Section 2 - Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On April 28, 2006, we directly and indirectly through our Canadian holding corporation, completed the acquisition of 100% of the issued and outstanding shares and warrants of IntelGenx Corp. ("IntelGenx"), a Canadian corporation based in the Province of Quebec, Canada. Following completion of the acquisition, IntelGenx will continue its operations as a controlled subsidiary of Big Flash (the "IntelGenx Acquisition").

We acquired the shares of IntelGenx held by its principal shareholders pursuant to a share exchange agreement dated April 10, 2006 which we entered into with IntelGenx and the principals of IntelGenx. We also acquired 100,000 common share purchase warrants of IntelGenx pursuant to a securities purchase agreement which we entered into with Patrick J. Caruso, in exchange for 100,000 common share purchase warrants of Big Flash. We also acquired 3,191,489 common shares of IntelGenx from [34] investors. These investors had subscribed for and purchased their IntelGenx shares pursuant to subscription agreements entered into and accepted by IntelGenx on April 28, 2006 and letters of transmittal and acceptance and powers of attorney executed by the investors.

Terms of Share Exchange Agreement

Our special purpose Canadian subsidiary, 6544361 Canada Inc., completed the acquisition of the 10,991,000 common shares of IntelGenx held by Horst Zerbe, Ingrid Zerbe and Joel Cohen (the "IntelGenx Principals") pursuant to the Share Exchange Agreement and other agreements among Big Flash, its wholly owned subsidiary 6544631 Canada Inc. ("Exchangeco"), the IntelGenx Principals and Equity Transfer Services Inc. ("Equity"). Under the Share Exchange Agreement, Exchangeco acquired all of the issued and outstanding common shares of IntelGenx held by the IntelGenx Principals in exchange for 10,991,000 Class A Special Shares of Exchangeco ("Exchangeable Shares"). At closing of the Share Exchange Agreement, Big Flash, Exchangeco, the IntelGenx Principals and Equity entered into an Exchange and Voting Trust Agreement (the "Exchange and Voting Trust Agreement") pursuant to which 10,991,000 shares of Big Flash common stock (the "Trust Shares") were issued to Equity, in its capacity as trustee for the Principals, as security for Big Flash's covenants under the provisions of the Exchangeable Shares. At closing, Big Flash, Exchangeco and Equity also entered into a support agreement ("Support Agreement") which, among other things, sets forth the terms and conditions upon which the IntelGenx Principals may exchange the Exchangeable Shares for a corresponding number of shares of Big Flash common stock. Big Flash may satisfy its obligations by instructing the Trustee to deliver one Big Flash common share for each such Exchangeable Share. Big Flash, Exchangeco, Equity and the IntelGenx Principals also entered into an escrow agreement (the "Escrow Agreement") pursuant to which the IntelGenx Principals have deposited into escrow with Equity, as escrow agent, all of the Exchangeable Shares and they have undertaken to deposit with Equity any Trust Shares for which the Exchangeable Shares may be exchanged from time to time, over a term of 3 years following closing. The Escrow Agreement provides that the Exchangeable Shares and any Trust Shares held in escrow may not be sold, assigned or transferred, except as expressly permitted under the Escrow Agreement, and shall be released from escrow at the end of the 3-year term.

The Trustee, as the holder of record of the Trust Shares, shall be entitled to all of the voting rights, including the right to vote in person or by proxy the Trust Shares on any matters, questions, proposals or propositions whatsoever that may properly come before the stockholders of Big Flash or at a meeting of Big Flash stockholders or in connection with respect to all written consents sought by Big Flash from its stockholders (the "Voting Rights"). The Voting Rights shall be and remain vested in and exercised by the Trustee. As further particularized in the Exchange and Voting Trust Agreement, the Trustee shall exercise the Voting Rights only on the basis of instructions received from the IntelGenx Principals entitled to instruct the Trustee as to the voting thereof at the time at which the stockholders meeting is held or a stockholders' consent is sought.

To the extent that no instructions are received from an IntelGenx Principal with respect to the Voting Rights to which such person is entitled, the Trustee shall not exercise or permit the exercise of such Voting Rights.

Under the terms of the Exchangeable Shares, the IntelGenx Principals will have the right to exchange the Exchangeable Shares for a corresponding number of shares of Big Flash common stock at any time after closing of the transaction. Prior to the exercise of such exchange rights, Equity will be the owner of record of the Trust Shares and will retain power to vote the Trust Shares or grant consent in regard to any and all matters presented for approval by the holders of Big Flash common stock. Under the terms of the Exchange and Voting Trust Agreement, Equity, in its capacity as trustee, will act in regard to such matters only in accordance with instructions given by the IntelGenx Principals, respectively.

In its capacity as trustee, Equity does not have any powers of disposition over the Trust Shares except as expressly required under the Exchange and Voting Trust Agreement and the Support Agreement.

All of such Exchangeable Shares and the Trust Shares were issued pursuant to the exemptions from registration provided under National Instrument 45-106 under Canadian securities laws and will be exempt from registration under the

Securities Act of 1933, as amended, pursuant to Section 4(2) of that Act and Regulation D - Rule 506 and/or Regulation S promulgated thereunder.

Immediately prior to closing of the Share Exchange Agreement, IntelGenx issued 3,191,489 common shares to 34 investors ("Investors") pursuant to private placement subscription agreements at an issue price of (Cdn.) \$0.47 per share. At closing, all of the 3,191,489 common shares of IntelGenx held by the Investors were transferred to Big Flash pursuant to Big Flash in exchange for 3,191,489 shares of Big Flash common stock pursuant to letters of transmittal and acceptance and powers of attorney executed by the Investors.

At closing, we entered into a securities purchase agreement ("Caruso Securities Purchase Agreement") with Patrick J. Caruso pursuant to which we purchased from Mr. Caruso warrants to purchase 100,000 common shares of IntelGenx at (Cdn.) \$0.47 per share on or before March 15, 2008 in exchange for which we issued to Mr. Caruso warrants entitling the holder to purchase 100,000 shares of Big Flash common stock at \$0.41 per share on or before April 28, 2008. Additionally, at closing, we entered into a business consultancy agreement ("Caruso Consulting Agreement") with Mr. Caruso pursuant to which we issued to Mr. Caruso 325,000 shares of Big Flash common stock as a non-refundable retainer, and in full payment of investor relations services to be rendered by Mr. Caruso under the agreement.

After giving effect to the issuance of the 10,991,000 shares of Big Flash common stock under the Share Exchange Agreement, the issuance of 3,191,489 shares of Big Flash stock to the Investors, the issuance of 100,000 warrants of Big Flash pursuant to the Caruso Securities Purchase Agreement and the issuance of 325,000 shares of Big Flash common stock pursuant to the Caruso Consulting Agreement, the number of Trust Shares that will be issued to Equity as trustee for the Vendors in the aggregate will constitute 68.7% of the approximately 16 million shares of Big Flash common stock that will be issued and outstanding. After giving effect to the issuance of the shares of Big Flash in connection with the IntelGenx acquisition, Horst Zerbe, Ingrid Zerbe and Joel Cohen will, pursuant to rights attached to the Exchangeable Shares to be issued to them under the Share Exchange Agreement, be entitled to acquire and beneficially own, respectively, 4,709,643, 4,709,643 and 1,571,713 shares of Big Flash common stock constituting, respectively, 29.4%, 29.4% and 9.8% of the Big Flash common stock that will be issued and outstanding.

Prior to the completion of the IntelGenx acquisition and except for the Share Exchange Agreement and the transactions contemplated thereunder, neither IntelGenx nor the shareholders of IntelGenx were or have been engaged in any direct or indirect transaction with Big Flash and the IntelGenx acquisition is not considered a related party transaction.

Pursuant to the terms of the Support Agreement, the holders of the Exchangeable Shares will economically benefit to the same extent as direct shareholders of Big Flash in the event of any dividend or other distribution.

Exchangeco shall on any day ("Redemption Date") to be determined by Exchangeco's board of directors after the tenth anniversary of the date of the IntelGenx acquisition, redeem the then outstanding Exchangeable Shares for an amount per Exchangeable Share (the "Redemption Price") equal to (i) the current market price of a Big Flash common share on the last business day prior to the Redemption Date (which may be satisfied in full by Exchangeco causing an instruction to be given to the Trustee to deliver, in respect of each Exchangeable Share held by each respective holder thereof, one Big Flash common share, and obtaining written confirmation of such delivery by the Trustee), plus (ii) the unpaid dividend amount, if any, on each such Exchangeable Share held by such holder on any dividend record date which occurred prior to the Redemption Date.

The Exchangeable Shares may, at any time prior to the Redemption Date, be exchanged by any of the IntelGenx Principals in exchange for the same number of shares of Big Flash common stock. The number of shares of Big Flash common stock to be transferred to the holders of the Exchangeable Shares upon such exchange will be subject to corresponding adjustment in the event of any Big Flash

securities dividend, forward split, reverse split, or similar event. The holders of the Exchangeable Shares will also benefit to an identical extent as all other Big Flash shareholders in the event of a tender offer or other similar transaction.

All Big Flash events related to payment of dividends, redemption or purchase or any capital distribution in respect of Big Flash common shares or any shares other than the Exchangeable Shares, redemption or purchase of any shares other than the Exchangeable Shares, or issuance of any other exchangeable shares, shall in each case be subject to approval by holders of not less than 66.6% of then-outstanding Exchangeable Shares. In addition, Big Flash must obtain the same consent prior to any action to reclassify, subdivide, re-divide or make any similar change to the outstanding shares of Big Flash, or effect an amalgamation, merger, reorganization or other transaction affecting the Big Flash shares of common stock.

Business of IntelGenx

IntelGenx is a drug delivery company established in 2003 and headquartered in Montreal (Quebec), which focuses on the development of oral controlled-release products for the generic pharmaceutical market as well as novel mucosal delivery systems. IntelGenx was incorporated on June 15, 2003 by Ingrid Zerbe.

IntelGenx currently has two unique, proprietary platform technologies that it uses to develop products: a Tri-Layer Tablet technology which allows for the development of oral controlled release products, and a Quick Release Wafer technology for the rapid delivery of pharmaceutically active substances to the oral cavity. IntelGenx's Tri-layer technology is aimed at reducing manufacturing costs significantly as compared to competing delivery technologies. The wafer technology allows for the instant delivery of pharmaceuticals to the oral mucosa.

IntelGenx's business strategy is to develop pharmaceutical products based on its proprietary drug delivery technologies and license the commercial rights to competent partner companies once the viability of the product has been demonstrated.

The company currently has two unique, proprietary platform technologies that it uses to develop products: (a) a Tri-Layer Tablet technology which allows for the development of oral controlled release products, and (b) a Quick Release Wafer technology for the rapid delivery of pharmaceutically active substances to the oral cavity. The Company's Tri-layer technology is very versatile and reduces manufacturing costs significantly as compared to competing delivery technologies. The wafer technology allows for the instant delivery of pharmaceuticals to the oral mucosa and presently has no direct competition.

IntelGenx's business strategy is to develop pharmaceutical products based on its proprietary drug delivery technologies and license the commercial rights to competent partner companies once the viability of the product has been demonstrated. The company focuses on lifecycle management opportunities of existing blockbuster products using the 505(b)(2) approach to obtaining FDA approval. Under ss.505(b)(2) of the US Food And Drug Act, the product will enjoy 3 years of market exclusivity after launch. Pharmaceutical companies will partner with drug delivery companies who possess innovative technologies to develop these special dosage formulations.

IntelGenx has established a strategic partnership with Keata Pharma Inc., a wholly owned subsidiary of PharmEng International Inc. based in Markham, Ontario. Under this partnership, Keata Pharma provides pharmaceutical manufacturing services to the company and promotes IntelGenx' product development services to interested pharmaceutical companies. In addition, IntelGenx and Keata are co-developing generic products for the European generic market.

Technology Platforms

IntelGenx's Tri-Layer platform technology represents a new generation of controlled release layered tablets to modulate the release of active compounds. The technology is based on a tri-layer tablet with an active core layer and two erodible cover layers. The release of the active from the core matrix initially occurs in a first-order fashion. As the erodible layers start to disintegrate, the permeation of the active ingredient through the cover layers increases. The

Tri-Layer tablet can thus produce linear (zero-order) kinetics for releasing a chemical compound over a desired period. The erosion rate of the cover layers can be customized according to the physico-chemical properties of the active drug.

IntelGenx's Instant Delivery Film technology is made up of a thin (25-35 micron) polymeric film comprised of USP components that are safe and approved by the FDA for use in food, pharmaceutical, and cosmetic products. Derived from the edible film technology used for breath strips and initially developed for the instant delivery of savory flavors to food substrates, the Instant Delivery Film has distinct advantages over existing fast dissolving oral tablets which make it the application system of choice for indications requiring rapid onset of action like migraine, motion sickness and nausea.

Intellectual Property and Patent Protection

We plan to aggressively continue to protect IntelGenx Corp.'s intellectual property and technology by applying for patent protection in the United States and in the most relevant foreign markets in anticipation of future commercialization opportunities.

IntelGenx Corp. intends to file core technology patents covering the use of its platform technologies in any pharmaceutical products. IntelGenx Corp. also relies on trade secrets, common law trademark rights and trademark registrations and intends to protect its intellectual property through non-disclosure agreements, license agreements and appropriate restrictions and controls on the distribution of information.

INT0007/2006	ED	Pre-formulation activities

Marketing

IntelGenx develops pharmaceutical products based on its proprietary drug delivery technologies and licenses the commercial rights to competent partner companies once the viability of the product has been demonstrated.

The company is positioning its delivery technology as an opportunity for lifecycle management of products for which the patent protection of the active ingredient is about to expire. While the substance patent cannot be extended, patent protection can be obtained for a new and improved formulation, which has to be filed with the FDA under a 505(b)(2) application and will enjoy a three year market exclusivity. IntelGenx' management believes that these "505(b)(2) products" represent the most lucrative opportunity for the company to date.

IntelGenx also focuses on generic products that are not 505(b)(2) candidates but that have certain barriers to entry where development and manufacturing are more complex and therefore limit the number of potential entrants into the generic market.

Research and Development

IntelGenx is currently working on several 505(b)(2) opportunities using its Tri-Layer and Quick Release Wafer platform technologies. The company sources its 505(b)(2) projects in two ways: either it develops a potential product to proof of concept stage and then solicits potential pharmaceutical partners, or potential partners approach IntelGenx directly or through the use of an intermediary with a particular product candidate for the company to work on. The pharmaceutical partners pay for the development costs and in return get the exclusive distribution rights for the products. IntelGenx receives development milestone payments from its partners and royalties upon commercialization. Currently, development fees and milestone payments account for 100% of the company's revenues, and 53% of the company's R&D expenses were used to support partner programs.

In the future, in order to increase revenue, IntelGenx plans to take selected high-potential candidates through the development process itself and then sign distribution agreements with pharmaceutical partners. This strategy is aimed at achieving higher down payments and larger royalty payments on sales.

Competition

The company operates in a highly competitive environment. In order to establish itself as a viable industry partner and secure a stable growth, the company has to continue to invest into R&D in order to further strengthen its technology base, and be able to manufacture its products through its manufacturing partner at competitive costs.

Government Regulation

The pharmaceutical industry is highly regulated. The company has to remain current with FDA and other regulatory requirements in order to get new products approved. The consequence will be higher R&D expenses in order to meet regulatory requirements. The company is responding to these regulatory challenges by focussing on 505(b)(2) opportunities that, by applying its drug delivery technology to existing drugs, give the company access to high-potential product opportunities by limiting R&D expenses and time-to-market compared to NDA products.

Employees

As of May 1, the company has 7 full-time and one part-time employee. Five full-time employees and the part-time employee are directly involved in product development activities. The technical staff includes 3 Ph.D.'s, and one MD. The company believes that with its highly qualified staff it is well prepared to provide high quality R&D services to its clients.

