PROSPECTUS SUMMARY

This summary highlights some of the information contained in this prospectus and does not contain all of the information that may be important to you. You should read this entire prospectus and the documents incorporated by reference and to which we refer you before making an investment decision. You should carefully consider the information set forth under “Risk Factors” beginning on page 15 of this prospectus, the other cautionary statements described in this prospectus and the risk factors and other cautionary statements which are incorporated by reference in this prospectus, including those described under the heading “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2012 and, to the extent applicable, in any subsequently filed reports. In addition, certain statements include forward-looking information that involves risks and uncertainties. See “Cautionary Note Regarding Forward-Looking Statements.”

As used in this prospectus, and unless the context indicates otherwise, the terms the “Company,” “SemGroup,” “we,” “us,” “our,” “ours,” and similar terms refer to SemGroup[®] Corporation, its consolidated subsidiaries, and its predecessors. In addition, we refer to the notes to be issued in the exchange offer as the “New Notes” and the notes issued on June 14, 2013 as the “Old Notes.” We refer to the New Notes and the Old Notes collectively as the “Notes.” We sometimes refer to crude oil, natural gas, natural gas liquids (natural gas liquids, or “NGLs,” include ethane, propane, normal butane, iso-butane, and natural gasoline), refined petroleum products and liquid asphalt cement, collectively, as “petroleum products” or “products.”

Our Company

We are a growth-oriented provider of gathering, transportation, storage, distribution, marketing and other midstream services primarily to independent producers and refiners of petroleum products and other market participants located in the Midwest and Rocky Mountain regions of the United States of America (the “U.S.”), Canada and the west coast of the United Kingdom (the “U.K.”). We, or our significant equity method investees, have an asset base consisting of pipelines, gathering systems, storage facilities, terminals, processing plants and other distribution assets strategically located between North American production and supply areas, including the Gulf Coast, Midwest, Rocky Mountain and Western Canadian regions. We also maintain and operate storage, terminal and marine facilities at Milford Haven in the U.K. that enable customers to supply petroleum products to markets in the Atlantic Basin. We also operate a network of liquid asphalt cement terminals throughout Mexico. We expect to grow our business by expanding the capacity and utilization of our existing assets and by making selective acquisitions, such as our recent acquisition of Mid-America Midstream Gas Services, L.L.C. (“MAMGS”) from a subsidiary of Chesapeake Energy Corporation (NYSE: CHK) (“Chesapeake”). For additional information regarding this acquisition, please see “—Recent Developments—Acquisition from Chesapeake.”

Assets and Operations

We believe that the variety of our petroleum product assets creates opportunities for us and our customers that avoid seasonal fluctuations of a less diverse business. Our assets include:

- the 2% general partner interest and a 51.6% limited partner interest in Rose Rock Midstream, L.P., a publicly-traded master limited partnership (“Rose Rock”), which owns an approximately 640-mile crude oil pipeline network in Kansas and Oklahoma and a crude oil storage facility in Cushing, Oklahoma with a capacity of 7.25 million barrels and an additional 350,000 barrels currently under construction, and a 34% ownership interest in White Cliffs Pipeline, L.L.C (“White Cliffs”);
- a 51% ownership interest (17% directly and 34% indirectly, through our interest in Rose Rock) in White Cliffs, which owns a 527-mile crude oil pipeline running from Platteville, Colorado to Cushing, Oklahoma (the “White Cliffs Pipeline”), operated by our Crude segment;
- 9.1 million common units of NGL Energy Partners LP (“NGL Energy”) and a 11.78% interest in NGL Energy Holdings LLC, the general partner of NGL Energy;
- approximately 1,790 miles of natural gas and NGL transportation, gathering and distribution pipelines in Kansas, Oklahoma and Texas and Alberta, Canada;
- 8.7 million barrels of owned multi-product storage capacity located in the U.K.;
- twelve liquid asphalt cement terminals and modification facilities and one emulsion distribution terminal in Mexico;
- majority interest in four natural gas processing plants located in Alberta, Canada, with a combined operating capacity of 695 million cubic feet per day;

Table of Contents

- three natural gas processing plants located in the U.S., with 188 million cubic feet per day of capacity; and
- a crude oil trucking fleet of over 130 transport trucks and 150 trailers.

We operate these assets and conduct our business through six primary business segments: Crude, SemStream, SemLogistics, SemCAMS, SemMexico and SemGas.

Crude

Crude's business operations are conducted through its 51% ownership interest in White Cliffs, and the 2% general partner interest and a 51.6% limited partner interest in Rose Rock. These operations include crude oil transportation, storage, terminalling, gathering and marketing in Colorado, Kansas, Louisiana, Montana, New Mexico, North Dakota, Oklahoma, Texas and Wyoming for third-party customers as well as for itself. In addition to its equity investment in White Cliffs, the Crude business unit consists of five primary operations: (i) Cushing storage; (ii) Kansas and Oklahoma pipeline system; (iii) Crude oil trucking fleet; (iv) Bakken Shale operations; and (v) Platteville Facility.

Cushing Storage . Crude owns and operates 29 crude oil storage tanks in Cushing with an aggregate storage capacity of approximately 7.25 million barrels and an additional 350,000 barrels of storage currently under construction. Our storage terminal has a combined capacity to deliver 480,000 barrels of crude oil per day, and has inbound connections with the White Cliffs Pipeline from Platteville, Colorado, the Great Salt Plains Pipeline from Cherokee, Oklahoma, the Cimarron Pipeline from Boyer, Kansas, our Kansas and Oklahoma gathering system and two-way interconnections with all of the other major storage terminals in Cushing, the delivery point specified in all crude oil futures contracts traded on the NYMEX.

Kansas and Oklahoma Pipeline . Crude owns and operates an approximately 640-mile crude oil gathering and transportation pipeline system and over 660,000 barrels of associated storage in Kansas and Northern Oklahoma. This system gathers crude oil from throughout the region and delivers it to third-party pipelines and refineries and our Cushing terminal, thereby providing our customers with multiple delivery options.

Crude Oil Trucking Fleet . Crude owns and operates a crude oil trucking fleet of over 130 transport trucks and 150 trailers providing transportation services in Colorado, Kansas, Louisiana, New Mexico, North Dakota, Oklahoma, Texas and Wyoming, as well as a long-term, take-or-pay customer transportation agreement.

Bakken Shale . Crude owns and operates a crude oil gathering, storage, transportation and marketing business in the Bakken Shale area in Western North Dakota and Eastern Montana. Using our fleet of trucks and capacity on the Enbridge North Dakota System, we purchase crude oil at the wellhead and transport and market it to customers, historically at the crude oil marketing hub in Clearbrook, Minnesota.

Platteville Facility . Crude owns and operates a modern, sixteen-lane crude oil truck unloading facility in Platteville, Colorado, which connects to the origination point of the White Cliffs Pipeline. Much of the crude oil production from the Denver-Julesburg Basin ("DJ Basin") and the nearby Niobrara Shale must initially be transported by truck due to a shortage of gathering capacity. The facility includes storage capacity of 230,000 barrels of crude oil.

White Cliffs Pipeline . Crude owns 51% of White Cliffs, which owns the White Cliffs Pipeline, a 527-mile common carrier, crude oil pipeline system that originates in Colorado and terminates in Cushing, Oklahoma. The White Cliffs Pipeline, which has a capacity of approximately 76,000 barrels of crude oil per day, is the primary direct pipeline out of the DJ Basin to the Cushing market and Mid-Continent refineries. White Cliffs is undertaking an expansion to increase the capacity of the White Cliffs Pipeline from approximately 76,000 barrels per day to about 150,000 barrels per day.

A majority of Crude's revenue is generated from fee-based contractual arrangements that, in some instances, are fixed and not dependent on usage. In addition to third-party customer revenue, Crude generates revenue from limited marketing activities. Crude's marketing activities include purchasing crude oil for its own account from producers and aggregators and selling crude oil to traders and refiners.

SemStream

SemStream holds SemGroup's ownership interests in NGL Energy, a master limited partnership, publicly traded on the New York Stock Exchange as "NGL." NGL Energy owns and operates four primary businesses: crude oil logistics, water services, natural gas liquids logistics and retail propane.

SemLogistics

SemLogistics owns one of the largest independent petroleum products storage facilities in the U.K, which includes approximately 8.7 million barrels of above ground storage tanks. The facility is strategically located to access the U.K. market and to service numerous global markets. SemLogistics generates revenue from fixed-fee storage tank leasing and related services.

SemCAMS

SemCAMS operates and owns majority interests in four natural gas processing plants and a network of more than 600 miles of natural gas gathering and transportation pipelines. All of SemCAMS' assets are located in West-Central Alberta, in the heart of the Western Canadian Sedimentary Basin, which accounts for approximately 70% of Canada's total natural gas production and approximately 80% of Canada's total sour gas production. SemCAMS generates revenue from fee-based throughput arrangements.

SemMexico

SemMexico provides a variety of liquid asphalt cement products and product application services to the Mexican market. In addition to direct asphalt cement sales, SemMexico further processes asphalt materials in combination with other raw materials to produce value-added products. SemMexico currently operates an in-country network of 12 asphalt cement terminals and modification facilities, one emulsion distribution terminal and two portable rail unloading facilities to import asphalt from the U.S.

SemGas

SemGas currently owns and operates over 1,150 miles of natural gas gathering pipelines in Kansas, Oklahoma and Texas and three natural gas processing plants. These assets include three processing plants located in the Mississippi Lime play, which have a combined processing capacity of approximately 188 million cubic feet per day. In addition, SemGas is constructing two additional natural gas processing plants in the Mississippi Lime play, which will have a combined processing capacity of 400 million cubic feet per day once completed. There are approximately 540,000 net acres dedicated to SemGas from several area producers in the Mississippi Lime play. SemGas generates revenue from a portfolio of contracts.

Recent Developments

Rose Rock Drop-Down and Related Transactions

On December 16, 2013, we contributed a one-third interest in SemCrude Pipeline L.L.C. ("SCPL") to Rose Rock in exchange for (i) approximately \$173.1 million of cash, (ii) 1.5 million common units of Rose Rock, (iii) 1.25 million Class A units of Rose Rock and (iv) an increase of the capital account of the general partner of Rose Rock and a related issuance of general partner interests, to allow the general partner of Rose Rock to maintain its two percent general partner interest. The Class A units are not entitled to receive any distributions of available cash (other than upon liquidation) prior to the first day of the month immediately following the first month for which the average daily throughput volumes on the White Cliffs Pipeline for such month are 125,000 barrels per day or more. Upon such date, the Class A units will automatically convert into common units. SCPL owns a 51 percent membership interest in White Cliffs. Rose Rock now owns a two-thirds interest in SCPL, giving Rose Rock an indirect 34 percent interest in White Cliffs.

In connection with this transaction, Rose Rock exercised the accordion feature of its revolving credit facility and increased the total borrowing capacity from \$385 million to \$585 million and made a borrowing of approximately \$173.1 million. The proceeds from the borrowing were used by Rose Rock to fund the cash consideration for the drop-down transaction and to pay certain related transaction costs and expenses. We used the cash proceeds received from Rose Rock to repay amounts borrowed under our revolving credit facility under the SemGroup Credit Agreement.

Amendment Under the SemGroup Credit Agreement

In June 2011, we entered into a credit agreement (as amended, the "SemGroup Credit Agreement"), with The Royal Bank of Scotland plc, as administrative agent and collateral agent, the various bookrunners, arrangers and agents party thereto, certain of our subsidiaries and the lenders party thereto. On December 11, 2013, the SemGroup Credit Agreement was amended to permit, subject to certain conditions, an increase of the commitments under the revolving credit facility by up to an additional \$300 million. In addition, the amendment modifies the SemGroup Credit Agreement by, among other things, (i) extending the availability period of the revolving commitments, and the maturity date of the extensions of credit under the SemGroup Credit Agreement, to December 11, 2018, (ii) reducing the interest rate payable in respect of the revolving and term commitments and (iii) modifying the commitment fees payable in respect of revolving commitments.

Amendment and Commitment Increase Under Rose Rock Credit Agreement

In November 2011, Rose Rock entered into a credit agreement (as amended, the “Rose Rock Credit Agreement”), with the Royal Bank of Scotland plc, as administrative agent and collateral agent, certain subsidiaries of Rose Rock and the lenders party thereto. On December 10, 2013, the Rose Rock Credit Agreement was amended to, among other things, (i) increase the aggregate revolving commitments under the Rose Rock Credit Agreement from \$385 million to \$585 million and (ii) increase the revolving letter of credit commitments under the Rose Rock Credit Agreement to an aggregate amount of \$150 million.

Rose Rock Offering

On August 16, 2013, Rose Rock completed a public offering of 4,750,000 common units at a price to the public of \$33.44 per common unit (\$32.10 per common unit, net of underwriting discounts and commissions). Rose Rock received net proceeds, including Rose Rock’s general partner’s proportionate capital contribution to maintain its 2% general partner interest in Rose Rock, of approximately \$155.6 million, after deducting underwriting discounts and structuring fees. Rose Rock used the net proceeds, along with cash on hand, to repay amounts outstanding under its revolving credit facility under the Rose Rock Credit Agreement.

Acquisition of Transportation Assets from Barcas Field Services

On September 1, 2013, Rose Rock acquired the assets of Barcas Field Services, LLC, which owns and operates a crude oil trucking fleet, for \$50 million. Highlights of the acquisition include the following:

- 114 trucks, 120 trailers and miscellaneous equipment operating in Colorado, Louisiana, Oklahoma, Wyoming, North Dakota, Kansas, New Mexico, and Texas; and
- a long-term, take-or-pay customer transportation agreement.

Planned Retirement of President and Chief Executive Officer

On August 8, 2013, SemGroup and Rose Rock announced that Norman J. Szydlowski, who has served as President and Chief Executive Officer of SemGroup since November 2009 and as President and Chief Executive Officer of Rose Rock’s general partner since its formation, will retire once a successor is in place.

Acquisition from Chesapeake

On August 1, 2013, SemGas, L.P., a wholly-owned subsidiary of the Company, completed the acquisition of all the outstanding equity interests in MAMGS from Chesapeake Midstream Development, L.L.C. (“CMD”), a subsidiary of Chesapeake, in exchange for approximately \$316.1 million in cash. The acquisition was made pursuant to the previously disclosed unit purchase agreement, dated as of April 30 2013, as amended, by and between SemGas, L.P. and CMD. We refer to this acquisition as the “Acquisition.”

MAMGS owns natural gas gathering and processing assets in the Mississippi Lime play in Northern Oklahoma, including 200 miles of gathering pipelines and certain other assets related to two gas processing plants that are under construction. The two plants are expected to be operational in the first quarter of 2014 and the first quarter of 2016, respectively, and will require approximately \$125 million of additional capital expenditures for completion, in addition to capital expenditures related to future well connections. Once completed, the plants will have a combined processing capacity of 400 million cubic feet per day.

In connection with the closing of the Acquisition, SemGas, L.P. entered into a long-term, 100% fee-based gas gathering and processing agreement with certain affiliates of Chesapeake and Sinopec International Petroleum Exploration and Production Corporation (“Sinopec”), a joint venture partner of Chesapeake, under which we received certain gathering and processing rights with respect to gas produced by certain affiliates of Chesapeake and Sinopec from acreage in the Mississippi Lime play. The properties encompassed by the acreage dedications under this gas gathering and processing agreement include approximately 540,000 net acres.

We funded the Acquisition through the combination of a portion of the net proceeds from the issuance and sale of the Old Notes and a borrowing under our revolving credit facility under the SemGroup Credit Agreement.

The Exchange Offer

On June 14, 2013, we completed a private offering of the Old Notes. In connection with the closing of the offering of the Old Notes, we entered into a registration rights agreement with the initial purchasers in the private offering in which we agreed, among other things, to deliver to you this prospectus and to use commercially reasonable efforts to complete the exchange offer within 365 days after the date we issued the Old Notes.

The following summary contains basic information about the exchange offer and is not intended to be complete. It does not contain all information that may be important to you. For a more complete understanding of the exchange offer, please refer to the section entitled “Exchange Offer” in this prospectus.

Exchange Offer	We are offering to exchange New Notes for Old Notes.
Expiration Date	The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2014, unless we decide to extend it.
Condition to the Exchange Offer	The registration rights agreement does not require us to accept Old Notes for exchange if the exchange offer, or the making of any exchange by a holder of the Old Notes, would violate any applicable law or SEC policy. The exchange offer is not conditioned on a minimum aggregate principal amount of Old Notes being tendered.
Procedures for Tendering Old Notes	<p>To participate in the exchange offer, you must follow the procedures established by The Depository Trust Company, which we call “DTC,” for tendering Old Notes held in book-entry form. These procedures, which we call “ATOP,” require that (i) the exchange agent receive, before the expiration date of the exchange offer, a computer generated message known as an “agent’s message” that is transmitted through DTC’s automated tender offer program and (ii) DTC has received:</p> <ul style="list-style-type: none">• your instructions to exchange your Old Notes; and• your agreement to be bound by the terms of the letter of transmittal. <p>For more information on tendering your Old Notes, please refer to the sections in this prospectus entitled “Exchange Offer—Terms of the Exchange Offer,” “—Procedures for Tendering,” and “Book-Entry; Delivery and Form.”</p>
Guaranteed Delivery Procedures	None.
Withdrawal of Tenders	You may withdraw your tender of Old Notes at any time before the expiration date. To withdraw, you must submit a notice of withdrawal to the exchange agent using ATOP procedures before 5:00 p.m., New York City time, on the expiration date of the exchange offer. Please refer to the section in this prospectus entitled “Exchange Offer—Withdrawal of Tenders.”
Acceptance of Old Notes and Delivery of New Notes	If you fulfill all conditions required for proper acceptance of Old Notes, we will accept any and all Old Notes that you properly tender in the exchange offer on or before 5:00 p.m., New York City time, on the expiration date. We will return any Old Notes that we do not accept for exchange to you without expense promptly after the expiration date and acceptance of the Old Notes for exchange. Please refer to the section in this prospectus entitled “Exchange Offer—Terms of the Exchange Offer.”
Fees and Expenses	We will bear expenses related to the exchange offer. Please refer to the section in this prospectus entitled “Exchange Offer—Fees and Expenses.”
Use of Proceeds	The issuance of the New Notes will not provide us with any new proceeds. We are making this exchange offer solely to satisfy our obligations under our registration rights agreement.

Consequences of Failure to Exchange Old Notes	<p>If you do not exchange your Old Notes in this exchange offer, you will no longer be able to require us to register the Old Notes under the Securities Act except in limited circumstances provided under the registration rights agreement. In addition, you will not be able to resell, offer to resell or otherwise transfer the Old Notes unless we have registered the Old Notes under the Securities Act, or unless you resell, offer to resell or otherwise transfer them under an exemption from the registration requirements of, or in a transaction not subject to, the Securities Act.</p> <p>In addition, after the consummation of the exchange offer, it is anticipated that the outstanding principal amount of the Old Notes available for trading will be significantly reduced. The reduced float may adversely affect the liquidity and market price of the Old Notes. A smaller outstanding principal amount of Old Notes available for trading may also make the price of the Old Notes more volatile.</p>
U.S. Federal Income Tax Consequences	<p>The exchange of New Notes for Old Notes in the exchange offer will not be a taxable event for U.S. federal income tax purposes. Please read “Material United States Federal Tax Consequences.”</p>
Exchange Agent	<p>We have appointed Wilmington Trust, National Association, as exchange agent for the exchange offer. You should direct questions and requests for assistance, requests for additional copies of this prospectus or the letter of transmittal to the exchange agent addressed as follows: Wilmington Trust, National Association, c/o Wilmington Trust Company, Corporate Capital Markets, Rodney Square North, 1100 N. Market Street, Wilmington, DE 19890-1626. Eligible institutions may make requests by facsimile at (302) 636-4139 and may confirm facsimile delivery by calling (302) 636-6181.</p>

Selected Historical Consolidated Financial Data

The following table provides selected consolidated financial data as of and for the periods shown. The balance sheet data as of December 31, 2012, 2011, 2010, 2009 and 2008 and as of November 30, 2009, and the statement of operations data for the years ended December 31, 2012, 2011, 2010 and 2008 and the one month ended December 31, 2009 and the eleven months ended November 30, 2009, have been derived from our audited financial statements for those dates and periods. The balance sheet data as of September 30, 2013 and 2012 and the statement of operations data for the nine months ended September 30, 2013 and 2012 have been derived from our unaudited financial statements for those dates and periods. Our summary historical results are not necessarily indicative of results to be expected in future periods, and you should not consider the results for the unaudited nine-month periods to be indicative of full year results. The selected financial data presented below are qualified in their entirety by reference to, and should be read in conjunction with, our audited financial statements and accompanying notes in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012 and our unaudited financial statements and accompanying notes in our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2013, each of which is incorporated by reference in this prospectus.

We have experienced many changes in our business during the periods shown in the table below, which significantly limits the comparability of the financial data. Such changes include, but are not limited to:

- the deconsolidation in July 2008, and the reconsolidation in November 2009, of SemCAMS and SemCanada Crude;
- the deconsolidation in July 2008 of SemCanada Energy and Blueknight Energy Partners, L.P.;
- our predecessor's bankruptcy, which resulted in significant professional fee expenses and losses on the disposal or impairment of long-lived assets;
- our predecessor's emergence from bankruptcy during 2009, which resulted in reorganization gains on the extinguishment of debt and on the application of fresh-start reporting;
- the deconsolidation of White Cliffs at the end of September 2010;
- various impairments of long-lived assets and gains/losses on disposal of long-lived assets;
- the sale of SemStream assets to NGL Energy on November 1, 2011; and
- the initial public offering for Rose Rock in December 2011.

- (1) On July 22, 2008, our predecessor, SemGroup, L.P., and certain of its U.S. subsidiaries filed petitions for reorganization under Chapter 11 of the U.S. Bankruptcy Code, and SemGroup, L.P.'s Canadian subsidiaries filed applications for creditor protection in Canada under the Companies' Creditors Arrangement Act. Later during 2008, certain other U.S. subsidiaries filed petitions for reorganization. While under bankruptcy protection, SemGroup, L.P. sold or liquidated certain of its subsidiaries. SemGroup Corporation and the remaining subsidiaries emerged from bankruptcy on November 30, 2009.

