Item 1.01, “Entry into a Material Definitive Agreement”

On September 7, 2007, Moody’s Corporation (the “Company”) entered into a Note Purchase Agreement (the “Note Purchase Agreement”) by and among the Company and The Prudential Insurance Company of America, Universal Prudential Arizona Reinsurance Company, Prudential Retirement Insurance and Annuity Company, Medica Health Plans, The Northwestern Mutual Life Insurance Company, Genworth Mortgage Insurance Corporation, Life Insurance Company of North America, Cigna Life Insurance Company of New York, Connecticut General Life Insurance Company, Amerus Life Insurance Company, American Investors Life Insurance Company, Aviva Life Insurance Company, The Guardian Life Insurance Company of America, State Farm Life Insurance Company, Southern Farm Bureau Life Insurance Company, Thrivent Financial for Lutherans, The Union Central Life Insurance Company, Ameritas Life Insurance Corp., Acacia Life Insurance Company, Acacia Life Insurance Company – Closed Block, American Family Life Insurance Company and Assurity Life Insurance Company. The Note Purchase Agreement relates to the Company’s private placement of \$300 million aggregate principal amount of its 6.06% Series 2007-1 Senior Unsecured Notes due 2017 (the “Series 2007-1 Notes”). Under the terms of the Note Purchase Agreement, the Company may, from time to time within five years after the closing of the private placement, in its sole discretion, issue additional series of senior notes in an aggregate principal amount of up to \$500 million pursuant to one or more supplements to the Note Purchase Agreement (any such future notes, together with the Series 2007-1 Notes, the “Notes”). A copy of the Note Purchase Agreement is attached hereto as Exhibit 4.1 and incorporated herein by reference. For a description of the material terms of the Note Purchase Agreement and the Series 2007-1 Notes issued thereunder, see the information set forth below in Item 2.03, which is incorporated by reference into this Item 1.01.

Item 2.03, “Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant”

On September 7, 2007, the Company issued and sold through a private placement transaction \$300 million aggregate principal amount of its Series 2007-1 Notes pursuant to the Note Purchase Agreement. The Series 2007-1 Notes were sold pursuant to private placement exemptions under the Securities Act of 1933, as amended. The proceeds from the sale of the Series 2007-1 Notes will be used to repay a portion of bank debts incurred for general corporate purposes, including the repurchase of shares of the Company’s common stock. The private placement was approved by the Company’s board of directors on July 30, 2007.

The Series 2007-1 Notes bear interest at the fixed rate of 6.06% and mature on September 7, 2017. Interest on the Series 2007-1 Notes will be due semiannually on March 7 and September 7 of each year, commencing March 7, 2008. The Company may prepay the Series 2007-1 Notes, in whole or in part, at any time at a price equal to 100% of the principal amount being prepaid, plus accrued and unpaid interest and a “make-whole” prepayment premium. Additionally, at the option of the holders of the Notes, the Company may be required to prepay all of the Notes upon the occurrence of a “change of control event,” as defined in the Note Purchase Agreement, at a price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to the date of prepayment.

The Series 2007-1 Notes are unsecured. Pursuant to the Note Purchase Agreement, any subsidiary of the Company that, at any time after the date of the Note Purchase Agreement, has any indebtedness outstanding under, or any guaranty with respect to any indebtedness of the Company or any of its subsidiaries (as defined in the Note Purchase Agreement) outstanding under, the Company’s Five-Year Credit Agreement, dated as of September 1, 2004, among the Company, certain of its subsidiaries party thereto, the lenders party thereto, JP Morgan Chase Bank, as Administrative Agent, Citibank, N.A. as Syndication Agent, and The Bank of New York, as Documentation Agent, or the Interim Loan Agreement dated as of August 8, 2007, among the Company, certain subsidiaries party thereto, the lenders party thereto, JP Morgan Chase Bank, N.A., as a Lender and as Administrative Agent, Bank of America, N.A., as Lender and as Syndication Agent, and Wachovia Bank, N.A., as Lender and Documentation Agent will become a subsidiary guarantor of the Company’s obligations under the Series 2007-1 Notes. Currently, no subsidiary of the Company is a subsidiary guarantor with respect to the Series 2007-1 Notes.

