Item 8.01 Other Events.

Reference is made to the previously-announced Amendment, dated December 9, 2015 (the “Amendment”) to the Agreement and Plan of Merger (as amended by the Amendment, the “Merger Agreement”), dated July 20, 2015, between the Company, SunEdison, Inc., a Delaware corporation (“Parent” or “SunEdison”), and SEV Merger Sub Inc., a Delaware corporation and a wholly-owned subsidiary of Parent (“Merger Sub”), pursuant to which Merger Sub will merge with and into the Company (the “Merger”), with the Company surviving the Merger as a wholly-owned subsidiary of Parent. Pursuant to Section 2.01(b)(ii) of the Merger Agreement, the Company has the option, with the consent of the Company’s controlling stockholder, 313 Acquisition, LLC (“313”), to elect to have the Company’s stockholders who are not affiliated with 313 (such stockholders referred to as the “Public Stockholders”), receive an amount of cash in exchange for the shares of the Company common stock they hold equal to (1) an amount in cash equal to \$7.89 without interest (the “Cash Consideration”), plus (2) an additional amount in cash that represents the Company’s determination of the fair market value of the amount of Parent common stock and the amount of convertible note consideration (on terms and conditions set forth in Exhibit B to the Amendment) that would have otherwise been payable to the Public Stockholders for each share of Company common stock held by them without the exercise of this option (the amount of such cash, the “Additional Cash Consideration”). The amount of cash paid to 313 in the Merger for each share of Company common stock held by 313 shall be equal to (1) the Cash Consideration, minus (2) the Additional Cash Consideration. In lieu of receiving cash consideration equal to the Additional Cash Consideration that 313 would have been entitled to receive in the Merger, 313 will accept the Parent common stock and convertible notes that would have otherwise been payable to the Public Stockholders. The purpose of exercising this option is to render the transaction into an all-cash deal for the Public Stockholders, and thereby facilitate a closing more quickly than would be the case if the Parent common stock and convertible notes otherwise issuable to the Public Stockholders had to go through the SEC registration process that would have been required in connection with the Merger without the exercise of this option.

On December 13, 2015, the Company, with 313’s consent, exercised the above-described option by delivering a notice to Parent pursuant to and in accordance with the terms of the Merger Agreement (the “Section 2.01 Notice”). The fair market value of the Additional Cash Consideration shall be determined at the consummation of the Merger pursuant to the formula set forth in the Section 2.01 Notice.

Each of the foregoing descriptions of the Merger Agreement, the Amendment, and the Section 2.01 Notice does not purport to be complete and is qualified in its entirety by reference to the each of the Merger Agreement, the Amendment and the Section 2.01 Notice. A copy of the Section 2.01 Notice is filed herewith as Exhibit 99.1 and incorporated herein by reference. A copy of the Amendment is filed with the Company’s Current Report on Form 8-K, filed with the Securities and Exchange Commission (the “SEC”) on December 9, 2015, as Exhibit 2.1 thereto and is incorporated herein by reference. A copy of the Merger Agreement (prior to its amendment) is filed with the Company’s Current Report on Form 8-K, filed with the SEC on July 22, 2015, as Exhibit 2.1 thereto and is incorporated herein by reference.

Dear Sir/Madam:

Reference is made to the Agreement and Plan of Merger Agreement, dated July 20, 2015, by and among SunEdison, Inc., a Delaware corporation (“Parent”), SEV Merger Sub Inc., a Delaware corporation and a wholly owned subsidiary of Parent (“Merger Sub”), and Vivint Solar, Inc., a Delaware corporation (the “Company”), as amended by the Amendment to the Merger Agreement dated December 9, 2015 (as amended, the “Amended Merger Agreement”). Capitalized terms used in this notice but not defined herein shall have the meanings set forth in the Amended Merger Agreement.

Pursuant to Section 2.01(b)(ii) of the Amended Merger Agreement, the Company hereby delivers notice to Parent and Merger Sub, constituting the Section 2.01 Notice, that the Company is exercising the election to effect the conversion of the Company Common Stock as set forth in Section 2.01(b)(ii) of the Amended Merger Agreement.

In connection with such election, the Company hereby informs Parent and Merger Sub that the aggregate amount of Additional Cash Consideration shall be equal to the sum of the amounts determined pursuant to Section 1 and Section 2 of this notice; where the amount calculated pursuant to Section 1 shall represent the fair market value of the aggregate Convertible Note Consideration that would have otherwise been payable in respect of all the Public Shares pursuant to Section 2.01(b)(i) of the Amended Merger Agreement and Section 2 shall represent the fair market value of the aggregate Stock Consideration that would have otherwise been payable in respect of all the Public Shares pursuant to Section 2.01(b)(i) of the Amended Merger Agreement. The per share amount payable to each share of the Public Shares as Additional Cash Consideration shall be the aggregate Additional Cash Consideration divided by the number of outstanding Public Shares as of immediately prior to the Effective Time, rounded down to the nearest cent.

Section 1. The fair market value of the aggregate Convertible Note Consideration that would have otherwise been payable in respect of all the Public Shares shall be calculated as the net present value (giving effect to all leap years) of the cash amounts payable to the holders of such Convertible Notes over time pursuant to the terms of the Indenture (assuming all cash amounts are paid at the times such payments are required to be paid under the terms thereof) using the Discount Rate.

“Discount Rate” shall be calculated as the mean average of the IRRs of each series of the Reference Convertible Notes.

“IRR” shall mean, for each series of the Reference Convertible Notes, the internal rate of return of such notes. The IRR shall be calculated as if such series of Reference Convertible Notes were purchased on the Closing Date at a price equal to the VWAP of such series of notes and assuming all cash amounts payable under the terms of such Reference Convertible Notes are paid at the times such payments are required to be paid under the terms thereof.

“Reference Convertible Notes” shall mean each series of convertible notes of Parent that is outstanding as of the date hereof, including the following notes:

- A. 2.000% Convertible Senior Notes due 2018
- B. 2.750% Convertible Senior Notes due 2021
- C. 0.250% Convertible Senior Notes due 2020
- D. 2.375% Convertible Senior Notes due 2022
- E. 2.625% Convertible Senior Notes due 2023
- F. 3.375% Convertible Senior Notes due 2025

“VWAP” shall mean the volume weighted average price per unit of each of the series of Reference Convertible Notes (rounded down to the nearest cent) as reported by Bloomberg Financial Market for each of the Reference Convertible Notes for the five (5) consecutive trading days ending on (and including) the second (2nd) trading day immediately prior to the Effective Time.

Section 2. The fair market value of the aggregate Stock Consideration that would have otherwise been payable in respect of all the Public Shares shall be calculated as (x) the number of shares of Parent Common Stock payable in respect of all the Public Shares pursuant to Section 2.01(b)(i) of the Amended Merger Agreement multiplied by (y) the Closing FMV.