Balance sheet data in the table as of September 30, 2013 and 2012 and December 31, 2012, 2011, 2010 and 2009 and November 30, 2009 and statement of operations data for the nine months ended September 30, 2013 and 2012 and the years ended December 31, 2012, 2011 and 2010 and the one month ended December 31, 2009 is that of SemGroup Corporation. Balance sheet and statement of operations data as of all other dates and for all other periods are that of our predecessor, SemGroup, L.P. We applied fresh-start reporting as of November 30, 2009. As a result, our financial data is not comparable to that of our predecessor. Earnings per share in the table is only presented for the periods subsequent to our emergence from our predecessor's bankruptcy, since the limited partner units of SemGroup, L.P. were canceled upon emergence from our predecessor's bankruptcy.

- (2) For information regarding our definitions of Adjusted gross margin, Covenant EBITDA and Adjusted EBITDA, our reasons for using Adjusted gross margin, Covenant EBITDA and Adjusted EBITDA as supplemental financial measures and a reconciliation of each of these measures to its most directly comparable GAAP financial measure, please see "—Non-GAAP Financial Measures and Reconciliations."
- (3) Covenant EBITDA is not provided for any of the periods preceding the year ended December 31, 2011, because Covenant EBITDA for such periods is not comparable to the other periods presented.
- (4) For the definitions of "earnings" and "fixed charges" for purposes of this computation, please see "Ratio of Earnings to Fixed Charges."
- (5) Earnings for the year ended December 31, 2010, the one month ended December 31, 2009 and the year ended December 31, 2008 were insufficient to cover fixed charges by \$136 million, \$45 million and \$1,771 million, respectively.

Non-GAAP Financial Measures and Reconciliations

Adjusted gross margin, Covenant EBITDA and Adjusted EBITDA are not financial measures presented in accordance with GAAP. We believe that the presentation of these non-GAAP financial measures will provide useful information to investors in assessing our financial condition and results of operations.

We view Adjusted gross margin as an important performance measure of the core profitability of our operations, as well as our operating performance as compared to that of other companies in our industry, without regard to financing methods, historical cost basis, capital structure or the impact of fluctuating commodity prices. We define Adjusted gross margin as total revenues minus cost of products sold and unrealized gain (loss) on derivatives. Adjusted gross margin allows us to make a meaningful comparison of the operating results between our fee-based activities, which do not involve the purchase or sale of petroleum products, and our fixed-margin and marketing operations, which do involve such activities. In addition, Adjusted gross margin allows us to make a meaningful comparison of the results of our fixed-margin and marketing operations across different commodity price environments because it measures the spread between the product sales price and costs of products sold.

Table of Contents

Covenant EBITDA is determined by reference to the related definitions in the SemGroup Credit Agreement and the Indenture and is calculated as net income (loss) before interest expense, income tax expense (benefit), depreciation and amortization and adjusted for other selected items set forth in the SemGroup Credit Agreement and the Indenture. Covenant EBITDA is used to determine our compliance with certain covenants in the SemGroup Credit Agreement and the Indenture.

We define Adjusted EBITDA as net income (loss) before interest expense, income tax expense (benefit), depreciation and amortization and adjusted for selected items that we believe impact the comparability of financial results between reporting periods. We use Adjusted EBITDA as a supplemental performance measure to assess:

- our operating performance as compared to that of other companies in our industry, without regard to financing methods, historical cost basis, capital structure or the impact of fluctuating commodity prices; and
- the viability of acquisitions and other capital expenditure projects and the returns on investment of various investment opportunities.

Operating income (loss) is the GAAP financial measure most directly comparable to Adjusted gross margin, and net income (loss) is the GAAP financial measure most directly comparable to each of Covenant EBITDA and Adjusted EBITDA. Our non-GAAP financial measures should not be considered as alternatives to the most directly comparable GAAP financial measures. Each of these non-GAAP financial measures has important limitations as an analytical tool because it excludes some, but not all, items that affect the most directly comparable GAAP financial measure. You should not consider Adjusted gross margin, Covenant EBITDA or Adjusted EBITDA in isolation or as a substitute for analysis of our results as reported under GAAP. Because Adjusted gross margin, Covenant EBITDA and Adjusted EBITDA may be defined differently by other companies in our industry, our definitions of these non-GAAP financial measures may not be comparable to similarly titled measures of other companies, thereby diminishing their utility.

Management compensates for the limitations of Adjusted gross margin, Covenant EBITDA and Adjusted EBITDA as an analytical tool by reviewing the comparable GAAP financial measures, understanding the difference between Adjusted gross margin, Covenant EBITDA and Adjusted EBITDA, on the one hand, and each of their respective most directly comparable GAAP financial measures, on the other hand, and incorporating this knowledge into its decision-making processes. We believe that investors benefit from having access to the same financial measures that our management uses in evaluating our operating results.

The following table presents a reconciliation of operating income (loss) to Adjusted gross margin and net income (loss) to each of Covenant EBITDA and Adjusted EBITDA, the most directly comparable GAAP financial measures, on a historical basis for each of the periods indicated. No reconciliation is provided to Covenant EBITDA for any of the periods preceding the year ended December 31, 2011, because Covenant EBITDA for such periods is not comparable to the other periods presented.

RISK FACTORS

You should carefully consider the information included or incorporated by reference in this prospectus, including the matters addressed under “Cautionary Note Regarding Forward-Looking Statements” and the risks described below. In addition, you should read the risk factors and cautionary statements which are incorporated by reference in this prospectus, including those described under the heading “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2012 and, to the extent applicable, in any subsequently filed reports.

We are subject to certain risks and hazards due to the nature of the business activities we conduct. The risks discussed below, any of which could materially and adversely affect our business, financial condition, cash flows and results of operations, are not the only risks we face. We may experience additional risks and uncertainties not currently known to us; or, as a result of developments occurring in the future, conditions that we currently deem to be immaterial may also materially and adversely affect our business, financial condition, cash flows, and results of operations.

Risks Related to Our Indebtedness and the Notes

If you do not properly tender your Old Notes, you will continue to hold unregistered Old Notes and your ability to transfer Old Notes will remain restricted and may be adversely affected.

We will only issue New Notes in exchange for Old Notes that you timely and properly tender. Therefore, you should allow sufficient time to ensure timely delivery of the Old Notes and you should carefully follow the instructions on how to tender your Old Notes. Neither we nor the exchange agent is required to tell you of any defects or irregularities with respect to your tender of Old Notes.

If you do not exchange your Old Notes for New Notes under the exchange offer, your Old Notes will continue to be subject to the existing transfer restrictions. In general, you may not offer or sell the Old Notes except under an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not plan to register Old Notes under the Securities Act unless our registration rights agreement with the initial purchasers of the Old Notes requires us to do so. Further, if you continue to hold any Old Notes after the exchange offer is consummated, you may have trouble selling them because there will be fewer of the Old Notes outstanding.

Our indebtedness could limit our flexibility, adversely affect our financial health and prevent us from making payments on the Notes.

As of September 30, 2013, on an as adjusted basis after giving effect to the recent Rose Rock drop-down and related transactions and the increase of the revolving credit facility capacity under the Rose Rock Credit Agreement from \$385 million to \$585 million, we had \$558.5 million of indebtedness outstanding (which includes \$258.5 million and \$0 million outstanding under the Rose Rock credit facility and the SemMexico credit facilities, respectively), and the right to borrow up to an additional \$794 million under our credit facilities (which includes \$290.9 million and \$7.6 million of availability under the Rose Rock credit facility and the SemMexico credit facilities, respectively).

Our substantial indebtedness could have important consequences to you. For example, it could:

- make it difficult for us to satisfy our obligations with respect to the Notes;
- make us more vulnerable to general adverse economic and industry conditions;
- require us to dedicate a substantial portion of our cash flow from operations to payments on our indebtedness, thereby reducing the availability of our cash flow for operations and other purposes;
- limit our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate; and
- place us at a competitive disadvantage compared to competitors that may have proportionately less indebtedness.

In addition, our ability to make scheduled payments or to refinance our obligations depends on our successful financial and operating performance. We cannot assure you that our operating performance will generate sufficient cash flow or that our capital resources will be sufficient for payment of our debt obligations in the future. Our financial and operating performance, cash flow, and capital resources depend on prevailing economic conditions and financial, business and other factors, many of which are beyond our control.

Table of Contents

If our cash flow and capital resources are insufficient to fund our debt service obligations, we may be forced to sell material assets or operations, obtain additional capital or restructure our debt. In the event that we are required to dispose of material assets or operations or restructure our debt to meet our debt service and other obligations, we cannot assure you as to the terms of any such transaction or how quickly any such transaction could be completed, if at all.

We may incur substantial additional indebtedness in the future. Our incurrence of additional indebtedness would intensify the risks described above.

Despite our current leverage, we may still be able to incur substantially more debt. This could further exacerbate the risks that we and our subsidiaries face.

We and our subsidiaries may be able to incur substantial additional indebtedness, including additional secured indebtedness, in the future. As of September 30, 2013, on an as adjusted basis after giving effect to the recent Rose Rock drop-down and related transactions and the increase of the revolving credit facility capacity under the Rose Rock Credit Agreement from \$385 million to \$585 million, we had \$558.5 million of indebtedness outstanding (which includes \$258.5 million and \$0 million outstanding under the Rose Rock credit facility and the SemMexico credit facilities, respectively), and the right to borrow up to an additional \$794 million under our credit facilities (which includes \$290.9 million and \$7.6 million of availability under the Rose Rock credit facility and the SemMexico credit facilities, respectively). Additionally, the Indenture allows us to incur a significant amount of indebtedness in connection with acquisitions (including an unlimited amount of certain types of debt that will require cash payments of interest during the period the Notes are outstanding). See “Description of the Notes—Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.”

The instruments governing our indebtedness contain various covenants limiting the conduct of our business.

The Indenture and our credit agreements contain various restrictive covenants that limit the conduct of our business and require us to maintain certain financial ratios. These covenants and restrictions limit our ability to respond to changing business and economic conditions and may prevent us from engaging in transactions that might otherwise be considered beneficial to us. In particular, these agreements place certain limits on our ability to, among other things:

- incur additional indebtedness;
- incur liens;
- enter into sale and lease back transactions;
- make investments;
- pay dividends or distributions;
- make certain restricted payments;
- consummate certain asset sales;
- enter into certain transactions with affiliates; and
- merge, consolidate and/or sell or dispose of all, or substantially all, of our assets.

You should read the discussion under the heading “Description of the Notes—Certain Covenants” for further information about the covenants under the Indenture.

If we fail to comply with the restrictions in the Indenture, our credit agreements or any other subsequent financing agreements, a default may allow the creditors, if the agreements so provide, to accelerate the related indebtedness as well as any other indebtedness to which a cross-acceleration or cross-default provision applies. If that occurs, we may not be able to make all of the required payments or borrow sufficient funds to refinance such debt. Even if new financing were available at that time, it may not be available on terms acceptable to us.

If we are unable to repay amounts outstanding under our credit agreements when due, the lenders thereunder could, subject to the terms of the relevant agreements, seek to sell or otherwise transfer our assets granted to them as collateral to secure the indebtedness outstanding under those facilities. Substantially all of our assets have been pledged as collateral to secure our credit agreements. In addition, the lenders under our credit agreements could choose to terminate any commitments to supply us with further funds.

Table of Contents

The Notes are unsecured.

The Notes are not secured by any of our or our subsidiaries' assets. The Indenture permits us and our subsidiaries to incur secured debt. As a result, the Notes and the guarantees thereof are effectively subordinated to all of our and the guarantors' secured obligations to the extent of the value of the assets securing such obligations. As of September 30, 2013, on an as adjusted basis after giving effect to the recent Rose Rock drop-down and related transactions and the increase of the revolving credit facility capacity under the Rose Rock Credit Agreement from \$385 million to \$585 million, we had \$258.5 million of secured debt outstanding (which includes \$258.5 million outstanding under Rose Rock's credit facility) and we had \$786.4 million of availability under our secured revolving credit facilities (which includes \$290.9 million of availability under Rose Rock's credit facility). If we or the subsidiary guarantors were to become insolvent or otherwise fail to make payment on the Notes or the guarantees, holders of any of our and the subsidiary guarantors' secured obligations would be paid first and would receive payments from the assets securing such obligations before the holders of the Notes would receive any payments. Holders of Notes may therefore not be fully repaid if we or the subsidiary guarantors become insolvent or otherwise fail to make payment on the Notes.

Any failure to meet our debt obligations could harm our business, financial condition and results of operations.

If our cash flow and capital resources are insufficient to fund our debt obligations, we may be forced to sell assets, seek additional equity or debt capital or restructure our debt. In addition, any failure to make scheduled payments of interest and principal on our outstanding indebtedness would likely result in a downgrade of our credit rating, which could harm our ability to incur additional indebtedness on acceptable terms to us, if at all. Our cash flow and capital resources may be insufficient for payment of interest on and principal of our debt in the future, including payments on the Notes, and any such alternative measures may be unsuccessful or may not permit us to meet scheduled debt service obligations, which could cause us to default on our obligations and impair our liquidity.

We may be unable to purchase your Notes upon a change of control triggering event.

Upon the occurrence of a change of control triggering event, as defined in the Indenture, we will be required to offer to purchase your Notes. We may not have sufficient financial resources to purchase all of the Notes that holders tender to us pursuant to a change of control triggering event offer, or might be prohibited from doing so under our credit agreements or our other indebtedness. The occurrence of a change of control triggering event could also constitute an event of default under our credit agreements or our other indebtedness. See "Description of the Notes—Repurchase at the Option of Holders—Change of Control Triggering Event."

Because substantially all of our operations are conducted through our subsidiaries, our ability to service our debt is largely dependent on our receipt of distributions or other payments from our subsidiaries.

Substantially all of our operations are conducted through our subsidiaries. As a result, our ability to make interest and principal payments on the Notes is largely dependent on the earnings of our subsidiaries and the payment of those earnings to us in the form of dividends, loans or advances and through repayment of loans or advances from us. Unless they are guarantors, our subsidiaries do not have any obligation to pay amounts due on the Notes or to make funds available for that purpose. Payments to us by our subsidiaries will be contingent upon our subsidiaries' earnings and other business considerations and may be subject to statutory or contractual restrictions. In addition, there may be significant tax and other legal restrictions on the ability of our non-U.S. subsidiaries to remit money to us.

Federal and state statutes allow courts, under specific circumstances, to void the guarantees and require holders of the Notes to return payments received from the subsidiary guarantors.

Creditors of any business are protected by fraudulent conveyance laws that differ among various jurisdictions and these laws may apply to the issuance of the guarantees by the subsidiary guarantors. The guarantees may be voided by a court, or subordinated to the claims of other creditors, if, among other things:

- the indebtedness evidenced by the guarantees was incurred by a subsidiary guarantor with actual intent to hinder, delay or defraud any present or future creditor of such subsidiary guarantor; or
- the subsidiary guarantors did not receive fair consideration or reasonably equivalent value for issuing the guarantees and the applicable subsidiary guarantors:
 - (1) were insolvent or were rendered insolvent by reason of issuing the applicable guarantee,
 - (2) were engaged or about to engage in a business or transaction for which the remaining assets of the applicable subsidiary guarantor constituted unreasonably small capital, or

Table of Contents

(3) intended to incur, or believed that we or they would incur, indebtedness beyond our or their ability to pay as they matured.

In addition, any payment by such subsidiary guarantor under any guarantee could be voided and required to be returned to such subsidiary guarantor or to a fund for the benefit of the creditors of such subsidiary guarantor.

The measures of insolvency for purposes of these fraudulent transfer laws will vary depending on the law applied in any proceeding to determine whether a fraudulent transfer has occurred. Generally, however, a subsidiary guarantor would be considered insolvent if:

- the sum of such subsidiary guarantor's debts, including contingent liabilities, were greater than the fair saleable value of all of such subsidiary guarantor's assets;
- the present fair saleable value of such subsidiary guarantor's assets were less than the amount that would be required to pay such subsidiary guarantor's probable liability on existing debts, including contingent liabilities, as they become absolute and mature; or
- any subsidiary guarantor could not pay debts as they become due.

Based on financial and other information, we believe that the guarantees will be incurred for proper purposes and in good faith and that each subsidiary guarantor is solvent and will continue to be solvent after this offering is completed, will have sufficient capital for carrying on its business after this offering is completed and will be able to pay its indebtedness as it matures. We cannot assure you, however, that a court reviewing these matters would agree with us. A legal challenge to a guarantee on fraudulent conveyance grounds may focus on the benefits, if any, realized by us or the subsidiary guarantors as a result of the issuance of the guarantees.

The Indenture contains a "savings clause," which limits the liability of each subsidiary guarantor on its guarantee to the maximum amount that such subsidiary guarantor can incur without risk that its guarantee will be subject to avoidance as a fraudulent transfer. We cannot assure you that this limitation will protect such guarantees from fraudulent transfer challenges or, if it does, that the remaining amount due and collectible under the guarantees would suffice, if necessary, to pay the Notes in full when due. Furthermore, in a recent case, *Official Committee of Unsecured Creditors of TOUSA, Inc. v Citicorp North America, Inc.*, the U.S. Bankruptcy Court in the Southern District of Florida held that a savings clause similar to the savings clause that is included in the Indenture was unenforceable. As a result, the subsidiary guarantees were found to be fraudulent conveyances. The United States Court of Appeals for the Eleventh Circuit recently affirmed the liability findings of the Bankruptcy Court without ruling directly on the enforceability of savings clauses generally. If the *TOUSA* decision were followed by other courts, the risk that the guarantees would be deemed fraudulent conveyances would be significantly increased.

Receipt of payment on the Notes, as well as the enforcement of remedies under the subsidiary guarantees, may be limited in bankruptcy or in equity.

An investment in the Notes, as in any type of security, involves insolvency and bankruptcy considerations that investors should carefully consider. If we or any of the subsidiary guarantors become a debtor subject to insolvency proceedings under the bankruptcy code, it is likely to result in delays in the payment of the Notes and in the exercise of enforcement remedies under the Notes or the subsidiary guarantees. Provisions under the bankruptcy code or general principles of equity that could result in the impairment of your rights include the automatic stay, avoidance of preferential transfers by a trustee or a debtor-in-possession, substantive consolidation, limitations of collectability of unmatured interest or attorneys' fees and forced restructuring of the Notes.

If a bankruptcy court substantively consolidated us and our subsidiaries, the assets of each entity would be subject to the claims of creditors of all entities. This would expose you not only to the usual impairments arising from bankruptcy, but also to potential dilution of the amount ultimately recoverable because of the larger creditor base. Furthermore, forced restructuring of the Notes could occur through the "cram-down" provision of the bankruptcy code. Under this provision, the Notes could be restructured over your objections as to their general terms, primarily interest rate and maturity.

Your ability to transfer the Notes may be limited by the absence of an active trading market, and there is no assurance that any active trading market for the Notes will develop or persist.

The Old Notes have not been registered under the Securities Act, and may not be resold by holders thereof unless the Old Notes are subsequently registered or an exemption from the registration requirements of the Securities Act is available. However, we cannot assure you that, even following registration or exchange of the Old Notes for New Notes, that an active trading market for the Old Notes or the New Notes will exist (or persist, if developed), and we will have no obligation to create such a market. At the time of

Table of Contents

the private placement of the Old Notes, the initial purchasers advised us that they intended to make a market in the Old Notes and, if issued, the New Notes. The initial purchasers are not obligated, however, to make a market in the Old Notes or the New Notes and any market making may be discontinued at any time at their sole discretion. No assurance can be given as to the liquidity of or trading market for the Old Notes or the New Notes.

The liquidity of any trading market for the Notes and the market price quoted for the Notes will depend on many factors, including among other things:

- changes in the overall market for non-investment grade securities;
- changes in our financial performance or prospects;
- the prospects for companies in our industry generally;
- the number of holders of the Notes;
- the interest of securities dealers in making a market for the Notes; and
- prevailing interest rates.

In addition, the market for non-investment grade indebtedness has been historically subject to disruptions that have caused substantial volatility in the prices of securities similar to the Notes. The market for the Notes, if any, may be subject to similar disruptions. Any such disruption could adversely affect the value of your Notes.

Investors may not be able to rely on the earnings or assets of Rose Rock or its general partner to support payments due under the Notes, and we may transfer a significant amount of our assets to Rose Rock, which is not a restricted subsidiary and does not guarantee the Notes.

The ability of Rose Rock or its general partner to distribute earnings to us will be subject to the decisions of their respective governing bodies. The members of these governing bodies are subject to fiduciary duties owed to equity holders of Rose Rock and its general partner, as applicable, and do not owe any duties, fiduciary or otherwise, to holders of the Notes. Rose Rock and its general partner are not subject to the covenants contained in the SemGroup Credit Agreement and are not guarantors under such credit agreement. Likewise, Rose Rock and its general partner are not be subject to the covenants contained in the Indenture and do not guarantee the Notes. Accordingly, investors in the Notes may not be able to rely upon income from or the assets of Rose Rock or its general partner to support the payment of interest, principal or other amounts owing in respect of the Notes.

In addition, subject to certain conditions, the SemGroup Credit Agreement and the Indenture permit us to transfer assets, including equity interests we hold in other entities, to Rose Rock and its subsidiaries. Provided that we comply with the applicable conditions, we may transfer a significant portion of our assets to Rose Rock and its subsidiaries, which are not restricted subsidiaries or guarantors of the Notes. See “Description of the Notes—Repurchase at the Option of Holders—Asset Sales.”

Many of our subsidiaries, including Rose Rock, are not guarantors, and therefore the Notes are structurally subordinated in right of payment to the indebtedness and other liabilities of our existing and future subsidiaries that do not guarantee the Notes. Your right to receive payments on the Notes could be adversely affected if any of these non-guarantor subsidiaries declare bankruptcy, liquidate or reorganize.

The Notes are not guaranteed by any of our unrestricted subsidiaries, including Rose Rock, its general partner and subsidiaries, and our foreign subsidiaries. Accordingly, claims of holders of the Notes will be structurally subordinate to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of our non-guarantor subsidiaries will have to be satisfied before any of the assets of such subsidiaries would be available for distribution, upon a liquidation or otherwise, to us or a guarantor of the Notes.

A ratings agency downgrade could lead to increased borrowing costs and credit stress.

If one or more rating agencies that rate the Notes either assigns the Notes a rating lower than the rating expected by investors, or reduces its rating in the future, the market price of the Notes, if any, would be adversely affected. In addition, if any of our other outstanding debt that is rated is downgraded, raising capital will become more difficult for us, borrowing costs under our credit agreements and other future borrowings may increase and the market price of the Notes, if any, may decrease.

