Item 1. Security and Issuer

The class of equity securities to which this statement on Schedule 13D (the “Statement”) relates is the Class A Stock of the Company whose principal executive offices are located at 2210 West Oaklawn Drive, Springdale, Arkansas 72762-6999. The Partnership is causing this statement to be filed by virtue of its beneficial ownership of the Company’s Class B Stock. The Class A and Class B Stock are hereinafter collectively referred to as the “Shares.” Pursuant to the Company’s Certificate of Incorporation, and subject to certain terms and conditions contained therein, each share of Class B Stock is presently convertible, at the option of the respective holder thereof, into one fully paid and non assessable share of the Company’s Class A Stock. As of December 2, 2006, the Partnership owned directly and indirectly 80,859,832 shares of Class B Stock or 99.97% of the total shares of such class outstanding. The Partnership did not own any shares of Class A Stock on such date.

Item 2. Identity and Background

This statement is being filed by the Partnership, which was formed on June 8, 1990. Substantially all of the Class B Stock held by the Partnership represents the Tyson family’s controlling interest in the Company. The principal business address of the Partnership is 2210 West Oaklawn Drive, Springdale, Arkansas 72762-6999.

The purpose and nature of business to be conducted by the Partnership includes the following: (i) to engage generally in the farming and ranching business, including the acquisition, development, construction, operation and disposition of farming and ranching properties; (ii) to engage generally in the real estate business, including the improvement, development, acquisition or disposition of real estate properties; (iii) to engage generally in the mineral business and to acquire, develop and operate mineral properties; (iv) to invest, acquire, dispose of or otherwise deal in stocks, bonds and securities of any person, including the Company; and (v) to conduct any other business necessary or incidental to the foregoing or that may be lawfully conducted by the Partnership under the Delaware Revised Uniform Limited Partnership Act.

The managing general partner of the Partnership is Donald J. Tyson, a member of the Board of Directors of the Company. The name, residence or business address, present principal occupation or employment and citizenship of each general partner of the Partnership is set forth in Schedule 1 hereto and incorporated herein by reference. Donald J. Tyson has a 54.1166% combined percentage interest as a general and limited partner in the Partnership and the Randal W. Tyson Testamentary Trust has a 45.2549% percentage interest as a limited partner in the Partnership.

Except as set forth below, during the last five years, neither the Partnership, nor, to the best knowledge of the Partnership, any general partner of the Partnership (a) has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

In April 2005, the Company and Donald J. Tyson settled an SEC formal investigation concerning the Company’s disclosure of executive perquisites by entering into an administrative cease and desist order without admitting or denying wrongdoing. The SEC investigation concerned allegations that the Company’s proxy statements for fiscal years 1997 through 2003 had failed to comply with SEC regulations with respect to the

disclosure and description of perquisites totaling approximately \$1.7 million provided to Donald J. Tyson and that the Company had failed to maintain an adequate system of internal controls regarding the personal use of Company assets and the disclosure of perquisites and personal benefits. In fiscal year 2004, Mr. Tyson voluntarily paid the Company \$1,516,471 as reimbursement for certain perquisites and personal benefits received during fiscal years 1997 through 2003. Under the order, the Company paid the SEC a civil penalty of \$1.5 million and Don Tyson paid a civil penalty of \$700,000. Both the Company and Mr. Tyson consented to the entry of the order and paid their respective penalties without admitting or denying wrongdoing.

Item 3. Source and Amount of Funds or Other Consideration

Not applicable.

Item 4. Purpose of Transaction

The Shares were acquired by the Partnership for the purpose of aggregating the Tyson family's previously held controlling interest in the Company into a more flexible ownership vehicle. Additionally, the Shares are held by the Partnership as an investment asset. From time to time the Partnership reviews and monitors its investment in the Company and may change such investment by acquiring or selling additional Shares in the open market, in privately negotiated transactions or otherwise. In reaching any conclusions regarding any change in the level of investment in the Shares, the Partnership takes into consideration various factors, including but not limited to, the price and availability of the Shares, future events affecting the Company, general stock market and economic conditions and other investment and business opportunities available to the Partnership.

