**PROXY STATEMENT
FOR
2005 ANNUAL MEETING OF SHAREHOLDERS**

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Sykes Enterprises, Incorporated (the "Company") for the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the Tampa Marriott Waterside, 700 South Florida Avenue, Tampa, Florida, on Tuesday, May 24, 2005, at 9:00 a.m., Eastern Daylight Savings Time, or any adjournment or postponement of the Annual Meeting.

This Proxy Statement and the annual report to shareholders of the Company for the year ended December 31, 2004, are first being mailed on or about April 23, 2005, to shareholders entitled to vote at the Annual Meeting.

SHAREHOLDERS ENTITLED TO VOTE

The record date for the Annual Meeting is April 18, 2005. Only shareholders of record as of the close of business on the record date are entitled to notice of the Annual Meeting and to vote at the Annual Meeting. As of the record date, 40,218,467 shares of common stock were outstanding and entitled to vote at the Annual Meeting.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting, who will also determine whether a quorum is present for the transaction of business. The Company's Bylaws provide that a quorum is present if the holders of a majority of the issued and outstanding shares of common stock entitled to vote at the meeting are present in person or represented by proxy. At the Annual Meeting, if a quorum exists, Directors will be elected by a plurality of the votes cast in the election, and the approval of each of Proposals 2 and 3 will require the affirmative vote of a majority of the votes cast on the Proposal. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present, and will count as votes against Proposals 2 and 3. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a "broker non-vote"). Broker non-votes will not be counted as votes cast in determining whether a Proposal has been approved.

Shareholders are requested to vote by completing the enclosed Proxy and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are urged to indicate their votes in the spaces provided on

the Proxy. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given in the Proxy. Where no instructions are indicated, signed Proxies will be voted FOR each of the proposals listed in the Notice of Annual Meeting of Shareholders. Returning your completed Proxy will not prevent you from voting in person at the Annual Meeting, should you be present and wish to do so.

Any shareholder giving a Proxy has the power to revoke it at any time before it is exercised by:

- filing with the Secretary of the Company written notice of revocation,
- submitting a duly executed Proxy bearing a later date than the previous Proxy, or
- appearing at the Annual Meeting and voting in person.

Proxies solicited by this Proxy Statement may be exercised only at the Annual Meeting and any adjournment of the Annual Meeting and will not be used for any other meeting. Proxies solicited by this Proxy Statement will be returned to the Board of Directors and will be tabulated by an inspector of elections designated by the Board of Directors.

The cost of solicitation of Proxies by mail on behalf of the Board of Directors will be borne by the Company. Proxies also may be solicited by personal interview or by telephone by directors, officers, and other employees of the Company without additional compensation. The Company also has made arrangements with brokerage firms, banks, nominees, and other fiduciaries that hold shares on behalf of others to forward proxy solicitation materials to the beneficial owners of such shares. The Company will reimburse such record holders for their reasonable out-of-pocket expenses.

PROPOSAL 1:

ELECTION OF DIRECTORS

The Company's Board of Directors currently is comprised of 11 individuals, and is divided into three classes (designated "CLASS I," "CLASS II," and "CLASS III"), as nearly equal in number as possible, with each class serving a three-year term expiring at the third annual meeting of shareholders after its election. The term of the four current CLASS I directors will expire at the Annual Meeting. The Company's Board of Directors, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated H. Parks Helms and Dr. Linda McClintock-Greco to stand for re-election as CLASS I directors, and has further nominated James K. Murray, Jr. and James S. MacLeod for election to the Board at the Annual Meeting to fill the remaining two seats as members of CLASS I, whose terms will all expire at the 2008 Annual Meeting of Shareholders.

Additionally, the Florida Business Corporation Act requires that any director elected by the Board of Directors to fill a vacancy on the Board must stand for re-election at the next annual meeting of the shareholders. One director, Charles E. Sykes, was elected by the Board since the last annual meeting. The Company's Board of Directors, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated Mr. Sykes to stand for election to the Board at the Annual Meeting as a member of Class III, whose term will expire at the 2006 Annual Meeting of Shareholders.

In the event any nominee is unable to serve, the persons designated as proxies will cast votes for such other person in their discretion as a substitute nominee. The Board of Directors has no reason to believe that the nominees named herein will be unavailable or, if elected, will decline to serve.

The Board of Directors recommends the following nominees for election as directors in the Classes specified and urges each shareholder to vote "FOR" the nominees. Executed proxies in the accompanying form will be voted at the Annual Meeting "FOR" the election as directors of the nominees named below, unless authority to do so is withheld.

PROPOSAL 2:

APPROVAL OF 2004 NON-EMPLOYEE DIRECTOR FEE PLAN

In May 2004, the Board of Directors approved the 2004 Non-Employee Director Fee Plan (the "2004 Fee Plan"), subject to shareholder approval at the 2005 Annual Meeting. The Board determined that the 2004 Fee Plan would replace and supercede the 1996 Non-Employee Director Fee Plan (the "1996 Fee Plan"), and also would be used in lieu of the 2004 Non-Employee Director Stock Option Plan (the "2004 Option Plan"), which was discussed in the Company's proxy materials for the 2004 annual shareholders' meeting and approved by the shareholders at the 2004 annual meeting. Therefore, no options have been awarded under the 2004 Option Plan, and none will be awarded under that plan if the 2004 Fee Plan is approved by the shareholders at the Annual Meeting.

The purpose of the 2004 Fee Plan is to secure for the Company and its shareholders the benefits of the incentive inherent in increased ownership of common stock of the Company by members of the Board of Directors who are not employees by providing for the payment of a portion of each non-employee Director's compensation in common stock. It is expected that such ownership will further align the interests of such non-employee Directors with the shareholders of the Company, thereby promoting the long-term profits and growth of the Company, and will encourage such non-employee Directors to remain Directors of the Company and provide them with the benefits of deferring the receipt of some of such compensation. It is also expected that the 2004 Fee Plan will encourage qualified persons to become Directors of the Company.

The 2004 Fee Plan provides that all new non-employee Directors joining the Board receive an initial grant of common stock units ("CSUs") on the date the new Director is appointed or elected, the number of which will be determined by dividing a dollar amount to be determined from time to time by the Board (initially set

at \$30,000) by an amount equal to 110% of the average closing prices of the Company's common stock for the five trading days prior to the date the new Director is appointed or elected. The initial grant of CSUs will vest in three equal installments, one-third on the date of each of the following three annual shareholders' meetings.

A CSU is a bookkeeping entry on the Company's books that records the equivalent of one share of common stock. On the date each CSU vests, the Director will become entitled to receive a share of the Company's common stock and the CSU will be canceled. For federal income tax purposes, the Director will not be deemed to have received income with respect to the CSUs until the CSUs vest.

Additionally, the 2004 Fee Plan provides that each non-employee Director who was serving as a Director immediately prior to each annual shareholders' meeting, and who continues as a Director after the annual meeting, will receive, on the day after the annual meeting, an annual retainer for service as a non-employee Director, the amount of which shall be determined from time to time by the Board. The Board increased the amount of the annual retainer from \$25,000 under the 1996 Fee Plan to \$50,000 under the 2004 Fee Plan. Under the 2004 Fee Plan, the annual retainer will be paid 75% in CSUs and 25% in cash. Previously, the annual retainer was payable one-half in cash and one-half in CSUs. The number of CSUs to be granted under the 2004 Fee Plan will be determined by dividing the amount of the annual retainer by an amount equal to 105% of the average of the closing prices for the Company's common stock on the five trading days preceding the award date (the day after the annual meeting). The annual grant of CSUs will vest in two equal installments, one-half on the date of each of the following two annual shareholders' meetings.

