ABOUT THIS PROSPECTUS

This prospectus may not be used to sell securities unless it is accompanied by a prospectus supplement.

This prospectus is part of a registration statement we filed with the SEC utilizing a shelf registration process. Under this shelf registration process, we may sell the securities described in this prospectus in one or more offerings.

This prospectus provides you with a general description of the securities we may offer. Each time we sell offered securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may include additional risk factors or other special considerations applicable to those securities. The prospectus supplement may also add, update or change information contained in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement. You should read both this prospectus and any prospectus supplement together with additional information described under “Where You Can Find More Information.”

Unless the context otherwise indicates, the terms “Devon,” “we,” “us” and “our” in this prospectus mean Devon Energy Corporation, a Delaware corporation, and its consolidated subsidiaries.

DEVON ENERGY CORPORATION

Devon is an independent energy company engaged primarily in oil and gas exploration, development and production, the transportation of oil, gas, and natural gas liquids, or NGLs, and the processing of natural gas. We own oil and gas properties principally in the United States and Canada and, to a lesser degree, various regions located outside North America, including Azerbaijan, Brazil and China. In addition to our oil and gas operations, we have marketing and midstream operations primarily in North America. These include marketing natural gas, crude oil and NGLs, and constructing and operating pipelines, storage and treating facilities and gas processing plants.

Our principal and administrative offices are located at 20 North Broadway, Oklahoma City, Oklahoma 73102-8260. Our telephone number at that location is (405) 235-3611.

USE OF PROCEEDS

Unless otherwise indicated in an accompanying prospectus supplement, we expect to use the net proceeds from the sale of the securities offered by this prospectus for general corporate purposes, which may include, among other things:

- the repayment of outstanding indebtedness;
- working capital;
- capital expenditures; and
- acquisitions.

The precise amount and timing of the application of such proceeds will depend upon our funding requirements and the availability and cost of other funds.

RATIOS OF EARNINGS TO FIXED CHARGES AND EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS

The ratios of earnings to fixed charges and earnings to combined fixed charges and preferred stock dividends for each of the periods set forth below have been completed on a consolidated basis and should be read in conjunction with Devon’s consolidated financial statements, including the accompanying notes thereto, incorporated by reference in this prospectus.

	Nine Months Ended Sept. 30, 2008	Year Ended December 31,				
		2007	2006	2005	2004	2003
Ratio of earnings to fixed charges	17.49	8.78	8.08	8.34	6.65	4.84
Ratio of earnings to combined fixed charges and preferred stock dividends	17.06	8.54	7.85	8.13	6.48	4.72

Our ratios of earnings to fixed charges and earnings to combined fixed charges and preferred stock dividends were computed based on:

- “*earnings*,” which consist of earnings from continuing operations before income taxes, plus fixed charges;
- “*fixed charges*,” which consist of interest expense, dividends on subsidiary’s preferred stock and one-third of rental expense estimated to be attributable to interest; and
- “*preferred stock dividends*,” which consist of the amount of pre-tax earnings required to pay dividends on the outstanding preferred stock.

DESCRIPTION OF CAPITAL STOCK

General

Devon’s authorized capital stock consists of:

- 1.0 billion shares of common stock, par value \$0.10 per share, and
- 4.5 million shares of preferred stock, par value \$1.00 per share.

As of October 31, 2008, there were 441.5 million shares of common stock outstanding and no shares of preferred stock outstanding.

Common Stock

Holders of common stock will be entitled to receive dividends out of legally available funds when and if declared by our board of directors. Subject to the rights of the holders of any outstanding shares of preferred stock, holders of shares of common stock will be entitled to cast one vote for each share held of record on all matters submitted to a vote of stockholders. They will not be entitled to cumulative voting rights for the election of directors. Except pursuant to our rights agreement, the shares of common stock have no preemptive, conversion or other rights to subscribe for or purchase any of our securities. Upon our liquidation or dissolution, the holders of shares of common stock are entitled to share ratably in any of our assets that remain after payment or provision for payment to creditors and holders of preferred stock.

Preferred Stock

The preferred stock may be issued in one or more series. Our board may establish attributes of any series, including the designation and number of shares in the series, dividend rates (cumulative or noncumulative), voting rights, redemptions, conversion or preference rights, and any other rights and qualifications, preferences and limitations or restrictions on shares of a series. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of Devon without any vote or action by the stockholders and may adversely affect the voting and other rights of the holders of shares of common stock. The specific terms of a particular series of preferred stock will be described in a certificate of designation relating to that series.

Series A Junior Participating Preferred Stock. We have designated 2.9 million shares of preferred stock as series A junior participating preferred stock in connection with our rights agreement.

Anti-takeover and Other Provisions

Rights Agreement. Under our rights agreement, holders of shares of common stock have one-half of one right for each share of common stock that they hold. The certificates representing outstanding shares of common stock also evidence one-half of one right for each share. Initially, the rights trade with the shares of common stock. If events generally associated with an unsolicited takeover attempt of Devon or transactions involving a change of control occur, including an acquisition or a tender or exchange offer that would result in a bidder acquiring 15% or more of our voting securities, the rights will be distributed, will become exercisable and will trade separately from the shares of common stock.

The rights will have anti-takeover effects. They will cause substantial dilution to any person or group that attempts to acquire us in a manner that causes the rights to become exercisable. We believe, however, that the rights should not affect any prospective offeror willing to negotiate with our board nor interfere with any merger or other business combination approved by our board. Our board may redeem the rights for \$0.01 per right. Our board may amend the terms of the rights agreement without the consent of our stockholders or the holders of the rights. The rights expire on August 17, 2009.

Classified Board. Devon's certificate of incorporation and bylaws contain provisions for a staggered board of directors with only one-third of the board standing for election each year. A staggered board makes it more difficult for shareholders to change the majority of directors. At the 2008 Annual Meeting of Stockholders, our stockholders approved an amendment to our Certificate of Incorporation to eliminate the staggered board of directors over a three-year transition period. Beginning in 2011, all of our directors will be elected annually.

DESCRIPTION OF UNDESIGNATED PREFERRED STOCK

This summary of the undesignated preferred stock discusses terms and conditions that we expect may apply to any series of the preferred stock that may be offered under this prospectus. The applicable prospectus supplement will describe the particular terms of each series of preferred stock actually offered. If indicated in the prospectus supplement, the terms of any series may differ from the terms described below.

We expect the prospectus supplement for any preferred stock that we actually offer pursuant to this prospectus to include some or all of the following terms:

- the designation of the series of preferred stock;
- the number of shares of preferred stock offered, the liquidation preference per share and the offering price of the preferred stock;
- the dividend rate or rates of the shares, the method or methods of calculating the dividend rate or rates, the dates on which dividends, if declared, will be payable, and whether or not the dividends are to be cumulative and, if cumulative, the date or dates from which dividends shall be cumulative;
- the amounts payable on shares of the preferred stock in the event of our voluntary or involuntary liquidation, dissolution or winding up;
- the redemption rights and price or prices, if any, for the shares of preferred stock;
- the terms, and the amount, of any sinking fund or analogous fund providing for the purchase or redemption of the shares of preferred stock;
- any restrictions on our ability to make payments on any of our capital stock if dividend or other payments are not made on the preferred stock;
- any voting rights granted to the holders of the shares of preferred stock in addition to those required by Delaware law or our certificate of incorporation;
- whether the shares of preferred stock will be convertible into shares of our common stock or any other class of our capital stock, and, if convertible, the conversion price or prices, and any adjustment or other terms and conditions upon which the conversion shall be made;

- any other rights, preferences, restrictions, limitations or conditions relative to the shares of preferred stock permitted by Delaware law or our certificate of incorporation;
- any listing of the preferred stock on any securities exchange; and
- the federal income tax considerations applicable to the preferred stock.

Subject to our certificate of incorporation and to any limitations imposed by any then outstanding preferred stock, we may issue additional series of preferred stock, at any time or from time to time, with such powers, preferences, rights and qualifications, limitations or restrictions as our board of directors determines, and without further action of the stockholders, including holders of our then outstanding preferred stock, if any.

DESCRIPTION OF DEBT SECURITIES

The following description of the debt securities sets forth certain general terms and provisions of the debt securities to which this prospectus and any prospectus supplement may relate. The particular terms of any series of debt securities and the extent to which the general provisions may apply to a particular series of debt securities will be described in a prospectus supplement relating to that series. References in this section to “Devon” mean Devon Energy Corporation and not its subsidiaries.

Any debt securities offered by this prospectus will be issued under one or more indentures between Devon and a trustee. We have summarized selected provisions of the indentures below. Devon senior debt securities are to be issued under an indenture dated as of March 1, 2002 between Devon and The Bank of New York Mellon (as successor to The Bank of New York), as trustee (the “Devon senior indenture”), a copy of which is incorporated by reference as an exhibit to the registration statement of which this prospectus forms a part. Devon subordinated debt securities are to be issued under an indenture (the “Devon subordinated indenture”), the form of which is filed as an exhibit to the registration statement of which this prospectus forms a part. The Devon senior indenture and the Devon subordinated indenture are sometimes referred to herein, collectively, as the “indentures” and each, individually, as an “indenture.” You should read the indentures for provisions that may be important to you.

Because we have included only a summary of the indenture terms, you must read the indentures in full to understand every detail of the terms of the debt securities.

The indentures will not limit the amount of debt securities we may issue under them, and will provide that additional debt securities of any series may be issued up to the aggregate principal amount that we authorize from time to time.

Unless otherwise indicated in the applicable prospectus supplement, we will issue the debt securities in denominations of \$1,000 or integral multiples of \$1,000.

Principal and any premium and interest in respect of the debt securities will be payable, and the debt securities will be transferable, at the corporate trust office of the trustee, unless we specify otherwise in the applicable prospectus supplement. At our option, however, we may pay interest by mailing checks to the registered holders of the debt securities at their registered addresses.

We will describe any special U.S. federal income tax and other considerations relating to debt securities in the applicable prospectus supplement.

General

The prospectus supplement relating to the particular series of debt securities being offered will specify the amounts, prices and terms of those debt securities. These terms may include:

- the designation, aggregate principal amount and authorized denominations of the debt securities;
- the date or dates on which the debt securities will mature;
- the percentage of the principal amount at which the debt securities will be issued;

Table of Contents

- the date on which the principal of the debt securities will be payable;
- whether the debt securities will be issued as registered securities, bearer securities or a combination of the two;
- whether the debt securities will be issued in the form of one or more global securities and whether such global securities will be issued in a temporary global form or permanent global form;
- the currency or currencies or currency unit or units of two or more currencies in which debt securities are denominated, for which they may be purchased, and in which principal and any premium and interest is payable;
- whether the currency or currencies or currency unit or units for which debt securities may be purchased or in which principal and any premium interest may be paid is at our election or at the election of a purchaser, the manner in which an election may be made and its terms;
- the annual rate or rates, which may be fixed or variable, or the method of determining the rate or rates at which the debt securities will bear any interest, whether by remarketing, auction, formula or otherwise;
- the date or dates from which any interest will accrue and the date or dates on which such interest will be payable;
- a description of any provisions providing for redemption, exchange or conversion of the debt securities at our option, at holder's option or otherwise, and the terms and provisions of such a redemption, exchange or conversion;
- information with respect to book-entry procedures relating to global debt securities;
- any sinking fund terms;
- whether and under what circumstances we will pay "additional amounts," as defined in the indenture, on the debt securities to any holder; the term "interest," as used in this prospectus, includes any additional amounts;
- any events of default or covenants of Devon with respect to the debt securities of a certain series that are different from those described in this prospectus;
- whether and under what circumstances any covenants in the indenture shall be subject to covenant defeasance;
- any deletions from, or modifications or additions to, the provisions of the indenture relating to satisfaction and discharge in respect of the debt securities;
- any index or other method used to determine the amount of payments of principal of and any premium and interest on the debt securities; and
- any other specific terms of the debt securities.

We are not obligated to issue all debt securities of any one series at the same time. The debt securities of any one series may not bear interest at the same rate or mature on the same date.

If we sell any of the debt securities for foreign currencies or foreign currency units or if the principal of, or any premium or interest on, any series of debt securities is payable in foreign currencies or foreign currency units, we will describe the restrictions, elections, tax consequences, specific terms and other information with respect to those debt securities in the applicable prospectus supplement.

Except as may be described in the applicable prospectus supplement, the indenture will not limit our ability to incur indebtedness or afford holders of debt securities protection in the event of a decline in our credit quality or if we are involved in a takeover, recapitalization or highly leveraged or similar transaction. The prospectus supplement relating to the particular series of debt securities, to the extent not otherwise described in this prospectus, will include any information with respect to any deletions from, modifications of or additions to the covenants or events of default described below and contained in the indenture, including any addition of a covenant or other provision providing event risk or similar protection.

Unless otherwise indicated in the applicable prospectus supplement, Devon's obligation to pay the principal of, and any premium and interest on, its senior debt securities will be unsecured and will rank equally with all of Devon's other unsecured unsubordinated indebtedness.

Interest Rates and Discounts

The debt securities will earn interest at a fixed or floating rate or rates for the period or periods of time specified in the applicable prospectus supplement. Unless otherwise specified in the applicable prospectus supplement, the debt securities will bear interest on the basis of a 360-day year consisting of twelve 30-day months.

We may sell debt securities at a substantial discount below their stated principal amount, bearing no interest or interest at a rate that at the time of issuance is below market rates. We will describe the federal income tax consequences and special considerations that apply to those debt securities in the applicable prospectus supplement.

Exchange, Registration and Transfer

Unless otherwise specified, debt securities of any series will be exchangeable for other debt securities of the same series and of like aggregate principal amount and tenor in different authorized denominations.

You may present debt securities for registration of transfer, together with a duly executed form of transfer, at the office of the security registrar or at the office of any transfer agent designated by us for that purpose with respect to any series of debt securities and referred to in the applicable prospectus supplement. This may be done without service charge but upon payment of any taxes and other governmental charges as described in the indenture. The security registrar or the transfer agent will effect the transfer or exchange upon being satisfied with the documents of title and identity of the person making the request. We may at any time designate additional transfer agents with respect to any series of debt securities.

In the event of any redemption, we will not be required to:

- execute, register the transfer of or exchange debt securities of any series during a period beginning at the opening of business 15 days before any selection of debt securities of that series to be redeemed and ending at the close of business on the day of mailing of the relevant notice of redemption; or
- execute, register the transfer of or exchange any debt security, or portion thereof, called for redemption, except the unredeemed portion of any debt security being redeemed in part.

Payment and Paying Agents

Unless we specify otherwise in the applicable prospectus supplement, we will pay the principal of, and any premium and interest on, debt securities at the office of the paying agent or paying agents that we designate at various times. However, at our option, we may make interest payments by check mailed to the address, as it appears in the security register, of the person entitled to the payments. Unless we specify otherwise in the applicable prospectus supplement, the Corporate Trust Office of the trustee in New York, New York, will be designated as our sole paying agent for payments with respect to debt securities that are issuable solely as registered securities.

All monies we pay to a paying agent for the payment of principal of, and any premium and interest on, any debt security or coupon that remains unclaimed at the end of two years after becoming due and payable will be repaid to us. After that time, the holder of the debt security or coupon will look only to us for payments out of those repaid amounts.

Global Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global certificates that we will deposit with a depository identified in the applicable prospectus supplement, or a custodian for such depository. Global securities may be issued in either registered or bearer form and in either temporary or permanent

form. Unless and until it is exchanged in whole or in part for the individual debt securities it represents, a global security may not be transferred except as a whole:

- by the applicable depositary to a nominee of the depositary;
- by any nominee to the depositary itself or another nominee; or
- by the depositary or any nominee to a successor depositary or any nominee of the successor.

We will describe the specific terms of the depositary arrangement with respect to a series of debt securities in the applicable prospectus supplement. We anticipate that the following provisions will generally apply to depositary arrangements.

When we issue a global security in registered form, the depositary for the global security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the individual debt securities represented by that global security to the accounts of participants that have accounts with the depositary. Those accounts will be designated by the dealers, underwriters or agents with respect to the underlying debt securities or by us if those debt securities are offered and sold directly by us. Ownership of beneficial interests in a global security will be limited to participants or persons that may hold interests through participants. For interests of participants, ownership of beneficial interests in the global security will be shown on records maintained by the applicable depositary or its nominee. For interests of persons other than participants, that ownership information will be shown on the records of participants. Transfer of that ownership will be effected only through those records.

The laws of some states require that certain purchasers of securities take physical delivery of securities in definitive form. These limits and laws may impair your ability to transfer beneficial interests in a global security.

As long as the depositary for a global security, or its nominee, is the registered owner of that global security, the depositary or nominee will be considered the sole owner or holder of the debt securities represented by the global security for all purposes under the applicable indenture. Except as provided below, owners of beneficial interests in a global security:

- will not be entitled to have any of the underlying debt securities registered in their names;
- will not receive or be entitled to receive physical delivery of any of the underlying debt securities in definitive form; and
- will not be considered the owners or holders under the indenture relating to those debt securities.

