In accordance with the provisions of General Instruction C to Schedule 13D, certain information concerning the executive officers, directors and partners of the Reporting Persons, as applicable, and persons controlling the Reporting Persons, as applicable (collectively, the “Covered Persons”), required by Item 2 of Schedule 13D is provided on Appendix A.

(d) During the last five years, no Reporting Persons nor any person named on Appendix A attached hereto has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, no Reporting Persons nor any person named on Appendix A attached hereto has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which he was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or a finding of any violation with respect to such laws.

(f) Devon, Devon Gas, Devon Gas Operating, EMI and Acacia are each a Delaware corporation. Devon OK is an Oklahoma corporation. Southwestern Gas is a Texas limited liability company. Devon Gas Services is a Texas limited partnership. EnLink Midstream Manager and EnLink Midstream are each a Delaware limited liability company. All of the persons named on Appendix A attached hereto, other than Mr. Michael M. Kanovsky, are United States citizens. Mr. Kanovsky is a citizen of Canada.

Item 3. Source and Amount of Funds or Other Consideration

On October 22, 2014, EnLink MLP entered into a Contribution and Transfer Agreement (the “E2 Drop-Down Agreement”) with EMI, pursuant to which EMI sold 100% of the Class A Units and 50% of the Class B Units (collectively, the “E2 Appalachian Units”) in E2 Appalachian Compression, LLC (“E2 Appalachian”), and 93.7% of the Class A Units (the “Energy Services Units” and, together with the E2 Appalachian Units, the “Purchased Units”) in E2 Energy Services, LLC (“Energy Services”), to EnLink MLP. The closing of the E2 Drop-Down Agreement occurred simultaneously with its execution. The total consideration paid by EnLink MLP to EMI for the Purchased Units included (i) \$13,000,000 in cash for the Energy Services Units and (ii) \$150,000,000 in cash and 1,016,322 Common Units for the E2 Appalachian Units.

On February 17, 2015, Acacia entered into a Contribution and Transfer Agreement (the “EMH Drop-Down Agreement”) with EnLink MLP, pursuant to which Acacia sold a 25% limited partner interest (the “EMH Transferred Interests”) in EMH, to EnLink MLP. The closing of the transactions contemplated by the EMH Drop-Down Agreement occurred simultaneously with the execution of the EMH Drop-Down Agreement. As consideration for the EMH Transferred Interests, EnLink MLP issued 31,618,311 Class D Units to Acacia.

The Class D Units are substantially similar in all respects to the Common Units, except that they will only be entitled to a pro rata distribution for the fiscal quarter ended March 31, 2015. The Class D Common Units will automatically convert into Common Units on a one-for-one basis on the first business day following the record date for distribution payments with respect to the distribution for the quarter ended March 31, 2015.

On March 23, 2015, the Issuer entered into the Contribution, Conveyance and Assumption Agreement (the “VEX Drop-Down Agreement”) with Devon Gas Services. Pursuant to the VEX Drop-Down Agreement, on April 1,

2015, the Issuer acquired all of the equity interests in Victoria Express Pipeline, L.L.C., a Texas limited liability company, and certain related assets from Devon Gas Services in exchange for \$171 million in cash (subject to certain post-closing adjustments), the issuance of 338,159 Common Units and the assumption of approximately \$30-\$40 million in certain construction costs related to the contributed assets.

The foregoing description of the E2 Drop-Down Agreement, EMH Drop-Down Agreement and VEX Drop-Down Agreement set forth in this Item 3 does not purport to be complete and is qualified in its entirety by reference to the full text of each of the E2 Drop-Down Agreement, EMH Drop-Down Agreement and VEX Drop-Down Agreement, which have been filed as Exhibits 5, 6 and 9 hereto, respectively. The information set forth in or incorporated by reference in Item 4 of this Schedule 13D/A is incorporated by reference in its entirety into this Item 3.

