April 23, 2013

To the Representatives named in
Schedule I hereto of the several
Underwriters named in
Schedule II hereto

Ladies and Gentlemen:

NIKE, Inc., a corporation organized under the laws of the State of Oregon (the "Company"), proposes to sell to the several underwriters named in Schedule II hereto (the "Underwriters"), for whom you (the "Representatives") are acting as representatives, the principal amount of its notes identified in Schedule I hereto (the "Notes"), to be issued under an indenture to be dated as of the Closing Date (as defined in Section 3 below) (the "Base Indenture") as supplemented by the first supplemental indenture to be dated as of the Closing Date (together with the Base Indenture, the "Indenture"), each between the Company and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"). To the extent there are no additional Underwriters listed on Schedule I other than you, the term Representatives as used herein shall mean you, as Underwriters, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires. Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 20 hereof.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form S-3 under the Act and has prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405 (the file number of which is set forth in Schedule I

hereto) on Form S-3, including a related Base Prospectus, for registration under the Act of the offering and sale of the Notes. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Notes, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus supplement relating to the Notes in accordance with Rule 424(b). As filed, such final prospectus supplement shall comply in all material respects with the applicable requirements of the Act, and, except to the extent the Representatives agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time.

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act and the Trust Indenture Act; on each Effective Date and at the Execution Time, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Closing Date the Indenture will comply in all material respects with the applicable requirements of the Trust Indenture Act; and on the date of any filing of the Final Prospectus pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement(s) thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(c)(i) The Disclosure Package and (ii) each electronic road show (as defined in Rule 433) relating to the offering of the Notes that is a “written communication” under Rule 405 (each, an “Electronic Road Show”), when taken together as a whole with the Disclosure Package, as of the Execution Time does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements

therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(d) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus) and (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Notes in reliance on the exemption in Rule 163, the Company was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405. The Company agrees to pay the fees required by the Commission relating to the Notes within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e)(i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2)) of the Notes and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus, as of its date of issue, does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8 hereof.

(g) The interactive data in the eXtensible Business Reporting Language included as an exhibit to or incorporated by reference in the Registration Statement has been prepared in accordance with the Commission’s rules and guidelines applicable thereto.

(h) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Oregon with full corporate power and authority to own or lease, as the case may be, and to operate its properties and conduct its business as described in the Disclosure Package and the Final Prospectus, and is duly qualified to do business as a foreign corporation and is in good standing under the

laws of each jurisdiction which requires such qualification, except where the failure to be so qualified would not reasonably be expected to have a material adverse effect on the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, or on the performance by the Company of its obligations under this Agreement or the consummation of the transactions contemplated hereby (a “Material Adverse Effect”).

(i) The subsidiaries listed on Schedule V hereto are the only significant subsidiaries of the Company as defined by Rule 1-02 of Regulation S-X (each a “Subsidiary” and collectively the “Subsidiaries”). Each Subsidiary has been duly formed and is validly existing and is in good standing (where such concept exists) under the laws of the jurisdiction in which it is chartered or organized with full power and authority (corporate or otherwise) to own or lease, as the case may be, and to operate its properties and conduct its business as described in the Disclosure Package and the Final Prospectus, and is duly qualified to do business as a foreign entity (corporation or otherwise) and is in good standing (where such concept exists) under the laws of each jurisdiction which requires such qualification, except where a failure to be so qualified would not reasonably be expected to have a Material Adverse Effect; and all outstanding shares of capital stock of each Subsidiary have been duly and validly authorized and issued, are fully paid and nonassessable, and, as of the Closing Date, except for directors’ qualifying shares and as otherwise set forth in the Disclosure Package and the Final Prospectus, are owned by the Company either directly or through wholly owned subsidiaries, free and clear of any perfected security interest or any other security interests, claims, liens or encumbrances.

(j) This Agreement has been duly authorized, executed and delivered by the Company.

(k) The Indenture has been duly authorized by the Company and, assuming due authorization, execution and delivery thereof by the Trustee, when executed and delivered by the Company on the Closing Date, will constitute a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except to the extent that such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other similar laws relating to or affecting creditors’ rights and general principles of equity; on the Closing Date, the Indenture will be duly qualified under the Trust Indenture Act.

(l) The Notes have been duly authorized by the Company and, on the Closing Date, the Notes will have been duly executed by the Company and, when authenticated in accordance with the Indenture and delivered and paid for as provided in this Agreement, will constitute legal, valid and binding obligations of the Company, entitled to the benefits of the Indenture and enforceable against the Company in accordance with their terms and the terms of the Indenture, except to the extent that such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other similar laws relating to or affecting creditors’ rights and general principles of equity, and entitled to the benefits of the Indenture.

(m) The Indenture and the Notes conform in all material respects to the descriptions thereof in the Disclosure Package and the Final Prospectus under the headings “Description of Notes” and “Description of Debt Securities”.

(n) The Company is not, and, after giving effect to the offering and sale of the Notes and the application of the proceeds thereof as described in the Disclosure Package and the Final Prospectus, will not be required to be registered as, an “investment company” as defined in the Investment Company Act of 1940, as amended.

(o) No consent, approval, authorization, filing with or order of any court or governmental agency or body is required in connection with the transactions contemplated herein, except (i) such as have been obtained or made under the Act and the Trust Indenture Act, (ii) such as may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Notes by the Underwriters in the manner contemplated herein and in the Disclosure Package and the Final Prospectus or (iii) such consents, approvals, authorizations, filings or orders that will be obtained or completed on or prior to the Closing Date or the absence of which would not individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(p) Neither the issue and sale of the Notes nor the consummation of any other of the transactions herein contemplated nor the fulfillment of the terms hereof will conflict with, result in a breach or violation of, or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its Subsidiaries pursuant to, (i) any provision of the charter or by-laws of the Company or any of its Subsidiaries, (ii) the terms of any indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which the Company or any of its Subsidiaries is a party or bound or to which its or their property is subject, or (iii) any statute, law, rule, regulation, judgment, order or decree applicable to the Company or any of its Subsidiaries of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Company or any of its Subsidiaries or any of its or their properties except, in the case of clauses (ii) or (iii) above, for such conflicts, breaches, violations, liens, charges or encumbrances that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(q) The consolidated historical financial statements and schedules, including the notes thereto, filed with the Commission as part of or incorporated by reference in the Registration Statement, and included or incorporated by reference in the Disclosure Package and the Final Prospectus present fairly in all material respects the financial condition, results of operations and cash flows of the Company as of the dates and for the periods indicated, comply as to form in all material respects with the applicable accounting requirements of the Act and have been prepared in conformity with U.S. generally accepted accounting principles applied on a consistent basis throughout the periods involved (except as otherwise noted therein). Prospectus and Registration Statement fairly present in all material respects, on the basis stated in the Preliminary Prospectus, the Final Prospectus and the Registration Statement, the information included therein.

(r) No action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its Subsidiaries or its or their property is pending or, to the knowledge of the Company, threatened that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

(s) Each of the Company and its Subsidiaries owns or leases all such properties as are necessary to the conduct of its operations as presently conducted, except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(t) Neither the Company nor any Subsidiary is in violation or default of (i) any provision of its charter, bylaws or other organizational or governing documents, (ii) the terms of any indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which it is a party or bound or to which its property is subject, or (iii) any statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Company or such Subsidiary or any of its or their properties, as applicable, except, with respect to clauses (ii) and (iii) only, for such violations or defaults that individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect.

(u) PricewaterhouseCoopers LLP, who have certified certain financial statements of the Company and its consolidated subsidiaries and delivered their report with respect to the audited consolidated financial statements and schedules included in the Disclosure Package and the Final Prospectus, is an independent registered public accounting firm within the meaning of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith (the "Sarbanes-Oxley Act").

(v) Except as would not reasonably be expected to have a Material Adverse Effect or as set forth or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), no labor problem or dispute with the employees of the Company or any of its Subsidiaries exists or, to the knowledge of the Company, is threatened or imminent.

(w) The Company and its Subsidiaries possess all licenses, certificates, permits and other authorizations issued by the appropriate federal, state or foreign regulatory authorities necessary to conduct their respective businesses as described in the Disclosure Package and the Final Prospectus, except where the failure to possess any such licenses, certificates, permits or other authorizations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; and neither the Company nor any such Subsidiary has received any notice of proceedings relating to the

revocation or modification of any such certificate, authorization or permit, which individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to have a Material Adverse Effect, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

(x) The Company and each of its Subsidiaries maintain, on a consolidated basis, a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of consolidated financial statements in conformity with U.S. generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company and its Subsidiaries' internal controls over financial reporting are effective and the Company and its Subsidiaries are not aware of any material weakness in their internal controls over financial reporting.

(y) The Company and its Subsidiaries are (i) in compliance with any and all applicable foreign, federal, state and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants ("Environmental Laws"), (ii) have received and are in compliance with all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses and (iii) have not received notice of any actual or potential liability under any Environmental Laws, except where such non-compliance with Environmental Laws, failure to receive required permits, licenses or other approvals, or liability would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto). Except as set forth in the Disclosure Package and the Final Prospectus, neither the Company nor any of its Subsidiaries has been notified that it has been named as a "potentially responsible party" under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended.

(z) There is and has been no failure on the part of the Company and any of the Company's directors or officers, in their capacities as such, to comply in all material respects with any provision of the Sarbanes-Oxley Act, including the establishment and maintenance of "disclosure controls and procedures" (as such term is defined in Rule 13a-15(e) under the Exchange Act), Section 402 relating to loans and Sections 302 and 906 relating to certifications.

(aa) Neither the Company nor, to the knowledge of the Company, any of its subsidiaries or any director, officer or employee of the Company or any of its subsidiaries is aware of or has taken any action, directly or indirectly, that would reasonably result in a sanction for violation by such persons of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder or the U.K. Bribery Act 2010 or

similar law of any other relevant jurisdiction; and prohibition of noncompliance therewith is covered by the codes of conduct or other procedures instituted and maintained by the Company and its subsidiaries.

(bb) The operations of the Company and its subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the money laundering statutes of all applicable jurisdictions and the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency having jurisdiction over the Company (collectively, the “Money Laundering Laws”) and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(cc) Neither the Company nor, to the knowledge of the Company, any of its subsidiaries or any director, officer, agent, employee or affiliate of the Company or any of its subsidiaries is currently the subject or target of any sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”), the United Nations Security Council, the European Union, Her Majesty’s Treasury or any other relevant sanctions authority (collectively, “Sanctions”), nor is the Company located, organized or resident in a country or territory that is the subject of Sanctions; and the Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person, or in any country or territory, that at the time of such funding is, the subject of any Sanctions or in any other manner that will result in a violation by any person or entity (including any person or entity participating in the transactions contemplated hereby, whether as underwriter, advisor, investor or otherwise) of Sanctions.

(dd) To the knowledge of the Company or except as disclosed in the Disclosure Package and the Final Prospectus, the Company and its subsidiaries own or possess, or can acquire on reasonable terms, all material patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks and trade names currently employed by them in connection with the business now operated by them, except where the failure to own, possess or acquire any of the foregoing would not result in a Material Adverse Effect; and, except as described in the Disclosure Package and the Final Prospectus, neither the Company nor any of its subsidiaries has received any notice of infringement of or conflict with asserted rights of others with respect to any of the foregoing that, individually or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would reasonably be expected to have a Material Adverse Effect.

Any certificate signed by any officer of the Company and delivered to the Representatives or counsel for the Underwriters in connection with the offering of the Notes

shall be deemed a representation and warranty by the Company, as to matters covered thereby, to each Underwriter.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule I hereto the principal amount of the Notes set forth opposite such Underwriter's name in Schedule II hereto.

3. Delivery and Payment. Delivery of and payment for the Notes shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than three Business Days after the foregoing date as the Representatives shall designate, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 9 hereof (such date and time of delivery and payment for the Notes being herein called the "Closing Date"). Delivery of the Notes shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Delivery of the Notes shall be made through the facilities of The Depository Trust Company unless the Representatives shall otherwise instruct.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Notes for sale to the public as set forth in the Final Prospectus.

5. Agreements. The Company agrees with the several Underwriters that:

(a) During any period when a prospectus relating to the Notes is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), the Company (x) will not file any amendment of the Registration Statement or supplement (including the Final Prospectus or any Preliminary Prospectus) to the Base Prospectus unless the Company has furnished you a copy of such proposed amendment or supplement for your review prior to filing and (y) will not file any such proposed amendment or supplement to which you reasonably object (except, in the case of subclause (y), for a supplement relating to any offering of securities other than the Notes, subject to Section 5(i)). The Company will cause the Final Prospectus, properly completed, and any amendment or supplement thereto to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed. The Company will promptly advise the Representatives (i) when the Final Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (ii) when, prior to termination of the offering of the Notes, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement or for any supplement to the Final Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose and (v) of the receipt by the Company of any notification

with respect to the suspension of the qualification of the Notes for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) The Company will prepare a final term sheet, containing solely a description of final terms of the Notes and the offering thereof, in the form approved by you and attached as Schedule IV hereto and to file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made or the circumstances then prevailing, not misleading, the Company will (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(d) If, at any time when a prospectus relating to the Notes is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with the use or delivery of the Final Prospectus, the Company promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to the first and second sentences of paragraph (a) of this Section 5, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in the use of the Final Prospectus and (iv) supply any supplemented or amended Final Prospectus to you in such quantities as you may reasonably request.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158.

(f) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, copies (which may be electronic copies) of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request.

(g) The Company will arrange, if necessary, for the qualification of the Notes for sale under the laws of such jurisdictions as the Representatives may reasonably request and will maintain such qualifications in effect so long as reasonably required for the distribution of the Notes; provided that in no event shall the Company or its subsidiaries be obligated to (i) qualify to do business in any jurisdiction where they are not now so qualified, (ii) take any action that would subject them to service of process in suits, other than those arising out of the offering or sale of the Notes, in any jurisdiction where they are not now so subject or (iii) take any action that could subject them to taxation in any such jurisdiction if they are not otherwise subject.

(h) The Company agrees that, unless it has or shall have obtained the prior written consent of the Representatives, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Notes that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433, other than a free writing prospectus containing the information contained in the final term sheet prepared and filed pursuant to Section 5(b) hereto; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto and any Electronic Road Show. Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(i) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any affiliate of the Company or any person in privity with the Company or any affiliate of the Company), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act,

any debt securities issued or guaranteed by the Company (other than the Notes) or publicly announce an intention to effect any such transaction, from the date of this Agreement until the next Business Day following the Closing Date.

(j) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Notes.

(k) The Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Notes; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Notes, including any stamp or transfer taxes in connection with the original issuance and sale of the Notes; (iv) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Notes; (v) the registration of the Notes under the Act; (vi) any registration or qualification of the Notes for offer and sale under the securities or blue sky laws of the several states specified pursuant to Section 5(g) (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification); (vii) any filings required to be made with the Financial Industry Regulatory Authority, Inc. ("FINRA") (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such filings); (viii) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Notes; (ix) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; (x) the fees and expenses of the Trustee; (xi) any fees payable in connection with the rating of the Notes with the rating agencies; and (xii) all other costs and expenses incident to the performance by the Company of its obligations hereunder. It is understood, however, that except as provided in this Section and Sections 7 and 8 hereof, the Underwriters will pay all of their own costs and expenses, including the fees and disbursements of their counsel and any advertising expenses connected with any offers they may make.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Notes shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) The Final Prospectus, and any supplement thereto, have been filed in the manner and within the time period required by Rule 424 (b); the final term sheet contemplated by Section 5(b) hereto, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose shall have been instituted or threatened.

(b) The Company shall have requested and caused Goodwin Procter LLP, counsel for the Company, to have furnished to the Representatives their opinion, dated the Closing Date and addressed to the Representatives, substantially in the form set forth in Exhibit A hereto. In rendering such opinion, such counsel may rely (A) as to matters involving the application of laws of any jurisdictions other than the States of New York and California or the Federal laws of the United States, to the extent they deem proper and specified in such opinion, upon the opinion of other counsel of good standing whom they believe to be reliable and who are satisfactory to counsel for the Underwriters and (B) as to matters of fact, to the extent they deem proper, on certificates of responsible officers of the Company and public officials. References to the Final Prospectus in this paragraph (b) shall also include any supplements thereto at the Closing Date.

(c) The Company shall have requested and caused John F. Coburn, III, counsel for the Company, to have furnished to the Representatives an opinion, dated the Closing Date and addressed to the Representatives, substantially in the form set forth in Exhibit B hereto.

(d) The Representatives shall have received from Davis Polk & Wardwell LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Notes, the Indenture, the Registration Statement, the Disclosure Package, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they may reasonably request for the purpose of enabling them to pass upon such matters.

(e) The Company shall have furnished to the Representatives a certificate of the Company, signed by the Treasurer of the Company, dated the Closing Date, to the effect that the signer of such certificate has carefully examined the Registration Statement, the Disclosure Package, the Final Prospectus and any supplements or amendments thereto, as well as each Electronic Road Show used in connection with the offering of the Notes, and this Agreement and that:

(i) the representations and warranties of the Company in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse change in the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

(f) The Company shall have requested and caused PricewaterhouseCoopers LLP to have furnished to the Representatives, at the Execution Time and at the Closing Date, letters, (which may refer to letters previously delivered to one or more of the Representatives), dated respectively as of the Execution Time and as of the Closing Date, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements of the Company and certain financial information contained or incorporated by reference in the Registration Statement, Preliminary Prospectus and the Final Prospectus.

References to the Final Prospectus in this paragraph (f) include any supplement thereto at the date of the letter.

(g) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been (i) any adverse change specified in the letter or letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto) the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Notes as contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(h) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company's debt securities by Moody's Investors Service, Inc. or Standard & Poor's, a division of McGraw-Hill Companies, Inc., or any notice from these entities of a pending decrease in any such rating.

(i) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Davis Polk & Wardwell LLP, counsel for the Underwriters, at 1600 El Camino Real, Menlo Park, California 94025, on the Closing Date.

7. Reimbursement of Underwriters' Expenses. If the sale of the Notes provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company will reimburse the Underwriters severally through the Representatives on demand for all documented, reasonable out-of-pocket expenses (including reasonable fees and expenses of their counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Notes.

8. Indemnification and Contribution. (a) The Company agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees, Affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, or in the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to the Notes, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5 (b) hereto, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which those statements were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any

such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement and each person who controls the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the statements set forth (i) in the last paragraph of the cover page regarding delivery of the Notes and, under the heading "Underwriting" or "Plan of Distribution", (ii) the list of Underwriters and their respective participation in the sale of the Notes, (iii) the sentences related to concessions and reallowances and (iv) the paragraph related to stabilization, syndicate covering transactions and penalty bids in any Preliminary Prospectus and the Final Prospectus constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party

and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party; provided, however, that an indemnifying party shall not be liable for the fees and expenses of more than one such separate counsel (in addition to local counsel) in connection with any proceeding or related proceeding in the same jurisdiction. An indemnifying party shall not be liable for any settlement of any proceeding effected without its consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or reasonable expense by reason of such settlement or judgment subject to and in accordance with paragraph (a) or (b) of this Section 8, as applicable. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or judgment includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "Losses") to which the Company and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Notes; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Notes) be responsible for any amount in excess of the underwriting discount or commission, as the case may be, applicable to the Notes purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other

things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee, Affiliate and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Notes agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Notes set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Notes set forth opposite the names of all the remaining Underwriters) the Notes which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Notes which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Notes set forth in Schedule II hereto, and arrangements satisfactory to the Underwriters and the Company for the purchase of such Notes are not made within 36 hours after such default, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Notes, and if such nondefaulting Underwriters do not purchase all the Notes, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in the Underwriting Agreement that, pursuant to this Section 9, purchases Notes that a defaulting Underwriter agreed but failed to purchase.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of

and payment for the Notes, if at any time prior to such delivery and payment (i) trading in the Company's common stock shall have been suspended by the Commission or the New York Stock Exchange or trading in securities generally on the New York Stock Exchange shall have been suspended or limited or minimum prices shall have been established on such exchange, (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering or delivery of the Notes as contemplated by the Disclosure Package or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors, Affiliates, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Notes. The provisions of Sections 7, 8 and 16 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representatives, will be mailed, delivered or telefaxed to: Citigroup Global Markets Inc., Attention: General Counsel (fax no.: (212) 816-7912), confirmed to the General Counsel, Citigroup Global Markets Inc., at 388 Greenwich Street, New York, New York, 10013, Attention: General Counsel; Deutsche Bank Securities Inc., Attention: Debt Capital Markets Syndicate Desk (fax no.: (212) 797-2202), confirmed to Deutsche Bank Securities Inc., at 60 Wall Street, New York, New York 10005, Attention: Debt Capital Markets Syndicate; and Merrill Lynch Pierce, Fenner & Smith Incorporated, Attention: High Grade Debt Capital Markets Transaction Management/Legal (fax no.: ((212) 901-7881)), confirmed to Merrill Lynch Pierce, Fenner & Smith Incorporated at 50 Rockefeller Plaza New York, New York 10020; or, if sent to the Company, will be mailed, delivered or telefaxed to 503-671-6455 and confirmed to it at One Bowerman Drive, Beaverton, Oregon 97005, attention of the Legal Department with a copy to Goodwin Procter LLP, Three Embarcadero Center, 24th Floor, San Francisco, California 94111, Attention: Bradley Bugdanowitz (fax no: 414-520-9513).

13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers, directors, employees, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder.

14. No Fiduciary Duty. The Company hereby acknowledges that (a) the purchase and sale of the Notes pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company and (c) the Company's engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Company agrees that it is solely

responsible for making its own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Company on related or other matters). The Company agrees that it will not claim that the Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement and any claim, controversy or dispute relating to or arising out of this Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

17. Waiver of Jury Trial. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

18. Counterparts. This Agreement may be signed in one or more counterparts delivered by any standard form of telecommunications or other electronic transmission, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

If at any time the Depository for a series of the Securities notifies the Company that it is unwilling or unable to continue as Depository for such series or if at any time the Depository for such series shall no longer be registered or in good standing under the Exchange Act or other applicable statute or regulation, and a successor Depository for such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such condition, the provisions of Section 2.11 shall no longer be applicable to the Securities of such series. In addition, (i) the Company may at any time determine that the Securities of any series shall no longer be represented by a Global Security and that the provisions of Section 2.11 shall no longer apply to the Securities of such series and (ii) upon the occurrence and during the continuance of an Event of Default if the Trustee so requests, the Securities of any series shall

no longer be represented by a Global Security and the provisions of Section 2.11 shall no longer apply to the Securities of such series. (B)(1) an order from a Participant or an Indirect Participant given to the Depository in accordance with the relevant Applicable Procedures directing the Depository to cause to be issued a Definitive Security of such series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Security Registrar containing information regarding the Person in whose name such Definitive Security shall be registered to effect the transfer or exchange referred to in (B)(1) above.

Upon satisfaction of all the requirements for transfer and exchange of beneficial interests in Global Securities of a series contained in this Indenture, any Board Resolution, or one or more indentures supplemental hereto and the Securities of such series or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Security or Securities of such series pursuant to Section 2.05(h).

In addition to the requirements set forth in Section 2.05(a), the requesting Holder shall provide any additional certifications, documents, and information, as applicable, required pursuant to the following provisions of this Section 2.05(g). A Holder of Definitive Securities of a series may transfer such Securities to a Person who takes delivery thereof in the form of a Definitive Security of such series in accordance with subsection 2.05(a). Upon receipt of a request to register such a transfer, the Security Registrar shall register the Definitive Securities of such series pursuant to the instructions from the Holder thereof.

(h) Cancellation and/or Adjustment of Global Securities. At such time as all beneficial interests in a particular Global Security of a series have been exchanged for Definitive Securities of such series or a particular Global Security of a series has been redeemed, repurchased or cancelled in whole and

not in part, each such Global Security of such series shall be returned to or retained and cancelled by the Trustee in accordance with Section 2.08. At any time prior to such cancellation, if any beneficial interest in a Global Security of such series is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of such series or for Definitive Securities of such series, the principal amount of Securities of such series represented by such Global Security shall be reduced accordingly and an endorsement may be made on such Global Security by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security of such series, such other Global Security shall be increased accordingly and an endorsement may be made on such Global Security by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) No Exchange or Transfer. The Company shall not be required (i) to issue, exchange or register the transfer of any Securities during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of less than all the Outstanding Securities of the same series and ending at the close of business on the day of such mailing, (ii) to register the transfer of or exchange any Securities of any series or portions thereof called for redemption, nor (iii) to register the transfer of or exchange a Security of any series between the applicable record date pursuant to Section 2.01(a)(5) and the next succeeding Interest Payment Date.

Section 2.06 Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute temporary Securities (printed, lithographed or typewritten) of any authorized denomination and the Trustee shall authenticate and deliver such Securities. Such temporary Securities shall be substantially in the form of the definitive Securities in lieu of which they are issued, but with such omissions, insertions and variations as may be appropriate for temporary Securities, all as may be determined by the Company. Every temporary Security of any series shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities of such series. Without unnecessary delay the Company will execute and will furnish definitive Securities of such series and thereupon any or all temporary Securities of such series may be surrendered in exchange therefor without charge to the holders, at the office or agency of the Company maintained pursuant to Section 4.02 for the purpose of exchanges of Securities of such series, and the Trustee shall authenticate and such office or agency shall deliver in exchange for such temporary Securities an equal aggregate principal amount of definitive Securities of such series, unless the Company advises the Trustee to the effect that definitive Securities need not be executed and furnished until further notice from the Company. Until so exchanged, temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series authenticated and delivered hereunder.

Section 2.07 Mutilated, Destroyed, Lost or Stolen Securities.

In case any temporary or definitive Security shall become mutilated or be destroyed, lost or stolen, the Company (subject to the next succeeding sentence) shall execute a new Security of the same series, bearing a number not contemporaneously outstanding in exchange and substitution for the mutilated Security, or in lieu of and in substitution for the Security so destroyed, lost or stolen, and upon the Company's written request the Trustee (subject to the next succeeding sentence) shall authenticate and deliver, such Security. In every case the applicant for a substituted Security shall furnish to the Company and the Trustee such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction,

loss or theft, the applicant shall also furnish to the Company and the Trustee evidence to their satisfaction of the destruction, loss or theft of the applicant's Security and of the ownership thereof. The Trustee may authenticate any such substituted Security and deliver the same upon the written request or authorization of any Officer. Upon the issuance of any substituted Security, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith. In case any Security that has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Company, instead of issuing a substitute Security, may pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Security) if the applicant for such payment shall furnish to the Company and the Trustee such security or indemnity as they may require to save them harmless, and, in case of destruction, loss or theft, evidence to the satisfaction of the Company and the Trustee of the destruction, loss or theft of such Security and of the ownership thereof.

Every replacement Security issued pursuant to the provisions of this Section 2.07 shall constitute an additional contractual obligation of the Company whether or not the mutilated, destroyed, lost or stolen Security shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series duly issued hereunder. All Securities shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities, and shall preclude (to the extent lawful) any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.08 Cancellation.

All Securities surrendered for the purpose of payment, redemption, exchange or registration of transfer, if surrendered to the Company or any paying agent, shall be delivered to the Trustee for cancellation, or, if surrendered to the Trustee, shall be cancelled by it in accordance with its customary procedures, and no Securities shall be issued in lieu thereof except as expressly required or permitted by any of the provisions of this Indenture. On written request of the Company at the time of such surrender, the Trustee shall deliver to the Company evidence of the cancellation of such Securities held by the Trustee. If the Company shall otherwise acquire any of the Securities, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Securities unless and until the same are delivered to the Trustee for cancellation.

Section 2.09 Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give or be construed to give to any Person, other than the parties hereto and the holders of the Securities, any legal or equitable right, remedy or claim under or in respect of this Indenture, or under any covenant, condition or provision herein contained; all such covenants, conditions and provisions being for the sole benefit of the parties hereto and of the holders of the Securities.

Section 2.10 Authenticating Agent.

So long as any of the Securities of any series remain Outstanding, there may be an Authenticating Agent for any or all such series of Securities which the Trustee shall have the right to appoint. The Authenticating Agent shall be authorized to act on behalf of the Trustee to authenticate Securities of such

series, including Securities issued upon exchange, registration of transfer or partial redemption thereof, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. All references in this Indenture to the authentication of Securities by the Trustee shall be deemed to include authentication by an Authenticating Agent for such series. Each Authenticating Agent shall be acceptable to the Company and shall be a corporation that has a combined capital and surplus, as most recently reported or determined by it, sufficient under the laws of any jurisdiction under which it is organized or in which it is doing business to conduct a trust business, and that is otherwise authorized under such laws to conduct such business and is subject to supervision or examination by Federal or State authorities. If at any time any Authenticating Agent shall cease to be eligible in accordance with these provisions, it shall resign immediately. Any Authenticating Agent may resign at any time by giving written notice of resignation to the Trustee and to the Company. The Trustee at any time may, and upon request by the Company shall, terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Company. Upon resignation, termination or cessation of eligibility of any Authenticating Agent, the Trustee may appoint an eligible successor Authenticating Agent acceptable to the Company. Any successor Authenticating Agent, upon acceptance of its appointment hereunder, shall become vested with all the rights, powers and duties of its predecessor hereunder as if originally named as an Authenticating Agent pursuant hereto.

Section 2.11 Global Securities.

(a) General. If the Company shall establish pursuant to Section 2.01 that the Securities of a particular series are to be issued as a Global Security, then the Company shall execute one or more Global Securities that (i) shall represent, and shall be denominated in an amount equal to the aggregate principal amount of, all of the Outstanding Securities of such series, (ii) shall be registered in the name of the Depository or its nominee and (iii) shall be delivered to the Trustee as custodian for the Depository or otherwise delivered pursuant to the Depository's instructions and the Trustee in accordance with Section 2.04 shall authenticate such Global Security or Global Securities.

(b) Euroclear and Clearstream Procedures Applicable. The provisions of the "Operating Procedures of the Euroclear System" and the "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions" and "Customer Handbook" of Clearstream, respectively, in effect at the relevant time shall be applicable to transfers of beneficial interests in the Regulation S Global Securities of such series that are held by Participants through Euroclear or Clearstream.

Section 2.12 CUSIP Numbers.

In issuing the Securities of a series, the Company may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Securityholders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

Section 2.13 Securities Denominated in Foreign Currencies.

Except as otherwise specified pursuant to Section 2.01 for Securities of any series, payment of the principal of, premium, if any, and interest on, Securities of such series denominated in any Foreign Currency will be made in such Foreign Currency.

In the event any Foreign Currency or Currencies in which any payment with respect to any series of Securities may be made ceases to be a freely convertible Currency on United States Currency markets, for any date thereafter on which payment of principal of, premium, if any, or interest on the Securities of a series is due, the Company shall select the Currency of payment for use on such date, all as provided in the Securities of such series, pursuant to Section 2.01. In such event, the Company shall notify the Trustee of the Currency which it has selected to constitute the funds necessary to meet the Company's obligations on such payment date and of the amount of such Currency to be paid. Such amount shall be determined as provided in the Securities of such series, pursuant to Section 2.01. The payment with respect to such payment date shall be deposited with the Trustee by the Company solely in the Currency so selected.

Section 2.14 Wire Transfers.

Notwithstanding any other provision to the contrary in this Indenture, the Company shall make any payment required to be deposited with the Trustee or paying agent on account of principal of, premium, if any, or interest on, the Securities by method of wire transfer to an account designated in writing by the Trustee such that funds are available on or before 11:30 a.m., New York City time, on the date such payment is to be made to the Holders of the Securities in accordance with the terms hereof.

Section 2.15 Designated Currency.

The Company may provide pursuant to Section 2.01 for Securities of any series that:

(a) the obligation, if any, of the Company to pay the principal of, premium, if any, and interest on the Securities of any series in a Foreign Currency or Dollars (the “**Designated Currency**”) as may be specified pursuant to Section 2.01(a)(13) is of the essence and agree that, to the fullest extent possible under applicable law, judgments in respect of Securities of such series shall be given in the Designated Currency;

(b) the obligation of the Company to make payments in the Designated Currency of the principal of, premium, if any, and interest on such Securities shall be discharged, notwithstanding any payment in any other Currency (whether pursuant to a judgment or otherwise), only to the extent of the amount in the Designated Currency that the Securityholder receiving such payment, in accordance with normal banking procedures, may purchase with the amount paid in such other Currency after any premium and cost of exchange on the business day in the country of issue of the Designated Currency or in the international banking community immediately following the day on which such Securityholder receives such payment;

(c) if the amount in the Designated Currency that may be so purchased for any reason falls short of the amount originally due, the Company shall pay such additional amounts as may be necessary to compensate for such shortfall; and

(d) any obligation of the Company not discharged by such payment shall be due as a separate and independent obligation and, until discharged as provided herein, shall continue in full force and effect.

ARTICLE III.

REDEMPTION OF SECURITIES PROVISIONS

Section 3.01 Redemption.

The Company may redeem the Securities of any series issued hereunder on and after the dates and in accordance with the terms established for such series pursuant to Section 2.01.

Section 3.02 Notice of Redemption.

(a) If the Company desires to exercise such right to redeem all or, as the case may be, a portion of the Securities of any series, the Company shall, or shall instruct the Trustee in writing to, give notice of such redemption to holders of the Securities of such series to be redeemed by mailing, first class postage prepaid (or, if the Securities are held in book-entry form, such notice may be sent by electronic transmission), a notice of such redemption not less than 30 days and not more than 60 days before the date fixed for redemption of that series to such holders at their last addresses as they shall appear upon the Security Register (unless a shorter period is specified in the Securities or in the supplemental indenture for such series of Securities to be redeemed). Any notice that is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the registered holder receives the notice. In any case, failure duly to give such notice to the holder of any Security of any series designated for redemption in whole or in part, or any defect in the notice, shall not affect the validity of the proceedings for the redemption of any other Securities of such series or any other series.

Each such notice of redemption shall specify the date fixed for redemption and the redemption price at which Securities of that series are to be redeemed, and shall state that: (i) payment of the redemption price of such Securities to be redeemed will be made at the office or agency of the Company maintained for such purpose, or, if none, at the Corporate Trust Office of the Trustee, upon presentation and surrender of such Securities; (ii) interest accrued to the date fixed for redemption will be paid as specified in said notice; (iii) from and after said date interest will cease to accrue (unless the Company shall default in the payment of such redemption price and accrued and unpaid interest on the Securities being redeemed); and (iv) the CUSIP and/or other similar number as contemplated by, and containing the disclaimers and other language contemplated by, Section 2.12. If less than all the Securities of a series are to be redeemed, the notice to the holders of Securities of that series to be redeemed in whole or in part shall specify the particular Securities to be so redeemed. In case any Security is to be redeemed in part only, the notice that relates to such Security shall state the portion of the principal amount thereof to be redeemed, and shall state that on and after the redemption date, upon surrender of such Security, a new Security or Securities of such series in principal amount equal to the unredeemed portion thereof will be issued.

(b) If all or less than all the Securities of a series are to be redeemed, the Company shall give the Trustee at least 15 days' written notice (unless a shorter period shall be satisfactory to the Trustee or is specified in the Securities or in the supplemental indenture for such series of Securities) in advance of the date the Company gives notice to the Securityholders of the date fixed for redemption as to the aggregate principal amount of Securities of the series to be redeemed. If less than all the Securities are to be redeemed, the Trustee or Security Registrar thereupon shall select from Securities of such series Outstanding not previously called for redemption, in accordance with a method determined by the Trustee (in such manner as complies with applicable legal, depository and stock exchange requirements, if any) and that may provide for the selection of a portion or portions (equal to \$2,000 or any integral multiple of \$1,000 in excess thereof) of

the principal amount of such Securities of such series of a denomination larger than \$2,000, the Securities of such series to be redeemed. The Trustee promptly shall notify the Company in writing of the numbers of the Securities of such series to be redeemed, in whole or in part.

The Company, if and whenever it shall so elect, by delivery of instructions signed on its behalf by any of its Officers, may instruct the Trustee or any paying agent to call all or any part of the Securities of a particular series for redemption and to give notice of redemption in the manner set forth in this Section 3.02, such notice to be in the name of the Company. In any case in which notice of redemption is to be given by the Trustee or any such paying agent, the Company shall deliver or cause to be delivered to, or permit to remain with, the Trustee or such paying agent, as the case may be, such Security Register, transfer books or other records, or suitable copies or extracts therefrom, sufficient to enable the Trustee or such paying agent to give any notice by mail that may be required under the provisions of this Section 3.02.

Section 3.03 Payment Upon Redemption.

(a) If the giving of notice of redemption shall have been completed as above provided, the Securities or portions of Securities of the series to be redeemed specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued to the date fixed for redemption, in each case as established pursuant to Section 2.01. Interest on such Securities or portions of Securities shall cease to accrue on and after the date fixed for redemption, unless the Company shall default in the payment of such redemption price and accrued interest with respect to any such Security or portion thereof. On presentation and surrender of such Securities on or after the date fixed for redemption at the place of payment specified in the notice, such Securities shall be paid and redeemed at the applicable redemption price for such series, together with interest accrued thereon to the date fixed for redemption; provided that, installments of interest whose Stated Maturity is on or prior to the date fixed for redemption shall be payable to the Securityholders of such Securities (or one or more Predecessor Securities) registered as such at the close of business on the applicable record date pursuant to Section 2.03.

(b) Upon presentation of any Security of such series that is to be redeemed in part only, the Company shall execute a new Security of the same series and tenor of authorized denominations in principal amount equal to the unredeemed portion of the Security so presented and the Trustee shall authenticate, and the office or agency where the Security is presented shall deliver to the holder thereof, at the expense of the Company, such Security; except that if a Global Security is so surrendered, the Company shall execute a new Global Security of like tenor in a denomination equal to and in exchange for the unredeemed portion of the principal of the Global Security so surrendered and, upon receipt of an Officer's Certificate requesting authentication and delivery, the Trustee shall authenticate and deliver to the Depository for such Global Security, without service charge, such Global Security. In the case of any Security providing appropriate space for such notation, the Trustee, in lieu of delivering a new Security or Securities as aforesaid, may make a notation on such Security of the payment of the redeemed portion thereof.

ARTICLE IV.

CERTAIN COVENANTS

The following covenants shall apply to the Securities, except with respect to any series of Securities for which the supplemental indenture or Board Resolution under which such series of Securities is issued, or in the form of Security for such series, expressly provides that any such covenant shall not apply to such series of Securities:

Section 4.01 Payment of Principal, Premium and Interest.

The Company will duly and punctually pay or cause to be paid the principal of, premium, if any, and interest on the Securities of a series at the time and place and in the manner provided herein and established with respect to such Securities.

Section 4.02 Maintenance of Office or Agency.

So long as any series of the Securities remain Outstanding, the Company will maintain for such series an office or agency where Securities of such series may be presented or surrendered for payment, where Securities of such series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of such series and this Indenture may be given or served. Such designation will continue with respect to each office or agency until the Company, by written notice signed by any Officer and delivered to the Trustee, shall designate some other office or agency for such purposes or any of them. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all presentations, surrenders, notices and demands. Unless otherwise specified in accordance with Section 2.01 with respect to a series of Securities, the Company initially designates the Corporate Trust Office of Deutsche Bank Trust Company Americas, acting as the Company's paying agent, Security Registrar and transfer agent, as the office to be maintained by it for each such purpose.

Section 4.03 Paying Agents.

(a) The Company may appoint one or more paying agents, other than the Trustee, for all or any series of the Securities. If the Company fails to appoint or maintain another entity as paying agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as paying agent.

(b) The Company shall require each paying agent other than the Trustee to agree in writing that the paying agent will hold in trust for the benefit of Securityholders or the Trustee all funds held by the paying agent for the payment of principal, premium, if any, or interest on the Securities, and will promptly notify the Trustee in writing of any default by the Company in making any such payment. While any such default continues, the Trustee may require a paying agent to pay all funds held by it to the Trustee. The Company at any time may require a paying agent to pay all funds held by it to the Trustee. Upon payment over to the Trustee, the paying agent (including the Company or any of its Subsidiaries, if serving as the paying agent) shall have no further liability for the funds. If the Company or any of their Subsidiaries acts as paying agent, it shall segregate and hold in a separate trust fund for the benefit of the Securityholders all funds held by it as paying agent.

(c) Notwithstanding anything in this Section to the contrary, (i) the agreement to hold funds in trust as provided in this Section 4.03 is subject to the provisions of Section 11.06, and (ii) the Company at any time, for the purpose of obtaining the satisfaction and discharge or defeasance of this Indenture or for any other purpose, may pay, or direct any paying agent to pay, to the Trustee all funds held in trust by the Company or such paying agent, such funds to be held by the Trustee upon the same terms and conditions as those upon which such funds were held by the Company or such paying agent. Upon such payment by any paying agent to the Trustee, such paying agent shall be released from all further liability with respect to such funds.

Section 4.04 Annual Officer's Certificate; Statement by Officers as to Default.

So long as any of the Securities remain outstanding, the Company will furnish to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, a brief certificate (which need not comply with Section 13.06) executed by the principal executive, financial or accounting officer of the Company, on its behalf as to the Officer's respective knowledge of the Company's compliance with all covenants and agreements under this Indenture required to be complied with by the Company (such compliance to be determined without regard to any period of grace or requirement of notice provided under this Indenture). Such certificate need not include a reference to any non-compliance that has been fully cured prior to the date as of which such certificate speaks.

The Company shall provide written notice to the Trustee within 30 days after becoming aware of the occurrence of any Event of Default under Section 6.01 setting forth the details of the Event of Default and the action the Company proposes to take with respect thereto.

Section 4.05 Appointment to Fill Vacancy in Office of Trustee.

The Company, whenever necessary to avoid or to fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.10, a Trustee, so that there shall be at all times a Trustee hereunder.

Section 4.06 Existence.

Subject to Article X, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence.

Section 4.07 Calculation of Original Issue Discount.

If any series of Securities is issued under this Indenture with original issue discount for U.S. federal tax income purposes, the Company shall file with the Trustee promptly at the end of each calendar year (i) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on such Outstanding Original Issue Discount Securities as of the end of such year and (ii) such other specific information relating to such original issue discount as may then be relevant under the Internal Revenue Code of 1986, as amended from time to time.

ARTICLE V.

**SECURITYHOLDERS' LISTS AND REPORTS BY THE COMPANY AND
THE TRUSTEE**

Section 5.01 Company to Furnish Trustee Names and Addresses of Securityholders .

The Company will furnish or cause to be furnished to the Trustee (a) semi-annually at least seven Business Days before each Interest Payment Date for a series of Securities (and in all events at intervals of not more than six months) a list, in such form as the Trustee may reasonably require, of the names and addresses of the holders of each series of Securities as of such date, provided that the Company shall not be obligated to furnish or cause to be furnished such list at any time that the list shall not differ in any respect from the most recent list furnished to the Trustee by the Company, and (b) at such other times as the Trustee may require in writing within 30 days after the receipt by the Company of any such request, a list of similar form and content

as of a date not more than 15 days prior to the time such list is furnished; provided, however, that in either case, no such list need be furnished for any series for which the Trustee shall be the Security Registrar.

Section 5.02 Preservation of Information; Communications with Securityholders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the holders of Securities contained in the most recent list furnished to it as provided in Section 5.01 and as to the names and addresses of holders of Securities received by the Trustee in its capacity as Security Registrar (if acting in such capacity).

(b) Securityholders may communicate as provided in Section 312(b) of the Trust Indenture Act with other Securityholders with respect to their rights under this Indenture or under the Securities.

Section 5.03 Reports by the Company.

(a) So long as any Securities are outstanding, the Company shall file with the Trustee, within 15 days after it files with the Commission, copies of the annual and quarterly reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) that the Company is required to file with the Commission pursuant to Section 13 or Section 15(d) of the Exchange Act. The Company shall be deemed to have complied with the previous sentence to the extent that such information, documents and reports are filed with the Commission via EDGAR (or any successor electronic delivery procedure) or posted on its website, it being understood that the Trustee shall have no responsibility whatsoever to determine if such filings have been made.

(b) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 5.04 Reports by the Trustee.

(a) The Trustee's report required under Section 313(a) of the Trust Indenture Act shall be transmitted within 60 days after each April 26 in each year following the date hereof, so long as any Securities are outstanding hereunder.

(b) A copy of each such report shall, at the time of such transmission to Securityholders, be filed by the Trustee with the Company, with any stock exchange upon which any Securities are listed and with the Commission. The Company agrees to notify the Trustee when any Securities become listed on any stock exchange or delisted therefrom.

ARTICLE VI.

**REMEDIES OF THE TRUSTEE AND SECURITYHOLDERS ON
EVENT OF DEFAULT**

Section 6.01 Events of Default.

(a) Whenever used herein with respect to Securities of a particular series, “ **Event of Default** ” means any one or more of the following events that has occurred and is continuing, except with respect to any series of Securities for which the supplemental indenture or resolution of the Board of Directors under which such series of Securities is issued or in the form of Security for such series expressly provides that any such Event of Default shall not apply to such series of Securities:

(1) default in the payment of any interest on any Security of such series when it becomes due and payable, and the continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by us with the Trustee or a Paying Agent prior to the expiration of such 30-day period);

(2) default in the payment of the principal of, or any premium on, any Security of such series when due and payable;

(3) default in the performance or breach of any covenant by the Company in the Indenture (other than those referred to in (1) or (2) above and other than a covenant that has been included in the Indenture solely for the benefit of another series of Securities), which default continues uncured for a period of 90 days after the Company receives, by registered or certified mail, written notice from the Trustee or the Company and the Trustee receive, by registered or certified mail, written notice from the Holders of not less than 25% in principal amount of the Securities of the affected series Outstanding;

(4) the entry by a court having competent jurisdiction of:

(A) an order for relief in respect of the Company in an involuntary proceeding under any Bankruptcy Law and such order shall remain unstayed and in effect for a period of 90 consecutive days; or

(B) a final and non-appealable order appointing a Custodian, of the Company, or ordering the winding up or liquidation of the affairs of the Company, and such order shall remain unstayed and in effect for a period of 90 consecutive days;

(5) the commencement by the Company of a voluntary proceeding under any Bankruptcy Law or the consent by the Company to the entry of a decree or order for relief in an involuntary proceeding under any Bankruptcy Law or the filing by the Company of a consent to an order for relief in any involuntary proceeding under any Bankruptcy Law or to the appointment of a Custodian or the making by the Company of an assignment for the benefit of creditors; or

(6) any other Event of Default provided in the supplemental indenture or resolution of the Board of Directors under which such series of Securities is issued or in the form of Security for such series.

(b) In each and every such case (other than an Event of Default specified in Section 6.01(a)(4) or 6.01(a)(5)), unless the principal of all the Securities of that series shall have already become due and payable, either the Trustee or the Holders of not less than 25% in aggregate principal amount of the Securities of that series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by such Securityholders), may declare the unpaid principal of all the Securities of that series

to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable. If an Event of Default specified in Section 6.01(a)(4) or 6.01(a)(5) occurs, the principal amount of all the Securities shall automatically become immediately due and payable without any declaration or other action on the part of the Trustee or any Holder.

(c) At any time after the principal of the Securities of that series shall have been so declared due and payable, and before any judgment or decree for the payment of the amount due shall have been obtained or entered as hereinafter provided, the holders of a majority in aggregate principal amount of the Securities of that series then Outstanding hereunder, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if: (i) the Company has or has caused to be paid or deposited with the Trustee an amount sufficient to pay all matured installments of interest upon all the Securities of that series and the principal of and premium, if any, on any and all Securities of that series that shall have become due otherwise than by acceleration (with interest upon such principal and premium, if any, and, to the extent that such payment is enforceable under applicable law, upon overdue installments of interest, at the rate expressed in the Securities of that series to the date of such payment or deposit), and (ii) any and all Events of Default under this Indenture with respect to such series, other than the nonpayment of principal on Securities of that series that shall have become due solely by such declaration of acceleration, shall have been remedied or waived as provided in Section 6.06.

No such rescission and annulment shall extend to or shall affect any subsequent default or impair any right consequent thereon.

(d) In case the Trustee shall have proceeded to enforce any right with respect to Securities of that series under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case, subject to any determination in such proceedings, the Company and the Trustee shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company and the Trustee shall continue as though no such proceedings had been taken.

(e) The Trustee shall give to the Securityholders of any series, as the names and addresses of such Holders appear on the Security Register, notice by mail of all defaults known to the Trustee that have occurred with respect to such series, such notice to be transmitted within 90 days after the occurrence thereof, unless such defaults shall have been cured before the giving of such notice (the term "default" or "defaults" for the purposes of this Section 6.01(e) being hereby defined to mean any event or condition which is, or with notice or lapse of time or both would become, an Event of Default); provided that, except in the case of default in the payment of the principal of, premium, if any, or interest on any of the Securities of such series, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interests of the Securityholders of such series.

Section 6.02 Collection of Indebtedness and Suits for Enforcement by Trustee .

(a) The Company covenants that (i) in case it shall default in the payment of any installment of interest on any of the Securities of a series, and such default shall have continued for a period of 30 days, or (ii) in case it shall default in the payment of the principal of, or premium, if any, on any of the Securities of a series when the same shall have become due and payable, whether upon maturity of the Securities of a series or upon redemption or upon declaration or otherwise, then, upon demand of the Trustee, the Company will pay to the Trustee, for the benefit of the holders of the Securities of that series, the whole

amount that then shall have been become due and payable on all such Securities for principal, premium, if any, or interest, or both, with interest upon the overdue principal, premium, if any, and (to the extent that payment of such interest is enforceable under applicable law) upon overdue installments of interest at the rate expressed in the Securities of that series; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, and the amount payable to the Trustee under Section 7.06.

(b) If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the amounts so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the property of the Company, wherever situated.

(c) In case of any receivership, insolvency, liquidation, bankruptcy, reorganization, readjustment, arrangement, composition or judicial proceedings affecting the Company or its respective creditors or property, the Trustee shall have power to intervene in such proceedings and take any action therein that may be permitted by the court and, except as otherwise provided by law, shall be entitled to file such proofs of claim and other papers and documents as may be necessary or advisable in order to have the claims of the Trustee and of the holders of Securities of such series allowed for the entire amount due and payable by the Company under this Indenture at the date of institution of such proceedings and for any additional amount that may become due and payable by the Company after such date, and to collect and receive any funds or other property payable or deliverable on any such claim, and to distribute the same in accordance with Section 6.03. Any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of Securities of such series to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to such Securityholders, to pay to the Trustee any amount due it under Section 7.06.

(d) All rights of action and of asserting claims under this Indenture, or under any of the terms established with respect to Securities of that series, may be enforced by the Trustee without the possession of any of such Securities, or the production thereof at any trial or other proceeding relative thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for payment to the Trustee of any amounts due under Section 7.06, be for the ratable benefit of the holders of the Securities of such series.

In case of an Event of Default, the Trustee in its discretion may proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Nothing contained herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting the Securities of that series or the rights of any holder thereof or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

Section 6.03 Application of Funds Collected.

Any funds collected by the Trustee pursuant to this Article VI with respect to a particular series of Securities shall be applied in the following order:

FIRST: To the payment of costs and expenses of collection and of all amounts payable to the Trustee and its agents and attorneys under Section 7.06;

SECOND: To the payment of the amounts then due and unpaid upon Securities of such series for principal, premium, if any, and interest, in respect of which or for the benefit of which such funds have been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal, premium, if any, and interest, respectively; and

THIRD: To the Company.

Section 6.04 Limitation on Suits.

No holder of any Security of any series shall have any right by virtue or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless (i) such holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof with respect to the Securities of such series specifying such Event of Default; (ii) the holders of not less than 25% in aggregate principal amount of the Securities of such series then Outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as trustee hereunder; (iii) such holder or holders shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby; (iv) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity, shall have failed to institute any such action, suit or proceeding; and (v) during such 60 day period, the holders of a majority in principal amount of the Securities then Outstanding do not give the Trustee a direction inconsistent with the request.

Notwithstanding anything contained herein to the contrary, the right of any holder of any Security to receive payment of the principal of, and premium, if any, and interest on such Security, as therein provided, on or after the respective due dates expressed in such Security (or in the case of redemption, on the redemption date), or to institute suit for the enforcement of any such payment on or after such respective dates or redemption date, shall not be impaired or affected without the consent of such holder. By accepting a Security hereunder it is expressly understood, intended and covenanted by the taker and holder of every Security of such series with every other such taker and holder and the Trustee, that no one or more holders of Securities of such series shall have any right in any manner whatsoever by virtue or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of the holders of any other of such Securities, or to obtain or seek to obtain priority over or preference to any other such holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Securities of such series. For the protection and enforcement of the provisions of this Section 6.04, each Securityholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Section 6.05 Rights and Remedies Cumulative: Delay or Omission not Waiver.

(a) Except as otherwise provided in Section 2.07, all powers and remedies given by this Article VI to the Trustee or to the Securityholders, to the extent permitted by law, shall be deemed cumulative and not exclusive of any other powers and remedies available to the Trustee or the holders of the Securities, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture or otherwise established with respect to such Securities.

(b) No delay or omission of the Trustee or of any holder of any of the Securities to exercise any right or power accruing upon any Event of Default occurring and continuing shall impair any such right or power, or shall be construed to be a waiver of any such default or on acquiescence therein. Subject to the provisions of Section 6.04, every power and remedy given by this Article VI or by law to the Trustee or the Securityholders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Securityholders.

Section 6.06 Control by Securityholders.

The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to such series; provided, however, that such direction shall not be in conflict with any rule of law or with this Indenture or be unduly prejudicial to the rights of holders of Securities of any other series at the time Outstanding. Subject to the provisions of Section 7.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith, by a Responsible Officer or Responsible Officers of the Trustee, shall determine that the proceeding so directed would involve the Trustee in personal liability. The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding affected thereby, by written notice to the Company and the Trustee, on behalf of the holders of all of the Securities of such series, may rescind an acceleration or waive any existing Default or Event of Default with respect to such series and its consequences, if the rescission would not conflict with any judgment or decree, except (i) a default in the payment of the principal of, premium, if any, or interest on, any of the Securities of that series; or (ii) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected. Upon any such waiver, the default covered thereby shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for all purposes of this Indenture and the Company, the Trustee and the holders of the Securities of such series shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 6.07 Undertaking to Pay Costs.

All parties to this Indenture agree, and each holder of any Securities by such holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 6.07 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Securityholder, or group of Securityholders, holding more than 10% in aggregate principal amount of the Outstanding Securities of any series, or to any suit instituted by any Securityholder for the enforcement of the payment of the principal of, premium, if any,

or interest on any Security of such series, on or after the respective due dates expressed in such Security or established pursuant to this Indenture.

Section 6.08 Waiver of Usury, Stay Or Extension Laws .

Each of the Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII.

CONCERNING THE TRUSTEE

Section 7.01 Certain Duties and Responsibilities of Trustee .

(a) In case an Event of Default with respect to the Securities of a series has occurred (that has not been cured or waived), the Trustee shall exercise with respect to Securities of that series such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) prior to the occurrence of an Event of Default with respect to the Securities of a series and after the curing or waiving of all such Events of Default with respect to that series that may have occurred:

(i) the duties and obligations of the Trustee shall with respect to the Securities of such series be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable with respect to the Securities of such series except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of negligence or willful misconduct on the part of the Trustee, the Trustee with respect to the Securities of such series may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical computations or other facts stated therein);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of not less than a majority in principal amount of the Securities of any series at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture with respect to the Securities of that series; and

(4) none of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it under the terms of this Indenture or indemnity reasonably satisfactory to it against such risk is not reasonably assured to it.

(c) Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

Section 7.02 Certain Rights of Trustee.

Except as otherwise provided in Section 7.01:

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, security or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by a Board Resolution or an instrument signed in the name of the Company by an Officer (unless other evidence in respect thereof is specifically prescribed herein).

(c) The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted hereunder in good faith and in reliance thereon.

(d) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders, pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities that may be incurred therein or thereby.

(e) The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, provided that the Trustee's conduct does not constitute willful misconduct, bad faith or negligence.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order,

approval, bond, security or other papers or documents, but the Trustee may make such further inquiry into such matters as it may see fit, and if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled upon reasonable notice and at reasonable times to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(g) The Trustee shall not be deemed to have notice of any Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee.

(h) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 7.03 Trustee not Responsible for Recitals or Issuance of Securities .

(a) The recitals contained herein and in the Securities shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee is not responsible for any statement in the Securities other than its own certificate of authentication.

(b) The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities.

(c) The Trustee shall not be accountable for the use or application by the Company of any of the Securities or of the proceeds of such Securities, or for the use or application of any funds paid over by the Trustee in accordance with any provision of this Indenture or established pursuant to Section 2.01, or for the use or application of any funds received by any paying agent other than the Trustee.

Section 7.04 May Hold Securities .

The Trustee or any paying agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, paying agent or Security Registrar. However, the Trustee is subject to Sections 7.09 and 7.13.

Section 7.05 Funds Held in Trust.

Subject to the provisions of Section 11.06, all funds received by the Trustee, until used or applied as herein provided, shall be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any funds received by it hereunder except such as it may agree in writing with the Company to pay thereon.

Section 7.06 Compensation, Reimbursement and Indemnification .

(a) The Company shall pay to the Trustee, and the Trustee shall be entitled to be paid, such compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), as the Company and the Trustee from time to time may agree in writing, for all services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties hereunder of the Trustee. Except as otherwise expressly provided herein, the Company will pay or reimburse the Trustee upon its request for all reasonable documented and out-of-pocket expenses and disbursements incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all Persons not regularly in its employ) except any such expense or disbursement as shall have been caused by its own negligence, willful misconduct or bad faith. The Company shall indemnify the Trustee (and its officers, agents, directors and employees) for, and shall hold it harmless against, any and all loss, liability, claim, damage or expense, including taxes (other than taxes based upon, measured by or determined by the income of the Trustee) incurred without negligence, willful misconduct or bad faith on the part of the Trustee and arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability (whether asserted by the Company, any Holder or any other Person). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee so to notify the Company shall not relieve the Company of its obligations hereunder, except to the extent that the Company has been prejudiced by such failure. The Company shall defend the claim and the Trustee shall cooperate, to the extent reasonable, in the defense of any such claim, and, if (in the opinion of counsel to the Trustee) the facts and/or issues surrounding the claim are reasonably likely to create a conflict with the Company, the Company shall pay the reasonable fees and expenses of separate counsel to the Trustee. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld or delayed.

(b) The obligations of the Company under this Section 7.06 to compensate and indemnify the Trustee and to pay or reimburse the Trustee for reasonable documented and out-of-pocket expenses and disbursements shall survive the termination of this Indenture and resignation or removal of the Trustee.

(c) When the Trustee incurs expenses or renders services in connection with an Event of Default, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for

the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

(d) To secure the Company's payment obligations under this Section 7.06, the Trustee will have a lien prior to the Securities on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on, particular Securities.

Section 7.07 Reliance on Officer's Certificate .

Except as otherwise provided in Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting to take any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed), in the absence of negligence or willful misconduct on the part of the Trustee, may be deemed to be conclusively proved and established by an Officer's Certificate delivered to the Trustee and such certificate, in the absence of negligence or willful misconduct on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted to be taken by it under the provisions of this Indenture upon the faith thereof.

Section 7.08 Disqualification; Conflicting Interests .

If the Trustee has or shall acquire any "conflicting interest" within the meaning of Section 310(b) of the Trust Indenture Act, the Trustee and the Company shall in all respects comply with the provisions of Section 310(b) of the Trust Indenture Act.

Section 7.09 Corporate Trustee Required; Eligibility .

There shall at all times be a Trustee with respect to the Securities issued hereunder which shall at all times be a corporation organized and doing business under the laws of the United States or any State or Territory thereof or of the District of Columbia, or a corporation or other Person permitted to act as trustee by the Commission, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$100,000,000, and subject to supervision or examination by Federal, State, Territorial, or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 7.09 the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Company may not, nor may any Affiliate of the Company, serve as Trustee. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.09, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

Section 7.10 Resignation and Removal; Appointment of Successor .

(a) The Trustee or any successor hereafter appointed may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company and by transmitting notice of resignation to the Securityholders of such series, as their names and addresses appear upon the Security Register. Upon receiving such notice of resignation, the Company promptly shall appoint a successor trustee with respect to Securities of such series. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the retiring Trustee resigns, the retiring Trustee, at the expense of the Company, or the Company may petition any court of competent jurisdiction for the appointment of a

successor trustee with respect to Securities of such series, or any Securityholder of that series who has been a bona fide holder of a Security or Securities for at least six months may on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any one of the following shall occur, the Company may remove the Trustee with respect to all or any series of Securities and appoint a successor trustee, or, unless the Trustee's duty to resign is stayed as provided herein, any Securityholder who has been a bona fide holder of a Security or Securities for at least six months, on behalf of that holder and all others similarly situated, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee:

(1) the Trustee shall fail to comply with the provisions of Section 7.08 after written request therefor by the Company or by any Securityholder who has been a bona fide holder of a Security or Securities for at least six months; or

(2) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 and shall fail to resign after written request therefor by the Company or by any such Securityholder; or

(3) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or commence a voluntary bankruptcy proceeding, or a receiver of the Trustee or of its property shall be appointed or consented to, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation.

(c) The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding at any time may remove the Trustee with respect to such series upon 30 days' written notice to the Trustee and the Company and may appoint a successor Trustee for such series with the consent of the Company.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee with respect to the Securities of a series pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.11.

(e) Any successor trustee appointed pursuant to this Section 7.10 may be appointed with respect to the Securities of one or more series or all of such series, and at any time there shall be only one Trustee with respect to the Securities of any particular series.

Section 7.11 Acceptance of Appointment By Successor .

(a) In case of the appointment hereunder of a successor trustee with respect to all Securities, every such successor trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee. On the request of the Company or the successor trustee, such retiring Trustee, upon payment of its charges, shall execute and deliver an instrument transferring to such successor trustee all the rights, powers, and trusts

of the retiring Trustee and shall assign, transfer and deliver to such successor trustee all property and funds held by such retiring Trustee hereunder.

(b) In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor trustee shall accept such appointment and which (i) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor trustee relates, (ii) shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (iii) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust, that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee and that no Trustee shall be responsible for any act or failure to act on the part of any other Trustee hereunder. Upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein, and such retiring Trustee shall have no further responsibility with respect to the Securities of that or those series to which the appointment of such successor trustee relates for the exercise of rights and powers or for the performance of the duties and obligations vested in the Trustee under this Indenture. Each such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor trustee relates. On request of the Company or any successor trustee, such retiring Trustee shall assign, transfer and deliver to such successor trustee, to the extent contemplated by such supplemental indenture, the property and funds held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor trustee relates.

(c) Upon request of any such successor trustee, the Company may execute any and all instruments for more fully and certainly vesting in and confirming to such successor trustee all such rights, powers and trusts referred to in Section 7.11(a) or (b), as the case may be.

(d) No successor trustee shall accept its appointment unless at the time of such acceptance such successor trustee shall be qualified and eligible under this Article VII.

(e) Upon acceptance of appointment by a successor trustee as provided in this Section 7.11, the successor trustee shall cause a notice of its succession to be transmitted to Securityholders.

Section 7.12 Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such corporation shall be qualified under the provisions of Section 7.08 and eligible under the provisions of Section 7.09, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary

notwithstanding. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 7.13 Preferential Collection of Claims Against the Company.

The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship described in Section 311(b) of the Trust Indenture Act. A Trustee who has resigned or been removed shall be subject to Section 311(a) of the Trust Indenture Act to the extent included therein.

ARTICLE VIII.

CONCERNING THE SECURITYHOLDERS

Section 8.01 Evidence of Action by Securityholders.

Whenever in this Indenture it is provided that the holders of a majority or specified percentage in aggregate principal amount of the Securities of a particular series may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such majority or specified percentage of that series have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by such holders of Securities of that series in Person or by agent or proxy appointed in writing.

The Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities of such series, provided, however, that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of the relevant series on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; provided, however, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 13.03.

The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to join in the giving or making of (i) any notice of Default, (ii) any declaration of acceleration referred to in Section 6.01, (iii) any request to institute proceedings referred to in Section 6.04 or (iv) any direction referred to in Section 6.06, in each case with respect to

Securities of such series. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of such series on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; provided, however, that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be cancelled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 13.03.

With respect to any record date set pursuant to this Section, the party hereto which sets such record dates may designate any day as the “**Expiration Date**” and from time to time may change the Expiration Date to any earlier or later day; provided, however, that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities of the relevant series in the manner set forth in Section 13.03, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto which set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

Section 8.02 Proof of Execution by Securityholders.

Subject to the provisions of Section 8.01, proof of the execution of any instrument by a Securityholder (such proof will not require notarization) or his agent or proxy and proof of the holding by any Person of any of the Securities shall be sufficient if made in the following manner:

(a) The fact and date of the execution by any such Person of any instrument may be proved in any reasonable manner acceptable to the Trustee.

(b) The ownership of Securities shall be proved by the Security Register of such Securities or by a certificate of the Security Registrar thereof.

(c) The Trustee may require such additional proof of any matter referred to in this Section as it shall deem necessary.

Section 8.03 Who May be Deemed Owners.

Prior to the due presentment for registration of transfer of any Security, the Company, the Trustee, any paying agent and any Security Registrar may deem and treat the Person in whose name such Security shall be registered in the Security Register as the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notice of ownership or writing thereon made by anyone other than the Security Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and (subject to Section 2.03) interest on such Security and for all other purposes; and neither the Company nor the Trustee nor any paying agent nor any Security Registrar shall be affected by any notice to the contrary.

None of the Company, the Trustee, any paying agent or the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 8.04 Certain Securities Owned by Company Disregarded.

In determining whether the holders of the requisite aggregate principal amount of Securities of a particular series have concurred in any direction, consent or waiver under this Indenture, the Securities of that series that are owned by the Company or any other obligor on the Securities of that series or by an Affiliate of the Company shall be disregarded and deemed not to be Outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Securities of such series that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. The Securities so owned that have been pledged in good faith may be regarded as Outstanding for the purposes of this Section, if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right so to act with respect to such Securities and that the pledgee is not an Affiliate. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officer's Certificate listing and identifying all Securities of a particular series, if any, known by the Company to be owned or held by or for the account of any of the above described Persons and, subject to Sections 7.01 and 7.02, the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Securities of such particular series not listed therein are Outstanding for the purpose of any such determination.

Section 8.05 Actions Binding on Future Securityholders.

At any time prior to the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the majority or percentage in aggregate principal amount of the Securities of a particular series specified in this Indenture in connection with such action, any holder of a Security of that series that is shown by the evidence to be included in the Securities the holders of which have consented to such action, by filing written notice with the Trustee, and upon proof of holding as provided in Section 8.02, may revoke such action so far as concerns such Security. Except as aforesaid, any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security, and of any Security issued in exchange therefor, on registration of transfer thereof or in place thereof, irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the holders of the majority or percentage in aggregate principal amount of the Securities of a particular series specified in this Indenture in connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities of that series.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.01 Supplemental Indentures Without the Consent of Securityholders.

In addition to any supplemental indenture otherwise authorized by this Indenture, the Company and the Trustee from time to time and at any time may enter into any indenture supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as then in effect), without the consent of the Securityholders, for one or more of the following purposes:

(a) to cure any ambiguity, omission, defect, or inconsistency herein or in the Securities of any series as evidenced in an Officer's Certificate;

(b) to make any other change that does not adversely affect the rights of any Securityholder of any applicable series of Outstanding Securities in any material respect;

(c) to evidence the succession of another Person to the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company, as the case may be, pursuant to Article X;

(d) to provide for uncertificated Securities in addition to or in place of certificated Securities;

(e) to add to the covenants of the Company for the benefit of the holders of all or any outstanding series of Securities (and if such covenants are to be for the benefit of less than all outstanding series of Securities, stating that such covenants are expressly being included solely for the benefit of such series), or to surrender any right or power herein conferred upon the Company;

(f) to add any additional Events of Default for the benefit of the holders of all or any outstanding series of Securities (and if such Events of Default are to be applicable to less than all outstanding series, stating that such Events of Default are expressly being included solely to be applicable to such series);

(g) to secure or guarantee the Securities of any series;

(h) to add an additional obligor to the Securities of any series;

(i) to change or eliminate any of the provisions of this Indenture, provided that any such change or elimination shall not become effective with respect to any outstanding Security of any series created prior to the execution of such supplemental indenture which is entitled to the benefit of such provision;

(j) to provide for the issuance of and establish the form and terms and conditions of the Securities of any series as provided in Section 2.01, and to issue additional Securities of any series; provided that such additional Securities have the same terms as, and be deemed part of the same series as, the

applicable series of Securities issued hereunder to the extent required by and in accordance with Section 2.01(b);

(k) to facilitate the defeasance and discharge of the Securities of any series otherwise in accordance with Article XI; provided that any such action does not adversely affect the rights of any Securityholder of any applicable series of Outstanding Securities in any material respect;

(l) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series; or

(m) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act.

Upon the request of the Company, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon receipt by the Trustee of the documents described in Section 9.05, the Trustee shall join with the Company in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained.

The Securityholders of a majority in principal amount of the outstanding Securities of a Series issued by the Company may waive any existing or past Default or Event of Default with respect to those Securities. Those Securityholders may not, however, waive any Default or Event of Default in any payment on any Security.

Any supplemental indenture authorized by the provisions of this Section 9.01 may be executed by the Company and the Trustee without the consent of the holders of any of the Securities at the time Outstanding, notwithstanding any of the provisions of Section 9.02.

Section 9.02 Supplemental Indentures with Consent of Securityholders .

With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of each series at the time Outstanding affected by such supplemental indenture or indentures, the Company, when authorized by a Board Resolution, and the Trustee from time to time and at any time may enter into any indenture supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as then in effect) for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner not covered by Section 9.01 the rights of the holders of the Securities of such series under this Indenture; provided, however, that no such supplemental indenture, without the consent of the Holder of each Security then Outstanding and affected thereby, shall:

(i) reduce the percentage in principal amount of the Securities, the consent of whose holders is required for any amendment, supplement or waiver;

(ii) reduce the rate of or change the time for payment of interest on the Securities of such series;

(iii) reduce the principal of the Securities of such series or change the Stated Maturity of the Securities of such series;

(iv) reduce any premium payable on the redemption of the Securities of such series or change the time at which the Securities of such series may or must be redeemed or alter or waive any of the provisions with respect to the redemption of the Securities of such series;

-
- (v) make payments on the Security of such series payable in currency other than as originally stated in such Security;
 - (vi) impair the holder's right to institute suit for the enforcement of any payment on the Security of such series; or
 - (vii) waive a continuing Default or Event of Default regarding any payment on the Securities of such Series.

A supplemental indenture that changes or eliminates any covenant, Event of Default or other provision of this Indenture that has been expressly included solely for the benefit of one or more particular series of Securities, if any, or which modifies the rights of the holders of Securities of such series with respect to such covenant, Event of Default or other provision, shall be deemed not to affect the rights under this Indenture of the holders of Securities of any other series.

In the event that consent is obtained from some of the Securityholders but not from all of the holders with respect to any amendments or waivers pursuant to clauses (i) through (vii) of this Section 9.02, new Securities of such Series with such amendments or waivers will be issued to those consenting holders. It shall not be necessary for the consent of Securityholders of a series affected thereby under this Section 9.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture pursuant to the provisions of this Article IX, the Company shall mail or caused to be mailed a notice thereof by first class mail (or, if the Securities are held in book-entry form, such notice may be sent by electronic transmission) to the Holders of Securities of each series affected thereby at their addresses as they shall appear on the Security Register, setting forth in general terms the substance of such supplemental indenture. Any failure of the Company to mail such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

Section 9.03 Effect of Supplemental Indentures .

Upon the execution of any supplemental indenture pursuant to the provisions of this Article IX or Section 10.01, this Indenture shall be and be deemed to be modified and amended with respect to such series in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities of the series affected thereby shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.04 Securities Affected by Supplemental Indentures .

Securities of any series affected by a supplemental indenture and authenticated and delivered after the execution of such supplemental indenture pursuant to the provisions of this Article or of Section 10.01 may bear a notation in form approved by the Company, provided such form meets the requirements of any exchange upon which such series may be listed, as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of that series so modified as to conform, in the opinion of the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture

may be prepared by the Company, authenticated by the Trustee and delivered in exchange for the Securities of that series then Outstanding.

Section 9.05 Execution of Supplemental Indentures .

Upon the request of the Company, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and, if applicable, upon the filing with the Trustee of evidence of the consent of Securityholders required to consent thereto as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee in its discretion may but shall not be obligated to enter into such supplemental indenture. The Trustee, subject to the provisions of Section 7.01, shall receive an Opinion of Counsel and Officer's Certificate as conclusive evidence that any supplemental indenture executed pursuant to this Article IX is authorized or permitted by, and conforms to, the terms of this Article IX and is the legal, valid and binding obligation of the Company, enforceable against it in accordance with its terms.

ARTICLE X.

SUCCESSOR

Section 10.01 Consolidation, Merger and Sale of Assets .

The Company shall not consolidate with, merge with or into, or sell, convey, transfer, lease or otherwise dispose of all or substantially all of the Company's and its Subsidiaries' property and assets, taken as a whole to another Person unless:

(a)(x) the Person (if other than the Company) formed by such consolidation, merger, sale, conveyance, transfer or lease or disposition (the "**Surviving Person**") shall be a corporation or other entity organized and validly existing under the laws of the United States of America or any jurisdiction thereof, (y) if such Surviving Person is not a corporation, a co-obligor of the Securities (a "Co-Obligor") is a corporation organized and validly existing under the laws of the United States of America or any jurisdiction thereof, and (z) such Surviving Person and if applicable, Co-Obligor (if other than the Company) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all of the Company's obligations under this Indenture and the Securities;

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and

(c) the Company delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case stating that any such supplemental indenture complies with this Section 10.01 and that all conditions precedent provided for herein relating to such transaction have been complied with.

To the extent that a Board Resolution or supplemental indenture pertaining to any series provides for different provisions relating to the subject matter of this Article X, the provisions in such Board Resolution or supplemental indenture shall govern for purposes of such series.

The restrictions in Sections 10.01(b) and 10.01(c) shall not be applicable to:

(i) the merger or consolidation of the Company with an Affiliate of the Company if the Board of Directors determines in good faith that the purpose of such transaction is principally to change the state of incorporation of the Company or convert the form of organization of the Company to another form; or

(ii) the merger of the Company with or into a single direct or indirect wholly owned subsidiary of the Company pursuant to Section 251(g) (or any successor provision) of the General Corporation Law of the State of Delaware (or similar provision of the Company's state of incorporation).

Section 10.02 Successor Person Substituted.

Upon any consolidation or merger of the Company, or any sale, conveyance, transfer, lease or other disposition of all or substantially all of the property and assets of the Company and its Subsidiaries, taken as a whole, in accordance with Section 10.01 of this Indenture, the successor corporation or limited liability company formed by such consolidation or into which the Company is merged or to which such sale, conveyance, transfer, lease or other disposition is made shall succeed to and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company; provided that the Company shall not be released from its obligation to pay the principal of, premium, if any, or interest on the Securities in the case of a lease of all or substantially all of its property and assets.

ARTICLE XI.

SATISFACTION AND DISCHARGE

Section 11.01 Applicability of Article.

If the Securities of a series are denominated and payable only in Dollars (except as provided pursuant to Section 2.01), then the provisions of this Article XI relating to defeasance of Securities shall be applicable except as otherwise specified pursuant to Section 2.01 for Securities of such series. Defeasance provisions, if any, for Securities denominated in a Foreign Currency may be specified pursuant to Section 2.01.

Section 11.02 Satisfaction and Discharge of Indenture.

This Indenture will be discharged and will cease to be of further effect as to a series of Securities issued hereunder if at any time:

(a) either

(i) the Company shall have delivered or shall have caused to be delivered to the Trustee for cancellation all Securities of a series theretofore authenticated (other than any Securities that shall have been destroyed, lost or stolen and that shall have been replaced or paid as provided in Section 2.07 and Securities for whose payment funds or Governmental Obligations have theretofore been deposited in trust or segregated and held in trust by the Company and thereupon repaid to the Company or discharged from such trust, as provided in Section 11.06); or

(ii) all such Securities of a particular series not theretofore delivered to the Trustee for cancellation shall have become due and payable or are by their terms to become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the

Trustee for the giving of notice of redemption, and the Company shall irrevocably deposit or cause to be deposited with the Trustee in trust, cash, Governmental Obligations that will generate cash, or a combination thereof, sufficient, to pay in Dollars (except as otherwise provided pursuant to Section 2.01) at maturity or upon redemption all Securities of such series not theretofore delivered to the Trustee for cancellation, including principal, premium, if any, and interest due or to become due on such date of maturity or redemption date, as the case may be;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to such series; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such series have been complied with.

Nothing in this Section 11.02 shall be deemed to discharge the following provisions that shall survive until the date of maturity or redemption date, as the case may be: (A) the rights of Holders of Securities of such series to receive, solely from the trust fund described in Section 11.03(c) and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities when due, (B) the Company's obligation with respect to such Securities under Sections 2.03, 2.04, 2.05, 2.07, 4.02, 4.03, 7.05 and 7.10 hereof, (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (D) this Article XI. Sections 7.06 and 11.06 shall survive to such date and thereafter, and the Trustee, on demand of the Company and at the cost and expense of the Company shall execute proper instruments acknowledging satisfaction of and discharging this Indenture with respect to such series.

Section 11.03 Defeasance and Discharge of Obligations; Covenant Defeasance.

(a) If at any time:

(i) all such Securities of a particular series not heretofore delivered to the Trustee for cancellation or that have not become due and payable as described in Section 11.02 shall have been paid by the Company by depositing irrevocably with the Trustee in trust, cash, Governmental Obligations that will generate cash, or a combination thereof, sufficient to pay in Dollars (except as otherwise provided pursuant to Section 2.01) at maturity or upon redemption all such Securities of that series not theretofore delivered to the Trustee for cancellation, including principal, premium, if any, and interest due or to become due to such date of maturity or date fixed for redemption, as the case may be, and

(ii) the Company shall also pay or cause to be paid all other amounts payable hereunder by the Company with respect to such series,

then, after the date such, cash, Governmental Obligations or combination thereof, is deposited with the Trustee, the obligations of the Company under this Indenture with respect to such series shall cease to be of further effect except, to the extent applicable, for the following provisions that shall survive until such Securities shall mature and be paid: (A) the rights of Holders of Securities of such series to receive, solely from the trust fund described in Section 11.03(c) and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities when due, (B) the Company's obligation with respect to such Securities under Sections 2.03, 2.04, 2.05, 2.07, 4.02, 4.03, 7.05 and 7.10 hereof, (C) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (D) this Article XI. Thereafter, Sections 7.06 and 11.06 shall survive such satisfaction and discharge.

(b) In addition, the Company, at its option and at any time, by written notice executed by an Officer delivered to the Trustee, may elect to have its obligations, to the extent applicable, under Sections 4.07, 4.08 and 5.03 and any covenant contained in Article X, and any other covenant contained in the Board Resolution or supplemental indenture relating to such series pursuant to Section 2.01, discharged with respect to all Outstanding Securities of a series, this Indenture and any indentures supplemental to this Indenture insofar as such Securities are concerned (“**covenant defeasance**”), such discharge to be effective on the date the applicable conditions set forth in clauses (i) through (vi) of Section 11.03 (c) are satisfied, and such Securities shall thereafter be deemed to be not “Outstanding” for the purposes of any direction, waiver, consent or declaration of Securityholders (and the consequences of any thereof) in connection with such covenants, but shall continue to be “Outstanding” for all other purposes under this Indenture. For this purpose, such covenant defeasance means that, with respect to the Outstanding Securities of a series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute an Event of Default under Section 6.01(a)(3) or otherwise, but except as specified in this Section 11.03(b), the remainder of the Company’s obligations under the Securities of such series, this Indenture, and any indentures supplemental to this Indenture with respect to such series shall be unaffected thereby.

(c) The following shall be the conditions to the application of Section 11.03 to the Outstanding Securities of the applicable series:

(i) the Company irrevocably deposits in trust with the Trustee or, at the option of the Trustee, with a trustee satisfactory to the Trustee and the Company under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee cash, Governmental Obligations that will generate enough cash, or a combination thereof, as will be sufficient to pay in Dollars to pay principal of, premium, if any, and interest on the Outstanding Securities of such series to maturity or redemption, as the case may be, and to pay all other amounts payable by it hereunder, provided that (A) the trustee of the irrevocable trust shall have been irrevocably instructed to pay such funds or the proceeds of such Governmental Obligations to the Trustee and (B) the Trustee shall have been irrevocably instructed to apply such funds or the proceeds of such Governmental Obligations to the payment of said principal, premium, if any, and interest with respect to the Securities of such series;

(ii) the Company delivers to the Trustee an Officer’s Certificate stating that all conditions precedent specified herein relating to defeasance or covenant defeasance, as the case may be, have been complied with, and an Opinion of Counsel to the same effect;

(iii) no Event of Default shall have occurred and be continuing, and no event which with notice or lapse of time or both would become such an Event of Default shall have occurred and be continuing, on the date of such deposit;

(iv) in the event of an election under Section 11.03(a), the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date of this instrument, there has been a change in the applicable Federal income tax law, in either case (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit, defeasance and discharge to be effected with respect to

such Securities and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would be the case if such deposit, defeasance and discharge were not to occur;

(v) in the event of an election under Section 11.03(b), the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and covenant defeasance to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and covenant defeasance were not to occur; and

(vi) notwithstanding any other provisions of this Section 11.03, such defeasance or covenant defeasance shall be effected in compliance with any additional or substitute terms, conditions or limitations which may be imposed on the Company pursuant to Section 2.01.

After such irrevocable deposit made pursuant to this Section 11.03 and satisfaction of the other conditions set forth herein, the Trustee upon request shall acknowledge in writing the discharge of the Company's obligations pursuant to this Section 11.03.

Section 11.04 Deposited Funds to be Held in Trust .

All funds or Governmental Obligations deposited with the Trustee pursuant to Sections 11.02 or 11.03 shall be held in trust and shall be available for payment as due, either directly or through any paying agent (including the Company acting as its own paying agent), to the holders of the particular series of Securities for the payment or redemption of which such funds or Governmental Obligations have been deposited with the Trustee.

Section 11.05 Payment of Funds Held by Paying Agents .

In connection with the provisions of Section 11.02 or 11.03, all funds or Governmental Obligations then held by any paying agent under the provisions of this Indenture shall, upon demand of the Company, be paid to the Trustee and thereupon such paying agent shall be released from all further liability with respect to such funds or Governmental Obligations.

Section 11.06 Repayment to the Company .

Any funds or Governmental Obligations deposited with any paying agent or the Trustee, or then held by the Company, in trust for payment of principal of, premium, if any, or interest on the Securities of a particular series, in each case under this Article XI or otherwise, that are not applied but remain unclaimed by the holders of such Securities for a period ending on the earlier of 10 business days prior to the date the money would be turned over to the applicable state and two years after the date upon which the principal of, premium, if any, or interest on such Securities shall have respectively become due and payable, shall, upon request of the Company, be repaid to the Company, or if then held by the Company shall be discharged from such trust; and thereafter, the paying agent and the Trustee shall be released from all further liability with respect to such funds or Governmental Obligations, and the holder of any of the Securities entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Company, as applicable, for the payment thereof. Anything in this Article XI to the contrary notwithstanding, subject to Section 7.06, the Trustee shall deliver to the Company from time to time upon request by the Company any funds or Governmental Obligations (or other property and any proceeds therefrom) held by it as provided in

Sections 11.02 or 11.03 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect a defeasance or covenant defeasance, as the case may be, in accordance with this Article XI.

Section 11.07 Reinstatement.

If the Trustee or paying agent is unable to apply any funds or Governmental Obligations in accordance with Section 11.02 or 11.03 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture, any indentures supplemental to this Indenture with respect to the applicable series of Securities and the Securities of such series shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.02 or 11.03, as the case may be, until such time as the Trustee or paying agent is permitted to apply all such funds or Governmental Obligations in accordance with Section 11.02 or 11.03, as the case may be; provided, however, that if the Company has made any payment of principal, premium, if any, or interest on any Securities of such series following the reinstatement of its obligations as aforesaid, the Company, as applicable, shall be subrogated to the rights of the holders of such Securities of such series to receive such payment from the funds or Governmental Obligations held by the Trustee or paying agent.

REVERSE OF SECURITY

NIKE, Inc.

[]% Notes due []

This security is one of a duly authorized series of debt securities of NIKE, Inc., an Oregon corporation (the “**Company**”), issued or to be issued in one or more series under and pursuant to an Indenture for the Company’s senior debt securities, dated as of April [•], 2013 (the “**Base Indenture**”), duly executed and delivered by and between the Company and [•], as trustee (the “**Trustee**”), as supplemented by the [], dated as of [] (the “**Supplemental Indenture**”), by and between the Company and the Trustee. The Base Indenture as supplemented and amended by the Supplemental Indenture is referred to herein as the “**Indenture**.” By the terms of the Base Indenture, the debt securities issuable thereunder are issuable in series that may vary as to amount, date of maturity, rate of interest and in other respects as provided in the Base Indenture. This security is one of the series designated on the face hereof (individually, a “**Security**,” and collectively, the “**Securities**”), and reference is hereby made to the Indenture for a description of the rights, limitations of rights, obligations, duties and immunities of the Trustee, the Company and the holders of the Securities (the “**Securityholders**”). Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Base Indenture or the Supplemental Indenture, as applicable.

1. Interest. The Company promises to pay interest on the principal amount of this Security at an annual rate of []%. The Company will pay interest semi-annually on [] and [] of each year (each such day, an “**Interest Payment Date**”). If any Interest Payment Date, redemption date or maturity date of this Security is not a Business Day, then payment of interest or principal (and premium, if any) shall be made on the next succeeding Business Day with the same force and effect as if made on the date such payment was due, and no interest shall accrue for the period after such date to the date of such payment on the next succeeding Business Day. Interest on the Securities will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid, from the date of issuance; provided that, if there is no existing Default in the payment of interest, and if this Security is authenticated between a regular record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; and provided, further, that the first Interest Payment Date shall be []. Interest will be calculated on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Company will pay interest on the Securities (except defaulted interest), if any, to the persons in whose name such Securities are registered at the close of business on the regular record date referred to on the facing page of this Security for such interest installment. [In the event that the Securities or a portion thereof are called for redemption, and the Optional Redemption Date is subsequent to a regular record date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Securities will instead be paid upon presentation and surrender of such Securities as provided in the Indenture.] The principal of and the interest on the Securities shall be payable in the coin or currency of [the United States of America] that at the time is legal tender for public and private debt, at the office or agency of the Company maintained for that purpose in accordance with the Indenture.

3. Paying Agent and Registrar. Initially, Deutsche Bank Trust Company Americas, the Trustee, will act as paying agent and Security Registrar. The Company may change or appoint any paying agent or

Security Registrar without notice to any Securityholder. The Company or any of its Subsidiaries may act in any such capacity.

4. Indenture. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (“**TIA**”) as in effect on the date the Indenture is qualified. The Securities are subject to all such terms, and Securityholders are referred to the Indenture and TIA for a statement of such terms. The Securities are unsecured general obligations of the Company and constitute the series designated on the face hereof as the “[]% Senior Notes due []”, initially limited to \$[] in aggregate principal amount. The Company will furnish to any Securityholder upon written request and without charge a copy of the Base Indenture and the Supplemental Indenture. Requests may be made to: NIKE, Inc., One Bowerman Drive, Beaverton, Oregon, 97005, Attention: [•].

5. Redemption. [The Securities shall not be redeemable at the option of the Company prior to maturity.] [The Securities may be redeemed at the option of the Company prior to the maturity date, as provided in Section [] of the Supplemental Indenture.]

The Company shall not be required to make sinking fund payments with respect to the Securities.

6. Denominations, Transfer, Exchange. The Securities are in registered form without coupons in the denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Securities may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Security Registrar) at the office of the Security Registrar or at the office of any transfer agent designated by the Company for such purpose. No service charge will be made for any registration of transfer or exchange, but a Securityholder may be required to pay any applicable taxes or other governmental charges. If the Securities are to be redeemed, the Company will not be required to: (i) issue, register the transfer of, or exchange any Security during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of less than all of the outstanding Securities of the same series and ending at the close of business on the day of such mailing; (ii) register the transfer of or exchange any Security of any series or portions thereof selected for redemption, in whole or in part, except the unredeemed portion of any such Security being redeemed in part; nor (iii) register the transfer of or exchange of a Security of any series between the applicable record date and the next succeeding Interest Payment Date.

7. Persons Deemed Owners. The registered Securityholder may be treated as its owner for all purposes.

8. Repayment to the Company. Any funds or Governmental Obligations deposited with any paying agent or the Trustee, or then held by the Company, in trust for payment of principal of, premium, if any, or interest on the Securities of a particular series that are not applied but remain unclaimed by the holders of such Securities for at least one year after the date upon which the principal of, premium, if any, or interest on such Securities shall have respectively become due and payable, shall, upon request of the Company, be repaid to the Company, or (if then held by the Company) shall be discharged from such trust. After return to the Company, Holders entitled to the money or securities must look to the Company, as applicable, for payment as unsecured general creditors.

9. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company

and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

10. Defaults and Remedies. If an Event of Default with respect to the securities of a series issued pursuant to the First Supplemental Indenture occurs and is continuing, the Trustee or the holders of at least 25% in aggregate principal amount of the Securities of such series then Outstanding, by notice in writing to the Company (and to the Trustee if notice is given by such holders), may declare the unpaid principal of, premium, if any, and accrued interest, if any, due and payable immediately. Subject to the terms of the Indenture, if an Event of Default under the Indenture shall occur and be continuing, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the holders, unless such holders have offered the Trustee indemnity reasonably satisfactory to it. Upon satisfaction of certain conditions set forth in the Indenture, the holders of a majority in principal amount of the Outstanding securities of a series issued pursuant to the First Supplemental Indenture will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the securities of such series.

11. Trustee, Paying Agent and Security Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any paying agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, paying agent or Security Registrar.

12. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement of the Indenture, or of any Security, or for any claim based thereon or otherwise in respect hereof or thereof, shall be had against any incorporator, stockholder, officer or director, past, present or future as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that the Indenture and the obligations issued hereunder and thereunder are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors as such, of the Company or of any predecessor or successor corporation, or any of them, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom; and that any and all such personal liability of every name and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director as such, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the acceptance of the Securities.

13. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.

14. Authentication. This Security shall not be valid until the Trustee signs the certificate of authentication attached to the other side of this Security.

The following terms relate to the Notes:

(1) The 2023 Notes shall constitute a series of Notes having the title “2.250% Notes due 2023” and the 2043 Notes shall constitute a separate series of Notes having the title “3.625% Notes due 2043.”

(2) The aggregate principal amount of the 2023 Notes (the “ **Initial 2023 Notes** ”) and the 2043 Notes (the “ **Initial 2043 Notes** ”) and, together with the Initial 2023 Notes, the “ **Initial Notes** ”) that may be initially authenticated and delivered under the Indenture shall be \$500,000,000 and \$500,000,000, respectively. The Company may from time to time, without the consent of the Holders of Notes, issue additional 2023 Notes (in any such case “ **Additional 2023 Notes** ”) or additional 2043 Notes (in any such case, “ **Additional 2043 Notes** ”) having the same ranking and the same interest rate, maturity and other terms as the Initial 2023 Notes or the Initial 2043 Notes, as the case may be. Any Additional 2023 Notes and the Initial 2023 Notes and any Additional 2043 Notes and the Initial 2043 Notes, as the case may be, shall each constitute a single series under the Indenture and all references to the 2023 Notes shall include the Initial 2023 Notes and any Additional 2023 Notes and all references to the 2043 Notes shall include the Initial 2043 Notes and any Additional 2043 Notes, unless the context otherwise requires; provided that if such Additional 2023 Notes or Additional 2043 Notes are not fungible with the Initial 2023 Notes or Initial 2043 Notes, respectively, for U.S. federal income tax purposes, the applicable Additional 2023 Notes or Additional 2043 Notes, as the case may be, will have a separate CUSIP number. The aggregate principal amount of each of the Additional 2023 Notes and Additional 2043 Notes shall be unlimited.

(3) The entire Outstanding principal of the 2023 Notes and 2043 Notes shall be payable on May 1, 2023 and on May 1, 2043, respectively.

(4) The rate at which the Notes shall bear interest shall be 2.250% per year for the 2023 Notes and 3.625% per year for the 2043 Notes. The date from which interest shall accrue on the Notes shall be the most recent Interest Payment Date to which interest has been paid or provided for or, if no interest has been paid, from April 26, 2013. The Interest Payment Dates for the Notes shall be May 1 and November 1 of each year, beginning November 1, 2013. Interest shall be payable on each Interest Payment Date to the Holders of record at the close of business on the April 15 and October 15 prior to each Interest Payment Date (in connection with the Notes, a “ **regular record date** ”). The basis upon which interest shall be calculated shall be that of a 360-day year consisting of twelve 30-day months. All dollar amounts resulting from the calculation of interest shall be rounded to the nearest cent.

(5) The Notes shall be issuable in whole in the form of one or more registered Global Securities, and the Depository for such Global Securities shall be The Depository Trust Company, New York, New York. The Notes shall be substantially in the form attached hereto as Exhibit A, the terms of which are herein incorporated by reference. The Notes shall be issuable in denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof.

(6) The Notes may be redeemed at the option of the Company prior to the Stated Maturity, as provided in Section 1.3 of this First Supplemental Indenture.

(7) The Notes will not have the benefit of any sinking fund.

(8) Except as provided herein, the Holders of the Notes shall have no special rights in addition to those provided in the Base Indenture upon the occurrence of any particular events.

(9) The Notes will be senior unsecured obligations of the Company and will rank equal in right of payment to all of the Company's other existing and future senior unsecured indebtedness and among themselves.

(10) The Notes are not convertible into shares of common stock or other securities of the Company.

Section 1.2 Additional Defined Terms.

As used herein, the following defined terms shall have the following meanings with respect to the Notes only:

“ **Comparable Treasury Issue** ” means the United States Treasury security selected by an Independent Investment Banker as having an actual or interpolated maturity comparable to the remaining term of the applicable Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“ **Comparable Treasury Price** ” means, with respect to any Optional Redemption Date, (1) the arithmetic average of the applicable Reference Treasury Dealer Quotations for such Optional Redemption Date after excluding the highest and lowest Reference Treasury Dealer Quotations, (2) if the Company obtains three or fewer applicable Reference Treasury Dealer Quotations, the arithmetic average of all applicable Reference Treasury Dealer Quotations for such Optional Redemption Date, or (3) if only one Reference Treasury Dealer Quotation is received, such quotation.

“ **Independent Investment Banker** ” means one of the Reference Treasury Dealers, or their respective successors, as may be appointed from time to time by the Company; provided, however, that if the foregoing ceases to be a primary U.S. Government securities dealer in the United States (a “ **primary treasury dealer** ”), the Company will substitute another primary treasury dealer.

“ **Optional Redemption Date** ” when used with respect to any Note to be redeemed at the Company's option, means the date fixed for such redemption by or pursuant to Section 1.3 of this First Supplemental Indenture.

“ **Optional Redemption Price** ” when used with respect to any Note to be redeemed at the Company's option, means the price at which it is to be redeemed pursuant to Section 1.3 of this First Supplemental Indenture.

“ **Reference Treasury Dealer** ” means Citigroup Global Markets Inc., Deutsche Bank Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and each of their respective successors and any other primary treasury dealers selected by the Company.

“ **Reference Treasury Dealer Quotations** ” means, with respect to each Reference Treasury Dealer and any Optional Redemption Date, the arithmetic average, as determined by the Company, of the bid and asked prices for the applicable Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 5:00 p.m., New York City time, on the third Business Day preceding such Optional Redemption Date.

“ **Remaining Scheduled Payments** ” means, with respect to any Note to be redeemed, the remaining scheduled payments of the principal thereof and interest thereon that would be due after the related Optional Redemption Date but for such redemption; provided, however, that, if such Optional Redemption Date is not an Interest Payment Date with respect to such Note, the amount of the next scheduled interest payment thereon will be reduced by the amount of interest accrued thereon to such Optional Redemption Date.

“ **Treasury Rate** ” means, with respect to any Optional Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity (computed as of the third Business Day immediately preceding that Optional Redemption Date) of the applicable Comparable Treasury Issue. In determining this rate, the Company will assume a price for the applicable Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the applicable Comparable Treasury Price for such Optional Redemption Date.

Section 1.3 Optional Redemption.

(a) The provisions of Article III of the Base Indenture, as amended by the provisions of this First Supplemental Indenture, shall apply to the Notes with respect to this Section 1.3.

(b) The 2023 Notes and the 2043 Notes shall be redeemable, in each case, in whole at any time or in part from time to time, at the Company’s option. Upon redemption of the Notes prior to February 1, 2023 in the case of the 2023 Notes and prior to November 1, 2042 in the case of the 2043 Notes, the Company shall pay an Optional Redemption Price equal to the greater of:

(i) 100% of the aggregate principal amount of the 2023 Notes or the 2043 Notes to be redeemed, as the case may be, and

(ii) the sum of the present values of the Remaining Scheduled Payments of the 2023 Notes or the 2043 Notes to be redeemed, as the case may be, discounted to the Optional Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day

months) using a discount rate equal to the Treasury Rate plus 10 basis points in the case of the 2023 Notes and 15 basis points in the case of the 2043 Notes,

plus, in addition to such Optional Redemption Price, in each case, accrued and unpaid interest thereon to, but excluding, the Optional Redemption Date.

(c) Upon redemption of the 2023 Notes on or after February 1, 2023 and the 2043 Notes on or after November 1, 2042, the Company shall pay an Optional Redemption Price equal to 100% of the aggregate principal amount of the 2023 Notes or the 2043 Notes, as the case may be, being redeemed, plus accrued and unpaid interest thereon to, but excluding, the Optional Redemption Date.

Notwithstanding the foregoing, installments of interest whose Stated Maturity is on or prior to the Optional Redemption Date shall be payable on the applicable Interest Payment Date to the Securityholders of such Notes registered as such at the close of business on the applicable record date pursuant to the Notes and the Indenture.

(d) On and after the Optional Redemption Date for the Notes, interest shall cease to accrue on the Notes or any portion thereof called for redemption, unless the Company defaults in the payment of the Optional Redemption Price and accrued interest, if any. On or before 11:30 a.m., New York City time, on the Optional Redemption Date for the Notes, the Company shall deposit with the Trustee or a paying agent, funds sufficient to pay the Optional Redemption Price of the Notes to be redeemed on the Optional Redemption Date, and (except if the date fixed for redemption shall be an Interest Payment Date) accrued interest, if any. If less than all of the Notes are to be redeemed, the Notes shall be redeemed in accordance with Section 3.02 of the Base Indenture.

(e) Notice of any redemption shall be delivered at least 30 days but not more than 60 days before the Optional Redemption Date to each Holder of the Notes to be redeemed; provided, however, that the Company shall notify the Trustee of the Optional Redemption Date at least 5 Business Days prior to the date of the giving of such notice (unless a shorter notice shall be satisfactory to the Trustee). Such notice shall be provided in accordance with Section 3.02 of the Base Indenture. If the Optional Redemption Price cannot be determined at the time such notice is to be given, the actual Optional Redemption Price, calculated as described above in clause (b), shall be set forth in an Officer's Certificate of the Company delivered to the Trustee no later than two (2) Business Days prior to the Optional Redemption Date. Notice of redemption having been given as provided in the Indenture, the Notes called for redemption shall, on the Optional Redemption Date, become due and payable at the Optional Redemption Price, and accrued and unpaid interest, if any, to, but excluding, the Optional Redemption Date.

(f) Any redemption or notice of redemption may, at the Company's discretion, be subject to one or more conditions precedent. Any such conditions shall be described in the applicable notice of redemption, and if any condition precedent with respect to a series of Notes to be redeemed

is not satisfied, the redemption notice will be of no effect and the Company will not be obligated to redeem the applicable series of Notes.

This security is one of a duly authorized series of debt securities of NIKE, Inc., an Oregon corporation (the “Company”), issued or to be issued in one or more series under and pursuant to an Indenture for the Company’s senior debt securities, dated as of April [•], 2013 (the “Base Indenture”), duly executed and delivered by and among the Company and Deutsche Bank Trust Company Americas (the “Trustee”), as supplemented by the First Supplemental Indenture, dated as of April [•], 2013 (the “First Supplemental Indenture”), by and between the Company and the Trustee. The Base Indenture as supplemented and amended by the First Supplemental Indenture is referred to herein as the “Indenture.” By the terms of the Base Indenture, the debt securities issuable thereunder are issuable in series that may vary as to amount, date of maturity, rate of interest and in other respects as provided in the Base Indenture. This security is one of the series designated on the face hereof (individually, a “Security,” and collectively, the “Securities”), and reference is hereby made to the Indenture for a description of the rights, limitations of rights, obligations, duties and immunities of the Trustee, the Company and the holders of the Securities (the “Securityholders”). Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Base Indenture or the First Supplemental Indenture, as applicable.

1. Interest. The Company promises to pay interest on the principal amount of this Security at an annual rate of []%. The Company will pay interest semi-annually on [•] and [•] of each year (each such day, an “Interest Payment Date”). If any Interest Payment Date, redemption date or maturity date of this Security is not a Business Day, then payment of interest or principal (and premium, if any) shall be made on the next succeeding Business Day with the same force and effect as if made on the date such payment was due, and no interest shall accrue for the period after such date to the date of such payment on the next succeeding Business Day. Interest on the Securities will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid, from the date of issuance; provided that, if there is no existing Default in the payment of interest, and if this Security is authenticated between a regular record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; and provided, further, that the first Interest Payment Date shall be [•]. Interest will be calculated on the basis of a 360-day year of twelve 30-day months. All dollar amounts resulting from this calculation shall be rounded to the nearest cent.

2. Method of Payment. The Company will pay interest on the Securities, if any, to the Persons in whose name such Securities are registered at the close of business on the regular record date referred to on the facing page of this Security for such interest installment. In the event that the Securities or a portion thereof are called for redemption and the Optional Redemption Date is

subsequent to a regular record date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Securities will instead be paid upon presentation and surrender of such Securities as provided in the Indenture. The principal of and the interest on the Securities shall be payable in the coin or currency of the United States of America that at the time is legal tender for public and private debt, at the office or agency of the Company maintained for that purpose in accordance with the Indenture. If any of the Notes are no longer represented by a Global Security, payment of interest on certificated notes in definitive form may, at the option of Company, be made by (i) check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register, or (ii) upon request of any Holder of at least \$5,000,000 principal amount of Securities, wire transfer to an account located in the United States maintained by the such payee.

3. Paying Agent and Registrar . Initially, Deutsche Bank Trust Company Americas will act as paying agent and Security Registrar. The Company may change or appoint any paying agent or Security Registrar without notice to any Securityholder. The Company or any of its Subsidiaries may act in any such capacity.

4. Indenture . The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (“TIA”) as in effect on the date the Indenture is qualified. The Securities are subject to all such terms, and Securityholders are referred to the Indenture and TIA for a statement of such terms. The Securities are unsecured general obligations of the Company and constitute the series designated on the face hereof as the “[]% Notes due []”, initially limited to \$[] in aggregate principal amount. The Company will furnish to any Securityholder upon written request and without charge a copy of the Base Indenture and the First Supplemental Indenture. Requests may be made to: NIKE, Inc., One Bowerman Drive, Beaverton, Oregon, 97005, Attention: General Counsel.

5. Redemption . The Securities may be redeemed at the option of the Company prior to the Stated Maturity, as provided in Section 1.3 of the First Supplemental Indenture.

The Company shall not be required to make sinking fund payments with respect to the Securities.

6. Denominations, Transfer, Exchange . The Securities are in registered form without coupons in the denominations of \$2,000 or any integral multiple of \$1,000 in excess thereof. The transfer of Securities may be registered and Securities may be exchanged as provided in the Indenture. The Securities may be presented for exchange or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed if so required by the Company or the Security Registrar) at the office of the Security Registrar or at the office of any transfer agent designated by the Company for such purpose. No service charge will be made for any registration of transfer or exchange, but a Securityholder may be required to pay any applicable taxes or other governmental charges. If the Securities are to be redeemed, the Company will not be required to: (i) issue, register the transfer of, or exchange any Security during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of less than all of the

Outstanding Securities of the same series and ending at the close of business on the day of such mailing; (ii) register the transfer of or exchange any Security of any series or portions thereof selected for redemption, in whole or in part, except the unredeemed portion of any such Security being redeemed in part; nor (iii) register the transfer of or exchange of a Security of any series between the applicable record date and the next succeeding Interest Payment Date.

7. Persons Deemed Owners. The registered Securityholder may be treated as its owner for all purposes.

8. Repayment to the Company. Any funds or Governmental Obligations deposited with any paying agent or the Trustee, or then held by the Company, in trust for payment of principal of, premium, if any, or interest on the Securities of a particular series that are not applied but remain unclaimed by the Holders of such Securities for at least two years after the date upon which the principal of, premium, if any, or interest on such Securities shall have respectively become due and payable, shall, upon request of the Company, be repaid to the Company, or (if then held by the Company) shall be discharged from such trust. After return to the Company, Holders entitled to the money or securities must look to the Company, as applicable, for payment as unsecured general creditors.

9. Amendments, Supplements and Waivers. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of a majority in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

10. Defaults and Remedies. If an Event of Default with respect to the securities of a series issued pursuant to the First Supplemental Indenture occurs and is continuing (other than certain events of bankruptcy, insolvency or reorganization of the Company), the Trustee or the holders of at least 25% in aggregate principal amount of the Securities of such series then Outstanding, by notice in writing to the Company (and to the Trustee if notice is given by such holders), may declare the unpaid principal of, premium, if any, and accrued interest, if any, due and payable immediately. In the case of certain events of bankruptcy, insolvency or reorganization of the Company, the principal and accrued and unpaid interest, if any, on all outstanding Securities will become and be immediately due and payable. Subject to the terms of the Indenture, if an Event of Default under the Indenture shall occur and be continuing, the Trustee will be under no obligation to

exercise any of its rights or powers under the Indenture at the request or direction of any of the holders, unless such holders have offered the Trustee indemnity satisfactory to it. Upon satisfaction of certain conditions set forth in the Indenture, the holders of a majority in principal amount of the Outstanding securities of a series issued pursuant to the First Supplemental Indenture will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the securities of such series.

11. Trustee, Paying Agent and Security Registrar May Hold Securities. The Trustee, subject to certain limitations imposed by the TIA, or any paying agent or Security Registrar, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee, paying agent or Security Registrar.

12. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement of the Indenture, or of any Security, or for any claim based thereon or otherwise in respect hereof or thereof, shall be had against any incorporator, stockholder, officer or director, past, present or future as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that the Indenture and the obligations issued hereunder and thereunder are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, the incorporators, stockholders, officers or directors as such, of the Company or of any predecessor or successor corporation, or any of them, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom; and that any and all such personal liability of every name and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director as such, because of the creation of the indebtedness authorized by the Indenture, or under or by reason of the obligations, covenants or agreements contained in the Indenture or in the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the acceptance of the Securities.

13. Discharge of Indenture. The Indenture contains certain provisions pertaining to discharge and defeasance, which provisions shall for all purposes have the same effect as if set forth herein.

14. Authentication. This Security shall not be valid until the Trustee manually signs the certificate of authentication attached to the other side of this Security.

15. Abbreviations. Customary abbreviations may be used in the name of a Securityholder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

16. Governing Law. The Base Indenture, the First Supplemental Indenture and this Security shall be deemed to be a contract made under the internal laws of the State of New York, and for all purposes shall be construed in accordance with the laws of said State.

Re: Securities Being Registered under Registration Statement on Form S-3

Ladies and Gentlemen:

Reference is made to our opinion letter dated April 23, 2013 and included as Exhibit 5.1 to the Registration Statement on Form S-3 (the "Registration Statement") (File No. 333-188072) filed on April 23, 2013 by NIKE, Inc., an Oregon corporation (the "Company"), with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"). The Registration Statement became effective upon filing on April 23, 2013. We are delivering this supplemental opinion letter in connection with the prospectus supplement (the "Prospectus Supplement") filed on April 24, 2013 by the Company with the Commission pursuant to Rule 424 under the Securities Act. The Prospectus Supplement relates to the offering by the Company of up to \$500,000,000 aggregate principal amount of its 2.250% notes due 2023 and \$500,000,000 aggregate principal amount of its 3.625% notes due 2043 (collectively, the "Notes") covered by the Registration Statement. We understand that the Notes are to be offered and sold in the manner described in the Prospectus Supplement.

We have reviewed such documents and made such examination of law as we have deemed appropriate to give the opinions set forth below. We have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinions set forth below, on certificates of officers of the Company.

We refer to (a) the indenture (the "Base Indenture") to be entered into between the Company and Deutsche Bank Trust Company America, as trustee (the "Trustee"), as amended by the supplemental indenture (the "Supplemental Indenture") that is to be entered into by the Company and the Trustee establishing the terms of the Notes under the Base Indenture, in a form consistent with that authorized by the Company, as the "Indenture," and (b) the Underwriting Agreement, dated as of April 23, 2013, by and among the Company and Citigroup Global Markets, Inc., Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, on their own behalf and as representatives of the several underwriters named in Schedule II thereto, as the "Underwriting Agreement."

We have assumed for purposes of our opinions certain matters with respect to the Company, including the valid existence, good standing, power and authority of the Company, and the due authorization, execution and delivery of the Notes and Indenture.

The opinion expressed below is limited to the law of New York. Without limiting the generality of the foregoing, we express no opinion with respect to (i) state securities or “blue sky” laws or (ii) state antitrust laws.

Based on the foregoing, and subject to the additional qualifications set forth below, we are of the opinion that, upon the due execution and delivery of the Indenture by each of the Company and the Trustee and the execution, authentication and issuance of the Notes in accordance with the terms of the Indenture and upon the receipt by the Company of the consideration to be paid therefor pursuant to the Underwriting Agreement, the Notes will be valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

Our opinion set forth above is subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general application affecting the rights and remedies of creditors and to general principles of equity (including, without limitation, concepts of materiality, reasonableness, good faith, fair dealing and unconscionability), regardless of whether considered in a proceeding in equity or law. We express no opinion as to the validity, binding effect or enforceability of provisions in the Notes or the Indenture relating to the choice of forum for resolving disputes.

This opinion letter and the opinion it contains shall be interpreted in accordance with the Legal Opinion Principles issued by the Committee on Legal Opinions of the American Bar Association’s Business Law Section as published in 53 Business Lawyer 831 (May 1998).

We hereby consent to the inclusion of this opinion as Exhibit 5.1 to the Company’s Current Report on Form 8-K dated April 26, 2013, which is incorporated by reference into the Registration Statement and to the references to our firm under the caption “Legal Matters” in the Registration Statement and the Prospectus Supplement. Re: Securities Being Registered under Registration Statement on Form S-3

Ladies and Gentlemen:

Reference is made to my opinion letter dated April 23, 2013 and included as Exhibit 5.1 to the Registration Statement on Form S-3 (the “Registration Statement”) (File No. 333-188072) filed on April 23, 2013 by NIKE, Inc., an Oregon corporation (the “Company”), with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”). The Registration Statement became effective upon filing on April 23, 2013. I am delivering this supplemental opinion letter in connection with the prospectus supplement (the “Prospectus Supplement”) filed on April 24, 2013 by the Company with the Commission pursuant to Rule 424 under the Securities Act. The Prospectus Supplement relates to the offering by the Company of up to \$500,000,000 combined aggregate principal amount of its 2.250% notes due 2023 and \$500,000,000 combined aggregate principal amount of its 3.625% notes due 2043 (collectively, the “Notes”) covered by the Registration Statement. I understand that the Notes are to be offered and sold in the manner described in the Prospectus Supplement.

I have reviewed such documents and have made such examination of law as I have deemed appropriate to give the opinions set forth below. I have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinions set forth below, on certificates of officers of the Company.

I refer to the indenture (the “Base Indenture”) to be entered into between the Company and Deutsche Bank Trust Company America, as trustee (the “Trustee”), as amended by the supplemental indenture (the “Supplemental Indenture”) that is to be entered into by the Company and the Trustee establishing the terms of the Notes under the Base Indenture, in a form consistent with that authorized by the Company, as the “Indenture.”

The opinions set forth below are limited to Oregon law. Without limiting the generality of the foregoing, I express no opinion with respect to (i) state securities or “blue sky” laws or (ii) state antitrust laws.

Based on the foregoing, it is my opinion that:

- (1) The Company is validly existing as a corporation under the laws of the State of Oregon and has the corporate power to execute and deliver the Indenture and the Notes and to perform its obligations thereunder.
- (2) The Indenture has been duly authorized.
- (3) The Notes have been duly authorized for issuance by the Company.

This opinion letter and the opinions it contains shall be interpreted in accordance with the Legal Opinion Principles issued by the Committee on Legal Opinions of the American Bar Association's Business Law Section as published in 53 Business Lawyer 831 (May 1998).

I hereby consent to the inclusion of this opinion as Exhibit 5.1 to the Company's Current Report on Form 8-K dated April 26, 2013, which is incorporated by reference into the Registration Statement and to the references to my name under the caption "Legal Matters" in the Registration Statement and the Prospectus Supplement. In giving my consent, I do not admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations thereunder.

Very truly yours,