Table of Contents

If the Notes receive an investment grade rating, subject to certain additional conditions, many of the covenants in the Indenture will be suspended, thereby reducing some of your protections in the Indenture.

If at any time the Notes receive an investment grade rating from both Standard & Poor's Rating Services and Moody's Investors Service and no default has occurred and is continuing under the Indenture, many of the covenants in the Indenture, applicable to us and our restricted subsidiaries, including the limitations on indebtedness and restricted payments, will be suspended. As a result, upon the occurrence of such an investment grade rating, holders of the Notes will not have the protection of these covenants and we will have greater flexibility to incur indebtedness and make restricted payments. See "Description of the Notes— Suspended Covenants."

EXCHANGE OFFER

Purpose and Effect of the Exchange Offer

At the closing of the offering of the Old Notes, we and the guarantors of the Notes entered into a registration rights agreement with the initial purchasers of the Old Notes. In the registration rights agreement, we agreed, for the benefit of the holders of the Old Notes, at our cost, to do the following:

- file an exchange offer registration statement with the SEC with respect to the exchange offer for the New Notes;
- use commercially reasonable efforts to cause the exchange offer registration statement to be declared effective under the Securities Act; and
- offer the New Notes in exchange for surrender of the Old Notes upon the SEC's declaring the exchange offer registration statement effective.

We agreed to complete the exchange offer not later than 60 days after such effective date, and we further agreed to keep the exchange offer open for a period of not less than 20 business days (or longer if required by applicable law) after the date notice of the exchange offer is mailed to the holders of the Old Notes.

For each Old Note surrendered to us under the exchange offer, the holder of that Old Note will receive a New Note having a principal amount equal to that of the surrendered Old Note. Interest payments on the Notes will be made semi-annually in cash in arrears on June 15 and December 15 of each year, commencing on December 15, 2013. Interest on each New Note will accrue (a) from the later of (i) the last interest payment date on which interest was paid on the Old Note surrendered in exchange for such New Note or (ii) if the Old Note is surrendered for exchange on a date in a period that includes the record date for an interest payment date to occur on or after the date of such exchange and as to which interest will be paid, the date of such interest payment date or (b) if no interest has been paid on such Old Note, from June 14, 2013, the settlement date of the Old Notes.

Based on interpretations by the staff of the SEC set forth in no-action letters issued to third parties, we believe that, subject to the exceptions discussed below, the New Notes issued in exchange for Old Notes may be offered for resale, resold and otherwise transferred by any New Note holder without compliance with the registration and prospectus delivery provisions of the Securities Act, if:

- the holder is not an "affiliate" of ours within the meaning of Rule 405 under the Securities Act;
- the New Notes are acquired in the ordinary course of the holder's business; and
- the holder does not intend to participate in the distribution of the New Notes.

Holders that are broker-dealers may be deemed "underwriters" within the meaning of the Securities Act in connection with any resale of New Notes acquired in the exchange offer. As a result, the registration rights agreement contemplates that the prospectus for the exchange offer include certain information necessary to allow a broker-dealer who holds Old Notes that were acquired for its own account as a result of market-making activities or other ordinary course trading activities (other than Old Notes acquired directly from us or one of our affiliates) to exchange those Old Notes under the exchange offer and to satisfy the prospectus delivery requirements in connection with resales of New Notes received by that broker-dealer in the exchange offer. The inclusion of such information is needed because any broker-dealer who acquires Old Notes for its own account as a result of market-making activities or other trading activities is required to deliver a prospectus meeting the requirements of the Securities Act. This prospectus covers the offer and sale of the New Notes under the exchange offer and the resale of New Notes received in the exchange offer by any broker-dealer who held Old Notes acquired for its own account as a result of market-making activities or other trading activities other than Old Notes acquired directly from us or one of our affiliates.

Any holder who (i) tenders in the exchange offer with the intention of participating in any manner in a distribution of the New Notes or (ii) is a broker-dealer that acquired its Old Notes directly from us and not as a result of market-making activities or other trading activities:

- cannot rely on the position of the staff of the SEC set forth in Exxon Capital Holdings Corp., SEC No-Action Letter (April 13, 1988); Morgan Stanley & Co. Inc., SEC No-Action Letter (June 5, 1991); Shearman & Sterling, SEC No-Action Letter (July 2, 1993) or similar interpretive letters; and
- must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction.

Table of Contents

If, as stated above, a holder cannot rely on the position of the staff of the SEC set forth in “Exxon Capital Holdings Corporation” or similar interpretive letters, any effective registration statement used in connection with a secondary resale transaction must contain the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K under the Securities Act.

Each holder of the Old Notes who desires to exchange Old Notes for the New Notes in the exchange offer will be required to make the representations described below under “—Procedures for Tendering—Your Representations to Us.” Holders that are broker-dealers must acknowledge that they acquired their Old Notes in market-making activities or other trading activities and must deliver a prospectus when they resell the New Notes they acquire in the exchange offer in order not to be deemed an underwriter.

We further agreed to file with the SEC a shelf registration statement to register for public resale of Old Notes and to use commercially reasonable efforts to keep effective such shelf registration statement until the earlier of (i) two years after the settlement date of the Old Notes or (ii) such time as all Old Notes covered by the shelf registration statement have been sold (such earlier time, the “Shelf Effectiveness Period”), if:

- because of any change in law or in currently prevailing interpretations of the staff of the SEC, we are not permitted to effect an exchange offer;
- the exchange offer is not consummated within 365 days of the settlement date of the Old Notes;
- in certain circumstances, the initial purchasers of the Old Notes so request; or
- in the case of any holder that participates in the exchange offer, such holder does not receive New Notes that may be sold without restriction under state and federal securities laws (other than due solely to the status of such holder as an affiliate of ours within the meaning of the Securities Act).

The registration rights agreement provides that if:

- (1) on or prior to the 365th day after the settlement date of the Old Notes, (i) the exchange offer has not been consummated or (ii) a shelf registration statement covering resales of the Old Notes (if required by either of the first two bullet points in the immediately preceding paragraph) has not become effective;
- (2) we are required to file a shelf registration statement covering resales of the Old Notes pursuant to the third bullet in the immediately preceding paragraph and such shelf registration statement is not declared effective by the later of (i) the 365th day after the settlement date of the Old Notes or (ii) 90 days after the obligation to file such shelf registration statement arose under the registration rights agreement; or
- (3) any required shelf registration statement is filed and declared effective but shall thereafter cease to be effective or fail to be usable during the Shelf Effectiveness Period (subject to certain exceptions) (each such event referred to in clauses (1) through (3) above, a “Registration Default”);

then the interest rate on the Old Notes will be increased by 0.25% per annum during the 90-day period immediately following the occurrence of any such Registration Default, and will increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event will the increase exceed 1.00% per annum. The additional interest shall accrue until the exchange offer is completed or the shelf registration statement is declared effective (or again becomes effective) under the Securities Act, as applicable. The amount of additional interest payable pursuant to the provisions described above will not increase more than once in any of the 90 day periods described above if more than one of the Registration Defaults have occurred and are continuing.

In the event that a shelf registration statement covering resales of the Old Notes is filed, we will provide to each holder whose Old Notes are registered under such shelf registration statement copies of the prospectus that is a part of such shelf registration statement, notify each such holder when such shelf registration statement has become effective and take certain other actions as are required to permit unrestricted resales of the Old Notes. A holder that sells Old Notes pursuant to a shelf registration statement will be required to be named as a selling security holder in the related prospectus and to deliver a prospectus to purchasers, will be subject to certain of the civil liability provisions under Securities Act in connection with such sales and will be bound by the provisions of the registration rights agreement that are applicable to such a holder (including certain indemnification rights and obligations). In addition, we may require each holder whose Old Notes are registered under such shelf registration statement to furnish us with such information regarding such holder and the proposed disposition by such holder of its Old Notes.

If we effect the registered exchange offer, we will be entitled to close the registered exchange offer after 20 business days (or longer if required by applicable law) following the date notice of the exchange offer is mailed to the holders of the Old Notes as long

Table of Contents

as we have accepted all Old Notes validly tendered in accordance with the terms of the exchange offer. Except in the limited circumstances set forth in the registration rights agreement, after consummation of the exchange offer, holders of Old Notes which are not prohibited from participating in the exchange offer will have no registration or exchange rights under the registration rights agreement. See “—Consequences of Failure to Exchange.”

This summary of the material provisions of the registration rights agreement does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the registration rights agreement, which is incorporated by reference into this prospectus.

Terms of the Exchange Offer

Subject to the terms and conditions described in this prospectus and in the letter of transmittal, we will accept for exchange any Old Notes properly tendered and not withdrawn before 5:00 p.m., New York City time, on the expiration date. We will issue New Notes in a principal amount equal to the principal amount of Old Notes surrendered in the exchange offer. Old Notes may be tendered only for New Notes and only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The exchange offer is not conditioned on any minimum aggregate principal amount of Old Notes being tendered for exchange.

As of the date of this prospectus, \$300 million in aggregate principal amount of the Old Notes is outstanding. This prospectus and the letter of transmittal are being sent to all registered holders of Old Notes. There will be no fixed record date for determining registered holders of Old Notes entitled to participate in the exchange offer.

We intend to conduct the exchange offer in accordance with the provisions of the registration rights agreement, the applicable requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC. Old Notes that the holders do not tender for exchange in the exchange offer will remain outstanding and continue to accrue interest. These Old Notes will continue to be entitled to the rights and benefits such holders have under the Indenture.

We will be deemed to have accepted for exchange properly tendered Old Notes when we have given oral (promptly followed in writing) or written notice of the acceptance to the exchange agent and complied with the applicable provisions of the registration rights agreement. The exchange agent will act as agent for the tendering holders for the purposes of receiving the New Notes from us.

If you tender Old Notes in the exchange offer, you will not be required to pay brokerage commissions or fees or, subject to the letter of transmittal, transfer taxes with respect to the exchange of Old Notes. We will pay all charges and expenses, other than certain applicable taxes described below, in connecting with the exchange offer. It is important that you read the section labeled “—Fees and Expenses” for more details regarding fees and expenses incurred in the exchange offer.

We will return any Old Notes that we do not accept for exchange for any reason without expense to their tendering holder promptly after the expiration or termination of the exchange offer.

Expiration Date

The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2014, unless, in our sole discretion, we extend it.

Extensions, Delays in Acceptance, Termination or Amendment

We expressly reserve the right, at any time or various times, to extend the period of time during which the exchange offer is open. We may delay acceptance of any Old Notes by giving oral (promptly followed in writing) or written notice of an extension to the holders. During any extensions, all Old Notes previously tendered will remain subject to the exchange offer, and we may accept them for exchange.

In order to extend the exchange offer, we will notify the exchange agent orally (promptly followed in writing) or in writing of any extension. We will notify the registered holders of Old Notes of the extension no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

If any of the conditions described below under “—Conditions to the Exchange Offer” have not been satisfied, we reserve the right, in our sole discretion:

- to delay accepting for exchange any Old Notes,

Table of Contents

- to extend the exchange offer, or
- to terminate the exchange offer,

by giving oral (promptly followed in writing) or written notice of the delay, extension or termination to the exchange agent. Subject to the terms of the registration rights agreement, we also reserve the right to amend the terms of the exchange offer in any manner.

Any delay in acceptance, extension, termination, or amendment will be followed promptly by oral (promptly followed in writing) or written notice thereof to the registered holders of Old Notes. If we amend the exchange offer in a manner that we determine to constitute a material change, we will promptly disclose that amendment by means of a prospectus supplement. The supplement will be distributed to the registered holders of the Old Notes. Depending on the significance of the amendment and the manner of disclosure to the registered holders, we may extend the exchange offer. In the event of a material change in the exchange offer, including the waiver by us of a material condition, we will extend the exchange offer period if necessary so that at least five business days remain in the exchange offer following notice of the material change.

Conditions to the Exchange Offer

We will not be required to accept for exchange, or exchange any New Notes for, any Old Notes if the exchange offer, or the making of any exchange by a holder of Old Notes, would violate applicable law or applicable interpretations of the staff of the SEC. Similarly, we may terminate the exchange offer as provided in this prospectus before accepting Old Notes for exchange in the event of a potential violation.

In addition, we will not be obligated to accept for exchange the Old Notes of any holder that has not made to us the representations described under “—Purpose and Effect of the Exchange Offer,” “—Procedures for Tendering” and “Plan of Distribution” and such other representations as may be reasonably necessary under applicable SEC rules, regulations or interpretations to allow us to use an appropriate form to register the New Notes under the Securities Act.

We expressly reserve the right to amend or terminate the exchange offer, and to reject for exchange any Old Notes not previously accepted for exchange, on the occurrence of any of the conditions to the exchange offer specified above. We will give prompt oral (promptly followed in writing) or written notice of any extension, amendment, non-acceptance or termination to the holders of the Old Notes as promptly as practicable.

These conditions are for our sole benefit, and we may assert them or waive them in whole or in part at any time or at various times in our sole discretion. If we fail at any time to exercise any of these rights, this failure will not mean that we have waived our rights. These rights will be deemed ongoing rights that we may assert at any time or at various times.

In addition, we will not accept for exchange any Old Notes tendered, and will not issue New Notes in exchange for these Old Notes, if at such time any stop order has been threatened or is in effect with respect to the registration statement of which this prospectus constitutes a part or the qualification of the Indenture under the Trust Indenture Act of 1939, as amended.

Procedures for Tendering

In order to participate in the exchange offer, you must properly tender your Old Notes to the exchange agent as described below. It is your responsibility to properly tender your Old Notes. We have the right to waive any defects. However, we are not required to waive defects and are not required to notify you of defects in your tender.

If you have any questions or need help in exchanging your Old Notes, please call the exchange agent, whose address and phone number are set forth in “Prospectus Summary—The Exchange Offer—Exchange Agent.”

All of the Old Notes were issued in book-entry form, and all of the Old Notes are currently represented by global certificates held for the account of DTC. We have confirmed with DTC that the Old Notes may be tendered using the Automated Tender Offer Program (“ATOP”) instituted by DTC. The exchange agent will establish an account with DTC for purposes of the exchange offer promptly after the commencement of the exchange offer and DTC participants may electronically transmit their acceptance of the exchange offer by causing DTC to transfer their Old Notes to the exchange agent using the ATOP procedures. In connection with the transfer, DTC will send an “agent’s message” to the exchange agent. The agent’s message will be deemed to state that DTC has received instructions from the participant to tender Old Notes and that the participant agrees to be bound by the terms of the letter of transmittal.

By using the ATOP procedures to exchange Old Notes, you will not be required to deliver a letter of transmittal to the exchange agent. However, you will be bound by its terms just as if you had signed it.

Table of Contents

There is no procedure for guaranteed late delivery of the Old Notes.

Determinations Under the Exchange Offer

We will determine in our sole discretion all questions as to the validity, form, eligibility (including time of receipt), acceptance of tendered Old Notes, and withdrawal of tendered Old Notes. Our determination will be final and binding. We reserve the absolute right to reject any Old Notes not properly tendered or any Old Notes our acceptance of which would, in the opinion of our counsel, be unlawful. We also reserve the right to waive any defect, irregularities or conditions of tender as to particular Old Notes. Our interpretation of the terms and conditions of the exchange offer, including the instructions in the letter of transmittal, will be final and binding on all parties. Unless waived, all defects or irregularities in connection with tenders of Old Notes must be cured within such time as we shall determine. Although we intend to notify holders of defects or irregularities with respect to tenders of Old Notes, neither we, the exchange agent nor any other person will incur any liability for failure to give such notification. Tendere of Old Notes will not be deemed made until the defects or irregularities have been cured or waived. Any Old Notes received by the exchange agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned to the tendering holder, unless otherwise provided in the letter of transmittal, promptly following the expiration date.

When We Will Issue New Notes

In all cases, we will issue New Notes for Old Notes that we have accepted for exchange under the exchange offer only after the exchange agent timely receives:

- a book-entry confirmation of the Old Notes into the exchange agent's account at DTC; and
- a properly transmitted agent's message.

Return of Old Notes Not Accepted or Exchanged

If we do not accept any tendered Old Notes for exchange or if Old Notes are submitted for a greater principal amount than the holder desires to exchange, the unaccepted or non-exchanged Old Notes will be returned without expense to their tendering holder. The non-exchanged Old Notes will be credited to an account maintained with DTC. These actions will occur promptly after the expiration or termination of the exchange offer.

Your Representations to Us

By agreeing to be bound by the letter of transmittal, you will represent to us that, among other things:

- any New Notes that you receive will be acquired in the ordinary course of your business;
- you are not engaging and do not intend to engage in the distribution of Old Notes or New Notes within the meaning of the Securities Act;
- you have no arrangement or understanding with any person to participate in the distribution of Old Notes or New Notes within the meaning of the Securities Act;
- you are not our "affiliate," as defined in Rule 405 of the Securities Act; and
- if you are a broker-dealer, that you will receive New Notes for your own account in exchange for Old Notes that were acquired as a result of market-making activities or other trading activities and that you will deliver a prospectus (or to the extent permitted by law, make available a prospectus) in connection with any resale of the New Notes.

Withdrawal of Tenders

Except as otherwise provided in this prospectus, you may withdraw your tender at any time before 5:00 p.m., New York City time, on the expiration date. For a withdrawal of a tender to be effective, a written or facsimile transmission notice of withdrawal, or a properly transmitted "request message" through ATOP, must be received by the Exchange Agent prior to the Expiration Date at its address set forth below under "Prospectus Summary—Exchange Offer—Exchange Agent." Any such written or facsimile-transmitted notice must:

- set forth the name of the tendering holder;
- the principal amount of Old Notes delivered for exchange; and

Table of Contents

- a statement that such holder is withdrawing its election to have such Old Notes exchanged.

We will determine all questions as to the validity, form, eligibility, and time of receipt of notice of withdrawal. Our determination shall be final and binding on all parties. We will deem any Old Notes so withdrawn not to have been validly tendered for exchange for purposes of the exchange offer.

Any Old Notes that have been tendered for exchange but are not exchanged for any reason will be credited to an account maintained with DTC for the Old Notes. This crediting will take place as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer. You may retender properly withdrawn Old Notes by following the procedures described under “—Procedures for Tendering” above at any time before 5:00 p.m., New York City time, on the expiration date.

Fees and Expenses

We will bear the expenses of soliciting tenders. The principal solicitation is being made by mail; however, we may make additional solicitation by fax, telephone, electronic mail or in person by our officers and regular employees and those of our affiliates.

We have not retained any dealer-manager in connection with the exchange offer and will not make any payments to broker-dealers or others soliciting acceptances of the exchange offer. We will, however, pay the exchange agent reasonable and customary fees for its services and reimburse it for its related reasonable out-of-pocket expenses.

We will pay the cash expenses to be incurred in connection with the exchange offer. They include, without limitation:

- all SEC and stock exchange registration and filing fees;
- all fees and expenses of compliance with state “blue sky” or securities laws;
- word processing, printing and distribution expenses; and
- our legal fees and accounting fees.

Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchange of Old Notes under the exchange offer. The tendering holder, however, will be required to pay any transfer taxes, whether imposed on the registered holder or any other person, if a transfer tax is imposed for any reason other than the exchange of Old Notes under the exchange offer.

Consequences of Failure to Exchange

If you do not exchange your Old Notes for New Notes under the exchange offer, you will remain subject to the existing restrictions on transfer of the Old Notes. In general, you may not offer or sell the Old Notes unless the offer or sale is either registered under the Securities Act or exempt from the registration under the Securities Act and applicable state securities laws. Except in the limited circumstances required by the registration rights agreement, we do not intend to register resales of the Old Notes under the Securities Act.

In addition, after the consummation of the exchange offer, it is anticipated that the outstanding principal amount of the Old Notes available for trading will be significantly reduced. The reduced float may adversely affect the liquidity and market price of the Old Notes. A smaller outstanding principal amount of Old Notes available for trading may also make the price of the Old Notes more volatile.

Accounting Treatment

We will record the New Notes in our accounting records at the same carrying value as the Old Notes. This carrying value is the aggregate principal amount of the Old Notes less any bond discount, as reflected in our accounting records on the date of exchange. Accordingly, we will not recognize any gain or loss for accounting purposes in connection with the exchange offer.

Other

Participation in the exchange offer is voluntary, and you should carefully consider whether to accept. You are urged to consult your financial and tax advisors in making your own decision on what action to take.

Table of Contents

We may in the future seek to acquire untendered Old Notes in open market or privately negotiated transactions, through subsequent exchange offers or otherwise. We have no present plans to acquire any Old Notes that are not tendered in the exchange offer or to file a registration statement to permit resales of any untendered Old Notes.

RATIO OF EARNINGS TO FIXED CHARGES

The table below shows our ratio of earnings to fixed charges for the periods indicated. For purposes of this computation, “earnings” include pre-tax income from continuing operations before adjustment for non-controlling interests in consolidated subsidiaries or income or loss from equity investees, fixed charges, amortization of capitalized interest, distributed income of equity investees and our share of pre-tax losses of equity investees for which charges arising from guarantees are included in fixed charges, less interest capitalized, preference security dividend requirements of consolidated subsidiaries and the minority interest in pre-tax income of subsidiaries that have not incurred fixed charges. “Fixed charges” include interest (whether expensed or capitalized), amortized premiums, discounts and capitalized expenses related to indebtedness, an estimate of the interest within rental expense and preference security dividend requirements of consolidated subsidiaries. No shares of preferred stock were outstanding during the periods indicated.

USE OF PROCEEDS

The exchange offer is intended to satisfy our obligations under the registration rights agreement. We will not receive any proceeds from the issuance of the New Notes in the exchange offer. In consideration for issuing the New Notes as contemplated by this prospectus, we will receive Old Notes in a like principal amount. The form and terms of the New Notes are identical in all respects to the form and terms of the Old Notes, except that the New Notes will be registered under the Securities Act and will not have restrictions on transfer, registration rights or provisions for additional interest. Old Notes surrendered in exchange for the New Notes will be retired and cancelled and will not be reissued. Accordingly, the issuance of the New Notes will not result in any change in outstanding indebtedness.

DESCRIPTION OF THE NOTES

General

SemGroup Corporation issued the Old Notes and will issue the New Notes under the Indenture. The terms of the New Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”).