Item 4. Purpose of Transaction

On March 7, 2014, Devon combined substantially all of its U.S. midstream business with EMI and EnLink MLP (the “Midstream Contribution”) pursuant to (i) a Contribution Agreement, dated October 21, 2013 (the “Midstream Contribution Agreement”), among Devon, Devon Gas Services, Devon Gas, Southwestern Gas, EnLink MLP and EnLink Midstream Operating, LP (formerly known as Crosstex Energy Services, L.P.), a Delaware limited partnership and a wholly-owned subsidiary of EnLink MLP, and (ii) a Merger Agreement (as such term is defined in the Midstream Contribution Agreement).

In connection with the closing of the Midstream Contribution, on March 7, 2014, Devon, Devon Gas Services, Southwestern Gas, EnLink MLP and the General Partner entered into a Unitholder Agreement (the “Unitholder Agreement”). Under the Unitholder Agreement, in certain circumstances, EnLink MLP is obligated, upon request, to file a registration statement covering the potential sale of Common Units acquired by Devon Gas Services and Southwestern Gas in connection with the Midstream Contribution. In addition, the Unitholder Agreement gives Devon Gas Services and Southwestern Gas piggyback registration rights under certain circumstances. The registration rights are transferable to affiliates of Devon Gas Services and Southwestern Gas and, in certain circumstances, to third parties. The Unitholder Agreement also includes provisions dealing with holdback agreements, indemnification and contribution, and allocation of expenses, as well as EnLink MLP’s obligations to provide certain financial and other information to Devon Gas Services and Southwestern Gas.

On March 25, 2015, in furtherance of a request by Devon pursuant to the Unitholder Agreement, the Issuer and Southwestern Gas entered into an underwriting agreement (the “Underwriting Agreement”) with Morgan Stanley & Co. LLC, as representative of the several underwriters named therein (the “Underwriters”), providing for the offer and sale of 22,800,000 Common Units by Southwestern Gas (the “Offering”), and purchase by the Underwriters of the Common Units at a price of \$24.94 per Common Unit. The Offering closed on March 30, 2015. Pursuant to the Underwriting Agreement, the Underwriters were granted a 30-day option to purchase up to an additional 3,420,000 Common Units from Southwestern Gas.

Pursuant to the Underwriting Agreement, Southwestern Gas, the Issuer, Devon Gas Services, EMI and certain directors and officers listed on Schedule 4 to the Underwriting Agreement have each entered into a lock-up agreement (the “Lock-Up Agreement”) pursuant to which they agreed with the Underwriters not to offer for sale, sell, pledge, or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the transfer or disposition by any person at any time in the future of) any Common Units or securities convertible into or exchangeable for Common Units during the period from March 25, 2015 continuing through the date 30 days thereafter, except with the prior written of the representative of the Underwriters.

The foregoing descriptions of the Midstream Contribution Agreement, the Unitholder Agreement, the Underwriting Agreement and the Lock-Up Agreement set forth in this Item 4 do not purport to be complete and are qualified in their entirety by reference to the full text of the Midstream Contribution Agreement, which has been filed as Exhibit 1 hereto, the Unitholder Agreement, which has been filed as Exhibit 2 hereto, the Underwriting Agreement, which has been filed as Exhibit 10 hereto, and the Lock-Up Agreement, which is included in the Underwriting Agreement, and are incorporated herein by reference.

Following the closing of the transactions contemplated by the EMH Drop-Down Agreement described in Item 3, Acacia retained a 25% limited partner interest in EMH. Acacia plans to contribute this 25% limited partner interest to EnLink MLP during the second half of 2015, and it is anticipated that at least part of the consideration for this transaction would be units representing limited partner interests in the Issuer.

Except as set forth in this Schedule 13D/A, the Reporting Persons have no present plans which relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons may change their plans or proposals in the future. In determining from time to time whether to sell the Common Units reported as beneficially owned in this statement (and in what amounts) or to retain such securities,

the Reporting Persons will take into consideration such factors as they deem relevant, including the business and prospects of the Issuer, anticipated future developments concerning the Issuer, existing and anticipated market conditions from time to time, general economic conditions, regulatory matters and other opportunities available to the Reporting Persons. The Reporting Persons reserve the right to acquire additional securities of the Issuer in the open market, in privately negotiated transactions (which may be with the Issuer or with third parties) or otherwise, to dispose of all or a portion of their holdings of securities of the Issuer or to change their intention with respect to any or all of the matters referred to in this Item 4.
