Item 1.01 Entry into a Material Definitive Agreement

On May 31, 2006, Textron Inc. ("Textron") and TFS Acquisition Corporation ("Purchaser") entered into a Purchase Agreement (the "Purchase Agreement") pursuant to which Textron and certain subsidiaries of Textron will sell to Purchaser substantially all of Textron's fastening systems business (the business being sold is referred to herein as the "FS Business" and the transaction pursuant to which the FS Business will be sold is referred to herein as the "Transaction"). Purchaser is an investment vehicle formed for purposes of the Acquisition by Platinum Equity.

The Purchase Agreement provides that Textron will, or will cause its applicable subsidiaries, (i) to sell to Purchaser the shares of capital stock and LLC interests in the subsidiaries of Textron that conduct the FS Business and (ii) to transfer certain intellectual property used by the FS Business. The purchase price for the FS Business will consist of the following: (i) a cash amount of \$630 million, subject to adjustment based upon changes in the net asset value, net debt and cash of the FS Business and (ii) assumption of certain liabilities of Textron related to the FS Business. Textron will retain certain pre-closing liabilities of the FS Business.

The Transaction is subject to satisfaction or waiver of certain closing conditions, including, among other things, (i) the termination or expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, (ii) receipt of other regulatory approvals, including a clearance statement from the U.K. Pensions Regulator in respect of a U.K. pension plan, and (iii) no material adverse change having occurred to the business, properties, financial condition or results of operations of the FS Business. The Purchase Agreement may be terminated upon the occurrence of certain events, including the failure to complete the Transaction by December 31, 2006.

The Purchase Agreement contains customary representations, covenants and indemnification obligations. Following the closing of the Transaction, Textron will provide, or cause to be provided, certain transition services to the Purchaser for a period of time.