All CSUs will automatically vest upon the termination of a Director's service as a Director, whether by reason of death, retirement, resignation, removal or failure to be reelected at the end of his or her term. Until a CSU vests, the Director has none of the rights of a shareholder with respect to the CSU or the common stock underlying the CSU. CSUs are not transferable.

The maximum number of CSUs and shares of the Company's common stock which can be issued under the 2004 Fee Plan is 450,000. The Board of Directors has the ability to amend or terminate the Plan as it deems appropriate. However, no such amendment may be made without shareholder approval if such approval would be required to comply with any applicable law or the listing standards of the stock exchange on which the Company's shares are listed or traded. The adoption of the 2004 Fee Plan does not limit the ability of the Board to provide for additional compensation payable to non-employee Directors for services on behalf of the Board over and above those typically expected of Directors, including serving as Chair of a Board committee.

On May 8, 2004, Iain Macdonald, who was newly elected to the Board at the 2004 annual meeting, received an award of 4,822 CSUs under the 2004 Fee Plan for his initial grant of \$30,000 worth of CSUs upon joining the Board, as well as an award of 6,315 CSUs for the \$37,500 worth of CSUs payable as part of his annual retainer of \$50,000 for the coming year. Mr. Macdonald's 4,822 CSUs relating to his initial award will vest in three equal installments on the dates of the 2005, 2006 and 2007 annual meetings. His 6,315 CSUs relating to his annual retainer award will vest in two equal installments on the dates of the 2005 and 2006 annual meetings.

Also on May 8, 2004, each of the nine non-employee Directors who had been serving on the board prior to the 2004 annual meeting received an award of 4,942 CSUs for \$29,349 of their annual retainer of \$50,000 for the coming year. This amount is net of the portion of the \$25,000 annual retainer paid to these non-employee Directors in CSUs in January 2004 under the 1996 Non-Employee Director Fee Plan, which was in effect until the adoption of the 2004 Fee Plan. Under the 1996 Plan, the annual retainer was paid in advance at the beginning of each calendar year; therefore, a portion of the \$12,500 paid to these Directors in January in CSUs, equal to the number of days from May 8, 2004 to December 31, 2004, was applied against the \$37,500

worth of CSUs payable under the 2004 Fee Plan on May 8, 2004. These additional CSUs will vest in two equal installments on the dates of the 2005 and 2006 annual meetings.

In all, an aggregate of 55,615 CSUs were awarded to the non-employee Directors on May 8, 2004, under the 2004 Fee Plan.

If the 2004 Fee Plan is not approved by the shareholders at the Annual Meeting, the non-employee Directors will receive the fees provided under the 1996 Fee Plan (subject to the increase in the amount of the annual retainer from \$25,000 to \$50,000) and the stock options provided for in the 2004 Option Plan, beginning with the award each would receive under that plan on the day following the Annual Meeting. In such event, the Board also has indicated that it would grant to each of the nine non-employee Directors who had been serving on the board prior to the 2004 annual meeting an additional award of stock options to make up for the options that otherwise would have been granted under the 2004 Option Plan on the day after the 2004 annual meeting. Such additional option awards would have an exercise price of \$5.75, the fair market value of the shares (as defined in the 2004 Option Plan) as of May 8, 2004, and would vest on the date of grant, as the award of stock options that would have been granted under the 2004 Option Plan on the day after the 2004 annual meeting would have vested on May 8, 2005, one year and one day after the date of the 2004 annual meeting. Also, in such event, the Board has indicated that it would grant to Mr. Iain Macdonald, who was first elected to the Board at the 2004 annual meeting, an additional award of stock options to make up for the options that otherwise would have been granted to him under the 2004 Option Plan on the day of the 2004 annual meeting. Such options would have an exercise price of \$5.66, the fair market value of the shares (as defined in the 2004 Option Plan) as of May 7, 2004, and would vest one-third on the date of grant, one-third on May 7, 2006 and one-third on May 7, 2007, as the award of stock options that would have been granted to him under the 2004 Option Plan on the day of the 2004 annual meeting would have become exercisable in equal thirds on the first three anniversaries of the date of the 2004 annual meeting.

A copy of the 2004 Fee Plan is attached to this proxy statement as Appendix A.

The Board of Directors recommends the approval of the Plan and urges each shareholder to vote “FOR” the Plan. Executed proxies in the accompanying form will be voted at the Annual Meeting in favor of the adoption of the amendment unless the proxy is marked otherwise.

PROPOSAL 3:

ACCELERATION OF CERTAIN NON-EMPLOYEE DIRECTOR STOCK OPTIONS

On February 1, 2005, the Compensation Committee of the Board of Directors approved accelerating the vesting of most out-of-the-money, unvested stock options held by current employees, including executive officers, and certain employee Directors. An option was considered out-of-the-money if the stated option exercise price was greater than the closing price, \$7.23, of the Company's common stock on the day the Compensation Committee approved the acceleration. With respect to all such stock options, the accelerated vesting was effective as of February 1, 2005. Holders of incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended) and certain foreign employees were given the opportunity to decline the accelerated vesting in order to prevent changing the status of the incentive stock option for federal income tax purposes to a non-qualified stock option or the restriction of the availability of favorable tax treatment under applicable foreign law.

Additionally, with respect to out-of-the-money, unvested stock options automatically granted to non-employee Directors when they were first elected to the Board and each year thereafter under the 1996 Option

Plan, the Compensation Committee approved the acceleration of all such options effective as of the date of the Annual Meeting, subject to the approval of such accelerated vesting by the shareholders at the Annual Meeting.

The decision to accelerate vesting of these options and eliminate future compensation expense was based on a review of the Company's long-term incentive programs in light of current market conditions and changing accounting rules regarding stock option expensing that the Company must follow beginning January 1, 2006. This accounting rule, entitled *Statement of Financial Accounting Standards No. 123 (Revised 2004), Share-Based Payment* ("SFAS 123R"), will require that compensation cost related to share-based payment transactions, including stock options, be recognized in the financial statements. It is estimated that the maximum future compensation expense that will be charged to earnings, absent the acceleration of these options, based on the Company's implementation date for SFAS 123R of January 1, 2006, will be approximately \$82,197.

The following table summarizes the options subject to acceleration for each non-employee Director:

Name	Number of Options Granted That Would Have Vested in the Future	Date of Original Vesting	Exercise Price
Bozek, Mark C	8,332*	08/04/2006	\$ 5.890
DeLong, Michael	8,332	09/15/2006	\$ 7.736
Loetz, Gordon H	8,300	03/08/2006	\$ 9.200

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

Report of the Audit Committee

The Audit Committee consists of three non-employee directors, William J. Meurer, as chairman, Iain A. Macdonald, and Paul L. Whiting. The Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. The Company's independent accountants provided to the Audit Committee the written disclosure required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as

modified or supplemented. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board, and considered compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as modified or supplemented. The Audit Committee also discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held 10 meetings during 2004.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Company's Board of Directors, and the Board has approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, to be filed with the Securities and Exchange Commission.

BOARD OF DIRECTORS

Directors' Compensation

Directors who are executive officers of the Company receive no compensation for service as members of either the Board of Directors or any committees of the Board.