Facilities

The company currently occupies 3,100 square feet of leased space at a rate of Can. \$8.29/square foot in an industrial zone in Ville St.-Laurent, Quebec, Canada under a 5-year renewable lease agreement. The company is looking into expanding its laboratory space in order to continue to support ongoing product development activities and allow the addition of further development programs. This may require the company to move to a different location. Management has therefore entered into conversations with the current landlord to look for alternative facilities that would meet the company's need for additional space at affordable costs.

Management

J. Rockwell Smith and Geoff Williams have each resigned as a director and officer of Big Flash. The remaining director, Edward F. Cowle, in order to fill the vacancy created by Mr. Smith and Mr. Williams' resignations and to increase the size of the board of directors, has appointed the following persons to serve as new directors, effective immediately upon completion of our acquisition of IntelGenx: Horst Zerbe, Ingrid Zerbe and Joel Cohen. Following these appointments, Mr. Cowle also resigned as a director and officer. Horst Zerbe was appointed as President and Chief Executive Officer of Big Flash following Mr. Cowle's resignation.

Legal Proceedings

There are no material pending legal proceedings to which Big Flash or IntelGenx Corp. is a party or to which any of our property is subject and, to the best of our knowledge, no such actions against us are contemplated or threatened.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following information relates to the operations of IntelGenx Corp. and should be read in conjunction with the financial statements and notes thereto appearing elsewhere in the Form 8-K/A.

Results of Operations

Year ended December 31, 2005 compared to the year ended December 31, 2004

Because IntelGenx Corp. is still developing its platform technologies and related products, it has not realized significant revenues to date, except for \$257,374 in 2004, and \$19,168 in 2005 from R&D services provided. Management believes that we may begin to realize increased sales revenues by early 2007.

General administrative expenses increased by \$35,978 (89%) from \$40,350 for the year ended December 31, 2004 to \$76,328 for the year ended December 31, 2005. The increase is attributed to increasing activities to commencement of our business operations.

Costs related to research and development decreased from \$131,547 in 2004 to \$91,969 in 2005, which reflects the discontinuation of some projects started

in 2004. Management believes that with funding provided by the private placement of common stock, research and development expenses will increase significantly during the remainder of 2006 and into 2007.

IntelGenx Corp. incurred interest expense of \$1,921 in 2004 compared to \$5,946 in 2005. Management believes that interest expense will increase in 2006 compared to 2005 due to an increase in long-term debt related to the purchase of equipment.

IntelGenx Corp. recorded a loss of \$125,520 in 2005 compared to earnings of \$99,006 in 2004. Management believes that we will continue to operate at a net loss until such time as we can complete our business development efforts and begin to realize increased sales.

Liquidity and Capital Resources

At December 31, 2005, IntelGenx Corp. had cash on hand of \$10,938, compared to \$6,481 at December 31, 2004. IntelGenx Corp. also had accounts receivable of \$5,858 at December 31, 2005 compared to \$18,159 at December 31, 2004 and income taxes recoverable of \$9,400 at December 31, 2005 compared to zero at December 31, 2004. IntelGenx Corp. also had investment tax credits receivable of \$69,576 at December 31, 2005 compared to \$51,704 at December 31, 2004.

At December 31, 2005, IntelGenx Corp. had accounts payable and accrued liabilities of \$67,322 compared to \$53,432 at December 31, 2004. Of these liabilities, approximately \$31,600 (2004 - \$45,000) was payable to shareholders. IntelGenx Corp. had income taxes payable of zero at December 31, 2005 compared to \$10,124 at December 31, 2004. At December 31, 2005, IntelGenx recorded a current liability of \$14,000 (2004 - zero) which was the current portion of the long term debt.

Management believes that current cash on hand, when combined with the proceeds of private placement completed at the closing of the Share Exchange Agreement, will be sufficient to satisfy our cash requirements for the next 12 - 18 months, which we estimate to be approximately \$900,000. However, if cash is needed during the next 12 months, it may be necessary to seek additional funds, either by private or public sources and/or the sale of securities. Presently, there are no firm plans as to the source of any future funding and there is no assurance that such funds will be available or, that even if they are available, they will be available on terms that will be acceptable to us.

At December 31, 2005, IntelGenx Corp. had total assets of \$199,134 and stockholders deficiency of \$31,827, compared to total assets of \$200,774 and stockholders equity of \$95,361.

Net Operating Loss

IntelGenx Corp. has accumulated approximately \$100,000 of Canadian and provincial income tax losses as of December 31, 2005, which may be carried forward and offset against taxable income and income taxes in future years. The use of these losses to reduce future income taxes will depend on the generation of sufficient taxable income prior to the expiration of the net operating loss carryforwards after the year 2015. In the event of certain changes in control, there will be an annual limitation on the amount of net operating loss carryforwards which can be used. No tax benefit has been reported in the financial statements for the year ended December 31, 2005 because there is a 50% or greater chance that the carryforward will not be used. Accordingly, the potential tax benefit of the loss carryforward is offset by a valuation allowance of the same amount.

Plan of Operation

Management expects that the net proceeds from the private placement completed at the closing of the Share Exchange Agreement will be sufficient to fund the operations of the Company for the next 12 to 18 months. Although the Company does not anticipate requiring to raise additional funds at this time, the Company may decide to raise funds through further private placements of Big Flash common stock depending on changes in market conditions and business opportunities.

i. IntelGenx will continue to develop the products mentioned in the Product Portfolio section on page 7 of this Form 8-K. IntelGenx may also perform research and development on other potential products as the opportunities present themselves. IntelGenx will continue working on several 505(b)(2) opportunities using its Tri-Layer and Quick Release Wafer platform technologies.

In the future, in order to increase revenue, IntelGenx plans to take selected high-potential candidates through the development process itself and then sign distribution agreements with pharmaceutical partners. This strategy is aimed at achieving higher down payments and larger royalty payments on sales. The Company does not plan to acquire a facility for manufacturing purposes. The Company purchases various pieces of equipment from time to time as needed.

The Company intends to hire new personnel mostly for research and development on a progressive basis as the Company enters into additional partnership agreements with pharmaceutical partners and increases its research and development activities.

Inflation

In the opinion of management, inflation has not and will not have a material effect on our operations in the immediate future. Management will continue to monitor inflation and evaluate the possible future effects of inflation on our business and operations.

MARKET PRICE OF AND DIVIDENDS ON OUR COMMON EQUITY AND OTHER STOCKHOLDER MATTERS

There is not currently, nor has there ever been, a public trading market for our common stock. We have made an initial application to the NASD to have our shares quoted on the OTC Bulletin Board. Our application consists of current corporate information, financial statements and other documents as required by Rule 15c2-11 of the Securities Exchange Act of 1934.

Inclusion on the OTC Bulletin Board permits price quotations for our shares to be published by such service. Although we have submitted an application to the OTC Bulletin Board, we do not anticipate a public trading market in our shares in the immediate future. Any secondary trading of our shares may be subject to certain state imposed restrictions. We do not have any plans, proposals, arrangements or understandings with any person concerning the further development of a trading market in any of our securities.

The ability of individual stockholders to trade their shares in a particular state may be subject to various rules and regulations of that state. A number of states require that an issuer's securities be registered in their state or appropriately exempted from registration before the securities are permitted to trade in that state. Presently, we have no plans to register our securities in any particular state. Further, our shares most likely will be subject to the provisions of Section 15(g) and Rule 15g-9 of the Exchange Act, commonly referred to as the "penny stock" rule. Section 15(g) sets forth certain requirements for transactions in penny stocks and Rule 15g-9(d)(1) incorporates the definition of penny stock as that used in Rule 3a51-1 of the Exchange Act.

The SEC generally defines penny stock to be any equity security that has a market price less than \$5.00 per share, subject to certain exceptions. Rule 3a51-1 provides that any equity security is considered to be a penny stock unless that security is: registered and traded on a national securities exchange meeting specified criteria set by the SEC; authorized for quotation on The NASDAQ Stock Market; issued by a registered investment company; excluded from the definition on the basis of price (at least \$5.00 per share) or the issuer's net tangible assets; or exempted from the definition by the SEC. Broker-dealers who sell penny stocks to persons other than established customers and accredited investors (generally persons with assets in excess of \$1,000,000 or annual income exceeding \$200,000, or \$300,000 together with their spouse), are subject to additional sales practice requirements.

For transactions covered by these rules, broker-dealers must make a special suitability determination for the purchase of such securities and must have received the purchaser's written consent to the transaction prior to the purchase. Additionally, for any transaction involving a penny stock, unless exempt, the rules require the delivery, prior to the first transaction, of a risk disclosure document relating to the penny stock market. A broker-dealer also must disclose the commissions payable to both the broker-dealer and the registered representative, and current quotations for the securities. Finally, monthly statements must be sent to clients disclosing recent price information for the penny stocks held in the account and information on the limited market in penny stocks.

Consequently, these rules may restrict the ability of broker-dealers to trade and/or maintain a market in our common stock and may affect the ability of stockholders to sell their shares.

Presently, there are approximately 72 holders, of record of our common stock. We have designated Interstate Transfer Company, 6084 South 900 East, Suite 101, Salt Lake City, Utah 84121, as our transfer agent.

Dividend Policy

We have not declared or paid cash dividends or made distributions in the past on our common stock, and we do not anticipate that we will pay cash dividends or make distributions in the foreseeable future. We currently intend to retain and invest future earnings to finance operations.

Recent Sales of Unregistered Securities

In connection with the acquisition of IntelGenx Corp., we issued a total of 10,991,000 to Equity Transfer Services Inc. and an additional 3,191,489 shares of common stock and warrants entitling the holder to purchase 100,000 shares of our common stock at \$0.41 per share prior on or before April 28, 2008. Additionally, we issued 325,000 shares of our common stock to Patrick J. Caruso pursuant to the Caruso Consulting Agreement as a non-refundable retainer, and in full payment of investor relations services to be rendered by Mr. Caruso under the agreement.

The issuance of shares of our common stock and warrants to acquire shares of our common stock pursuant to the terms of the IntelGenx Acquisition were made outside the United States only without registration under the Securities Act by reason of the exemption afforded by Regulation S / Sections 4(2) of the Securities Act and/or Rule 506 promulgated thereunder. The shares and warrants and the shares issuable upon exercise of the warrants are deemed restricted securities as defined by Rule 144 under the Securities Act and, accordingly, the common stock and warrants are subject to restrictions on transfer and may be sold, assigned, transferred or otherwise disposed of by a holder only if subsequently registered or if federal and other exemptions from registration are available and an opinion of legal counsel to that effect is obtained.

We have entered into a registration rights agreement pursuant to which we shall, within 90 days, file a registration statement under the Securities Act for the public sale or resale of shares of our common stock. Purchasers of shares will have the limited right to include, or "piggyback" their common shares in the registration statement. However, any investment banker and/or underwriter that we may engage in connection with the registration statement and public offering may, in its discretion, severely restrict or completely negate the ability of purchasers hereunder to include their shares in any such registration statement and public offering. Thus, the right to piggyback shares into a registration statement will be subject to and contingent upon approval by such investment banker and/or underwriter.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Our Bylaws provide that we shall indemnify all directors, officers and other persons to the fullest extent permitted by the General Corporation Law of Delaware. Under the indemnification provisions of our Bylaws, any director or officer who, in that person's capacity as such, is made or threatened to be made a party to any suit or proceeding, may be indemnified if the Board of Directors determines the director or officer acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation. Our Bylaws, and the Delaware General Corporation Law further provide that indemnification is not exclusive of any other rights to which individuals may be entitled under our Charter, Bylaws, any agreement, any vote of stockholders or disinterested directors, or otherwise.

We also have the power to purchase and maintain insurance on behalf of any person who is or was our director, officer, employee, or agent, or is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, or other enterprise. Any such insurance may insure against any expense, liability, or loss incurred by any of the aforementioned persons in any capacity or arising out of their status as a director, officer, employee or agent, whether or not we would have the power to indemnify the person against liability under Delaware law. Presently, we have not acquired such insurance.

Caruso pursuant to the Caruso Consulting Agreement. Item 5.06 Change in Shell Company Status

On April 28, 2006, we directly and indirectly through our Canadian holding corporation, completed the acquisition of 100% of the issued and outstanding shares and warrants of IntelGenx Corp. ("IntelGenx"), a Canadian corporation based in the Province of Quebec, Canada. Following completion of the acquisition, IntelGenx will continue its operations as a controlled subsidiary of Big Flash (the "IntelGenx Acquisition").

We acquired the shares of IntelGenx held by its principal shareholders pursuant to a share exchange agreement dated April 10, 2006 which we entered into with IntelGenx and the principals of IntelGenx. We also acquired 100,000 common share purchase warrants of IntelGenx pursuant to a securities purchase agreement which we entered into with Patrick J. Caruso, in exchange for 100,000 common share purchase warrants of Big Flash. We also acquired 3,191,489 common shares of IntelGenx from 34 investors. These investors had subscribed for and purchased their IntelGenx shares pursuant to subscription agreements entered into and accepted by IntelGenx on April 28, 2006 and letters of transmittal and acceptance and powers of attorney executed by the investors.

Costs and Expenses

IntelGenx has agreed to pay all legal and other expenses associated with the preparation and execution of the transaction documents and related agreements and documents contemplated thereby and the completion of the transactions contemplated by the Share Exchange Agreement and the agreements and instruments referenced in that agreement. ("Big Flash")

-and-

INTELGENX CORP.,

a corporation incorporated pursuant to the federal laws of Canada with its principal office at 6425 Abrams Street, Saint-Laurent, Quebec H4S 1X9

(the "Company")

WHEREAS the Vendors are the registered holders and beneficial owners of an aggregate of 10,991,000 common shares in the capital of the Company as set out in Schedule "B" hereto (the "Purchased Shares");

WHEREAS Exchangeco is a wholly-owned subsidiary of Big Flash;

AND WHEREAS the Vendors have agreed to sell and Exchangeco has agreed to purchase all of the Purchased Shares on the terms and conditions set out in this Agreement;

NOW THEREFORE THIS AGREEMENT WITNESSES THAT, in consideration of the premises, covenants, terms, conditions representations and warranties hereinafter set forth, the Parties agree each with the other as follows:

ARTICLE 1 - PURCHASE AND SALE OF SHARES

1.1 Purchase and Sale. Subject to the conditions and upon the terms hereinafter set forth, Exchangeco agrees to purchase and the Vendors agree to sell to Exchangeco all of their right, title and interest in and to the Purchased Shares.

1.2 Purchase Price. The purchase price for the Purchased Shares shall consist of an aggregate of 10,991,000 Exchangeable Shares to be issued to the Vendors as

set out in Schedule "B" hereto. At Closing, Exchangeco will deliver to the Vendors certificates representing the Exchangeable Shares, all such Exchangeable Shares to be issued as fully paid and non-assessable, and registered in the names of the Vendors and in the denominations set forth in Schedule "B" hereto. At the Closing, Big Flash will issue the Big Flash Shares to the Trustee as security for Big Flash's covenants under the provisions of the Exchangeable Shares, including without limitation section 8 thereof, in accordance with the terms of the Exchange and Voting Trust Agreement.

1.3 Support Agreement, Exchange and Voting Trust Agreement and Escrow Agreement. On or before Closing: (a) Big Flash, Exchangeco and the Trustee shall enter into the Support Agreement in the form attached hereto as Schedule "E" and the Exchange and Voting Trust Agreement, in the form attached hereto as Schedule "G"; and (b) Big Flash, Exchangeco, the Vendors and the Escrow Agent shall enter into the Escrow Agreement, in the form attached hereto as Schedule "F". Such Support Agreement and Exchange and Voting Trust Agreement are incorporated herein by reference thereto and the Vendors, jointly and severally, shall each have all rights and remedies of enforcement of the Support Agreement and the Exchange and Voting Trust Agreement as contemplated in each such agreement.

