**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
to be held on May 10, 2002**

NOTICE IS HEREBY GIVEN that the Annual Meeting of Stockholders (the "Meeting") of Veeco Instruments Inc. ("Veeco") will be held at 9:30 a.m. (New York City time) on May 10, 2002, at the Corporate Center, 395 North Service Road, Lower Auditorium, Melville, New York for the purpose of considering and acting upon the following matters as set forth in the accompanying Proxy Statement:

1. Election of three directors;
2. Approval of an amendment to the Veeco Instruments Inc. 2000 Stock Option Plan;
3. Approval of an amendment to Veeco's Certificate of Incorporation to increase the authorized shares of Veeco's common stock thereunder;
4. Ratification of the appointment of Ernst & Young LLP as auditors for Veeco for the fiscal year ending December 31, 2002; and
5. The transaction of such other business as may properly come before the Meeting or any adjournments or postponements thereof.

Only stockholders of record at the close of business on March 12, 2002 are entitled to notice of and to vote at the Meeting. A certified list of such stockholders will be available for examination, during business hours, by any stockholder for any purpose germane to the Meeting for a period of not less than ten days immediately preceding the Meeting at the offices of Veeco, 100 Sunnyside Boulevard, Woodbury, New York 11797.

By order of the Board of Directors,

John F. Rein, Jr.
Executive Vice President, Chief Financial Officer,
Treasurer and Secretary

April 9, 2002

ALL STOCKHOLDERS ARE CORDIALLY INVITED TO ATTEND THE MEETING. WHETHER OR NOT YOU INTEND TO BE PRESENT, PLEASE COMPLETE, DATE, SIGN AND RETURN THE ENCLOSED PROXY CARD IN THE STAMPED AND ADDRESSED ENVELOPE ENCLOSED FOR YOUR CONVENIENCE. STOCKHOLDERS CAN HELP VEECO AVOID UNNECESSARY EXPENSE AND DELAY BY PROMPTLY RETURNING THE ENCLOSED PROXY CARD. THE BUSINESS OF THE MEETING TO BE ACTED UPON BY THE STOCKHOLDERS CANNOT BE TRANSACTED UNLESS AT LEAST 50% OF THE OUTSTANDING SHARES OF VEECO'S COMMON STOCK ARE REPRESENTED AT THE MEETING.

PROXY STATEMENT

This Proxy Statement is being furnished to the stockholders (the "Stockholders") of Veeco Instruments Inc., a Delaware corporation ("Veeco" or the "Company"), in connection with the Annual Meeting of Stockholders of Veeco to be held at 9:30 a.m. (New York City time) on May 10, 2002, at the Corporate Center, 395 North Service Road, Lower Auditorium, Melville, New York (the "Meeting"). Accompanying this proxy statement ("Proxy Statement") is a notice of such Meeting and a form of proxy solicited by Veeco's Board of Directors. Audited financial statements of Veeco for the fiscal year ended December 31, 2001 are contained in Veeco's Annual Report on Form 10-K which has been mailed with this Proxy Statement. These materials are being mailed to Stockholders on or about April 9, 2001.

Proxies in the accompanying form which are properly executed and duly returned to Veeco and not revoked prior to the voting at the Meeting will be voted as specified. If no contrary specification is made and if not designated as broker non-votes, the shares of common stock of Veeco, \$0.01 par value per share ("Shares" and "Common Stock," respectively), represented by the enclosed proxy will be voted (a) FOR the election of the nominees for director ("Directors") (Proposal 1), (b) FOR the approval of the amendment to the Veeco Instruments Inc. 2000 Stock Option Plan, as amended to date (the "2000 Plan") (Proposal 2), (c) FOR the approval of the amendment to Veeco's Amended and Restated Certificate of Incorporation, as amended to date (the "Certificate of Incorporation") (Proposal 3), and (d) FOR the ratification of the appointment of Ernst & Young LLP as auditors (Proposal 4). In addition, the Shares represented by the enclosed proxy will be voted by the persons named therein, in such persons' discretion, with respect to any other business which may properly come before the Meeting or any adjournments or postponements thereof. Any Stockholder giving a proxy has the power to revoke it at any time prior to the voting by filing with the Secretary of Veeco written notice of revocation or a duly executed proxy bearing a later date or by voting in person at the Meeting.

The Board of Directors has fixed the close of business on March 12, 2002 (the "Record Date"), as the record date for the determination of the Stockholders who are entitled to receive notice of and to vote at the Meeting. The holders of at least 50% of the issued and outstanding shares of Common Stock must be present in person, or represented by proxy, to constitute a quorum for the transaction of business at the Meeting. Directors shall be elected by a plurality of the votes cast at the Meeting (Proposal 1). An affirmative vote by the holders of a majority of the votes cast at the Meeting is required for approval of each of Proposals 2 and 4. An affirmative vote by the holders of a majority of the outstanding shares of Common Stock is required for approval of Proposal 3.

On the Record Date, there were 29,027,006 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote with respect to each of the matters to be voted upon at the Meeting. In accordance with the laws of the State of Delaware, shares represented by proxies marked as abstentions or designated as broker non-votes will be counted for purposes of determining a quorum. Shares represented by proxies marked as abstentions will also be treated as present for purposes of determining the outcome of a vote on any matter, but will not constitute a vote "for" or "against" any matter and, thus, will be disregarded in the calculation of votes cast for the election of Directors. Shares represented by proxies designated as broker non-votes, however, will not be treated as present for purposes of determining the outcome of a vote on any matter.

PROPOSAL 1
ELECTION OF DIRECTORS

Veeco's Certificate of Incorporation provides for a Board of Directors elected by Stockholders which is divided into three classes of Directors serving staggered terms. Currently, the Board of Directors is comprised of nine members, consisting of three Class I Directors, three Class II Directors and three Class III Directors. Each of the three Class II Directors is up for re-election this year.