Each non-employee Director receives a cash fee of \$1,250 per Board and committee meeting attended, and \$500 per telephone conference meeting that lasts at least one hour. Chairpersons of Board committees receive \$2,000 per committee meeting attended. Directors also received an ad hoc cash fee of \$1,000 per day for extra tasks requested by the Chairman of the Board. A non-employee Chairman of the Board receives an additional annual cash fee of \$100,000 for such service.

In addition to the foregoing fees, prior to the approval by the Board of Directors of the 2004 Non-Employee Director Fee Plan (described below) in May 2004, Directors who were not employees of the Company also were compensated under the 1996 Non-Employee Director Fee Plan (the "1996 Fee Plan"). Under the 1996 Fee Plan, each non-employee Director was paid (as of the first business day of each calendar year) an annual fee of \$25,000, at least half of which was payable in shares of Sykes common stock based on the fair market value of the common stock on the date of payment and the other half of which, at the election of the Director, was payable in shares of common stock or cash.

In addition, under the Amended and Restated 1996 Non-Employee Director Stock Option Plan (the “1996 Option Plan”), non-employee Directors received options to purchase 25,000 shares of common stock upon their initial election to the Board and options to purchase 10,000 shares of common stock annually thereafter. As of the beginning of 2004, the maximum number of options for shares of common stock issuable under the 1996 Option Plan had been reached, and the Board of Directors approved a replacement plan, the 2004 Non-Employee Director Stock Option Plan (the “2004 Option Plan”), subject to shareholder approval at the 2004 annual meeting. The terms and provisions of the 2004 Option Plan were substantially identical to those of the 1996 Option Plan.

2004 Non-Employee Director Fee Plan

In May 2004, the Board of Directors approved the 2004 Non-Employee Director Fee Plan (the “2004 Fee Plan”), subject to shareholder approval at the 2005 Annual Meeting. The Board determined that the 2004 Fee Plan would replace and supersede the 1996 Non-Employee Director Fee Plan (the “1996 Fee Plan”), and also would be used in lieu of the 2004 Non-Employee Director Stock Option Plan (the “2004 Option Plan”), which was discussed in the Company’s proxy materials for the 2004 annual shareholders’ meeting and approved by the shareholders at the 2004 annual meeting. Therefore, no options have been awarded under the 2004 Option Plan, and none will be awarded under that plan if the 2004 Fee Plan is approved by the shareholders at the Annual Meeting. Compensation of non-employee Directors under the 2004 Fee Plan will be in addition to the cash compensation described above in the second paragraph under the heading “Directors’ Compensation.”

The 2004 Fee Plan provides that all new non-employee Directors joining the Board will receive an initial grant of common stock units (“CSUs”) on the date the new Director is appointed or elected, the number of which will be determined by dividing a dollar amount to be determined from time to time by the Board (initially set at \$30,000) by an amount equal to 110% of the average closing prices of the Company’s common stock for the five trading days prior to the date the new Director is appointed or elected. The initial grant of CSUs will vest in three equal installments, one-third on the date of each of the following three annual shareholders’ meetings. A CSU is a bookkeeping entry on the Company’s books that records the equivalent of one share of common stock. On the date each CSU vests, the Director will become entitled to receive a share of the Company’s common stock and the CSU will be canceled.

Additionally, the new Plan provides that each non-employee Director who was serving as a Director immediately prior to each annual shareholders’ meeting will receive, on the day after the annual meeting, an annual retainer for service as a non-employee Director, the amount of which shall be determined from time to time by the Board. The Board increased the amount of the annual retainer from \$25,000 to \$50,000. Under the 2004 Fee Plan, the annual retainer will be paid 75% in CSUs and 25% in cash. Previously, the annual retainer was payable one-half in cash and one-half in CSUs. The number of CSUs to be granted under the 2004 Fee Plan will be determined by dividing the amount of the annual retainer by an amount equal to 105% of the average of the closing prices for the Company’s common stock on the five trading days preceding the award date (the day after the annual meeting). The annual grant of CSUs will vest in two equal installments, one-half on the date of each of the following two annual shareholders’ meetings.

All CSUs will automatically vest upon the termination of a Director’s service as a Director, whether by reason of death, retirement, resignation, removal or failure to be reelected at the end of his or her term. Until a CSU vests, the Director has none of the rights of a shareholder with respect to the CSU or the common stock underlying the CSU. CSUs are not transferable.

On May 8, 2004, Iain Macdonald, who was newly elected to the Board at the 2004 annual meeting, received an award of 4,822 CSUs under the 2004 Fee Plan for his initial grant of \$30,000 worth of CSUs upon joining the Board, as well as an award of 6,315 CSUs for the \$37,500 worth of CSUs payable as part of his annual retainer of \$50,000 for the coming year. Mr. Macdonald's 4,822 CSUs relating to his initial award will vest in three equal installments on the dates of the 2005, 2006 and 2007 annual meetings. His 6,315 CSUs relating to his annual retainer award will vest in two equal installments on the dates of the 2005 and 2006 annual meetings.

Also on May 8, 2004, each of the nine non-employee Directors who had been serving on the board prior to the 2004 annual meeting received an award of 4,942 CSUs for \$29,349 of their annual retainer of \$50,000 for the coming year. This amount is net of the portion of the \$25,000 annual retainer paid to these non-employee Directors in CSUs in January 2004 under the 1996 Non-Employee Director Fee Plan, which was in effect until the adoption of the 2004 Fee Plan. Under the 1996 Plan, the annual retainer was paid in advance at the beginning of each calendar year; therefore, a portion of the \$12,500 paid to these Directors in January in CSUs, equal to the number of days from May 8, 2004 to December 31, 2004, was applied against the \$37,500 worth of CSUs payable under the 2004 Fee Plan on May 8, 2004. These additional CSUs will vest in two equal installments on the dates of the 2005 and 2006 annual meetings.

In all, an aggregate of 55,615 CSUs were awarded to the non-employee Directors on May 8, 2004, under the 2004 Fee Plan.

If the 2004 Fee Plan is not approved by the shareholders at the Annual Meeting, the non-employee Directors will receive the fees provided under the 1996 Fee Plan (subject to the increase in the amount of the annual retainer from \$25,000 to \$50,000) and the stock options provided for in the 2004 Option Plan, beginning with the award each would receive under that plan on the day following the Annual Meeting. In such event, the Board also has indicated that it would grant to each of the nine non-employee Directors who had been serving on the board prior to the 2004 annual meeting an additional award of stock options to make up for the options that otherwise would have been granted under the 2004 Option Plan on the day after the 2004 annual meeting. Such additional option awards would have an exercise price of \$5.75, the fair market value of the shares (as defined in the 2004 Option Plan) as of May 8, 2004, and would vest on the date of grant, as the award of stock options that would have been granted under the 2004 Option Plan on the day after the 2004 annual meeting would have vested on May 8, 2005, one year and one day after the date of the 2004 annual meeting. Also, in such event, the Board has indicated that it would grant to Mr. Iain Macdonald, who was first elected to the Board at the 2004 annual meeting, an additional award of stock options to make up for the options that otherwise would have been granted to him under the 2004 Option Plan on the day of the 2004 annual meeting. Such options would have an exercise price of \$5.66, the fair market value of the shares (as defined in the 2004 Option Plan) as of May 7, 2004, and would vest one-third on the date of grant, one-third on May 7, 2006 and one-third on May 7, 2007, as the award of stock options that would have been granted to him the 2004 Option Plan on the day of the 2004 annual meeting would have become exercisable in equal thirds on the first three anniversaries of the date of the 2004 annual meeting.