1.4 Accounting Consequences. It is intended by the parties hereto that the purchase and sale of the Purchased Shares under this Agreement shall qualify for accounting treatment as a recapitalization under U.S. generally-accepted accounting principles.

1.5 Tax Treatment.

(a) It is intended that the transactions contemplated in this Agreement shall generally constitute (i) a taxable exchange for United States federal income tax purposes (not qualifying under Sections 368 or 351 of the United States Internal Revenue Code of 1986, as amended) to persons who are otherwise subject to taxation in the United States on the sale or exchange of Purchased Shares, and (ii) a tax deferred reorganization for Canadian federal income tax purposes for the Vendors. At the option of each Vendor, Exchangeco covenants and agrees to elect, jointly with each such Vendor if applicable (referred to in this section as an "Electing Vendor"), in accordance with the provisions of subsection 85(1) of the Tax Act (and the corresponding provisions of any applicable provincial tax legislation) in the prescribed form and within the prescribed time for the purposes of the Tax Act, and shall therein agree to elect in respect of the Purchased Shares of the Electing Vendor such amount as the Electing Vendor's proceeds of disposition thereof as the Electing Vendor may determine, subject to the provisions of subsection 85(1) of the Tax Act (and the corresponding provisions of any applicable provincial tax legislation). Each of the Electing Vendors and Exchangeco agree to execute all such documents and forms to make the election contemplated in this section.

(b) Horst Zerbe and Ingrid Zerbe, with their professional advisors, have made a bona fide determination that the Purchased Shares are "qualified small business corporation shares" as defined in subsection 110.6(1) of the Tax Act as of the date hereof. Based on such determination, it is the desire and intention of Horst Zerbe and Ingrid Zerbe and Exchangeco that the "agreed amount" for the transfer of their respective Purchased Shares (the "Vendor's Shares") be the lesser of the fair market value of the Vendor's Shares and the aggregate of the Vendor's adjusted cost base thereof plus an amount equal to the Vendor's unused capital gain deduction as provided in subsection 110.6(2.1) of the Tax Act. However, it is agreed between each of Horst Zerbe and Ingrid Zerbe and Exchangeco that should any competent taxing authority at any time issue or propose to issue any assessment or assessments that would impose any liability for tax (other than the alternative minimum tax provided for in section 127.5 of the Tax Act) on the basis that a Vendor's Shares are not "qualified small business

corporation shares", or that the capital gain of a Vendor resulting from the within transaction is not otherwise eligible for the exemption pursuant to subsection 110.6(2.1) of the Tax Act (or the corresponding provision of any applicable provincial tax legislation) and if all appeals requested by a Vendor have been exhausted, then the "agreed amount" shall be adjusted nunc pro tunc pursuant to the provisions of this paragraph to be such amount as will eliminate such liability for tax (except for the alternative minimum tax as provided for section 127.5 of the Tax Act) and the Vendors and Exchangeco shall do all things necessary to reflect such change, including filing amended elections, provided that such adjustment shall not result in any additional Exchangeable Shares being issued to the Vendors.

1.6 Securities Law Exemptions and Resale Restrictions. The sale of the Purchased Shares and the issuance of the Exchangeable Shares to the Vendors shall be made in reliance on an exemption from the registration and prospectus filing requirements contained in section 2.16 of National Instrument 45-106 Prospectus and Registration Exemptions ("NI 45-106"). The issuance or transfer of the Big Flash Shares to the Vendors on the exchange of their Exchangeable Shares shall be made in reliance on section 2.16 of NI 45-106 and the exemption from the registration requirement of U.S. Securities Law contained in Regulation S promulgated under the U.S. Securities Act of 1933, as amended. The Vendors hereby acknowledge that as a result:

holders of Parent Common Shares) to each Shareholder at its address as shown on the books of the Purchaser. The Purchaser shall provide or cause to be provided to the Parent for this purpose, on a timely basis and without charge or other expense a current List of the Shareholders.

3.12 TERMINATION OF VOTING RIGHTS

All of the rights of a Shareholder with respect to the Shareholder Votes exercisable in respect of each Exchangeable Share held by such Shareholder shall be deemed to be surrendered by the Shareholder to the Parent and such Shareholder Votes and the Voting Rights represented thereby shall cease immediately upon the delivery by such holder to the Trustee of the certificates representing such Exchangeable Shares in connection with the exercise by the Shareholder of the Insolvency Exchange Right or the occurrence of the automatic exchange of Exchangeable Shares for Parent Common Shares, as specified in Article 4 (unless and until, in either case, the Trustee shall not have transferred and delivered to the Shareholder the requisite Parent Common Shares required to be transferred and delivered by the Trustee to the Shareholder), or upon the retraction or redemption of Exchangeable Shares pursuant to Article 6 or 7 of the Exchangeable Share Provisions, or upon the effective date of the liquidation, dissolution or winding-up of the Purchaser pursuant to Article 5 of the Exchangeable Share Provisions, or upon the purchase of Exchangeable Shares from the holder thereof by Parent pursuant to the exercise by Parent of the Retraction Call Right, the Redemption Call Right or the Liquidation Call Right.

ARTICLE 4 EXCHANGE RIGHT AND AUTOMATIC EXCHANGE

4.1 GRANT AND OWNERSHIP OF THE EXCHANGE RIGHT

The Parent hereby grants to the Trustee as trustee for and on behalf of, and for the use and benefit of, the Shareholders the right (the "Insolvency Exchange Right"), upon the occurrence and during the continuance of an Insolvency Event, to require the Parent to purchase from each or any Shareholder all or any part of the Exchangeable Shares held by the Shareholder and the Automatic Exchange Rights all in accordance with the provisions of this Agreement. The Parent hereby acknowledges receipt from the Trustee, as trustee for and on behalf of the Shareholders, of good and valuable consideration (and the adequacy thereof) for the grant of the Insolvency Exchange Right, and the Automatic Exchange Rights, by the Parent to the Trustee. During the term of the Trust and subject to the terms and conditions of this Agreement, the Trustee shall possess and be vested with full legal ownership of the Insolvency Exchange Right and the Automatic Exchange Rights and shall be entitled to exercise all of the rights and powers of an owner with respect to the Insolvency Exchange Right and the Automatic Exchange Rights, provided that the Trustee shall:

- (a) hold the Insolvency Exchange Right and the Automatic Exchange Rights and the legal title thereto as trustee solely for the use and benefit of the Shareholders in accordance with the provisions of this Agreement; and
- (b) except as specifically authorized by this Agreement, have no power or authority to exercise or otherwise deal in or with the Insolvency Exchange Right or the Automatic Exchange Rights, and the Trustee shall not exercise any such rights for any purpose

other than the purposes for which the Trust is created pursuant to this Agreement, and shall not assign or transfer such rights except to a successor trustee hereunder.

The Insolvency Exchange Right and the Automatic Exchange Rights shall be and remain vested in and exercisable by the Trustee. Subject to section 7.14, the Trustee shall exercise the Insolvency Exchange Right only on the basis of instructions received pursuant to this Article 4 from Shareholders entitled to instruct the Trustee as to the exercise thereof. To the extent that no instructions are received from a Shareholder with respect to the Insolvency Exchange Right, the Trustee shall not exercise or permit the exercise of the Insolvency Exchange Right.

4.2 LEGENDED SHARE CERTIFICATES

The Purchaser will cause each certificate representing Exchangeable Shares to bear an appropriate legend notifying the Shareholders of:

- (a) their right to instruct the Trustee with respect to the exercise of the Insolvency Exchange Right in respect of the Exchangeable Shares held by a Shareholder; and
- (b) the Automatic Exchange Rights.

4.3 PURCHASE PRICE

The purchase price payable by the Parent for each Exchangeable Share to be purchased by the Parent under the Insolvency Exchange Right shall be an amount per share equal to: (i) the Current Market Price of a Parent Common Share on the last Business Day prior to the day of closing of the purchase and sale of such Exchangeable Share under the Insolvency Exchange Right plus; (ii) an additional amount equivalent to the full amount of all dividends declared and unpaid on each such Exchangeable Share and all dividends declared on Parent Common Shares which have not been declared on such Exchangeable Shares in accordance with Article 3 of the Exchangeable Share Provisions (provided that if the record date for any such declared and unpaid dividends occurs on or after the day of closing of such purchase and sale the purchase price shall not include such additional amount equivalent to such declared and unpaid dividends). In connection with each exercise of the Insolvency Exchange Right, the Parent will provide to the Trustee, as trustee for and on behalf of the Shareholders, an Officer's Certificate setting forth the calculation of the purchase price for each Exchangeable Share. The purchase price for each such Exchangeable Share so purchased may be satisfied by (i) the Parent issuing and delivering to the Trustee for delivery by the Trustee to the Shareholders, one Parent Common and a cheque for the balance, if any, of the purchase price without interest; or (ii) the Parent instructing and directing the Trustee to transfer and deliver from the Trust Shares to the relevant Shareholder, one Parent Common Share and a cheque for the balance, if any, of the purchase price without interest.

4.4 EXERCISE INSTRUCTIONS

Subject to the terms and conditions set forth herein, a Shareholder shall be entitled, upon the occurrence and during the continuance of an Insolvency Event, to instruct the Trustee to exercise the Insolvency Exchange Right with respect to all or any part of the Exchangeable Shares registered in the name of such Shareholder on the books of the Purchaser. To cause the exercise of the

Insolvency Exchange Right by the Trustee, the Shareholder shall deliver to the Trustee, in person or by certified or registered mail the certificates representing the Exchangeable Shares which such Shareholder desires the Parent to purchase, duly endorsed in blank for transfer, and accompanied by such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the laws applicable to the Purchaser and the articles and by-laws of the Purchaser and such additional documents and instruments as the Trustee may reasonably require together with: (a) a duly completed form of notice of exercise of the Insolvency Exchange Right, contained on the reverse of or attached to the Exchangeable Share certificates, stating: (i) that the Shareholder thereby instructs the Trustee to exercise the Insolvency Exchange Right so as to require the Parent to purchase from the Shareholder the number of Exchangeable Shares specified therein; (ii) that such Shareholder has good title to and owns all such Exchangeable Shares to be acquired by Parent free and clear of all liens, claims and encumbrances; (iii) the name in which the certificates representing Parent Common Shares to be issued or transferred in connection with the exercise of the Insolvency Exchange Right are to be issued; and (iv) the names and addresses of the persons to whom such new certificates should be delivered, and (b) payment (or evidence satisfactory to the Trustee, the Purchaser and the Parent of payment) of the taxes (if any) payable as contemplated by section 4.7 of this Agreement. If only a part of the Exchangeable Shares represented by any certificate or certificates delivered to the Trustee are to be purchased by the Parent under the Insolvency Exchange Right, a new certificate for the balance of such Exchangeable Shares shall be issued to the Shareholder at the expense of the Purchaser.

4.5 DELIVERY OF PARENT COMMON SHARES; EFFECT OF EXERCISE

Promptly, and as soon as reasonably practicable after receipt of the certificates representing the Exchangeable Shares which the Shareholder desires the Parent to purchase under the Insolvency Exchange Right, together with such documents and instruments of transfer and a duly completed form of notice of exercise of the Insolvency Exchange Right (and payment of taxes as contemplated by section 4.7 of this Agreement, if any, or evidence thereof), duly endorsed for transfer to the Parent, Trustee shall notify Parent and Purchaser of its receipt of the same, which notice to Parent and Purchaser shall constitute exercise of the Insolvency Exchange Right by the Trustee on behalf of the holder of such Exchangeable Shares, and the Parent shall immediately thereafter upon receipt of such notice deliver or cause to be delivered to the Shareholder of such Exchangeable Shares (or to such other persons, if any, properly designated by such Shareholder), certificates representing the number of Parent Common Shares deliverable in connection with the exercise of the Insolvency Exchange Right, which shares shall be, or shall have been, duly issued as fully paid and non-assessable and shall be free and clear of any lien, claim or encumbrance, and cheques for the balance, if any, of the total purchase price therefor. The Parent may fulfill its obligation under the previous sentence by instructing the Trustee to transfer and deliver to the Shareholder a number of Trust Shares equal to the number of Exchangeable Shares which the Shareholder desires the Parent to purchase under the Insolvency Exchange Right. The Parent shall,

immediately upon receipt of such certificates representing the Exchangeable Shares from the Shareholder, deliver the certificates to the registered office of the Purchaser for cancellation. Immediately upon the giving of notice by the Trustee to the Parent and the Purchaser of the exercise of the Insolvency Exchange Right, as provided in this section 4.5, the closing of the transaction of purchase and sale contemplated by the Insolvency Exchange Right shall be deemed to have occurred, and the holder of such Exchangeable Shares shall be deemed to have transferred to the Parent its right, title and interest in and to such Exchangeable Shares and the related interest in the Trust Estate and shall cease to be a holder of such Exchangeable Shares and shall not be entitled to exercise any of the rights of a Shareholder in respect thereof, other than the right to receive the purchase price therefor, unless the requisite number of Parent Common Shares (together with a cheque for the balance, if any, of the total purchase price therefor) is not issued and delivered by the Parent to the Trustee and delivered by the Trustee to such Shareholder (or to such other persons, if any, properly designated by such Shareholder), or unless the Parent fails to deliver a written instruction to the Trustee to transfer a requisite number of Trust Shares to such Shareholder (or to such other persons, if any, properly designated by such Shareholder) or if the Parent delivered such written instruction to the Trustee, but the Trustee failed to transfer such requisite number of Trust Shares to such Shareholder, (or to such other persons, if any, properly designated by such Shareholder) within five (5) Business Days of the date of the giving of such notice by the Trustee, in which case the rights of the Shareholder shall remain unaffected until such Parent Common Shares are so issued and delivered by the Parent, or transferred and delivered by the Trustee, as the case may be, and any such cheque is so delivered and honoured. Concurrently with such Shareholder ceasing to be a Shareholder of Exchangeable Shares, the Shareholder shall be considered and deemed for all purposes to be the holder of Parent Common Shares delivered to it pursuant to the Insolvency Exchange Right.

4.6 EXERCISE OF INSOLVENCY EXCHANGE RIGHT SUBSEQUENT TO RETRACTION

In the event that a Shareholder has exercised its right under Article 6 of the Exchangeable Share Provisions to require the Purchaser to redeem any or all of the Exchangeable Shares held by the Shareholder (the "Retracted Shares") and is notified by the Purchaser pursuant to section 6.6 of the Exchangeable Share Provisions that the Purchaser will not be permitted as a result of solvency requirements of applicable law to redeem all such Retracted Shares, and provided that Parent shall not have exercised the Retraction Call Right with respect to the Retracted Shares and that the Shareholder has not revoked the retraction request delivered by the Shareholder to the Purchaser pursuant to section 6.1 of the Exchangeable Share Provisions, the retraction request will constitute and will be deemed to constitute notice from the Shareholder to the Trustee instructing the Trustee to exercise the Insolvency Exchange Right with respect to those Retracted Shares which the Purchaser is unable to redeem. In any such event, the Purchaser hereby agrees with the Trustee and in favour of the Shareholder promptly to forward or cause to be forwarded to the Trustee all relevant materials delivered by the Shareholder to the Purchaser (including without limitation a copy of the retraction request delivered pursuant to section 6.1 of the Exchangeable Share Provisions) in connection with such proposed redemption of the Retracted Shares and the Trustee will thereupon exercise the Insolvency Exchange Right with respect to the Retracted Shares that the Purchaser is not permitted to redeem and will require Parent to purchase such shares in accordance with the provisions of this Article 4.

