(All figures are presented in US dollars unless otherwise noted)

VANCOUVER, Jan. 12, 2015 /CNW/ - Ritchie Bros. Auctioneers Incorporated (NYSE and TSX: RBA, the "Company") announces today that its board of directors has authorized a share repurchase program for the repurchase of up to \$100 million worth of common shares of the Company (subject to TSX approval) over the next three years. The share repurchases will primarily be used to offset dilution from options. The Company intends to make an application to the TSX for approval of a Normal Course Issuer Bid in February 2015.

"Our strategic roadmap focuses on increasing total shareholder returns through three pillars including growth initiatives, operational effectiveness and optimizing the balance sheet through efficient capital allocation. Today's announcement of (i) a share repurchase program to offset dilution from stock options and to hold our shares outstanding steady, and (ii) the sale of excess land in Edmonton, which will help increase site returns, is indicative of our commitment to drive shareholder returns," said Ravi Saligram, Chief Executive Officer.

Conditional Sale of Excess Land in Edmonton, AB

Ritchie Bros. has entered into a conditional purchase and sale agreement with a purchaser of 50 acres of excess and undeveloped land adjacent to its Edmonton, AB auction site. The Company expects its second quarter 2015 cash flow will benefit from approximately CAD\$16 million of proceeds from the sale.

"After evaluating future land needs in Edmonton we determined these 50 acres to be excess, and we're pleased that market value for the land will generate a great return for the Company," said Rob McLeod, Chief Financial Officer. "As we evaluate our growth expectations and our returns on our sites, we will consider alternatives for any excess property that may exist."

Quarterly Dividend Declaration

The Company also declares a quarterly cash dividend of \$0.14 per common share, payable on March 6, 2015 to shareholders of record on February 13, 2014.

Ritchie Bros. paid shareholders nearly \$58 million in total dividends during 2014. The Company is scheduled to release its full year fiscal 2014 results on February 26, 2015.