The Note Purchase Agreement contains covenants that limit the ability of the Company and certain of its subsidiaries to, among other things: enter into transactions with affiliates; dispose of assets; incur or create liens; and enter into sale and leaseback transactions. In addition, the Note Purchase Agreement contains a covenant that limits the ability of the Company to consolidate with or merge with any other corporation or convey, transfer or lease substantially all of its assets. The Company must also not permit its “Total Debt to EBITDA Ratio,” as defined in the Note Purchase Agreement, to exceed 4.0 to 1.0 at the end of any fiscal quarter of the Company.

The Note Purchase Agreement contains customary default provisions, as well as the following cross-default provisions. An event of default will occur if the Company or any significant subsidiary (as defined in the Note Purchase Agreement) is in default (as principal or as guarantor) (i) in the payment of any principal of or premium or make-whole amount or interest on any indebtedness that is outstanding in an aggregate principal amount of at least \$50 million beyond any applicable grace period, (ii) with any financial covenant contained in any instrument of indebtedness in an aggregate outstanding principal amount of at least \$50 million beyond any applicable grace period or (iii) in the performance of or compliance with any term of any evidence of any indebtedness in an aggregate outstanding principal amount of at least \$50 million or any other condition exists, and as a consequence of such default or condition such indebtedness has become, or has been declared due and payable before its stated maturity or before its regularly scheduled dates of payment. Upon the occurrence and during the continuation of an event of default under the Note Purchase Agreement, the Series 2007-1 Notes may become immediately due and payable either automatically or by the vote of the holders of more than 50% of the aggregate principal amount of all of the Company's Notes then outstanding.

The description set forth above is qualified in its entirety by the Note Purchase Agreement and the form of Series 2007-1 Note, which are incorporated herein by reference and are filed herewith as Exhibit 4.1.

As of September 13, 2007, the Company has a total of \$1.2 billion of debt outstanding and an additional borrowing capacity of approximately \$100 million under its credit facilities. The issuance of the Series 2007-1 Notes reduced the borrowing capacity under the \$500 million interim credit facility entered into on August 8, 2007 to \$200 million.

TO THE PURCHASERS WHOSE NAMES APPEAR IN THE ACCEPTANCE FORM AT THE END HEREOF:

Ladies and Gentlemen:

MOODY'S CORPORATION, a Delaware corporation (the "Company"), agrees with each of the purchasers whose names appear in the acceptance form at the end hereof (each, a "Purchaser" and, collectively, the "Purchasers") as follows:

1. AUTHORIZATION OF NOTES.

1.1 AMOUNT; ESTABLISHMENT OF SERIES.

The Company will authorize the issue and sale of \$300,000,000 aggregate principal amount of its 6.06% Series 2007-1 Senior Unsecured Notes due 2017 (the "Series 2007-1 Notes") pursuant to this Agreement. The Company may, from time to time until September 7, 2012, in its sole discretion but subject to the terms hereof, authorize the issue and sale of one or more additional series of Notes (each a "Series" of Notes) in an aggregate principal amount of up to \$500,000,000 (which amount is in addition to the \$300,000,000 aggregate principal amount of Series 2007-1 Notes) under the provisions of this Agreement pursuant to a Supplement (as defined herein). As used herein, the term "Notes" includes the Series 2007-1 Notes and any Series of additional Notes, and any other Notes issued in substitution therefor pursuant to Section 13. The Series 2007-1 Notes shall be substantially in the form set out in Exhibit 1.1(a), with such changes therefrom, if any, as may be approved by each Purchaser and the Company. Certain capitalized terms used in this Agreement are defined in Schedule B; references to a "Schedule" or an "Exhibit" are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

Each Series of Notes, other than the Series 2007-1 Notes, will be issued pursuant to a supplement to this Agreement (a "Supplement"), such Supplement substantially in the form of Exhibit 1.1(b), and will be subject to the following terms and conditions:

(a) the designation of each Series of Notes shall distinguish the Notes of one Series from the Notes of all other Series;

(b) the Notes of each Series shall rank *pari passu* with each other Series of the Notes and at least *pari passu* with the Company's other outstanding Indebtedness, except for such Indebtedness which is preferred as a result of being secured (but then only to the extent of such security) or by operation of bankruptcy, insolvency or similar laws of general application;

(c) each Series of Notes shall be dated the date of issue, bear interest at such rate or rates, mature on such date or dates, be subject to such prepayments on the dates and with the Make-Whole Amounts, if any, as are provided in the Supplement under which such Notes are issued, and shall have such additional or different conditions precedent to closing and such additional or different representations and warranties or other terms and provisions as shall be specified in such Supplement;

(d) any additional covenants, Defaults, Events of Defaults, rights or similar provisions that are added by a Supplement for the benefit of the Series of Notes to be issued pursuant to such Supplement shall apply to all outstanding Notes, whether or not the Supplement so provides, and shall be deemed to be a part of, and contained in, this Agreement; and

(e) except to the extent provided in Subsection (c) above, all of the provisions of this Agreement shall apply to the Notes of each Series.

The Purchasers of the Series 2007-1 Notes are under no obligation to purchase any subsequent Series of Notes.

Payment of the principal of, Make-Whole Amount (if any) and interest on the Notes shall be guaranteed by the Subsidiary Guarantors as contemplated by Section 9.6 and as provided in the Subsidiary Guarantees.

1.2 LEGEND.

Subject to the next succeeding paragraph, each Note shall bear a legend substantially as follows (until such time as the Company shall reasonably agree that such legend or any portion thereof is no longer necessary or advisable):

THIS NOTE HAS BEEN ACQUIRED WITHOUT A VIEW TO DISTRIBUTION AND HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 (THE "ACT"), OR UNDER STATE SECURITIES LAWS. NO TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION OF THIS NOTE MAY BE MADE UNLESS (A) REGISTERED OR EXEMPT FROM REGISTRATION UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS AND (B) THE CONDITIONS CONTAINED IN THE NOTE PURCHASE AGREEMENT ARE SATISFIED.

If at any time any holder of a Note shall surrender such Note for registration of transfer or exchange pursuant to Section 13.2, and shall concurrently provide the Company with a legal opinion of counsel to such holder (which may be in-house counsel), in form and substance reasonably satisfactory to the Company, to the effect that such Note may at such time be transferred by such holder (to a Person not an Affiliate (as defined in Rule 144 under the Securities Act) of the Company and who has not been an Affiliate of the Company during the preceding three months) pursuant to the requirements of paragraph (k) of Rule 144 under the Securities Act, the new Note or Notes to be executed and delivered as provided in Section 13.2 shall not contain the legend specified above.

2. SALE AND PURCHASE OF NOTES.

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, the Series 2007-1 Notes in the principal amount specified opposite such Purchaser's name in Schedule A at the purchase price of 100% of the principal amount thereof. The Purchasers' obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

3. CLOSING.

The sale and purchase of the Series 2007-1 Notes to be purchased by each Purchaser shall occur at the offices of Milbank, Tweed, Hadley & McCloy LLP, One Chase Manhattan Plaza, New York, New York 10005, at 10:00 a.m., New York City time, at a closing (the "Closing") on September 7, 2007. At the Closing the Company will deliver to each Purchaser the Series 2007-1 Notes to be purchased by such Purchaser in the form of a single

Series 2007-1 Note (or such greater number of Series 2007-1 Notes in denominations of at least \$100,000 as such Purchaser may request) dated the date of the Closing and registered in such Purchaser's name (or in the name of such Purchaser's nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of Moody's Corporation to account number 323233244 at JP Morgan Chase Bank, N.A. in New York, New York, ABA #021-000-021. If at the Closing the Company shall fail to tender such Series 2007-1 Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser's satisfaction, such Purchaser shall, at such Purchaser's election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure or such nonfulfillment.