4.7 STAMP OR OTHER TRANSFER TAXES

Upon any sale of Exchangeable Shares to the Parent pursuant to the Insolvency Exchange Right or the Automatic Exchange Rights, the share certificate or certificates representing Parent Common Shares to be delivered in connection with the payment of the total purchase price therefor shall be issued in the

name of, or transferred to, the Shareholder of the Exchangeable Shares so sold without charge to the Shareholder of the Exchangeable Shares so sold; provided, however that such Shareholder: (i) shall pay (and none of the Parent, the Purchaser nor the Trustee shall be required to pay) any documentary, stamp, transfer or other similar taxes that may be payable in respect of any transfer involved in the issuance or delivery of such shares to a person other than such Shareholder; or (ii) shall have established to the satisfaction of the Trustee, the Parent and the Purchaser that such taxes, if any, have been paid.

4.8 NOTICE OF INSOLVENCY EVENT

Immediately upon the occurrence of an Insolvency Event or any event which with the giving of notice or the passage of time or both would be an Insolvency Event, the Purchaser and the Parent shall give written notice thereof to the Trustee and the Shareholders, which notice shall contain a brief statement of the right of the Shareholders with respect to the Insolvency Exchange Right.

4.9 QUALIFICATION OF PARENT COMMON SHARES

(a) The Parent represents and warrants that it has taken all actions and done all things as are necessary under any United States or Canadian federal, provincial or state law or regulation or pursuant to the rules and regulations of any regulatory authority or the fulfilment of any other legal requirement (collectively, the "Applicable Laws") as they exist on the date hereof and will in good faith expeditiously take all such actions and do all such things as are necessary under Applicable Laws as they may exist in the future to cause the Parent Common Shares to be issued and delivered, or transferred and delivered, as the case may be, pursuant to the Exchangeable Share Provisions, the Insolvency Exchange Right or the Automatic Exchange Rights. If any Parent Common Shares (or other shares or securities into which Parent Common Shares may be reclassified or changed as contemplated by section 2.7 of the Support Agreement) to be issued and delivered, or transferred and delivered, as the case may be, hereunder require registration or qualification with or approval of or the filing of any document, including any prospectus or similar document or the taking of any proceeding with or the obtaining of any order, ruling or consent from any governmental or regulatory authority under any Applicable Laws or pursuant to the rules and regulations of any securities or other regulatory authority or the fulfillment of any other United States or Canadian legal requirement before such shares (or such other shares or securities) may be issued by Parent and delivered by Parent, or may be transferred and delivered by the Trustee at the direction of Parent, as the case may be, to the holder of surrendered Exchangeable Shares, Parent will in good faith expeditiously take all such actions and do all such things as are necessary or desirable to cause such Parent Common Shares (or such other shares or securities) to be and remain duly registered, qualified or approved under Applicable Laws. Parent will in good faith expeditiously take all such actions and do all such things as are reasonably necessary or desirable to cause all Parent Common Shares (or such other shares or securities) to be delivered hereunder to be listed, quoted or posted for trading on all stock exchanges and quotation systems on which outstanding Parent Common Shares (or such other shares or securities) have been listed by Parent and remain listed and are quoted or posted for trading at such time.

(b) The Parent represents and warrants to the Shareholders that the Parent has delivered to IntelGenx's legal counsel copies of all correspondence received by the Parent from the United States Securities and Exchange Commission from the date of incorporation of the Parent to the date of this agreement. The Parent acknowledges that this representation and warranty is also made for the benefit of IntelGenx, as a third party, that the shareholders shall hold in trust for IntelGenx the benefit of this representation and that IntelGenx shall have a direct cause of action against the Parent in respect of a breach of this representation.

4.10 RESERVATION OF PARENT COMMON SHARES

The Parent hereby represents, warrants and covenants that it has irrevocably reserved for issuance and will at all times keep available, free from pre-emptive and other rights, out of its authorized and unissued capital stock such number of Parent Common Shares: (a) as is equal to the sum of: (i) the number of Exchangeable Shares issued and outstanding from time to time; and (ii) the number of Exchangeable Shares issuable upon the exercise of all rights to acquire Exchangeable Shares outstanding from time to time; and (b) as are now and may hereafter be required to enable and permit the Purchaser and the Parent to meet their respective obligations hereunder, under the Support Agreement, under the Exchangeable Share Provisions and under any other security or commitment pursuant to which the Parent may now or hereafter be required to issue Parent Common Shares. To the extent permitted under Article 5 hereof, the Trust Shares may be used to satisfy the Parent's obligations under this section 4.10.

4.11 AUTOMATIC EXCHANGE ON LIQUIDATION OF THE PARENT

- (a) The Parent will give the Trustee and the Shareholders notice of each of the following events (each a "Liquidation Event") at the time set forth below:
 - (i) in the event of any determination by the board of directors of the Parent to institute voluntary liquidation, dissolution or winding-up proceedings with respect to the Parent or to effect any other distribution of assets of the Parent among its shareholders for the purpose of winding up its affairs, at least sixty (60) days prior to the proposed effective date of such liquidation, dissolution, winding-up or other distribution; and
 - (ii) immediately, upon the earlier of: (i) receipt by the Parent of notice of; and (ii) the Parent otherwise becoming aware of any threatened or instituted claim, suit, petition or other proceedings with respect to the involuntary liquidation, dissolution or winding-up of the Parent or to effect any other distribution of assets of the Parent among its shareholders for the purpose of winding up its affairs.
- (b) Such notice shall include a brief description of the automatic exchange of Exchangeable Shares for Parent Common Shares provided for in section 4.11(c).
- (c) In order that the Shareholders will be able to participate on a pro rata basis with the holders of Parent Common Shares in the distribution of assets of the Parent in connection with a Liquidation Event, on the fifth Business Day prior to the effective date of a Liquidation Event (the "Liquidation Event Effective Date") all of the then outstanding Exchangeable Shares shall be automatically exchanged for Parent Common Shares. To effect such automatic exchange, the Parent shall purchase each Exchangeable Share outstanding on the fifth Business Day prior to the Liquidation Event Effective Date and held by Shareholders, and each Shareholder shall sell the Exchangeable Shares held by it at such time, for a purchase price per share equal to: (a) the Current Market Price of one (1) Parent Common Share on the fifth Business Day prior to the Liquidation Event Effective Date, which

shall be satisfied in full by the Parent delivering or causing to be delivered to the Shareholder one Parent Common Share; plus (b) an additional amount equivalent to the full amount of all dividends declared and unpaid on each such Exchangeable Share and all dividends declared on Parent Common Shares which have not been declared on such Exchangeable Shares in accordance with Article 3 of the Exchangeable Share Provisions (provided that if the record date for any such declared and unpaid dividends occurs on or after the day of closing of such purchase and sale the purchase price shall not include such additional amount equivalent to such declared and unpaid dividends). In connection with such automatic exchange, the Parent will provide to the Trustee and the Shareholders an Officer's Certificate setting forth the calculation of the purchase price for each Exchangeable Share, together with a notice of the anticipated Liquidation Event Effective Date.

(d) On the fifth Business Day prior to the Liquidation Event Effective Date, the closing of the transaction of purchase and sale contemplated by the automatic exchange of Exchangeable Shares for Parent Common Shares shall be deemed to have occurred, and each Shareholder shall be deemed to have transferred to the Parent all of the Shareholder's right, title and interest in and to its Exchangeable Shares and the related interest in the Trust Estate and shall cease to be a Shareholder of such Exchangeable Shares and the Parent shall deliver or cause to be delivered to the Shareholder Parent Common Shares deliverable upon the automatic exchange of Exchangeable Shares for Parent Common Shares and shall deliver to the Shareholder a cheque for the balance, if any, of the total purchase price for such Exchangeable Shares. Concurrently with such Shareholder ceasing to be a Shareholder, the Shareholder shall be considered and deemed for all purposes to be the holder of Parent Common Shares issued or transferred to it pursuant to the automatic exchange of Exchangeable Shares for Parent Common Shares and the certificates held by the Shareholder previously representing the Exchangeable Shares exchanged by the Shareholder with the Parent pursuant to such automatic exchange shall thereafter be deemed to represent Parent Common Shares issued, or caused to be transferred, by the Parent to the Shareholder pursuant to such automatic exchange. Upon the request of a Shareholder and the surrender by the Shareholder of Exchangeable Share certificates deemed to represent Parent Common Shares, duly endorsed in blank and accompanied by such instruments of transfer as the Parent may reasonably require, the Parent shall deliver or cause to be delivered to the Shareholder certificates representing Parent Common Shares of which the Shareholder is the holder.

4.12 WITHHOLDING RIGHTS

The Parent and the Trustee shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any Shareholder such amounts as the Parent or the Trustee is required or permitted to deduct and withhold with respect to the making of such payment under the United States Internal Revenue Code of 1986 as amended (the "Code"), the Income Tax Act (Canada) or any provision of state, local, provincial or foreign tax law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Shareholder of the

shares in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing authority. To the extent that the amount so required or permitted to be deducted or withheld from any payment to a Shareholder exceeds the cash portion of the consideration otherwise payable to the Shareholder, the Parent or the Trustee is hereby authorized to sell or otherwise dispose of at fair market value such portion of the consideration as is necessary to provide sufficient funds to the Parent or the Trustee, as the case may be, in order to enable it to comply with such deduction or withholding requirement and shall account to the relevant Shareholder for any balance of such sale proceeds.

ARTICLE 5 DIVIDENDS

5.1 The holders of Exchangeable Shares will be entitled to participate in all dividends declared by the Purchaser, in accordance with the provisions of the Exchangeable Share Provisions and the Support Agreement.

5.2 The Trustee hereby expressly waives, for and on its own behalf and on behalf of all Shareholders, all rights to receive dividends of every nature as may be payable to it as holder of the Trust Shares, and the parties acknowledge that the Parent need not include the Trust Shares in its calculations for purposes of determining the payment of dividends, and need not pay or distribute any dividends (either in cash, shares or otherwise) to the Trustee as holder of the Trust Shares, provided however that such waiver may be rescinded by the Trustee upon receipt of notice from a Shareholder that the Purchaser has omitted to pay any dividends otherwise payable or that either the Parent or the Purchaser contests the right of the holders of Exchangeable Shares to receive dividends, or the right to receive dividends on the Exchangeable Shares that are otherwise in doubt whereupon the Parent will pay and the Trustee shall collect all dividends paid on the Trust Shares from time to time until the Trustee receives an Officer's Certificate from the Purchaser certifying that the Purchaser is in compliance with its obligations to pay dividends in accordance with the Exchangeable Share Provisions. Any dividends received by the Trustee on the Trust Shares shall be paid to the Shareholders in the same manner as dividends would have been paid by the Purchaser to the holders of Exchangeable Shares.

5.3 For clarity, the Voting Rights and exchange rights granted by the Parent hereunder to the Trustee, as trustee for and on behalf of, and for the use and benefit of, the Shareholders do not in any manner confer any additional rights to the Trustee or the Shareholders, including, but subject to the provisions of the Support Agreement, any rights to receive or participate in dividends declared or paid by the Parent.

ARTICLE 6 SUPPORT PROVISIONS

6.1 USE OF TRUST SHARES IN CONNECTION WITH SUPPORT AGREEMENT

Pursuant to section 2.3 of the Support Agreement, the Trust Shares provide additional security for the Parent's and the Purchaser's obligations under the Purchase Agreement, the Exchangeable Share Provisions and the Support Agreement.

In the event that the Purchaser and the Parent both default on their obligations to acquire the Exchangeable Shares pursuant to the Exchangeable Share Provisions, the Support Agreement, or Article 4 of this Agreement, a Shareholder may provide written notice to the Parent, the Purchaser and the Trustee of such default. If such default is not cured within ten (10) Business Days, the Shareholder may provide written notice to the Trustee of such failure to cure. The Trustee shall then use the Trust Shares to satisfy the Parent's obligation to acquire the Exchangeable Shares as if the Parent had instructed the Trustee to use the Trust Shares for such purpose pursuant to section 4.5 hereof. The Exchangeable Shares acquired by the Trustee in such transaction shall be delivered to the Parent. In the event that the Trustee uses the Trust Shares to so acquire Exchangeable Shares, and if the Parent is obligated to pay any declared but unpaid dividends (or dividends declared on Parent Common Shares which have not been declared on such Exchangeable Shares in accordance with Article 3 of the Exchangeable Share Provisions), the Parent shall remain obligated to pay such amount to the Shareholder.

6.2 APPLICATION OF TRUST SHARES

At such time as either the Purchaser or the Parent acquires Exchangeable Shares from a Shareholder, it shall provide the Trustee with an Officer's Certificate specifying: (i) the former Shareholder; (ii) the number of Exchangeable Shares acquired; (iii) the form of the acquisition, designated by the provision of the applicable agreement (Exchangeable Share Provisions, Support Agreement or this Agreement); and (iv) the date of such acquisition. If such certification is made, the Trustee shall deliver to the Parent a number of Trust Shares equal to the number of Exchangeable Shares so acquired by the Parent (or, if so requested by the Parent, deliver such Parent Common Shares to the former Shareholder on behalf of the Parent).

ARTICLE 7 CONCERNING THE TRUSTEE

7.1 POWERS AND DUTIES OF THE TRUSTEE

The rights, powers and authorities of the Trustee under this Agreement, in its capacity as trustee of the Trust, shall include:

- (a) receipt and deposit of the Trust Shares from the Parent as trustee for and on behalf of the Shareholders in accordance with the provisions of this Agreement;
- (b) granting proxies and distributing materials to Shareholders as provided in this Agreement;
- (c) voting the Shareholder Votes in accordance with the provisions of this Agreement;
- (d) receiving the grant of the Insolvency Exchange Right and the Automatic Exchange Rights from the Parent as Trustee for and on behalf of the Shareholders in accordance with the provisions of this Agreement;

- (e) exercising the Insolvency Exchange Right and enforcing the benefit of the Automatic Exchange Rights, in each case in accordance with the provisions of this Agreement, and in connection therewith receiving from the Shareholders Exchangeable Shares and other requisite documents and delivering to such Shareholders Parent Common Shares and cheques, if any, to which such Shareholders are entitled upon the exercise of the Insolvency Exchange Right or pursuant to the Automatic Exchange Rights, as the case may be;
- (f) holding title to the Trust Estate;
- (g) investing any moneys forming, from time to time, a part of the Trust Estate as provided in this Agreement;
- (h) taking action on its own initiative or at the direction of a Shareholder or Shareholders to enforce the obligations of the Parent and the Purchaser under this Agreement; and
- (i) taking such other actions and doing such other things as are specifically provided in this Agreement.

In the exercise of such rights, powers and authorities the Trustee shall have (and is granted) such incidental and additional rights, powers and authority not in conflict with any of the provisions of this Agreement as the Trustee, acting in good faith and in the reasonable exercise of its discretion, may deem necessary or appropriate to effect the purpose of the Trust. Any exercise of such discretionary rights, powers and authorities by the Trustee shall be final, conclusive and binding upon all persons. Notwithstanding anything to the contrary herein, the Trustee shall have no obligation to exercise any discretion in the performance of its obligations hereunder and shall only be required to act upon the express written instructions of the Parent, the Purchaser or the Shareholders. For greater certainty, the Trustee shall have only those duties as are set out specifically in this Agreement.

The Trustee in exercising its rights, powers, duties and authorities hereunder shall act honestly and in good faith and with a view to the best interests of the Shareholders and shall exercise the care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances. The Trustee shall not be required to take any notice of, or to do or to take any act, action or proceeding as a result of any default or breach of any provision hereunder, unless and until notified in writing of such default or breach, which notice shall distinctly specify the default or breach desired to be brought to the attention of the Trustee and, in the absence of such notice, the Trustee may for all purposes of this Agreement conclusively assume that no default or breach has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained herein.

7.2 NO CONFLICT OF INTEREST

The Trustee represents to the Purchaser and the Parent that at the date of execution and delivery of this Agreement there exists no material conflict of interest in the role of the Trustee as a fiduciary hereunder and the role of the Trustee in any other capacity. The Trustee shall, within ninety (90) days after it becomes aware that such a material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Article 9.