If the exchange offer contemplated by this prospectus is consummated, holders of Old Notes who do not exchange those Old Notes for New Notes in the exchange offer will vote together with holders of New Notes for all relevant purposes under the Indenture. In that regard, the Indenture requires that certain actions by the holders thereunder must be taken, and certain rights must be exercised, by specified minimum percentages of the aggregate principal amount of the outstanding securities issued under the Indenture. In determining whether holders of the requisite percentage in principal amount have given any notice, consent or waiver or taken any other action permitted under the Indenture, any Old Notes that remain outstanding after the exchange offer will be aggregated with the New Notes, and the holders of such Old Notes and the New Notes will vote together as a single class for all such purposes. Accordingly, all references herein to specified percentages in aggregate principal amount of the Notes outstanding shall be deemed to mean, at any time after the exchange offer is consummated, such percentages in aggregate principal amount of the Old Notes and the New Notes then outstanding.

The issuance of New Notes in this offering will be limited to \$300,000,000 in aggregate principal amount. The Company may issue additional Notes under the Indenture from time to time after this offering (the “Additional Notes”), subject to the covenant described below under “Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.” Any Additional Notes will be part of the same series as the New Notes that we are currently offering and will vote on all matters with the holders of the Notes. Unless the context requires otherwise, references to “Notes” include the Old Notes, the New Notes and any Additional Notes that are actually issued.

You can find the definitions of certain capitalized terms used in this description under the subheading “Certain Definitions.” In this description, the “Company,” “we” and “our” refer only to SemGroup Corporation and not any of its Subsidiaries.

The following description is only a summary of certain material provisions of the Notes and the Indenture. This summary is not a complete description of all the provisions of the Notes and is subject to, and is qualified in its entirety by reference to, the Notes and the Indenture. For more information, we refer you to the Notes and the Indenture, all of which you may request copies of at our address set forth under the heading “Where You Can Find More Information; Incorporation by Reference.”

Brief Description of the Notes

The New Notes:

- will be unsecured senior obligations of the Company;
- will rank *pari passu* in right of payment with all existing and future Senior Indebtedness of the Company, including Indebtedness under the Senior Credit Facility;
- will be effectively subordinated to all Secured Indebtedness of the Company to the extent of the value of the collateral securing such Indebtedness, including Indebtedness under the Senior Credit Facility;
- will be structurally subordinated to all existing and future claims of creditors (including trade creditors) and holders of Preferred Stock of Subsidiaries of the Company that do not guarantee the Notes, including our Unrestricted Subsidiaries;
- will rank senior in right of payment to any future Subordinated Indebtedness of the Company; and
- will be guaranteed on a senior unsecured basis by the Subsidiary Guarantors, including any of our subsidiaries that guarantee the Senior Credit Facility.

Principal, Maturity and Interest

Interest on the New Notes will accrue at the rate of 7.50% per annum and be payable in cash semi-annually in arrears on each June 15 and December 15, commencing December 15, 2013. The Company will make each interest payment to the Holders of record of the New Notes on the immediately preceding June 1 and December 1. Interest on the New Notes will accrue (a) from the later of (i) the last interest payment date on which interest was paid on the Old Note surrendered in exchange for such New Note or (ii) if the Old Note is surrendered for exchange on a date in a period that includes the record date for an interest payment date to occur on or after the date of such exchange and as to which interest will be paid, the date of such interest payment date or (b) if no interest has

Table of Contents

been paid on such Old Note, from the Issue Date. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. The New Notes will mature on June 15, 2021. The New Notes will be issued in denominations of \$2,000 and any integral multiples of \$1,000 in excess of \$2,000. If an interest payment date, redemption date or the maturity date falls on a day that is not a Business Day, the related payment of principal or interest will be made on the next succeeding Business Day and no interest shall accrue for the intervening period.

Subsidiary Guarantees

Each Subsidiary Guarantor, as a primary obligor and not merely as a surety, jointly and severally, irrevocably and unconditionally guarantees the Company's obligations under the Indenture and the Notes on a senior unsecured basis. The Notes are guaranteed by all the Restricted Subsidiaries that are guarantors under the Senior Credit Facility and will be guaranteed by certain of our future Wholly-Owned Subsidiaries. See "Certain Covenants—Future Subsidiary Guarantors." Each Subsidiary Guarantee of the Notes is a general unsecured obligation of the applicable Subsidiary Guarantor, ranks *pari passu* in right of payment with all existing and future Senior Indebtedness of such Subsidiary Guarantor, is effectively subordinated to all Secured Indebtedness of such Subsidiary Guarantor, including such Subsidiary Guarantor's guarantee of the Senior Credit Facility, to the extent of the value of the collateral securing such Indebtedness, and ranks senior in right of payment to any future Subordinated Indebtedness of such Subsidiary Guarantor. The Subsidiary Guarantee of such Subsidiary Guarantor is structurally subordinated to all existing and future claims of creditors (including trade creditors) and holders of Preferred Stock of Subsidiaries of such Subsidiary Guarantor that do not guarantee the Notes, including any Unrestricted Subsidiaries.

As of the date of this prospectus, all of our Subsidiaries other than SemMexico Materials HC S. de R.L. de C.V., White Cliffs Pipeline, L.L.C., Rose Rock Midstream, L.P. and Rose Rock Midstream GP, LLC, and their Subsidiaries are Restricted Subsidiaries. Under the circumstances described below under "Certain Covenants—Limitation on Restricted Payments" and the definition of "Unrestricted Subsidiary," however, we are permitted to designate certain of our existing and future Subsidiaries as "Unrestricted Subsidiaries." Our Unrestricted Subsidiaries are not subject to the restrictive covenants in the Indenture. Our Unrestricted Subsidiaries do not guarantee the Notes. As of September 30, 2013, the Unrestricted Subsidiaries had consolidated total liabilities (excluding intercompany liabilities) of approximately \$415.9 million, including trade payables, and consolidated total assets of approximately \$1,021.3 million, which represents 43% of the consolidated total assets of the Company and its Subsidiaries. In addition, our Unrestricted Subsidiaries generated approximately 70% of our consolidated revenues for the nine months ended September 30, 2013.

We own a 50.0% membership interest in Glass Mountain Pipeline, LLC that we account for as an unconsolidated subsidiary for financial accounting purposes. However, Glass Mountain Pipeline, LLC is not classified as a "Subsidiary" for purposes of the Indenture, and therefore is not subject to the restrictive covenants in the Indenture and does not guarantee the Notes. As of September 30, 2013, Glass Mountain Pipeline, LLC had total assets of \$159.5 million and members' equity of \$138.2 million.

Each Subsidiary Guarantee contains a provision intended to limit the Subsidiary Guarantor's liability thereunder to the maximum amount that it could incur without causing the incurrence of obligations under its Subsidiary Guarantee to be a fraudulent transfer. This provision may not, however, be effective to protect a Subsidiary Guarantee from being voided under fraudulent transfer law or may reduce the Subsidiary Guarantor's obligation to an amount that effectively makes its Subsidiary Guarantee worthless. See "Risk Factors—Risks Related to Our Indebtedness and the Notes—Federal and state statutes allow courts, under specific circumstances, to void the guarantees and require holders of the Notes to return payments received from the subsidiary guarantors."

Each Subsidiary Guarantor may consolidate with or merge into or sell all or substantially all its assets to (A) the Company or another Subsidiary Guarantor without limitation or (B) any other Persons upon the terms and conditions set forth in the Indenture. See "Certain Covenants—Merger, Consolidation or Sale of All or Substantially All Assets."

The Subsidiary Guarantee of a Subsidiary Guarantor will automatically and unconditionally be released and discharged upon:

- (1) (a) the sale, disposition or other transfer (including through merger or consolidation) of all of the Capital Stock (or any sale, disposition or other transfer of Capital Stock following which such Subsidiary Guarantor is no longer a Restricted Subsidiary), or all or substantially all the assets, of such Subsidiary Guarantor (other than a sale, disposition or other transfer to a Restricted Subsidiary) if such sale, disposition or other transfer is made in compliance with the applicable provisions of the Indenture;
- (b) the designation by the Company of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the provisions of the Indenture described under "Certain Covenants—Limitation on Restricted Payments" and the definition of "Unrestricted Subsidiary;"
- (c) the release or discharge of such Subsidiary Guarantor from its guarantee of Indebtedness under the Senior Credit Facility or the guarantee that resulted in the obligation of such Subsidiary Guarantor to guarantee the Notes, if such Subsidiary Guarantor would not then otherwise be required to guarantee the Notes pursuant to the covenant described under

Table of Contents

“Certain Covenants—Future Subsidiary Guarantors” (treating any guarantees of such Subsidiary Guarantor that remain outstanding as incurred at least 30 days prior to such release or discharge); or

- (d) the exercise by the Company of its legal defeasance option or its covenant defeasance option, as described under “Legal Defeasance and Covenant Defeasance” or if the Company’s obligations under the Indenture are discharged in accordance with the terms of the Indenture; and
- (2) in the case of clause (1)(a) above, the release or discharge of such Subsidiary Guarantor from its guarantee, if any, of and all pledges and security, if any, granted in connection with, the Senior Credit Facility and any other Indebtedness of the Company or any Restricted Subsidiary.

Ranking

Secured Indebtedness Versus Notes

Payments of principal of, and premium, if any, and interest on, the Notes and the payment of any Subsidiary Guarantee rank *pari passu* in right of payment with all Senior Indebtedness of the Company or the relevant Subsidiary Guarantor, as the case may be, including the obligations of the Company and such Subsidiary Guarantor under the Senior Credit Facility. However, the Notes and Subsidiary Guarantees are effectively subordinated in right of payment to all of the existing and future Secured Indebtedness and other secured obligations of the Company or the relevant Subsidiary Guarantor, as the case may be, to the extent of the value of the assets securing such Indebtedness and other secured obligations. As of September 30, 2013, on an as adjusted basis after giving effect to the recent Rose Rock drop-down and related transactions:

- (1) the Company’s Senior Indebtedness (excluding unused commitments and any secured Hedging Obligations) was approximately \$300 million, of which \$0 million, consisting of Indebtedness under the Senior Credit Facility, was Secured Indebtedness; and
- (2) the Subsidiary Guarantors’ Senior Indebtedness (excluding unused commitments) was approximately \$300 million in the aggregate, of which \$0 million, consisting of their respective guarantees with respect to the Senior Credit Facility, was Secured Indebtedness.

In addition, the Company had approximately \$500 million of unused commitments (excluding undrawn letters of credit of \$4.5 million) under the Senior Credit Facility, all of which would constitute Secured Indebtedness when drawn. Although the Indenture contains limitations on the amount of additional Senior Indebtedness that the Company and its Restricted Subsidiaries may incur and the amount of additional Secured Indebtedness the Company and the Subsidiary Guarantors may incur, under certain circumstances the amount of such Senior Indebtedness and Secured Indebtedness could be substantial. See “Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and “Certain Covenants—Liens.”

In addition, certain of our Hedging Obligations constitute Secured Indebtedness. To the extent prices of these commodities increase, the amount of this Secured Indebtedness could increase significantly. We expect to incur additional secured Hedging Obligations as part of our ongoing commodity risk management activities.

Liabilities of Subsidiaries Versus Notes

Substantially all of our operations are conducted through our Subsidiaries. Some of our Subsidiaries are not guaranteeing the Notes, and Subsidiary Guarantees may be released under certain circumstances, as described under “Subsidiary Guarantees.” In addition, our future Subsidiaries may not be required to guarantee the Notes, and our Unrestricted Subsidiaries are not required to guarantee the Notes. Claims of creditors of such non-guarantor Subsidiaries, including trade creditors and creditors holding indebtedness or guarantees issued by such non-guarantor Subsidiaries, and claims of holders of Preferred Stock of such non-guarantor Subsidiaries, generally will have priority with respect to the assets and earnings of such non-guarantor Subsidiaries over the claims of our creditors, including Holders. Accordingly, the Notes will be structurally subordinated to claims of creditors (including trade creditors) and holders of Preferred Stock, if any, of such non-guarantor Subsidiaries.

Although the Indenture limits the incurrence of Indebtedness and Preferred Stock by our Restricted Subsidiaries, such limitation is subject to a number of significant qualifications. Moreover, the Indenture does not impose any limitation on the incurrence by Restricted Subsidiaries of liabilities that are not considered Indebtedness or Preferred Stock under the Indenture, such as trade payables. See “Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.”

Although the Indenture imposes requirements upon certain sales, conveyances and other transfers of assets by the Company and the Restricted Subsidiaries, such requirements do not prohibit such sales, conveyances or transfers but generally only require that

Table of Contents

the Company or the Restricted Subsidiary receive fair market value for the asset, that a designated portion of the consideration is received in cash or, in certain cases, Cash Equivalents and that the Company or the Restricted Subsidiary apply the net cash proceeds for specified purposes, including the retirement of certain Indebtedness or as an investment in additional assets. To the extent assets are transferred to Unrestricted Subsidiaries, including MLPs and GPs, those assets will no longer constitute assets of the Company or the Restricted Subsidiaries, and the EBITDA associated with these assets will not be EBITDA of the Company and the Restricted Subsidiaries.

Mandatory Redemption; Offer to Purchase; Open Market Purchases

The Company is not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, the Company may be required to offer to purchase Notes as described under “Repurchase at the Option of Holders.”

The Company may from time to time acquire Notes by means other than a redemption, whether by tender offer, in open market purchases, through negotiated transactions or otherwise, in accordance with applicable securities laws.

Optional Redemption

Except as described below, the Notes are not redeemable at the Company’s option prior to June 15, 2016. From and after June 15, 2016, the Company may redeem the Notes, in whole or in part, upon not less than 15 nor more than 60 days’ prior notice sent electronically or mailed by first-class mail to each Holder’s registered address, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest thereon to, but not including, the applicable redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on June 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2016	105.625%
2017	103.750%
2018	101.875%
2019 and thereafter	100.000%

Prior to June 15, 2016, the Company may, at its option, on one or more occasions, redeem up to 35% of the sum of the original aggregate principal amount of Notes (and the original principal amount of any Additional Notes) issued under the Indenture at a redemption price equal to 107.500% of the aggregate principal amount thereof, *plus* accrued and unpaid interest thereon to, but not including, the redemption date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings of the Company or any direct or indirect parent of the Company to the extent such net proceeds are contributed to the Company; *provided that* :

- at least 65% of the sum of the aggregate principal amount of Notes originally issued under the Indenture and the original principal amount of any Additional Notes issued under the Indenture remain outstanding immediately after the occurrence of each such redemption; and
- each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

At any time prior to June 15, 2016, the Company may also redeem all or a part of the Notes, upon not less than 15 nor more than 60 days’ prior notice, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, the redemption date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

Selection and Notice

If the Company is redeeming less than all of the Notes at any time, the Trustee will select the Notes to be redeemed (a) if the Notes are listed on any national securities exchange (and such listing is known to the Trustee), in compliance with the requirements of the principal national securities exchange on which such Notes are listed, or (b) if the Notes are not so listed, on a *pro rata* basis, to the extent practicable or by lot or by such other method as may be required by the procedures of DTC; *provided that* no Notes of \$2,000 or less shall be redeemed in part.

Notices of redemption shall be sent electronically or be mailed by first-class mail, postage prepaid, at least 15 days but not more than 60 days before the redemption date to each Holder at such Holder’s registered address, except that notices of redemption may be sent electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a

defeasance of the Notes or a satisfaction and discharge of the Indenture. If any Note is to be redeemed in part only, any notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed.

A new Note in principal amount equal to the unredeemed portion of any Note redeemed in part will be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due and payable on the date fixed for redemption. On and after the redemption date, unless the Company defaults in payment of the redemption price, interest shall cease to accrue on Notes or portions thereof called for redemption.

Repurchase at the Option of Holders

Change of Control Triggering Event

If a Change of Control Triggering Event occurs, the Company will be required to make an offer to purchase all of the Notes pursuant to the offer described below (the “*Change of Control Offer*”) at a price in cash (the “*Change of Control Payment*”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest to, but not including, the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control Triggering Event, the Company will send notice of such Change of Control Offer by first-class mail or electronically, to each Holder to the address of such Holder appearing in the security register with a copy to the Trustee, with the following information:

- (1) a description of the transaction or transactions and identification of the ratings decline that together constitute a Change of Control Triggering Event and stating that a Change of Control Offer is being made pursuant to the covenant entitled “Change of Control Triggering Event,” and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment;
- (2) the purchase price and the purchase date, which will be no earlier than 15 days nor later than 60 days from the date such notice is mailed (the “*Change of Control Payment Date*”);
- (3) any Note not properly tendered will remain outstanding and continue to accrue interest;
- (4) unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
- (5) Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) Holders will be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; *provided* that the paying agent receives, not later than the close of business on the last day of the offer period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased; and
- (7) Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 or an integral multiple of \$1,000 in excess of \$2,000.

While the Notes are in global form and the Company makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Triggering Event provisions of the Indenture, or compliance with the Change of Control Triggering Event provisions of the Indenture would constitute a violation of any such law or regulation, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control Triggering Event provisions of the Indenture by virtue thereof.

Table of Contents

On the Change of Control Payment Date, the Company will, to the extent permitted by law,

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered; and
- (3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officers' Certificate stating that such Notes or portions thereof have been tendered to and purchased by the Company.

The paying agent will promptly mail to each Holder the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail to each Holder a new Note equal in principal amount to the unpurchased portion of the Notes surrendered; *provided* that each such new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess of \$2,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

Except as described above with respect to a Change of Control Triggering Event, the Indenture will not contain provisions that permit the Holders to require the Company to repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Senior Credit Facility provides, and future credit agreements or other agreements to which the Company becomes a party may provide, that certain change of control events with respect to the Company (including a Change of Control) would constitute a default thereunder and certain of these agreements may prohibit the Company from purchasing any Notes as a result of a Change of Control Triggering Event. The exercise of Holders of the Notes of their right to require the Company to repurchase the Notes upon a Change of Control Triggering Event could cause a default under those agreements, even if the Change of Control Triggering Event itself does not, due to the financial effect of such repurchase or other prepayments on the Company. In the event a Change of Control Triggering Event occurs at a time when the Company is prohibited from purchasing the Notes, the Company could seek the consent of its lenders to permit the purchase of the Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company does not obtain such consent or repay such borrowings, the Company will remain prohibited from purchasing the Notes. In such case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture that could, in turn, constitute a default under other indebtedness. If the Company experiences a change of control that triggers a default under the Senior Credit Facility or cross defaults under other Indebtedness, the Company could seek a waiver of such defaults or seek to refinance the Indebtedness outstanding under the Senior Credit Facility and such other Indebtedness. In the event the Company does not obtain such a waiver or refinance the Indebtedness outstanding under the Senior Credit Facility and such other Indebtedness, such defaults could result in amounts outstanding under the Senior Credit Facility and such other Indebtedness being declared due and payable. Our ability to pay cash to the Holders following the occurrence of a Change of Control Triggering Event may be limited by our then existing financial resources. See "Risk Factors—Risks Related to Our Indebtedness and the Notes—We may be unable to purchase your Notes upon a change of control triggering event." Therefore, sufficient funds may not be available when necessary to make any required repurchases.

The Company will not be required to make a Change of Control Offer following a Change of Control Triggering Event if (1) a third party makes the Change of Control Offer in the manner, at the time and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) notice of redemption has been given pursuant to the Indenture as described above under "Optional Redemption," unless and until there is a default in payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The Change of Control Triggering Event purchase feature of the Notes may in certain circumstances make more difficult or discourage a sale or takeover of the Company and, thus, the removal of incumbent management. The Change of Control Triggering Event purchase feature is a result of negotiations between the Company and the Initial Purchasers. We have no present intention to engage in a transaction involving a Change of Control Triggering Event, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control Triggering Event under the Indenture, but that could increase the amount of Indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Restrictions on our ability to incur additional Indebtedness are contained in the covenant described under "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock." Such restrictions can be waived with the consent of the holders of a majority in principal amount of the Notes then outstanding. Except for the limitations contained in such covenant, however, the Indenture will not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

Table of Contents

In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding Notes accept a Change of Control Offer and the Company (or the third party making the Change of Control Offer as described above) purchases all of the Notes held by such Holders, the Company will have the right, upon not less than 15 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant to the Change of Control Offer described above, to redeem all of the Notes that remain outstanding following such purchase at a redemption price equal to the Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest on the Notes that remain outstanding to, but not including, the date of redemption, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder may require the Company to make an offer to repurchase the Notes as described above.

The provisions under the Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Asset Sales

The Indenture provides that the Company will not, and will not permit any Restricted Subsidiary to, cause, make or suffer to exist an Asset Sale (including any MLP Asset Transfer) unless:

- (1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Company) of the assets or Equity Interests sold or otherwise disposed of; and
- (2) other than in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:
 - (a) any liabilities (as shown on the Company's most recent consolidated balance sheet or in the notes thereto) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets (or a third party on behalf of the transferee) and for which the Company or such Restricted Subsidiary has been validly released by all relevant creditors in writing,
 - (b) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days following the closing of such Asset Sale, and
 - (c) any Designated Noncash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Noncash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) \$75.0 million and (y) 4.0% of Total Assets at the time of the receipt of such Designated Noncash Consideration, with the fair market value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this provision and for no other purpose; provided, that in the case of an MLP Asset Transfer, in lieu of the requirement in clause (2), the Company, at its election, may meet the following requirements:

- (a) after such MLP Asset Transfer and as a result thereof, (x) the Company and its Restricted Subsidiaries shall have received an amount of cash and Designated Noncash Consideration permitted by clause (c) above attributable to such MLP Asset Transfer (as a result of (i) the receipt of cash proceeds and Designated Noncash Consideration as all or a portion of the consideration for such MLP Asset Transfer or (ii) the repayment of intercompany indebtedness, owed by a Subsidiary of the Company, transferred or assumed as part of such MLP Asset Transfer) at least equal to 50% of the fair market value (as determined in good faith by the Company based on values that could be obtained in an arms' length transaction) of (A) the assets and property transferred or (B) in the case of a transfer of any Equity Interests of a Person, such Person at the time of such MLP Asset Transfer (it being understood that, in the case of a transfer of less than all of the Equity Interests of a Person, the value of such Person shall be determined at the time of the first MLP Asset Transfer constituting part of such MLP Asset Transfer (as if all the Equity

Interests in such Person were transferred at the time of such first MLP Asset Transfer, and the cash requirement set forth in this clause shall be satisfied on that basis in connection with such first MLP Asset Transfer) and there shall be no such additional cash attributable to such MLP Asset Transfer required for any subsequent transfer of Equity Interests of such Person constituting part of the MLP Asset Transfer) (in each case of the foregoing clauses (A) and (B), assuming such assets or Person, as applicable, operates as a going concern), with the balance of the consideration received by the Company and its Restricted Subsidiaries for such MLP Asset Transfer consisting solely of Equity Interests in the applicable MLP and (y) immediately after giving effect to such MLP Asset Transfer on a *pro forma* basis, the Company could incur \$1.00 of additional Indebtedness under the provisions of the first paragraph of the covenant described under “Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock;” and

- (b) no Default shall have occurred and be continuing or would occur as a consequence thereof.