Certain Relationships and Related Transactions

During the year ended December 31, 2004 the Company paid \$591,822 to JHS Leasing of Tampa, Inc., an entity owned by Mr. John H. Sykes, former Chairman of the Board and Chief Executive Officer, for the use of its corporate aircraft.

Director Independence, Committees of the Board of Directors and Meeting Attendance

In April, 2005 the Board of Directors undertook a review of Director independence. During this review, the Board considered transactions and relationships between each Director whose term will continue after the Annual Meeting and all of the Directors who have been nominated to stand for election at the Annual Meeting, and members of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported under "Certain Relationships and Related Transactions." The purpose of this review was to determine whether any relationships or transactions were inconsistent with a determination that a Director is independent within the meaning of the rules of the Nasdaq Stock Market and, for audit committee members, also independent within the meaning of the rules of the Securities and Exchange Commission. The Board determined that other than Mr. Charles Sykes, all of the Directors of the Company whose term will continue after the Annual Meeting, and all of the Directors who have been nominated to stand for election at the Annual Meeting, qualify as independent.

During 2004, the Board of Directors held 7 meetings. It is our policy to schedule a meeting of the Board on the date of the annual meeting of shareholders and we encourage all of our Directors to attend the annual shareholders' meeting. Nine Directors attended last year's annual meeting of shareholders.

The Board of Directors has the standing committees listed below.

Audit Committee. The Audit Committee serves as an independent and objective party to monitor the Company's financial reporting process and internal control system. The Committee is responsible for the appointment, compensation, and oversight of the work of the Company's independent auditing firm, as well as for reviewing the independence, qualifications, and activities of the auditing firm. The Company's independent auditing firm reports directly to the Committee. All proposed transactions between the Company and the Company's officers and directors, or an entity in which a Company officer or director has a material interest, are reviewed by the Committee, and the approval of the Committee is required for such transactions. During the year ended December 31, 2004, the Committee held 10 meetings. From January 1, 2004, until the annual shareholders' meeting in May 2004, the Committee was comprised of Messrs. Meurer, Helms, Whiting and Thomas F. Skelly. Mr. Skelly left the Board at the 2004 annual meeting, and Mr. Helms was replaced by Mr. Macdonald. During the remainder of 2004, and until the Annual Meeting, the Committee was, and will be, comprised of Messrs. Meurer (Chair), Macdonald and Whiting. The Board has determined that Messrs. Meurer, Macdonald and Whiting are independent within the meaning of the rules of the Nasdaq Stock Market and the Securities and Exchange Commission. The Board also has determined that Mr. Meurer is an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission. The Committee is governed by a written charter, which is reviewed on an annual basis. A copy of the current Audit Committee Charter is available on the Company's website at www.sykes.com/investors.asp under the heading "Corporate Governance".

Compensation and Human Resource Development Committee. The Compensation and Human Resource Development Committee is responsible for establishing the compensation of the Company's senior management, including salaries, bonuses, granting of stock options under the Company's various stock option plans, termination arrangements, and other executive officer benefits. This Committee is also responsible for providing oversight and direction regarding the Company's employee health and welfare benefit programs, training and development and succession planning. During 2004, the Committee held 10 meetings. From January 1, 2004, until the annual shareholders' meeting in May 2004, the Committee was comprised of Mr. Bozek, Dr. McClintock-Greco, Gordon H. Loetz and Ernest J. Milani. Mr. Loetz left the Committee at the 2004 annual meeting. During the remainder of 2004, and until the Annual Meeting, the Committee was,

and will be, comprised of Mr. Milani (Chair), Mr. Bozek and Dr. McClintock-Greco. The Board has determined that Messrs. Milani and Bozek and Dr. McClintock-Greco are independent within the meaning of the rules of the Nasdaq Stock Market. Mr. Milani will leave the Board at the Annual Meeting. It is anticipated that, at the first meeting of the Board of Directors following the Annual Meeting, the Board will appoint a third Director to the committee who qualifies as an independent director within the meaning of the rules of the Nasdaq Stock Market.

Nominating and Corporate Governance Committee. The purpose of the Nominating and Corporate Governance Committee is to:

- identify individuals qualified to become members of the Board of Directors of the Company and its subsidiaries;
- recommend to the Board of Directors director nominees for election at the annual meeting of shareholders or for election by the Board of Directors to fill open seats between annual meetings;
- recommend to the Board of Directors committee appointments for directors;
- develop and recommend to the Board of Directors corporate governance guidelines applicable to the Company; and
- monitor the Company's compliance with good corporate governance standards; and

In connection with carrying out its responsibility to identify individuals qualified to become members of the Board of Directors, the Committee has developed and recommend to the Board of Directors guidelines and criteria as to the desired qualifications of candidates for nomination for election as a director of the Company. In accordance with our Corporate Governance Guidelines, such criteria include considerations of age, skill, integrity, experience, time availability, appropriate listing standards, and applicable federal and state law and regulation. These guidelines and criteria were approved by the Board have been published in the Company's quarterly report on Form 10-Q for the second quarter of 2004.

The Committee may use various sources for identifying and evaluating nominees for Directors including referrals from our current Directors, management and shareholders, as well as input from third party executive search firms retained at the Company's expense. If the Committee retains one or more search firms, such firms may be asked to identify possible nominees, interview and screen such nominees and act as a liaison between the Committee and each nominee during the screening and evaluation process. The Committee will review the resume and qualifications of each candidate identified through any of the sources referenced above, and determine whether the candidate would add value to the Board. With respect to candidates that are determined by the Committee to be potential nominees, one or more members of the Committee will contact such candidates to determine the candidate's general availability and interest in serving. Once it is determined that a candidate is a good prospect, the candidate will be invited to meet the full Committee which will conduct a personal interview with the candidate. During the interview, the Committee will evaluate whether the candidate meets the guidelines and criteria adopted by the Board, as well as exploring any special or unique qualifications, expertise and experience offered by the candidate and how such qualifications, expertise and/or experience may compliment that of existing Board members. If the candidate is approved by the Committee, as a result of the Committee's determination that the candidate will be able to add value to the Board and the candidate expresses his or her interest in serving on the Board, the Committee will then review it's conclusions with the Board and recommend that the candidate be selected by the Board to stand for election by the shareholders or fill a vacancy or newly created position on the Board.

James K. Murray, Jr. and James S. MacLeod, who are being submitted for election as Directors at the Annual Meeting, were both recommended by Mr. Charles Sykes to the members of the Committee.

The Committee will consider qualified nominees recommended by shareholders who may submit recommendations to the Committee in care of our Corporate Secretary, 400 North Ashley Drive, Tampa, Florida 33602. Any shareholder nominating an individual for election as a director at an annual meeting must provide written notice to the Secretary of the Company, along with the information specified below, which notice must be received at the principal business office of the Company no later than the date designated for receipt of shareholders' proposals as set forth in the Company's proxy statement for its annual shareholders' meeting. If there has been no such prior public disclosure, then to be timely, a shareholder's nomination must be delivered to or mailed and received at the principal business office of the Company not less than 60 days nor more than 90 days prior to the annual meeting of shareholders; provided, however, that in the event that less than 70 days' notice of the date of the meeting is given to the shareholders or prior public disclosure of the date of the meeting is made, notice by the shareholder to be timely must be so received not later than the close of business on the tenth day following the day on which such notice of the annual meeting was mailed or such public disclosure was made.