The Partnership presently anticipates making additional dispositions of Company Shares into the open market as part of a continuing effort to diversify the Partnership's holdings, the timing of which is presently uncertain. The Partnership currently has no plans or proposals which would result in or relate to any of the transactions described in subparagraphs (b) through (j) of Item 4 of Schedule 13D. However, the Partnership reserves the right to change its plans or intentions at any time and to take any and all actions it may deem appropriate with respect to its investment in the Company.

Item 5. Interest in Securities of the Issuer

(a) As of December 2, 2006, the Partnership beneficially owned a total of 80,859,832 shares of Class B Stock, constituting approximately 99.97% of the total shares of such class outstanding. Additionally, the Partnership did not own any shares of Class A Stock on such date. Neither the Partnership, nor, to the best knowledge of the Partnership, the general partners of the Partnership, presently own any Shares, except as set forth herein.

Certain of the Partnership's general partners beneficially own shares of the Company's Class A Stock in addition to such general partners' interest in the Partnership. Such general partners' beneficial ownership of Class A Stock, as of December 2, 2006, is as follows (including shares subject to presently exercisable options or options exercisable within 60 days after December 2, 2006): Don Tyson, 104,489; Leland Tollett, 3,076,858; Barbara Tyson, 168,718; and John Tyson, 3,844,393 shares.

(b) Don Tyson, as managing general partner of the Partnership, has the exclusive right, subject to certain restrictions, to vote or direct the vote of and to dispose of or direct the disposition of all the Shares beneficially owned by the Partnership.

(c) Not applicable.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The Partnership is governed by the terms of a Partnership Agreement dated June 8, 1990 (the "Agreement"). Pursuant to the Agreement, Don Tyson, as managing general partner, has the exclusive right, subject to certain restrictions, to do all things necessary to manage, conduct, control and operate the Partnership's business,

including the right to vote all shares or other securities held by the Partnership, as well as the right to mortgage, pledge or grant security interests in any assets of the Partnership. The Partnership terminates on December 31, 2040. Additionally, the Partnership may be dissolved upon the occurrence of certain events, including (i) a written determination by the managing general partner that the projected future revenues of the Partnership will be insufficient to enable payment of costs and expenses, or that such future revenues will be such that continued operation of the Partnership will not be in the best interest of the partners, (ii) an election to dissolve the Partnership by the managing general partner that is approved by the affirmative vote of a majority in percentage interest of all general partners and (iii) the sale of all or substantially all of the Partnership's assets and properties. The withdrawal of the managing general partner or any other general partner (unless such partner is a sole remaining general partner) will not cause a dissolution of the Partnership. Upon dissolution of the Partnership, each partner, including all limited partners, will receive in cash or otherwise, after payment of creditors, loans from any partner, and return of capital account balances, their respective percentage interests in the partnership assets. In addition, the Agreement provides that in the event it is determined that a sale of Partnership assets and distribution in cash would be impracticable or cause undue loss to the partners, each partner may, subject to certain conditions, receive in lieu of cash, the particular assets contributed by each such partner to the Partnership.

The Partnership, through two of its wholly-owned subsidiaries, has entered into four prepaid forward contracts with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPFS"), each relating to 1,000,000 shares of Class B Stock, which expire on February 20, 2007 (collectively, the "Contracts"). Under the terms of each of the Contracts, the Partnership has agreed to deliver a number of shares of Class A Stock (or Class B Stock immediately convertible into Class A Stock) on the respective expiration dates of the contracts (or on an earlier date if the contract is terminated early) pursuant to the following formula: (i) if the price of Class A Stock on the date of expiration or termination (the "Final Price") is less than a specified floor price (the "Floor Price"), then 1,000,000 shares; (ii) if the Final Price is less than or equal to a specified maximum price (the "Cap Price"), but great than or equal to the Floor Price, then a number of shares equal to 1,000,000 times the Floor Price divided by the Final Price; (iii) if the Final Price is greater than the Cap Price, then a number of shares equal to 1,000,000 multiplied by a fraction, the numerator of which is the sum of the Floor Price and the difference between the Final Price and the Cap Price, and the denominator of which is the Final Price. In connection with the Contracts, the Partnership has pledged the 4,000,000 shares of Class B Stock subject to the Contracts to secure its obligations under the Contracts.

Under the Contracts, in lieu of the delivery of Shares, the Partnership may, at its option, settle the contracts by delivery of cash. In certain events, the Counterparties are obligated to settle the contracts by delivery of cash.
