CRGI and CWI make independent investment and proxy voting decisions, and therefore have begun filing separate ownership reports on Schedule 13G reflecting December 31, 2007 holdings in lieu of CRMC filing. As CRMC is no longer subject to a reporting requirement, it is filing reports indicating 0% ownership to close out its holdings and will cease making future filings as an entity. Note that CRGI and/or CWI may not have made filings for certain securities held as of December 31, 2007 because one or both divisions did not have a reporting obligation with respect to such securities.