To be considered by the Committee, shareholder nominations must be accompanied by: (1) the name, age, business and residence address of the nominee; (2) the principal occupation or employment of the nominee for at least the last five years and a description of the qualifications of the nominee; (3) the number of shares of our stock that are beneficially owned by the nominee; and (4) any other information relating to the nominee that is required to be disclosed in solicitations for proxies for election of Directors under Regulation 14A of the Exchange Act, together with a written statement from the nominee that he or she is willing to be nominated and desires to serve, if elected. Also, the shareholder making the nomination should include: (1) his or her name and record address, together with the name and address of any other shareholder known to be supporting the nominee; and (2) the number of shares of our stock that are beneficially owned by the shareholder making the nomination and by any other supporting shareholders. Nominees for Director who are recommended by our shareholders will be evaluated in the same manner as any other nominee for Director.

We may require that the proposed nominee furnish us with other information as we may reasonably request to assist us in determining the eligibility of the proposed nominee to serve as a Director. At any meeting of shareholders, the Chairman of the Board may disregard the purported nomination of any person not made in compliance with these procedures.

During the year ended December 31, 2004, the Nominating and Corporate Governance Committee held 5 meetings. During 2004, and until the Annual Meeting, the Committee was and will be comprised of Mr. Bodenheimer, Mr. Helms and Lt. Gen DeLong. The Board has determined that Mr. Bodenheimer, Mr. Helms and Lt. Gen DeLong are independent within the meaning of the rules of the Nasdaq Stock Market. The Committee is governed by a written charter, which is reviewed on an annual basis. A copy of the current Nominating and Corporate Governance Committee Charter is available on the Company's website at www.sykes.com/investors.asp under the heading "Corporate Governance".

EMPLOYMENT AGREEMENTS

Charles E. Sykes. The Company and Mr. Sykes are parties to an employment agreement, dated August 1, 2004, the material terms and conditions of which are summarized below. The employment agreement replaced his employment agreement dated January 1, 2004, as amended. Under the agreement, Mr. Sykes serves as President and Chief Executive Officer of the Company. The term of the agreement expires on July 31, 2007, but will automatically be renewed for successive one-year terms unless one of the parties provides written notice of its intent not to renew the agreement at least 180 days prior to the expiration of the initial term or any renewal term. Under the agreement, Mr. Sykes' annual base salary will be \$375,000, subject to increase at the Company's discretion. Mr. Sykes also is entitled to a performance bonus up to 60% of his base salary based upon the achievement of specified goals as determined by the Compensation Committee, and to participate in such other bonus programs and benefit plans as are generally made available to other executive officers of the Company.

If the agreement is terminated by the Company prior to the expiration of the initial term or any renewal period for any reason other than death, disability, or cause (as defined in the agreement), or if the agreement is terminated by Mr. Sykes prior to the expiration of the initial term or any renewal period for good reason (as defined below), the Company is required to pay Mr. Sykes an amount equal to his weekly base salary through the end of the initial term or renewal period of the agreement or for 104 weeks, whichever is greater, and during such period Mr. Sykes is prohibited from soliciting the Company's employees and competing with the Company in any area in which the Company's clients were conducting business during the initial term or any renewal term of the agreement. If the agreement is terminated by Mr. Sykes following a change in control of the Company (as defined in the agreement) prior to the expiration of the initial term or any renewal period, the Company is required to pay Mr. Sykes an amount equal to his weekly base salary for 156 weeks from the date of termination, rather than 104 weeks, and to pay him an amount determined by multiplying the annual target bonus designated or otherwise indicated for him in the year such change of control occurs by a factor of three, and paying such amount over the 156-week period. Also, in the event the agreement is terminated by Mr. Sykes following a change in control, all stock options, stock grants or other similar equity incentives and/or compensation programs will immediately accelerate and become fully vested and exercisable at the option of Mr. Sykes upon the event of termination.

"Good reason" for Mr. Sykes' termination of the agreement is defined in the agreement as: (i) a change of control of the Company (as defined in the agreement), (ii) a good faith determination by Mr. Sykes that the Company has breached the employment agreement, (iii) a material adverse change in working conditions or status, (iv) the deletion of, or change in, any of the titles of CEO or President, (v) a significant relocation of Mr. Sykes' principal office, (vi) a significant increase in travel requirements, or (vii) an impairment of Mr. Sykes' health to an extent that made the continued performance of his duties under the agreement hazardous to his physical or mental health or his life.

The agreement provides that if Mr. Sykes' employment is terminated by the Company due to his death, disability or for cause, or voluntarily by Mr. Sykes other than for good reason, then the Company will have no obligation to pay him any salary, bonus or other benefits other than those payable through the date of termination, and Mr. Sykes may not solicit any of the Company's employees or compete directly or indirectly with the Company during the term of the agreement and for a period of one year after its termination, regardless of the reason for its termination. Under the agreement, Mr. Kipphut's annual base salary is \$368,500, subject to increase at the Company's discretion. Mr. Kipphut also is entitled to a performance bonus up to 60% of his base salary based upon the achievement of specified goals as determined by the Compensation Committee, and to participate in such other bonus programs and benefit plans as are generally made available to other executive officers of the Company.

If the agreement is terminated by the Company prior to the expiration of the initial term or any renewal period for any reason other than death, disability, or cause (as defined in the agreement), or if the agreement is terminated by Mr. Kipphut prior to the expiration of the initial term or any renewal period for good reason (as defined below), the Company is required to pay Mr. Kipphut an amount equal to his weekly base salary through the end of the initial term or renewal period of the agreement or for 52 weeks, whichever is greater, plus an amount equal to the maximum annual performance bonus he could earn (60% of his annual base salary), which would also be paid over the same period as the other payments. If the agreement is terminated by Mr. Kipphut following a change in control of the Company (as defined in the agreement) prior to the expiration of the initial term or any renewal period, the Company is required to pay Mr. Kipphut an amount equal to his weekly base salary for 104 weeks from the date of termination, rather than 52 weeks, plus an amount equal to twice the maximum annual performance bonus he could earn, which would also be paid over the 104-week period. Also, in the event the agreement is terminated by Mr. Kipphut following a change in control, all stock options, stock grants or other similar equity incentives and/or compensation programs will immediately accelerate and become fully vested and exercisable at the option of Mr. Kipphut upon the event of termination.

“Good reason” for Mr. Kipphut's termination of the agreement is defined in the agreement as: (i) a change of control of the Company (as defined in the agreement), (ii) a good faith determination by Mr. Kipphut that the Company has breached the employment agreement, (iii) a material adverse change in working conditions or status, (iv) the deletion of, or change in, any of the titles of Senior Vice President and Chief Financial Officer, (v) a significant relocation of Mr. Kipphut's principal office, (vi) a change in reporting such that Mr. Kipphut is required to report to someone other than the CEO, or (vii) a significant increase in travel requirements.

The agreement provides that if Mr. Kipphut's employment is terminated by the Company due to his death, disability or for cause, or voluntarily by Mr. Kipphut other than for good reason, then the Company will have no obligation to pay him any salary, bonus or other benefits other than those payable through the date of termination.

