that may be required to be repaid under any such policy.

14.2 Deferrals. Subject to Section 14.10, the Committee may require or permit a Participant to defer receipt of the delivery of shares of Common Stock or other payments pursuant to Awards under the Plan that otherwise would be due to such Participant. Subject to Section 14.10, any deferral elections shall be subject to such terms, conditions, rules and procedures as the Committee shall determine.

14.3 No Employment Rights. Nothing in the Plan or any Award Agreement shall confer upon any Participant any right to continue in the employ or service of the Company or a Subsidiary nor interfere with or limit in any way the right of the Company or a Subsidiary to terminate any Participant's employment by, or performance of services for, the Company or Subsidiary at any time for any reason.

14.4 No Participation Rights. No person shall have the right to be selected to receive an Award under this Plan and there is no requirement for uniformity of treatment among Participants.

14.5 No Trust or Fund Created. To the extent that any person acquires a right to receive Common Stock or cash payments or other property under the Plan, such right shall be only contractual in nature unsecured by any assets of the Company or a Subsidiary. Neither the Company nor any Subsidiary shall be required to segregate any specific funds, assets or other property from its general assets with respect to any Awards under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship, between the Company and/or any Subsidiary, on the one hand, and any Participant or other person, on the other hand. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company or the applicable Subsidiary.

14.6 Restrictions on Transferability. Except as otherwise provided herein or in an Award Agreement, no Award or any shares of Common Stock subject to an Award that have not been issued, or as to which any applicable restrictions have not lapsed, may be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner. Any attempt to transfer an Award or such shares of Common Stock in violation of the Plan or an Award Agreement shall relieve the Company and its Subsidiaries from any obligations to the Participant thereunder.

14.7 Requirements of Law. The granting of Awards and the issuance of shares of Common Stock under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. With respect to Participants who are subject to Section 16 of the Exchange Act, this Plan and Awards granted hereunder are intended to comply with the provisions of and satisfy the requirements for exemption under Rule 16b-3 or any successor rule under the Exchange Act.

14.8 Approvals and Listing. The Company shall not be required to grant, issue or settle any Awards or issue any certificate or certificates for shares of Common Stock under the Plan prior to (a) obtaining any required approval from the stockholders of the Company; (b) obtaining any approval from any governmental agency that the Company shall, in its discretion, determine to be necessary or advisable; (c) the admission of such shares of Common Stock to listing on any national securities exchange on which the Company's Common Stock may be listed; and (d) the completion of any registration or other qualification of such shares of Common Stock under any state or federal law or ruling or regulation of any governmental or regulatory body that the Company shall, in its sole discretion, determine to be necessary or advisable. The Company may require that any recipient of an Award make such representations and agreements and furnish such information as it deems appropriate to assure compliance with the foregoing or any other applicable legal requirement. Notwithstanding the foregoing, the Company shall not be obligated at any time to file or maintain a registration statement under the Securities Act of 1933, as amended, or to effect similar compliance under any applicable state laws with respect to the Common Stock that may be issued pursuant to this Plan.

14.9 Compliance with Code Section 162(m). It is intended that the Plan comply fully with and meet all of the requirements for “performance-based compensation” under Section 162(m) of the Code with respect to Options and SARs granted hereunder. At all times when the Committee determines that compliance with the “performance-based compensation” exception under Section 162(m) of the Code is required or desired, it is intended that Performance Awards granted under this Plan also comply with the requirements for “performance-based compensation” under Section 162(m) of the Code, and the Plan must be resubmitted to the stockholders of the Company as necessary in accordance with Section 162(m) of the Code (which Treasury Regulations thereunder currently require that the stockholders reapprove the Plan no later than the first stockholders meeting that occurs in the fifth year following the year in which the stockholders previously approved the Plan). In addition, in the event that changes are made to Section 162(m) of the Code to permit greater flexibility with respect to any Award or Awards under the Plan, the Committee may make any adjustments it deems appropriate. The Committee may, in its discretion, determine that it is advisable to grant Awards that shall not qualify as “performance-based compensation,” and the Committee may grant Awards that do not satisfy the requirements of Section 162(m) of the Code.

14.10 Compliance with Code Section 409A. It is generally intended that the Plan and all Awards hereunder either comply with or meet the requirements for an exemption from Section 409A of the Code and the Plan shall be operated, interpreted and administered accordingly. No Award (or modification thereof) shall provide for a deferral of compensation (within the meaning of and subject to Section 409A of the Code) that does not comply with Section 409A of the Code and the Award Agreement shall incorporate the terms and conditions required by Section 409A of the Code, unless the Committee, at the time of grant (or modification, as the case may be), provides that the Award is not intended to comply with Section 409A of the Code. Notwithstanding anything in the Plan to the contrary, the Committee may amend or vary the terms of Awards under the Plan in order to conform such terms to the requirements of Section 409A of the Code. Except as may be provided in an Award Agreement, to the extent that any Award provides for a deferral of compensation for purposes of Section 409A of the Code and the Participant is a “specified employee” (within the meaning of Section 409A of the Code and determined by the Company in accordance with its procedures), benefits payable under the Award that are required to be postponed under Section 409A of the Code following the Participant’s “separation from service” (within the meaning of Section 409A of the Code) shall not be paid until after six months following such separation from service (except as Section 409A of the Code may permit), and shall instead be accumulated and paid in a lump sum on the first business day following expiration of such six-month period. To the extent an Award does not provide for a deferral of compensation subject to Section 409A of the Code, but may be deferred under a nonqualified deferred compensation plan established by the Company, the terms of such nonqualified deferred compensation plan shall govern such deferral, and to the extent necessary, are incorporated herein by reference. Notwithstanding any other provisions of the Plan or any Award Agreement, the Company does not guarantee to any Participant (or any other person with an interest in an Award) that the Plan or any Award hereunder complies with or is exempt from Section 409A of the Code, and shall not have any liability to or indemnify or hold harmless any individual with respect to any tax consequences that arise from any such failure to comply with or meet an exemption under Section 409A of the Code.

14.11 Other Corporate Actions. Nothing contained in the Plan shall be construed to limit the authority of the Company to exercise its corporate rights and powers, including, but not by way of limitation, the right of the Company to adopt other compensation arrangements (including an arrangement not intended to be performance-based compensation under Section 162(m) of the Code) or the right of the Company to authorize any adjustment, reclassification, reorganization, or other change in its capital or business structure, any merger or consolidation of the Company, the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its business or assets.

14.12 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein shall also include the feminine, and the plural shall include the singular and the singular shall include the plural.

14.13 Severability. The invalidity or unenforceability of any particular provision of this Plan shall not affect the other provisions hereof, and the Committee may elect in its discretion to construe such invalid or unenforceable provision in a manner that conforms to applicable law or as if such provision was omitted.

14.14 Governing Law . To the extent not preempted by federal law, the Plan, and all Award Agreements hereunder, shall be construed in accordance with and governed by the laws of the State of North Carolina (excluding the principles of conflict of law thereof). The jurisdiction and venue for any disputes arising under, or any action brought to enforce (or otherwise relating to), this Plan or any Awards hereunder will be exclusively in the state or federal courts (as applicable) sitting in Mecklenburg County, North Carolina.

14.15 Successors . All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor of the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise of all or substantially all of the business and/or assets of the Company or other transaction.

14.16 Titles and Headings . The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.
