Explanation of Responses:

- (1) Each restricted stock unit represents a contingent right to receive one share of the Issuer's common stock.
- (2) The restricted stock units shall vest in three equal installments over a three-year period commencing on the first anniversary of the date of grant so that 100% of the restricted stock units will be vested as of May 21, 2018. These restricted stock units also provide for

accelerated vesting in the event that the Reporting Person's employment is terminated in connection with an acquisition of the Issuer.

- (3) Each Performance RSU represents a contingent right to receive one share of the Issuer's common stock; the number of Performance RSUs granted represents the maximum number of Performance RSUs that can be earned by the Reporting Person.
- (4) The vesting of these Performance RSUs is tied to the achievement of a performance goal, which is measured as the total shareholder return, or TSR, realized by the Issuer's stockholders for the two-year performance period from May 1, 2015 to May 1, 2017 versus the TSR realized for that same period by the Russell 2000 Index. The actual number of shares of the Issuer's common stock into which the Performance RSUs will convert will be calculated by multiplying the target number of Performance RSUs (15,000) by a percentage ranging from 0% to 200% based on the actual level at which the performance goal is attained. These Performance RSUs also provide for accelerated vesting in the event that the Reporting Person's employment is terminated in connection with an acquisition of the Issuer.
- (5) The vesting of these Performance RSUs is tied to the achievement of a performance goal, which is measured as the total shareholder return, or TSR, realized by the Issuer's stockholders for the three-year performance period from May 1, 2015 to May 1, 2018 versus the TSR realized for that same period by the Russell 2000 Index. The actual number of shares of the Issuer's common stock into which the Performance RSUs will convert will be calculated by multiplying the target number of Performance RSUs (15,000) by a percentage ranging from 0% to 200% based on the actual level at which the performance goal is attained. These Performance RSUs also provide for accelerated vesting in the event that the Reporting Person's employment is terminated in connection with an acquisition of the Issuer.
- (6) The restricted stock units vest in three equal installments over a three-year period commencing on the first anniversary of the date of grant so that 100% of the restricted stock units will be vested as of May 22, 2017. Vested shares will be delivered to the reporting person within five business days after such shares have become vested.
- (7) The shares of common stock underlying the restricted stock units reported as disposed herein were retained (but not issued) by the Issuer in satisfaction of tax withholding obligations associated with the vesting of such units.
- (8) The restricted stock units reported as disposed herein were settled for shares of the Issuer's common stock.
- (9) The restricted stock units vest in three equal installments over a three-year period commencing on the first anniversary of the date of grant so that 100% of the restricted stock units will be vested as of May 23, 2016.
