☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

TABLE OF CONTENTS

Item 7.01 Regulation FD Disclosure.

On January 10, 2011, Halozyme Therapeutics, Inc. ("Halozyme") utilized a Form 8-K to furnish certain slides to be used by Halozyme in making investor presentations to interested parties, including analysts and stockholders (the "January 2011 Presentation"). Halozyme wishes to update one of the slides from the January 2011 Presentation as attached hereto as Exhibit 99.1, which is incorporated herein by reference. Slide 10 of the January 2011 Presentation is being updated to reflect that the subcutaneous formulation of MabThera ® (rituximab) is in a Phase 3 clinical trial and Actemra ® is the identity of the third product candidate under Halozyme's existing partnership with F. Hoffmann-La Roche, Ltd and Hoffmann-La Roche, Inc. Intravenously administered Actemra is approved for the treatment of rheumatoid arthritis. Additional information about the Phase 3 subcutaneous MabThera clinical trial can be found at clinicaltrials.gov and roche-trials.com .

This information is being furnished pursuant to Item 7.01 of this Report and shall not be deemed to be "filed" for the purposes of Section 18 of the Securities and Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section and will not be incorporated by reference into any registration statement filed by Halozyme, under the Securities Act of 1933, as amended, unless specifically identified as being incorporated therein by reference. This Report will not be deemed an admission as to the materiality of any information in this Report that is being disclosed pursuant to Regulation FD.

Please refer to page 2 of the January 2011 Presentation for a discussion of certain forward-looking statements included therein and the risks and uncertainties related thereto.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits

Exhibit No.	Description
99.1	Slide 10 of the January 2011 Presentation.