4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Series 2007-1 Notes to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser's satisfaction, prior to or at the Closing, of the following conditions:

4.1 REPRESENTATIONS AND WARRANTIES.

The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing.

4.2 PERFORMANCE; NO DEFAULT.

The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by it prior to or at the Closing and after giving effect to the issue and sale of the Series 2007-1 Notes (and the application of the proceeds thereof as contemplated by Schedule 5.14) no Default or Event of Default shall have occurred and be continuing.

4.3 COMPLIANCE CERTIFICATES.

(a) Officer's Certificate. The Company shall have delivered to such Purchaser an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) Secretary's Certificate. The Company shall have delivered to such Purchaser a certificate of its Secretary or any Assistant Secretary, dated the date of Closing, certifying as to the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Series 2007-1 Notes and this Agreement.

4.4 OPINIONS OF COUNSEL.

Such Purchaser shall have received opinions in form and substance satisfactory to such Purchaser, dated the date of the Closing (a) from Skadden, Arps, Slate, Meagher & Flom LLP, special counsel for the Company, covering the matters set forth in Exhibit 4.4(a) and covering such other matters incident to the transactions contemplated hereby as such Purchaser or the Purchasers' counsel may reasonably request (and the Company hereby instructs its counsel to deliver such opinion to the Purchasers) and (b) from Milbank, Tweed, Hadley & McCloy LLP, the Purchasers' special New York counsel in connection with such transactions, substantially in the form set forth in Exhibit 4.4(b) and covering such other matters incident to such transactions as such Purchaser may reasonably request.

4.5 PURCHASE PERMITTED BY APPLICABLE LAW, ETC.

On the date of the Closing such Purchaser's purchase of Series 2007-1 Notes shall (i) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as

Section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (ii) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (iii) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate from the Company certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

4.6 SALE OF OTHER NOTES.

Contemporaneously with the Closing the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Series 2007-1 Notes to be purchased by it at the Closing as specified in Schedule A.

4.7 PAYMENT OF SPECIAL COUNSEL FEES.

Without limiting the provisions of Section 15.1, the Company shall have paid on or before the Closing the fees, charges and disbursements of the Purchasers' special counsel referred to in Section 4.4(b) to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to the Closing.

4.8 PRIVATE PLACEMENT NUMBER.

A Private Placement number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the Securities Valuation Office of the National Association of Insurance Commissioners) shall have been obtained.

4.9 CHANGES IN CORPORATE STRUCTURE.

Except as specified in Schedule 4.9, the Company shall not have changed its jurisdiction of incorporation or been a party to any merger or consolidation and shall not have succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

4.10 PROCEEDINGS AND DOCUMENTS.

All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be satisfactory to such Purchaser and the Purchasers' special counsel, and such Purchaser and such special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser that:

5.1 ORGANIZATION; POWER AND AUTHORITY.

The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Notes and to perform the provisions hereof and thereof.

5.2 AUTHORIZATION, ETC.

This Agreement and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

5.3 DISCLOSURE.

The Company, through its agents, Banc of America Securities LLC, J.P. Morgan Securities Inc. and Wachovia Capital Markets, LLC, has delivered or made available to each Purchaser copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2006 and the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2007 (collectively, the "Exchange Act Reports"). Except as disclosed in Schedule 5.3, this Agreement, the Exchange Act Reports, the documents, certificates or other writings identified in Schedule 5.3 and the financial statements listed in Schedule 5.5, taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except (i) as disclosed in one of the Exchange Act Reports, (ii) as expressly described in Schedule 5.3, or in one of the documents, certificates or other writings identified therein or (iii) as disclosed in the financial statements listed in Schedule 5.5, since December 31, 2006, there has been no change in the financial condition, operations, business or properties of the Company or any of its Subsidiaries except changes that individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect.

5.4 ORGANIZATION AND OWNERSHIP OF SHARES OF SUBSIDIARIES.

(a) Schedule 5.4 is (except as noted therein) a complete and correct list of the Company's Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization, the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary, and whether, as of the date of the Closing, such Subsidiary shall be a Subsidiary Guarantor.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien (except as otherwise disclosed in Schedule 5.4).

