**PROXY STATEMENT
FOR
1998 ANNUAL MEETING OF SHAREHOLDERS**

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Sykes Enterprises, Incorporated (the "Company") for the Annual Meeting of Shareholders (the "Annual Meeting") to be held at the Wyndham Harbour Island Hotel, 725 South Harbour Island Boulevard, Tampa, Florida, on Thursday, April 30, 1998, at 10:00 a.m., Eastern Standard Time, or any adjournment thereof.

If the accompanying proxy form ("Proxy") is completed, signed, returned to the Company, and not revoked, the shares represented thereby will be voted at the Annual Meeting as directed by the shareholder. The giving of the Proxy does not affect the right to vote in person should the shareholder be able to attend the Annual Meeting. The shareholder may revoke the Proxy at any time prior to the voting thereof.

The annual report to shareholders of the Company for the year ended December 31, 1997, along with this Proxy Statement, are first being mailed on or about March 30, 1998, to shareholders entitled to vote at the Annual Meeting.

SHAREHOLDERS ENTITLED TO VOTE

Only shareholders of record as of the close of business on March 2, 1998 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. At that date, there were 39,106,033 shares of common stock, \$.01 par value per share ("Common Stock"), outstanding and entitled to vote. Each outstanding share of Common Stock is entitled to one vote on all matters submitted to a vote of shareholders.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting, who will also determine whether a quorum is present for the transaction of business. The Company's Bylaws provide that a quorum is present if the holders of a majority of the issued and outstanding shares of Common Stock entitled to vote at the meeting are present in person or represented by proxy. Abstentions will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum is present. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a "broker non-

vote"). Neither abstentions nor broker non-votes are counted in determining whether a proposal has been approved.

Under Florida law, if a quorum exists, directors are elected by a plurality of the votes cast by the shares entitled to vote in the election. The proposals set forth herein to approve, (i) amending the Company's Articles of Incorporation to expand the indemnification provisions thereof to include all of the Company's officers and directors, all of the officers and directors of all the Company's domestic subsidiaries, and all persons rendering services to the Company's foreign subsidiaries in capacities as officers and directors or in equivalent, identical, or similar capacities; and (ii) the adoption of the Company's 1997 Management Stock Incentive Plan, will be adopted if a majority of the total votes present or represented and entitled to vote at the Annual Meeting vote in favor of such proposals.

Shareholders are requested to vote by completing the enclosed Proxy and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are urged to indicate their votes in the spaces provided on the Proxy. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, signed Proxies will be voted FOR each of the proposals listed in the Notice of Annual Meeting of Shareholders which are set forth more completely herein. Returning your completed Proxy will not prevent you from voting in person at the Annual Meeting, should you be present and wish to do so.

Any shareholder giving a Proxy has the power to revoke it at any time before it is exercised by, (i) filing with the Secretary of the Company written notice thereof, (ii) submitting a duly executed Proxy bearing a later date, or (iii) appearing at the Annual Meeting and giving the Secretary notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournment thereof and will not be used for any other meeting. Proxies solicited hereby will be returned to the Board of Directors and will be tabulated by inspectors of election designated by the Board of Directors who will not be employed by the Company or any of its affiliates.

The cost of solicitation of Proxies by mail on behalf of the Board of Directors will be borne by the Company. Proxies also may be solicited by personal interview or by telephone, in addition to the use of the mails, by directors, officers, and regular employees of the Company without additional compensation therefor. The Company also has made arrangements with brokerage firms, banks, nominees, and other fiduciaries to forward proxy solicitation materials for shares of Common Stock held of record to the beneficial owners of such shares. The Company will reimburse such record holders for their reasonable out-of-pocket expenses.

PROPOSAL 1:

ELECTION OF DIRECTORS

THE BOARD OF DIRECTORS RECOMMENDS THE FOLLOWING NOMINEES FOR ELECTION AS DIRECTORS AND URGES EACH SHAREHOLDER TO VOTE "FOR" THE NOMINEES. PROXIES IN THE ACCOMPANYING FORM WILL BE VOTED AT THE ANNUAL MEETING, UNLESS AUTHORITY TO DO SO IS WITHHELD, IN FAVOR OF THE ELECTION AS DIRECTORS OF THE NOMINEES NAMED BELOW.