7.3 DEALINGS WITH THIRD PARTIES

The Purchaser and the Parent irrevocably authorize the Trustee, from time to time, to: (a) consult, communicate and otherwise deal with any respective registrars, transfer agents, payment agents or any other person or entity appointed from time to time by the Parent or the Purchaser in connection with any matter relating to the Exchangeable Shares and Parent Common Shares; and

(b) requisition, from time to time: (i) from any such registrar, transfer agent, payment agent or other person or entity, appointed from time to time by the Parent or the Purchaser, as applicable, any information readily available from the records maintained by it which the Trustee may reasonably require for the discharge of its duties and responsibilities under this Agreement; and (ii) from the Parent or the transfer agent of Parent Common Shares, and any subsequent transfer agent of such shares, the share certificates issuable upon the exercise from time to time of the Insolvency Exchange Right and pursuant to the Automatic Exchange Rights in the manner specified in Article 4 hereof. The Purchaser and the Parent irrevocably authorize their respective registrars, transfer agents and payment agents, or any other authorized agent appointed from time to time by the Parent or the Purchaser to comply with all such requests.

7.4 BOOKS AND RECORDS

The Trustee shall keep available for inspection, during normal business hours, by the Parent and the Purchaser, at the Trustee's principal office in Toronto, correct and complete books and records of account relating to the Trustee's actions under this Agreement, including without limitation all information relating to mailings and instructions to and from Shareholders and all transactions pursuant to the Insolvency Exchange Right and the Automatic Exchange Rights.

7.5 INCOME TAX RETURNS AND REPORTS

The Trustee will allocate and distribute all income and losses of the Trust to the Shareholders in each year such that the Trust is not in a position to pay any tax. Shareholders will be individually and personally responsible for all income and losses incurred by the Trust. In this regard, the Parent will retain tax counsel on behalf of the Trust, and agrees to prepare and distribute to each Shareholder all necessary tax forms for them to complete their United States and Canadian tax returns. The Shareholders may obtain the advice and assistance of such experts as they may consider necessary or advisable.

7.6 INDEMNIFICATION PRIOR TO CERTAIN ACTIONS BY TRUSTEE

The Trustee shall exercise any or all of the rights, duties, powers or authorities vested in it by this Agreement at the request, order or direction of any Shareholder upon such Shareholder furnishing to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be

incurred by the Trustee therein or thereby, provided that no Shareholder shall be obligated to furnish to the Trustee any such security or indemnity in connection with the exercise by the Trustee of any of its rights, duties, powers and authorities with respect to the voting of the Trust Shares pursuant to Article 3 and with respect to the Insolvency Exchange Right and Automatic Exchange Rights pursuant to Article 4.

The Trustee shall not be required to expend any of its own funds or otherwise incur any financial liability in the exercise of any of its rights, powers, duties or authorities, but instead shall be entitled to be fully funded, given security and indemnity in advance as aforesaid.

7.7 ACTIONS BY SHAREHOLDERS

Shareholders shall be entitled to take proceedings in any court of competent jurisdiction to enforce any of their rights hereunder as against the Purchaser and the Parent.

7.8 RELIANCE UPON DECLARATIONS

The Trustee shall not be considered to be in contravention of any of its rights, powers, duties and authorities hereunder if, when required, it acts and relies in good faith upon statutory declarations, certificates, opinions, reports or other papers or documents furnished pursuant to the provisions hereof or required by the Trustee to be furnished to it in the exercise of its rights, powers, duties and authorities hereunder if such statutory declarations, certificates, opinions or reports comply with the provisions of section 7.9, if applicable, and with any other applicable provisions of this Agreement.

7.9 EVIDENCE AND AUTHORITY TO TRUSTEE

The Purchaser and/or the Parent shall furnish to the Trustee evidence of compliance with the conditions provided for in this Agreement relating to any action or step required or permitted to be taken by the Purchaser and/or the Parent or the Trustee under this Agreement or as a result of any obligation imposed under this Agreement including, without limitation, in respect of the Voting Rights, Insolvency Exchange Right or the Automatic Exchange Rights and the taking of any other action to be taken by the Trustee at the request of or on the application of the Purchaser and/or the Parent forthwith if and when:

(a) such evidence is required by any other section of this Agreement to be furnished to the Trustee in accordance with the terms of this section 7.9; or

(b) the Trustee, in the exercise of its rights, powers, duties and authorities under this Agreement, gives the Purchaser and/or the Parent written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice.

Such evidence shall consist of an Officer's Certificate of the Purchaser and/or the Parent, a statutory declaration or a certificate made by persons entitled to sign an Officer's Certificate stating that any such condition has been complied with in accordance with the terms of this Agreement.

Whenever such evidence relates to a matter other than the Voting Rights, the Insolvency Exchange Right or the Automatic Exchange Rights or the taking of any other action to be taken by the Trustee at the request or on the application of the Parent and/or the Purchaser, and except as otherwise specifically provided herein, such evidence may consist of a report or opinion of any solicitor, auditor, accountant, appraiser, valuer, engineer or other expert or any other person whose qualifications give authority to a statement made by him, provided that if such report or opinion is furnished by a director, officer or employee of the Purchaser and/or the Parent shall be in the form of an Officer's Certificate or a statutory declaration.

Each statutory declaration, Officer's Certificate, opinion, report or other paper or document furnished to the Trustee as evidence of compliance with a condition provided for in this Agreement shall include a statement by the person giving the evidence:

If conflicting claims or demands are made or asserted with respect to any interest of any Shareholder in any Exchangeable Shares, including any disagreement between the heirs, representatives, successors or assigns succeeding to all or any part of the interest of any Shareholder in any Exchangeable Shares resulting in conflicting claims or demands being made in connection with such interest, then the Trustee shall be entitled, at its sole discretion, to refuse to recognize or to comply with any such claim or demand. In so refusing, the Trustee may elect not to exercise any Voting Rights, Insolvency Exchange Right or Automatic Exchange Rights subject to such conflicting claims or demands and in so doing, the Trustee shall not be or become liable to any person on account of such election or its failure or refusal to comply with any such conflicting claims or demands. The Trustee shall be entitled to continue to refrain from acting and to refuse to act until:

(a) the rights of all adverse claimants with respect to the Voting Rights, Insolvency Exchange Right or Automatic Exchange Rights subject to such conflicting claims or demands have been adjudicated by a final judgment of a court of competent jurisdiction; or

(b) all differences with respect to the Voting Rights, Insolvency Exchange Right or Automatic Exchange Rights subject to such conflicting claims or demands have been conclusively settled by a valid written agreement binding on all such adverse claimants, and the Trustee shall have been furnished with an executed copy of such agreement.

If the Trustee elects to recognize any claim or comply with any demand made by any such adverse claimant, it may in its discretion require such claimant to furnish such surety bond or other security satisfactory to the Trustee as it shall deem appropriate to fully indemnify it as between all conflicting claims or demands.

7.15 ACCEPTANCE OF TRUST

The Trustee hereby accepts the Trust created and provided for by and in this Agreement and agrees to perform the same upon the terms and conditions set forth herein and to hold all rights, privileges and benefits conferred hereby and by law in trust for the various persons who shall from time to time be Shareholders, subject to all the terms and conditions set forth herein.

7.16 VALIDITY OF CERTIFICATES

If at any time in the performance of its duties under this Agreement, it shall be necessary for the Trustee to receive, accept, act or rely upon any certificate, notice, request, waiver, consent, receipt, direction, affidavit or other paper, writing or document furnished to it and purporting to have been executed or issued by the Purchaser, the Parent or the Shareholders or their authorized officers or attorneys, the Trustee shall be entitled to rely and act upon the genuineness and authenticity of any such writing submitted to it. It shall not be necessary for the Trustee to ascertain whether or not the persons who have executed, signed or otherwise issued, authenticated or receipted such papers, writings or documents have authority to do so or that they are the same persons named therein or otherwise to pass upon any requirement of such papers, writing or documents that may be essential for their validity or effectiveness or upon the truth and acceptability of any information contained therein which the Trustee in good faith believes to be genuine.

Subject to (ii), below, the Parent and the Purchaser shall be entitled to participate at their own expense in the defence and, if the Parent and the Purchaser so elect at any time after receipt of such notice, either of them may assume the defence of any suit brought to enforce any such claim. In the event the Parent and/or the Purchaser assume the defence of the Trustee, no settlement of any claim shall be entered into without the prior approval of the Trustee; and the Trustee shall have the right to re-assume the defence of any suit if the Parent or Purchaser fail to actively continue such defence so assumed. The Trustee shall have the right to employ separate counsel in any such suit and participate in the defence thereof but the fees and expenses of such counsel shall be at the expense of the Trustee unless: (i) the employment of such counsel has been authorized by the Parent or the Purchaser; or (ii) the named parties to any such suit include both the Trustee and the Parent or the Purchaser, and the Trustee shall have been advised by counsel acceptable to the Parent or the Purchaser that there may be one or more legal defences available to the Trustee which are different from or in addition to those available to the Parent or the Purchaser and that in the judgment of such counsel, would present a conflict of interest were a joint representation to be undertaken (in which case the Purchaser and the Parent shall not have the right to assume the defence of such suit on behalf of the Trustee but shall be liable to pay the reasonable fees and expenses of counsel for the Trustee). Neither the Parent nor the Purchaser shall be liable for any settlement of a matter in respect of which an Indemnified Party may seek indemnification under this section 9.1, unless the Parent and the Purchaser have consented in writing to such settlement.

9.2 LIMITATION OF LIABILITY

The Trustee shall not be liable for any act or omission by it except where such act or omission occurs as a result of the Trustee's fraud, negligence, recklessness, bad faith or wilful misconduct. The Trustee shall not be liable for any losses or damages due to the acts or omissions of third parties, including without limitation, the failure by the Parent and/or the Purchaser to comply with its obligations under this Agreement, as the case may be. The Trustee shall not be held liable for any loss which may occur by reason of depreciation of the value of any part of the Trust Estate or any loss incurred on any investment of funds pursuant to this Agreement except to the extent that such loss is attributable to the fraud, negligence, recklessness, wilful misconduct or bad faith on the part of the Trustee.

However, on the written request of the Parent and the Purchaser or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of this Agreement, execute and deliver an instrument transferring to such successor trustee all of the rights and powers of the trustee so ceasing to act. 2.5 Delivery of Big Flash Common Shares

Upon any event that requires Exchangeco to deliver Big Flash Common Shares to any holder of Exchangeable Shares, and subject to Big Flash's exercise of the Liquidation Call Right, the Retraction Call Right or the Redemption Call Right, Exchangeco shall forthwith cause to be delivered the requisite number of Big Flash Common Shares to be received by, and transferred to or to the order of, the former holder of the surrendered Exchangeable Shares, as the respective Vendors shall direct. All such Big Flash Common Shares shall have been duly authorized and validly issued as fully paid and non-assessable and shall be free and clear of any lien, claim or encumbrance except with respect to restrictions and legends required for purposes of compliance with U.S. federal securities laws.

2.6 Qualification of Big Flash Common Shares

If any Big Flash Common Shares (or other shares or securities into which Big Flash Common Shares may be reclassified or changed as contemplated by section 2.7 hereof) to be issued or transferred and delivered hereunder require registration or qualification with or approval of or the filing of any document, including any prospectus or similar document or the taking of any proceeding with or the obtaining of any order, ruling or consent from any governmental or regulatory authority under any Canadian or United States federal, provincial or state securities or other law or regulation or pursuant to the rules and regulations of any securities or other regulatory authority or the fulfillment

of any other United States or Canadian legal requirement before such shares (or such other shares or securities) may be issued by Big Flash or delivered by the Trustee at the direction of Big Flash or Exchangeco, or may be transferred and delivered by the Trustee at the direction of Big Flash or Exchangeco, as the case may be, if applicable, to the holder of surrendered Exchangeable Shares, Big Flash will in good faith expeditiously take all such actions and do all such things as are necessary or desirable to cause such Big Flash Common Shares (or such other shares or securities) to be and remain duly registered, qualified or approved under United States and/or Canadian law, as the case may be. Big Flash will in good faith expeditiously take all such actions and do all such things as are reasonably necessary or desirable to cause all Big Flash Common Shares (or such other shares or securities) to be delivered hereunder to be listed, quoted or posted for trading on all stock exchanges and quotation systems on which outstanding Big Flash Common Shares (or such other shares or securities) have been listed by Big Flash and remain listed and are quoted or posted for trading at such time. For clarity, this Section 2.6 shall not operate to require Big Flash or Exchangeco to prepare and file any prospectus or similar document or take any proceeding or obtain any order, ruling or consent from any governmental or regulatory authority in order to permit the subsequent resale of the Exchangeable Shares or the Trust Shares.

2.7 Economic Equivalence

(a) Big Flash will not without the prior approval of Exchangeco and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11 of the Share Provisions:

(i) issue or distribute Big Flash Common Shares (or securities exchangeable for or convertible into or carrying rights to acquire Big Flash Common Shares) to the holders of all or substantially all of the then outstanding Big Flash Common Shares by way of stock dividend or other distribution, other than an issue of Big Flash Common Shares (or securities exchangeable for or convertible into or carrying rights to acquire Big Flash Common Shares) to holders of Big Flash Common Shares who exercise an option to receive dividends in Big Flash Common Shares (or securities exchangeable for or convertible into or carrying rights to acquire Big Flash Common Shares) in lieu of receiving cash dividends; or

(ii) issue or distribute rights, options or warrants to the holders of all or substantially all of the then outstanding Big Flash Common Shares entitling them to subscribe for or to purchase Big Flash Common Shares (or securities exchangeable for or convertible into or carrying rights to acquire Big Flash Common Shares); or

(iii) issue or distribute to the holders of all or substantially all of the then outstanding Big Flash Common Shares (A) shares or securities of Big Flash of any class other than Big Flash Common Shares (other than shares convertible into or exchangeable for or carrying rights to acquire Big Flash Common Shares), (B) rights, options or warrants other than those referred to in section 2.7(a)(ii) above, (C) evidences of indebtedness of Big Flash, or (D) assets of Big Flash;

unless (a) Big Flash is permitted under applicable law to undertake an action described in items (i), (ii) or (iii) above; and (b) the same or an economic equivalent change on a per share basis shall simultaneously be made to or in the rights of the holders of the Exchangeable Shares; provided that, for greater certainty, the above restrictions shall not apply to any securities issued or distributed by Big Flash in order to give effect to and to consummate the transactions contemplated by, and in accordance with, the Share Exchange Agreement, or as otherwise permitted by the parties to the Share Exchange Agreement.

(b) Big Flash will not without the prior approval of Exchangeco and the prior approval of the holders of the Exchangeable Shares given in accordance with Section 11 of the Share Provisions:

- (i) subdivide, redivide or change the then outstanding Big Flash Common Shares into a greater number of Big Flash Common Shares;
- (ii) reduce, combine, consolidate or change the then outstanding Big Flash Common Shares into a lesser number of Big Flash Common Shares;
or
- (iii) reclassify or otherwise change Big Flash Common Shares or effect an amalgamation, merger, reorganization or other transaction affecting Big Flash Common Shares,

unless (a) Big Flash is permitted under applicable law to undertake an action described in items (i), (ii) or (iii) above; and (b) the same or an economically equivalent change shall simultaneously be made to, or in the rights of the holders of, the Exchangeable Shares.

(c) Big Flash will ensure that the record date for any event referred to in section 2.7(a) or 2.7 (b) above, (or, if no record date is applicable for such event), the effective date for any such event, is not less than ten (10) Business Days after the date on which such event is declared or announced by Big Flash (with contemporaneous notification thereof by Big Flash to Exchangeco).