The Company will give each holder of Notes of the Series to be prepaid written notice of each optional prepayment under this Section 8.2 not less than 30 days and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date, the aggregate principal amount of the Notes of the Series to be prepaid on such date, the principal amount of each Note of the Series to be prepaid held by such holder (determined in accordance with Section 8.4), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. For the purposes of determining the Make-Whole Amount with respect to the Series 2007-1 Notes, the following terms have the following meanings:

“CALLED PRINCIPAL” means, with respect to any Series 2007-1 Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“DISCOUNTED VALUE” means, with respect to the Called Principal of any Series 2007-1 Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Series 2007-1 Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“REINVESTMENT YIELD” means, with respect to the Called Principal of any Series 2007-1 Note, 0.50% over the yield to maturity implied by (i) the yields reported, as of 10:00 A.M. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as Bloomberg Financial Markets “Page PX1” (or such other display on the Bloomberg Financial Market Service having the same information if Page PX1 is replaced) for the most recently issued, actively traded on-the-run benchmark U.S. Treasury securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported as of such time are not ascertainable, the Treasury Constant Maturity Series Yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in U.S. Federal Reserve Statistical Release H.15 (519) (or any comparable successor publication) for actively traded U.S. Treasury securities having a constant maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. Such implied yield will be determined, if necessary, by (a) converting U.S. Treasury bill quotations to bond-equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between (1) the most recently issued, actively traded on-the-run benchmark U.S. Treasury security with the maturity closest to and greater than the Remaining Average Life and (2) the most recently issued, actively traded on-the-run benchmark U.S. Treasury security with the maturity closest to and less than the Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“REMAINING AVERAGE LIFE” means, with respect to any Called Principal, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“REMAINING SCHEDULED PAYMENTS” means, with respect to the Called Principal of any Series 2007-1 Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under the terms of the Series 2007-1 Notes, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or 12.1.

“SETTLEMENT DATE” means, with respect to the Called Principal of any Series 2007-1 Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

9. AFFIRMATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

9.1 COMPLIANCE WITH LAW.

The Company will and will cause each of its Subsidiaries to comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, the USA Patriot Act and Environmental Laws, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations would not reasonably be expected, individually or in the aggregate, to have a materially adverse effect on the business, operations, affairs, financial condition, properties or assets of the Company and its Subsidiaries taken as a whole.

9.2 INSURANCE.

The Company will and will cause each of its Subsidiaries to maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

9.3 MAINTENANCE OF PROPERTIES.

The Company will and will cause each of its Subsidiaries to maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, *provided* that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance would not, individually or in the aggregate, have a materially adverse effect on the business, operations, affairs, financial condition, properties or assets of the Company and its Subsidiaries taken as a whole.

9.4 PAYMENT OF TAXES.

The Company will and will cause each of its Subsidiaries to file all income tax or similar tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies payable by any of them, to the extent such taxes and assessments have become due and payable and before they have become delinquent, *provided* that neither the Company nor any Subsidiary need pay any such tax or assessment if (i) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the nonpayment of all such taxes and assessments in the aggregate would not reasonably be expected to have a materially adverse effect on the business, operations, affairs, financial condition, properties or assets of the Company and its Subsidiaries taken as a whole.

9.5 CORPORATE EXISTENCE, ETC.

Subject to Section 10.2, the Company will at all times preserve and keep in full force and effect its corporate existence, and the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect the corporate existence of any Subsidiary or any such right or franchise would not, individually or in the aggregate, have a materially adverse effect on the business, operations, affairs, financial condition, properties or assets of the Company and its Subsidiaries taken as a whole.

9.6 SUBSIDIARY GUARANTORS.

(a) The Company will ensure that each Subsidiary that as of the date of Closing or at any time thereafter has outstanding any Indebtedness under, or any Guaranty with respect to any Indebtedness of the Company or any of its Subsidiaries outstanding under, the Credit Facility or the Loan Agreement (or is otherwise a co-obligor or jointly liable with respect to any such Indebtedness) is or will become a Subsidiary Guarantor.