The agreement provides that Mr. Kipphut may not solicit any of the Company's employees or compete directly or indirectly with the Company during the term of the agreement and for one year after its expiration in any area in which the Company's clients were conducting business during the initial term or any renewal term of the agreement. If the agreement is terminated by the Company or Mr. Kipphut prior to the end of its term, regardless of the reason for its termination the non-solicitation and non-competition provisions will remain in effect through the end of the initial term or renewal period or for 52 weeks after termination, whichever is greater. - Mr. Sykes and his qualified dependents, as determined by the Company, may participate in the Company's health insurance plan at their own expense.
- The Company will provide Mr. Sykes with a secretary and an office at the Company's headquarters in Tampa, Florida, to facilitate a reasonable management transition.

During the period from December 31, 2004, through October 1, 2006, the Company will pay Hyde Park Equity, LLC, a limited liability company owned by Mr. Sykes, fees of \$150,000, in seven equal quarterly installments of \$21,428, for consulting services to be provided by Mr. Sykes through Hyde Park Equity. In the event of Mr. Sykes' death prior to October 1, 2006, the Company shall pay only a pro rata amount for the quarter in which Mr. Sykes dies, and nothing further shall be owed for consulting services. For such amount, Hyde Park Equity will cause Mr. Sykes to provide up to 37.5 days of consulting services per year at the request of the Board of Directors or its Chairman. Such services will include advice dealing with significant business issues and an orderly management transition. Additional days of service will be billed at \$2,000 per day. The Company will also reimburse Hyde Park Equity for out of pocket business expenses incurred in connection with providing services to the Company.

Under the retirement and consulting agreement, Mr. Sykes agreed not to compete with the Company for a period from December 31, 2004, through October 1, 2006 within the geographic areas where the Company markets its services and products, including but not limited to the continental United States, with certain limited exceptions including a temporary personnel staffing business.

Employment Agreement. The Company and Mr. Sykes were parties to an amended and restated employment agreement, dated October 1, 2001, the material terms and conditions of which are summarized below. The employment agreement provided for an initial term of five years and automatic renewals for successive one-year terms, unless terminated by either party with 180 day's prior notice. Under the agreement, Mr. Sykes' initial base salary was set at \$550,000 until December 31, 2002, with the base salary increasing as determined by the Board of Directors. The employment agreement provided that the annual base salary would be increased at least 30% on October 1, 2003, increased by at least another 15% on the fourth anniversary of the agreement (October 1, 2005), and increased by at least another 15% on each bi-annual (i.e. two year) anniversary thereafter. Mr. Sykes was also entitled to performance bonuses as determined by the Compensation Committee and to participate in such bonus programs and other benefit plans as are generally made available to other executive officers of the Company. Additionally, at the end of each fiscal year, the Board of

Directors, in their discretion, could award Mr. Sykes a bonus based upon his performance during such fiscal year.

Due to the enactment of the Sarbanes-Oxley Act of 2002 in June 2002 and changes in the law related to split dollar life insurance premiums and benefits, the Compensation and Human Resource Development Committee determined in 2002 that it was in the best interest of the Company and Mr. John Sykes for the Company to cease making premium payments on the split dollar insurance policies on Mr. John Sykes' life, and instead to increase Mr. Sykes' compensation by an amount equal to those premium payments, grossed up for tax effect. Accordingly, effective January 1, 2003, Mr. Sykes' base compensation was increased from \$550,000 to \$792,478, and he was responsible for making all future premium payments on those split dollar life insurance policies. The Company is entitled to recover out of the death benefits payable under the policies an amount equal to the premiums previously paid by the Company.

The employment agreement provided that if the agreement was terminated by the Company for any reason other than for cause (as defined therein), death or disability, the Company would continue to pay the full amount of Mr. Sykes' annual base salary throughout the initial term or any successor term. Mr. Sykes was also to continue to receive the full amount of his annual base salary throughout the initial term or any successor term in the event there is: (i) a change of control, (ii) a good faith determination by Mr. Sykes that the Company had breached the employment agreement, (iii) a material adverse change in working conditions or status, (iv) the deletion of, or change in, any of the titles of Chairman of the Board, CEO or President, (v) a significant relocation of Mr. Sykes' principal office, (vi) a significant increase in travel requirements, or (vii) an impairment of Mr. Sykes' health to an extent that made the continued performance of his duties under the agreement hazardous to his physical or mental health or his life. During the term of his employment with the Company, Mr. Sykes was prohibited from competing with the Company in any area in which the Company's business was then conducted. The agreement contained customary confidentiality provisions.

The employment agreement also provided that upon its termination for any reason, including cause, benefits would continue during the lifetime of Mr. Sykes and the lifetime of his spouse if he was married at the time of his death. Benefits include all employee benefit plans and programs in which Mr. Sykes was entitled to participate immediately before termination. Further, if the Company determined that resources were then reasonably available, the Company would also provide Mr. Sykes with an office and a secretary at the Company's headquarters.

Upon Mr. John Sykes' retirement, the Company's Board of Directors recognized his contribution to the Company as its founder and Chairman of the Board for over twenty six years, by naming Mr. John Sykes as honorary "Chairman Emeritus." In this capacity, Mr. Sykes may be invited to Board meetings, but will not have a vote on matters before the Board.

Executive Deferred Compensation Plan

The Company adopted the Deferred Compensation Plan effective December 17, 1998, as an unfunded deferred compensation arrangement for a select group of management or highly compensated personnel. Compensation deferred by a participant while he is a participant in the Plan is deferred until such participant's retirement, termination, disability or death, or a change in control of the Company, as defined in the Plan, and in such event is paid out to the participant or his beneficiary.

Participants in the Plan may elect to defer any amount of base compensation and bonus. The Company matches a portion of amounts deferred by a participant on a quarterly basis as follows: 50% match on salary deferred, up to a total match of \$12,000.00 per year for senior vice presidents and \$7,500.00 per year for vice

presidents and other participants. The total amount of the matching contribution made to the Plan is made in the form of Sykes common stock.

With respect to the distribution of the participant's matching contribution, a participant may elect a distribution of the Sykes common stock in the participant's deferred compensation account, or a distribution of the cash value of the common stock in the participant's account. The distribution of any matching contribution made by the Company and earnings attributable thereto will be paid as soon as administratively feasible twelve months after retirement or termination of employment. Alternatively, a participant may, at the time of initial participation in the Plan, elect to receive benefits under the Plan in the event of retirement or disability in 120 monthly installments of an amount equal to the fair market value of the assets in the participant's deferred compensation account as of the effective date of his retirement or termination of employment due to disability.

In the event the participant terminates employment (for reasons other than death, disability or retirement) without participating in the plan for three years, the matching contributions and earnings attributable thereto are forfeited. In the event that a participant terminates employment after three years, but less than six years of participation in the Plan, the participant forfeits 75% of the matching contribution and earnings. In the event a participant terminates employment after six years but less than ten years of participation in the Plan, the participant forfeits 50% of the matching contribution and earnings.

In the event of a distribution of benefits as a result of a change in control, the Company will increase the benefit by an amount sufficient to offset the income tax obligations created by the distribution of benefits.

Participants forfeit undistributed matching contributions if the participant is terminated for "cause" as defined in the Plan or the participant enters into a business or employment which the CEO determines to be in violation of any non-compete agreement between the participant and the Company.

COMPENSATION AND HUMAN RESOURCE DEVELOPMENT COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Introduction

Under rules of the Commission, the Company is required to provide certain information concerning compensation provided to the Company's Chief Executive Officer and its other executive officers. The disclosure requirements for the executive officers include the use of tables and a report of the Committee responsible for compensation decisions for the named executive officers explaining the rationale and considerations that led to those compensation decisions. Therefore, the Compensation and Human Resource Development Committee of the Board of Directors has prepared the following report for inclusion in this Proxy Statement.