The Company's Board of Directors is divided into three classes (designated "CLASS I," "CLASS II," and "CLASS III"), as nearly equal as possible, with each class serving three-year terms expiring at the third annual meeting of shareholders after their elections. The term of the current CLASS II directors expires at the 1998 Annual Meeting of Shareholders. Accordingly, three CLASS II directors will be elected at the Annual Meeting to serve until their terms expire at the 2001 Annual Meeting of Shareholders (in each case, until their respective successors are elected and qualified). In the event any such nominee is unable to serve,

the persons designated as proxies will cast votes for such other person in their discretion as a substitute nominee. The Board of Directors has no reason to believe that the nominees named below will be unavailable, or if elected, will decline to serve.

PROPOSAL 2:

**APPROVAL OF THE AMENDMENT TO THE COMPANY'S
ARTICLES OF INCORPORATION**

THE BOARD OF DIRECTORS RECOMMENDS THE APPROVAL OF THE AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO EXPAND THE INDEMNIFICATION PROVISIONS THEREOF TO INCLUDE ALL OF THE OFFICERS AND DIRECTORS OF THE COMPANY AND EACH OF ITS DOMESTIC SUBSIDIARIES AND ALL PERSONS RENDERING SERVICES TO THE COMPANY'S FOREIGN SUBSIDIARIES IN CAPACITIES AS OFFICERS AND DIRECTORS OR IN EQUIVALENT, IDENTICAL, OR SIMILAR CAPACITIES AND URGES EACH SHAREHOLDER TO VOTE "FOR" THE AMENDMENT. EXECUTED AND UNMARKED PROXIES IN THE ACCOMPANYING FORM WILL BE VOTED AT THE ANNUAL MEETING IN FAVOR OF THE APPROVAL OF THE AMENDMENT.

The sole purpose of the amendment is to make identical the scope of the indemnification provisions contained in the Company's Articles of Incorporation and Bylaws. The amendment is attached to this Proxy Statement as Exhibit A.

At the July 24, 1997 Board of Directors meeting, the Board broadened the indemnification provisions in the Company's Bylaws to include all of the officers and directors of the Company and its domestic subsidiaries and all persons rendering services to the Company's foreign subsidiaries in capacities as officers and directors

or in equivalent, identical, or similar capacities. Before that amendment, the indemnification provisions in the Company's Bylaws and Articles of Incorporation provided for indemnification of only the Company's directors and executive officers.

The Board has concluded that it is in the best interest of the Company to expand the scope of officers and directors entitled to be indemnified by the Company and, in that regard, has expanded the scope of the indemnification provisions in the Bylaws. The amendment to the Company's Articles of Incorporation would make the indemnification provision in the Articles of Incorporation consistent with the Bylaws. Accordingly, the Board has determined that the amendment to the Company's Articles of Incorporation is advisable and voted to recommend it to the Company's shareholders for approval. If the amendment is approved by the Company's shareholders, the Company will file Articles of Amendment to the Company's Articles of Incorporation to that effect with the Florida Department of State. Upon acceptance of that filing, the amendment would become effective.

PROPOSAL 3:

APPROVAL OF THE ADOPTION OF THE COMPANY'S 1997 MANAGEMENT STOCK INCENTIVE PLAN

THE BOARD OF DIRECTORS RECOMMENDS THE APPROVAL OF THE COMPANY'S 1997 MANAGEMENT STOCK INCENTIVE PLAN (THE "1997 PLAN") AND URGES EACH SHAREHOLDER TO VOTE "FOR" THE APPROVAL. EXECUTED AND UNMARKED PROXIES IN THE ACCOMPANYING FORM WILL BE VOTED AT THE ANNUAL MEETING IN FAVOR OF APPROVING THE 1997 PLAN.

GENERAL

At the October 15, 1997 Board of Directors meeting, the Board of Directors adopted the 1997 Plan, subject to shareholder approval. The purpose of the 1997 Plan is to reward key officers and managers of the Company for superior service, to induce such persons to remain in the employ of the Company, to provide incentives to enhance such persons' performance, and to encourage such persons to secure or increase their stock ownership of the Company. The Company expects to continue its practice of making stock options an important part of the total compensation program for the Company's officers and managers. The 1997 Plan, however, is designed to more closely link management pay to the Company's performance and thus shareholder interests.