We will make payments of principal of, and any premium and interest on, individual debt securities represented by a global security registered in the name of a depositary or its nominee to the depositary or its nominee as the registered owner of the global security representing such debt securities. Neither we, the trustee, any paying agent nor the registrar for the debt securities will be responsible for any aspect of the records relating to or payments made by the depositary or any participants on account of beneficial interests of the global security.

We expect that the depositary or its nominee, upon receipt of any payment of principal, premium or interest relating to a permanent global security representing any series of debt securities, immediately will credit participants' accounts with the payments. Those payments will be credited in amounts proportional to the respective beneficial interests of the participants in the principal amount of the global security as shown on the records of the depositary or its nominee. We also expect that payments by participants to owners of beneficial interests in the global security held through those participants will be governed by standing instructions and customary practices. This is now the case with securities held for the accounts of customers in bearer form or registered in "street name." Those payments will be the sole responsibility of those participants.

If the depositary for a series of debt securities is at any time unwilling, unable or ineligible to continue as depositary and we do not appoint a successor depositary within 90 days, we will issue individual debt securities of that series in exchange for the global security or securities representing that series. In addition, we may at any time in our sole discretion determine not to have any debt securities of a series represented by one or more global securities. In that event, we will issue individual debt securities of that series in exchange for the global security or securities. Further, if we specify, an owner of a beneficial interest in a global security may, on terms acceptable to us,

the trustee and the applicable depository, receive individual debt securities of that series in exchange for those beneficial interests. The foregoing is subject to any limitations described in the applicable prospectus supplement. In that instance, the owner of the beneficial interest will be entitled to physical delivery of individual debt securities equal in principal amount to the beneficial interest and to have the debt securities registered in its name. Those individual debt securities will be issued in denominations, unless we specify otherwise, of \$1,000 or integral multiples of \$1,000.

For a description of the depository arrangements for global securities held by The Depository Trust Company, also known as DTC, see “Book-Entry Securities.”

Events of Default

Unless otherwise specified in the applicable prospectus supplement, any one of the following events will constitute an “event of default” under the indentures with respect to the debt securities of any series issued under the indentures:

- if we fail to pay any interest on any debt security of that series when due, and the failure continues for 30 days;
- if we fail to pay principal of or any premium on the debt securities of that series when due and payable, either at maturity or otherwise;
- if we fail to perform or we breach any of our other covenants or warranties in the applicable indentures or in the debt securities of that series, other than a covenant or warranty included in the applicable indenture solely for the benefit of a series of securities other than the debt securities of that series, and that breach or failure continues for 60 days (subject to extension under certain circumstances for another 120 days) after written notice as provided in the applicable indenture;
- certain events of bankruptcy, insolvency or reorganization involving us or certain of our subsidiaries; and
- any other event of default provided with respect to the debt securities of that series.

If we fail to pay the principal of, or premium or interest on, the debt securities of any series or we fail to perform or breach any of the other covenants or warranties applicable to the debt securities of that series but not applicable to all outstanding debt securities, and such event of default is continuing, either the trustee or the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of that series may declare the principal amount of, and any premium and interest on, the debt securities of that series to be due and payable immediately. If an event of default occurs due to default in the performance of any other of the covenants and warranties applicable to all outstanding debt securities or pertaining to certain events of bankruptcy, insolvency or reorganization, and the event of default is continuing, either the trustee or the holders of not less than 25% in principal amount of all debt securities then outstanding (considered as one class), may declare the principal amount of, and any premium and interest on, all debt securities to be due and payable immediately. There is no automatic acceleration, even in the event of our bankruptcy, insolvency or reorganization. At any time after a declaration of acceleration has been made, but before a judgment or decree for payment of money has been obtained by the trustee, we may cause such declaration of acceleration to be rescinded and annulled with respect to the debt securities of any series if we deposit with the trustee an amount sufficient to pay all overdue interest on the debt securities of that series, the principal of and premium, if any, on the debt securities of that series that have become due and payable otherwise than by such declaration of acceleration and all amounts due to the trustee and if all other events of default with respect to the debt securities of that series have been cured or waived.

Within 90 days after the occurrence of any event of default under the indentures with respect to the debt securities of any series issued under that indenture, the trustee must transmit notice of the event of default to the holders of the debt securities of that series unless the event of default has been cured or waived. The trustee may withhold the notice, however, except in the case of a payment default, if and so long as the board of directors, the executive committee or a trust committee of directors or responsible officers of the trustee has in good faith determined that the withholding of the notice is in the interest of the holders of debt securities of that series.

If an event of default occurs and is continuing with respect to the debt securities of any series, the trustee may in its discretion proceed to protect and enforce its rights and the rights of the holders of debt securities of that series by all appropriate judicial proceedings.

Subject to the duty of the trustee during any default to act with the required standard of care, the trustee is under no obligation to exercise any of its rights or powers under the indenture at the request or direction of any of the holders of debt securities issued under that indenture, unless the holders offer the trustee reasonable indemnity. Subject to indemnifying the trustee, and subject to applicable law and certain other provisions of the indenture, the holders of a majority in aggregate principal amount of the outstanding debt securities of a series issued under that indenture may direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the debt securities of that series.

Defeasance

Unless the applicable prospectus supplement provides otherwise, any debt securities, or portion of the principal amount of the debt securities, will be deemed to have been paid for purposes of the applicable indentures, and, at our election, our entire indebtedness with respect to the debt securities, or portion thereof, will be deemed to have been satisfied and discharged, if we have irrevocably deposited with the trustee or any paying agent other than us, in trust, money, certain eligible obligations, as defined in the applicable indentures, or a combination of the two, sufficient to pay principal of and any premium and interest due and to become due on the debt securities or portions thereof.

The applicable prospectus supplement will describe, if applicable, our ability to be released from any of our covenant obligations under the indentures.

Modification and Waiver

The trustee and Devon may, without the consent of holders, modify or waive provisions of each indenture for certain purposes, including, among other things, curing ambiguities and maintaining the qualification of the applicable indenture under the Trust Indenture Act. The trustee and Devon may modify or waive certain provisions of each indenture with the consent of the holders of not less than a majority in aggregate principal amount of the debt securities of each series issued under that indenture affected by the modification or waiver. However, the provisions of any indenture may not be waived or modified without the consent of the holders of each debt security affected thereby if the modification or waiver would:

- change the stated maturity of the principal of, or any installment of principal of or interest on, any debt security issued under that indenture;
- reduce the principal amount of, or interest on, any debt security issued under the indenture, or change the method of calculating the interest on, or reduce any premium payable upon the redemption of, any such debt security;
- change the coin or currency (or other property) in which any debt security issued under that indenture or any premium or any interest on that debt security or any additional amounts with respect to that debt security is payable;
- impair the right to institute suit for the enforcement of any payment on or after the stated maturity of any debt securities issued under that indenture or, in the case of redemption, on or after the redemption date;
- reduce the percentage and principal amount of the outstanding debt securities, the consent of the holders of which is required under that indenture in order to take certain actions; or
- modify any of the provisions of Sections 12.02, 6.07 (6.06 in the case of the Devon subordinated indenture) and 8.13 of each indenture relating to modifying the indenture, waiving certain covenants and waiving past defaults, respectively.

The holders of at least a majority in aggregate principal amount of outstanding debt securities of any series issued under an indenture may, on behalf of the holders of all debt securities of that series, waive our compliance

with certain restrictive provisions of that indenture. The holders of not less than a majority in aggregate principal amount of debt securities of any series issued under either of the indentures may, on behalf of all holders of debt securities of that series, waive any past default and its consequences under that indenture with respect to the debt securities of that series, except:

- a payment default with respect to debt securities of that series; or
- a default of a covenant or provision of that indenture that cannot be modified or amended without the consent of the holder of the debt securities of that series.

Consolidation, Merger and Sale of Assets

We may not consolidate with or merge into, or convey, transfer or lease our properties and assets substantially as an entirety to, any person (as defined in the applicable indenture) unless:

- the entity formed by the consolidation or into which we are merged, or the person which acquires by conveyance or transfer, or which leases, substantially all of our properties and assets:
 - is organized and validly existing under the laws of the United States, any domestic jurisdiction or the District of Columbia; and
 - expressly assumes our obligations on the debt securities and under the applicable indenture;
- immediately after the transaction becomes effective, no event of default, and no event that would become an event of default, will have occurred and be continuing; and
- we have delivered to the trustee an officer's certificate and opinion of counsel as provided in the applicable indenture.

Covenants

Unless otherwise specified in the prospectus supplement, the following covenants will apply to the senior debt securities issued by Devon. Various capitalized terms used within this "Covenants" subsection are defined at the end of this subsection.

Liens

Neither Devon nor any of its Restricted Subsidiaries may incur, issue, assume or guarantee any Debt that is secured by a Mortgage on any Principal Property or on any shares of stock or Indebtedness of any Restricted Subsidiary of Devon, without first effectively providing that the securities (together with, if Devon so determines, any other indebtedness of Devon or its Restricted Subsidiaries that is not subordinate in right of payment to the prior right of payment in full of the securities) will be secured equally and ratably with, or prior to, the incurred, issued, assumed or guaranteed secured Debt, for so long as this secured Debt remains so secured.

This limitation on the incurrence, issuance, assumption or guarantee of any Debt secured by a Mortgage will not apply to, and there will be excluded from any secured Debt in any computation under this covenant, Debt secured by:

- Mortgages existing at the date of the indenture;
- Mortgages on property of, or on any shares of stock or Indebtedness of, any entity existing at the time the entity is merged into or consolidated with Devon or becomes a Restricted Subsidiary of Devon;
- Mortgages in favor of Devon or any of its Restricted Subsidiaries;
- Mortgages on property, shares of stock or Indebtedness:
 - existing at the time of acquisition thereof, including acquisitions through merger, consolidation or other reorganization;
 - to secure the payment of all or any part of the purchase price thereof or construction thereon; or

- to secure any Debt incurred prior to, at the time of, or within one year after the later of the acquisition, the completion of construction or the commencement of full operation of the property or within one year after the acquisition of the shares or Indebtedness for the purpose of financing all or any part of the purchase price thereof or construction thereon;

provided that, if a commitment for the financing is obtained prior to or within this one-year period, the applicable Mortgage will be deemed to be included in this clause whether or not the Mortgage is created within this one-year period;

- Mortgages in favor of the United States, any state thereof, Canada, or any province thereof, or any department, agency or instrumentality or political subdivision of any of the foregoing, or in favor of any other country or any political subdivision thereof;
- Mortgages on minerals or geothermal resources in place, or on related leasehold or other property interests, that are incurred to finance development, production or acquisition costs, including, but not limited to, Mortgages securing advance sale obligations;
- Mortgages on equipment used or usable for drilling, servicing or operating oil, gas, coal or other mineral properties or geothermal properties;
- Mortgages required by any contract or statute in order to permit Devon or any of its subsidiaries to perform any contract or subcontract made with or at the request of the United States, any state thereof, Canada, any province thereof, or in favor of any other country or any political subdivision thereof, or any department, agency or instrumentality of any of the foregoing;
- any Mortgage resulting from the deposit of moneys or evidence of indebtedness in trust for the purpose of defeasing Debt of Devon or any of its Restricted Subsidiaries or secured Debt of Devon or any of its Restricted Subsidiaries the net proceeds of which are used, substantially concurrent with the funding thereof, and taking into consideration, among other things, required notices to be given to the holders of the outstanding securities in connection with the refunding, refinancing or repurchase thereof, and the required corresponding durations thereof, to refund, refinance or repurchase all of the outstanding securities, including the amount of all accrued interest thereon and reasonable fees and expenses and premiums, if any, incurred by Devon or any of its Restricted Subsidiaries in connection therewith; and
- any extension, renewal or replacement, or successive extensions, renewals or replacements, of any Mortgage referred to in the foregoing clauses of this covenant, so long as the extension, renewal or replacement Mortgage is limited to all or a part of the same property, including any improvements on the property, shares of stock or Indebtedness that secured the Mortgage so extended, renewed or replaced.

Notwithstanding anything mentioned above, Devon and any one or more of its Restricted Subsidiaries may incur, issue, assume or guarantee Debt secured by Mortgages that would otherwise be subject to the above restrictions if the aggregate amount of the Debt secured by the Mortgages, together with the outstanding principal amount of all other secured Debt of Devon and its Restricted Subsidiaries that would otherwise be subject to the above restrictions, does not exceed 10% of Consolidated Net Tangible Assets.

The following transactions shall not be deemed to create Debt secured by a Mortgage:

- the sale or other transfer of oil, gas, coal or other minerals in place for a period of time until, or in an amount such that, the transferee will realize therefrom a specified amount of money, however determined, or a specified amount of oil, gas, coal or other minerals, or the sale or other transfer of any other interest in property of the character commonly referred to as an oil, gas, coal or other mineral payment or a production payment, and including, in any case, overriding royalty interests, net profit interests, reversionary interests and carried interests and other similar burdens on production; and
- the sale or other transfer by Devon or any of its Restricted Subsidiaries of properties to a partnership, joint venture or other entity whereby Devon or the Restricted Subsidiary would retain partial ownership of the properties.

- renewable or extendible beyond 12 months from such date at the option of the obligor; or

- property employed in transportation, distribution or marketing;

“*Restricted Subsidiary*” means Devon Financing Corporation, U.L.C. and any other subsidiary of Devon:

- that has Stockholders’ Equity exceeding 2% of Consolidated Net Tangible Assets.

“*Stockholders’ Equity*” means, with respect to any corporation, partnership, joint venture, association, joint stock company, limited liability company, unlimited liability company, trust, unincorporated organization or government, or any agency or political subdivision thereof, stockholders’ equity, as computed in accordance with accounting principles generally accepted in the United States.

The Trustee

We may appoint a separate trustee for any series of debt securities. In the description of a series of debt securities, the term “trustee” refers to the trustee appointed with respect to such series of debt securities. The trustee

may be a depository for funds and perform other services for, and may transact other banking business with, Devon and its subsidiaries in the normal course of business.

BOOK-ENTRY SECURITIES

Unless otherwise specified in the applicable prospectus supplement, we will issue securities, other than our common stock, to investors in the form of one or more book-entry certificates registered in the name of a depository or a nominee of a depository. Unless otherwise specified in the applicable prospectus supplement, the depository will be DTC. We have been informed by DTC that its nominee will be Cede & Co. Accordingly, Cede is expected to be the initial registered holder of all securities that are issued in book-entry form.

No person that acquires a beneficial interest in securities issued in book-entry form will be entitled to receive a certificate representing those securities, except as set forth in this prospectus or in the applicable prospectus supplement. Unless and until definitive securities are issued under the limited circumstances described below, all references to actions by holders or beneficial owners of securities issued in book-entry form will refer to actions taken by DTC upon instructions from its participants, and all references to payments and notices to holders or beneficial owners will refer to payments and notices to DTC or Cede, as the registered holder of such securities.

DTC has informed us that it is:

- a limited-purpose trust company organized under New York banking laws;
- a “banking organization” within the meaning of the New York banking laws;
- a member of the Federal Reserve System;
- a “clearing corporation” within the meaning of the New York Uniform Commercial Code; and
- a “clearing agency” registered under the Securities Exchange Act.

DTC has also informed us that it was created to:

- hold securities for “participants;” and
- facilitate the computerized settlement of securities transactions among participants through computerized electronic book-entry changes in participants’ accounts, thereby eliminating the need for the physical movement of securities certificates.

Participants have accounts with DTC and include securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to the DTC system also is available to indirect participants such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

Persons that are not participants or indirect participants but desire to buy, sell or otherwise transfer ownership of or interests in securities may do so only through participants and indirect participants. Under the book-entry system, beneficial owners may experience some delay in receiving payments, as payments will be forwarded by our agent to Cede, a nominee for DTC. These payments will be forwarded to DTC’s participants, which thereafter will forward them to indirect participants or beneficial owners. Beneficial owners will not be recognized by the applicable registrar, transfer agent, trustee or depository as registered holders of the securities entitled to the benefits of the certificate, the indenture or any deposit agreement. Beneficial owners that are not participants will be permitted to exercise their rights as an owner only indirectly through participants and, if applicable, indirect participants.

Under the current rules and regulations affecting DTC, DTC will be required to make book-entry transfers of securities among participants and to receive and transmit payments to participants. Participants and indirect participants with whom beneficial owners of securities have accounts are also required by these rules to make book-entry transfers and receive and transmit such payments on behalf of their respective account holders.

Because DTC can act only on behalf of participants, who in turn act only on behalf of other participants or indirect participants, and on behalf of certain banks, trust companies and other persons approved by it, the ability of

a beneficial owner of securities issued in book-entry form to pledge those securities to persons or entities that do not participate in the DTC system may be limited due to the unavailability of physical certificates for the securities.

DTC has advised us that it will take any action permitted to be taken by a registered holder of any securities under the certificate, the indenture or any deposit agreement only at the direction of one or more participants to whose accounts with DTC the securities are credited.

According to DTC, it has provided information with respect to DTC to its participants and other members of the financial community for informational purposes only and is not intended to serve as a representation, warranty or contract modification of any kind.