Compensation and Human Resource Development Committee Role

The Compensation and Human Resource Development Committee of the Board of Directors has the responsibility to review annually and recommend to the full Board, the compensation for the Chief Executive Officer as well as the other executive officers. The forms of compensation considered by the Committee include base salary, annual and performance based cash bonuses and fringe benefits. The Company's Stock Option Committee, a subcommittee of the Compensation and Human Resource Development Committee, is responsible for reviewing the equity incentive component of the Company's compensation program for its

employees generally, and specifically its executive officers, including the named executive officers. The Stock Option Committee is responsible for making stock option grants under the Company's 2001 Equity Incentive Plan to executive officers of the Company. The Committee and the Stock Option Committee are comprised of members of the Board who are not employees of the Company. Although these committees consider different components of the executive employees' compensation, they are currently comprised of the same non-employee Board members.

Compensation Philosophy

The Committee's philosophy on executive compensation is based upon several fundamental concepts. First, the Committee believes that the level of individual compensation should be competitive with selected survey groups. Second, compensation generally, and bonus compensation specifically, should be designed to provide significant incentives for superior personal and corporate performance. Third, the executive's compensation package should be designed to align the interests of the executive with that of the Company's shareholders. The Committee believes that executive compensation, if determined in accordance with this philosophy, will enable the Company to attract and retain the services of highly qualified and motivated executives. These goals are achieved by designing executive compensation packages that include a base salary, discretionary and performance based cash bonuses and periodic grants of stock options. The Company's policies with respect to these elements, including the basis for the compensation awarded the Company's chief executive officer, are discussed below.

The Committee oversees the operation of the Company's executive compensation policies. The Company occasionally retains independent compensation consultants, and regularly utilizes published surveys with industry, geographical and position specific data to compare the Company's compensation programs with various other companies with similar characteristics. While the elements of compensation described below are considered separately, the Committee takes into account the full compensation package offered by the Company to the individual, including health care and other insurance benefits and contributions made by the Company under the Company's 401(k) Plan, Employee Stock Purchase Plan and Deferred Compensation Plan.

Base Salaries. The Company has established competitive annual base salaries for all executive officers, including the named executive officers. The annual base salaries for each of the Company's executive officers, including the Company's chief executive officer, reflect the subjective judgment of the Committee based on their consideration of the executive officer's position with the Company, the executive officer's tenure, the Company's needs, a comparative analysis of published compensation data as described above, and the executive officer's individual performance, achievements, and contributions to the growth of the Company.

Mr. John H. Sykes' annual base salary for 2004, as the Company's Chief Executive Officer, was \$957,478. This amount reflects the original base salary of \$550,000, increased by 30% on October 1, 2003, all as set forth in Mr. Sykes' employment agreement, and adjusted by \$242,478 effective January 1, 2003 to provide for the payment of premiums on split dollar life insurance policies as described above in the section entitled "Employment Agreements."

Mr. Charles Sykes' annual base salary for 2004 as the Company's Chief Executive Officer, was \$375,000. Mr. Charles Sykes' annual salary as of January 1, 2004 was \$300,000. His annual salary was raised to \$350,000 on May 7, 2004 upon appointment as the President and Chief Operating Officer, and then was raised again to its current level of \$375,000 on August 1, 2004 upon his appointment as Chief Executive Officer.

Annual Bonus. The Company's executive officers are eligible for an annual cash bonus under the Company's Bonus Program. The Bonus Program provides for the discretionary payment of annual incentive awards to key employees, including executive officers of the Company, pursuant to individually developed formulas related to the Company's operating goals and personal performance goals. Payments under the Bonus Program are discretionary and are subject to certain limitations. Mr. John H. Sykes did not receive any cash bonuses during the year ended December 31, 2004. Mr. Charles Sykes received a cash bonus of \$52,713 during the year ended December 31, 2004.

Stock Options. Under the Company's 2001 Equity Incentive Plan (the "2001 Plan"), stock options may be granted to all employees. The 2001 Plan is administered by the Compensation and Human Resource Development Committee in accordance with Rule 16b-3 of the Securities Exchange Act of 1934, as amended. The Compensation and Human Resource Development Committee recommended that no stock options under the 2001 Plan be made available for issuance during the year ended December 31, 2004. Accordingly, no stock options were awarded to executive officers in 2004.

Section 162(m) Limitations

Under Section 162(m) of the Internal Revenue Code, a tax deduction by corporate taxpayers, such as the Company, is limited with respect to the compensation of certain executive officers, unless such compensation is based upon performance objectives meeting certain regulatory criteria or is otherwise excluded from the limitation. Based upon the Committee's commitment to link compensation with performance as described in this report, the Committee currently intends to qualify compensation paid to the Company's executive officers for deductibility by the Company under Section 162(m).

STOCK PRICE PERFORMANCE GRAPH

The following graph presents a comparison of the cumulative total shareholder return on the common stock with the cumulative total return on the Nasdaq Stock Market (U.S.) Index, the Nasdaq Computer and Data Processing Services Index, the Nasdaq Telecommunications Index, the Russell 2000 Index and the Sykes Peer Group (as defined below**). The Company intends to remove the Nasdaq Stock Market (U.S.) Index from its comparison next year due to the fact that it contains small, medium and large capitalization (“cap”) stocks which compromises its use as a comparison to the Company’s stock, which is a small cap stock. The Company is adding this year the Russell 2000 Index, of which the Company is a member. The Russell 2000 Index measures the performance of the 2,000 smallest cap companies in the Russell 3000 Index. The Company is also adding a Peer Group comprised of publicly traded companies that derive a substantial portion of their revenues from the call center, customer care business, have similar business models to the Company, and are those most commonly compared to the Company by industry analysts following the Company. This graph assumes that \$100 was invested on December 31, 1999 in the Company’s common stock, the Nasdaq Stock Market (U.S.) Index, the Nasdaq Computer and Data Processing Services Index, the Nasdaq Telecommunications Index, the Russell 2000 Index and Sykes Peer Group.

**SYKES ENTERPRISES, INCORPORATED
2004 NONEMPLOYEE DIRECTOR FEE PLAN**

ARTICLE I. DEFINITIONS

1.1 Definitions. Whenever the following terms are used in this Plan they shall have the meanings specified below unless the context clearly indicates to the contrary:

- (a) "Board": The Board of Directors of the Company.
- (b) "Common Stock": The Company's Common Stock, par value \$.01 per share.
- (c) "Common Stock Unit": A bookkeeping entry that records the equivalent of one Share.
- (d) "Company": Sykes Enterprises, Incorporated or any successor or successors thereto.
- (e) "Nonemployee Director": An individual duly elected or chosen as a Director of the Company who is not also an employee of the Company or its subsidiaries.
- (f) "Plan": The Plan set forth in this instrument as it may, from time to time, be amended.
- (g) "Share": A fully paid, non-assessable share of Common Stock.