PERFORMANCE-BASED ACCELERATED VESTING

The Plan is a hybrid of a performance-based option plan and a traditional stock option plan such as the Company's 1996 Employee Stock Option Plan. Options to be granted under the 1997 Plan will vest when certain performance objectives are satisfied. These performance objectives may include earnings growth, return on equity, the requirement that certain stock price levels be reached, or other goals. Unlike a true performance-based plan, however, options to be granted under the 1997 Plan eventually will vest after a longer time frame (within the ten-year option term) if the performance objectives have not previously been satisfied. A fixed vesting date before the end of the ten-year option term is a condition to maintaining conventional accounting treatment for these options. Without a fixed vesting date, such as with true performance-based plans, the Company would have to recognize a charge to earnings equal to the gain in share price over the option exercise price until the performance goal is satisfied multiplied by the number of shares under those options. This accounting treatment potentially could result in adverse fluctuations in the Company's earnings.

Accordingly, options to be granted under the 1997 Plan will link the ability to exercise the option to the achievement of business targets for the Company in the form of performance objectives, thus focusing management on business performance that creates shareholder value. At the same time, these options will avoid the earnings charge associated with true performance-based plans.

ADMINISTRATION OF THE 1997 PLAN

The 1997 Plan will be administered by the Compensation Committee of the Board of Directors, which is composed of two or more "non-employee directors" in accordance with the requirements of Rule 16b-3 promulgated pursuant to Section 16(b) of the Securities Act of 1934. The Compensation Committee will be responsible for establishing the performance objectives as well as the other terms and conditions of option grants under the 1997 Plan. The Compensation Committee has not made a determination with respect to any option grants under the 1997 Plan.

SHARES SUBJECT TO OPTIONS

The 1997 Plan permits options to be granted to purchase up to 4,000,000 shares of Common Stock. To the extent that options granted under the 1997 Plan expire or terminate without having been exercised in full, the Common Stock subject thereto will become available for further options under the 1997 Plan. Provision is made under the 1997 Plan for appropriate adjustment in the number of shares of Common Stock covered by the 1997 Plan and by each option granted thereunder and the related option price, in the event of any change in the Common Stock by reason of a stock dividend, merger, reorganization, stock split, recapitalization, combination, exchange of shares, or otherwise.

ELIGIBLE EMPLOYEES

The Committee may grant options under the 1997 Plan to officers and managers of the Company or its subsidiaries. Approximately 300 officers and managers of the Company will be eligible to participate in the 1997 Plan.

STOCK OPTIONS

The Compensation Committee will establish the terms and conditions of the options granted under the 1997 Plan subject to certain limitations specified in the 1997 Plan. Only non-qualified stock options may be granted under the 1997 Plan, and incentive stock options may not be granted. The exercise price of any option granted must be no less than the fair market value of the Common Stock on the date that the option is granted. For purposes of the 1997 Plan, the "fair market value" of the Common Stock is defined as the average of the highest reported bid and lowest reported asked prices on the NASDAQ National Market.

The term of each option granted under the 1997 Plan shall be as determined by the Compensation Committee, provided that the term of any option may not exceed ten years. In addition, the 1997 Plan permits the Compensation Committee to establish the performance objectives with respect to option grants that will cause the vesting period to accelerate. These performance objectives include criteria based on pre-tax earnings, operating earnings, after-tax earnings, return on investment, earnings value added, earnings per share, revenues, cash flow, return on assets, return on capital, return on equity, return on sales, operating margin, or total shareholder return or stock price appreciation.

Payment of the option price may be made in cash or by delivery of shares of Common Stock equivalent in fair market value to the option price. Upon exercise of any option, the optionee must pay in full the option price for the shares of Common Stock being purchased.

Options granted under the 1997 Plan are not transferable other than by will or by the laws of descent and distribution. During the lifetime of an optionee, his or her option will be exercisable only by him or her and only while continuously employed by the Company or one of its subsidiaries; or, if after termination of employment, either within (i) 30 days of a termination other than for cause, or by reason of the optionee's death, retirement, or permanent disability; or (ii) three months after termination of employment by reason of the optionee's death, retirement, or permanent disability, but only if and to the extent that the option was exercisable on the last day of such employment. If an optionee is terminated for cause, all rights to any options under the 1997 Plan will terminate immediately.