Unless otherwise specified in the applicable prospectus supplement, a book-entry security will be exchangeable for definitive securities registered in the names of persons other than DTC or its nominee only if:

- DTC notifies us that it is unwilling or unable to continue as depository for the book-entry security or DTC ceases to be a clearing agency registered under the Securities Exchange Act at a time when DTC is required to be so registered; or
- we execute and deliver to the applicable registrar, transfer agent, trustee and/or depository an order complying with the requirements of the certificate, the indenture or any deposit agreement that the book-entry security will be so exchangeable.

Any book-entry security that is exchangeable in accordance with the preceding sentence will be exchangeable for securities registered in such names as DTC directs.

If one of the events described in the immediately preceding paragraph occurs, DTC is generally required to notify all participants of the availability through DTC of definitive securities. Upon surrender by DTC of the book-entry security representing the securities and delivery of instructions for re-registration, the registrar, transfer agent, trustee or depository, as the case may be, will reissue the securities as definitive securities. After reissuance of the securities, such persons will recognize the beneficial owners of such definitive securities as registered holders of securities.

Except as described above:

- a book-entry security may not be transferred except as a whole book-entry security by or among DTC, a nominee of DTC and/or a successor depository appointed by us; and
- DTC may not sell, assign or otherwise transfer any beneficial interest in a book-entry security unless the beneficial interest is in an amount equal to an authorized denomination for the securities evidenced by the book-entry security.

None of Devon, the trustees, any registrar and transfer agent or any depository, or any agent of any of them, will have any responsibility or liability for any aspect of DTC's or any participant's records relating to, or for payments made on account of, beneficial interests in a book-entry security.

PLAN OF DISTRIBUTION

We may sell the securities through agents, underwriters or dealers, or directly to one or more purchasers without using underwriters or agents.

We may designate agents who agree to use their reasonable efforts to solicit purchases for the period of their appointment or to sell securities on a continuing basis.

If we use underwriters for a sale of securities, the underwriters will acquire the securities for their own accounts. The underwriters may resell the securities in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The obligations of the underwriters to purchase the securities will be subject to the conditions set forth in the applicable underwriting agreement. The underwriters will be obligated to purchase all the securities offered if any of those securities are

purchased. Any initial public offering price and any discounts or concessions allowed or re-allowed or paid to dealers will be described in the applicable prospectus supplement and may be changed from time to time.

Underwriters, dealers and agents that participate in the distribution of the securities may be underwriters as defined in the Securities Act and any discounts or commissions they receive from us and any profit on their resale of the securities may be treated as underwriting discounts and commissions under the Securities Act. The applicable prospectus supplement will identify any underwriters, dealers or agents and will describe their compensation. We may have agreements with the underwriters, dealers and agents to indemnify them against certain civil liabilities, including liabilities under the Securities Act. Underwriters, dealers and agents may engage in transactions with or perform services for us or our subsidiaries in the ordinary course of their businesses.

Unless otherwise specified in the applicable prospectus supplement, each class or series of securities will be a new issue with no established trading market, other than the common stock, which is listed on the New York Stock Exchange. We may elect to list any other class or series of securities on any exchange, but we are not obligated to do so. It is possible that one or more underwriters may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

LEGAL MATTERS

Certain legal matters in connection with the securities will be passed upon for us by Mayer Brown LLP and for any underwriter by legal counsel named in the prospectus supplement.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. *Other Expenses of Issuance and Distribution*

Not applicable.

Item 15. *Indemnification of Directors and Officers*

Except to the extent indicated below, there is no charter provision, bylaw, contract, arrangement or statute under which any director or officer of Devon is insured or indemnified in any manner against any liability which he or she may incur in his or her capacity as such.

Article VIII of Devon's restated certificate of incorporation, as amended, contains a provision, permitted by Section 102(b)(7) of the Delaware General Corporation Law, limiting the personal monetary liability of directors for breach of fiduciary duty as a director. This provision and Delaware law provide that the provision does not eliminate or limit liability:

- for any breach of the director's duty of loyalty to Devon or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- for unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or
- for any transaction from which the director derived an improper benefit.

Section 145 of the Delaware General Corporation Law permits indemnification against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with actions, suits or proceedings in which a director, officer, employee or agent is a party by reason of the fact that he or she is or was such a director, officer, employee or agent, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. However, in connection with actions by or in the right of the corporation, such indemnification is not permitted if such person has been adjudged liable to the corporation unless the court determines that, under all of the circumstances, such person is nonetheless fairly and reasonably entitled to indemnify for such expenses as the court deems proper. Article X of Devon's restated certificate of incorporation, as amended, provides for such indemnification.

Section 145 of the Delaware General Corporation Law also permits a corporation to purchase and maintain insurance on behalf of its directors and officers against any liability that may be asserted against, or incurred by, such persons in their capacities as directors or officers of the corporation whether or not the corporation would have the power to indemnify such person against such liabilities under the provisions of such sections. Devon has purchased such insurance.

Section 145 of the Delaware General Corporation Law further provides that the statutory provision is not exclusive of any other right to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or independent directors, or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

Article XIII of Devon's bylaws contains provisions regarding indemnification that parallel those described above.

Item 16. *Exhibits*

Reference is made to the Exhibit Index included herewith which is incorporated herein by reference.

Item 17. Undertakings

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(i), (a)(ii) and (a)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, that are incorporated by reference in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining liability under the Securities Act of 1933 to any purchaser:

(a) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(b) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

3. The undersigned Registrant hereby undertakes that, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (a) Any preliminary prospectus or prospectus of the Registrant relating to the offering required to be filed pursuant to Rule 424;
- (b) Any free writing prospectus relating to the offering prepared by or on behalf of the Registrant or used or referred to by the Registrant;
- (c) The portion of any other free writing prospectus relating to the offering containing material information about the Registrant or its securities provided by or on behalf of the Registrant; and
- (d) Any other communication that is an offer in the offering made by the Registrant to the purchaser.

4. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of Devon's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by any Registrant of expenses incurred or paid by a director, officer or controlling person of that Registrant in the successful defense of any action, suit or proceeding) is asserted against a Registrant by such director, officer or controlling person in connection with the securities being registered, that Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, Devon Energy Corporation certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Oklahoma City, State of Oklahoma on December 4, 2008.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which such officer's certificate or opinion are based are erroneous. Anything in this Indenture to the contrary notwithstanding, if any such corrective document or instrument indicates that action has been taken by or at the request of the Company which could not have been taken had the original document or instrument not contained such error or omission, the action so taken shall not be invalidated or otherwise rendered ineffective but shall be and remain in full force and effect, (except to the extent that such action was a result of willful misconduct or bad faith or had or could be expected

to have a material adverse effect on the Holders of any Debt Securities issued hereunder). Without limiting the generality of the foregoing, any Debt Securities issued under the authority of such defective document or instrument shall nevertheless be the valid obligations of the Company entitled to the benefits of this Indenture equally and ratably with all other Outstanding Debt Securities.

SECTION 1.04 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, election, waiver or other action provided by this Indenture to be made, given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing or, alternatively, may be embodied in and evidenced by the record of Holders voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Holders duly called and held in accordance with the provisions of Article XIII, or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments and any such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments and so voting at any such meeting. Proof of execution of any such instrument or of a writing appointing any such agent, or of the holding by any Person of a Debt Security, shall be sufficient for any purpose of this Indenture and (subject to Section 9.01) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section. The record of any meeting of Holders shall be proved in the manner provided in Section 13.06.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or may be proved in any other manner which the Trustee and the Company deem sufficient. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority.

(c) The principal amount (except as otherwise contemplated in clause (y) of the proviso to the definition of Outstanding) and serial numbers of Debt Securities held by any Person, and the date of holding the same, shall be proved by the Debt Security Register.

(d) Any request, demand, authorization, direction, notice, consent, election, waiver or other Act of a Holder shall bind every future Holder of the same Debt Security and the Holder of every Debt Security issued upon the registration of transfer thereof or in exchange thereof or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Debt Security.

(e) Until such time as written instruments shall have been delivered to the Trustee with respect to the requisite percentage of principal amount of Debt Securities for the action

contemplated by such instruments, any such instrument executed and delivered by or on behalf of a Holder may be revoked with respect to any or all of such Debt Securities by written notice by such Holder or any subsequent Holder, proven in the manner in which such instrument was proven.

(f) Debt Securities of any series, or any Tranche thereof, authenticated and delivered after any Act of Holders may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any action taken by such Act of Holders. If the Company shall so determine, new Debt Securities of any series, or any Tranche thereof, so modified as to conform, in the opinion of the Trustee and the Company, to such action may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Debt Securities of such series or Tranche.

(g) If the Company shall solicit from Holders any request, demand, authorization, direction, notice, consent, election, waiver or other Act, the Company may, at its option, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, election, waiver or other Act, but the Company shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, election, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on the record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of the Outstanding Debt Securities have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, election, waiver or other Act, and for that purpose the Outstanding Debt Securities shall be computed as of the record date.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders.

Any notice required by this Indenture may be waived in writing by the Person entitled to receive such notice, either before or after the event otherwise to be specified therein, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

With respect to Debt Securities of a series subject to a Periodic Offering, the indenture supplemental hereto or the Board Resolution which establishes such series, or the Officer's Certificate pursuant to such supplemental indenture or Board Resolution, as the case may be, may provide general terms or parameters for Debt Securities of such series and provide either that the specific terms of Debt Securities of such series, or any Tranche thereof, shall be specified in a Company Order or that such terms shall be determined by the Company or its agents in accordance with procedures specified in a Company Order as contemplated by clause (b) of the third paragraph of Section 3.03.

SECTION 3.02 Denominations.

Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Securities, or any Tranche thereof, the Debt Securities of each series shall be issuable in denominations of \$1,000 and any integral multiple thereof.

SECTION 3.03 Execution, Authentication, Delivery and Dating.

Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Debt Securities, or any Tranche thereof, the Debt Securities shall be executed on behalf of the Company by an Authorized Officer and may have the corporate seal of the Company affixed thereto or reproduced thereon attested by any other Authorized Officer. The signature of any or all of these officers on the Debt Securities may be manual or facsimile.

Debt Securities bearing the manual or facsimile signatures of individuals who were at the time of execution Authorized Officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Debt Securities or did not hold such offices at the date of such Debt Securities.

The Trustee shall authenticate and deliver Debt Securities of a series, for original issue, at one time or from time to time in accordance with the Company Order referred to below, upon receipt by the Trustee of:

(a) the instrument or instruments establishing the form or forms and terms of such series, as provided in Sections 2.01 and 3.01;

(b) a Company Order requesting the authentication and delivery of such Debt Securities and, to the extent that the terms of such Debt Securities shall not have been established in an indenture supplemental hereto or in a Board Resolution, or in an Officer's Certificate pursuant to a supplemental indenture or Board Resolution, all as contemplated by Sections 2.01 and 3.01, either (i) establishing such terms or (ii) in the case of Debt Securities of a series subject

to a Periodic Offering, specifying procedures, acceptable to the Trustee, by which such terms are to be established, in either case in accordance with the instrument or instruments delivered pursuant to clause (a) above;

(c) the Debt Securities of such series, executed on behalf of the Company by an Authorized Officer;

(d) an Opinion of Counsel to the effect that:

(i) the form or forms of such Debt Securities have been duly authorized by the Company and have been established in conformity with the provisions of this Indenture;

(ii) the terms of such Debt Securities have been duly authorized by the Company and have been established in conformity with the provisions of this Indenture; and

(iii) assuming authentication and delivery by the Trustee and subject to any conditions specified in such Opinion of Counsel, such Debt Securities will have been duly issued under this Indenture and will be legal, valid and binding obligations of the Company, enforceable in accordance with their terms, subject, as to enforcement, to laws relating to or affecting generally the enforcement of creditors' rights, including, without limitation, bankruptcy and insolvency laws and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law);

provided, however, that, with respect to Debt Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication of such Debt Securities (provided that such Opinion of Counsel addresses the authentication and delivery of all Debt Securities of such series) and that in lieu of the opinions described in clauses (ii) and (iii) above Counsel may opine that:

(x) when the terms of such Debt Securities shall have been established pursuant to a Company Order or Orders or pursuant to such procedures (acceptable to the Trustee) as may be specified from time to time by a Company Order or Orders, all as contemplated by and in accordance with the instrument or instruments delivered pursuant to clause (a) above, such terms will have been duly authorized by the Company and will have been established in conformity with the provisions of this Indenture; and

(y) such Debt Securities, when authenticated and delivered by the Trustee in accordance with this Indenture and the Company Order or Orders or specified procedures referred to in paragraph (x) above and issued and delivered by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will have been duly issued under this Indenture and will constitute valid and legally binding obligations of the Company, entitled to the benefits provided by the Indenture, and enforceable in accordance with their terms, subject, as to enforcement, to laws relating to or affecting generally the enforcement of creditors' rights, including, without limitation, bankruptcy and insolvency laws and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

With respect to Debt Securities of a series subject to a Periodic Offering, the Trustee may conclusively rely, as to the authorization by the Company of any of such Debt Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to Sections 2.01 and 3.01 and this Section, as applicable, at or prior to the time of the first authentication of Debt Securities of such series unless and until such opinion or other documents have been superseded or revoked or expire by their terms. In connection with the authentication and delivery of Debt Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Debt Securities do not violate any rules, regulations or orders of any Governmental Authority having jurisdiction over the Company.

If the form or terms of the Debt Securities of any series have been established by or pursuant to a Board Resolution or an Officer's Certificate as permitted by Sections 2.01 or 3.01, the Trustee shall not be required to authenticate such Debt Securities if the issuance of such Debt Securities pursuant to this Indenture will materially or adversely affect the Trustee's own rights, duties or immunities under the Debt Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Unless otherwise specified as contemplated by Section 3.01 with respect to any series of Debt Securities, or any Tranche thereof, each Debt Security shall be dated the date of its authentication.

Unless otherwise specified as contemplated by Section 3.01 with respect to any series of Debt Securities, or any Tranche thereof, no Debt Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Debt Security a certificate of authentication substantially in the form provided for herein executed by the Trustee or its agent by manual signature, and such certificate upon any Debt Security shall be conclusive evidence, and the only evidence, that such Debt Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Debt Security shall have been authenticated and delivered hereunder to the Company, or any Person acting on its behalf, but shall never have been issued and sold by the Company, and the Company shall deliver such Debt Security to the Debt Security Registrar for cancellation as provided in Section 3.09 together with a written statement (which need not comply with Section 1.02 and need not be accompanied by an Opinion of Counsel) stating that such Debt Security has never been issued and sold by the Company, for all purposes of this Indenture such Debt Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits hereof.

SECTION 3.04 Temporary Debt Securities.

Pending the preparation of definitive Debt Securities of any series, or any Tranche thereof, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Debt Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Debt Securities in lieu of which they are issued, with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Debt Securities may determine, as evidenced by their execution of such Debt Securities; provided, however, that

temporary Debt Securities need not recite specific redemption, sinking fund, conversion or exchange provisions.

Unless otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of any series, or any Tranche thereof, after the preparation of definitive Debt Securities of such series or Tranche, the temporary Debt Securities of such series or Tranche shall be exchangeable, without charge to the Holder thereof, for definitive Debt Securities of such series or Tranche, upon surrender of such temporary Debt Securities at the office or agency of the Company maintained pursuant to Section 6.02 in a Place of Payment for such Debt Securities. Upon such surrender of temporary Debt Securities, the Company shall, except as aforesaid, execute and the Trustee shall authenticate and deliver in exchange therefor definitive Debt Securities of the same series and Tranche, of authorized denominations and of like tenor and aggregate principal amount.

Until exchanged in full as hereinabove provided, temporary Debt Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Debt Securities of the same series and Tranche and of like tenor authenticated and delivered hereunder.

SECTION 3.05 Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept in each office designated pursuant to Section 6.02, with respect to the Debt Securities of each series or any Tranche thereof, a register (all registers kept in accordance with this Section being collectively referred to as the "Debt Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Debt Securities of such series or Tranche and the registration of transfer thereof. The Company shall designate one Person to maintain the Debt Security Register for the Debt Securities of each series on a consolidated basis, and such Person is referred to herein, with respect to such series, as the "Debt Security Registrar". Anything herein to the contrary notwithstanding, the Company may designate one or more of its offices as an office in which a register with respect to the Debt Securities of one or more series, or any Tranche or Tranches thereof, shall be maintained, and the Company may designate itself the Debt Security Registrar with respect to one or more of such series. The Debt Security Register shall be open for inspection by the Trustee and the Company at all reasonable times.

Except as otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of any series, or any Tranche thereof, upon surrender for registration of transfer of any Debt Security of such series or Tranche at the office or agency of the Company maintained pursuant to Section 6.02 in a Place of Payment for such series or Tranche, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Debt Securities of the same series and Tranche, of authorized denominations and of like tenor and aggregate principal amount.

Except as otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of any series, or any Tranche thereof, any Debt Security of such series or Tranche may be exchanged at the option of the Holder, for one or more new Debt Securities of the same series and Tranche, of authorized denominations and of like tenor and aggregate principal amount, upon surrender of the Debt Securities to be exchanged at any such office or agency. Whenever

any Debt Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Debt Securities which the Holder making the exchange is entitled to receive.