(d) The Board of Directors of Exchangeco shall determine, in good faith and in its sole discretion acting reasonably (with the assistance of such reputable and qualified independent financial advisors and/or other experts as the Board of Directors may determine necessary or desirable), economic equivalence for the purposes of any event referred to in section 2.7(a) or 2.7(b) above and each such determination shall be conclusive and binding on Big Flash. In making each such determination, the following factors shall, without excluding other factors determined by the Board of Directors to be relevant, be considered by the Board of Directors:

- (i) in the case of any stock dividend or other distribution payable in Big Flash Common Shares, the number of such shares issued in proportion to the number of Big Flash Common Shares previously outstanding;
- (ii) in the case of the issuance or distribution of any rights, options or warrants to subscribe for or purchase Big Flash Common Shares (or securities exchangeable for or convertible into or carrying rights to acquire Big Flash Common Shares), the relationship between the exercise price of each such right, option or warrant and the Current Market Price;
- (iii) in the case of the issuance or distribution of any other form of property (including, without limitation, any shares or securities of Big Flash of any class other than Big Flash Common Shares), any rights, options or warrants other than those referred to in section 2.7(d)(ii) above, any evidences of indebtedness of Big Flash or any assets of Big Flash, the relationship between the fair market value (as determined by

the Board of Directors in good faith acting reasonably) of such property to be issued or distributed with respect to each outstanding Big Flash Common Share and the Current Market Price;

(iv) in the case of any subdivision, redivision or change of the then outstanding Big Flash Common Shares into a greater number of Big Flash Common Shares or the reduction, combination, consolidation or change of the then outstanding Big Flash Common Shares into a lesser number of Big Flash Common Shares or any amalgamation, merger, reorganization or other transaction affecting Big Flash Common Shares, the effect thereof upon the then outstanding Big Flash Common Shares; and

(v) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Big Flash Common Shares as a result of differences between taxation laws of Canada and the United States (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).

(e) Exchangeco agrees that, to the extent required, upon due notice from Big Flash, Exchangeco will use its best efforts to take or cause to be taken such steps as may be necessary for the purposes of ensuring that appropriate dividends are paid or other distributions are made by Exchangeco, or subdivisions, redivisions or changes are made to the Exchangeable Shares, in order to implement the required economic equivalent with respect to Big Flash Common Shares and the Exchangeable Shares as provided for in this section 2.7.

2.8 Tender Offers

In the event that a tender offer, share exchange offer, issuer bid, take-over bid or similar transaction with respect to Big Flash Common Shares (an "Offer") is proposed by Big Flash or is proposed to Big Flash or its shareholders and is recommended by the Board of Directors of Big Flash, or is otherwise effected or to be effected with the consent or approval of the Board of Directors of Big Flash, and the Exchangeable Shares are not redeemed by Exchangeco or purchased by Big Flash as contemplated by and in compliance with the Share Provisions, then Big Flash will use its reasonable efforts expeditiously and in good faith to take all such actions and do all such things as are necessary or desirable to enable and permit holders of the Exchangeable Shares to participate in such Offer to the same extent and on an economically equivalent basis as the holders of Big Flash Common Shares, without discrimination. Without limiting the generality of the foregoing, Big Flash will use its reasonable efforts expeditiously and in good faith (in the case of a transaction by Big Flash or where Big Flash is a participant in the negotiation thereof) to ensure that holders of the Exchangeable Shares may participate in all such Offers without being required to retract the Exchangeable Shares as against Exchangeco (or, if so required, to ensure that any such retraction, shall be effective only upon, and shall be conditional upon, the closing of the Offer and only to the extent necessary to tender or deposit to the Offer). Nothing herein shall affect the rights of Exchangeco under the Share Provisions to redeem (or Big Flash to purchase pursuant to the Redemption Call Right) the Exchangeable Shares, in the event of a Big Flash Control Transaction.

2.9 Ownership of Voting Outstanding Shares of Exchangeco

Unless otherwise agreed to by Exchangeco and unless the holders of the Exchangeable Shares have given their consent in accordance with Section 11 of the Share Provisions, Big Flash covenants and agrees in favour of Exchangeco that, as long as any of the Exchangeable Shares outstanding are owned by any person or entity other than Big Flash or any of its Affiliates, Big Flash will be and shall remain the direct or indirect beneficial owner of all issued and outstanding voting shares in the capital of Exchangeco.

2.10 Big Flash and Affiliates Not to Vote Exchangeable Shares

Big Flash covenants and agrees that it will appoint and cause to be appointed proxy holders with respect to all of the Exchangeable Shares held by it and its Affiliates for the sole purpose of attending each meeting of holders of the Exchangeable Shares in order to be counted as part of the quorum for each such meeting. Big Flash further covenants and agrees that it will not, and will cause its Affiliates not to, exercise any voting rights which may be exercisable by holders of the Exchangeable Shares from time to time pursuant to the Share Provisions or pursuant to the provisions of the Act (or any successor or other statute by which Exchangeco may in the future be governed) with respect to any of the Exchangeable Shares held by it or by its Affiliates in respect of any matter considered at any meeting of the holders of the Exchangeable Shares.

2.11 Rule 10b-18 Purchases

For certainty, nothing contained in this Agreement, including without limitation the obligations of Big Flash contained in section 2.8 hereof, shall limit the ability of Big Flash or Exchangeco to make a "Rule 10b-18 Purchase" of Common Shares pursuant to Rule 10b-18 of the U.S. Securities Exchange Act of 1934, as amended, or any successor provisions thereof.

2.12 Special Big Flash Representations and Covenants

- (a) Each of Big Flash and Exchangeco, jointly and severally, represent to the other such party and all other third party beneficiaries of this Agreement, that (i) the authorized capital of Exchangeco as of the date hereof is as set forth on Annex A attached hereto and no change has been made or occurred with respect to such authorized capital prior to closing of this Agreement; (ii) immediately prior to issuance of the Exchangeable Shares, Exchangeco has no issued or outstanding capital stock other than the Class A Shares, all of which are owned by Big Flash; (iii) there are no Claims pending or threatened against Big Flash or Exchangeco in regard to any prior transaction or any other matters; and (iv) there are no continuing, residual or future obligations required to be maintained or performed by Exchangeco with respect to any prior shareholders of Exchangeco or any prior transaction other than in regard to Big Flash in its capacity as the sole holder of all Class A Shares of Exchangeco.
- (b) Big Flash undertakes, covenants and agrees that unless and until the first business day immediately following exchange of all of the Exchangeable Shares: (i) Big Flash shall be and remain the sole holder of record and beneficial owner of the Class A Shares of Exchangeco; and (ii) Big Flash shall be and remain in sole control of Exchangeco.
- (c) Each of Big Flash and Exchangeco covenant and agree that Exchangeco will not be used for any future transaction, or carry on any business, unless and until all Exchangeable Shares have been exchanged and/or the rights of the holders of the Exchangeable Shares have otherwise terminated in accordance with the Share Provisions.

ARTICLE 3 - BIG FLASH SUCCESSORS

3.1 Certain Requirements in Respect of Combination, etc.

Except as contemplated in the Share Exchange Agreement, Big Flash shall not consummate any transaction (whether by way of reconstruction, reorganization, consolidation, merger, transfer, sale, lease or otherwise) whereby all or substantially all of its undertaking, property and assets would become the property of any other person or, in the case of a merger, of the continuing corporation resulting therefrom, unless:

(a) such other person or continuing corporation (the "Big Flash Successor") by operation of law, becomes, without more, bound by the terms and provisions of this Agreement or, if not so bound, executes, prior to or contemporaneously with the consummation of such transaction, an agreement supplemental hereto and such other instruments (if any) as are reasonably necessary or advisable to evidence the assumption by the Big Flash Successor of liability for all moneys payable and property deliverable hereunder and the covenant of such Big Flash Successor to pay and deliver or cause to be delivered the same and its agreement to observe and perform all the covenants and obligations of Big Flash under this Agreement; and

(b) such transaction shall be upon such terms and conditions as substantially to preserve and not to impair in any material respect any of the rights, duties, powers and authorities of the other Parties hereunder.

3.2 Vesting of Powers in Successor

Whenever the conditions of section 3.1 have been duly observed and performed, the Parties, if required by section 3.1, shall execute and deliver a supplemental agreement hereto and thereupon the Big Flash Successor shall possess and from time to time may exercise each and every right and power of Big Flash under this Agreement in the name of Big Flash or otherwise and any act or proceeding by any provision of this Agreement required to be done or performed by the Board of Directors of Big Flash or any officers of Big Flash may be done and performed with like force and effect by the directors or officers of such Big Flash Successor.

3.3 Wholly-Owned Subsidiaries

Nothing herein shall be construed as preventing the amalgamation or merger of any direct or indirect subsidiary of Big Flash, except for Exchangeco, with or into Big Flash or the winding-up, liquidation or dissolution of any direct or indirect subsidiary of Big Flash, except for Exchangeco, provided that all of the assets of such subsidiary are transferred to Big Flash or another wholly-owned direct or indirect subsidiary of Big Flash and any such transactions are expressly permitted by this Article 3.

4.4 Amendments and Modifications

This Agreement may not be amended or modified except by an agreement in writing executed by Big Flash and Exchangeco and, subject to section 4.5 hereof, with the approval of the holders of Exchangeable Shares (or their duly appointed attorney or agent) obtained in accordance with section 11 of the Share Provisions.

- (b) making such amendments or modifications not inconsistent with this Agreement as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the board of directors of each of Big Flash and Exchangeco, it may be expedient to make, provided that each such board of directors shall be of the good faith and reasonable opinion that such amendments or modifications will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares; or
- (c) making such changes or corrections which, on the advice of counsel to Big Flash and Exchangeco are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the board of directors of each of Big Flash and Exchangeco shall be of the good faith and reasonable opinion that such changes or corrections will not be prejudicial to the rights or interests of the holders of the Exchangeable Shares.

Certificates representing the applicable number of Exchangeable Shares registered in the name of the registered holder of Exchangeable Shares shall be issued or transferred in respect of any stock dividends contemplated in section 3.1(a)(ii) hereof and the sending of such a certificate to each holder of an Exchangeable Share shall satisfy the stock dividend represented thereby. For greater certainty, in the case of the dividend or distribution on the Big Flash Common Shares contemplated in sections 3.1(a)(ii), Big Flash shall deliver to the Trustee at the same time and in the same manner as to all other holders as Big Flash Shares, the certificates representing the Big Flash Common Shares payable as a dividend on the Trust Shares. Such other type and amount of property in respect of any dividends contemplated by section 3.1(a)(iii) hereof shall be issued, distributed or transferred by the Corporation in such manner as it shall determine and the issuance, distribution or transfer thereof by the Corporation to each holder of an Exchangeable Share shall satisfy the dividend represented thereby, provided, however, that no such dividend and/or distribution shall be constituted of Big Flash Common Shares, all of which shall be delivered by Big Flash directly to the Trustee. No holder of an Exchangeable Share shall be entitled to recover by action or other legal process against the Corporation any dividend that is represented by a cheque that has not been duly presented to the Corporation's bankers for payment or that otherwise remains unclaimed for a period of six years from the date on which such dividend was payable.

3.3 The record date for the determination of the holders of Exchangeable Shares entitled to receive payment of, and the payment date for, any dividend declared on the Exchangeable Shares under section 3.1 hereof shall be the same dates as the record date and payment date, respectively, for the corresponding dividend declared on the Big Flash Common Shares.

3.4 If on any payment date for any dividends declared on the Exchangeable Shares under section 3.1 hereof the dividends are not paid in full on all of the Exchangeable Shares then outstanding, any such dividends that remain unpaid shall be paid on a subsequent date or dates determined by the Board of Directors on which the Corporation shall have sufficient moneys, assets or property properly applicable to the payment of such dividends.

3.5 The Board of Directors shall determine, in good faith and in its sole discretion, acting reasonably (with the assistance of such reputable and qualified independent financial advisors and/or other experts as the Board of Directors may determine necessary or desirable) economic

equivalence for the purposes of section 3.1(a)(iii) hereof, and each such determination shall be conclusive and binding on the Corporation and its shareholders absent manifest error. In making each such determination, the following factors shall, without excluding other factors determined by the Board of Directors to be relevant, be considered by the Board of Directors, and shall be acted upon in accordance with the provisions herewith:

- (a) in the case of the issuance or distribution of any rights, options or warrants to subscribe for or purchase Big Flash Common Shares (or securities exchangeable for or convertible into or carrying rights to acquire Big Flash Common Shares), the relationship between the exercise price of each such right, option or warrant and the Current Market Price;
- (b) in the case of the issuance or distribution of any other form of property (including, without limitation, any shares or securities of Big Flash of any class other than Big Flash Common Shares, any rights, options or warrants other than those referred to in section 3.5(a) above, any evidences of indebtedness of Big Flash or any assets of Big Flash), the relationship between the fair market value (as determined by the Board of Directors in good faith acting reasonably) of such property to be issued or distributed with respect to each outstanding Big Flash Common Share and the Current Market Price; and
- (c) in all such cases, the general taxation consequences of the relevant event to holders of Exchangeable Shares to the extent that such consequences may differ from the taxation consequences to holders of Big Flash Common Shares as a result of differences between taxation laws of Canada and the United States of America (except for any differing consequences arising as a result of differing marginal taxation rates and without regard to the individual circumstances of holders of Exchangeable Shares).

SECTION 4 CERTAIN RESTRICTIONS

4.1 So long as any of the Exchangeable Shares are outstanding, the Corporation shall not at any time without the approval of the holders of the Exchangeable Shares given as specified in section 11.2 of these Share Provisions:

- (a) pay any dividends on the Common Shares or any shares other than the Exchangeable Shares, other than stock dividends payable in Common Shares or any such other shares, as the case may be;
- (b) redeem or purchase or make any capital distribution in respect of Common Shares or any shares other than the Exchangeable Shares;
- (c) redeem or purchase any shares of the Corporation other than the Exchangeable Shares; or
- (d) issue any Exchangeable Shares or any other shares of the Corporation other than by way of stock dividends to the holders of such Exchangeable Shares.

SECTION 5 DISTRIBUTION ON LIQUIDATION

5.1 In the event of a Liquidation Distribution, a holder of Exchangeable Shares shall be entitled, subject to applicable law, to receive from the assets of the Corporation in respect of each Exchangeable Share held by such holder on the effective date (the "Liquidation Date") of the Liquidation Distribution, before any distribution of any part of the assets of the Corporation among the holders of the Common Shares or any other shares of the Corporation, an amount per Exchangeable Share

(the "Liquidation Amount") equal to (i) the Current Market Price of a Big Flash Common Share on the last Business Day prior to the Liquidation Date (which may be satisfied in full by the Corporation causing an instruction to be given to the Trustee to deliver, in respect of each Exchangeable Share held by each respective holder thereof, one Big Flash Common Share, and obtaining written confirmation of such delivery by the Trustee), plus (ii) the Unpaid Dividend Amount, if any, on any Exchangeable Share held by such holder on any dividend record date which occurred prior to the Liquidation Date.

5.2 Big Flash and the Corporation shall notify all holders of the Exchangeable Shares, of any proposed liquidation, dissolution or winding-up of the Corporation, at least 60 days before the Liquidation Date in the case of a voluntary liquidation, dissolution or winding-up of the Corporation, and promptly upon receiving notice of or becoming aware of any claim, suit, petition or other proceeding with respect to an involuntary liquidation, dissolution or winding-up of the Corporation.