For purposes of calculating the fair market value of any assets or property transferred to any Person, any Person and any Equity Interests in a Person with respect to any MLP Asset Transfer, any Indebtedness that is owed by such Person to the Company or any Restricted Subsidiary shall be disregarded and shall not be reflected in such calculation to reduce the fair market value of such assets or property, Person or Equity Interests in such Person, as the case may be.

Within 365 days after any of the Company’s or any Restricted Subsidiary’s receipt of the Net Proceeds of any Asset Sale (including any MLP Asset Transfer), the Company or such Restricted Subsidiary may, at its option, apply the Net Proceeds from such Asset Sale:

- (1) to permanently reduce
 - (x) Obligations under the Senior Credit Facility or any other Senior Indebtedness, in each case, of the Company or any Subsidiary Guarantor, and, in the case of Obligations under the Senior Credit Facility or other similar Indebtedness, to correspondingly reduce commitments with respect thereto (other than Obligations owed to the Company or a Restricted Subsidiary); *provided* that if the Company or any Restricted Subsidiary shall so reduce Obligations under any Senior Indebtedness that is not Secured Indebtedness, the Company or such Restricted Subsidiary shall, equally and ratably, reduce Obligations under the Notes by, at its option, (A) redeeming the Notes to the extent they are then redeemable as provided under “Optional Redemption,” (B) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes at 100% of the principal amount thereof plus accrued and unpaid interest to, but not including, the date of purchase, subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date or (C) purchasing Notes through open market purchases (to the extent such purchases are at a price equal to or higher than 100% of the principal amount thereof) in a manner that complies with the Indenture and applicable securities law; or
 - (y) Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary; or
- (2) to an investment in (a) any one or more businesses; *provided* that such investment in any business is in the form of the acquisition of Capital Stock and results in the Company or any Restricted Subsidiary owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) properties, (c) capital expenditures and (d) acquisitions of other assets, that in each of (a), (b), (c) and (d) are used or useful in a Similar Business or replace the businesses, properties and assets that are the subject of such Asset Sale.

Any Net Proceeds from any Asset Sale that are not invested or applied in accordance with the preceding paragraph within 365 days from the date of the receipt of such Net Proceeds will be deemed to constitute “Excess Proceeds;” *provided* that if during such 365-day period the Company or a Restricted Subsidiary enters into a definitive binding agreement committing it to apply such Net Proceeds in accordance with the requirements of clause (2) of the preceding paragraph after such 365th day, such 365-day period will be extended with respect to the amount of Net Proceeds so committed, but such extension will in no event be for a period longer than 180 days until such Net Proceeds are required to be applied in accordance with such agreement (or, if such agreement is terminated before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds from and after the date of such termination). When the aggregate amount of such Excess Proceeds exceeds \$25.0 million, the Company will be required to make an offer to all Holders and, if required by the terms of any other Senior Indebtedness, to the holders of such other Senior Indebtedness (other than with respect to Hedging Obligations) (an “*Asset Sale Offer*”), to purchase the maximum aggregate principal amount of Notes and such other Senior Indebtedness that is an integral multiple of \$1,000 (subject to any required minimum denominations) that may be purchased out of such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof plus accrued and unpaid interest to, but not including, the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. The Company will commence an Asset Sale Offer with respect to such Excess Proceeds within ten Business Days after the date that such Excess Proceeds exceed \$25.0 million by mailing the notice required pursuant to the terms of the

Table of Contents

Indenture, with a copy to the Trustee. The Company may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 365 days (or such longer period provided above) or with respect to Excess Proceeds of \$25.0 million or less.

To the extent that the aggregate amount of Notes and such other Senior Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for any purpose not prohibited by the Indenture. If the aggregate principal amount of Notes and other Senior Indebtedness surrendered by the holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select or cause to be selected the Notes and the Company or agent for such other Senior Indebtedness shall select such other Senior Indebtedness to be purchased on a *pro rata* basis based on the principal amount (or accreted value, if applicable) of the Notes or such other Senior Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds related to such Asset Sale Offer shall be reset at zero.

Pending the final application of any Net Proceeds pursuant to this covenant, the Company or the applicable Restricted Subsidiary may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Indenture.

The procedures for an Asset Sale Offer will be substantially the same as for a Change of Control Offer. The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of the Indenture, or compliance with the Asset Sale provisions of the Indenture would constitute a violation of any such laws or regulations, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Asset Sale provisions of the Indenture, as applicable, by virtue thereof.

The agreements governing the Company's other indebtedness and future credit agreements or other agreements to which the Company becomes a party may limit or prohibit, the Company from purchasing any Notes as a result of an Asset Sale Offer. The exercise of Holders of the Notes of their right to require the Company to repurchase the Notes in connection with an Asset Sale Offer could cause a default under those other agreements. In the event the Company is required to make an Asset Sale Offer at a time when the Company is prohibited by the terms of any Indebtedness from purchasing the Notes, the Company could seek the consent of its lenders to permit the purchase of the Notes or could attempt to refinance the borrowings that contain such prohibition. If the Company does not obtain such consent or repay such borrowings, the Company will remain prohibited from purchasing the Notes. In such case, the Company's failure to purchase tendered Notes would constitute an Event of Default under the Indenture that could, in turn, constitute a default under other indebtedness.

The provisions under the Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Certain Covenants

Set forth below are summaries of certain covenants contained in the Indenture.

Limitation on Restricted Payments

The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly:

- (1) declare or pay any dividend or make any distribution on account of the Company's or any Restricted Subsidiary's Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation, other than
 - (x) dividends or distributions by the Company payable in Equity Interests (other than Disqualified Stock) of the Company or in options, warrants or other rights to purchase such Equity Interests (other than Disqualified Stock) or
 - (y) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary, the Company or a Restricted Subsidiary receives at least its *pro rata* share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;
- (2) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or any direct or indirect parent of the Company, including in connection with any merger or consolidation;
- (3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness, other than

- (x) Indebtedness permitted under clauses (g)(1) and (g)(2) of the covenant described under “—Limitations on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” or
 - (y) the purchase, repurchase or other acquisition of Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase or acquisition; or
- (4) make any Restricted Investment;

(all such payments and other actions set forth in clauses (1) through (4) above (other than the exceptions thereto) being collectively referred to as “*Restricted Payments*”), unless, at the time of such Restricted Payment:

- (a) no Default shall have occurred and be continuing or would occur as a consequence thereof;
- (b) immediately after giving effect to such transaction on a *pro forma* basis, the Company could incur \$1.00 of additional Indebtedness under the provisions of the first paragraph of the covenant described under “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock;” and
- (c) such Restricted Payment, together with all Restricted Payments made in reliance on the first paragraph of this covenant or clauses (1), (6)(C), (10) and (11) of the next succeeding paragraph during the quarter in which such Restricted Payment is made, does not exceed the Company’s Available Cash at the end of the Company’s most recent fiscal quarter plus Incremental Funds (to the extent not already included in Available Cash).

The foregoing provisions will not prohibit:

- (1) the payment of any dividend or distribution or the consummation of any irrevocable redemption within 60 days after the date of declaration or giving notice of redemption thereof, if at the date of declaration or giving of the redemption notice, as applicable, such payment would have complied with the provisions of the Indenture;
- (2) (a) the redemption, repurchase, retirement or other acquisition of any Equity Interests (“*Retired Capital Stock*”) or Subordinated Indebtedness of the Company or any Equity Interests of any direct or indirect parent company of the Company, in exchange for, or out of the proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary) of, Equity Interests of the Company (in each case, other than any Disqualified Stock) (“*Refunding Capital Stock*”) and (b) if immediately prior to the retirement of Retired Capital Stock, the declaration and payment of dividends thereon was permitted under clause (6) of this paragraph, the declaration and payment of dividends on the Refunding Capital Stock (other than Refunding Capital Stock the proceeds of which were used to redeem, repurchase, retire or otherwise acquire any Equity Interests of any direct or indirect parent company of the Company) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that was declarable and payable on such Retired Capital Stock immediately prior to such retirement;
- (3) the defeasance, redemption, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Company or a Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of such Person that is incurred in compliance with the covenant described under “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” so long as
 - (A) the principal amount of such new Indebtedness does not exceed the principal amount (or accreted value, if applicable) of the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired for value, plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired and any fees and expenses incurred in connection with the issuance of such new Indebtedness;
 - (B) such Indebtedness is subordinated to the Notes at least to the same extent as such Subordinated Indebtedness so defeased, redeemed, repurchased, acquired or retired;
 - (C) such Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired; and
 - (D) such Indebtedness has a Weighted Average Life to Maturity equal to or greater than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so defeased, redeemed, repurchased, acquired or retired;

- (p) Indebtedness, Disqualified Stock and Preferred Stock of the Company or any Restricted Subsidiary not otherwise permitted hereunder in an aggregate principal amount or liquidation preference, which, when aggregated with the principal amount and liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock incurred pursuant to this clause (q) and then outstanding, does not at any one time outstanding exceed the greater of (i) \$100.0 million and (ii) 5.0% of Total Assets (it being understood that any Indebtedness, Disqualified Stock and Preferred Stock incurred pursuant to this clause (q) shall cease to be deemed incurred or outstanding for purposes of this clause (q) but shall be deemed incurred for purposes of the first paragraph of this covenant from and after the first date on which the Company or such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock pursuant to the first paragraph of this covenant without reliance on this clause (q));

The accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to extend, replace, refund, refinance, renew or defease other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased.

The principal amount of any Indebtedness incurred to extend, replace, refund, refinance, renew or defease other Indebtedness, if incurred in a different currency from the Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

Table of Contents

- (2) in the case of Hedging Obligations, the termination value of the agreement or arrangement giving rise to such obligations that would be payable by such Person at such time;
- (3) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (4) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (a) the fair market value of such assets at the date of determination; and
 - (b) the amount of the Indebtedness of the other Person.

Liens

The Company will not, and will not permit any of the Subsidiary Guarantors to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness on any asset or property of the Company or any Subsidiary Guarantor now owned or hereafter acquired, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

- (1) in the case of Liens securing Subordinated Indebtedness, the Notes or the applicable Subsidiary Guarantee of a Subsidiary Guarantor, as the case may be, are secured by a Lien on such property or assets that is senior in priority to such Liens; and
- (2) in all other cases, the Notes or the applicable Subsidiary Guarantee of a Subsidiary Guarantor, as the case may be, are equally and ratably secured;

provided that any Lien that is granted to secure the Notes under this covenant shall be discharged at the same time as the discharge of the Lien that gave rise to the obligation to so secure the Notes.

Merger, Consolidation or Sale of All or Substantially All Assets

The Company may not consolidate or merge with or into or wind up into (whether or not the Company is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

- (1) the Company is the surviving company or the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a Person organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (the Company or such Person, as the case may be, being herein called the “*Successor Company*”); *provided* that if such Person is not a corporation, such Person immediately causes a Subsidiary that is a corporation organized or existing under the laws of the United States, any state of the United States or the District of Columbia to be added as a co-issuer of the Notes under the Indenture;
- (2) the Successor Company, if other than the Company, expressly assumes all the obligations of the Company under the Indenture and the Notes pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;
- (3) immediately after such transaction, no Default exists;
- (4) immediately after giving *pro forma* effect to such transaction, as if such transaction had occurred at the beginning of the applicable four-quarter period,
 - (A) the Successor Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock;” or
 - (B) the Fixed Charge Coverage Ratio for the Successor Company and the Restricted Subsidiaries on a consolidated basis would be greater than such ratio for the Company and the Restricted Subsidiaries immediately prior to such transaction;

provided that this clause (4) shall be suspended during any period in which we and our Restricted Subsidiaries are not subject to the Suspended Covenants;

Table of Contents

- (5) each Subsidiary Guarantor, unless it is the other party to the transactions described above, in which case clause (A)(2) of the second succeeding paragraph shall apply, shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations under the Indenture and the Notes; and
- (6) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture.

The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Indenture and the Notes.

Notwithstanding the foregoing clauses (3) and (4),

- (a) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Company and
- (b) the Company may merge with an Affiliate of the Company incorporated solely for the purpose of reincorporating the Company in another state of the United States of America or converting into a different form of business entity so long as the amount of Indebtedness of the Company and the Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Indenture governing release of a Subsidiary Guarantee upon the sale, disposition or transfer of a Subsidiary Guarantor, each Subsidiary Guarantor will not, and the Company will not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving entity), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person, other than the Company or another Subsidiary Guarantor, unless either:

- (A) (1) such Subsidiary Guarantor is the surviving entity or the Person formed by or surviving any such consolidation or merger (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation or other entity organized or existing under the laws of the United States of America, any state thereof, the District of Columbia, or any territory thereof (such Subsidiary Guarantor or such Person, as the case may be, being herein called the "Successor Person");
- (2) the Successor Person, if other than such Subsidiary Guarantor, expressly assumes all the obligations of such Subsidiary Guarantor under the Indenture and such Subsidiary Guarantor's Subsidiary Guarantee, pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;
- (3) immediately after such transaction, no Default exists; and
- (5) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or
- (B) the transaction is made in compliance with the covenant described under "Repurchase at the Option of Holders—Asset Sales."

Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Subsidiary Guarantor under the Indenture and, such Subsidiary Guarantor's Subsidiary Guarantee.

For purposes of this covenant, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company and its Subsidiaries on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve "all or substantially all" of the properties or assets of a Person.

Transactions with Affiliates

The Company will not, and will not permit any Restricted Subsidiary to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an "*Affiliate Transaction*") involving aggregate payments or consideration in excess of \$10.0 million, unless

Table of Contents

- (a) such Affiliate Transaction (taken as a whole, in the case of a series or group of related transactions, whether or not occurring substantially simultaneously) is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person, and
- (b) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$50.0 million, a Board Resolution adopted by the majority of the members of the Board of Directors of the Company approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (a) above.

- (2) (i) Restricted Payments permitted by the provisions of the Indenture described above under the covenant “—Limitation on Restricted Payments” and (ii) Permitted Investments;

- (4) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (a) of the preceding paragraph;
- (5) payments or loans (or cancellations of loans) to employees or consultants of the Company, any of its direct or indirect parent companies or any Restricted Subsidiary and employment agreements, stock option plans and other compensatory arrangements with such employees or consultants that are, in each case, approved by the Company in good faith, including the special bonus payments described under “Certain Relationships and Related Transactions” in the Offering Memorandum and payments pursuant to the foregoing;
- (6) any agreement, instrument or arrangement as in effect as of the Issue Date, or any amendment, modification or supplement thereto or replacement thereof (so long as any such amendment, modification, supplement or replacement is not disadvantageous to the Holders in any material respect as compared to the applicable agreement as in effect on the Issue Date as reasonably determined in good faith by the Company), and any transaction contemplated by any of the foregoing;
- (7) the existence of, or the performance by the Company or any of the Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement or its equivalent (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Company or any Restricted Subsidiary of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such existing agreement together with all amendments thereto, taken as a whole, or new agreement are not disadvantageous to the Holders in any material respect as compared to the terms of the original agreement as in effect on the Issue Date as reasonably determined in good faith by the Company;
- (8) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture that are fair to the Company and the Restricted Subsidiaries, in the reasonable determination of the Board of Directors or the senior management of the Company, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;
- (9) the issuance of Equity Interests (other than Disqualified Stock) of the Company to any Affiliate of the Company;
- (10) any Permitted MLP Transfer and any Permitted GP Transfer;

- (11) leases entered into by the Company or any Restricted Subsidiary, as lessor and an Unrestricted Subsidiary, as lessee, with respect to a pipeline or similar asset operated by such Unrestricted Subsidiary; *provided* that the Remaining Present Value of any such leases shall not exceed \$5.0 million in the aggregate;
- (12) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by, merged into or amalgamated, arranged or consolidated with the Company or any of its Restricted Subsidiaries; *provided* that such agreement was not entered into in contemplation of such acquisition, merger, amalgamation, arrangement or consolidation, and any amendment, modification or supplement thereto, or replacement thereof (so long as any such amendment, modification, supplement or replacement is not more disadvantageous to the Holders in any material respect as compared to the applicable agreement as in effect on the date of such acquisition, merger, amalgamation, arrangement or consolidation) and any transaction contemplated by any of the foregoing; and
- (13) payment for services rendered between any MLP or GP and one or more of the Company or any of its Restricted Subsidiaries, if (x) payment is made or completed in compliance with the terms and provisions of the partnership agreement of the MLP (or comparable governing document of the GP) and (y) such transaction is on terms and conditions fair and reasonable to the Company or such Restricted Subsidiary as determined in good faith by the Company.

Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

The Company will not, and will not permit any Restricted Subsidiary that is not a Subsidiary Guarantor to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

- (a) (1) pay dividends or make any other distributions to the Company or any Restricted Subsidiary on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or
- (2) pay any Indebtedness owed to the Company or any Restricted Subsidiary;
- (b) make loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of, or a requirement to subordinate, loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or
- (c) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary,

except (in each case) for such encumbrances or restrictions existing under or by reason of:

- (1) contractual encumbrances or restrictions in effect on the Issue Date, including pursuant to the Senior Credit Facility and the related documentation (including security documents and intercreditor agreements) and Hedging Obligations and contractual encumbrances or restrictions in agreements or instruments governing Credit Facilities not in effect on the date of the Indenture so long as the encumbrances and restrictions contained therein are no more restrictive, taken as a whole, than the restrictions contained in those agreements on the date of the Indenture;
- (2) the Indenture and the Notes and the Subsidiary Guarantees of the Notes issued thereunder;
- (3) purchase money obligations for property acquired and Capitalized Lease Obligations that impose restrictions of the nature discussed in clause (c) above on the property so acquired and other Liens permitted to be incurred under the provisions of the covenant described above under “—Liens” that limit the right of the debtor to dispose of the assets subject to such Liens;
- (4) applicable law or any applicable rule, regulation or order;
- (5) any agreement or other instrument of a Person acquired by the Company or any Restricted Subsidiary in existence at the time of such acquisition (but not created in connection therewith or in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired or as may be amended, restated, modified, renewed, extended, supplemented, refunded, replaced or refinanced from time to time (so long as the encumbrances and restrictions in any such amendment, restatement, modification, renewal, extension, supplement, refunding, replacement or refinancing are, in the good faith judgment of the board of directors of the Company, not materially more restrictive, taken as a whole, than

- those in effect on the date of the acquisition), which encumbrances or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of agreements or instruments governing Indebtedness, such Indebtedness was permitted by the terms of the Indenture to be incurred;
- (6) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary;
 - (7) Secured Indebtedness otherwise permitted to be incurred pursuant to the covenants described under “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and “—Liens” that limit the right of the debtor to dispose of the assets securing such Indebtedness;
 - (8) restrictions on cash or other deposits or net worth imposed by customers, suppliers or landlords or required by insurance, surety or bonding companies, in each case under contracts entered into in the ordinary course of business;
 - (9) other Indebtedness, Disqualified Stock or Preferred Stock of Restricted Subsidiaries permitted to be incurred after the Issue Date pursuant to the provisions of the covenant described under “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock;”
 - (10) provisions in partnership and joint venture agreements, asset sale agreements, leases, licenses, sale-lease back agreements, stock sale agreements and other similar agreements;
 - (11) non-assignment provisions contained in leases, licenses and other agreements;
 - (12) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions by such Restricted Subsidiary pending such sale or other disposition;
 - (13) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are the subject of such agreement, the payment rights arising thereunder and/or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of any other Restricted Subsidiary; and
 - (14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (13) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive with respect to such encumbrance and other restrictions than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing; *provided, further*, that with respect to contracts, instruments or obligations existing on the Issue Date, any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive with respect to such encumbrances and other restrictions than those contained in such contracts, instruments or obligations as in effect on the Issue Date.

Future Subsidiary Guarantors

The Company will cause each of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries, other than a Subsidiary Guarantor, that becomes a borrower or guarantor under the Senior Credit Facility or guarantees, on the Issue Date or any time thereafter, any other Indebtedness of the Company, which Indebtedness exceeds \$15.0 million in aggregate principal amount, to, within 30 days:

- (1) execute and deliver a supplemental indenture to the Indenture providing for a Subsidiary Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Company or any Subsidiary Guarantor that is by its express terms subordinated in right of payment to the Notes or such Subsidiary Guarantor’s Subsidiary Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Subsidiary Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes;

Table of Contents

- (2) deliver to the Trustee an opinion of counsel to the effect that:
 - (a) such Subsidiary Guarantee has been duly executed and authorized; and
 - (b) such Subsidiary Guarantee constitutes a valid, binding and enforceable obligation of such Restricted Subsidiary, except insofar as enforcement thereof may be limited by bankruptcy, insolvency or similar laws (including, without limitation, all laws relating to fraudulent transfers) and except insofar as enforcement thereof is subject to general principles of equity.

Limitation on Sale and Lease-Back Transactions

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Lease-Back Transaction with respect to any property unless (i) the Company or such Restricted Subsidiary would be entitled to (A) incur additional Indebtedness in an amount equal to the Attributable Debt with respect to such Sale and Lease-Back Transaction pursuant to the covenant described under “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock” and (B) create a Lien on such property securing such Attributable Debt under the definition of “Permitted Liens” (*provided* that clause (A) of this clause (i) shall be suspended during any period in which the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants); (ii) the consideration received by the Company or any Restricted Subsidiary in connection with such Sale and Lease-Back Transaction is at least equal to the fair market value (as determined in good faith by the Company) of such property; and (iii) the Company applies the proceeds of such transaction in compliance with the covenant described under “Repurchase at the Option of Holders—Asset Sales.”

Reports and Other Information

The Indenture provides that, notwithstanding that we may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, we will file with the SEC (and provide the Trustee and Holders with copies thereof, without cost to each Holder, within 15 days after we file them with the SEC):

- (1) within the time period specified in the SEC’s rules and regulations, annual reports on Form 10-K (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form);
- (2) within the time period specified in the SEC’s rules and regulations, reports on Form 10-Q (or any successor or comparable form) containing the information required to be contained therein (or required in such successor or comparable form); and
- (3) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time period specified in the SEC’s rules and regulations), such other reports on Form 8-K (or any successor or comparable form);

provided, however , that (1) if we are not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, we may complete any such reports as though our only registered securities are non-convertible debt securities and (2) we shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event, we will make available such information to prospective purchasers of notes in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time we would be required to file such information with the SEC if we were subject to Section 13 or 15(d) of the Exchange Act.