All Debt Securities delivered upon any registration of transfer or exchange of Debt Securities shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Debt Securities surrendered upon such registration of transfer or exchange.

Every Debt Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company, the Trustee or the Debt Security Registrar) be duly endorsed or shall be accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee or the Debt Security Registrar, as the case may be, duly executed by the Holder thereof or his attorney duly authorized in writing.

Unless otherwise specified as contemplated by Section 3.01 with respect to Debt Securities of any series, or any Tranche thereof, no service charge shall be made for any registration of transfer or exchange of Debt Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Debt Securities, other than exchanges pursuant to Section 3.04, 4.06 or 12.06 not involving any transfer.

The Company shall not be required to execute or to provide for the registration of transfer of or the exchange of (a) Debt Securities of any series, or any Tranche thereof, during a period of 15 days immediately preceding the day of the mailing of a notice of redemption of the Debt Securities of such series or Tranche is to be given or (b) any Debt Security so selected for redemption in whole or in part, except the unredeemed portion of any Debt Security being redeemed in part.

None of the Company, the Trustee, any Paying Agent or the Debt Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

SECTION 3.06 Mutilated, Destroyed, Lost and Stolen Debt Securities.

If any mutilated Debt Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Debt Security of the same series and Tranche, and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (a) evidence to their satisfaction of the ownership of and the destruction, loss or theft of any Debt Security and (b) such security or indemnity as may be reasonably required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Debt Security is held by a Person purporting to be the owner of such Debt Security, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such

destroyed, lost or stolen Debt Security, a new Debt Security of the same series and Tranche, and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

Notwithstanding the foregoing, in case any such mutilated, destroyed, lost or stolen Debt Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Debt Security, pay such Debt Security.

Upon the issuance of any new Debt Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Debt Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Debt Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Debt Security shall be at any time enforceable by anyone other than the Holder of such new Debt Security, and any such new Debt Security shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Debt Securities of such series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Debt Securities.

SECTION 3.07 Payment of Interest and Additional Interest; Interest Rights Preserved.

Unless otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of any series, or any Tranche thereof, interest and Additional Interest on any Debt Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Debt Security (or one or more Predecessor Debt Securities) is registered at the close of business on the Regular Record Date for such interest.

[Subject to Section 3.12] any interest on any Debt Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the related Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Debt Securities of such series (or their respective Predecessor Debt Securities) are registered at the close of business on a date (herein called a "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Debt Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to

such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall promptly cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Debt Securities of such series at the address of such Holder as it appears in the Debt Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Debt Securities of such series (or their respective Predecessor Debt Securities) are registered at the close of business on such Special Record Date.

(b) The Company may make payment of any Defaulted Interest on the Debt Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Debt Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 3.05, each Debt Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Debt Security shall carry the rights to interest (including any Additional Interest) accrued and unpaid, and to accrue, which were carried by such other Debt Security.

SECTION 3.08 Persons Deemed Owners.

Prior to due presentment of a Debt Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Debt Security is registered as the absolute owner of such Debt Security for the purpose of receiving payment of principal of and premium, if any, and (subject to Sections 3.05 and 3.07) interest (including Additional Interest), if any, on such Debt Security and for all other purposes whatsoever, whether or not such Debt Security is overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

SECTION 3.09 Cancellation by Debt Security Registrar.

All Debt Securities surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Debt Security Registrar, be delivered to the Debt Security Registrar and, if not theretofore canceled, shall be promptly canceled by the Debt Security Registrar. The Company may at any time deliver to the Debt Security Registrar for cancellation any Debt Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever or which the Company shall not have issued and sold, and all Debt Securities so delivered shall be promptly canceled by the Debt Security Registrar. No Debt Securities shall be authenticated in lieu of or in exchange for any Debt Securities canceled as provided in this Section, except as expressly permitted by this

Indenture. All certificates representing canceled Debt Securities held by the Debt Security Registrar shall be disposed of in accordance with the customary practices of the Debt Security Registrar at the time in effect, and the Debt Security Registrar shall not be required to destroy any such certificates. The Debt Security Registrar, if other than the trustee, shall promptly deliver a certificate of disposition with respect to such disposed certificates to the Trustee and the Company unless, by a Company Order, similarly delivered, the Company shall direct that canceled Debt Securities be returned to it. The Debt Security Registrar shall promptly deliver evidence of any cancellation of a Debt Security in accordance with this Section to the Trustee and the Company. If the Trustee is the entity acting as Debt Security Registrar, it shall promptly deliver to the Company a certificate of disposition with respect to any certificates disposed of and/or evidence of any cancellation of a Debt Security, in each case in accordance with this Section, if so requested by a Company Order.

SECTION 3.10 Computation of Interest.

Except as otherwise specified as contemplated by Section 3.01 for Debt Securities of any series, or any Tranche thereof, interest on the Debt Securities of each series shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

SECTION 3.11 Payment to be in Proper Currency.

In the case of the Debt Securities of any series, or any Tranche thereof, denominated in any currency other than Dollars or in a composite currency (the "Required Currency"), except as otherwise specified with respect to such Debt Securities as contemplated by Section 3.01, the obligation of the Company to make any payment of the principal thereof, or the premium or interest thereon, shall not be discharged or satisfied by any tender by the Company, or recovery by the Trustee, in any currency other than the Required Currency, except to the extent that such tender or recovery shall result in the Trustee timely holding the full amount of the Required Currency then due and payable. If any such tender or recovery is in a currency other than the Required Currency, the Trustee may take such actions as it considers appropriate to exchange such currency for the Required Currency. The costs and risks of any such exchange, including without limitation the risks of delay and exchange rate fluctuation, shall be borne by the Company, the Company shall remain fully liable for any shortfall or delinquency in the full amount of Required Currency then due and payable, and in no circumstances shall the Trustee be liable therefor except in the case of its negligence or willful misconduct.

[SECTION 3.12 Deferrals of Interest Payment Dates.

If specified as contemplated by Section 3.01 with respect to the Debt Securities of a particular series, so long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time during the term of such series, from time to time to defer the payment of interest on such Debt Securities for such period or periods (each an "Extension Period") as so specified as contemplated by Section 3.01.

The Trustee shall promptly give notice of the Company's election to begin any such Extension Period to the Holders of the Outstanding Debt Securities of such series.]

[SECTION 3.13 Right to Set-off.

With respect to the Debt Securities of a series initially issued to a Trust, notwithstanding anything to the contrary herein, the Company shall have the right to set off any payment it is otherwise required to make in respect of any such Debt Security to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a payment under the Guarantee relating to such Debt Security or to a holder of Trust Preferred Securities pursuant to an action undertaken under Section 8.08 of this Indenture.]

[SECTION 3.14. Shortening or Extension of Stated Maturity.

If specified as contemplated by Section 3.01 with respect to the Debt Securities of a particular series, the Company shall have the right to (i) shorten the Stated Maturity of the principal of the Debt Securities of such series at any time to any date and (ii) extend the Stated Maturity of the principal of the Debt Securities of such series at any time at its election for one or more periods, provided that, if the Company elects to exercise its right to extend the Stated Maturity of the principal of the Debt Securities of such series pursuant to clause (ii) above, at the time such election is made and at the time of extension, such conditions as may be specified in such Debt Securities shall have been satisfied.]

SECTION 3.[15] CUSIP Numbers.

The Company in issuing the Debt Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Debt Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Debt Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the "CUSIP" numbers.

ARTICLE IV

REDEMPTION OF DEBT SECURITIES

SECTION 4.01 Applicability of Article.

Debt Securities of any series, or any Tranche thereof, which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Debt Securities of such series or Tranche) in accordance with this Article.

SECTION 4.02 Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Debt Securities shall be evidenced by a Board Resolution and/or an Officer's Certificate. The Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee [and, in the case of Debt Securities of a series held by a Trust, the Property Trustee under the related Trust Agreement,] in writing of such Redemption Date and of the principal amount of such Debt Securities to be redeemed. In the case of any redemption of

Debt Securities (a) prior to the expiration of any restriction on such redemption provided in the terms of such Debt Securities or elsewhere in this Indenture or (b) pursuant to an election of the Company which is subject to a condition specified in the terms of such Debt Securities, the Company shall furnish the Trustee with an Officer's Certificate evidencing compliance with such restriction or condition.

SECTION 4.03 Selection of Debt Securities to be Redeemed.

If less than all the Debt Securities of any series, or any Tranche thereof, are to be redeemed, the particular Debt Securities to be redeemed shall be selected by the Trustee from the Outstanding Debt Securities of such series or Tranche not previously called for redemption, by such method as shall be provided for any particular series, or, in the absence of any such provision, by such method of random selection as the Trustee shall deem fair and appropriate and which may, in any case, provide for the selection for redemption of portions (equal to the minimum authorized denomination for Debt Securities of such series or Tranche or any integral multiple thereof) of the principal amount of Debt Securities of such series or Tranche of a denomination larger than the minimum authorized denomination for Debt Securities of such series or Tranche; provided, however, that if, as indicated in an Officer's Certificate, the Company shall have offered to purchase all or any principal amount of the Debt Securities then Outstanding of any series, or any Tranche thereof, and less than all of such Debt Securities as to which such offer was made shall have been tendered to the Company for such purchase, the Trustee, if so directed by Company Order, shall select for redemption all or any principal amount of such Debt Securities which have not been so tendered.

If the Debt Securities are then held in the form of a Global Security, the Trustee shall select Debt Securities to be redeemed in accordance with the customary procedures for the Depositary.

The Trustee shall promptly notify the Company and the Debt Security Registrar in writing of the Debt Securities selected for redemption and, in the case of any Debt Securities selected to be redeemed in part, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Debt Securities shall relate, in the case of any Debt Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Debt Securities which has been or is to be redeemed.

SECTION 4.04 Notice of Redemption.

Notice of redemption shall be given in the manner provided in Section 1.06 to the Holders of the Debt Securities to be redeemed not less than 30 nor more than 60 days prior to the Redemption Date.

All notices of redemption shall state:

- (a) the Redemption Date,
- (b) the Redemption Price (or the method of calculating the Redemption Price),

(c) if less than all the Debt Securities of any series or Tranche are to be redeemed, the identification of the particular Debt Securities to be redeemed and the portion of the principal amount of any Debt Security to be redeemed in part,

(d) that on the Redemption Date, the Redemption Price, together with accrued interest (including Additional Interest), if any, to the Redemption Date, will become due and payable upon each such Debt Security to be redeemed and, if applicable and provided that the Redemption Price is received by the Paying Agent or Agents on or prior to the Redemption Date, that interest (including any Additional Interest) thereon will cease to accrue on and after said date,

(e) the place or places where such Debt Securities are to be surrendered for payment of the Redemption Price and accrued interest (including Additional Interest), if any, unless it shall have been specified as contemplated by Section 3.01 with respect to such Debt Securities that such surrender shall not be required,

(f) that the redemption is for a sinking or other fund, if such is the case, and

(g) such other matters as the Company shall deem desirable or appropriate (including CUSIP numbers with respect to such Debt Securities, if the Company shall so elect, in which event such notice of redemption may contain a disclaimer as to the correctness of such numbers either as printed on the Debt Securities or on such notice of redemption).

Unless otherwise specified with respect to any Debt Securities in accordance with Section 3.01, with respect to any notice of redemption of Debt Securities at the election of the Company, unless, upon the giving of such notice, such Debt Securities shall be deemed to have been paid in accordance with Section 7.01, such notice may state that such redemption shall be conditional upon the receipt by the Paying Agent or Agents for such Debt Securities, on or prior to the date fixed for such redemption, of money sufficient to pay the principal of and premium, if any, and interest (including Additional Interest), if any, on such Debt Securities and that if such money shall not have been so received such notice shall be of no force or effect and the Company shall not be required to redeem such Debt Securities. In the event that such notice of redemption contains such a condition and such money is not so received, the redemption shall not be made and within a reasonable time thereafter notice shall be given, in the manner in which the notice of redemption was given, that such money was not so received and such redemption was not required to be made, and the Paying Agent or Agents for the Debt Securities otherwise to have been redeemed shall promptly return to the Holders thereof any of such Debt Securities which had been surrendered for payment upon such redemption.

Notice of redemption of Debt Securities to be redeemed at the election of the Company, and any notice of non-satisfaction of a condition for redemption as aforesaid, shall be given by the Company or, at the Company's request, by the Debt Security Registrar in the name and at the expense of the Company. Notice of mandatory redemption of Debt Securities shall be given by the Debt Security Registrar in the name and at the expense of the Company.

SECTION 4.05 Debt Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, and the conditions, if any, set forth in such notice having been satisfied, the Debt Securities or portions thereof so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless, in the case of an unconditional notice of redemption, the Company shall default in the payment of the Redemption Price and accrued interest (including Additional Interest), if any) such Debt Securities or portions thereof, if interest-bearing, shall cease to bear interest. Upon surrender of any such Debt Security for redemption in accordance with such notice, such Debt Security or portion thereof shall be paid by the Company at the Redemption Price, together with accrued interest (including Additional Interest), if any, to the Redemption Date; provided, however, that no such surrender shall be a condition to such payment if so specified as contemplated by Section 3.01 with respect to such Debt Security; and provided, further, that except as otherwise specified as contemplated by Section 3.01 with respect to such Debt Security, any installment of interest on any Debt Security the Stated Maturity of which installment is on or prior to the Redemption Date shall be payable to the Holder of such Debt Security, or one or more Predecessor Debt Securities, registered as such at the close of business on the related Regular Record Date according to the terms of such Debt Security and subject to the provisions of Section 3.07.

SECTION 4.06 Debt Securities Redeemed in Part.

Upon the surrender of any Debt Security which is to be redeemed only in part at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Debt Security, without service charge, a new Debt Security or Debt Securities of the same series and Tranche, of any authorized denomination requested by such Holder and of like tenor and in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Debt Security so surrendered.

ARTICLE V

SINKING FUNDS

SECTION 5.01 Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of the Debt Securities of any series, or any Tranche thereof, except as otherwise specified as contemplated by Section 3.01 for Debt Securities of such series or Tranche.

The minimum amount of any sinking fund payment provided for by the terms of Debt Securities of any series, or any Tranche thereof, is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Debt Securities of any series, or any Tranche thereof, is herein referred to as an "optional sinking fund payment." If provided for by the terms of Debt Securities of any series, or any Tranche thereof, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 5.02. Each sinking fund payment shall be applied to the redemption of Debt

Securities of the series or Tranche in respect of which it was made as provided for by the terms of such Debt Securities.

SECTION 5.02 Satisfaction of Sinking Fund Payments with Debt Securities.

The Company (a) may deliver to the Trustee Outstanding Debt Securities (other than any previously called for redemption) of a series or Tranche in respect of which a mandatory sinking fund payment is to be made and (b) may apply as a credit Debt Securities of such series or Tranche which have been redeemed either at the election of the Company pursuant to the terms of such Debt Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Debt Securities, in each case in satisfaction of all or any part of such mandatory sinking fund payment; provided, however, that no Debt Securities shall be applied in satisfaction of a mandatory sinking fund payment if such Debt Securities shall have been previously so applied. Debt Securities so applied shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Debt Securities for redemption through operation of the sinking fund and the amount of such mandatory sinking fund payment shall be reduced accordingly.

SECTION 5.03 Redemption of Debt Securities for Sinking Fund.

Not less than 45 days prior to each sinking fund payment date for the Debt Securities of any series, or any Tranche thereof, the Company shall deliver to the Trustee an Officer's Certificate specifying:

- (a) the amount of the next succeeding mandatory sinking fund payment for such series or Tranche;
- (b) the amount, if any, of the optional sinking fund payment to be made together with such mandatory sinking fund payment;
- (c) the aggregate sinking fund payment;
- (d) the portion, if any, of such aggregate sinking fund payment which is to be satisfied by the payment of cash; and
- (e) the portion, if any, of such aggregate sinking fund payment which is to be satisfied by delivering and crediting Debt Securities of such series or Tranche pursuant to Section 5.02 and stating the basis for such credit and that such Debt Securities have not previously been so credited, and the Company shall also deliver to the Trustee any Debt Securities to be so delivered.

If the Company shall not have delivered such Officer's Certificate and, to the extent applicable, all such Debt Securities, on or prior to the 45th day prior to such sinking fund payment date, the sinking fund payment for such series or Tranche in respect of such sinking fund payment date shall be made entirely in cash in the amount of the mandatory sinking fund payment. Not less than 30 days before each such sinking fund payment date the Trustee shall select the Debt Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 4.03 and the Debt Security Registrar shall cause notice of the redemption

thereof to be given in the name of and at the expense of the Company in the manner provided in Section 4.04. Such notice having been duly given, the redemption of such Debt Securities shall be made upon the terms and in the manner stated in Sections 4.05 and 4.06.

ARTICLE VI

COVENANTS

SECTION 6.01 Payment of Principal, Premium and Interest.

The Company shall pay the principal of and premium, if any, and interest (including Additional Interest), if any, on the Debt Securities of each series in accordance with the terms of such Debt Securities and this Indenture.