5.3 On or promptly after the Liquidation Date, and subject to the exercise by Big Flash of the Liquidation Call Right, the Corporation shall cause to be delivered to the holders of the Exchangeable Shares the Liquidation Amount for each such Exchangeable Share upon presentation and surrender of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the Act and the articles and by-laws of the Corporation and such additional documents and instruments as the Trustee and Transfer Agent may reasonably require, at the registered office of the Corporation or at any office of the Trustee or Transfer Agent as may be specified by the Corporation by notice to the holders of the Exchangeable Shares. Payment of the total Liquidation Amount for such Exchangeable Shares shall be made by delivery to each holder, at the address of the holder recorded in the securities register of the Corporation for the Exchangeable Shares or by holding for pick-up by the holder at the registered office of the Corporation or at any office of the Trustee or Transfer Agent as may be specified by the Corporation by notice to the holders of Exchangeable Shares, on behalf of the Corporation of the certificates representing Big Flash Common Shares (which shares shall be duly issued as fully paid and non-assessable and shall be free and clear of any lien, claim or encumbrance and a cheque of the Corporation payable at par at any branch of the bankers of the Corporation in respect of the remaining portion, if any, of the total Liquidation Amount (in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom). On and after the Liquidation Date, the holders of the Exchangeable Shares shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof, other than the right to receive their proportionate part of the total Liquidation Amount, unless payment of the total Liquidation Amount for such Exchangeable Shares shall not be made upon presentation and surrender of share certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected until the total Liquidation Amount has been paid in the manner hereinbefore provided. The Corporation shall have the right at any time after the Liquidation Date to deposit or cause to be deposited the total Liquidation Amount in respect of the Exchangeable Shares represented by certificates that have not at the Liquidation Date been surrendered by the holders thereof in a custodial account with any chartered bank or trust company in Canada less any amounts withheld on account of tax required to be deducted and withheld therefrom. Upon such deposit being made, the rights of the holders of Exchangeable Shares after such deposit shall be limited to receiving their proportionate part of the total Liquidation Amount (in each case less such amounts withheld on account of tax required to be deducted and withheld therefrom) for such Exchangeable Shares so deposited, against presentation and surrender of the said certificates held by them, respectively, in accordance with the foregoing provisions. Upon such payment or deposit of the total Liquidation Amount, the holders of the Exchangeable Shares shall

thereafter be considered and deemed for all purposes to be holders of the Big Flash Common Shares delivered to them or the custodian on their behalf.

5.4 After the Corporation has satisfied its obligations to pay the holders of the Exchangeable Shares the Liquidation Amount per Exchangeable Share pursuant to section 5.1 of these Share Provisions, such holders shall not be entitled to share in any further distribution of the assets of the Corporation.

SECTION 6 RETRACTION OF EXCHANGEABLE SHARES BY HOLDER

6.1 A holder of Exchangeable Shares shall be entitled at any time, subject to the exercise by Big Flash of the Retraction Call Right and otherwise upon compliance with the provisions of this section 6, to require the Corporation to redeem any or all of the Exchangeable Shares registered in the name of such holder for an amount per Exchangeable Share (the "Retraction Price") equal to (i) the Current Market Price of a Big Flash Common Share on the last Business Day prior to the Retraction Date (which may be satisfied in full by the Corporation causing an instruction to be given to the Trustee to deliver from trust to such holder, one Big Flash Common Share for each Exchangeable Share presented and surrendered by the holder, and obtaining written confirmation of such delivery by the Trustee), plus (ii) the Unpaid Dividend Amount, if any, on any such Exchangeable Share held by such holder on any dividend record date which occurred prior to the Retraction Date. To effect such redemption, the holder shall present and surrender at the registered office of the Corporation or at any office of the Trustee or Transfer Agent as may be specified by the Corporation by notice to the holders of Exchangeable Shares the certificate or certificates representing the Exchangeable Shares which the holder desires to have the Corporation redeem, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the Act and the articles and by-laws of the Corporation and such additional documents and instruments as the Trustee and Transfer Agent may reasonably require, and together with a duly executed statement (the "Retraction Request") in the form attached hereto as Appendix 1, or in such other form as may be acceptable to the Corporation:

(a) specifying that the holder desires to have all or any number specified therein of the Exchangeable Shares represented by such certificate or certificates (the "Retracted Shares") redeemed by the Corporation;

(b) stating the Business Day on which the holder desires to have the Corporation redeem the Retracted Shares (the "Retraction Date"), provided that the Retraction Date shall be not less than 10 Business Days nor more than 15 Business Days after the date on which the Retraction Request is delivered to the Corporation and further provided that, in the event that no such Business Day is specified by the holder in the Retraction Request, the Retraction Date shall be deemed to be the 15th Business Day after the date on which the Retraction Request is delivered to the Corporation; and

(c) acknowledging the overriding right of Big Flash (the "Retraction Call Right") to purchase all but not less than all the Retracted Shares directly from the holder, and that the Retraction Request shall be deemed to be a revocable offer by the holder to sell the Retracted Shares to Big Flash in accordance with the Retraction Call Right on the terms and conditions set out in section 6.3 hereof.

6.2 Subject to the exercise of the Retraction Call Right by Big Flash, upon receipt by the Corporation or the Trustee or Transfer Agent in the manner specified in section 6.1 hereof of a certificate or certificates representing the number of Exchangeable Shares which the holder desires to have the Corporation redeem, together with a Retraction Request, and provided that the Retraction Request is not revoked by the holder in the manner specified in section 6.7 hereof, the Corporation shall redeem the Retracted Shares effective at the close of business (Toronto time) on the Retraction Date and shall cause to be delivered to such holder the total Retraction Price with respect to such shares, provided that all declared and unpaid dividends for which the record date has occurred prior to the Retraction Date shall be paid on the payment date for such dividends, less any amounts withheld on account of tax required to be deducted and withheld therefrom. If only a part of the Exchangeable Shares represented by any certificate is redeemed, a new certificate for the balance of such Exchangeable Shares shall be issued to the holder at the expense of the Corporation.

6.3 Upon receipt by the Corporation of a Retraction Request, the Corporation shall immediately provide notice thereof to Big Flash. In order to exercise the Retraction Call Right, Big Flash must notify the Corporation of its determination to do so (the "Big Flash Call Notice") within five (5) Business Days of notification to Big Flash by the Corporation of the receipt by the Corporation of the Retraction Request. If Big Flash does not so notify the Corporation within such five Business Day period, the Corporation will notify the holder as soon as possible thereafter that Big Flash will not exercise the Retraction Call Right. If Big Flash delivers the Big Flash Call Notice within such five Business Day period, and provided that the Retraction Request is not revoked by the holder in the manner specified in section 6.7, the Retraction Request shall thereupon be deemed to be an offer by the holder to sell the Retracted Shares to Big Flash in accordance with the Retraction Call Right. In such event, the Corporation shall not redeem the Retracted Shares and Big Flash shall purchase from such holder and such holder shall sell to Big Flash on the Retraction Date the Retracted Shares for an amount per Retracted Share (the "Purchase Price") equal to (i) the Current Market Price of a Big Flash Common Share on the last Business Day prior to the Retraction Date (which may be satisfied in full by Big Flash instructing the Trustee to deliver to such holder one Big Flash Common Share for each Exchangeable Share presented and surrendered by the holder), plus (ii) the Unpaid Dividend Amount, if any, on those Retracted Shares held by such holder on any dividend record date which occurred prior to the Retraction Date. For the purposes of completing a purchase pursuant to the Retraction Call Right, in addition to Big Flash giving instructions to the Trustee or the Transfer Agent, Big Flash shall deposit with the Trustee or the Transfer Agent a cheque or cheques of Big Flash payable at par at any branch of the bankers of Big Flash representing the Unpaid Dividend Amount, if any, less any amounts withheld on account of tax required to be deducted and withheld therefrom. Provided that Big Flash has complied with the immediately preceding sentence, the closing of the purchase and sale of the Retracted Shares pursuant to the Retraction Call Right shall be deemed to have occurred as at the close of business on the Retraction Date and, for greater certainty, no redemption by the Corporation of such Retracted Shares shall take place on the Retraction Date. In the event that Big Flash does not deliver a Big Flash Call Notice within such five Business Day period, and provided that the Retraction Request is not revoked by the holder in the manner specified in section 6.7 hereof, the Corporation shall redeem the Retracted Shares on the Retraction Date and in the manner otherwise contemplated in this section 6.

6.4 The Corporation or Big Flash, as the case may be, shall instruct the Trustee or the Transfer Agent to deliver, to the relevant holder, at the address of the holder recorded in the securities register of the Corporation for the Exchangeable Shares or at the address specified in the holder's Retraction Request or by holding for pick-up by the holder

at the registered office of the Corporation or at any office of the Trustee or Transfer Agent as may be specified by the Corporation by notice to the holders of Exchangeable Shares, certificates representing the Big Flash Common Shares (which shares shall be duly issued as fully paid and non-assessable and shall be free and clear of any lien, claim or encumbrance) registered in the name of the holder or in such other name as the holder may request, and, if applicable and on or before the payment date therefore, a cheque payable at par at any branch of the bankers of the Corporation or Big Flash, as applicable, representing the aggregate Unpaid Dividend Amount, if any, in payment of the total Retraction Price or the total Purchase Price, as the case may be, in each case less any amounts withheld on account of tax required to be deducted and withheld therefrom, and such delivery of such certificates by the Trustee or the Transfer Agent and cheques on behalf of the Corporation or by Big Flash, as the case may be, or by the Trustee or Transfer Agent, shall be deemed to be payment of and shall satisfy and discharge all liability for the total Retraction Price or the total Purchase Price, as the case may be, to the extent that the same is represented by such share certificates and cheques (plus any tax deducted and withheld therefrom).

6.5 On and after the close of business on the Retraction Date, the holder of the Retracted Shares shall cease to be a holder of such Retracted Shares and shall not be entitled to exercise any of the rights of a holder in respect thereof, other than the right to receive his proportionate part of the total Retraction Price or the total Purchase Price, as the case may be, unless upon presentation and surrender of certificates in accordance with the foregoing provisions, payment of the total Retraction Price or the total Purchase Price, as the case may be, shall not be made as provided in section 6.4, in which case the rights of such holder shall remain unaffected until the total Retraction Price or the total Purchase Price, as the case may be, has been paid in the manner hereinbefore provided. On and after the close of business on the Retraction Date, provided that presentation and surrender of certificates and payment of the total Retraction Price or the total Purchase Price, as the case may be, has been made in accordance with the foregoing provisions, the holder of the Retracted Shares so redeemed by the Corporation shall thereafter be considered and deemed for all purposes to be a holder of the Big Flash Common Shares so delivered.

6.6 Notwithstanding any other provision of this section 6, the Corporation shall not be obligated to redeem Retracted Shares specified by a holder in a Retraction Request to the extent that such redemption of Retracted Shares would be contrary to solvency requirements or other provisions of applicable law. If the Corporation believes that on any Retraction Date it would not be permitted by any of such provisions to redeem the Retracted Shares tendered for redemption on such date, and provided that Big Flash shall not have exercised the Retraction Call Right with respect to the Retracted Shares, the Corporation shall only be obligated to redeem Retracted Shares specified by a holder in a Retraction Request to the extent of the maximum number that may be so redeemed (rounded down to a whole number of shares) as would not be contrary to such provisions and shall notify the holder at least two Business Days prior to the Retraction Date as to the number of Retracted Shares which will not be redeemed by the Corporation. In any case in which the redemption by the Corporation of Retracted Shares would be contrary to solvency requirements or other provisions of applicable law, the Corporation shall redeem the maximum number of Retracted Shares in accordance with section 6.2 of these Share Provisions which the Board of Directors determine the Corporation is, on the Retraction Date, permitted to redeem, on a pro rata basis (disregarding fractions) in proportion to the total number of Exchangeable Shares tendered for retraction by each holder thereof, and the Corporation shall issue to each holder of Retracted Shares a new certificate, at the expense of the Corporation, representing the Retracted Shares not redeemed by the Corporation pursuant to section 6.2 hereof. Provided that the Retraction Request is not revoked by the holder in the manner specified in section 6.7 hereof, the holder of any such Retracted Shares not redeemed by the Corporation pursuant to section 6.2 hereof as a result of solvency requirements or other provisions of applicable law shall be deemed by giving the Retraction Request to require Big Flash to purchase such Retracted Shares from

such holder on the Retraction Date or as soon as practicable thereafter on payment by Big Flash to such holder of the Purchase Price for such Retracted Shares (the "Exchange Right"), all as more specifically provided in the Exchange and Voting Trust Agreement.

6.7 A holder of Retracted Shares may, by notice in writing given by the holder to the Corporation before the close of business on the Business Day immediately preceding the Retraction Date, withdraw the Retraction Request, in which event such Retraction Request shall be null and void and, for greater certainty, the revocable offer constituted by the Retraction Request to sell the Retracted Shares to the Corporation or Big Flash, as the case may be, shall be deemed to have been revoked.

SECTION 7 REDEMPTION OF EXCHANGEABLE SHARES BY THE CORPORATION

7.1 Subject to applicable law, and provided Big Flash has not exercised the Redemption Call Right, the Corporation shall on the Redemption Date redeem all but not less than all of the then outstanding Exchangeable Shares for an amount per Exchangeable Share (the "Redemption Price") equal to (i) the Current Market Price of a Big Flash Common Share on the last Business Day prior to the Redemption Date (which may be satisfied in full by the Corporation causing an instruction to be given to the Trustee to deliver, in respect of each Exchangeable Share held by each respective holder thereof, one Big Flash Common Share, and obtaining written confirmation of such delivery by the Trustee), plus (ii) the Unpaid Dividend Amount, if any, on each such Exchangeable Share held by such holder on any dividend record date which occurred prior to the Redemption Date.

7.2 In any case of a redemption of Exchangeable Shares under this section 7, the Corporation shall send or cause to be sent to each holder of Exchangeable Shares a notice in writing of the redemption by the Corporation or the purchase by Big Flash under the Redemption Call Right, as the case may be, of the Exchangeable Shares held by such holder. In the case of a Redemption Date established in connection with a Big Flash Control Transaction, an Exchangeable Share Voting Event and an Exempt Exchangeable Share Voting Event, the written notice of redemption by the Corporation or the purchase by Big Flash under the Redemption Call Right will be sent on or before the Redemption Date, on as many days prior written notice as may be determined by the Board of Directors of the Corporation to be reasonably practicable in the circumstances, and in all other cases such notice shall be sent at least 60 days before the Redemption Date. In any such case, such notice shall set out the formula for determining the Redemption Price or the Redemption Call Purchase Price, as the case may be, the Redemption Date and, if applicable, particulars of the Redemption Call Right.

7.3 On or after the Redemption Date and subject to the exercise by Big Flash of the Redemption Call Right, the Corporation shall cause to be delivered to the holders of the Exchangeable Shares to be redeemed the Redemption Price for each such Exchangeable Share, upon presentation and surrender at the registered office of the Corporation or at any office of the Trustee or Transfer Agent as may be specified by the Corporation in such notice of the certificates representing such Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the Act and the articles and by-laws of the Corporation and such additional documents and instruments as the Trustee or Transfer Agent may reasonably require. Payment of the total Redemption Price for such Exchangeable Shares shall be made by instruction to the Trustee or the Transfer Agent to deliver to each holder, at the address of the holder recorded in the securities register of the Corporation or by holding for pick-up by the holder at the registered office of the Corporation or at any office of the Trustee or Transfer Agent as may be specified by the Corporation in such notice, of certificates representing Big

Flash Common Shares (which shares shall be duly issued as fully paid and non-assessable and shall be free and clear of any lien, claim or encumbrance) and, if applicable, a cheque of the Corporation payable at par at any branch of the Corporation of the Corporation in payment of any such Unpaid Dividend Amount, in each case, less any amounts withheld on account of tax required to be deducted and withheld therefrom. On and after the Redemption Date, the holders of the Exchangeable Shares called for redemption shall cease to be holders of such Exchangeable Shares and shall not be entitled to exercise any of the rights of holders in respect thereof, other than the right to receive their proportionate part of the total Redemption Price, unless payment of the total Redemption Price for such Exchangeable Shares shall not be made upon presentation and surrender of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected until the total Redemption Price have been paid in the manner hereinbefore provided. The Corporation shall have the right at any time after the sending of notice of its intention to redeem the Exchangeable Shares as aforesaid to deposit or cause to be deposited the total Redemption Price for the Exchangeable Shares so called for redemption, or of such of the said Exchangeable Shares represented by certificates that have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, in a custodial account with any chartered bank or agent named in such notice, less any amounts withheld on account of tax required to be deducted and withheld therefrom. Upon the later of such deposit being made and the Redemption Date, the Exchangeable Shares in respect whereof such deposit shall have been made shall be redeemed and the rights of the holders thereof after such deposit or Redemption Date, as the case may be, shall be limited to receiving their proportionate part of the total Redemption Price, for such Exchangeable Shares so deposited, against presentation and surrender of the said certificates held by them, respectively, in accordance with the foregoing provisions. Upon such payment or deposit of the total Redemption Price, less any amounts withheld on account of tax required to be deducted and withheld therefrom, the holders of the Exchangeable Shares shall thereafter be considered and deemed for all purposes to be holders of the Big Flash Common Shares delivered to them.