The Board of Directors has nominated the following Directors, each of which is currently a Class II Director, for re-election:

<u>Name</u>	<u>Nominated for Re-Election to:</u>	<u>For a Term Expiring at the Annual Meeting of Stockholders in:</u>
Joel A. Elftmann	Class II	2005
Paul R. Low	Class II	2005
Walter J. Scherr	Class II	2005

The following Directors will continue in their current positions for the term specified:

<u>Name</u>	<u>Continuing in:</u>	<u>Term Expires at the Annual Meeting of Stockholders in:</u>
Edward H. Braun	Class III	2003
Richard A. D'Amore	Class III	2003
Douglas A. Kingsley	Class III	2003
Heinz K. Fridrich	Class I	2004
Roger D. McDaniel	Class I	2004
Irwin H. Pfister	Class I	2004

Directors are elected by a plurality of the votes cast at the Meeting. Unless authority to vote is specifically withheld by appropriate designation on the face of the proxy or a broker or nominee has indicated on the face of the proxy its lack of discretionary authority to vote, the persons named in the accompanying proxy intend to vote the shares represented thereby for the persons whose names are set forth above as Directors of Veeco. Accordingly, only proxies marked "FOR" the nominees or unmarked (other than broker non-votes) will be counted as "votes" in determining the election of Directors.

The Board of Directors recommends that Stockholders vote FOR the Director nominees named above, and, unless a Stockholder gives instructions on the proxy card to the contrary or a broker non-vote is indicated on the proxy card, the appointees named thereon intend to so vote. Management does not contemplate that any of the nominees for Director will be unable to serve, but if such a situation should arise, it is the intention of the persons named in the accompanying proxy to vote for the election of such other person or persons as the remaining members of the Board of Directors may recommend.

SECURITY OWNERSHIP

The following table sets forth certain information regarding the beneficial ownership of Common Stock as of March 12, 2002 (unless otherwise specified below) by (i) each person known by Veeco to own beneficially more than five percent of the outstanding shares of Common Stock, (ii) each director of Veeco, (iii) the Chief Executive Officer and each of the next four most highly compensated executive officers of Veeco (the “Named Officers”) and (iv) all executive officers and directors of Veeco as a group. Unless otherwise indicated, Veeco believes that each of the persons or entities named in the table exercises sole voting and investment power over the shares of Common Stock that each of them beneficially owns, subject to community property laws where applicable.

Information Concerning the Board of Directors

The Board of Directors of Veeco has established an Audit Committee, a Compensation Committee and a Nominating Committee. The Audit Committee reviews the scope and results of the audit and other services provided by Veeco's independent auditors. The Compensation Committee sets the compensation levels of senior management and administers Veeco's stock option plans and employee stock purchase plan. All members of the Compensation Committee are (x) "Non-Employee Directors" within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and (y) "outside directors" within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable regulations. The Nominating Committee searches for persons qualified to serve on the Board of Directors and makes recommendations to the Board of Directors with respect thereto. The Nominating Committee will consider nominees recommended by Stockholders. No formal procedures are required to be followed by Stockholders in submitting such recommendations. The Audit Committee currently consists of Messrs. Elftmann, Fridrich, Kingsley and Pfister. The Compensation Committee currently consists of Messrs. D'Amore, Low and McDaniel. The Nominating Committee currently consists of Messrs. Braun, Low and McDaniel. During the fiscal year ended December 31, 2001, the Audit Committee met four times, the Compensation Committee met three times and the Nominating Committee met once.

During the fiscal year ended December 31, 2001, Veeco's Board of Directors held eleven meetings (including regularly scheduled and special meetings). All of the current Directors attended at least 75% of the meetings of the Board of Directors and of the Board of Directors committees of which they were members during the fiscal year ended December 31, 2001.

- (7) Includes a \$7,800 car allowance and a \$39,096 relocation allowance paid to Dr. Kania in 1999.

The following table sets forth certain information concerning individual grants of stock options made during 2001 to the Named Officers. Also reported are potential realizable values of each such stock option at assumed annual rates of stock price appreciation for the term of the option representing the product of (a) the difference between: (i) the product of the closing price per share of Common Stock as reported by the Nasdaq National Market ("NASDAQ") on the date of the grant (\$48.81 on February 12, 2001 and \$34.05 on July 20, 2001) and the sum of one plus the adjusted stock price appreciation rate (5% and 10%) compounded annually over the term of the option (7 years) and (ii) the exercise price of the option; and (b) the number of shares of Common Stock underlying the option grant at December 31, 2001.

- (1) Represents options granted pursuant to the 2000 Plan made on July 20, 2001 with the exception of the grant to Mr. Barry, which was made on February 12, 2001. One third of the options become exercisable on each of the first three anniversaries of the grant date.
- (2) Reflects percentage of options granted by the Company to its employees in 2001. Does not include 809,645 options assumed by the Company in connection with the merger with Applied Epi, Inc. on September 17, 2001, none of which assumed options had been granted to the Named Officers.
- (3) Represents the closing price per share of Common Stock as reported by NASDAQ on the trading day immediately preceding the date of grant.
- (4) Options may terminate at an earlier date upon the occurrence of certain events.

The following table sets forth certain information concerning the number of shares of Common Stock acquired upon the exercise of options by the Named Officers during 2001 and the value realized upon such exercises determined by calculating the positive spread between the exercise price of the options exercised and the closing price of the Common Stock on the date of exercise. Also reported are the number of options to purchase Common Stock held by the Named Officers as of December 31, 2001 and values for "in-the-money" options that represent the excess, if any, of the closing price of the Common Stock on December 31, 2001 as reported by NASDAQ (\$36.05), over the exercise price of the outstanding options (\$14.50 to \$46.50).