Notwithstanding the foregoing, we will be deemed to have furnished such reports referred to above to the Trustee and Holders if we have filed such reports with the SEC via the EDGAR filing system (or any successor system) or, if we are not subject to reporting under Section 13 or 15(d) of the Exchange Act and are not permitted to file such reports with the SEC, if we post such reports on our publicly available website.

Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee’s receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company’s compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on officers’ certificates delivered under the Indenture).

Suspended Covenants

During any period when the Notes have an Investment Grade Rating from both Rating Agencies and no Default has occurred and is continuing under the Indenture, the Company and its Restricted Subsidiaries will not be subject to the provisions of the Indenture described above under “Repurchase at the Option of Holders—Asset Sales” and under the following headings under “Certain Covenants”:

- “—Limitation on Restricted Payments,”
- “—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock,”
- clause (4) of the covenant described above under “—Merger, Consolidation or Sale of All or Substantially All Assets,”
- “—Transactions with Affiliates,”
- “—Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries” and
- “—Limitation on Sale and Lease-Back Transactions” (only to the extent set forth in such covenant)

(collectively, the “*Suspended Covenants*”); *provided* that the provisions of the Indenture described above under “Repurchase at the Option of Holders—Change of Control Triggering Event,” “Reports and Other Information” and described above under the following headings under “Certain Covenants” will not be so suspended:

- “—Liens,”
- “—Merger, Consolidation or Sale of All or Substantially All Assets” (except with respect to clause (4) of such covenant),
- “—Future Subsidiary Guarantors,” and
- “—Limitation on Sale and Lease-Back Transactions” (except to the extent set forth in such covenant);

and *provided further*, that if we and our Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the preceding portion of this sentence and, subsequently, either of the Rating Agencies withdraws its ratings or downgrades the ratings assigned to the Notes below the Investment Grade Ratings so that the Notes do not have an Investment Grade Rating from both Rating Agencies, or a Default (other than with respect to the Suspended Covenants) occurs and is continuing, we and our Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants, subject to the terms, conditions and obligations set forth in the Indenture (each such date of reinstatement being the “*Reinstatement Date*”). As a result, during any period in which we and our Restricted Subsidiaries are not subject to the Suspended Covenants, the Notes will be entitled to substantially reduced covenant protection. Compliance with the Suspended Covenants with respect to Restricted Payments made after the Reinstatement Date will be calculated in accordance with the terms of the covenant described under “Certain Covenants—Limitation on Restricted Payments” as though such covenants had been in effect during the entire period of time from which the Notes are issued. However, all Restricted Payments made, Indebtedness incurred and other actions effected during any period in which covenants are suspended will not cause a default under the Indenture on any Reinstatement Date.

In addition, during any period when the Suspended Covenants are suspended, we will not be permitted to designate or redesignate any of our Subsidiaries as described under the definition of “Unrestricted Subsidiary.”

The Company, in an officer’s certificate, shall promptly provide notice to the Trustee of any occurrence of any period of time when the Company is not subject to the Suspended Covenants and of any Reinstatement Date. The Trustee shall have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during any period of time when the Company is not subject to the Suspended Covenants or the Company’s future compliance with any covenants, or (iii) notify the holders of any period of time when the Company is not subject to the Suspended Covenants or of any Reinstatement Date.

Events of Default and Remedies

The following events constitute Events of Default under the Indenture:

- (1) default in payment when due and payable, upon redemption, acceleration or otherwise, of payments of principal of, or premium, if any, on the Notes issued under the Indenture;

Table of Contents

- (2) default for 30 days or more in the payment when due of interest on or with respect to the Notes issued under the Indenture;
- (3) failure by the Company or any Subsidiary Guarantor for 120 days after receipt of written notice given by the Trustee or the Holders of at least 25% in principal amount of the Notes then outstanding and issued under the Indenture voting as a single class to comply with the provisions described under “Reports and Other Information;”
- (4) failure by the Company or any Subsidiary Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of at least 25% in principal amount of the Notes then outstanding and issued under the Indenture voting as a single class to comply with any of the other agreements in the Indenture or the Notes;
- (5) failure by the Company or any Subsidiary Guarantor to make a Change of Control Offer or an Asset Sale Offer within the time periods set forth, or to consummate a purchase of Notes when required pursuant to the terms described, under the captions “Repurchase at the Option of Holders—Change of Control Triggering Event” or “Repurchase at the Option of Holders—Asset Sales” or to comply with the provisions described under the caption “Certain Covenants—Merger, Consolidation or Sale of All or Substantially All Assets;”
- (6) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any Restricted Subsidiary or the payment of which is guaranteed by the Company or any Restricted Subsidiary, other than Indebtedness owed to the Company or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both
 - (A) such default either
 - (i) results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or
 - (ii) relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity and
 - (B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$40.0 million or more at any one time outstanding;
- (7) failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary (or any group of Restricted Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$40.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;
- (8) certain events of bankruptcy or insolvency with respect to the Company or any Restricted Subsidiary that is a Significant Subsidiary (or any group of Restricted Subsidiaries that together would constitute a Significant Subsidiary); or
- (9) the Subsidiary Guarantee of any Significant Subsidiary (or any group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Subsidiary Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Subsidiaries that together would constitute a Significant Subsidiary), as the case may be, denies that it has any further liability under its Subsidiary Guarantee or gives notice to such effect, other than by reason of the termination of the Indenture or the release of any such Subsidiary Guarantee in accordance with the Indenture.

If any Event of Default (other than of a type specified in clause (8) above) occurs and is continuing under the Indenture, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes issued under the Indenture may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes issued under the Indenture to be due and payable immediately.

Upon the effectiveness of such declaration, such principal of and premium, if any, and interest on the Notes will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (8) of the first paragraph of this section with respect to the Company or any Restricted Subsidiary that is a Significant Subsidiary (or any group of Restricted

Table of Contents

Subsidiaries that together would constitute a Restricted Subsidiary), all outstanding Notes will become due and payable without further action or notice. The Indenture provides that the Trustee may withhold from Holders notice of any continuing Default, except a Default relating to the payment of principal of and premium, if any, and interest on the Notes if it determines that withholding notice is in their interest. In addition, the Trustee will have no obligation to accelerate the Notes if in the judgment of the Trustee acceleration is not in the interest of the Holders of such Notes.

The Indenture provides that the Holders of a majority in aggregate principal amount of the then outstanding Notes issued thereunder by notice to the Trustee may, on behalf of the Holders of all of such Notes, rescind an acceleration, waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default in the payment of principal of and premium, if any, or interest on any such Notes held by a non-consenting Holder. In the event of any Event of Default specified in clause (6) above, such Event of Default and all consequences thereof (excluding any resulting payment default) shall be annulled, waived and rescinded automatically and without any action by the Trustee or the Holders if, within 20 days after such Event of Default arose,

- (x) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged,
- (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or
- (z) if the default that is the basis for such Event of Default has been cured.

Except to enforce the right to receive payments of principal of and premium, if any, and interest on the Notes when due, no Holder may pursue any remedy with respect to the Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 25% in principal amount of the outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

The Indenture provides that we are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and we are required upon becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Subsidiary Guarantor shall have any liability for any obligations of the Company or the Subsidiary Guarantors under the Notes, the Subsidiary Guarantees and the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation; *provided* that the foregoing shall not limit any Subsidiary Guarantor's obligations under its Subsidiary Guarantee. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the Federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Legal Defeasance and Covenant Defeasance

The Company may, at its option and at any time, elect to have all of its obligations discharged with respect to the Notes issued under the Indenture and have each Subsidiary Guarantor's obligation discharged with respect to its Subsidiary Guarantee ("*Legal Defeasance*") and cure all then existing Events of Default except for

- (1) the rights of Holders issued under the Indenture to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to the Indenture,
- (2) the Company's obligations with respect to the Notes issued under the Indenture concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust,

Table of Contents

- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith and
- (4) the Legal Defeasance provisions of the Indenture.

In addition, the Company may, at its option and at any time, elect to have its obligations and those of each Subsidiary Guarantor released with respect to certain covenants that are described in the Indenture (“*Covenant Defeasance*”) and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to the Notes. In the event a Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Company) described under “Events of Default and Remedies” will no longer constitute an Event of Default with respect to the Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes issued under the Indenture:

- (1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the Notes issued under the Indenture on the stated maturity date or on the applicable redemption date, as the case may be, of such principal, premium, if any, or interest on the Notes;
- (2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,
 - (A) the Company has received from, or there has been published by, the United States of America Internal Revenue Service a ruling or
 - (B) since the original issuance of the Notes, there has been a change in the applicable U.S. Federal income tax law,

in either case to the effect that, and based thereon such opinion of counsel in the United States of America shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

- (3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an opinion of counsel in the United States of America reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. Federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
- (4) no Default (other than that resulting from borrowing funds to be applied to make such deposit (and any similar concurrent depositing relating to other Indebtedness, or a Default or Event of Default that will be cured by such Covenant Defeasance or Legal Defeasance) and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;
- (5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any of the Senior Credit Facility or any other material agreement or instrument (other than the Indenture) to which, the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound;
- (6) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or any Subsidiary Guarantor or others; and
- (7) the Company shall have delivered to the Trustee an Officers' Certificate and an opinion of counsel in the United States of America (which opinion of counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when

Table of Contents

- (a) either (1) all such Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or
- (2) all such Notes not theretofore delivered to such Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, the Company or any Subsidiary Guarantor has irrevocably deposited or caused to be deposited with such Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be;
- (b) in respect of clause (a)(2), no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar deposit relating to other Indebtedness and, in each case, and the granting of Liens in connection therewith) with respect to the Indenture or the Notes issued thereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facility or any other agreement or instrument to which the Company or any Subsidiary Guarantor is a party or by which the Company or any Subsidiary Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar deposit relating to other Indebtedness and, in each case, and the granting of Liens in connection therewith);
- (c) the Company has paid or caused to be paid all sums payable by it under the Indenture; and
- (d) the Company has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money toward the payment of such Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Transfer and Exchange

A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any Note selected for redemption. Also, the Company is not required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

The registered Holder of a Note will be treated as the owner of the Note for all purposes.

Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, any related Subsidiary Guarantee and the Notes issued thereunder may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding voting as a single class and issued under the Indenture, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes issued thereunder may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes issued under the Indenture voting as a single class, other than Notes beneficially owned by the Company or its Affiliates (including consents obtained in connection with a purchase of or tender offer or exchange offer for Notes).

The Indenture provides that, without the consent of each Holder affected, an amendment or waiver may not, with respect to any Notes issued under the Indenture and held by a non-consenting Holder:

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

“*Fixed Charge Coverage Ratio*” means, with respect to any Person for any period, the ratio of EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Company or any Restricted Subsidiary incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility that has been permanently repaid and has not been replaced) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “*Calculation Date*”), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period (the “*reference period*”).

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (as determined in accordance with GAAP) that have been made by the Company or any Restricted Subsidiary during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Calculation Date shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (and the change in any associated fixed charges and the change in EBITDA resulting therefrom) had occurred on the first day of the reference period. If since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or disposed operation had occurred at the beginning of the reference period.

For purposes of this definition, whenever *pro forma* effect is to be given to a transaction, the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of the Company. If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such

Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate.

BOOK-ENTRY; DELIVERY AND FORM

Global Notes

The New Notes, like the Old Notes, will be issued in the form of one or more fully registered notes in global form, without interest coupons. The New Notes will be deposited with the Trustee, as custodian for The Depository Trust Company (“DTC”), and registered in the name of Cede & Co., as nominee of DTC.

Ownership of beneficial interests in each global note will be limited to persons who have accounts with DTC (“DTC participants”) or persons who hold interests through DTC participants. We expect that under procedures established by DTC:

- on deposit of each global note with DTC’s custodian, DTC will credit portions of the principal amount of the global notes to the accounts of the DTC participants that have tendered the Old Notes to the account designated by the exchange agent; and
- ownership of beneficial interests in each global note will be shown on, and transfer of ownership of those interests will be effected only through, records maintained by DTC (with respect to interests of DTC participants) and the records of DTC participants (with respect to other owners of beneficial interests in the global notes).

Beneficial interests in the global notes may not be exchanged for notes in physical, certificated form except in the limited circumstances described below.

Book-Entry Procedures for the Global Notes

All interests in the global notes will be subject to the operations and procedures of DTC, including its participants, Euroclear Bank S.A./N.V., as operator of the Euroclear System (“Euroclear”), and Clearstream Banking S.A. (“Clearstream”). We provide the following summaries of those operations and procedures solely for the convenience of investors. The operations and procedures of each settlement system are controlled by that settlement system and may be changed at any time.

- Neither we nor the Trustee is responsible for those operations or procedures.
- DTC has advised us that it is:
 - a limited purpose trust company organized under the laws of the State of New York;
 - a “banking organization” within the meaning of the New York State Banking Law;
 - a member of the Federal Reserve System;
 - a “clearing corporation” within the meaning of the Uniform Commercial Code; and
 - a “clearing agency” registered under Section 17A of the Exchange Act.

DTC was created to hold securities for its participants and to facilitate the clearance and settlement of securities transactions between its participants through electronic book-entry changes to the accounts of its participants. DTC’s participants include securities brokers and dealers, banks and trust companies, clearing corporations, and other organizations. Indirect access to DTC’s system is also available to others such as banks, brokers, dealers, and trust companies. These indirect participants clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly. Investors who are not DTC participants may beneficially own securities held by or on behalf of DTC only through DTC participants or indirect participants in DTC.

So long as DTC’s nominee is the registered owner of a global note, that nominee will be considered the sole owner or holder of the Notes represented by that global note for all purposes under the Indenture. Except as provided below, owners of beneficial interests in a global note:

- will not be entitled to have Notes represented by the global note registered in their names;
- will not receive or be entitled to receive physical, certificated Notes; and
- will not be considered the owners or holders of the Notes under the Indenture for any purpose, including with respect to the giving of any direction, instruction, or approval to the Trustee.

Table of Contents

As a result, each investor who owns a beneficial interest in a global note must rely on the procedures of DTC to exercise any rights of a holder of Notes under the Indenture (and, if the investor is not a participant or an indirect participant in DTC, on the procedures of the DTC participant through which the investor owns its interest).

Payments of principal, premium (if any), and interest with respect to the New Notes represented by a global note will be made by the Trustee to DTC's nominee, as the registered holder of the global note. Neither we nor the Trustee will have any responsibility or liability for the payment of amounts to owners of beneficial interests in a global note, for any aspect of the records relating to or payments made on account of those interests by DTC, or for maintaining, supervising, or reviewing any records of DTC relating to those interests.

Payments by participants and indirect participants in DTC to the owners of beneficial interests in a global note will be governed by standing instructions and customary industry practice and will be the responsibility of those participants or indirect participants and DTC.

Transfers between participants in DTC will be effected under DTC's procedures and will be settled in same-day funds. Transfers between participants in Euroclear or Clearstream will be effected in the ordinary way under the rules and operating procedures of those systems.

Cross market transfers between DTC participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected within DTC through the DTC participants that are acting as depositaries for Euroclear and Clearstream. To deliver or receive an interest in a global note held in a Euroclear or Clearstream account, an investor must send transfer instructions to Euroclear or Clearstream, as the case may be, under the rules and procedures of that system and within the established deadlines of that system. If the transaction meets its settlement requirements, Euroclear or Clearstream, as the case may be, will send instructions to its DTC depository to take action to effect final settlement by delivering or receiving interests in the relevant global notes in DTC, and making or receiving payment under normal procedures for same-day funds settlement applicable to DTC. Euroclear and Clearstream participants may not deliver instructions directly to the DTC depositories that are acting for Euroclear or Clearstream.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant that purchases an interest in a global note from a DTC participant will be credited on the business day for Euroclear or Clearstream immediately following the DTC settlement date. Cash received in Euroclear or Clearstream from the sale of an interest in a global note to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Euroclear or Clearstream cash account as of the business day for Euroclear or Clearstream following the DTC settlement date.

DTC, Euroclear, and Clearstream have agreed to the above procedures to facilitate transfers of interests in the global notes among participants in those settlement systems. However, the settlement systems are not obligated to perform these procedures and may discontinue or change these procedures at any time. Neither we nor the Trustee will have any responsibility for the performance by DTC, Euroclear, or Clearstream, or their participants or indirect participants, of their obligations under the rules and procedures governing their operations.

Certificated Notes

New Notes in physical, certificated form will be issued and delivered to each person that DTC identifies as a beneficial owner of the related Notes only if:

- DTC notifies us at any time that it is unwilling or unable to continue as depository for the global notes and a successor depository is not appointed within 90 days;
- DTC ceases to be registered as a clearing agency under the Exchange Act and a successor depository is not appointed within 90 days;
- there shall have occurred and be continuing an event of default with respect to the Notes; or
- we, at our option, notify the Trustee that we elect to cause the issuance of certificated Notes.

PLAN OF DISTRIBUTION

You may transfer New Notes issued under the exchange offer in exchange for the Old Notes if:

- you acquire the New Notes in the ordinary course of your business;
- you have no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of the New Notes in violation of the provisions of the Securities Act; and
- you are not our “affiliate” (within the meaning of Rule 405 under the Securities Act).

Each broker-dealer that receives New Notes for its own account under the exchange offer in exchange for Old Notes that were acquired by that broker-dealer as a result of market-making or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of those New Notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of New Notes received in exchange for Old Notes where the Old Notes were acquired as a result of market-making activities or other trading activities.

If you wish to exchange New Notes for your Old Notes in the exchange offer, you will be required to make representations to us as described in “Exchange Offer—Purpose and Effect of the Exchange Offer” and “—Procedures for Tendering—Your Representations to Us” in this prospectus and in the letter of transmittal. In addition, if you are a broker-dealer who receives New Notes for your own account in exchange for Old Notes that were acquired by you as a result of market-making activities or other trading activities, you will be required to acknowledge that you will deliver a prospectus in connection with any resale by you of those New Notes.

We will not receive any proceeds from any sale of New Notes by broker-dealers. New Notes received by broker-dealers for their own account under the exchange offer may be sold from time to time in one or more transactions in any of the following ways:

- in the over-the-counter market;
- in negotiated transactions;
- through the writing of options on the New Notes or a combination of these methods of resale;
- at market prices prevailing at the time of resale;
- at prices related to the prevailing market prices; or
- at negotiated prices.

Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such New Notes.

Any broker-dealer that resells New Notes that were received by it for its own account under the exchange offer in exchange for Old Notes that were acquired by such broker-dealer as a result of market-making or other trading activities may be deemed to be an “underwriter” within the meaning of the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the Securities Act. We agreed to permit the use of this prospectus for a period of up to 180 days after the expiration date of the exchange offer to satisfy this prospectus delivery requirement. Furthermore, we agreed to amend or supplement this prospectus during that period if so requested in order to expedite or facilitate the disposition of any New Notes by broker-dealers.

We have agreed to pay all expenses incident to the exchange offer other than fees and expenses of counsel to the holders and brokerage commissions and transfer taxes, if any, and will indemnify the holders of the Old Notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

MATERIAL UNITED STATES FEDERAL TAX CONSEQUENCES

The following discussion is a summary of the material federal income tax considerations relevant to the exchange of Old Notes for New Notes, but does not purport to be a complete analysis of all potential tax effects. The discussion is based on the Internal Revenue Code of 1986, as amended (the “Code”), Treasury Regulations, Internal Revenue Service rulings and pronouncements and judicial decisions now in effect, all of which may be subject to change at any time by legislative, judicial or administrative action. These changes may be applied retroactively in a manner that could adversely affect a holder of New Notes. Some holders, including financial institutions, insurance companies, regulated investment companies, tax-exempt organizations, dealers in securities or currencies, persons whose functional currency is not the U.S. dollar, or persons who hold the Notes as part of a hedge, conversion transaction, straddle or other risk reduction transaction may be subject to special rules not discussed below. We recommend that each holder consult his own tax advisor as to the particular tax consequences of exchanging that holder’s Old Notes for New Notes, including the applicability and effect of any foreign, state, local or other tax laws or estate or gift tax considerations.

We believe that the exchange of Old Notes for New Notes will not be an exchange or otherwise a taxable event to a holder for United States federal income tax purposes. Accordingly, a holder will not recognize gain or loss on receipt of a New Note in exchange for an Old Note in the exchange, and the holder’s basis and holding period in the New Note will be the same as its basis and holding period in the corresponding Old Note immediately before the exchange.

The validity of the New Notes offered in this exchange offer will be passed on for us by Conner & Winters, LLP, Tulsa, Oklahoma. As of the date of this prospectus, attorneys at Conner & Winters, LLP owned 5,000 common units of Rose Rock.

DATED _____,
THE EXCHANGE OFFER AND WITHDRAWAL RIGHTS WILL EXPIRE AT 5:00 P.M., NEW YORK
CITY TIME, ON _____, 2014 (THE “EXPIRATION DATE”), UNLESS THE EXCHANGE OFFER IS
EXTENDED BY THE ISSUER.**

The Exchange Agent for the Exchange Offer is:

Corporate Capital Markets
Rodney Square North
1100 N Market Street
Wilmington, DE 19890-1626
Fax: (302) 636-4139

If you wish to exchange your issued and outstanding 7.50% Senior Notes due 2021 (CUSIP Nos. 81663A AA3 and U81569 AA0 (“Old Notes”)) for an equal aggregate principal amount of newly issued 7.50% Senior Notes due 2021 (CUSIP No. 81663A AB1 (“New Notes”)) with materially identical terms that have been registered under the Securities Act of 1933, as amended (the “Securities Act”), under the exchange offer, you must validly tender (and not withdraw) your Old Notes to the Exchange Agent before the Expiration Date.

We refer you to the Prospectus, dated _____, (the “Prospectus”), of SemGroup Corporation (the “Issuer”), and this Letter of Transmittal (the “Letter of Transmittal”), which together describe the Issuer’s offer (the “Exchange Offer”) to exchange the Old Notes for a like aggregate principal amount of New Notes. Capitalized terms used but not defined herein have the respective meaning given to them in the Prospectus.

The Issuer reserves the right, at any time or from time to time, to extend the Exchange Offer at its discretion, in which event the term “Expiration Date” shall mean the latest date to which the Exchange Offer is extended. The Issuer shall notify the Exchange Agent and each registered holder of the Old Notes of any extension by oral (promptly followed in writing) or written notice before 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Date.

