Tortoise Capital Resources Corp. Announces Quarterly Dividend

FOR IMMEDIATE RELEASE

OVERLAND PARK, Kan. - May 14, 2007 - The Board of Directors of Tortoise Capital Resources Corp. (NYSE: TTO), today declared the company's first quarterly dividend following its initial public offering of \$0.16 per share to be distributed on June 1, 2007 to stockholders of record on May 24, 2007.

"We continue to see many attractive midstream and downstream investment opportunities in the private energy infrastructure marketplace," said Tortoise Capital Resources Corp. President, Ed Russell. "We remain on target to invest all of our net initial proceeds within a six to nine month period following the IPO."

For tax purposes, the character of the dividend will be determined at year-end and will be reported to stockholders at the beginning of 2008 on their Form 1099. Based on current company financial information, a significant portion of this dividend is estimated to consist of return of capital for book purposes. This is subject to change based upon completion of the company's fiscal year.