Employment Agreements

Each of Messrs. Braun and Rein has entered into an employment agreement with Veeco. Mr. Braun's employment agreement provides that he will be Chairman and Chief Executive Officer of Veeco, with a minimum base salary of \$470,000 per year and the potential for a performance-based cash bonus of up to one-hundred percent of his base salary (which percentage may be increased at the Company's option). The employment agreement also provides that if Mr. Braun's employment with Veeco is terminated either (i) by Veeco for any reason other than death, disability or "for cause" (as defined in the agreement to cover specified serious misconduct), or (ii) if Mr. Braun resigns for "good reason" (as defined in the agreement to cover a downgrading of Mr. Braun by Veeco, the failure to elect Mr. Braun as a member of Veeco's Board of Directors or non-fulfillment by Veeco of certain contractual commitments to Mr. Braun), Mr. Braun will be entitled to a lump-sum severance payment equal to 24 months of base salary. Upon any such termination, Mr. Braun will also have the vesting of any options to purchase stock of Veeco which options were granted after the date of the employment agreement and which are held by him at the time of such termination accelerated and will have one year (or to the end of the original term of the options, if earlier) to exercise all such options. In the event that Mr. Braun's employment with Veeco is terminated on account of death or disability, Mr. Braun will be entitled to a lump-sum severance payment equal to 12 months of base salary. In addition, the agreement provides that the Company will continue to provide certain health care benefits to Mr. Braun for a period of five years following any termination of his employment.

Mr. Rein's employment agreement provides that he will be Executive Vice President, Chief Financial Officer, Treasurer and Secretary of Veeco, with a minimum base salary of \$250,000 per year and the potential for a performance-based cash bonus of up to eighty percent of his base salary (which percentage may be increased at the Company's option). The employment agreement also provides that if Mr. Rein's employment with Veeco is terminated either (i) by Veeco for any reason other than death, disability or "for cause" (as defined in the agreement to cover specified serious misconduct), or (ii) if Mr. Rein resigns for "good reason" (as defined in the agreement to cover a downgrading of Mr. Rein by Veeco or non-fulfillment by Veeco of certain contractual commitments to Mr. Rein), Mr. Rein will be entitled to a lump-sum severance payment equal to 24 months of base salary. Upon any such termination, Mr. Rein will also have the vesting of any options to purchase stock of Veeco which options were granted after the date of the employment agreement and which are held by him at the time of such termination accelerated and will have one year (or to the end of the original term of the options, if earlier) to exercise all such options. In the event that Mr. Rein's employment with Veeco is terminated on account of death or disability, Mr. Rein will be entitled to a lump-sum severance payment equal to 12 months of base salary.

Director Compensation

Directors, other than Mr. Braun, receive a fee of \$2,000 for each board meeting held in person, \$1,000 for each board meeting held by conference call and \$1,000 for each committee meeting. Pursuant to the 2000 Plan, each non-employee Director who meets the eligibility criteria for such plan receives an annual grant of 7,000 options with an exercise price equal to the fair market value of a share of Common Stock on the date of grant. In 2001, Messrs. D'Amore, Elftmann, Fridrich, Kingsley, Low, McDaniel and Pfister each received a grant of 7,000 options. Mr. Braun, Chairman, Chief Executive Officer and President of Veeco, receives no compensation for his service as a Director.

Veeco is party to an agreement with Walter J. Scherr, a Director of Veeco, pursuant to which he is employed as a consultant to Veeco with respect to acquisitions and new business opportunities, as well as certain other matters. Mr. Scherr received \$129,360 in such advisory capacity with respect to 2001. On July 20, 2001, Mr. Scherr also received options to purchase 7,000 shares of Common Stock at an exercise price of \$34.05 per share pursuant to the 2000 Plan.

Compensation Committee Interlocks and Insider Participation

Veeco's Compensation Committee is comprised of Messrs. D'Amore, Low and McDaniel.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation Philosophy

The Compensation Committee of the Board of Directors (the "Compensation Committee") is comprised of three outside, non-employee directors. The Committee reviews and approves all of Veeco's executive compensation programs. The Compensation program is based on the following principles:

- a. Executive officers' compensation should be tied to annual performance goals that maximize stockholder value.
- b. Veeco emphasizes variable incentive compensation in order to ensure continuously improving corporate performance and to align the interests of executive officers with those of the stockholders.
- c. Compensation must be competitive in order to attract, motivate and retain the management talent needed to achieve Veeco's business objectives.

In determining competitive levels, the committee reviews information of comparable companies from both independent survey data and public company filings.

Components of Compensation

Veeco's executive compensation program consists of three principal elements:

- a. **Base Salary**--Base salaries have been set within salary ranges based on compensation reports published by Radford Associates for comparable size and type companies. Individual salary increases are based on the officer's contribution to Veeco and the relationship of current pay to the current value of the job.
- b. **Annual Incentive Awards**--Annual incentive awards are based on performance against objectives in the calendar year and are ordinarily payable in the first quarter of the succeeding year. Such objectives may include operating performance relative to plan and prior year as well as the achievement of other objectives. Incentive awards for executive officers are a percentage of base salary. The percentage can range up to 120% of base salary for the chief executive officer and up to 100% of base salary for the other executive officers for achievement of business objectives. In 2001, the incentive awards were based on operating income criteria, performance against prior year and against plan and on the ability of executive management to strategically position Veeco for growth.
- c. **Stock Option Grants**--Stock option grants are awarded as a recognition of exceptional current performance and an expectation of continued high quality contribution to enhancing Stockholder value. The committee believes that stock options encourage officers to relate their long-term economic interests to those of other Stockholders. Stock options are granted at fair market value on the date of grant and vest over three years. The options have an exercise period of seven years from the date of grant.