FEDERAL INCOME TAX CONSEQUENCES

No taxable income is realized by an optionee and no tax deduction is available to the Company upon the grant of a non-qualified stock option (incentive stock options cannot be granted under the 1997 Plan). The exercise of a non-qualified option will result in the recognition of ordinary income by the optionee at the time of exercise in an amount equal to the excess of the fair market value of the Common Stock acquired at such time over the exercise price for the option. The Company will generally be entitled to a deduction in the same amount and at the same time as ordinary income is recognized by the optionee. A subsequent disposition of the Common Stock by the optionee will typically give rise to capital gain or loss to the extent the amount realized from the sale differs from the optionee's tax basis, which is usually the fair market value of the Common Stock acquired on the date of exercise. This capital gain or loss will be a long-term gain or loss if the Common Stock sold had been held for more than one year after the date of exercise.

BOARD OF DIRECTORS

GENERAL

The Board of Directors held seven meetings during the year ended December 31, 1997. The Board of Directors also took certain actions by unanimous written consent in lieu of a meeting, as permitted by Florida law. During 1997, the Audit Committee met two times, the Compensation Committee met four times, and the Stock Option Committee met one time. All directors attended all meetings of the Board of Directors and all committees on which they served during the year ended December 31, 1997, except as follows: Mr. Loetz did not attend one Board of Directors meeting; Ms. Sink did not attend one Board of Directors meeting since joining the Board of Directors; and Mr. Milani did not attend one Compensation Committee meeting.

DIRECTOR COMPENSATION

Directors who are executive officers of the Company receive no compensation as such for service as members of either the Board of Directors or any committees of the Board. Directors who are not executive officers of the Company receive (subsequent to the Annual Meeting) an annual fee of \$5,000, payable in cash or shares of Common Stock based on the fair market value of the Common Stock on the date of payment at the election of each director, plus \$1,000 per Board and committee meeting attended. The outside directors also receive options to purchase Common Stock under the Company's 1996 Non-Employee Director Stock Option Plan.

Mr. Milani and the Company entered into a one-year consulting agreement on April 1, 1996 providing for an annual fee of \$100,000. This one-year consulting agreement was renewed on the same terms effective April 1, 1997. The agreement requires Mr. Milani to provide certain technical consulting services to the Company as requested by the Company. The agreement terminated March 30, 1998, and was not renewed.

COMMITTEES OF THE BOARD

The Board of Directors has established committees whose responsibilities are summarized as follows:

The Audit Committee recommends to the Board the appointment of the independent certified public accountants and reviews and approves the Company's financial statements. The Audit Committee is also responsible for the review of transactions between the Company and any Company officer, director, or entity in which a Company officer or director has a material interest. Mr. Loetz resigned from the Audit Committee in October 1997 prior to commencing employment with the Company.

Compensation Committee. The Compensation Committee is comprised of Messrs. Bodenheimer, Milani, and Stroker and is responsible for establishing the compensation of the Company's directors, officers, and other managerial personnel, including salaries, bonuses, termination arrangements, and other executive officer benefits.

Mr. Milani was not a member of the Stock Option Committee prior to the termination of his consulting agreement with the Company and joined the committee as of April 1, 1998.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company's Compensation Committee was established in connection with the Company's initial public offering in April 1996. The members of the Compensation Committee are Messrs. Bodenheimer, Milani, and Stroker. Except for Mr. Sykes, no officer or employee of the Company has participated in deliberations of the Board of Directors concerning executive officer compensation.

Mr. Milani and the Company entered into a one-year consulting agreement on April 1, 1996, providing for an annual fee of \$100,000. This one-year consulting agreement was renewed on the same terms effective April 1, 1997. The agreement requires Mr. Milani to provide certain technical consulting services to the Company as requested by the Company. The agreement terminated March 30, 1998, and was not renewed.

EMPLOYMENT AGREEMENTS

John H. Sykes. On January 1, 1996, the Company entered into an employment agreement with John H. Sykes, the Company's Chairman of the Board, President, and Chief Executive Officer. The employment agreement provides for an initial term of five years with an annual base salary of \$300,000. Thereafter, the agreement automatically renews for successive two-year terms, unless terminated by either party, with the base salary increasing by at least 30% subsequent to the initial term and at least 15% for any subsequent automatic renewal term. Mr. Sykes is also entitled to a performance bonus up to 100% of his base salary based on the Company's achievement of specified levels of income before income taxes as determined by the Compensation Committee and to participate in such bonus programs and other benefit plans as are generally made available to other executive officers of the Company.