ARTICLE II. PURPOSE

The purpose of this Plan is to secure for the Company and its shareholders the benefits of the incentive inherent in increased ownership of Common Stock of the Company by members of the Board of Directors of the Company who are not employees of the Company or any of its Subsidiaries, by providing for the payment of a portion of each Nonemployee Director's compensation in Common Stock. It is expected that such ownership will further align the interests of such Nonemployee Directors with the shareholders of the Company, thereby promoting the long-term profits and growth of the Company, and will encourage such Nonemployee Directors to remain directors of the Company and provide them with the benefits of deferring the receipt of some of such compensation. It is also expected that the Plan will encourage qualified persons to become directors of the Company.

ARTICLE III. INITIAL GRANT OF COMMON STOCK UNITS

In consideration of joining the Board, upon the initial election of a Nonemployee Director to the Board, such Nonemployee Director shall receive an award of Common Stock Units. The number of Common Stock Units shall be determined by dividing a dollar amount to be determined from time to time by the Board (initially set at \$30,000) by an amount equal to 110% of the average closing prices of the Company's common stock for the five trading days prior to the date the Nonemployee Director is elected, rounded to the nearest whole number of Common Stock Units. The initial grant of Common Stock Units will vest in three equal installments, one-third on the date of each of the following three annual shareholders' meetings.

ARTICLE IV. ANNUAL RETAINER FEE

In consideration of their services as members of the Board, each Nonemployee Director shall be entitled to receive an annual retainer fee in such amount as shall be determined from time to time by the Board (initially set at \$50,000). The annual retainer fee shall be payable in advance on the day after the annual shareholders' meeting in such year and shall be paid 25% in cash and 75% in Common Stock Units. The number of Common Stock Units shall be determined by dividing 75% of the amount of the annual retainer fee by an amount equal to 105% of the average of the closing prices for the Company's common stock on the five trading days preceding the award date (the day after the annual meeting), rounded to the nearest whole number of Common Stock Units. The annual grant of Common Stock Units will vest in two equal installments, one-half on the date of each of the following two annual shareholders' meetings. The provision in this Article IV for the payment of an annual retainer fee to Nonemployee Directors shall not limit the ability of the Board to provide for additional compensation payable to Nonemployee Directors for services on behalf of the Board over and above those typically expected of Directors, including serving as Chair of a Board committee.

ARTICLE V. ACCELERATION OF VESTING OF COMMON STOCK UNITS

Notwithstanding any provision hereof to the contrary, all Common Stock Units shall automatically vest upon the termination of a Director's service as a Director, whether by reason of death, retirement, resignation, removal or failure to be reelected at the end of his or her term.

ARTICLE VI. ISSUANCE OF SHARES OF COMMON STOCK FOR COMMON STOCK UNITS

Upon the vesting of Common Stock Units, the Nonemployee Director shall be entitled to receive for each vested Common Stock Unit one Share, and the vested Common Stock Units shall be canceled. The Company shall cause a certificate representing such Shares to be issued to the Nonemployee Director promptly following the vesting of the Common Stock Units.

ARTICLE VII. ADMINISTRATION, AMENDMENT AND TERMINATION

7.1 Administration. The Plan shall be administered by the Board. The Board shall have such powers as may be necessary to discharge its duties hereunder. The Board may, from time to time, employ agents and delegate to them such administrative duties as it sees fit, and may from time to time consult with legal counsel who may be counsel to the Company. All decisions and determinations by the Board shall be final and binding on all parties.

7.2 Amendment and Termination. The Board may alter or amend this Plan from time to time or may terminate it in its entirety; provided, however, that no such action shall, without the consent of a Nonemployee Director, affect the rights in any Common Stock Units issued to such Nonemployee Director; and further provided, that, any amendment which must be approved by the shareholders of the Company in order to comply with applicable law or the rules of any national securities exchange or securities listing service upon which the Shares are traded or quoted shall not be effective unless and until such approval is obtained. Presentation of the Plan or any amendment thereof for shareholder approval shall not be construed to limit the Company's authority to offer similar or dissimilar benefits in plans that do not require shareholder approval.

7.3 Adjustments. In the event of any change in the outstanding Common Stock by reason of (a) any stock dividend, stock split, combination of shares, recapitalization or any other change in the capital structure of the Company, (b) any merger, consolidation, spin-off, split-off, spin-out, split-up, reorganization, partial or complete liquidation or other distribution of assets, issuance of rights or warrants to purchase securities, or (c) any other corporate transaction or event having an effect similar to any of the foregoing, the number or kind of Shares that may be issued under the Plan and the number of Common Stock Units credited to a Nonemployee Director automatically shall be adjusted so that the proportionate interest of the Nonemployee Directors shall be maintained as before the occurrence of such event. Such adjustment shall be conclusive and binding for all purposes with respect to the Plan.

7.4 Successors. The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation, reorganization or otherwise) to all or substantially all of the business and/or assets of the Company expressly to assume and to agree to perform this Plan in the same manner and to the same extent the Company would be required to perform if no such succession had taken place. This Plan shall be binding upon and inure to the benefit of the Company and any successor of or to the Company, including without limitation any persons acquiring directly or indirectly all or substantially all of the business and/or assets of the Company whether by sale, merger, consolidation, reorganization or otherwise (and such successor shall thereafter be deemed the "Company" for the purpose of this Plan), and the heirs, beneficiaries, executors and administrators of each Nonemployee Director.

ARTICLE VIII. SHARES SUBJECT TO PLAN

Subject to adjustment as provided in this Plan, the total number of Shares of Common Stock which may be issued under this Plan shall be Four Hundred Fifty Thousand (450,000). Shares may be shares of original issuance or treasury shares or a combination of the foregoing.

ARTICLE IX. EFFECTIVE DATE; APPROVAL BY SHAREHOLDERS

The Plan shall be effective as of May 6, 2004, and shall be submitted for approval by the shareholders of the Company at the 2005 annual shareholders' meeting. If such approval is not obtained at such meeting, this Plan shall be nullified and all Common Stock Units issued prior to such annual meeting shall be canceled automatically.

ARTICLE X. GENERAL PROVISIONS

10.1 No Continuing Right to Serve as a Director. Neither the adoption or of this Plan, nor any document describing or referring to this Plan, or any part thereof, shall confer upon any Nonemployee Director any right to continue as a director of the Company or any subsidiary of the Company.

10.2 Rights as a Shareholder. Until the vesting of a Common Stock Unit, a Nonemployee Director shall have none of the rights of a shareholder with respect to his or her Common Stock Units. Upon the vesting of a Common Stock Unit, the Nonemployee Director shall have the right to receive a Share for such Common Stock Unit, shall be deemed to be the owner of such Share which shall be deemed to be issued and outstanding, and shall have all of the rights of a shareholder with respect to such Share.

10.3 Governing Law. The provisions of this Plan shall be governed by construed in accordance with the laws of the State of Florida.

10.4 Withholding Taxes. To the extent that the Company is required to withhold Federal, state or local taxes in connection with any component of a Nonemployee Director's compensation in cash or Shares, and the amounts available to Company for such withholding are insufficient, it shall be a condition the receipt of any Shares that the Nonemployee Director make arrangements satisfactory to the Company for the payment of the balance of such taxes required to be withheld, which arrangement may include relinquishment of the Shares. The Company and a Nonemployee Director may also make similar arrangements with respect to payment of any other taxes derived from or related to the payment of Shares with respect to which withholding is not required.

10.5 Miscellaneous. Headings are given to the sections of this Plan as a convenience to facilitate reference. Such headings, numbering and paragraphing shall not in any case be deemed in any way material or relevant to the construction of this Plan or any provisions thereof. The use of the singular shall also include within its meaning the plural, and vice versa.