Chief Executive Officer's Compensation

The compensation of Veeco's Chief Executive Officer, Edward H. Braun, is determined by the Compensation Committee in accordance with the policies described above relating to all executive officers' compensation. In particular, the Compensation Committee established Mr. Braun's base salary after an evaluation of his personal performance and the committee's objective to have his base salary be comparable to salaries being paid to similarly situated chief executive officers. Mr. Braun received a bonus of \$360,000 with respect to 2001.

Mr. Braun's bonus was based upon the financial performance of Veeco compared to prior year and to plan, as well as the strategic initiatives and acquisitions accomplished during the year.

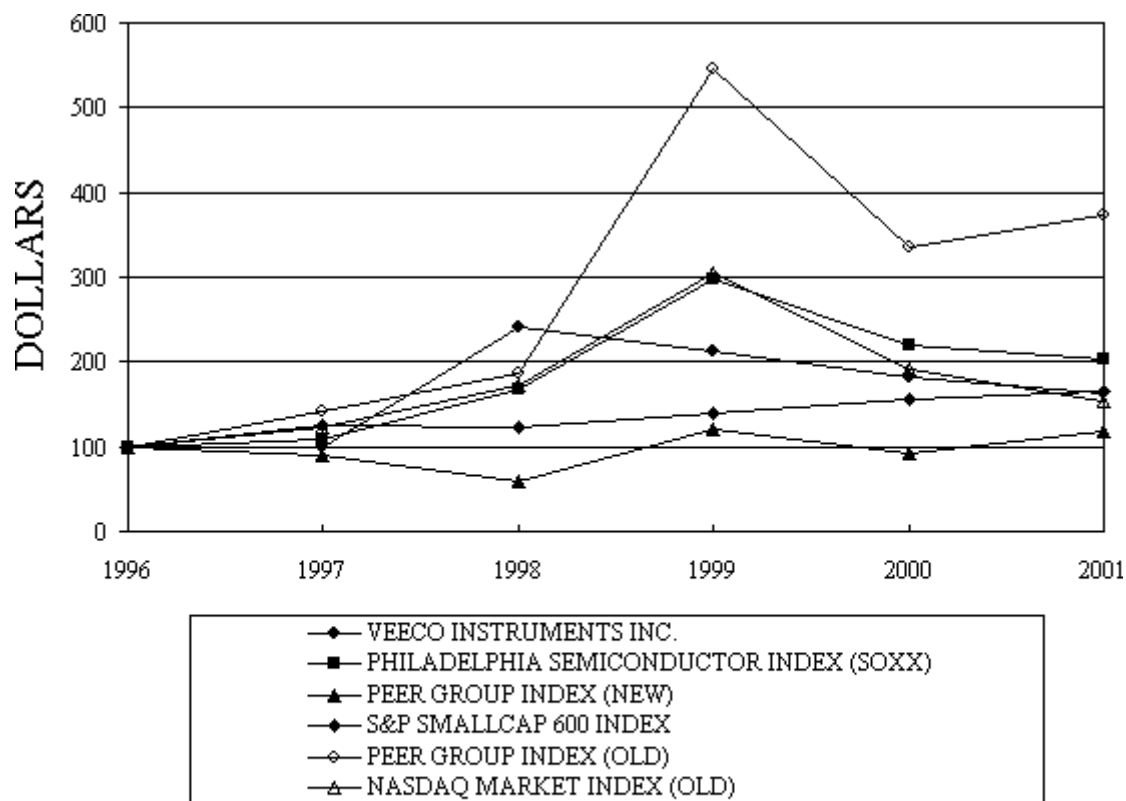

Policy on Deductibility of Compensation

Section 162(m) of the Code limits to \$1,000,000 per year Veeco's tax deduction for compensation paid to each of the Named Officers, unless certain requirements are met. The Compensation Committee believes it unlikely in the short term that such limitation will affect Veeco. The Compensation Committee's present intention is to structure executive compensation so that it will be fully deductible, while maintaining flexibility to take actions which it deems to be in the best interest of Veeco and the Stockholders but which may result in Veeco paying certain items of compensation that may not be fully deductible.

Information is presented assuming \$100 invested on December 31, 1995 and reinvestment of dividends, if any. This year the Company has elected to replace the index and peer group it compares itself to in the chart above. The Nasdaq Market Index will be replaced by the S&P Smallcap 600 Index, to which the Company was added in December 2001. The Peer Group Index (Old) will be replaced by the Philadelphia Semiconductor Index (SOXX), as well as the Peer Group Index (New). The Peer Group Index (New) consists of the following companies: ADE Corporation, ASM International N.V., Axcelis Technologies, FEI Company, FSI International Inc., Mattson Technology Inc., Rudolph Technologies, Semitool Inc., Speedfam-IPEC Inc., Therma-Wave Inc., Trikon Technologies Inc., Varian Semiconductor and Zygo Corp. This group consists of all companies in the Inspection & Metrology and Front-End Wafer Processing groups compiled by Salomon Smith Barney which had annual sales between \$75 million and \$750 million. The Company believes that this new group is a more representative group of peer companies than the Peer Group Index (Old) and that the SOXX Index is a broader-based industry index

than the Peer Group Index (Old). For comparison purposes, the Nasdaq Market Index and the Peer Group (Old) are also shown above. The Peer Group Index (Old) consists of the following companies: Applied Materials, Inc., KLA-Tencor Corporation, Kulicke & Soffa Industries, LAM Research Corp., Mattson Technology, Inc., Novellus Systems, Inc. and Ultratech Stepper, Inc.