If the agreement is terminated by the Company for any reason other than Mr. Sykes' death or disability or other than cause (as defined therein), the Company shall pay Mr. Sykes a one-time severance payment equal to two times the total of the full amount of Mr. Sykes' annual base salary in effect at the time of such termination plus Mr. Sykes' average annual bonus and other compensation for the prior three years (or such shorter period if the agreement is in effect for less than three years). During the two-year period following termination of employment, Mr. Sykes shall not, in any area in which the Company's business is then conducted, directly or indirectly compete with the Company.

The agreement also provides for a one-time severance payment, in lieu of any other severance payment, equal to three times the total of the full amount of Mr. Sykes' annual base salary then in effect plus Mr. Sykes' average annual bonus and other compensation for the prior five years (or such shorter period if the employment agreement is in effect for less than five years) upon a "change of control" of the Company if, (i) Mr. Sykes is terminated from employment prior to the end of the term of the agreement (except if terminated for cause), or (ii) Mr. Sykes elects to terminate his employment with the Company under certain circumstances. A "change of control" shall be deemed to have occurred if, (i) any person (other than Mr. Sykes) beneficially owns 20% or more of the outstanding shares of voting capital stock; (ii) the sale or transfer of greater than 50% of the book value of the Company's assets; (iii) the merger, consolidation, share exchange, or reorganization of the Company as a result of which the holders of all of the shares of capital stock of the Company as a group would receive less than 50% of the voting power of the capital stock of the surviving corporation; (iv) the adoption of a plan of liquidation or the approval of the dissolution of the Company; (v) the commencement of a tender offer which, if successful, would result in a change of control; or (vi) a determination by the Board of Directors, in view of then current circumstances or impending events, that a change of control has occurred or is imminent.

Gordon H. Loetz. On November 10, 1997, the Company entered into a one-year employment agreement with Gordon H. Loetz, providing for an annual base salary of \$400,000. Upon termination, the agreement provides for a one-year non-compete period in return for the Company paying, under certain circumstances, biweekly amounts totaling up to \$400,000 for such one-year period. Mr. Loetz is prohibited from directly or indirectly competing with the Company during such one-year period in any area in which the Company's business is conducted. Mr. Loetz is also entitled to a performance bonus based upon his achievement of specified goals and to participate in such bonus programs and other benefit plans as are generally made available to other executive officers of the Company.

Scott J. Bendert. On March 1, 1996, the Company entered into a two-year employment agreement with Scott J. Bendert, providing for an annual base salary of \$110,000. The agreement automatically renews for successive one-year terms, unless terminated by either party, and provides that if the agreement is terminated

for any reason other than death, disability, or cause (as defined therein), the Company shall pay Mr. Bendert a severance payment equal to \$110,000, payable in accordance with the Company's standard payment practices, in consideration of Mr. Bendert's agreement to refrain from competing directly or indirectly with the Company for a period of one year in any area in which the Company's business is then conducted. The agreement provides that if it is terminated by the Company for cause or by Mr. Bendert, during a period of one year following termination of employment, Mr. Bendert will not, in any area in which the Company's business is then conducted, directly or indirectly compete with the Company, and the Company shall not be required to pay the severance payment. Mr. Bendert also is entitled to a performance bonus up to 35% of his base salary based upon the Company's achievement of specified levels of income before income taxes and upon his achievement of specified goals as determined by the Compensation Committee, and to participate in such bonus programs and other benefit plans as are generally made available to other executive officers of the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

INTRODUCTION

Under rules of the Commission, the Company is required to provide certain information concerning compensation provided to the Company's chief executive officer and its executive officers. The disclosure requirements for the executive officers include the use of tables and a report of the Committee responsible for compensation decisions for the named executive officers explaining the rationale and considerations that led to those compensation decisions. Therefore, the Compensation Committee of the Board of Directors has prepared the following report for inclusion in this Proxy Statement.

COMPENSATION COMMITTEE ROLE

The Compensation Committee of the Board of Directors and the Stock Option Committee are responsible for separate aspects of the Company's compensation program for its executive officers, including the named executive officers. The Compensation Committee is responsible for making recommendations to the Board of Directors concerning the salaries of executive officers. The Compensation Committee is also responsible for overseeing other forms of cash compensation and benefits to other senior officers. The Compensation Committee's responsibilities include reviewing salaries, benefits and other compensation of senior officers, and making recommendations to the full Board of Directors with respect to these matters. The Stock Option Committee is responsible for making stock option grants under the Company's stock option plans to executive officers of the Company.