(b) Upon notice by the Company to each holder of a Note (which notice shall contain a certification by the Company as to the matters specified in clauses (x) and (y) below), a Subsidiary Guarantor shall cease to be a Subsidiary Guarantor and shall be released from its obligations under its Subsidiary Guarantee if (x) such Subsidiary Guarantor shall not have outstanding any Indebtedness under, or any Guaranty with respect to any Indebtedness of the Company or any of its Subsidiaries outstanding under, the Credit Facility or the Loan Agreement (and shall not otherwise be a co-obligor or jointly liable with respect to any such other Indebtedness) and (y) both immediately before and after giving effect to such release no Default or Event of Default shall have occurred and be continuing. If a Subsidiary again incurs any Indebtedness under, or guarantees any Indebtedness of the Company or any of its Subsidiaries outstanding under, the Credit Facility or the Loan Agreement (or otherwise becomes a co-obligor or jointly liable with respect to any such Indebtedness), then the Company will cause such Subsidiary to become a Subsidiary Guarantor in accordance with the provisions of Subsection (a) above.

10. NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding:

10.1 TRANSACTIONS WITH AFFILIATES.

The Company will not and will not permit any Subsidiary to enter into directly or indirectly any Material transaction or Material group of related transactions (including without limitation the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except pursuant to the reasonable requirements of the Company's or such Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate.

10.2 MERGER, CONSOLIDATION, ETC.

The Company shall not consolidate with or merge with any other corporation or convey, transfer or lease substantially all of its assets in a single transaction or series of transactions to any Person unless:

(a) the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease substantially all of the assets of the Company, as the case may be, shall be a solvent corporation organized and existing under the laws of the United States or any State thereof (including the District of Columbia), and, if the Company is not such corporation, such corporation shall have executed and delivered to each holder of any Notes its assumption of the due and punctual performance and observance of each covenant and condition of this Agreement and the Notes; and

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing. No such conveyance, transfer or lease of substantially all of the assets of the Company shall have the effect of releasing the Company or any successor corporation that shall theretofore have become such in the manner prescribed in this Section 10.2 from its liability under this Agreement or the Notes.

10.3 DISPOSITION OF ASSETS.

The Company will not and will not permit any Subsidiary to, directly or indirectly, make any sale, transfer, lease (as lessor), loan or other disposition of any property or assets (an "Asset Sale") other than:

(ii) the portion of EBITDA generated by property or assets disposed of in such proposed Asset Sale and the portion of EBITDA generated by property or assets disposed of in all other Asset Sales not permitted by clause (a), (b) or (c) above during the immediately preceding twelve-month period does not exceed 20% of EBITDA, calculated using figures as of the last day of the immediately preceding twelve-month period; and, *provided further*, that for purposes of this clause (ii), there shall be excluded from the calculation of the portion of EBITDA generated by property or assets disposed of during any twelve-month period any Asset Sale if and to the extent that an amount equal to the net proceeds realized upon such Asset Sale is applied or has been applied by the Company or such Subsidiary, as the case may be, within one year's time before or after the effective date of such Asset Sale (but in all events, without duplication), (1) to reinvest in assets used in the business of the Company or its Subsidiaries, (2) to purchase the capital stock of any Person that, as a result of such capital stock purchase, becomes a Subsidiary, (3) to repay Tax Legacy Liabilities or (4) to repay Indebtedness (including any optional prepayment of the Notes pursuant to Section 8.2) which is not subordinated in right of payment to the Notes.

For purposes of this Section 10.3, any stock of a Subsidiary that is the subject of an Asset Sale shall be valued at the portion of EBITDA generated by the assets of such Subsidiary multiplied by a fraction, the numerator of which is the aggregate number of shares of stock of such Subsidiary disposed of in such Asset Sale and the denominator of which is the aggregate number of shares of stock of such Subsidiary outstanding immediately prior to such Asset Sale.