SECTION 8 CERTAIN RIGHTS OF BIG FLASH TO ACQUIRE EXCHANGEABLE SHARES

8.1 Big Flash Liquidation Call Right.

(a) Big Flash shall have the overriding right (the "Liquidation Call Right"), in the event of and notwithstanding the proposed liquidation, dissolution or winding-up of the Corporation pursuant to section 5 of these Share Provisions, to purchase from all but not less than all of the holders of Exchangeable Shares (other than any holder of Exchangeable Shares which is an Affiliate of Big Flash) on the Liquidation Date all but not less than all of the Exchangeable Shares held by each such holder on payment by Big Flash of an amount per Exchangeable Share (the "Liquidation Call Purchase Price") equal to (i) the Current Market Price of a Big Flash Common Share on the last Business Day prior to the Liquidation Date (which may be satisfied in full by Big Flash causing instruction to the Trustee to deliver to such holder one Big Flash Common Share), plus (ii) the Unpaid Dividend Amount, if any, on each such Exchangeable Share held by such holder on any dividend record date which occurred prior to the date of purchase by Big Flash. In the event of the exercise of the Liquidation Call Right by Big Flash on the Liquidation Date on payment by Big Flash to the holder of the Liquidation Call Purchase Price for each such share, the Corporation shall have no obligation to redeem such shares so purchased by Big Flash.

(b) To exercise the Liquidation Call Right, Big Flash must notify the Trustee, the holders of Exchangeable Shares, and the Corporation, of Big Flash's intention to exercise such right at least 45 days

before the Liquidation Date in the case of a voluntary liquidation, dissolution or winding-up of the Corporation and at least five Business Days before the Liquidation Date in the case of an involuntary liquidation, dissolution or winding-up of the Corporation. The Corporation will notify the holders of Exchangeable Shares as to whether or not Big Flash has exercised the Liquidation Call Right forthwith after the expiry of the period during which the same may be exercised by Big Flash. If Big Flash exercises the Liquidation Call Right, then on the Liquidation Date Big Flash will purchase and the holders will sell all of the Exchangeable Shares then outstanding for a price per share equal to the Liquidation Call Purchase Price.

(c) For the purposes of completing the purchase of the Exchangeable Shares pursuant to the Liquidation Call Right, Big Flash shall ensure that the Trustee or the Transfer Agent holds, on or before the Liquidation Date, sufficient certificates representing the aggregate number of Big Flash Common Shares deliverable in respect of the Liquidation Call Right and a cheque or cheques of Big Flash payable at par at any branch of the bankers of Big Flash representing the aggregate Unpaid Dividend Amount in payment of the total Liquidation Call Purchase Price, in each case, less any amounts withheld on account of tax required to be deducted and withheld therefrom. Provided that Big Flash has complied with the immediately preceding sentence, on and after the Liquidation Date the rights of each holder of Exchangeable Shares will be limited to receiving such holder's proportionate part of the total Liquidation Call Purchase Price payable by Big Flash upon presentation and surrender by the holder of certificates representing the Exchangeable Shares held by such holder and the holder shall on and after the Liquidation Date be considered and deemed for all purposes to be the holder of the Big Flash Common Shares to which it is entitled. Upon surrender to the Trustee or the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the Act and the articles and by-laws of the Corporation and such additional documents and instruments as the Trustee may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive in exchange therefor, and the Trustee or the Transfer Agent on behalf of Big Flash shall deliver to such holder, certificates representing the Big Flash Common Shares to which the holder is entitled and a cheque or cheques of Big Flash payable at par at any branch of the bankers of Big Flash in payment of the remaining portion, if any, of the total Liquidation Call Purchase Price, in each case, less any amounts withheld on account of tax required to be deducted and withheld therefrom. If Big Flash does not exercise the Liquidation Call Right in the manner described above, on the Liquidation Date the holders of the Exchangeable Shares will be entitled to receive in exchange therefor the liquidation price otherwise payable by the Corporation in connection with the liquidation, dissolution or winding up of the Corporation pursuant to section 5 of these Share Provisions.

(d) Big Flash shall at any time be entitled to assign all of its rights in this Section to an Affiliate of Big Flash provided that such company assumes all of Big Flash's obligations under this Section.

8.2 Big Flash Redemption Call Right.

(a) Big Flash shall have the overriding right (the "Redemption Call Right"), notwithstanding the proposed redemption of the Exchangeable Shares by the Corporation pursuant to section 7 of these Share Provisions, to purchase from all but not less than all of the holders of Exchangeable Shares (other than any holder of

Exchangeable Shares which is an Affiliate of Big Flash) on the Redemption Date all but not less than all of the Exchangeable Shares held by each such holder on payment by Big Flash to each holder of an amount per Exchangeable Share (the "Redemption Call Purchase Price") equal to (i) the Current Market Price of a Big Flash Common Share on the last Business Day prior to the Redemption Date (which may be satisfied in full by Big Flash instructing the Trustee to deliver to such holder one Big Flash Common Share), plus (ii) the Unpaid Dividend Amount, if any, on each Exchangeable Share held by such holder on any dividend record date which occurred prior to the Redemption Date. In the event of the exercise of the Redemption Call Right by Big Flash, each holder shall be obligated to sell all the Exchangeable Shares held by the holder to Big Flash on the Redemption Date on payment by Big Flash to the holder of the Redemption Call Purchase Price for each such share, and the Corporation shall have no obligation to redeem such shares so purchased by Big Flash.

(b) To exercise the Redemption Call Right, Big Flash must notify the Trustee, the holders of Exchangeable Shares, and the Corporation, of Big Flash's intention to exercise such right at least 45 days before the Redemption Date, except in the case of a redemption occurring as a result of a Big Flash Control Transaction, an Exchangeable Share Voting Event or an Exempt Exchangeable Share Voting Event or such shorter period as may be agreed, in writing, by the Corporation, Big Flash and the holders of the Exchangeable Shares, in which case Big Flash shall so notify the Trustee, the holders of Exchangeable Shares and the Corporation on or before the Redemption Date. The Corporation will notify the holders of Exchangeable Shares as to whether or not Big Flash has exercised the Redemption Call Right forthwith after the expiry of the period during which the same may be exercised by Big Flash. If Big Flash exercises the Redemption Call Right, on the Redemption Date Big Flash will purchase and the holders will sell all of the Exchangeable Shares then outstanding for a price per share equal to the Redemption Call Purchase Price.

(c) For the purposes of completing the purchase of the Exchangeable Shares pursuant to the Redemption Call Right, Big Flash shall ensure that the Trustee or the Transfer Agent holds, on or before the Redemption Date, sufficient certificates representing the aggregate number of Big Flash Common Shares deliverable in respect of the Redemption Call Right and a cheque or cheques of Big Flash payable at par at any branch of the bankers of Big Flash representing the aggregate Unpaid Dividend Amount in payment of the total Redemption Call Purchase Price, in each case, less any amounts withheld on account of tax required to be deducted and withheld therefrom. Provided that Big Flash has complied with the immediately preceding sentence, on and after the Redemption Date the rights of each holder of Exchangeable Shares will be limited to receiving such holder's proportionate part of the total Redemption Call Purchase Price payable by Big Flash upon presentation and surrender by the holder of certificates representing the Exchangeable Shares held by such holder and the holder shall on and after the Redemption Date be considered and deemed for all purposes to be the holder of the Big Flash Common Shares to which it is entitled. Upon surrender to the Trustee or the Transfer Agent of a certificate or certificates representing Exchangeable Shares, together with such other documents and instruments as may be required to effect a transfer of Exchangeable Shares under the Act and the articles and by-laws of the Corporation and such additional documents and instruments as the Trustee may reasonably require, the holder of such surrendered certificate or certificates shall be entitled to receive in exchange therefor, and the Trustee or the Transfer Agent on behalf of Big Flash shall deliver to such holder, certificates representing the Big Flash Common Shares to which the holder is

entitled and a cheque or cheques of Big Flash payable at par at any branch of the bankers of Big Flash in payment of the remaining portion, if any, of the total Redemption Call Purchase Price, in each case, less any amounts withheld on account of tax required to be deducted and withheld therefrom. If Big Flash does not exercise the Redemption Call Right in the manner described above, on the Redemption Date the holders of the Exchangeable Shares will be entitled to receive in exchange therefor the redemption price otherwise payable by the Corporation in connection with the redemption of the Exchangeable Shares pursuant to section 7 of these Share Provisions.

(d) Big Flash shall at any time be entitled to assign all of its rights in this Section to an Affiliate of Big Flash provided that such company assumes all of Big Flash's obligations under this Section.

SECTION 9 PURCHASE FOR CANCELLATION

9.1 Subject to applicable law and the articles of the Corporation, the Corporation may at any time and from time to time offer to purchase for cancellation all or any part of the outstanding Exchangeable Shares at any price by tender to all the holders of record of Exchangeable Shares then outstanding or through the facilities of any stock exchange on which the Exchangeable Shares are listed or quoted at any price per share together with an amount equal to the Unpaid Dividend Amount. If in response to an invitation for tenders under the provisions of this section 9, more Exchangeable Shares are tendered at a price or prices acceptable to the Corporation than the Corporation is prepared to purchase, the Exchangeable Shares to be purchased by the Corporation shall be purchased as nearly as may be pro rata according to the number of shares tendered by each holder who submits a tender to the Corporation, provided that when shares are tendered at different prices, the pro rating shall be effected (disregarding fractions) only with respect to the shares tendered at the price at which more shares were tendered than the Corporation is prepared to purchase after the Corporation has purchased all the shares tendered at lower prices. The other Parties shall jointly and severally be responsible for and shall pay to the Escrow Agent all such additional compensation and amounts.

6.7 Prohibition Against Disbursement from Escrow Securities. The Escrow Agent is not authorized to deliver to itself or any other Persons from the escrow securities in satisfaction of any amounts due to the Escrow Agent or any other Person under Section 6.6. Report of Independent Registered Public Accounting Firm

To the Shareholders and Board of Directors of Intelgenx Corp.

(A Company in the Development Stage)

We have audited the accompanying balance sheets of Intelgenx Corp. (a company in the development stage) as at December 31, 2005 and December 31, 2004 and the related statements of operations and comprehensive income, shareholders' deficit and cash flows for the years ended December 31, 2005 and December 31, 2004 and for the period from inception (June 15, 2003) to December 31, 2005. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. These standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2005 and December 31, 2004 and the results of its operations and its cash flows for the years ended December 31, 2005 and December 31, 2004 and for the period from inception (June 15, 2003) to December 31, 2005 in accordance with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As described in note 2 to the financial statements, the Company has experienced an operating loss that raises substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Notes to Financial Statements
From Inception (June 15, 2003) to December 31, 2005
(Expressed in U.S. Funds)

1. Organization and Basis of Presentation

The Company specializes in the development of pharmaceutical products in co-operation with various pharmaceutical companies.

Although the Company has the ability to develop pharmaceutical products, there can be no assurance that it will be able to obtain sufficient contracts to generate sufficient revenue to pay its operating costs.

The Company is a development stage enterprise as defined by Financial Accounting Standards Board (FASB) Statements of Financial Accounting Standards (SFAS) No. 7, "Accounting and Reporting by Development Stage Enterprises". The Company's main activities to date have been establishing contracts with pharmaceutical companies and the development of pharmaceutical products. Because the Company is in the development stage, the accompanying financial statements should not be regarded as typical for normal operating periods. The revenue generated from inception (June 15, 2003) to December 31, 2005 is principally from one development contract which was cancelled prior to completion.

The Company prepares its financial statements in accordance with accounting principles generally accepted in the United States. This basis of accounting involves the application of accrual accounting and consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

The financial statements are expressed in U.S. funds.

2. Going Concern

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. The Company has reported a net loss of \$36,729 from inception (June 15, 2003) to December 31, 2005. As reported on the statement of cash flows, the Company has reported deficient cash flows from operating activities of \$8,562 from inception (June 15, 2003) to December 31, 2005. To date, these losses and cash flow deficiencies have been financed principally through long-term debt and debt from related parties. Additional capital and/or borrowings will be necessary in order for the Company to continue in existence until attaining and sustaining profitable operations.

Management has continued to develop a strategic plan to develop a management team, maintain reporting compliance and establish contracts with pharmaceutical companies. Management anticipates generating revenue through development contracts during the next year. The Company has commenced the process of raising additional capital. Should the Company be unable to continue as a going concern, it may be unable to realize the carrying value of its assets and to meet its liabilities as they become due.

Notes to Financial Statements
From Inception (June 15, 2003) to December 31, 2005
(Expressed in U.S. Funds)

3. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The financial statements include estimates based on currently available information and management's judgment as to the outcome of future conditions and circumstances.

Changes in the status of certain facts or circumstances could result in material changes to the estimates used in the preparation of the financial statements and actual results could differ from the estimates and assumptions.

Revenue Recognition

The Company recognizes revenue from development contracts as the contracted services are performed or when milestones are achieved, in accordance with the terms of the specific agreements. Amounts received in advance of recognition, if any, are included in deferred income.

Financial Instruments

The Company estimates the fair value of its financial instruments based on current interest rates, market value and pricing of financial instruments with comparable terms. Unless otherwise indicated, the carrying value of these financial instruments approximates their fair market value. It is not practical to determine the fair value of the amounts due from related parties due to their related party nature and the absence of a market for such instruments.

Accounts Receivable

The Company accounts for trade receivables at original invoice amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by regularly evaluating individual customer receivables and considering a customer's financial condition, credit history and current economic conditions. The Company writes off trade receivables when they are deemed uncollectible. The Company records recoveries of trade receivables previously written-off when they receive them. Management considers the reserve for doubtful accounts of \$Nil to be adequate to cover any exposure to loss in its December 31, 2005 and December 31, 2004 accounts receivable.

Notes to Financial Statements
From Inception (June 15, 2003) to December 31, 2005
(Expressed in U.S. Funds)

3. Summary of Significant Accounting Policies (Cont'd)

Investment Tax Credits

Investment tax credits relating to qualifying expenditures are recognized in the accounts at the time at which the related expenditures are incurred and there is reasonable assurance of their realization. Management has made estimates and assumptions in determining the expenditures eligible for investment tax credits claimed.

Amortization	
On the declining balance method -	
Computer equipment	30%
Laboratory and office equipment	20%
On the straight-line method -	
Leasehold improvements	5 years

Impairment of Long-Lived Assets

Long-lived assets held and used by the Company are reviewed for possible impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of the assets to the estimated undiscounted cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value thereof.

Foreign Currency Translation

The Company's reporting currency is the United States dollar. The Canadian dollar is the functional currency of the Company's Canadian operations which is translated to the United States dollar using the current rate method. Under this method, accounts are translated as follows:

Assets and liabilities - at exchange rates in effect at the balance sheet date;

Revenue and expenses - at average exchange rates prevailing during the year.

Gains and losses arising from foreign currency translation are included in other comprehensive income.