COMPENSATION PHILOSOPHY

The Company's compensation is designed to maintain executive compensation programs and policies that enable the Company to attract and retain the services of highly qualified executives. In addition to base salaries, executive compensation programs and policies consisting of discretionary cash bonuses and periodic grants of stock options are designed to reward and provide incentives for individual contributions as well as overall Company performance.

The Compensation Committee monitors the operation of the Company's executive compensation policies. In 1996, the Company implemented the recommendations of independent compensation consultants that were retained by the Company to assess the effectiveness of the Company's executive compensation

programs by comparing the Company's compensation programs to various other companies with similar growth characteristics to those of the Company. Key elements of the Company's compensation program consists of base salary, discretionary annual cash bonuses, and periodic grants of stock options. The Company's policies with respect to these elements, including the basis for the compensation awarded the Company's chief executive officer, are discussed below. While the elements of compensation described below are considered separately, the Compensation Committee takes into account the full compensation package offered by the Company to the individual, including health care and other insurance benefits and contributions made by the Company under the Company's Split Dollar Plan. See "Split Dollar Plan."

Base Salaries. The Company has established competitive annual base salaries for all executive officers, including the named executive officers. The annual base salaries for each of the Company's executive officers, including the Company's chief executive officer, reflect both the recommendations of the Company's compensation consultants and the subjective judgment of the Compensation Committee based on the consideration of the executive officer's position with the Company, the executive officer's tenure, the Company's needs, and the executive officer's individual performance, achievements, and contributions to the growth of the Company.

Mr. Sykes annual base salary as the Company's chief executive officer is currently \$300,000. The Compensation Committee believes that this annual base salary is below what it should be and is not consistent with the salary range established for this position based on the Compensation Committee's discussions with outside consultants, the factors noted above, and Mr. Sykes' prior experience and managerial expertise, his knowledge of the Company's operations, and the industry in which it operates. The Compensation Committee will continue to review the total annual compensation package which Mr. Sykes receives.

Annual Bonus. The Company's executive officers are eligible for an annual cash bonus under the Company's Bonus Program. The Bonus Program provides for the discretionary payment of annual incentive awards to key employees, including executive officers of the Company, pursuant to a formula related to the Company's operating goals and personal performance goals. Payments under the Bonus Program are discretionary and are subject to certain limitations.

Stock Options. Under the Plans, stock options may be granted to key employees, including executive officers of the Company. The Plans are administered by the Stock Option Committee in accordance with the requirements of Rule 16b-3. [Rule 16b-3 generally requires transactions between the Company and its officers and directors to be approved by a committee of outside directors.]

The principal factors considered in determining the granting of stock options to executive officers of the Company were the executive officer's tenure with the Company, his or her total cash compensation for the prior year, the executive officer's acceptance of additional responsibilities and his or her contributions toward the Company's attainment of strategic goals. All stock options granted to executive officers of the Company under the Plans were made at fair market value on the date of grant (as calculated under the 1996 Plan) and were not exercisable for a vesting period of one to three years following the date of grant.

During the year ended December 31, 1997, no options to purchase shares of Common Stock under the Plans were granted to Mr. Sykes.

SECTION 162(M) LIMITATIONS

Under Section 162(m) of the Internal Revenue Code, a tax deduction by corporate taxpayers, such as the Company, is limited with respect to the compensation of certain executive officers, unless such compensation

is based upon performance objectives meeting certain regulatory criteria or is otherwise excluded from the limitation. Based upon the Compensation Committee's commitment to link compensation with performance as described in this report, the Compensation Committee currently intends to qualify compensation paid to the Company's executive officers for deductibility by the Company under Section 162(m).

Company or its subsidiaries, and such other factors as the Committee in its discretion shall deem relevant. The Committee shall also have complete authority to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it, to determine the terms and provisions of the respective Stock Options agreements (which need not be identical), to waive any conditions or restrictions with respect to any Stock Option and to make all other determinations necessary or advisable for the administration of the Plan. 10. TRANSFERABILITY OF STOCK OPTIONS. Except as otherwise specifically provided by the Committee, Stock Options are not transferable otherwise than by will or the laws of descent and distribution, and may be exercised during the life of the Participant only by the Participant.

11. TERMINATION OF EMPLOYMENT.

11.1. Termination Without Cause.