10.4 LIMITATION ON LIENS.

- (i) minor encumbrances, covenants, easements or reservations for rights-of way, utilities and other similar purposes, or zoning and other restrictions as to the use of real properties, any and all of which are necessary for the conduct of the activities of the Company and its Subsidiaries or which customarily exist

on properties of companies engaged in similar activities and similarly situated and which do not in any event materially impair the use or diminish the value of any of such properties as used in the operation of the business of the Company and its Subsidiaries;

(j) Liens not otherwise permitted by clauses (a) through (i) above to secure Indebtedness or other obligations of the Company or any of its Subsidiaries, *provided* that, immediately after giving effect thereto, the sum (without duplication) of:

10.5 LIMITATION ON SALE AND LEASEBACK TRANSACTIONS.

The Company will not and will not permit any Subsidiary to, directly or indirectly, make any sale, transfer, lease, loan or other disposition of any asset on terms whereby the asset owned at the time of such sale, transfer, lease, loan or other disposition is then or thereafter leased by the Company or any such Subsidiary (as lessee) (a "Sale and Leaseback Transaction"), unless after giving effect to such Sale and Leaseback Transaction the sum (without duplication) of:

(a) the aggregate principal amount of Indebtedness and other obligations of the Company and its Subsidiaries secured by all Liens permitted by Section 10.4(j); plus

12. REMEDIES ON DEFAULT, ETC.

12.1 ACCELERATION.

(a) If an Event of Default with respect to the Company described in paragraph (g) or (h) of Section 11 (other than an Event of Default described in clause (i) of paragraph (g) or described in clause (vi) of paragraph (g) by virtue of the fact that such clause encompasses clause (i) of paragraph (g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in paragraph (a) or (b) of Section 11 has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

12.2 OTHER REMEDIES.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3 RESCISSION.

At any time after any Notes have been declared due and payable pursuant to clause (b) or (c) of Section 12.1, the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (c) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4 NO WAIVERS OR ELECTION OF REMEDIES, EXPENSES, ETC.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof or by any Subsidiary Guarantee shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

13.1 REGISTRATION OF NOTES.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

13.2 TRANSFER AND EXCHANGE OF NOTES.

Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18 (iii)) for registration of transfer or exchange (and in the case of a surrender for registration of transfer, duly endorsed or accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof) within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes of the same Series (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Exhibit 1.1(a), in the case of a surrendered Series 2007-1 Note, or Annex A to the applicable Supplement, in the case of a surrendered Note of any other Series. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representations set forth in Sections 6.1, 6.2 and 6.3. The Company shall not be required to register the transfer of any Note to any Person (other than a transfer by holder of a Note to its nominee not involving a change of beneficial ownership of such Note) unless the Company receives (i) from the proposed transferee a representation reasonably satisfactory to the Company that the representations and warranties set forth in Sections 6.1, 6.2 and 6.3 are true with respect to such transferee and (ii) in the case of any transfer in which the Note will be registered in the name of a nominee, the name of the beneficial owner of the Note and confirmation that such nominee is permitted to transfer such Note only with the consent of the beneficial owner.

The Notes have not been registered under the Securities Act or under the securities laws of any state and may not be transferred or resold unless registered under the Securities Act and all applicable state securities laws or unless an exemption from the requirement for such registration is available.

13.3 REPLACEMENT OF NOTES.

Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$10,000,000 in excess of the outstanding principal amount of such Note, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof, the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same Series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

14. PAYMENTS ON NOTES.

14.1 PLACE OF PAYMENT.

Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of JP Morgan Chase Bank, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

14.2 HOME OFFICE PAYMENT.

So long as any Purchaser or any nominee of such Purchaser shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest by the method and at the address specified for such purpose below such Purchaser's name in Schedule A, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by any Purchaser or any nominee of such Purchaser, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by any Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

15. EXPENSES, ETC.

15.1 TRANSACTION EXPENSES.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel and, if reasonably required by the Required Holders, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the Notes or any Subsidiary Guarantee (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the Notes or any Subsidiary Guarantee or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the Notes or any Subsidiary Guarantee, or by reason of being a holder of any Note, and (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses if any, of brokers and finders (other than those retained by such Purchaser or other holder).