SECTION 6.02 Maintenance of Office or Agency.

The Company shall maintain in each Place of Payment for the Debt Securities of each series, or any Tranche thereof, an office or agency where payment of such Debt Securities shall be made, where the registration of transfer or exchange of such Debt Securities may be effected and where notices and demands to or upon the Company in respect of such Debt Securities and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of each such office or agency and prompt notice to the Holders of any such change in the manner specified in Section 1.06. If at any time the Company shall fail to maintain any such required office or agency in respect of Debt Securities of any series, or any Tranche thereof, or shall fail to furnish the Trustee with the address thereof, payment of such Debt Securities shall be made, registration of transfer or exchange thereof may be effected and notices and demands in respect thereof may be served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent for all such purposes in any such event.

The Company may also from time to time designate one or more other offices or agencies with respect to the Debt Securities of one or more series, or any Tranche thereof, for any or all of the foregoing purposes and may from time to time rescind such designations; provided, however, that, unless otherwise specified as contemplated by Section 3.01 with respect to the Debt Securities of such series or Tranche no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for such purposes in each Place of Payment for such Debt Securities in accordance with the requirements set forth above. The Company shall give prompt written notice to the Trustee, and prompt notice to the Holders in the manner specified in Section 1.06, of any such designation or rescission and of any change in the location of any such other office or agency.

Anything herein to the contrary notwithstanding, any office or agency required by this Section may be maintained at an office of the Company, in which event the Company shall perform all functions to be performed at such office or agency.

SECTION 6.03 Money for Debt Securities Payments to be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to the Debt Securities of any series, or any Tranche thereof, it shall, on or before each due date of the principal of and premium, if any, and interest (including Additional Interest), if any, on any of such Debt Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and premium or interest (including Additional Interest) so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided. The Company shall promptly notify the Trustee of any failure by the Company (or any other obligor on such Debt Securities) to make any payment of principal of or premium, if any, or interest (including Additional Interest), if any, on such Debt Securities.

Whenever the Company shall have one or more Paying Agents for the Debt Securities of any series, or any Tranche thereof, it shall, on or before each due date of the principal of and premium, if any, and interest (including Additional Interest), if any, on such Debt Securities, deposit with such Paying Agents sums sufficient (without duplication) to pay the principal and premium or interest (including Additional Interest) so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest (including Additional Interest), and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of any failure by it so to act.

The Company shall cause each Paying Agent for the Debt Securities of any series, or any Tranche thereof, other than the Company or the Trustee, to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall:

- (a) hold all sums held by it for the payment of the principal of and premium, if any, or interest (including Additional Interest), if any, on such Debt Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (b) give the Trustee notice of any failure by the Company (or any other obligor upon such Debt Securities) to make any payment of principal of or premium, if any, or interest (including Additional Interest), if any, on such Debt Securities; and
- (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent and furnish to the Trustee such information as it possesses regarding the names and addresses of the Persons entitled to such sums.

The Company may at any time pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent and, if so stated in a Company Order delivered to the Trustee, in accordance with the provisions of Article VII; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of and premium, if any, or interest (including Additional Interest), if any, on any Debt Security and remaining unclaimed for two years after such principal and premium, if any, or interest (including Additional Interest) has become due and payable shall be paid to the Company on Company Request, or, if then held by the Company, shall be discharged from such trust; and, upon such payment or discharge, the Holder of such Debt Security shall, as an unsecured general creditor and not as a Holder of an Outstanding Debt Security, look only to the Company for payment of the amount so due and payable and remaining unpaid, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such payment to the Company, may at the expense of the Company cause to be mailed, on one occasion only, notice to such Holder that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing, any unclaimed balance of such money then remaining will be paid to the Company.

SECTION 6.04 Corporate Existence.

Subject to the rights of the Company under Article XI, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence under the law of its jurisdiction of incorporation and all its rights (charter and statutory) thereunder; provided, however, that the Company shall not be required to preserve any such right if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in any material respect to the Holders of Debt Securities..

SECTION 6.05 Annual Officer's Certificate as to Compliance.

Within 120 days after the end of each fiscal year of the Company ending after the date hereof, the Company shall deliver to the Trustee an Officer's Certificate which need not comply with Section 1.02, executed by the principal executive officer, the principal financial officer or the principal accounting officer of the Company, stating whether, to such officer's knowledge, the Company is in compliance with all conditions and covenants under this Indenture, such compliance to be determined without regard to any period of grace or requirement of notice under this Indenture, and making any other statements as may be required by the provisions of Section 314(a)(4) of the Trust Indenture Act.

SECTION 6.06 Waiver of Certain Covenants.

The Company[, subject to the rights of holders of Trust Preferred Securities specified in Section 12.02,] may omit in any particular instance to comply with any term, provision or condition set forth in (a) Section 6.02 or any additional covenant or restriction specified with respect to the Debt Securities of any series, or any Tranche thereof, as contemplated by Section 3.01 if before the time for such compliance the Holders of at least a majority in aggregate principal amount of the Outstanding Debt Securities of all series and Tranches with respect to which compliance with Section 6.02 or such additional covenant or restriction is to be omitted, considered as one class, shall, by Act of such Holders, either waive such compliance in such

instance or generally waive compliance with such term, provision or condition and (b) Sections 6.04 or Article XI if before the time for such compliance the Holders of at least a majority in principal amount of Debt Securities Outstanding under this Indenture shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition; but, in the case of (a) or (b), no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

ARTICLE VII

SATISFACTION AND DISCHARGE

SECTION 7.01 Satisfaction and Discharge of Debt Securities.

Any Debt Security or Debt Securities, or any portion of the principal amount thereof, shall be deemed to have been paid for all purposes of this Indenture, and the entire indebtedness of the Company in respect thereof shall be deemed to have been satisfied and discharged, if there shall have been irrevocably deposited with the Trustee or any Paying Agent (other than the Company), in trust:

(a) money in an amount which shall be sufficient, or

(b) in the case of a deposit made prior to the Maturity of such Debt Securities or portions thereof, Eligible Obligations, which shall not contain provisions permitting the redemption or other prepayment thereof at the option of the issuer thereof, the principal of and the interest on which when due, without any regard to reinvestment thereof, will provide moneys which, together with the money, if any, deposited with or held by the Trustee or such Paying Agent, shall be sufficient, or

(c) a combination of (a) or (b) which shall be sufficient, to pay when due the principal of and premium, if any, and interest (including Additional Interest), if any, due and to become due on such Debt Securities or portions thereof on or prior to Maturity; provided, however, that in the case of the provision for payment or redemption of less than all the Debt Securities of any series or Tranche, such Debt Securities or portions thereof shall have been selected by the Trustee as provided herein and, in the case of a redemption, the notice requisite to the validity of such redemption shall have been given or irrevocable authority shall have been given by the Company to the Trustee to give such notice, under arrangements satisfactory to the Trustee; and provided, further, that the Company shall have delivered to the Trustee and such Paying Agent:

(x) if such deposit shall have been made prior to the Maturity of such Debt Securities, a Company Order stating that the money and Eligible Obligations deposited in accordance with this Section shall be held in trust, as provided in Section 7.03;

(y) if Eligible Obligations shall have been deposited, an Opinion of Counsel that the obligations so deposited constitute Eligible Obligations and do not contain provisions permitting the redemption or other prepayment at the option of the issuer thereof, and an

opinion of an independent public accountant of nationally recognized standing, selected by the Company, to the effect that the requirements set forth in clause (b) above have been satisfied; and

(z) if such deposit shall have been made prior to the Maturity of such Debt Securities, an Officer's Certificate stating the Company's intention that, upon delivery of such Officer's Certificate, its indebtedness in respect of such Debt Securities or portions thereof will have been satisfied and discharged as contemplated in this Section.

If the Company shall make any deposit of money and/or Eligible Obligations with respect to any Debt Securities, or any portion of the principal amount thereof, as contemplated by this section, the Company shall not deliver an Officer's Certificate described in clause (z) above unless the Company shall also deliver to the Trustee, together with such Officer's Certificate, an Opinion of Counsel to the effect that, as a result of a change in law occurring after the date of this Indenture, the Holders of such Debt Securities, or portions thereof, will not recognize income, gain or loss for United States federal income tax purposes as a result of the satisfaction and discharge of the Company's indebtedness in respect thereof and will be subject to United States federal income tax on the same amounts, at the same times and in the same manner as if such satisfaction and discharge had not been effected.

Upon the deposit of money or Eligible Obligations, or both, in accordance with this Section, together with the documents required by clauses (x), (y) and (z) above, the Trustee shall, upon receipt of a Company Request, acknowledge in writing that the Debt Security or Debt Securities or portions thereof with respect to which such deposit was made are deemed to have been paid for all purposes of this Indenture and that the entire indebtedness of the Company in respect thereof has been satisfied and discharged as contemplated in this Section. In the event that all of the conditions set forth in the first paragraph of this Section shall have been satisfied in respect of any Debt Securities or portions thereof except that, for any reason, the Officer's Certificate specified in clause (z) shall not have been delivered, such Debt Securities or portions thereof shall nevertheless be deemed to have been paid for all purposes of this Indenture, and the Holders of such Debt Securities or portions thereof shall nevertheless be no longer entitled to the benefits of this Indenture or of any of the covenants of the Company under Article VI (except the covenants contained in Sections 6.02 and 6.03) or any other covenants made in respect of such Debt Securities or portions thereof as contemplated by Section 3.01, but the indebtedness of the Company in respect of such Debt Securities or portions thereof shall not be deemed to have been satisfied and discharged prior to Maturity for any other purpose, and the Holders of such Debt Securities or portions thereof shall continue to be entitled to look to the Company for payment of the indebtedness represented thereby; and, upon receipt of a Company Request, the Trustee shall acknowledge in writing that such Debt Securities or portions thereof are deemed to have been paid for all purposes of this Indenture.

If payment at Stated Maturity of less than all of the Debt Securities of any series, or any Tranche thereof, is to be provided for in the manner and with the effect provided in this Section, the Trustee shall select such Debt Securities, or portions of principal amount thereof, in the manner specified by Section 4.03 for selection for redemption of less than all the Debt Securities of a series or Tranche.

In the event that Debt Securities which shall be deemed to have been paid for purposes of this Indenture, and, if such is the case, in respect of which the Company's indebtedness shall have been satisfied and discharged, all as provided in this Section do not mature and are not to be redeemed within the sixty (60) day period commencing with the date of the deposit of moneys or Eligible Obligations, as aforesaid, the Company shall, as promptly as practicable, give a notice, in the same manner as a notice of redemption with respect to such Debt Securities, to the Holders of such Debt Securities to the effect that such deposit has been made and the effect thereof.

Notwithstanding that any Debt Securities shall be deemed to have been paid for purposes of this Indenture, as aforesaid, the obligations of the Company and the Trustee in respect of such Debt Securities under Sections 3.04, 3.05, 3.06, 4.04, 5.03 (as to notice of redemption), 6.02, 6.03, 9.07, 9.14 and 9.15 and this Article shall survive such satisfaction and discharge.

The Company shall pay, and shall indemnify the Trustee or any Paying Agent with which Eligible Obligations shall have been deposited as provided in this Section against any tax, fee or other charge imposed on or assessed against such Eligible Obligations or the principal or interest received in respect of such Eligible Obligations, including, but not limited to, any such tax payable by any entity deemed, for tax purposes, to have been created as a result of such deposit.

Anything herein to the contrary notwithstanding, (a) if, at any time after a Debt Security would be deemed to have been paid for purposes of this Indenture, and, if such is the case, the Company's indebtedness in respect thereof would be deemed to have been satisfied or discharged, pursuant to this

Section (without regard to the provisions of this paragraph), the Trustee or any Paying Agent, as the case may be, shall be required to return the money or Eligible Obligations, or combination thereof, deposited with it as aforesaid to the Company or its representative under any applicable Federal or State bankruptcy, insolvency or other similar law, such Debt Security shall thereupon be deemed retroactively not to have been paid and any satisfaction and discharge of the Company's indebtedness in respect thereof shall retroactively be deemed not to have been effected, and such Debt Security shall be deemed to remain Outstanding and (b) any satisfaction and discharge of the Company's indebtedness in respect of any Debt Security shall be subject to the provisions of the last paragraph of Section 6.03.

SECTION 7.02 Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Request cease to be of further effect (except as hereinafter expressly provided), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) no Debt Securities remain Outstanding hereunder; and

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company;

provided, however, that if, in accordance with the last paragraph of Section 7.01, any Debt Security, previously deemed to have been paid for purposes of this Indenture, shall be deemed retroactively not to have been so paid, this Indenture shall thereupon be deemed retroactively not to have been satisfied and discharged, as aforesaid, and to remain in full force

and effect, and the Company shall execute and deliver such instruments as the Trustee shall reasonably request to evidence and acknowledge the same.

Notwithstanding the satisfaction and discharge of this Indenture as aforesaid, the obligations of the Company and the Trustee under Sections 3.04, 3.05, 3.06, 4.04, 5.03 (as to notice of redemption), 6.02, 6.03, 9.07, 9.14 and 9.15 and this Article shall survive such satisfaction and discharge.

Upon satisfaction and discharge of this Indenture as provided in this Section, the Trustee shall assign, transfer and turn over to the Company, subject to the lien provided by Section 9.07, any and all money, securities and other property then held by the Trustee for the benefit of the Holders of the Debt Securities other than money and Eligible Obligations held by the Trustee pursuant to Section 7.03.

SECTION 7.03 Application of Trust Money.

Neither the Eligible Obligations nor the money deposited pursuant to Section 7.01, nor the principal or interest payments on any such Eligible Obligations, shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, and premium, if any, and interest (including Additional Interest), if any, on the Debt Securities or portions of principal amount thereof in respect of which such deposit was made, all subject, however, to the provisions of Section 6.03; provided, however, that, so long as there shall not have occurred and be continuing an Event of Default, or an event which, with the giving of notice or the passage of time, would become an Event of Default, any cash received from such principal or interest payments on such Eligible Obligations, if not then needed for such purpose, shall, to the extent practicable, be invested in Eligible Obligations of the type described in clause (b) in the first paragraph of Section 7.01 maturing at such times and in such amounts as shall be sufficient to pay when due the principal of and premium, if any, and interest (including Additional Interest), if any, due and to become due on such Debt Securities or portions thereof on and prior to the Maturity thereof, and interest earned from such reinvestment shall be paid over to the Company as received, free and clear of any trust, lien or pledge under this Indenture except the lien provided by Section 9.07; and provided, further, that, so long as there shall not have occurred and be continuing an Event of Default, or an event which, with the giving of notice or the passage of time, would become an Event of Default, any moneys held in accordance with this Section on the Maturity of all such Debt Securities in excess of the amount required to pay the principal of and premium, if any, and interest (including Additional Interest), if any, then due on such Debt Securities shall be paid over to the Company free and clear of any trust, lien or pledge under this Indenture except the lien provided by Section 9.07; and provided, further, that if an Event of Default, or an event which, with the giving of notice or the passage of time, would become an Event of Default, shall have occurred and be continuing, moneys to be paid over to the Company pursuant to this Section shall be held until such Event of Default, or event which, with the giving of notice or the passage of time, would become an Event of Default, shall have been waived or cured. Money held by the Trustee under this Section shall not be subject to the claims of the holders of Senior Indebtedness under Article XV.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

SECTION 8.01 Events of Default.

"Event of Default", wherever used herein with respect to Debt Securities of any series, means, except as otherwise specified pursuant to Section 3.01, any one of the following events:

- (a) failure to pay interest (including Additional Interest), if any, on any Debt Security of such series within thirty (30) days after the same becomes due and payable (whether or not payment is prohibited by the provisions of Article XV hereof); [provided, however, that a valid extension of the interest payment period by the Company as contemplated in Section 3.12 of this Indenture shall not constitute a failure to pay interest for this purpose]; or
- (b) failure to pay the principal of or premium, if any, on any Debt Security of such series when due and payable (whether or not payment is prohibited by the provisions of Article XV hereof); or
- (c) failure to perform or breach of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or breach of which is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of one or more series of Debt Securities other than such series) for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee, or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Debt Securities of such series, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder, unless the Trustee, or the Trustee and the Holders of a principal amount of Debt Securities of such series not less than the principal amount of Debt Securities the Holders of which gave such notice, as the case may be, shall agree in writing to an extension of such period prior to its expiration; provided, however, that the Trustee, or the Trustee and the Holders of such principal amount of Debt Securities of such series, as the case may be, shall be deemed to have agreed to an extension of such period for a maximum of one hundred twenty (120) days if corrective action is initiated by the Company within such period and is being diligently pursued; or
- (d) the entry by a court having jurisdiction in the premises of (1) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law or (2) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition by one or more Persons other than the Company seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official for the Company or for any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order for relief or any such other decree or order shall have remained unstayed and in effect for a period of 90 consecutive days; or

(e) the commencement by the Company of a voluntary case or proceeding under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in case or proceeding under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable Federal or state law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the authorization of such action by the Board of Directors; or

(f) [if applicable, failure by the Company to deliver the required securities or other rights upon an appropriate conversion or exchange election by Holders of the Debt Securities or the related Trust Preferred Securities; or

(g)]any other Event of Default specified with respect to Debt Securities of such series.

