Explanation of Responses:

(1) Shares now being reported separately from Common Stock. Shares of various types were previously grouped together under the security titled Common Stock.

(2) Convertible on a 1-for-1 basis.

(3) Director's fees credited to the reporting person's account in accordance with the Vulcan Materials Company Directors' Deferred Compensation Plan.

(4) The units are to be settled in Vulcan common stock commencing at the retirement of the reporting person.

(5) Deferred Stock Units vest on June 1, following a three-year award period. Vested shares will be delivered to the reporting person on the last business day of March following the year in which the reporting person ceases to be a member of the Board of Directors, unless the reporting person has elected to defer payment of the award, or unless payment is made earlier due to the death or disability of the
reporting person or a change in control of Vulcan. The fair market value of the award is not determinable until the payment date.

Deferred Stock Unit balances were previously separated according to award year and are now being grouped together for ease of reference.
