About Pyxis Tankers Inc.

We own a modern fleet of six tankers engaged in seaborne transportation of refined petroleum products and other bulk liquids. We are focused on growing our fleet of medium range product tankers, which provide operational flexibility and enhanced earnings potential due to their "eco" features and modifications. We are well positioned to opportunistically expand and maximize our fleet due to competitive cost structure, strong customer relationships and experienced management team, whose interests are aligned with those of our shareholders.