15.2 SURVIVAL.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by each Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the

preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between the Purchasers and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

17.1 REQUIREMENTS.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing, and (b) no such amendment or waiver may, without the written consent of the holder of each Note at the time outstanding affected thereby, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20. Notwithstanding anything to the contrary contained herein, the Company may enter into any Supplement providing for the issuance of one or more additional Series of Notes consistent with Section 1.1 hereof without obtaining the consent of any holder of any other Series of Notes.

17.2 SOLICITATION OF HOLDERS OF NOTES.

(a) Solicitation. The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) Payment. The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes or any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

17.3 BINDING EFFECT, ETC.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

17.4 NOTES HELD BY COMPANY, ETC.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be

taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

18. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

- (i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule A, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,
- (ii) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing, or
- (iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of the Chief Financial Officer of the Company, with copies to the General Counsel and the Corporate Controller of the Company, or at such other address as the Company shall have specified to the holder of each Note in writing. Notices under this Section 18 will be deemed given only when actually received.

19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "Confidential Information" means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, *provided* that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any person acting on such Purchaser's behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (i) such Purchaser's directors, trustees, officers, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by such Purchaser's Notes), (ii) such Purchaser's financial advisors and other professional

advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which such Purchaser sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which such Purchaser offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes or this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of such Purchaser's Affiliates as the purchaser of the Notes that such Purchaser has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Affiliate, shall contain such Affiliate's agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21) shall be deemed to refer to such Affiliate in lieu of such original Purchaser. In the event that such Affiliate is so substituted as a purchaser hereunder and such Affiliate thereafter transfers to such original Purchaser all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, any reference to such Affiliate as a "Purchaser" in this Agreement (other than in this Section 21) shall no longer be deemed to refer to such Affiliate, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

22. MISCELLANEOUS.

22.1 SUCCESSORS AND ASSIGNS.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

22.2 PAYMENTS DUE ON NON-BUSINESS DAYS.

Anything in this Agreement or the Notes to the contrary notwithstanding, any payment of principal of or Make-whole Amount or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day.

22.3 SEVERABILITY.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

22.4 CONSTRUCTION.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

22.5 COUNTERPARTS.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

22.6 GOVERNING LAW.

This Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

If you are in agreement with the foregoing, please sign the form of agreement on the accompanying counterpart of this Agreement and return it to the Company, whereupon the foregoing shall become a binding agreement between you and the Company.

Very truly yours,

Moody's Completes \$300 Million Private Placement of Senior Unsecured Notes

New York - September 13, 2007 - Moody's Corporation (NYSE:MCO) today filed a Form 8-K with the Securities and Exchange Commission indicating that the company has completed a private placement of \$300 million aggregate principal amount of its 6.06% Series 2007-1 Senior Unsecured Notes due 2017.

The company now has a total of \$1.2 billion of debt outstanding and an additional borrowing capacity of \$100 million under its credit facilities. The issuance of the Series 2007-1 Notes reduced the borrowing capacity under the \$500 million interim credit facility entered into on August 8, 2007 to \$200 million.

The funds will be used primarily to refinance a portion of the bank debt incurred for general corporate purposes, including financing of the company's continuing share repurchase program. As announced previously, Moody's plans to return capital to shareholders by purchasing shares systematically as well as opportunistically when conditions are favorable.

Moody's is an essential component of the global capital markets. It provides credit ratings, research, tools and analysis that help to protect the integrity of credit. Moody's Corporation (NYSE: MCO) is the parent company of Moody's Investors Service, which provides credit ratings and research covering debt instruments and securities; Moody's KMV, a provider of quantitative credit analysis tools; Moody's Economy.com, which provides economic research and data services; and Moody's Wall Street Analytics, a provider of software tools and analysis for the structured finance industry. The corporation, which reported revenue of \$2.0 billion in 2006, employs approximately 3,600 people worldwide and maintains a presence in 27 countries.