This Letter of Transmittal is to be used by holders of the Old Notes. Tender of Old Notes is to be made according to the Automated Tender Offer Program (“ATOP”) of The Depository Trust Company (“DTC”) under the procedures set forth in the Prospectus under the caption “Exchange Offer—Procedures for Tendering.” DTC participants that are accepting the Exchange Offer must transmit their acceptance to DTC, which will verify the acceptance and execute a book-entry delivery to the Exchange Agent’s DTC account. DTC will then send a computer generated message known as an “agent’s message” to the Exchange Agent for its acceptance. For you to validly tender your Old Notes in the Exchange Offer the Exchange Agent must receive, before the Expiration Date, an agent’s message under the ATOP procedures that confirms that:

- DTC has received your instructions to tender your Old Notes; and
- you agree to be bound by the terms of this Letter of Transmittal.

BY USING THE ATOP PROCEDURES TO TENDER OLD NOTES, YOU WILL NOT BE REQUIRED TO DELIVER THIS LETTER OF TRANSMITTAL TO THE EXCHANGE AGENT. HOWEVER, YOU WILL BE BOUND BY ITS TERMS, AND YOU WILL BE DEEMED TO HAVE MADE THE ACKNOWLEDGMENTS AND THE REPRESENTATIONS AND WARRANTIES IT CONTAINS, JUST AS IF YOU HAD SIGNED IT.

PLEASE READ THE ACCOMPANYING INSTRUCTIONS CAREFULLY.

Ladies and Gentlemen:

1. By tendering Old Notes in the Exchange Offer, you acknowledge receipt of the Prospectus and this Letter of Transmittal.
2. By tendering Old Notes in the Exchange Offer, you represent and warrant that you have full authority to tender the Old Notes described above and will, on request, execute and deliver any additional documents deemed by the Issuer to be necessary or desirable to complete the tender of Old Notes.
3. You understand that the tender of the Old Notes under all of the procedures set forth in the Prospectus will constitute an agreement between you and the Issuer as to the terms and conditions set forth in the Prospectus.
4. By tendering Old Notes in the Exchange Offer, you acknowledge that the Exchange Offer is being made in reliance on interpretations contained in no-action letters issued to third parties by the staff of the Securities and Exchange Commission (the "SEC"), including Exxon Capital Holdings Corp., SEC No-Action Letter (April 13, 1989), Morgan Stanley & Co., Inc., SEC No-Action Letter (June 5, 1991) and Shearman & Sterling, SEC No-Action Letter (July 2, 1993), that the New Notes issued in exchange for the Old Notes under the Exchange Offer may be offered for resale, resold and otherwise transferred by holders thereof without compliance with the registration and prospectus delivery provisions of the Securities Act (other than a broker-dealer who purchased Old Notes exchanged for the New Notes directly from the Issuer to resell under Rule 144A or any other available exemption under the Securities Act and any such holder that is an "affiliate" of the Issuer within the meaning of Rule 405 under the Securities Act), provided that the New Notes are acquired in the ordinary course of the holders' business and the holders are not participating in, and have no arrangement with any other person to participate in, the distribution of the New Notes.
5. By tendering Old Notes in the Exchange Offer, you hereby represent and warrant that:
 - (a) the New Notes acquired under the Exchange Offer are being obtained in the ordinary course of your business, whether or not you are the holder;
 - (b) you are not engaging and do not intend to engage in the distribution of Old Notes or New Notes within the meaning of the Securities Act;
 - (c) you have no arrangement or understanding with any person to participate in the distribution of Old Notes or New Notes within the meaning of the Securities Act;
 - (d) you are not an "affiliate," as such term is defined under Rule 405 promulgated under the Securities Act, of the Company; and
 - (e) if you are a broker-dealer, that you will receive the New Notes for your own account in exchange for Old Notes that were acquired as a result of market-making activities or other trading activities and that you acknowledge that you will deliver a prospectus (or, to the extent permitted by law, make available a prospectus) in connection with any resale of those New Notes.

You may, if you are unable to make all of the representations and warranties contained in Item 5 above and as otherwise permitted in the Registration Rights Agreement (as defined below), elect to have your Old Notes registered in the shelf registration statement described in the Registration Rights Agreement, dated as of June 14, 2013 (the "Registration Rights Agreement"), by and among the Issuer, the Guarantors (as defined therein), and Citigroup Global Markets Inc., as representative of the Initial Purchasers (as defined therein). Such election may be made by notifying the Issuer in writing at Two Warren Place, 6120 S. Yale Avenue, Suite 700, Tulsa, OK 74136-4216, Attention: General Counsel. By making such election, you agree, as a holder of Old Notes participating in a shelf registration, to indemnify and hold harmless the Issuer, each of the directors of the Issuer, each of the officers of the Issuer who signs such shelf registration statement, each person who controls the Issuer within the meaning of either the Securities Act or the Securities Exchange Act of 1934, as amended, and each other holder of Old Notes, from and against any and all losses, claims, damages or liabilities caused by any untrue statement or alleged untrue statement of a material fact contained in any shelf registration statement or prospectus, or in any supplement thereto or amendment thereof, or caused by the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; but only with respect to information relating to you furnished in writing by or on behalf of you expressly for use in a shelf registration statement, a prospectus or any amendments or supplements thereto. Any such indemnification

shall be governed by the terms and subject to the conditions set forth in the Registration Rights Agreement, including, without limitation, the provisions regarding notice, retention of counsel, contribution and payment of expenses set forth therein. The above summary of the indemnification provision of the Registration Rights Agreement is not intended to be exhaustive and is qualified in its entirety by the Registration Rights Agreement.

6. If you are a broker-dealer that will receive New Notes for your own account in exchange for Old Notes that were acquired as a result of market-making activities or other trading activities, you acknowledge by tendering Old Notes in the Exchange Offer, that you will deliver a prospectus in connection with any resale of those New Notes; however, by so acknowledging and by delivering a prospectus, you will not be deemed to admit that you are an “underwriter” within the meaning of the Securities Act.

7. If you are a broker-dealer and Old Notes held for your own account were not acquired as a result of market-making or other trading activities, those Old Notes cannot be exchanged under the Exchange Offer.

8. Any of your obligations hereunder shall be binding on your successors, assigns, executors, administrators, trustees in bankruptcy and legal and personal representatives.

**INSTRUCTIONS
FORMING PART OF THE TERMS AND CONDITIONS OF THE EXCHANGE OFFER**

1. Book-Entry Confirmations.

Any confirmation of a book-entry transfer to the Exchange Agent's account at DTC of Old Notes tendered by book-entry transfer (a "Book-Entry Confirmation"), as well as Agent's Message and any other documents required by this Letter of Transmittal, must be received by the Exchange Agent at its address set forth herein before 5:00 p.m., New York City time, on the Expiration Date.

2. Partial Tenders.

Tenders of Old Notes will be accepted only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The entire principal amount of Old Notes delivered to the Exchange Agent will be deemed to have been tendered unless otherwise communicated to the Exchange Agent. If the entire principal amount of all Old Notes is not tendered, then Old Notes for the principal amount of Old Notes not tendered and New Notes issued in exchange for any Old Notes accepted will be delivered to the holder via the facilities of DTC promptly after the Old Notes are accepted for exchange.

3. Validity of Tenders.

All questions as to the validity, form, eligibility (including time of receipt), acceptance, and withdrawal of tendered Old Notes will be determined by the Issuer, in its sole discretion, which determination will be final and binding. The Issuer reserves the absolute right to reject any or all tenders not in proper form or the acceptance for exchange of which may, in the opinion of counsel for the Issuer, be unlawful. The Issuer also reserves the absolute right to waive any of the conditions of the Exchange Offer or any defect or irregularity in the tender of any Old Notes. The Issuer's interpretation of the terms and conditions of the Exchange Offer (including the instructions on the Letter of Transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Old Notes must be cured within such time as the Issuers shall determine. Although the Issuer intends to notify holders of defects or irregularities with respect to tenders of Old Notes, neither the Issuer, the Exchange Agent nor any other person shall be under any duty to give notification of any defects or irregularities in tenders or incur any liability for failure to give a notification. Tenders of Old Notes will not be deemed to have been made until defects or irregularities have been cured or waived. Any Old Notes received by the Exchange Agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the Exchange Agent to the tendering holders, unless otherwise provided in the Letter of Transmittal, promptly following the Expiration Date.

4. Waiver of Conditions.

The Issuer reserves the absolute right to waive, in whole or part, up to the expiration of the Exchange Offer, any of the conditions to the Exchange Offer set forth in the Prospectus or in this Letter of Transmittal.

5. No Conditional Tender.

No alternative, conditional, irregular or contingent tender of Old Notes will be accepted.

6. Request for Assistance or Additional Copies.

Requests for assistance or for additional copies of the Prospectus or this Letter of Transmittal may be directed to the Exchange Agent at the address or telephone number set forth on the cover page of this Letter of Transmittal. Holders may also contact their broker, dealer, commercial bank, trust company or other nominee for assistance concerning the Exchange Offer.

7. Withdrawal.

Tenders may be withdrawn only under the limited withdrawal rights set forth in the Prospectus under the caption "Exchange Offer—Withdrawal of Tenders."

8. No Guarantee of Late Delivery.

There is no procedure for guarantee of late delivery in the Exchange Offer.

IMPORTANT: BY USING THE ATOP PROCEDURES TO TENDER OLD NOTES, YOU WILL NOT BE REQUIRED TO DELIVER THIS LETTER OF TRANSMITTAL TO THE EXCHANGE AGENT. HOWEVER, YOU WILL BE BOUND BY ITS TERMS, AND YOU WILL BE DEEMED TO HAVE MADE THE ACKNOWLEDGMENTS AND THE REPRESENTATIONS AND WARRANTIES IT CONTAINS, JUST AS IF YOU HAD SIGNED IT.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware (the “DGCL”) grants the Company the authority to indemnify each of the Company’s directors and officers against all expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by a director or officer that is made a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal or otherwise), by reason of the fact that such director or officer is or was a director, officer, employee or agent of the Company or by reason of the fact that such director or officer, at the Company’s request, is or was serving as a director, officer, employee or agent of any other corporation or other entity, if such director or officer acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the Company’s best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful; provided, that in the case of an action, suit or proceeding against a director or officer that is brought by the Company or in the Company’s right, the Company may indemnify such director or officer only in respect of expenses (including attorneys’ fees) actually and reasonably incurred by such director or officer; provided further, that no such indemnity for expenses may be made with respect to any claim, issue or matter as to which such director or officer shall have been adjudged to be liable to the Company unless, and only to the extent that, either the Delaware Court of Chancery or the court in which the action, suit or proceeding against such director or officer was brought shall determine upon application that, despite the adjudication of liability to the Company but in view of all the circumstances of the case, such director or officer is nevertheless fairly and reasonably entitled to indemnity from the Company for such expenses in an amount deemed proper by such court.

Unless ordered by a court, the determination of whether a then sitting director or officer has met the applicable standard for indemnity, i.e., that the director or officer acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the Company’s best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful, shall be made (i) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (ii) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (iv) by the Company’s stockholders.

Section 145 of the DGCL also authorizes the Company to advance expenses (including attorneys’ fees) incurred by a director or officer in defending any action, suit or proceeding against the director or officer prior to a determination of whether the director or officer is actually entitled to indemnity and to purchase insurance for the benefit of a director or officer against any liability that may be incurred by reason of the fact that the insured was or is a director or officer, regardless of whether the liability insured could have legally been indemnified by the Company.

Pursuant to the authority granted the Company by Section 145 of the DGCL, the Company has provided in the Company’s amended and restated certificate of incorporation and bylaws for the indemnification of and advancement of expenses to the Company’s directors to the fullest extent authorized or permitted by law as from time to time in effect; provided, however, the Company is required to indemnify, or advance expenses to, any such director in connection with an action, suit, claim or proceeding initiated by such director only if the initiation of such action, suit, claim or proceeding has been authorized or ratified by the Company’s Board of Directors. The Company’s bylaws provide that the Company may, to the extent authorized by the Company’s Board of Directors, grant rights of indemnification and the advancement of expenses (including attorney’s fees) to the Company’s officers. The Company’s Board of Directors has authorized indemnification of, and advancement of expenses to, the Company’s officers serving as such on or after December 1, 2009. The rights authorized by the Company’s Board of Directors for the indemnification of, and advancement of expenses to, the Company’s officers serving as such on or after December 1, 2009 are the same rights that have been afforded the Company’s directors pursuant to the Company’s amended and restated certificate of incorporation and bylaws.

The employment agreement between SemManagement, L.L.C., the Company’s wholly owned subsidiary, and Norman J. Szydlowski, the Company’s President and Chief Executive Officer, provides Mr. Szydlowski with indemnification to the maximum extent permitted by the Company’s amended and restated certificate of incorporation and bylaws, provided such indemnification shall be on terms no less favorable than provided to any of the Company’s other executive officers or directors pursuant to a separate written indemnification agreement. Pursuant to the employment agreement, the Company has also agreed to maintain commercially reasonable directors’ and officers’ insurance covering Mr. Szydlowski in such amount and pursuant to such terms as is typical and customary for companies of similar size and nature as the Company.

Table of Contents

The Company has also purchased a policy of insurance for the benefit of the Company's directors and officers that provides standard liability coverage.

As permitted by Section 102 of the DGCL, the Company's amended and restated certificate of incorporation provides that each of the Company's directors shall not be personally liable to the Company or the Company's stockholders for monetary damages for breach of fiduciary duty as a director; provided, that a director shall be liable for any breach of such director's duty of loyalty to the Company or the Company's stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for liability under Section 174 of the DGCL (involving certain unlawful dividends or stock repurchases), or for any transaction from which such director derived an improper personal benefit.

Item 21. Exhibits and Financial Statement Schedules.

- (a) The exhibits required to be filed under the requirements of Item 601 of Regulation S-K are set forth in the Index to Exhibits accompanying this registration statement.
- (b) Schedules are omitted because they either are not required or are not applicable or because equivalent information has been included in the financial statements, the notes thereto or elsewhere herein.

Item 22. Undertakings.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrants, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of a registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Each registrant hereby undertakes:

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (a) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
- (b) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (c) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if such registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed

Table of Contents

incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

That, for the purpose of determining liability of such registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of such registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (a) any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;
- (b) any free writing prospectus relating to the offering prepared by or on behalf of such registrant or used or referred to by the undersigned registrants;
- (c) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of such registrant; and
- (d) any other communication that is an offer in the offering made by such registrant to the purchaser.

That, for purposes of determining any liability under the Securities Act of 1933, each filing of a registrant annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Re: \$300,000,000 Aggregate Principal Amount
of 7.50% Senior Notes due 2021

Gentlemen:

We have acted as counsel to SemGroup Corporation, a Delaware corporation (the “Company”), in connection with the issuance by the Company of up to \$300,000,000 aggregate principal amount of 7.50% Senior Notes due 2021 (the “New Notes”) and the guarantees of the New Notes (the “Guarantees”) by SemOperating G.P., L.L.C., an Oklahoma limited liability company, SemGroup Europe Holding, L.L.C., a Delaware limited liability company, SemDevelopment, L.L.C., a Delaware limited liability company, SemGas, L.P., an Oklahoma limited partnership, SemCanada, L.P., an Oklahoma limited partnership, SemCanada II, L.P., an Oklahoma limited partnership, SemMaterials, L.P., an Oklahoma limited partnership, SemMexico, L.L.C., an Oklahoma limited liability company, Rose Rock Midstream Holdings, LLC, a Delaware limited liability company, Wattenberg Holding, LLC, an Oklahoma limited liability company, Glass Mountain Holding, LLC, an Oklahoma limited liability company, and Mid-America Midstream Gas Services, L.L.C., an Oklahoma limited liability company (collectively, the “Guarantors”), under an Indenture dated as of June 14, 2013 (as supplemented, the “Indenture”), between the Company, the Guarantors and Wilmington Trust, National Association, and pursuant to a registration statement on Form S-4 under the Securities Act of 1933, as amended (the “Securities Act”), filed with the Securities and Exchange Commission (the “Commission”) on December 20, 2013 (the “Registration Statement”). The New Notes and the Guarantees will be issued in exchange for the Company’s outstanding 7.50% Senior Notes due 2021 issued on June 14, 2013 and the related guarantees on the terms set forth in the prospectus contained in the Registration Statement (the “Prospectus”). This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement or Prospectus, other than as expressly stated herein with the respect to the issuance of the New Notes and the Guarantees.

In connection with our rendering of the opinion contained herein, we have examined: (i) the Registration Statement, including the Prospectus and the exhibits (including those incorporated by reference) constituting a part of the Registration Statement; (ii) the Indenture; and (iii) such other proceedings, documents, records and matters as we have deemed necessary or appropriate to enable us to render the opinion set forth below.

Dallas, TX | Houston, TX | NW Arkansas | Oklahoma City, OK | Santa Fe, NM | Tulsa, OK | Washington, DC

In our examination, we have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed or photostatic copies and the authenticity of the originals of such latter documents. In making our examination of executed documents or documents to be executed, we have assumed that the parties thereto (other than the Company and the Guarantors) had or will have the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties (other than the Company and the Guarantors) of such documents, and, as to parties other than the Company and the Guarantors, the validity and binding effect on such parties.

Our opinion set forth below is limited to the laws of the State of New York and the State of Oklahoma, the General Corporation Law of the State of Delaware, the Delaware Limited Liability Company Act and the Delaware Revised Uniform Limited Partnerships Act. We do not express any opinion herein concerning the laws of any other jurisdiction.

In connection with this opinion, we have assumed that the Registration Statement, and any amendments thereto (including post-effective amendments), will have become effective and the New Notes and Guarantees will be issued in compliance with applicable federal and state securities laws and in the manner described in the Registration Statement.

Based upon and subject to the foregoing and the limitations, qualifications, exceptions and assumptions set forth herein, we are of the opinion that:

1. The New Notes, when delivered by the Company in the manner contemplated by the Registration Statement and the Prospectus, will be legally issued and valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles (regardless of whether enforcement is considered in a proceeding in equity or at law).

2. The Guarantees, when delivered by the respective Guarantors in the manner contemplated by the Registration Statement and the Prospectus, will be legally issued and valid and binding obligations of the Guarantors, enforceable against the Guarantors in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles (regardless of whether enforcement is considered in a proceeding in equity or at law).

We express no opinion as to the validity, binding effect or enforceability of any provision of the New Notes or the Guarantees which purport to: (i) give the right of specific performance; (ii) alter rules of civil procedure or evidence; (iii) waive defenses, rights, notices, remedies and/or demands absent a showing of clear intent and knowing waiver or to the extent such rights are not waivable under statute or pursuant to public policy; (iv) create and govern a trustee or creditor in possession status; (v) create indemnities or exculpate a party from liability for its own willful misconduct or gross negligence or where such indemnification or exculpation is contrary to public policy or prohibited by law; (vi) prevent the modification of written documents by oral agreements; (vii) provide for recovery of attorneys' fees or other expenses of enforcement; (viii) provide for additional interest after default or any other provision imposing charges, fees or other

amounts not reasonably related to the costs incurred by the payee and which in any such case are held to be a penalty or forfeiture (including, without limitation, any prepayment penalties or premium); or (ix) provide for severability of contractual provisions.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to our firm in the Prospectus under the caption "Legal Matters." In giving this consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act, or the rules and regulations of the Commission promulgated thereunder. The effective date of this opinion is the date first set forth above, and we do not undertake to advise you of any matter brought to our attention thereafter which would or may modify, in whole or in part, any or all of the foregoing.

Yours very truly,

EXHIBIT 1

CHARTER OF WILMINGTON TRUST, NATIONAL ASSOCIATION

**ARTICLES OF ASSOCIATION
OF
WILMINGTON TRUST, NATIONAL ASSOCIATION**

For the purpose of organizing an association to perform any lawful activities of national banks, the undersigned do enter into the following articles of association:

FIRST. The title of this association shall be Wilmington Trust, National Association.

SECOND. The main office of the association shall be in the City of Wilmington, County of New Castle, State of Delaware. The general business of the association shall be conducted at its main office and its branches.

THIRD. The board of directors of this association shall consist of not less than five nor more than twenty-five persons, unless the OCC has exempted the bank from the 25-member limit. The exact number is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the association or of a holding company owning the association, with an aggregate par, fair market or equity value \$1,000. Determination of these values may be based as of either (i) the date of purchase or (ii) the date the person became a director, whichever value is greater. Any combination of common or preferred stock of the association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may not increase the number of directors between meetings of shareholders to a number which:

- 1) exceeds by more than two the number of directors last elected by shareholders where the number was 15 or less; or
- 2) exceeds by more than four the number of directors last elected by shareholders where the number was 16 or more, but in no event shall the number of directors exceed 25, unless the OCC has exempted the bank from the 25-member limit.

Directors shall be elected for terms of one year and until their successors are elected and qualified. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualifies or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in

the bylaws, or, if that day falls on a legal holiday in the state in which the association is located, on the next following banking day. If no election is held on the day fixed, or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases at least 10 days advance notice of the time, place and purpose of a shareholders' meeting shall be given to the shareholders by first class mail, unless the OCC determines that an emergency circumstance exists. The sole shareholder of the bank is permitted to waive notice of the shareholders' meeting.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares such shareholder owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. If, after the first ballot, subsequent ballots are necessary to elect directors, a shareholder may not vote shares that he or she has already fully cumulated and voted in favor of a successful candidate. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for election of directors. Nominations other than those made by or on behalf of the existing management shall be made in writing and be delivered or mailed to the president of the association not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to shareholders, such nominations shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- 1) The name and address of each proposed nominee.
- 2) The principal occupation of each proposed nominee.
- 3) The total number of shares of capital stock of the association that will be voted for each proposed nominee.
- 4) The name and residence address of the notifying shareholder.
- 5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and the vote tellers may disregard all votes cast for each such nominee. No bylaw may unreasonably restrict the nomination of directors by shareholders.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by shareholders at a meeting called to remove the director, when notice of the meeting stating that the purpose or one of the purposes is to remove the director is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal.

FIFTH. The authorized amount of capital stock of this association shall be ten thousand shares of common stock of the par value of one hundred dollars (\$100) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States.