SECTION 8.02 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default due to the default in payment of principal of, or premium, if any, or interest (including Additional Interest) on, any series of Debt Securities or due to the default in the performance or breach of any other covenant or warranty of the Company applicable to the Debt Securities of such series but not applicable to all Outstanding Debt Securities shall have occurred and be continuing, either the Trustee or the Holders of not less than 25% in principal amount of the Debt Securities of such series may then declare the principal amount (or, if any of the Debt Securities of such series are Discount Debt Securities, such portion of the principal amount as may be specified in the terms thereof as contemplated by Section 3.01) of all Debt Securities of such series and premium, if payment of any thereof be in default, and interest (including Additional Interest) accrued thereon to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders)[; provided that, in the case of the Debt Securities of a series issued to a Trust, if, upon an Event of Default, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Debt Securities of such series fail to declare the principal of all the Outstanding Debt Securities of such series to be immediately due and payable, the holders of at least 25% in aggregate Liquidation Amount of the related series of Trust Preferred Securities issued by such Trust then outstanding shall have the right to make such declaration by notice in writing to the Company and the Trustee]. If an Event of Default due to default in the performance of any other of the covenants or warranties herein applicable to all Outstanding Debt Securities or an Event of Default specified in Section 8.01(d) or (e) shall have occurred and be continuing, either the Trustee or the Holders of not less than 25% in principal amount of all Debt Securities then Outstanding (considered as one class), and not the Holders of the Debt Securities of any one of such series, may declare the principal amount (or, if any of the Debt Securities are Discount Debt Securities, such portion of the principal amount of such Debt Securities as may be specified in the terms thereof as contemplated by Section 3.01) of all Debt Securities and premium, if payment of any thereof be

in default, and interest accrued thereon to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders). As a consequence of each such declaration (herein referred to as a declaration of acceleration) with respect to Debt Securities of any series, the principal amount (or portion thereof in the case of Discount Debt Securities) of such Debt Securities, premium, if any, and interest (including Additional Interest) accrued thereon shall become due and payable immediately (provided that the payment of principal of, premium, if any, and interest (including Additional Interest) on such Debt Securities shall remain subordinated to the extent provided in Article XV hereof).

With respect to a series of Debt Securities to which a credit enhancement is applicable, the applicable supplemental indenture may provide that the provider of such credit enhancement may, if default has occurred and is continuing with respect to such series, have all or any part of the rights with respect to remedies that would otherwise have been exercisable by the Holders of Debt Securities of that series.

At any time after such a declaration of acceleration with respect to Debt Securities of any series shall have been made and before a judgment or decree for payment of the money due shall have been obtained by the Trustee as hereinafter in this Article provided, the Event or Events of Default giving rise to such declaration of acceleration shall, without further act, be deemed to have been waived, and such declaration and its consequences shall, without further act, be deemed to have been rescinded and annulled, if

(a) the Company shall have paid or deposited with the Trustee a sum sufficient to pay

(1) all overdue interest on all Debt Securities of such series;

(2) the principal of and premium, if any, on any Debt Securities of such series which have become due otherwise than by such declaration of acceleration and interest and Additional Interest thereon at the rate or rates prescribed therefor in such Debt Securities;

(3) any accrued Additional Interest on all Debt Securities of such series;

(4) all amounts due to the Trustee under Section 9.07;

and

(b) any other Event or Events of Default with respect to Debt Securities of such series, other than the non-payment of the principal of Debt Securities of such series which shall have become due solely by such declaration of acceleration, shall have been cured or waived as provided in Section 8.13.

No such rescission shall affect any subsequent Event of Default or impair any right consequent thereon.

SECTION 8.03 Collection of Indebtedness and Suits for Enforcement by Trustee.

If an Event of Default described in clause (a) or (b) of Section 8.01 shall have occurred and be continuing, the Company shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of the Debt Securities of the series with respect to which such Event of Default shall have occurred, the whole amount then due and payable on such Debt Securities for principal and premium, if any, and interest, if any, and, to the extent permitted by law, (i) interest on premium, if any, (ii) interest on any overdue principal and (iii) Additional Interest, at the rate or rates prescribed therefor in such Debt Securities, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 9.07.

If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Debt Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Debt Securities, wherever situated.

If an Event of Default with respect to Debt Securities of any series shall have occurred and be continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Debt Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 8.04 Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Debt Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Debt Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest (including Additional Interest)) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal, premium, if any, and interest (including Additional Interest), if any, owing and unpaid in respect of the Debt Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for amounts due to the Trustee under Section 9.07) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amounts due it under Section 9.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Debt Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 8.05 Trustee May Enforce Claims Without Possession of Debt Securities.

All rights of action and claims under this Indenture or the Debt Securities may be prosecuted and enforced by the Trustee without the possession of any of the Debt Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

SECTION 8.06 Application of Money Collected.

Subject to the provisions of Article XV, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or interest (including Additional Interest), if any, upon presentation of the Debt Securities in respect of which or for the benefit of which such money shall have been collected and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due the Trustee under Section 9.07;

Second: To the payment of the amounts then due and unpaid upon the Debt Securities for principal of and premium, if any, and interest (including Additional Interest), if any, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Debt Securities for principal, premium, if any, and interest (including Additional Interest), if any, respectively; and

Third: To the payment of the remainder, if any, to the Company, or as a court of competent jurisdiction may direct in a final, non-appealable order.

SECTION 8.07 Limitation on Suits.

No Holder shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder shall have previously given written notice to the Trustee of a continuing Event of Default with respect to the Debt Securities of such series;

(b) the Holders of not less than 25% in aggregate principal amount of the Outstanding Debt Securities of all series in respect of which an Event of Default shall have occurred and be continuing, considered as one class, shall have made a written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders shall have offered to the Trustee reasonable indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceeding; and

(e) no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of all series in respect of which an Event of Default shall have occurred and be continuing, considered as one class;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

SECTION 8.08 Unconditional Right of Holders to Receive Principal, Premium and Interest[; Direct Action by Holders of Trust Preferred Securities].

Notwithstanding any other provision in this Indenture, the Holder of any Debt Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 3.07 [and 3.12]) interest (including Additional Interest), if any, on such Debt Security on the Stated Maturity or Maturities expressed in such Debt Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder. [In the case of Debt Securities of a series originally issued to a Trust, any registered holder of the series of Trust Preferred Securities issued by such Trust shall have the right, upon the Occurrence of an Event of Default described in Section 8.01(a), 8.01(b) or 8.01(f) and an Event of Default has occurred and is continuing under the applicable Trust Agreement, to institute a suit directly against the Company for enforcement of Payment to such holder of principal of, premium, if any, and (subject to Sections 3.07 and 3.12) interest (including Additional Interest), if any, on the Debt Securities having a principal amount equal to the aggregate Liquidation Amount of such Trust Preferred Securities held by such holder.]

SECTION 8.09 Restoration of Rights and Remedies.

If the Trustee or any Holder [or any holder of Trust Preferred Securities] has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or to such Holder [or any holder of Trust Preferred Securities], then and in every such case, subject to any determination in such proceeding, the Company, and Trustee and such Holder [or any holder of Trust Preferred Securities] shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and such Holder [or any holder of Trust Preferred Securities] shall continue as though no such proceeding had been instituted.

SECTION 8.10 Rights and Remedies Cumulative.

Except as otherwise provided in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 8.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 8.12 Control by Holders of Debt Securities.

If an Event of Default shall have occurred and be continuing in respect of a series of Debt Securities, the Holders of a majority in principal amount of the Outstanding Debt Securities of such series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities of such series; provided, however, that if an Event of Default shall have occurred and be continuing with respect to more than one series of Debt Securities, the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of all such series, considered as one class, shall have the right to make such direction, and not the Holders of the Debt Securities of any one of such series; and provided, further, that

(a) such direction shall not be in conflict with any rule of law or with this Indenture, and could not involve the Trustee in personal liability in circumstances where indemnity would not in the Trustee's reasonable discretion be adequate, and

(b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Before proceeding to exercise any right or power hereunder at the direction of such Holders, the Trustee shall be entitled to receive from such Holders reasonable security or indemnity, against the costs, expenses and liabilities which might be incurred by it in compliance with any such direction.

SECTION 8.13 Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series may on behalf of the Holders of all the Debt Securities of such series [and, in the case of any Debt Securities of a series initially issued to a Trust, the holders of a majority in aggregate Liquidation Amount of the Trust Preferred Securities issued by such Trust

may on behalf of the holders of all the Trust Preferred Securities issued by such Trust,] waive any past default hereunder with respect to such series and its consequences, except a default

(a) in the payment of the principal of or premium, if any, or interest (including Additional Interest), if any, on any Debt Security of such series, or

(b) in respect of a covenant or provision hereof which under Section 12.02 cannot be modified or amended without the consent of the Holder of each Outstanding Debt Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any and all Events of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 8.14 Undertaking for Costs.

The Company and the Trustee agree, and each Holder by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in aggregate principal amount of the Outstanding Debt Securities of all series in respect of which such suit may be brought, considered as one class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or premium, if any, or interest (including Additional Interest), if any, on any Debt Security on or after the Stated Maturity or Maturities expressed in such Debt Security (or, in the case of redemption, on or after the Redemption Date).

SECTION 8.15 Waiver of Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE IX

THE TRUSTEE

SECTION 9.01 Certain Duties and Responsibilities.

- (a) The Trustee shall have and be subject to all the duties and responsibilities specified with respect to an indenture trustee in the Trust Indenture Act, and no implied covenants or obligations shall be read into this Indenture against the Trustee. For purposes of Sections 315(a) and 315(c) of the Trust Indenture Act, the term "default" is hereby defined as an Event of Default which has occurred and is continuing.
- (b) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default of which a Responsible Officer of the Trustee has actual knowledge has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default which may have occurred:
- (i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
- (ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein).
- (d) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts.
- (e) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith, in accordance with the direction of the Holders of Debt Securities pursuant to Section 8.12, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(g) Notwithstanding anything contained in this Indenture to the contrary, the duties and responsibilities of the Trustee under this Indenture shall be subject to the protections, exculpations and limitations on liability afforded to the Trustee under the provisions of the Trust Indenture Act, including those provisions of such Act deemed by such Act to be included herein.

(h) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 9.02 Notice of Defaults.

The Trustee shall give the Holders notice of any default hereunder with respect to the Debt Securities of any series to the Holders of Debt Securities of such series of which it has knowledge (within the meaning of Section 9.03(h) hereof) in the manner and to the extent required to do so by the Trust Indenture Act, unless such default shall have been cured or waived; provided, however, that in the case of any default of the character specified in Section 8.01(c), no such notice to Holders shall be given until at least 60 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time, or both, would become, an Event of Default.

SECTION 9.03 Certain Rights of Trustee.

Subject to the provisions of Section 9.01 and to the applicable provisions of the Trust Indenture Act:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order, or as otherwise expressly provided herein, and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(d) the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in

respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any Holder pursuant to this Indenture, unless such Holder shall have offered to the Trustee reasonable security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall (subject to applicable legal requirements) be entitled to examine, during normal business hours, the books, records and premises of the Company, personally or by agent or attorney at the expense of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; and

(h) the Trustee shall not be charged with knowledge of any default or Event of Default with respect to the Debt Securities of any series for which it is acting as Trustee unless either (1) a Responsible Officer of the Trustee shall have actual knowledge of the default or Event of Default or (2) written notice of such default or Event of Default (which shall state that such notice is a "Notice of Default" or a "Notice of an Event of Default" hereunder, as the case may be) shall have been given to a Responsible Officer of the Trustee by the Company, any other obligor on such Debt Securities or by any Holder of such Debt Securities.

SECTION 9.04 Not Responsible for Recitals or Issuance of Debt Securities.

The recitals contained herein and in the Debt Securities (except the Trustee's certificates of authentication) shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Debt Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of Debt Securities or the proceeds thereof.

SECTION 9.05 May Hold Debt Securities.

Each of the Trustee, any Authenticating Agent, any Paying Agent, any Debt Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Debt Securities and, subject to Sections 9.08 and 9.13, may otherwise deal with the Company with the same rights it would have if it were not the Trustee, Authenticating Agent, Paying Agent, Debt Security Registrar or such other agent.

SECTION 9.06 Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds, except to the extent required by law. The Trustee shall be under no liability for interest on investment of any money received by it hereunder except as expressly provided herein or otherwise agreed with, and for the sole benefit of, the Company.

SECTION 9.07 Compensation and Reimbursement.

The Company shall

(a) pay to the Trustee as agreed upon in writing from time to time, reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, reimburse the Trustee upon its request for all expenses or disbursements reasonably incurred or made by the Trustee in accordance with any provision of this Indenture, including the costs of collection (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except to the extent that any such expense or disbursement may be attributable to its own negligence, willful misconduct or bad faith;

(c) fully indemnify the Trustee and hold it harmless from and against any and all losses, demands, claims, liabilities, causes of action or expenses (including reasonable attorney's fees and expenses) incurred by it arising out of or in connection with the acceptance or administration of the trust or trusts hereunder or the performance of its duties hereunder (including the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, demand, claim, liability, cause of action or expense may be attributable to its own negligence, willful misconduct or bad faith) and assume the defense of the Trustee with counsel acceptable to the Trustee, unless the Trustee shall have been advised by counsel that there may be a conflict of interest or one or more legal defenses available to it which are different from or additional to those available to the Company in which case the Trustee may employ, and the Company shall pay the fees and expenses of, its own counsel[]; and

(d) pay all debts and obligations (other than with respect to the Trust Preferred Securities and the Trust Common Securities) and all reasonable costs and expenses of any Trust to which Debt Securities are originally issued (including without limitation all reasonable costs and expenses relating to the organization of such Trust, the fees and expenses of the trustees and all costs and expenses relating to the operation of such Trust) and to pay any and all taxes, duties, assessments or governmental charges of whatever nature (other than withholding taxes) imposed on such Trust by the United States, or any taxing authority, so that the net amounts received and retained by such Trust and its Property Trustee after paying such expenses will be equal to the amounts such Trust and its Property Trustee would have received had no such costs or expenses been incurred by or imposed on such Trust; provided that (i) the foregoing obligations of the Company pursuant to this clause (d) are for the benefit of, and shall be enforceable by, any person to whom any such debts, obligations, costs, expenses and taxes are owed (each, a

"Creditor") whether or not such Creditor has received notice thereof; (ii) any such Creditor may enforce such obligations directly against the Company, and the Company irrevocably waives any right or remedy to require that any such Creditor take any action against such Trust or any other person before proceeding against the Company; and (iii) the Company shall execute such additional agreements as may be necessary or desirable to give full effect to the foregoing].

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a lien prior to the Debt Securities upon all property and funds held or collected by the Trustee as such other than property and funds held in trust under Section 7.03 (except as otherwise provided in Section 7.03). "Trustee" for purposes of this Section shall include any predecessor Trustee; provided, however, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

When a Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 8.01(d) or Section 8.01(e), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

The provisions of this Section shall survive termination of this Indenture and resignation or removal of the Trustee.

SECTION 9.08 Disqualification; Conflicting Interests.

If the Trustee shall have or acquire any conflicting interest within the meaning of the Trust Indenture Act, it shall either eliminate such conflicting interest or resign to the extent, in the manner and with the effect, and subject to the conditions, provided in the Trust Indenture Act and this Indenture. For purposes of Section 310(b)(1) of the Trust Indenture Act and to the extent permitted thereby, the Trustee shall not be deemed to have a conflicting interest by virtue of being a Trustee under (i) this Indenture with respect to Debt Securities of more than one series, (ii) the Indenture, between the Company and the Trustee, dated as of March 1, 2002, or (iii) the Indenture, among Devon Financing Corporation, U.L.C., the Company and the Trustee, dated as of _____, 200_. [Each Guarantee with respect to a Trust shall be deemed to be sufficiently described in this Indenture for the purposes of clause (i) of the first proviso contained in Section 310(b) of the Trust Indenture Act.]

SECTION 9.09 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be

- (a) a corporation organized and doing business under the laws of the United States, any State or Territory thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000 and subject to supervision or examination by Federal or State authority, or
- (b) if and to the extent permitted by the Commission by rule, regulation or order upon application, a corporation or other Person organized and doing business under the laws of a foreign government, authorized under such laws to exercise corporate trust powers, having a

combined capital and surplus of at least \$50,000,000 or the Dollar equivalent of the applicable foreign currency and subject to supervision or examination by authority of such foreign government or a political subdivision thereof substantially equivalent to supervision or examination applicable to United States institutional trustees, and, in either case, qualified and eligible under this Article and the Trust Indenture Act. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 9.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 9.11.