AUDIT COMMITTEE

The Board of Directors has adopted an Audit Committee Charter, a copy of which was attached as an appendix to the Company's Proxy Statement relating to the Company's Annual Meeting of Stockholders held during 2001. The Board has determined that all members of the Audit Committee are "independent directors" as that term is defined by The Nasdaq Stock Market, Inc.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four meetings during 2001.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

PROPOSAL 2
VEECO INSTRUMENTS INC.
AMENDMENT OF 2000 STOCK OPTION PLAN

The Board of Directors has determined that it would be in the best interests of Veeco to amend the 2000 Plan in order to authorize the grant of an additional 2,200,000 stock options thereunder. As of March 12, 2002, options to purchase an aggregate of 4,823,555 Shares (with a weighted average exercise price per share and term to expiration of \$33.90 and 6.5 years, respectively) had been granted and were outstanding under the Company's stock option plans or option plans of CVC, Inc. and Applied Epi, Inc. which were assumed by the Company in connection with mergers with those entities. As of March 12, 2002, 116,441 options remained available for future grant under the Company's stock option plans. The Board of Directors believes that an increase in the number of options available for grant is necessary in order to provide Veeco with an effective incentive to attract and retain key employees.

Section 1.6 of the By-Laws of Veeco provides that corporate action to be taken by stockholder vote, other than the election of directors, shall be authorized by a majority of the votes cast at a meeting of the stockholders at which a quorum is present. Therefore, the approval of the amendment of the 2000 Plan requires the affirmative vote of a majority of the votes cast at the Meeting. Approval of the increase in Veeco's authorized capital stock as described in Proposal 3 is necessary for the implementation of the amendment of the 2000 Plan as described in Proposal 2.

The Board of Directors believes that the approval of the amendment of the 2000 Plan is in the best interests of Veeco and the Stockholders. The Board of Directors recommends a vote FOR amendment of the 2000 Plan as described above and it is intended that proxies not marked to the contrary and not designated as broker non-votes will be so voted.

Veeco Instruments Inc. 2000 Stock Option Plan

The following is a summary of the 2000 Plan as in effect on the date hereof. The 2000 Plan was originally adopted by the Compensation Committee on April 3, 2000 and was approved by the shareholders of the Company on May 12, 2000. An amendment to the 2000 Plan was approved by the shareholders of the Company on May 11, 2001.

Purpose . The purpose of the 2000 Plan is to provide a means through which the Company and its affiliates may attract capable persons to enter and remain in the employ of the Company and affiliates and to provide a means whereby employees, directors and consultants of the Company and its affiliates can acquire and maintain Common Stock ownership, thereby strengthening their commitment to the welfare of the Company and affiliates and promoting an identity of interest between stockholders and these employees. The number of persons expected to participate is approximately 600.

Administration . The 2000 Plan will be administered by the Compensation Committee. It is intended, but not required, that the directors appointed to serve on the Compensation Committee shall be "Non-Employee Directors" (within the meaning of Rule 16b-3 under the Exchange Act) and "Outside Directors" within the meaning of Section 162(m) of the Code, to the extent Rule 16b-3 and 162(m) are applicable; however, the fact that a Compensation Committee member shall fail to qualify under the foregoing requirements shall not invalidate any award which is otherwise validly made under the 2000 Plan. The members of the Compensation Committee may be changed at any time and from time to time in the discretion of the Board of Directors of the Company. Subject to the terms of the 2000 Plan, and except with respect to automatic grants to Non-Employee Directors, as discussed below, the Compensation Committee shall have authority to grant options, to determine the number of Shares for which each option shall be granted and the option price or prices and to determine any conditions pertaining to the exercise or to the vesting of each option. The Compensation Committee shall have full power to construe and interpret the 2000 Plan and any agreement executed pursuant to the 2000 Plan, to establish and amend rules for its administration and to establish in its discretion terms and conditions applicable to the exercise of options. The

determination of the Compensation Committee on all matters relating to the 2000 Plan or any agreement executed pursuant to the 2000 Plan shall be conclusive.

Eligibility . Any officer, employee, director or consultant of the Company or any of its subsidiaries or affiliates shall be eligible to be designated a participant under the 2000 Plan. The Compensation Committee has the sole and complete authority to determine the participants to whom options shall be granted under the 2000 Plan.

Number of Shares Authorized . A maximum of 2,200,000 Shares have been authorized for granting awards under the 2000 Plan. In no event may the aggregate number of Shares with respect to which options are granted under the 2000 Plan to any individual exceed 300,000 in any one calendar year. As described more fully in the 2000 Plan, if an option expires or terminates for any reason during the term of the 2000 Plan and prior to the exercise in full of such option, the number of Shares previously subject to but not delivered under such option shall be available to be awarded thereafter.

In addition, if the Compensation Committee determines that certain corporate transactions or events (as described in the 2000 Plan), such as a stock split, affect the Shares such that an adjustment is determined by the Compensation Committee in its discretion to be consistent with such event and necessary or equitable to carry out the purposes of the 2000 Plan, the 2000 Plan provides the Compensation Committee the discretion to appropriately adjust (a) the maximum number of Shares and the classes or series of such Common Stock which may be delivered pursuant to the 2000 Plan, (b) the number of Shares and the classes or series of Common Stock subject to outstanding options, (c) the option price per share of all Common Stock subject to outstanding options, and (d) any other provisions of the 2000 Plan, provided, however, that (i) any adjustments made in accordance with clauses (b) and (c) shall make any such outstanding option as nearly as practicable, equivalent to such option immediately prior to such change and (ii) no such adjustment shall give any optionee any additional benefits under any outstanding option.

Terms and Conditions of Awards. Under the 2000 Plan, the Compensation Committee may grant awards of options that are either nonqualified stock options (“NSOs”) or incentive stock options (“ISOs”). In addition, automatic grants of NSOs shall be made to non-employee Directors, as discussed below.

An option granted under the 2000 Plan provides a participant with the right to purchase, within a specified period of time, a stated number of Shares at the price specified in the option. Options granted under the 2000 Plan will be subject to such terms, including exercise price and the conditions and timing of exercise, not inconsistent with the 2000 Plan, as may be determined by the Compensation Committee and specified in the applicable award agreement or thereafter. The maximum term of an option granted under the 2000 Plan shall be seven years from the date of grant.

The price per share of Common Stock paid by the participant with respect to any NSO or ISO shall not be less than 100 percent of the fair market value of one share on the date the option is granted. Payment in respect of the exercise of an option may be made in cash or by check, except that the Compensation Committee may, in its discretion, allow such payment to be made by surrender of unrestricted Shares (at their fair market value on the date of exercise) which have been held by the optionee for at least six months or have been purchased on the open market, or by a combination of the foregoing. In addition, if and to the extent provided for in the option agreement, payment may be deemed satisfied through delivery of irrevocable instructions to a broker to sell the Shares otherwise deliverable upon the exercise of the stock option and to deliver promptly to the Company an amount equal to the aggregate exercise price.

Automatic Grants to Non-Employee Directors . Upon initial election to office and thereafter annually on the date of the Company’s annual meeting of stockholders (provided that such date is at least 6 months following initial election to office), each Director who is not then an employee of the Company shall receive NSOs to purchase 7,000 Shares (Options granted to directors pursuant to this paragraph may be referred to as “Director Options”). Subject to the provisions of the Plan, each such Director Option shall have a term of seven years, shall

be fully vested and exercisable as of the date of grant and shall have an exercise price equal to 100% of the fair market value of one Share on the date of grant.

Transferability

Subject to the following paragraph, each option, and each right under any option may be exercised, during the participant's lifetime, only by the participant or, if permissible under applicable law, by the participant's guardian or legal representative, and may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a participant other than by will or by the laws of descent and distribution provided that the designation of a beneficiary will not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance for purposes of the 2000 Plan.

Notwithstanding the foregoing, the Compensation Committee may provide that options granted under the 2000 Plan may be transferred by the participant to whom such option was granted without consideration to certain Permitted Transferees (as defined in the 2000 Plan), pursuant to the terms of the 2000 Plan and subject to such rules as the Compensation Committee may adopt to preserve the purposes of the 2000 Plan.

Change of Control . Upon a Change of Control of the Company (as defined in the 2000 Plan), all options shall become immediately exercisable, *provided, however* , that no such vesting shall occur if provision has been made in writing in connection with such transaction for (a) the continuation of the 2000 Plan and/or assumption of such Options by a successor corporation (or a parent or subsidiary thereof) or (b) the substitution for such Options of new options covering the stock of a successor corporation (or a parent or subsidiary thereof), with appropriate adjustments as to the number and kinds of shares and exercise prices. In addition, in the event of a Change of Control, the Compensation Committee may, in its discretion and upon at least ten days prior notice to the optionholders, cancel all outstanding options and pay the holders thereof the value of such options in a form and an amount equal to what they would have received or been entitled to receive had they exercised all such options immediately prior to such Change of Control.

Amendment . The Board may amend, alter, suspend, discontinue, or terminate the 2000 Plan or any portion thereof at any time; *provided, that* no such action may be taken without shareholder approval if such approval is necessary to comply with any regulatory requirement, *provided, further, that* no such action may lower the exercise price of a previously granted award or cancel and regrant an option with the effect of repricing an option without shareholder approval, and, *provided, further, that* no such action that would impair any rights under any previous award shall be effective without the consent of the person to whom such award was made. In addition, the Board or the Compensation Committee is authorized to amend the terms of any award granted under the 2000 Plan provided that the amendment would not impair the rights of any participant without his consent.

Federal Income Tax Consequences .

The following summary of the federal income tax consequences of the grant and exercise of NSOs and ISOs awarded under the 2000 Plan and the disposition of Shares purchased pursuant to the exercise of such options is intended to reflect the current provisions of the Code and the regulations thereunder. This summary is not intended to be a complete statement of applicable law, nor does it address state and local tax considerations. Moreover, the federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant. **For these reasons, participants are urged to consult their own tax advisors with respect to the consequences of their participation in the 2000 Plan.**

No income will be realized by an optionee upon grant of an NSO. Upon exercise of an NSO, the optionee will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying stock over the option exercise price (the "Spread") at the time of exercise. The Spread will be deductible by the Company for federal income tax purposes, subject to the possible limitations on deductibility under sections 280G and 162(m) of the Code of compensation paid to executives designated in those sections. The optionee's tax basis in the underlying Shares acquired by exercise of an NSO will equal the exercise price plus the

amount taxable as compensation to the optionee. Upon sale of the Shares received by the optionee upon exercise of the NSO, any gain or loss is generally long-term or short-term capital gain or loss, depending on the holding period. The optionee's holding period for Shares acquired pursuant to the exercise of an NSO will begin on the date of exercise of such Option.

Pursuant to currently applicable rules under section 16(b) of the Exchange Act, the grant of an Option (and not its exercise) to a person who is subject to the reporting and short-swing profit provisions under section 16 of the Exchange Act (a "Section 16 Person") begins the six-month period of potential short-swing liability. The taxable event for the exercise of an Option that has been outstanding at least six months ordinarily will be the date of exercise. If an Option is exercised by a Section 16 Person within six months after the date of grant, however, taxation ordinarily will be deferred until the date which is six months after the date of grant, unless the person has filed a timely election pursuant to section 83(b) of the Code to be taxed on the date of exercise. Under current rules promulgated under Section 16(b) of the Exchange Act, the six month period of potential short-swing liability may be eliminated if the Option grant (i) is approved in advance by the Company's board of directors (or a committee composed solely of two or more Non-Employee Directors) or (ii) approved in advance, or subsequently ratified by the Company's shareholders no later than the next annual meeting of shareholders. Consequently, the taxable event for the exercise of an Option that satisfies either of the conditions described in clauses (i) or (ii) above will be the date of exercise.

The Code requires that, for ISO treatment, Shares acquired through exercise of an ISO cannot be disposed of before two years from the date of grant of the Option and one year from the date of exercise. ISO holders will generally incur no federal income tax liability at the time of grant or upon exercise of such options. However, the spread at exercise will be an "item of tax preference" which may give rise to "alternative minimum tax" liability for the taxable year in which the exercise occurs at the time of exercise. If the optionee does not dispose of the Shares before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the Shares will constitute long-term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to the Company for federal income tax purposes in connection with the grant or exercise of the Option. If, within two years following the date of grant or within one year following the date of exercise, the holder of Shares acquired through the exercise of an ISO disposes of such Shares, the optionee will generally realize ordinary taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the stock on the date of initial exercise or the amount realized on the subsequent disposition, and such amount will generally be deductible by the Company for federal income tax purposes, subject to the possible limitations on deductibility under sections 280G and 162(m) of the Code for compensation paid to executives designated in those sections.

The payment by an optionee of the exercise price, in full or in part, with previously acquired Shares will not affect the tax treatment of the exercise described above. No gain or loss generally will be recognized by the optionee upon the surrender of the previously acquired Shares to the Company, and Shares received by the optionee, equal in number to the previously surrendered Shares, will have the same tax basis as the Shares surrendered to the Company and will have a holding period that includes the holding period of the Shares surrendered. The value of Shares received by the optionee in excess of the number of Shares surrendered to the Company will be taxable to the optionee. Such additional Shares will have a tax basis equal to the fair market value of such additional Shares as of the date ordinary income is recognized, and will have a holding period that begins on the date ordinary income is recognized.

In general, Section 162(m) of the Code denies a publicly held corporation a deduction for federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its chief executive officer and the four other officers whose compensation is disclosed in its proxy statement, subject to certain exceptions. Options will generally qualify under one of these exceptions if they are granted under a plan that states the maximum number of shares with respect to which options may be granted to any employee during a specified period, the exercise price is not less than the fair market value of the common stock at the time of grant, and the plan under which the options are granted is approved by stockholders and is administered by a committee comprised of

outside directors. The 2000 Plan is intended to satisfy these requirements with respect to grants of options to covered employees.

The full text of the proposed resolution amending the 2000 Plan is attached as Exhibit A hereto.

New Plan Benefits

The table below sets forth the Stock Options granted under the 2000 Plan, as amended, to the Named Officers and groups indicated during 2001 and the value of such Stock Options (of which, only those granted to outside Directors are currently exercisable).

<u>Name</u>	<u>Dollar Value (1)</u>	<u>Number of Stock Options</u>
Edward H. Braun	\$400,000	200,000
John F. Rein, Jr.	100,000	50,000
Kenneth T. Barry	0	40,000
Don R. Kania	100,000	50,000
Emmanuel N. Lakios	100,000	50,000
Executive Officer Group (7 persons)	869,975	462,778
Non-Employee Director Group (7 persons) (2)	0	49,000
Non-Executive Officer Employee Group	1,443,736	618,400

(1) Represents the value of “in the money” options, or the excess, if any, of the closing price of the Common Stock on December 31, 2001, as reported by NASDAQ (\$36.05), over the exercise price (\$25.26 – \$53.43) of such Stock Options.

(2) Represents grants of 7,000 options to each non-employee Director.

PROPOSAL 3
AMENDMENT OF VEECO INSTRUMENTS INC.
CERTIFICATE OF INCORPORATION
TO INCREASE AUTHORIZED COMMON STOCK

Veeco's Certificate of Incorporation authorizes the issuance of up to 40,000,000 shares of Common Stock. As of March 12, 2002, there were 29,027,006 shares of Common Stock issued and outstanding, and the following shares were reserved for issuance:

<u>Shares</u>	<u>Reserved for Issuance:</u>
4,823,555	Upon exercise of stock options which have been granted pursuant to Veeco's stock option plans or assumed by Veeco in connection with the mergers with CVC, Inc. and Applied Epi, Inc.
211,603	Upon exercise of warrants assumed in connection with the Applied Epi merger
116,441	Upon the exercise of stock options available for grant under Veeco's stock option plans
78,155	Upon the sale of stock pursuant to Veeco's Employee Stock Purchase Plan
<u>5,712,802</u>	Upon conversion of Veeco's 4-1/8% subordinated convertible notes due 2008
10,942,556	Total Shares Reserved For Issuance

After taking into account the outstanding shares and the shares reserved for issuance as set forth above, Veeco has only 30,438 shares of Common Stock available for issuance.

At the Meeting, Stockholders will be asked to consider and vote upon a proposal, recommended by the Board of Directors, to amend Article 4 of Veeco's Certificate of Incorporation in order to increase the number of shares of Common Stock that Veeco has authority to issue from 40,000,000 shares to 60,000,000 shares. The purpose of the amendment is to provide Veeco with additional shares of Veeco common stock which may be used in connection with future acquisitions, stock option grants, for stock splits and stock dividends and for other corporate purposes, including the raising of additional capital, at times when the Board of Directors of Veeco, in its discretion, deems it advantageous to do so. The increase in authorized capital stock described in Proposal 3 is necessary for the implementation of the amendment of Veeco's 2000 Plan as described in Proposal 2.