No holder of shares of the capital stock of any class of the association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the association, whether now or hereafter authorized, or to any obligations convertible into stock of the association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix. Preemptive rights also must be approved by a vote of holders of two-thirds of the bank's outstanding voting shares. Unless otherwise specified in these articles of association or required by law, (1) all matters requiring shareholder action, including amendments to the articles of association, must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in these articles of association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval. If a proposed amendment would affect two or more classes or series in the same or a substantially similar way, all the classes or series so affected must vote together as a single voting group on the proposed amendment.

Shares of one class or series may be issued as a dividend for shares of the same class or series on a pro rata basis and without consideration. Shares of one class or series may be issued as share dividends for a different class or series of stock if approved by a majority of the votes entitled to be cast by the class or series to be issued, unless there are no outstanding shares of the class or series to be issued. Unless otherwise provided by the board of directors, the record date for determining shareholders entitled to a share dividend shall be the date authorized by the board of directors for the share dividend.

Unless otherwise provided in the bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

If a shareholder is entitled to fractional shares pursuant to a stock dividend, consolidation or merger, reverse stock split or otherwise, the association may: (a) issue fractional shares; (b) in lieu of the issuance of fractional shares, issue script or warrants entitling the holder to receive a full share upon surrendering enough script or warrants to equal a full share; (c) if there is an established and active market in the association's stock, make reasonable arrangements to provide the shareholder with an opportunity to realize a fair price through sale of the fraction, or purchase of the additional fraction required for a full share; (d) remit the cash equivalent of the fraction to the shareholder; or (e) sell full shares representing all the fractions at public auction or to the highest bidder after having solicited and received sealed bids from at least three licensed stock brokers; and distribute the proceeds pro rata to shareholders who otherwise would be entitled to the fractional shares. The holder of a fractional share is entitled to exercise the rights for shareholder, including the right to vote, to receive dividends, and to participate in the assets of the association upon liquidation, in proportion to the fractional interest. The holder of script or warrants is not entitled to any of these rights unless the script or warrants explicitly provide for such rights. The script or warrants may be subject to such additional conditions as: (1) that the script or warrants will become void if not exchanged for full shares before a specified date; and (2) that the shares for which the script or warrants are exchangeable may be sold at the option of the association and the proceeds paid to scripsholders.

The association, at any time and from time to time, may authorize and issue debt obligations,

whether or not subordinated, without the approval of the shareholders. Obligations classified as debt, whether or not subordinated, which may be issued by the association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this association, and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the association, and such other officers and employees as may be required to transact the business of this association.

A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the bylaws.

The board of directors shall have the power to:

- 1) Define the duties of the officers, employees, and agents of the association.
- 2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the association.
- 3) Fix the compensation and enter into employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- 4) Dismiss officers and employees.
- 5) Require bonds from officers and employees and to fix the penalty thereof.
- 6) Ratify written policies authorized by the association's management or committees of the board.
- 7) Regulate the manner in which any increase or decrease of the capital of the association shall be made, provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.
- 8) Manage and administer the business and affairs of the association.
- 9) Adopt initial bylaws, not inconsistent with law or the articles of association, for managing the business and regulating the affairs of the association.
- 10) Amend or repeal bylaws, except to the extent that the articles of association reserve this power in whole or in part to shareholders.
- 11) Make contracts.
- 12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any other place within the limits of Wilmington, Delaware, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of such association for a relocation outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of Wilmington Delaware, but not more than 30 miles beyond such limits. The board of directors shall have the power to establish or change the location of any branch or branches of the association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

EIGHTH. The corporate existence of this association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of this association, or any one or more shareholders owning, in the aggregate, not less than 50 percent of the stock of this association, may call a special meeting of shareholders at any time. Unless otherwise provided by the bylaws or the laws of the United States, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given at least 10 days prior to the meeting by first-class mail, unless the OCC determines that an emergency circumstance exists. If the association is a wholly-owned subsidiary, the sole shareholder may waive notice of the shareholders' meeting. Unless otherwise provided by the bylaws or these articles, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. For purposes of this Article Tenth, the term "institution-affiliated party" shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that

such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these articles of association and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Article Tenth have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these articles of association, (b) shall continue to exist after any restrictive amendment of these articles of association with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these articles of association shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in these articles of association, the bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in these articles of association shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Article Tenth or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Article Tenth shall remain fully enforceable.

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these articles of association; provided, however, that no such insurance shall include coverage to pay or reimburse any institution-affiliated party for the cost of any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by any federal banking agency. Such insurance may, but need not, be for the benefit of all institution-affiliated parties.

ELEVENTH. These articles of association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of this association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount. The association's board of directors may propose one or more amendments to the articles of association for submission to the shareholders.

Meetings of Shareholders

Section 1. Annual Meeting . The annual meeting of the shareholders to elect directors and transact whatever other business may properly come before the meeting shall be held at the main office of the association, Rodney Square North, 1100 Market Street, City of Wilmington, State of Delaware, at 1:00 o'clock p.m. on the first Tuesday in March of each year, or at such other place and time as the board of directors may designate, or if that date falls on a legal holiday in Delaware, on the next following banking day. Notice of the meeting shall be mailed by first class mail, postage prepaid, at least 10 days and no more than 60 days prior to the date thereof, addressed to each shareholder at his/her address appearing on the books of the association. If, for any cause, an election of directors is not made on that date, or in the event of a legal holiday, on the next following banking day, an election may be held on any subsequent day within 60 days of the date fixed, to be designated by the board of directors, or, if the directors fail to fix the date, by shareholders representing two-thirds of the shares. In these circumstances, at least 10 days' notice must be given by first class mail to shareholders.

Section 2. Special Meetings . Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose at any time by the board of directors or by any one or more shareholders owning, in the aggregate, not less than fifty percent of the stock of the association. Every such special meeting, unless otherwise provided by law, shall be called by mailing, postage prepaid, not less than 10 days nor more than 60 days prior to the date fixed for the meeting, to each shareholder at the address appearing on the books of the association a notice stating the purpose of the meeting.

The board of directors may fix a record date for determining shareholders entitled to notice and to vote at any meeting, in reasonable proximity to the date of giving notice to the shareholders of such meeting. The record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs a demand for the meeting describing the purpose or purposes for which it is to be held.

A special meeting may be called by shareholders or the board of directors to amend the articles of association or bylaws, whether or not such bylaws may be amended by the board of directors in the absence of shareholder approval.

If an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment, unless any additional items of business are to be considered, or the association becomes aware of an intervening event materially affecting any matter to be voted on more than 10 days prior to the date to which the meeting is adjourned. If a new record date for the adjourned meeting is fixed, however, notice of the adjourned meeting must be given to persons who are shareholders as of the new record date. If, however, the meeting to elect the directors is adjourned before the election takes place, at least ten days' notice of the new election must be given to the shareholders by first-class mail.

Section 3. Nominations of Directors . Nominations for election to the board of directors may be made by the board of directors or by any stockholder of any outstanding class of capital stock of the association entitled to vote for the election of directors. Nominations, other than those made by or on behalf of the existing management of the association, shall be made in writing and shall be delivered or mailed to the president of the association and the Comptroller of the Currency, Washington, D.C., not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors; *provided, however*, that if less than 21 days' notice of the meeting is given to shareholders, such nomination shall be mailed or delivered to the president of the association not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. Such notification shall contain the following information to the extent known to the notifying shareholder:

- (1) The name and address of each proposed nominee;
- (2) The principal occupation of each proposed nominee;
- (3) The total number of shares of capital stock of the association that will be voted for each proposed nominee;
- (4) The name and residence of the notifying shareholder; and
- (5) The number of shares of capital stock of the association owned by the notifying shareholder.

Nominations not made in accordance herewith may, in his/her discretion, be disregarded by the chairperson of the meeting, and upon his/her instructions, the vote tellers may disregard all votes cast for each such nominee.

Section 4. Proxies . Shareholders may vote at any meeting of the shareholders by proxies duly authorized in writing, but no officer or employee of this association shall act as proxy. Proxies shall be valid only for one meeting, to be specified therein, and any adjournments of such meeting. Proxies shall be dated and filed with the records of the meeting. Proxies with facsimile signatures may be used and unexecuted proxies may be counted upon receipt of a written confirmation from the shareholder. Proxies meeting the above requirements submitted at any time during a meeting shall be accepted.

Section 5. Quorum . A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, or by the shareholders or directors pursuant to Article IX, Section 2, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the articles of association, or by the shareholders or directors pursuant to Article IX, Section 2. If a meeting for the election of directors is not held on the fixed date, at least 10 days' notice must be given by first-class mail to the shareholders.

ARTICLE II

Directors

Section 1. Board of Directors . The board of directors shall have the power to manage and administer the business and affairs of the association. Except as expressly limited by law, all corporate powers of the association shall be vested in and may be exercised by the board of directors.

Section 2. Number . The board of directors shall consist of not less than five nor more than twenty-five members, unless the OCC has exempted the bank from the 25-member limit. The exact number within such minimum and maximum limits is to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any meeting thereof.

Section 3. Organization Meeting . The secretary or treasurer, upon receiving the certificate of the judges of the result of any election, shall notify the directors-elect of their election and of the time at which they are required to meet at the main office of the association, or at such other place in the cities of Wilmington, Delaware or Buffalo, New York, to organize the new board of directors and elect and appoint officers of the association for the succeeding year. Such meeting shall be held on the day of the election or as soon thereafter as practicable, and, in any event, within 30 days thereof. If, at the time fixed for such meeting, there shall not be a quorum, the directors present may adjourn the meeting, from time to time, until a quorum is obtained.

Section 4. Regular Meetings . The Board of Directors may, at any time and from time to time, by resolution designate the place, date and hour for the holding of a regular meeting, but in the absence of any such designation, regular meetings of the board of directors shall be held, without notice, on the first Tuesday of each March, June and September, and on the second Tuesday of each December at the main office or other such place as the board of directors may designate. When any regular meeting of the board of directors falls upon a holiday, the meeting shall be held on the next banking business day unless the board of directors shall designate another day.

Section 5. Special Meetings . Special meetings of the board of directors may be called by the Chairman of the Board of the association, or at the request of two or more directors. Each member of the board of directors shall be given notice by telegram, first class mail, or in person stating the time and place of each special meeting.

Section 6. Quorum . A majority of the entire board then in office shall constitute a quorum at any meeting, except when otherwise provided by law or these bylaws, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of directors present at the meeting is reduced below the number that would constitute a quorum, no business may be transacted, except selecting directors to fill vacancies in conformance with Article II, Section 7. If a quorum is present, the board of directors may take action through the vote of a majority of the directors who are in attendance.

Section 7. Meetings by Conference Telephone . Any one or more members of the board of directors or any committee thereof may participate in a meeting of such board or committees by means of a conference telephone or similar communications equipment allowing all persons participating in the meeting to hear each other at the same time. Participation in a meeting by such means shall constitute presence in person at such meeting.

Section 8. Procedures . The order of business and all other matters of procedure at every meeting of the board of directors may be determined by the person presiding at the meeting.

Section 9. Removal of Directors . Any director may be removed for cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by vote of the stockholders. Any director may be removed without cause, at any meeting of stockholders notice of which shall have referred to the proposed action, by the vote of the holders of a majority of the shares of the Corporation entitled to vote. Any director may be removed for cause, at any meeting of the directors notice of which shall have referred to the proposed action, by vote of a majority of the entire Board of Directors.

Section 10. Vacancies . When any vacancy occurs among the directors, a majority of the remaining members of the board of directors, according to the laws of the United States, may appoint a director to fill such vacancy at any regular meeting of the board of directors, or at a special meeting called for that purpose at which a quorum is present, or if the directors remaining in office constitute fewer than a quorum of the board of directors, by the affirmative vote of a majority of all the directors remaining in office, or by shareholders at a special meeting called for that purpose in conformance with Section 2 of Article I. At any such shareholder meeting, each shareholder entitled to vote shall have the right to multiply the number of votes he or she is entitled to cast by the number of vacancies being filled and cast the product for a single candidate or distribute the product among two or more candidates. A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date) may be filled before the vacancy occurs but the new director may not take office until the vacancy occurs.

ARTICLE III **Committees of the Board**

The board of directors has power over and is solely responsible for the management, supervision, and administration of the association. The board of directors may delegate its power, but none of its responsibilities, to such persons or committees as the board may determine.

The board of directors must formally ratify written policies authorized by committees of the board of directors before such policies become effective. Each committee must have one or more member(s), and who may be an officer of the association or an officer or director of any affiliate of the association, who serve at the pleasure of the board of directors. The creation of a committee and appointment of members to it must be approved by the board of directors.

Such report shall state whether the association is in a sound condition, and whether adequate internal controls and procedures are being maintained and shall recommend to the board of directors such changes in the manner of conducting the affairs of the association as shall be deemed advisable.

Notwithstanding the provisions of the first paragraph of this section 3, the responsibility and authority of the Examining Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

Section 4. Trust Audit Committee. There shall be a trust audit committee in conformance with Section 1 of Article V.

Section 5. Other Committees . The board of directors may appoint, from time to time, from its own members, compensation, special litigation and other committees of one or more persons, for such purposes and with such powers as the board of directors may determine.

However, a committee may not:

Section 6. Committee Members' Fees . Committee members may receive a fee for their services as committee members and traveling and other out-of-pocket expenses incurred in attending any meeting of a committee of which they are a member. The fee may be a fixed sum to be paid for attending each meeting or a fixed sum to be paid quarterly, or semiannually, irrespective of the number of meetings attended or not attended. The amount of the fee and the basis on which it shall be paid shall be determined by the Board of Directors.

ARTICLE IV

Section 1. Trust Audit Committee. There shall be a Trust Audit Committee composed of not less than 2 directors, appointed by the board of directors, which shall, at least once during each calendar year make suitable audits of the association's fiduciary activities or cause suitable audits to be made by auditors responsible only to the board, and at such time shall ascertain whether fiduciary powers have been administered according to law, Part 9 of the Regulations of the Comptroller of the Currency, and sound fiduciary principles. Such committee: (1) must not include any officers of the bank or an affiliate who participate significantly in the administration of the bank's fiduciary activities; and (2) must consist of a majority of members who are not also members of any committee to which the board of directors has delegated power to manage and control the fiduciary activities of the bank.

Notwithstanding the provisions of the first paragraph of this section 1, the responsibility and authority of the Trust Audit Committee may, if authorized by law, be given over to a duly constituted audit committee of the association's parent corporation by a resolution duly adopted by the board of directors.

ARTICLE VI
Stock and Stock Certificates

Section 1. Transfers . Shares of stock shall be transferable on the books of the association, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall in proportion to such shareholder's shares, succeed to all rights of the prior holder of such shares. Section 2. Stock Certificates . Certificates of stock shall bear the signature of the president (which may be engraved, printed or impressed) and shall be signed manually or by facsimile process by the secretary, assistant secretary, treasurer, assistant treasurer, or any other officer appointed by the board of directors for that purpose, to be known as an authorized officer, and the seal of the association shall be engraved thereon. Each certificate shall recite on its face that the stock represented thereby is transferable only upon the books of the association properly endorsed.

The board of directors may adopt or use procedures for replacing lost, stolen, or destroyed stock certificates as permitted by law.

The association may establish a procedure through which the beneficial owner of shares that are registered in the name of a nominee may be recognized by the association as the shareholder. The procedure may set forth:

- (1) The types of nominees to which it applies;
- (2) The rights or privileges that the association recognizes in a beneficial owner;
- (3) How the nominee may request the association to recognize the beneficial owner as the shareholder;

ARTICLE VII **Corporate Seal**

Section 1. Seal . The seal of the association shall be in such form as may be determined from time to time by the board of directors. The president, the treasurer, the secretary or any assistant treasurer or assistant secretary, or other officer thereunto designated by the board of directors shall have authority to affix the corporate seal to any document requiring such seal and to attest the same. The seal on any corporate obligation for the payment of money may be facsimile.

ARTICLE VIII **Miscellaneous Provisions**

Section 1. Fiscal Year . The fiscal year of the association shall be the calendar year.

Section 2. Execution of Instruments . All agreements, indentures, mortgages, deeds, conveyances, transfers, certificates, declarations, receipts, discharges, releases, satisfactions, settlements, petitions, schedules, accounts, affidavits, bonds, undertakings, proxies and other instruments or documents may be signed, executed, acknowledged, verified, delivered or accepted on behalf of the association by the chairperson of the board, or the president, or any vice president, or the secretary, or the treasurer, or, if in connection with the exercise of fiduciary powers of the association, by any of those offices or by any trust officer. Any such instruments may also be executed, acknowledged, verified, delivered or accepted on behalf of the association in such other manner and by such other officers as the board of directors may from time to time direct. The provisions of this section 2 are supplementary to any other provision of these bylaws.

Section 3. Records . The articles of association, the bylaws and the proceedings of all meetings of the shareholders, the board of directors, and standing committees of the board of directors shall be recorded in appropriate minute books provided for that purpose. The minutes of each meeting shall be signed by the secretary, treasurer or other officer appointed to act as secretary of the meeting.

Section 4. Corporate Governance Procedures. To the extent not inconsistent with federal banking statutes and regulations, or safe and sound banking practices, the association may follow the Delaware General Corporation Law, Del. Code Ann. tit. 8 (1991, as amended 1994, and as amended thereafter) with respect to matters of corporate governance procedures.

Section 5. Indemnification. For purposes of this Section 5 of Article VIII, the term “institution-affiliated party” shall mean any institution-affiliated party of the association as such term is defined in 12 U.S.C. 1813(u).

Any institution-affiliated party (or his or her heirs, executors or administrators) may be indemnified or reimbursed by the association for reasonable expenses actually incurred in connection with any threatened, pending or completed actions or proceedings and appeals therein, whether civil, criminal, governmental, administrative or investigative, in accordance with and to the fullest extent permitted by law, as such law now or hereafter exists; provided, however, that when an administrative proceeding or action instituted by a federal banking agency results in a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association, then the association shall require the repayment of all legal fees and expenses advanced pursuant to the next succeeding paragraph and may not indemnify such institution-affiliated parties (or their heirs, executors or administrators) for expenses, including expenses for legal fees, penalties or other payments incurred. The association shall provide indemnification in connection with an action or proceeding (or part thereof) initiated by an institution-affiliated party (or by his or her heirs, executors or administrators) only if such action or proceeding (or part thereof) was authorized by the board of directors.

Expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding under 12 U.S.C. 164 or 1818 may be paid by the association in advance of the final disposition of such action or proceeding upon (a) a determination by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding that the institution-affiliated party (or his or her heirs, executors or administrators) has a reasonable basis for prevailing on the merits, (b) a determination that the indemnified individual (or his or her heirs, executors or administrators) will have the financial capacity to reimburse the bank in the event he or she does not prevail, (c) a determination that the payment of expenses and fees by the association will not adversely affect the safety and soundness of the association, and (d) receipt of an undertaking by or on behalf of such institution-affiliated party (or by his or her heirs, executors or administrators) to repay such advancement in the event of a final order or settlement pursuant to which such person: (i) is assessed a civil money penalty, (ii) is removed from office or prohibited from participating in the conduct of the affairs of the association, or (iii) is required to cease and desist from or to take any affirmative action described in 12 U.S.C. 1818(b) with respect to the association. In all other instances, expenses incurred by an institution-affiliated party (or by his or her heirs, executors or administrators) in connection with any action or proceeding as to which indemnification may be given under these articles of association may be paid by the association in advance of the final disposition of such action or proceeding upon (a) receipt of an undertaking by or on behalf of such institution-affiliated party (or by or on behalf of his or her heirs, executors or administrators) to repay such advancement in the event that such institution-affiliated party (or his or her heirs, executors or administrators) is ultimately found not to be entitled to indemnification as authorized by these bylaws and (b) approval by the board of directors acting by a quorum consisting of directors who are not parties to such action or proceeding or, if such a quorum is not obtainable, then approval by stockholders. To the extent permitted by law, the board of directors or, if applicable, the stockholders, shall not be required to find that the institution-affiliated party has met the applicable standard of conduct provided by law for indemnification in connection with such action or proceeding.

In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in the first four paragraphs of this Section 5 of Article VIII have been met. If legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

To the extent permitted under applicable law, the rights of indemnification and to the advancement of expenses provided in these articles of association (a) shall be available with respect to events occurring prior to the adoption of these bylaws, (b) shall continue to exist after any restrictive amendment of these bylaws with respect to events occurring prior to such amendment, (c) may be interpreted on the basis of applicable law in effect at the time of the occurrence of the event or events giving rise to the action or proceeding, or on the basis of applicable law in effect at the time such rights are claimed, and (d) are in the nature of contract rights which may be enforced in any court of competent jurisdiction as if the association and the institution-affiliated party (or his or her heirs, executors or administrators) for whom such rights are sought were parties to a separate written agreement.

The rights of indemnification and to the advancement of expenses provided in these bylaws shall not, to the extent permitted under applicable law, be deemed exclusive of any other rights to which any such institution-affiliated party (or his or her heirs, executors or administrators) may now or hereafter be otherwise entitled whether contained in the association's articles of association, these bylaws, a resolution of stockholders, a resolution of the board of directors, or an agreement providing such indemnification, the creation of such other rights being hereby expressly authorized. Without limiting the generality of the foregoing, the rights of indemnification and to the advancement of expenses provided in these bylaws shall not be deemed exclusive of any rights, pursuant to statute or otherwise, of any such institution-affiliated party (or of his or her heirs, executors or administrators) in any such action or proceeding to have assessed or allowed in his or her favor, against the association or otherwise, his or her costs and expenses incurred therein or in connection therewith or any part thereof.

If this Section 5 of Article VIII or any part hereof shall be held unenforceable in any respect by a court of competent jurisdiction, it shall be deemed modified to the minimum extent necessary to make it enforceable, and the remainder of this Section 5 of Article VIII shall remain fully enforceable.

The association may, upon affirmative vote of a majority of its board of directors, purchase insurance to indemnify its institution-affiliated parties to the extent that such indemnification is allowed in these bylaws; provided, however, that no such insurance shall include coverage for a final order assessing civil money penalties against such persons by a bank regulatory agency. Such insurance may, but need not, be for the benefit of all institution-affiliated parties.

ARTICLE IX
Inspection and Amendments

Section 1. Inspection . A copy of the bylaws of the association, with all amendments, shall at all times be kept in a convenient place at the main office of the association, and shall be open for inspection to all shareholders during banking hours.

Section 2. Amendments . The bylaws of the association may be amended, altered or repealed, at any regular meeting of the board of directors, by a vote of a majority of the total number of the directors except as provided below, and provided that the following language accompany any such change.