(b) The Trustee may resign at any time with respect to the Debt Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 9.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

(c) The Trustee may be removed at any time with respect to the Debt Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 9.08 after written request therefor by the Company or by any Holder who has been a bona fide Holder for at least six months, or

(2) the Trustee shall cease to be eligible under Section 9.09 and shall fail to resign after written request therefor by the Company or by any Holder who has been a bona fide Holder for at least six months, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (x) the Company by a Board Resolution may remove the Trustee with respect to all Debt Securities or (y) subject to Section 8.14, any Holder who has been a bona fide Holder for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent

jurisdiction for the removal of the Trustee with respect to all Debt Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause (other than as contemplated in clause (y) in subsection (d) of this Section), with respect to the Debt Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Debt Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Debt Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Debt Securities of any particular series) and shall comply with the applicable requirements of Section 9.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Debt Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 9.11, become the successor Trustee with respect to the Debt Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Debt Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 9.11, any Holder who has been a bona fide Holder of a Debt Security of such series for at least six months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Debt Securities of such series.

(f) So long as no event which is, or after notice or lapse of time, or both, would become, an Event of Default shall have occurred and be continuing, and except with respect to a Trustee appointed by Act of the Holders of a majority in principal amount of the Outstanding Debt Securities pursuant to subsection (e) of this Section, if the Company shall have delivered to the Trustee (i) a Board Resolution appointing a successor Trustee, effective as of a date specified therein, and (ii) an instrument of acceptance of such appointment, effective as of such date, by such successor Trustee in accordance with Section 9.11, the Trustee shall be deemed to have resigned as contemplated in subsection (b) of this Section, the successor Trustee shall be deemed to have been appointed by the Company pursuant to subsection (e) of this Section and such appointment shall be deemed to have been accepted as contemplated in Section 9.11, all as of such date, and all other provisions of this Section and Section 9.11 shall be applicable to such resignation, appointment and acceptance except to the extent inconsistent with this subsection (f).

(g) The Company or, should the Company fail so to act promptly, the successor Trustee, at the expense of the Company, shall give notice of each resignation and each removal of the Trustee with respect to the Debt Securities of any series and each appointment of a successor Trustee with respect to the Debt Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to all Holders of Debt Securities of such series as their names and addresses appear in the Debt Security Register. Each notice shall include the name of the successor Trustee with respect to the Debt Securities of such series and the address of its corporate trust office.

SECTION 9.11 Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to the Debt Securities of all series, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of all sums owed to it, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Debt Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Debt Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Debt Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee, upon payment of all sums owed to it, shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Debt Securities of that or those series to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Company shall execute any instruments which fully vest in and confirm to such successor Trustee all such rights, powers and trusts referred to in subsection (a) or (b) of this Section, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 9.12 Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Debt Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Debt Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Debt Securities.

SECTION 9.13 Preferential Collection of Claims Against Company.

If the Trustee shall be or become a creditor of the Company or any other obligor upon the Debt Securities (other than by reason of a relationship described in Section 311(b) of the Trust Indenture Act), the Trustee shall be subject to any and all applicable provisions of the Trust Indenture Act regarding the collection of claims against the Company or such other obligor.

SECTION 9.14 Co-trustees and Separate Trustees.

At any time or times, for the purpose of meeting the legal requirements of any applicable jurisdiction, the Company and the Trustee shall have power to appoint, and, upon the written request of the Trustee or of the Holders of at least thirty-three per centum (33%) in principal amount of the Debt Securities then Outstanding, the Company shall for such purpose join with the Trustee in the execution and delivery of all instruments and agreements necessary or proper to appoint, one or more Persons approved by the Trustee either to act as co-trustee, jointly with the Trustee, or to act as separate trustee, in either case with such powers as may be provided in the instrument of appointment, and to vest in such Person or Persons, in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section. If the Company does not join in such appointment within 15 days after the receipt by it of a request so to do, or if an Event of Default shall have occurred and be continuing, the Trustee alone shall have power to make such appointment.

Should any written instrument or instruments from the Company be required by any co-trustee or separate trustee so appointed to more fully confirm to such co-trustee or separate trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Company.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following conditions:

(a) the Debt Securities shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely, by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by such appointment shall be conferred or imposed upon and exercised or performed either by the Trustee or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by such co-trustee or separate trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Company, may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, if an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Company. Upon the written request of the Trustee, the Company shall join with the Trustee in the execution and delivery of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section;

(d) no co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of the Trustee, or any other such trustee hereunder; and

(e) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

SECTION 9.15 Appointment of Authenticating Agent.

The Trustee may appoint an Authenticating Agent or Agents with respect to the Debt Securities of one or more series, or any Tranche thereof, which shall be authorized to act on behalf of the Trustee to authenticate Debt Securities of such series or Tranche issued upon original issuance, exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.06, and Debt Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Debt Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States, any State or territory thereof or the District of Columbia or the Commonwealth of Puerto Rico, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of

this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving 45 days written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section.

The provisions of Sections 3.08, 9.04 and 9.05 shall be applicable to each Authenticating Agent.

If an appointment with respect to the Debt Securities of one or more series, or any Tranche thereof, shall be made pursuant to this Section, the Debt Securities of such series or Tranche may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternate certificate of authentication substantially in the following form:

If all of the Debt Securities of a series may not be originally issued at one time, and if the Trustee does not have an office capable of authenticating Debt Securities upon original issuance located in a Place of Payment where the Company wishes to have Debt Securities of such series authenticated upon original issuance, the Trustee, if so requested by the Company in writing (which writing need not comply with Section 1.02 and need not be accompanied by an Opinion of Counsel), shall appoint, in accordance with this Section and in accordance with such procedures as shall be acceptable to the Trustee, an Authenticating Agent having an office in a Place of Payment designated by the Company with respect to such series of Debt Securities.

Semiannually, not later than April 1 and October 1 in each year, commencing with the year 200_, and at such other times as the Trustee may request in writing, the Company shall furnish or cause to be furnished to the Trustee information as to the names and addresses of the Holders, and the Trustee shall preserve such information and similar information received by it in any other capacity and afford to the Holders access to information so preserved by it, all to such extent, if any, and in such manner as shall be required by the Trust Indenture Act; provided, however, that no such list need be furnished so long as the Trustee shall be the Debt Security Registrar. Every holder of Debt Securities by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Debt Securities in accordance with Section 312 of the Trust Indenture Act, or any successor section of such Act, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under Section 312(b) of the Trust Indenture Act, or any successor section of such Act.

The Trustee shall transmit to the Holders, the Commission and each securities exchange upon which any Debt Securities are listed, and the Company shall file with the Trustee (within sixty (60) days after filing with the Commission in the case of reports which pursuant to the Trust Indenture Act must be filed with the Commission and furnished to the Trustee) and transmit to the Holders, such other information, reports and other documents, if any, at such times and in such manner, as shall be required by the Trust Indenture Act. Delivery of such reports, information and documents by the Company to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

The Company shall notify the Trustee of the listing of any Debt Securities on any securities exchange.

- (b) to add one or more covenants of the Company or other provisions for the benefit of all Holders or for the benefit of the Holders of, or to remain in effect only so long as there shall be Outstanding Debt Securities, of one or more specified series, or one or more specified Tranches thereof, or to surrender any right or power herein conferred upon the Company; or

- (e) to provide collateral security for the Debt Securities; or

(f) to establish the form or terms of Debt Securities of any series or Tranche as contemplated by Sections 2.01 and 3.01; or

(g) to provide for the authentication and delivery of bearer securities and coupons appertaining thereto representing interest, if any, thereon and for the procedures for the registration, exchange and replacement thereof and for the giving of notice to, and the solicitation of the vote or consent of, the holders thereof, and for any and all other matters incidental thereto; or

(h) to evidence and provide for the acceptance of appointment hereunder by a separate or successor Trustee with respect to the Debt Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 9.11(b); or

(j) to change any place or places where (1) the principal of and premium, if any, and interest (including Additional Interest), if any, on all or any series of Debt Securities, or any Tranche thereof, shall be payable, (2) all or any series of Debt Securities, or any Tranche thereof, may be surrendered for registration of transfer, (3) all or any series of Debt Securities, or any Tranche thereof, may be surrendered for exchange and (4) notices and demands to or upon the Company in respect of all or any series of Debt Securities, or any Tranche thereof, and this Indenture may be served; or

(k) to cure any ambiguity or to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein; provided that no such changes or additions shall adversely affect the interests of the Holders of Debt Securities of any series or Tranche in any material respect [or, in the case of the Debt Securities of a series issued to a Trust and for so long as any of the corresponding series of Trust Preferred Securities issued by such Trust shall remain outstanding, the holders of such Trust Preferred Securities].

Without limiting the generality of the foregoing, if the Trust Indenture Act as in effect at the date of the execution and delivery of this Indenture or at any time thereafter shall be amended and

(x) if any such amendment shall require one or more changes to any provisions hereof or the inclusion herein of any additional provisions, or shall by operation of law be deemed to effect such changes or incorporate such provisions by reference or otherwise, this Indenture shall be deemed to have been amended so as to conform to such amendment to the Trust Indenture Act, and the Company and the Trustee may, without

the consent of any Holders, enter into an indenture supplemental hereto to effect or evidence such changes or additional provisions; or

(y) if any such amendment shall permit one or more changes to, or the elimination of, any provisions hereof which, at the date of the execution and delivery hereof or at any time thereafter, are required by the Trust Indenture Act to be contained herein, this Indenture shall be deemed to have been amended to effect such changes or elimination, and the Company and the Trustee may, without the consent of any Holders, enter into an indenture supplemental hereto to evidence such amendment hereof.

SECTION 12.02 Supplemental Indentures With Consent of Holders.

With the consent of the Holders of not less than a majority in aggregate principal amount of the Debt Securities of all series then Outstanding under this Indenture, considered as one class, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture; provided, however, that if there shall be Debt Securities of more than one series Outstanding hereunder and if a proposed supplemental indenture shall directly affect the rights of the Holders of Debt Securities of one or more, but less than all, of such series, then the consent only of the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of all series so directly affected, considered as one class, shall be required; and provided, further, that if the Debt Securities of any series shall have been issued in more than one Tranche and if the proposed supplemental indenture shall directly affect the rights of the Holders of Debt Securities of one or more, but less than all, of such Tranches, then the consent only of the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of all Tranches so directly affected, considered as one class, shall be required; and provided, further, that no such supplemental indenture shall:

(a) change the Stated Maturity of the principal of, or any installment of principal of or interest (including Additional Interest) on [(except as provided in Section 3.12 hereof)] any Debt Security, or reduce the principal amount thereof or the rate of interest thereon (or the amount of any installment of interest thereon) or change the method of calculating such rate or reduce any premium payable upon the redemption thereof, or reduce the amount of the principal of a Discount Debt Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 8.02, or change the coin or currency (or other property), in which any Debt Security or any premium or the interest (including any Additional Interest) thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity of any Debt Security (or, in the case of redemption, on or after the Redemption Date), without, in any such case, the consent of the Holder of such Debt Security, or

(b) reduce the percentage in principal amount of the Outstanding Debt Securities of any series or any Tranche thereof, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with any provision of this Indenture or of any default hereunder and its consequences, or reduce the requirements of Section 13.04 for quorum or voting, without, in any

such case, the consent of the Holders of each Outstanding Debt Security of such series or Tranche, or

(c) modify any of the provisions of this Section, Section 6.06 or

Section 8.13 with respect to the Debt Securities of any series, or any Tranche thereof (except to increase the percentages in principal amount referred to in this Section or such other Sections or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Debt Security affected thereby); provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section, or the deletion of this proviso, in accordance with the requirements of Sections 9.11(b), 9.14 and 12.01(h);

provided, further, that, in the case of the Debt Securities of a series originally issued to a Trust, so long as any of the corresponding series of Trust Preferred Securities issued by such Trust remains outstanding, (i) no such amendment shall be made that adversely affects the holders of such Trust Preferred Securities in any material respect, and no termination of this Indenture shall occur, and no waiver of any Event of Default or compliance with any covenant under this Indenture shall be effective, without the prior consent of the holders of at least a majority of the aggregate Liquidation Amount of such Trust Preferred Securities then outstanding unless and until the principal of (and premium, if any, on) the Debt Securities of such series and all accrued and (subject to Section 3.07) unpaid interest (including any Additional Interest) thereon have been paid in full or provision therefor shall have been made in accordance with Article VII, and (ii) no amendment shall be made to Section 8.08 of this Indenture that would impair the rights of the holders of Trust Preferred Securities issued by a Trust provided therein without the prior consent of the holders of each such Trust Preferred Security then outstanding unless and until the principal of (and premium, if any, on) the Debt Securities of such series and all accrued and (subject to Section 3.07) unpaid interest (including any Additional Interest) thereon have been paid in full or provision therefor shall have been made in accordance with Article VII.]

A supplemental indenture that changes or eliminates any covenant or other provision of this Indenture that has expressly been included solely for the benefit of one or more particular series of Debt Securities, or of one or more Tranches thereof, [or any corresponding series of Trust Preferred Securities of a Trust that holds the Debt Securities of any series,] or that modifies the rights of the Holders of Debt Securities of such series or Tranches

[or holders of such Trust Preferred Securities of such corresponding series] with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Debt Securities of any other series or Tranche [or holders of Trust Preferred Securities of any other such corresponding series].

Upon the request of the Company, accompanied by a copy of the Board Resolution authorizing the execution of any such supplemental indenture, compliance by the Company with Section 12.03 hereof, and the filing with the Trustee of evidence of the consent of the Holders of the Debt Securities required hereunder with respect to the proposed supplemental indenture, the Trustee shall join with the Company in the execution of such supplemental indenture unless the supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, or otherwise, in which case the Trustee may in its discretion but shall not be obligated to enter into such supplemental indenture.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof. A waiver by a Holder of such Holder's right to consent under this Section shall be deemed to be a consent of such Holder.

SECTION 12.03 Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be provided with, and (subject to Section 9.01) shall be fully protected in relying upon an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture.

SECTION 12.04 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Debt Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby. Any supplemental indenture permitted by this Article may restate this Indenture in its entirety, and, upon the execution and delivery thereof, any such restatement shall supersede this Indenture as theretofore in effect for all purposes.

SECTION 12.05 Conformity With Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 12.06 Reference in Debt Securities to Supplemental Indentures.

Debt Securities of any series, or any Tranche thereof, authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Debt Securities of any series, or any Tranche thereof, so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Debt Securities of such series or Tranche.

SECTION 12.07 Modification Without Supplemental Indenture.

If the terms of any particular series of Debt Securities shall have been established in a Board Resolution or an Officer's Certificate pursuant to a Board Resolution as contemplated by Section 3.01, and not in an indenture supplemental hereto, additions to, changes in or the elimination of any of such terms may be effected by means of a supplemental Board Resolution or Officer's Certificate, as the case may be, delivered to, and accepted by, the Trustee; provided, however, that such supplemental Board Resolution or Officer's Certificate shall not be accepted by the Trustee or otherwise be effective unless all conditions set forth in this Indenture which

would be required to be satisfied if such additions, changes or elimination were contained in a supplemental indenture shall have been appropriately satisfied. Upon the acceptance thereof by the Trustee, any such supplemental Board Resolution or Officer's Certificate shall be deemed to be a "supplemental indenture" for purposes of Section 12.04 and 12.06.

SECTION 12.08 Execution of Supplemental Indentures.

The Trustee may, but shall not be obligated to, enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 13.02 Call, Notice and Place of Meetings.

(a) The Trustee may at any time call a meeting of Holders of Debt Securities of one or more, or all, series, or any Tranche or Tranches thereof, for any purpose specified in Section 13.01, to be held at such time and at such place _____, as the Trustee shall determine, or, with the approval of the Company, at any other place. Notice of every such meeting, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 1.06, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(b) If the Trustee shall have been requested to call a meeting of the Holders of Debt Securities of one or more, or all, series, or any Tranche or Tranches thereof, by the Company or by the Holders of 33% in aggregate principal amount of all of such series and Tranches, considered as one class, for any purpose specified in Section 13.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have given the notice of such meeting within 21 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Debt Securities of such series and Tranches in the amount above specified, as the case may be, may determine the time and the place in the _____, or in such other place as shall be determined or approved by the Company, for such meeting and may call such meeting for such purposes by giving notice thereof as provided in subsection (a) of this Section.

(c) Any meeting of Holders of Debt Securities of one or more, or all, series, or any Tranche or Tranches thereof, shall be valid without notice if the Holders of all Outstanding Debt Securities of such series or Tranches are present in person or by proxy and if representatives of

the Company and the Trustee are present, or if notice is waived in writing before or after the meeting by the Holders of all Outstanding Debt Securities of such series, or by such of them as are not present at the meeting in person or by proxy, and by the Company and the Trustee.

SECTION 13.03 Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of Debt Securities of one or more, or all, series, or any Tranche or Tranches thereof, a Person shall be (a) a Holder of one or more Outstanding Debt Securities of such series or Tranches, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Debt Securities of such series or Tranches by such Holder or Holders. The only Persons who shall be entitled to attend any meeting of Holders of Debt Securities of any series or Tranche shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 13.04 Quorum; Action.