Assuming the approval and effectiveness of the proposed amendment to Veeco's Certificate of Incorporation, it is anticipated that Veeco will have approximately 17,800,000 authorized and unissued shares of Common Stock after the merger, which the Board of Directors would be able to authorize for issuance for the foregoing purposes, at any time, without obtaining further authorization from the holders of Common Stock, unless such authorization is required by applicable law, regulation or the rules of any stock exchange on which shares of Common Stock may then be listed. Except as described above, no specific use of the additional shares of Common Stock is presently contemplated, although Veeco has considered additional acquisitions from time to time and reserves the right to use any additional authorized shares in the discretion of Veeco's Board of Directors. Holders of shares of Veeco Common Stock have no preemptive rights in connection with the issuance of additional shares of Common Stock. **A vote in favor of the proposal to amend Veeco's Certificate of Incorporation (Proposal 3) should not be deemed to be a vote to approve the amendment to the 2000 Plan (Proposal 2).**

The issuance of additional shares of Common Stock may dilute the present equity ownership position of Veeco stockholders. The issuance of additional shares of Common Stock may, among other things, have a dilutive effect on Veeco's earnings per share and on the equity and voting power of existing Veeco stockholders and may adversely affect the market price of the Common Stock.

The availability for issuance of additional shares of Common Stock could enable the Board of Directors to render more difficult or discourage an attempt to obtain control of Veeco. The additional shares of Common Stock also could be utilized to render more difficult a merger or similar transaction, even if it appears to be desirable to a majority of the Veeco stockholders. Veeco is not aware of any pending or threatened efforts to obtain control of Veeco.

If Stockholders do not approve the proposed amendment to Veeco's Certificate of Incorporation, Veeco would not have enough authorized shares to cover the proposed amendment to the 2000 Plan described above. In addition, Veeco would not have shares of Veeco common stock available for use in connection with future acquisitions, for stock splits and stock dividends, and for other corporate purposes, including the raising of additional capital.

The full text of the proposed resolution amending Veeco's Certificate of Incorporation is set forth in Exhibit B hereto.

The affirmative vote of the holders of a majority of the outstanding shares of Veeco common stock entitled to vote thereon will be required to amend Veeco's Certificate of Incorporation to increase the number of authorized shares of Common Stock.

The Board of Directors of Veeco believes that approval of the amendment to Veeco's Certificate of Incorporation is in the best interests of Veeco and Veeco's stockholders. The Board of Directors of Veeco recommends a vote "FOR" approval of the amendment to increase the authorized number of shares of Common Stock as described above. In the event that the proposed amendment is not approved by Veeco's stockholders at the Meeting, the Certificate of Incorporation in effect as of the date hereof will remain in full force and effect.

PROPOSAL 4
RATIFICATION OF THE APPOINTMENT OF
ERNST & YOUNG LLP AS AUDITORS

The Board of Directors has appointed the firm of Ernst & Young LLP, independent certified public accountants, to examine the financial statements of Veeco for the year ending December 31, 2002. Ernst & Young LLP has been employed as independent auditors of Veeco since 1990. Fees for the last annual audit were \$357,000 and all other fees for services rendered during the year ended December 31, 2001 were \$462,273, including audit related services of \$217,500 and nonaudit services of \$244,773.

Representatives of Ernst & Young LLP will be present at the Meeting and may make a statement if they so desire. They also will be available to respond to appropriate questions.

Stockholders are asked to ratify the action of the Board of Directors in making this appointment. If this appointment is not ratified by the Stockholders, the selection of other independent auditors will be considered by the Board of Directors.

Section 1.6 of the Bylaws of Veeco provides that action to be taken by stockholder vote, other than the election of directors, shall be authorized by a majority of the votes cast at a meeting of the stockholders. Therefore, the ratification of the appointment of Ernst & Young LLP as auditors requires the affirmative vote of a majority of the votes cast at the Meeting.

The Audit Committee and the Board of Directors recommends a vote FOR ratification of the appointment of Ernst & Young LLP as auditors and it is intended that proxies not marked to the contrary and not designated as broker non-votes will be so voted.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires Veeco's officers and directors, and persons who own more than ten percent of a registered class of Veeco's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These persons are required by regulation of the Commission to furnish Veeco with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain persons that no Form 5s were required for those persons, Veeco believes that during the fiscal year ended December 31, 2001, Veeco's officers, directors and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements.

OTHER MATTERS

The Board of Directors knows of no other matters to come before the Meeting. Should any other business properly come before the Meeting, the persons named in the enclosed form of proxy will vote on such matters in accordance with their best judgment.

Proposals which Stockholders wish to include in Veeco's proxy materials relating to the 2002 Annual Meeting of Stockholders must be received by Veeco no later than December 13, 2002. Any such proposal must comply with the requirements of the Securities and Exchange Commission's proxy solicitation rules.

The cost of preparing and mailing this Proxy Statement and the accompanying proxy, and the cost of solicitation of proxies on behalf of the Board of Directors, will be borne by Veeco. Veeco has retained Georgeson Shareholder Communications Inc. ("GSC") to solicit proxies. GSC may contact Stockholders by mail, telephone, telex, telegraph and personal interviews. GSC will receive from Veeco a fee of \$7,500 for such services, plus reimbursement of out-of-pocket expenses, and Veeco has agreed to indemnify GSC against certain liabilities and expenses in connection with such solicitation, including liabilities under the federal securities laws. Some personal solicitation also may be made by directors, officers and employees without special compensation, other than reimbursement for expenses.

**RESOLUTION APPROVING AMENDMENT TO
VEECO INSTRUMENTS INC.
2000 STOCK OPTION PLAN**

RESOLVED, that the Veeco Instruments Inc. 2000 Stock Option Plan, as amended (the “2000 Plan”), be amended to increase the number of shares of common stock, par value \$0.01 per share, covered thereby from 2,200,000 shares to 4,400,000 shares and, therefore, Section 5(a) of the 2000 Plan be amended to read as follows:

5. Grant of Awards; Shares Subject to the Plan

The Committee may, from time to time, grant Options to one or more Eligible Persons; provided, however, that:

(a) Subject to Section 9, the aggregate number of shares of Stock in respect of which Options may be granted under the Plan shall not exceed 4,400,000;
