Tortoise Capital Resources Corp. Invests \$7.5 Million in a Private Placement of EV Energy Partners, L.P. Common Units

FOR IMMEDIATE RELEASE

OVERLAND PARK, Kan. - June 04, 2007 - Tortoise Capital Resources Corp. (NYSE: TTO) today announced that it has invested \$7.5 million in a private placement of EV Energy Partners, L.P. (Nasdaq: EVEP) common units.

EV Energy Partners, LP is a master limited partnership engaged in acquiring, producing and developing oil and gas properties. EV Energy Partners, L.P. has stated that it will use the proceeds of the private placement to repay all of its borrowings under its revolving credit facility which were used to finance a previously completed acquisition of Monroe field properties in Louisiana. In addition, proceeds will fund a portion of its \$100 million acquisition of oil and natural gas properties in Central and East Texas which is expected to close within the next five weeks.

"We believe this acquisition aligns with our strategy of investing in upstream assets with viable, long-life reserves," said Tortoise Capital Resources Corp. President, Ed Russell. "We are excited to be part of this transaction which reduces debt at EV Energy Partners, L.P. We believe this places them in an excellent position for future acquisitions."

Tortoise Capital Resources Corp. has invested (excluding short-term investments) approximately \$102.7 million, including equity investments in eleven portfolio companies of approximately \$93.9 million and debt investments in two portfolio companies of approximately \$8.8 million.
