Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Appointment of New Director

On June 10, 2010, Veeco's Board of Directors voted to increase the size of the Board from six to seven directors and to appoint Gordon Hunter as a Class II director, to hold office until the 2011 Annual Meeting of Stockholders. Mr. Hunter, age 58, currently serves as Chairman, President and Chief Executive Officer of Littelfuse, Inc., a provider of circuit protection products and solutions with annual sales of \$430.1 million in 2009. He also serves on the Council of Advisors of Shure Incorporated. Mr. Hunter has been a director of Littelfuse since June 2002 and became the Company's Chairman of the Board, President and Chief Executive Officer in January 2005. Prior to joining Littelfuse, Mr. Hunter was Vice President, Intel Communications Group, and General Manager, Optical Products Group. Mr. Hunter was responsible for managing Intel's access and optical communications business segments within the Intel Communications Group. Prior to joining Intel in February 2002, he served as President of Elo TouchSystems, a subsidiary of Raychem Corporation. Mr. Hunter also served in a variety of positions during a 20-year career at Raychem Corporation, including Vice President of Commercial Electronics and a variety of sales, marketing, engineering and management positions. He holds a BS in electrical engineering from the University of Liverpool, England, and an MBA from London Business School.

The Board also appointed Mr. Hunter to the Strategic Planning Committee and determined that he is "independent" under applicable SEC and Nasdaq rules. In connection with his appointment to the Board, Mr. Hunter was granted 3,095 restricted shares of Veeco common stock, consistent with Veeco's director compensation policy. The restrictions on these shares will lapse on the earlier to occur of: (i) the date immediately preceding the date of the Company's 2011 Annual Meeting of Stockholders and (ii) the first anniversary of the grant date.

Veeco also entered into its standard form of indemnification agreement with Mr. Hunter on substantially the same terms as those entered into with our other directors and executive officers.