The Persons entitled to vote a majority in aggregate principal amount of the Outstanding Debt Securities of the series and Tranches with respect to which a meeting shall have been called as hereinbefore provided, considered as one class, shall constitute a quorum for a meeting of Holders of Debt Securities of such series and Tranches; provided, however, that if any action is to be taken at such meeting which this Indenture expressly provides may be taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the Outstanding Debt Securities of such series and Tranches, considered as one class, the Persons entitled to vote such specified percentage in principal amount of the Outstanding Debt Securities of such series and Tranches, considered as one class, shall constitute a quorum. In the absence of a quorum within one hour of the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Debt Securities of such series and Tranches, be dissolved. In any other case the meeting may be adjourned for such period as may be determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for such period as may be determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Except as provided by Section 13.05(e), notice of the reconvening of any meeting adjourned for more than 30 days shall be given as provided in Section 13.02(a) not less than ten days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the Outstanding Debt Securities of such series and Tranches which shall constitute a quorum.

Except as limited by Section 12.02, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of a majority in aggregate principal amount of the Outstanding Debt Securities of the series and Tranches with respect to which such meeting shall have been called, considered as one class; provided, however, that, except as so limited, any resolution with respect to any action which this Indenture expressly provides may be taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the Outstanding Debt Securities of such series and Tranches, considered as one class, may be adopted at a meeting or

an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Debt Securities of such series and Tranches, considered as one class.

Any resolution passed or decision taken at any meeting of Holders of Debt Securities duly held in accordance with this Section shall be binding on all the Holders of Debt Securities of the series and Tranches with respect to which such meeting shall have been held, whether or not present or represented at the meeting.

SECTION 13.05 Attendance at Meetings; Determination of Voting Rights; Conduct and Adjournment of Meetings.

(a) Attendance at meetings of Holders of Debt Securities may be in person or by proxy; and, to the extent permitted by law, any such proxy shall remain in effect and be binding upon any future Holder of the Debt Securities with respect to which it was given unless and until specifically revoked by the Holder or future Holder of such Debt Securities before being voted.

(b) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Debt Securities in regard to proof of the holding of such Debt Securities and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Debt Securities shall be proved in the manner specified in Section 1.04 and the appointment of any proxy shall be proved in the manner specified in Section

1.04. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.04 or other proof.

(c) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 13.02(b), in which case the Company or the Holders of Debt Securities of the series and Tranches calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in aggregate principal amount of the Outstanding Debt Securities of all series and Tranches represented at the meeting, considered as one class.

(d) At any meeting each Holder or proxy shall be entitled to one vote for each \$1 principal amount of Debt Securities held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any Debt Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Debt Security or proxy.

(e) Any meeting duly called pursuant to Section 13.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in aggregate principal

amount of the Outstanding Debt Securities of all series and Tranches represented at the meeting, considered as one class; and the meeting may be held as so adjourned without further notice.

SECTION 13.06 Counting Votes and Recording Action of Meetings.

The vote upon any resolution submitted to any meeting of Holders shall be by written ballots on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Debt Securities, of the series and Tranches with respect to which the meeting shall have been called, held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports of all votes cast at the meeting. A record of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 13.02 and, if applicable, Section 13.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 13.07 Action Without Meeting.

In lieu of a vote of Holders at a meeting as hereinbefore contemplated in this Article, any request, demand, authorization, direction, notice, consent, waiver or other action may be made, given or taken by Holders by written instruments as provided in Section 1.04.

ARTICLE XIV

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

SECTION 14.01 Liability Solely Corporate.

No recourse shall be had for the payment of the principal of or premium, if any, or interest (including Additional Interest), if any, on any Debt Securities, or any part thereof, or for any claim based thereon or otherwise in respect thereof, or of the indebtedness represented thereby, or upon any obligation, covenant or agreement under this Indenture, against any incorporator, stockholder, officer or director, as such, past, present or future of the Company or of any predecessor or successor corporation (either directly or through the Company or a predecessor or successor corporation), whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that this Indenture and all the Debt Securities are solely corporate obligations, and that no personal liability whatsoever shall attach to, or be incurred by, any incorporator, stockholder, officer or director, past, present or future, of the Company or of any predecessor or successor corporation, either directly or indirectly through the Company or

any predecessor or successor corporation, because of the indebtedness hereby authorized or under or by reason of any of the obligations, covenants or agreements contained in this Indenture or in any of the Debt Securities or to be implied herefrom or therefrom, and that any such personal liability is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution of this Indenture and the issuance of the Debt Securities.

ARTICLE XV

SUBORDINATION OF SECURITIES

SECTION 15.01 Securities Subordinate to Senior Indebtedness.

The Company, for itself, its successors and assigns, covenants and agrees, and each Holder of the Debt Securities of each series, by its acceptance thereof, likewise covenants and agrees, that the payment of the principal of and premium, if any, and interest (including Additional Interest), if any, on each and all of the Debt Securities of any series which by their terms established pursuant to Sections 2.01 and 3.01 are made subject to this Article XV is hereby expressly subordinated, to the extent and in the manner set forth in this Article, in right of payment to the prior payment in full of all Senior Indebtedness.

Each Holder of the Debt Securities of such series, by its acceptance thereof, authorizes and directs the Trustee on its behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article, and appoints the Trustee its attorney-in-fact for any and all such purposes.

Without limiting the generality of the foregoing, nothing contained in this Article shall restrict the right of the Trustee or the Holders of Securities to take any action to declare the Debt Securities to be due and payable prior to their stated maturity pursuant to Section 8.02 or to pursue any rights or remedies hereunder; provided, however, that all Senior Indebtedness then due and payable shall first be paid in full before the Holders of the Debt Securities or the Trustee are entitled to receive any direct or indirect payment from the Company of principal of, or premium, if any, or interest (including any Additional Interest) on the Debt Securities.

SECTION 15.02 Payment Over of Proceeds Upon Dissolution, Etc..

Upon any payment by the Company or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding-up or liquidation or reorganization of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, all amounts due upon all Senior Indebtedness of the Company shall first be paid in full; or payment thereof provided for in money in accordance with its terms, before any payment is made by the Company, on account of the principal (and premium, if any) or interest on the Debt Securities of such series; and upon any such dissolution or winding-up or liquidation or reorganization; any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Holders of the Debt Securities of such series or the Trustee would be entitled to receive from the Company, except for the provisions of this Article, shall be paid by the Company or by any receiver, trustee in bankruptcy, liquidation trustee, agent or other

Person making such payment or distribution, or by the Holders of the Debt Securities of such series or by the Trustee under the Indenture if received by them or it, directly to the holders of Senior Indebtedness of the Company (pro rata to such holders on the basis of the respective amounts of Senior Indebtedness held by such holders, as calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, as their respective interests may appear, to the extent necessary to pay such Senior Indebtedness in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Indebtedness, before any payment or distribution is made to the Holders of the Debt Securities of such series or to the Trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, prohibited by the foregoing, shall be received by the Trustee before all Senior Indebtedness of the Company is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of such Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Indebtedness may have been issued, and their respective interests may appear, as calculated by the Company, for application to the payment of all Senior Indebtedness of the Company, as the case may be, remaining unpaid to the extent necessary to pay such Senior Indebtedness in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of such Senior Indebtedness.

For purposes of this Article only, the words "cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment which are subordinated in right of payment to all Senior Indebtedness which may at the time be outstanding to substantially the same extent as, or to a greater extent than, the Debt Securities of such series are so subordinated as provided in this Article. The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the conveyance or transfer of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article XI shall not be deemed a dissolution, winding up, liquidation, reorganization, assignment for the benefit of creditors or marshalling of assets and liabilities of the Company for the purposes of this Section if the Person formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer such properties and assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance or transfer, comply with the conditions set forth in Article XI.

SECTION 15.03 Prior Payment to Senior Indebtedness Upon Acceleration of Debt Securities of Such Series.

In the event that any Debt Securities of such series are declared due and payable before their Stated Maturity, then and in such event the holders of Senior Indebtedness shall be entitled to receive payment in full of all amounts due or to become due on or in respect of all Senior Indebtedness or provision shall be made for such payment in cash, before the Holders of the

Debt Securities of such series are entitled to receive any payment (including any payment which may be payable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Debt Securities of such series) by the Company on account of the principal of (or premium, if any) or interest on the Debt Securities of such series or on account of the purchase or other acquisition of Debt Securities of such series; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with Article V by delivering and crediting pursuant to Section 5.02 Debt Securities of such series which have been acquired (upon redemption or otherwise) prior to such declaration of acceleration or which have been converted.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Debt Securities prohibited by the foregoing provisions of this Section, and if such fact shall, at or prior to the time of such payment, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

SECTION 15.04 No Payment When Senior Indebtedness in Default.

No direct or indirect payment by or on behalf of the Company of principal of or any premium or interest on or Additional Amounts with respect to the Debt Securities of such series, whether pursuant to the terms of the Securities or upon acceleration or otherwise, shall be made if, at the time of such payment, there exists (a) a default in the payment of all or any portion of any Senior Indebtedness and the Trustee has received written notice thereof from the Company, from holders of Senior Indebtedness or from any trustee, representative or agent therefor, or (b) any other default affecting Senior Indebtedness as a result of which the maturity of Senior Indebtedness has been accelerated and the Trustee has received written notice from the Company, from holders of Senior Indebtedness or from any trustee, representative or agent therefor, and such default shall not have been cured or waived by or on behalf of the holders of such Senior Indebtedness.

In the event that, notwithstanding the foregoing, any payment shall be received by the Trustee when such payment is prohibited by the preceding paragraph of this Section 15.04 such payment shall be held in trust for the benefit of, and shall be paid over or delivered to, the holders of Senior Indebtedness or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Indebtedness may have been issued, as their respective interests may appear, but only to the extent that the holders of the Senior Indebtedness (or their representative or representatives or a trustee) notify the Trustee in writing within 90 days of such payment of the amounts then due and owing on the Senior Indebtedness and only the amounts specified in such notice to the Trustee shall be paid to the holders of Senior Indebtedness.

SECTION 15.05 Payment Permitted in Certain Situations.

Nothing contained in this Article or elsewhere in this Indenture or in any of the Debt Securities of such series shall prevent (a) the Company, at any time except during the pendency of any dissolution, winding-up, liquidation or reorganization of the Company, whether voluntary or involuntary or any bankruptcy, insolvency, receivership or other proceedings of the Company

referred to in Section 15.02 or under the conditions described in Section 15.03 or 15.04, from making payments at any time of principal of or premium, if any, or interest on the Debt Securities of such series, or (b) the application by the Trustee of any money deposited with it hereunder to the payment of or on account of the principal of, or premium, if any, or interest on the Debt Securities of such series or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge that such payment would have been prohibited by the provisions of this Article.

SECTION 15.06 Subrogation to Rights of Holders of Senior Indebtedness.

Subject to the payment in full of all Senior Indebtedness or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Indebtedness, the rights of the Holders of Debt Securities of such series shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Indebtedness pursuant to the provisions of this Article (equally and ratably with the holders of indebtedness of the Company which by its express terms is subordinated to indebtedness of the Company to substantially the same extent as the Debt Securities of such series are subordinated to the Senior Indebtedness and is entitled to like rights of subrogation) to the rights of the holders of such Senior Indebtedness to receive payments and distributions of cash, property and securities applicable to the Senior Indebtedness until the principal of (and premium, if any) and interest on the Debt Securities of such series shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of the Senior Indebtedness of any cash, property or securities to which the Holders of Debt Securities of such series or the Trustee would be entitled except for the provisions of this Article, and no payments over pursuant to the provisions of this Article to or for the benefit of the holders of Senior Indebtedness by Holders of Debt Securities of such series or the Trustee, shall, as among the Company, its creditors other than holders of Senior Indebtedness and the Holders of Debt Securities of such series, be deemed to be a payment or distribution by the Company to or on account of the Senior Indebtedness.

SECTION 15.07 Provisions Solely to Define Relative Rights.

The provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders of Debt Securities on the one hand and the holders of Senior Indebtedness on the other hand. Nothing contained in this Article or elsewhere in this Indenture or in the Debt Securities of such series is intended to or shall (a) impair, as among the Company, its creditors other than holders of Senior Indebtedness and the Holders of Debt Securities of such series, the obligation of the Company, which is absolute and unconditional (and which, subject to the rights under this Article of the holders of Senior Indebtedness, is intended to rank equally with all other general obligations of the Company), to pay to the Holders of Debt Securities of such series the principal of (and premium, if any) and interest on the Debt Securities of such series as and when the same shall become due and payable in accordance with their terms; or (b) affect the relative rights against the Company of the Holders of Debt Securities of such series and creditors of the Company, as the case may be, other than the holders of Senior Indebtedness; or (c) prevent the Trustee or the Holder of any Debt Securities from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Indebtedness to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

SECTION 15.08 Trustee to Effectuate Subordination.

Each Holder of a Debt Security by such Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article and appoints the Trustee such Holder's attorney-in-fact for any and all such purposes.

SECTION 15.09 No Waiver of Subordination Provisions.

No right of any present or future holder of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Debt Securities of such series, without incurring responsibility to the Holders of Debt Securities of such series and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of Debt Securities of such series to the holders of Senior Indebtedness do any one or more of the following: (a) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or otherwise amend or supplement in any manner Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (b) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (c) release any Person liable in any manner for the collection of Senior Indebtedness; and (d) exercise or refrain from exercising any rights against the Company and any other Person.

SECTION 15.10 Notice to Trustee.

The Company shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Company which would prohibit the making of any payment to or by the Trustee in respect of the Debt Securities of such series pursuant to the provisions of this Article. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee in respect of the Debt Securities of such series pursuant to the provisions of this Article, unless and until a Responsible Officer of the Trustee shall have received written notice thereof from the Company or a holder or holders of Senior Indebtedness or from any trustee therefor; and, prior to the receipt of any such written notice, the Trustee, subject to the provisions of Section 9.03, shall be entitled in all respects to assume that no such facts exist; provided, however, that if the Trustee shall have not received the notice provided for in this Section at least two Business Days prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of (or premium, if any) or interest on any Debt Securities of such series, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full

power and authority to receive such money and to apply the same to the purposes for which they were received, and shall not be affected by any notice to the contrary that may be received by it within two Business Days prior to such date.

Subject to the provisions of Section 9.03, the Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Indebtedness (or a trustee therefor) to establish that such notice has been given by a holder of Senior Indebtedness (or a trustee therefor). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person.

For purposes of this Article only, (a) the issuance and delivery of junior securities (or cash paid in lieu of fractional shares) upon conversion of Debt Securities of such series in accordance with their terms, or pursuant to the terms set forth in an Officers' Certificate or established in one or more indentures supplemental hereto in accordance with Section 3.01, shall not be deemed to constitute a payment or distribution on account of the principal of or premium or interest on Debt Securities of such series or on account of the purchase or other acquisition of Debt Securities of such series, and (b) the payment, issuance or delivery of cash, property or securities (other than junior securities and cash paid in lieu of fractional shares) upon conversion of a Debt Security shall be deemed to constitute payment on account of the principal of such Debt Security. For the purposes of this Section, the term "junior securities" means (i) shares of any stock of any class of the Company and (ii) securities of the Company which are subordinated in right of payment to all Senior Indebtedness which may be outstanding at the time of issuance or delivery of such securities to substantially the same extent as, or to a greater extent than, the Debt Securities of such series are so subordinated as provided in this Article. Nothing contained in this Article or elsewhere in this Indenture or in the Debt Securities of such series is intended to or shall impair, as among the Company, its creditors other than holders of Senior Indebtedness and the Holders of Debt Securities of such series, the right, which is absolute and unconditional, of the Holder of any Debt Securities to convert such Debt Securities in accordance with their terms.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed as of the day and year first above written.

Ladies and Gentlemen:

We have acted as special counsel to Devon Energy Corporation, a Delaware corporation (“Devon”), in connection with the proposed sale of the following securities (the “Securities”), as set forth in the Form S-3 Registration Statement filed with the Securities and Exchange Commission on the date hereof (the “Registration Statement”): (i) shares of common stock, par value \$0.10 per share of Devon (the “Common Stock”), (ii) shares of preferred stock, par value \$1.00 per share of Devon (the “Preferred Stock”) and (iii) one or more series of debt securities of Devon (the “Debt Securities”).

Each series of Debt Securities will be issued under one of two indentures (each, an “Indenture”), previously entered into, or to be entered into, between Devon and The Bank of New York Mellon (as successor to The Bank of New York), as Trustee. Certain terms of the Securities to be issued from time to time will be approved by the Board of Directors of Devon (or a committee thereof) as part of the corporate action taken and to be taken in connection with the authorization of the issuance of the Securities (the “Corporate Proceedings”).

As special counsel to Devon, we have examined originals or copies certified or otherwise identified to our satisfaction of resolutions of the Board of Directors of Devon and such Devon records, certificates and other documents and such questions of law we considered necessary or appropriate for the purpose of this opinion. As to certain facts material to our opinion, we have relied, to the extent we deem such reliance proper, upon certificates of public officials and officers of Devon. In rendering this opinion, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to authentic original documents of all documents submitted to us as copies.

Based upon and subject to the foregoing and to the assumptions, conditions and limitations set forth herein, we are of the opinion that:
