Item 1.01 Entry into a Material Definitive Agreement.

On December 21, 2005, Golden Star Resources Ltd. (“Golden Star”) entered into an Underwriting Agreement and an Agency Agreement in connection with the previously announced offering of 29,200,000 Golden Star common shares.

The Underwriting Agreement is with BMO Nesbitt Burns Inc., Blackmont Capital Inc. and Wellington West Capital Markets Inc. (the “Canadian Underwriters”), under which the Canadian Underwriters have agreed to purchase 45%, 45% and 10%, respectively, of 29,200,000 common shares. Subject to the terms of the Underwriting Agreement, Golden Star has agreed to issue and sell and the Canadian Underwriters have agreed to purchase on or about December 30, 2005, or such other date as may be agreed upon, 100% of the common shares offered at a price of Cdn\$2.80 per share for a total consideration of Cdn\$78,080,800, payable in cash, net of the underwriters’ fee. The Underwriting Agreement requires Golden Star to pay the Canadian Underwriters a fee of Cdn\$0.126 per common share sold by them, which will be paid out of the gross proceeds of the offering.

The Agency Agreement is with Harris Nesbitt Corp., Blackmont Capital Corp. and Wellington West Capital Markets (USA) Inc. (the “U.S. Agents”). Subject to the terms of the Agency Agreement, Golden Star has appointed the U.S. Agents to offer the common shares for sale to the public in the United States on a best efforts basis at a price of Cdn\$2.80 per common share. The Agency Agreement requires Golden Star to pay the U.S. Agents a fee of U.S.\$0.126 per common share sold by them, which will be paid out of the gross proceeds of the offering. The U.S. Agents have not committed to purchase a minimum amount of common shares under the Agency Agreement. Any shares sold by the U.S. Agents under the Agency Agreement will reduce the obligation of the Canadian Underwriters to take up and pay for shares in an equal amount.

The description of the terms of each of these agreements is qualified in its entirety by reference to the agreements, copies of which are included under Item 9.01(c) as Exhibit 1.1 and 1.2 to this Current Report and are included in this item by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 21, 2005, Golden Star completed a business combination with St. Jude Resources Ltd., a Canadian corporation (“St. Jude”), under which Golden Star acquired 100% of the issued and outstanding common shares and other securities of St. Jude pursuant to a court ordered plan of arrangement under the Canada Business Corporation Act (the “Arrangement”). Following the completion of the Arrangement, St. Jude became a wholly-owned subsidiary of Golden Star.

Under the previously announced terms of the Arrangement, (i) the holders of St. Jude common shares exchanged their St. Jude common shares for common shares of Golden Star on the basis of 0.72 of a Golden Star common share for each St. Jude common share, and (ii) the outstanding warrants and options of St. Jude were exchanged for Golden Star warrants or options, such that each holder will be entitled to receive on the exercise thereof that number of Golden Star common shares that is equal to the number of St. Jude common shares that would otherwise have

been issuable upon the exercise thereof multiplied by 0.72, with the exercise price being appropriately adjusted as well.

The consideration payable by Golden Star to St. Jude securityholders in the Arrangement was determined in negotiations between the parties.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

(d) Effective December 21, 2005, concurrent with the completion of the Arrangement with St. Jude, Mr. Michael A. Terrell, formerly the President and CEO of St. Jude, was appointed to Golden Star's board of directors. Pursuant to the terms of the Arrangement Agreement, dated November 11, 2005, entered into between Golden Star and St. Jude in connection with the Arrangement, the number of directors of Golden Star was increased to seven (7), and St. Jude was entitled to nominate one nominee to the board of directors of Golden Star. Golden Star also agreed to propose Mr. Terrell as a director to its shareholders at its next annual general meeting and to solicit proxies in favor of his election to the board of directors at such meeting.

Pursuant to the terms of an Executive Employment Agreement dated as of July 1, 2002 between Bluestar Management Inc. ("Bluestar"), of which Mr. Terrell is a principal, and St. Jude, Bluestar was entitled to a termination payment equal to Cdn\$500,000.00. St. Jude made the termination payment to Bluestar upon the completion of the Arrangement on December 21, 2005 .

In connection with the Arrangement, Mr. Terrell also received shares of Golden Star's common stock and options to purchase shares of Golden Star's common stock in exchange for common shares and options to purchase common shares of St. Jude, at a ratio of .72:1.

 - (d) if the Underwriters determine that any material adverse fact or information with respect to the Corporation or the Common Shares that existed on or prior to December 8, 2005 had not been publicly disclosed in accordance with applicable securities laws by December 12, 2005; or
 - (e) if there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence, including without limiting the generality of the foregoing, any military conflict, civil insurrection, or any terrorist action (whether or not in connection with such conflict or insurrection) which, in the Underwriters' opinion, materially adversely affects or involves, or will materially adversely affect or involve, the Canadian or United States financial markets and/or prevents or materially restricts the trading of the Common Shares or the distribution of the Common Shares.
- (3) The Underwriters shall make reasonable best efforts to give notice to the Corporation (in writing or by other means) of the occurrence of any of the events referred to in Section 11(2) provided that neither the giving nor the failure to give such notice shall in any way affect the entitlement of the Underwriters to exercise this right at any time prior to or at the Time of Closing.
- (4) The rights of termination contained in this Section 11 as may be exercised by the Underwriters are in addition to any other rights or remedies the Underwriters may have in respect of any default, act or failure to act or non-compliance by the Corporation in respect of any of the matters contemplated by this Agreement.
-

- (5) If the obligations of the Underwriters are terminated under this Agreement pursuant to these termination rights, the Corporation's liabilities to the Underwriters shall be limited to the Corporation's obligations under Section 12 and Section 13.

Section 12 Indemnity.

- (1) The Corporation covenants and agrees to protect, indemnify, and save harmless, each of the Underwriters, and their respective directors, officers, employees and agents (individually, an **"Indemnified Party"** and collectively, the **"Indemnified Parties"**), from and against all losses, claims, damages, liabilities, reasonable costs or expenses (but not including loss of profit related to the sale of the Common Shares in the Offering) caused or incurred by reason of:
- (a) any information or statement (except any information or statement relating solely to or provided by the Underwriters or Agents), contained in the Preliminary Prospectus, the Final Prospectus, or in any Prospectus Amendment, or in any supplemental or additional or ancillary material, information, evidence, return, report, application, statement or document (collectively, the **"Supplementary Material"**) that has been filed by or on behalf of the Corporation in connection with the Offering under the relevant securities laws of any of the Qualifying Provinces, which at the time and in light of the circumstances under which it was made contains or is alleged to contain a misrepresentation (as such term is defined in the *Securities Act* (Ontario)) or any omission or any alleged omission to state therein any fact or information (except for facts or information relating solely to the Underwriters or Agents) required to be stated therein or necessary to make any of the statements therein not misleading in light of the circumstances under which they were made;
 - (b) any order made or inquiry, investigation or proceeding commenced or threatened by any securities regulatory authority, stock exchange or by any other competent authority, based upon any untrue statement, omission or misrepresentation (as such term is defined in the *Securities Act* (Ontario)) or alleged untrue statement, omission or misrepresentation (except a statement, omission or misrepresentation relating solely to the Underwriters or Agents or Selling Firms) in the Preliminary Prospectus, the Final Prospectus, or Prospectus Amendment, or any Supplementary Material based upon any failure or alleged failure to comply with Canadian Securities Laws (other than any failure or alleged failure to comply by the Underwriters or Agents or Selling Firms) preventing and restricting the trading in or the sale of the Common Shares or any of them or the distribution or distribution to the public, as the case may be, of any of the Common Shares in any of the Qualifying Provinces;
 - (c) the non-compliance or alleged non-compliance by the Corporation with any requirement of Canadian Securities Laws, including the Corporation's non-compliance with any statutory requirement to make any document available for inspection; or
-

- (d) any breach of a representation or warranty of the Corporation contained herein or the failure of the Corporation to comply with any of its obligations hereunder.
- (2) To the extent that any Indemnified Party is not a party to this Agreement, the Underwriters shall obtain and hold the right and benefit of the above-noted indemnity in trust for and on behalf of such Indemnified Party.
- (3) If any matter or thing contemplated by this Section 12 shall be asserted against any Indemnified Party in respect of which indemnification is or might reasonably be considered to be provided, such Indemnified Party will notify the Corporation as soon as possible of the nature of such claim (provided that omission to so notify the Corporation will not relieve the Corporation of any liability which it may otherwise have to the Indemnified Party hereunder, except to the extent the Corporation is materially prejudiced by such omission) and the Corporation shall be entitled (but not required) to assume the defence of any suit brought to enforce such claim; provided, however, that the defence shall be through legal counsel reasonably acceptable to such Indemnified Party and that no settlement may be made by the Corporation or such Indemnified Party without the prior written consent of the other, such consent not to be unreasonably withheld.
- (4) In any such claim, such Indemnified Party shall have the right to retain other legal counsel to act on such Indemnified Party's behalf, provided that the fees and disbursements of such other legal counsel shall be paid by such Indemnified Party, unless: (i) the Corporation and such Indemnified Party mutually agree to retain other legal counsel; (ii) the representation of the Corporation and such Indemnified Party by the same legal counsel would be inappropriate due to actual or potential differing interests, as advised by counsel in writing, in which event such fees and disbursements shall be paid by the Corporation to the extent that they have been reasonably incurred; (iii) the Corporation has not assumed the defence of the claim within a reasonable period of time after receiving notice of the claim; or (iv) there are one or more defences available to the Indemnified Party, as advised by counsel in writing, which are different from or in addition to those available to the Corporation, provided that in no circumstances will the Corporation be required to pay the fees and expenses of more than one set of legal counsel for all Indemnified Parties
- (5) The rights of indemnity contained in this Section 12 shall not enure to the benefit of any Indemnified Party if the Underwriters were provided with a copy of any amendment or supplement to the Final Prospectus which corrects any untrue statement or omission or alleged omission which is the basis of a claim by a party against such Indemnified Party and which is required, under Canadian Securities Laws, to be delivered to such party by the Underwriters or the Selling Firms.

Section 13 Contribution

In the event that the indemnity provided for in Section 12 hereof is declared by a court of competent jurisdiction to be illegal or unenforceable as being contrary to public policy or for any other reason, the Underwriters and the Corporation shall contribute to the aggregate of all losses, claims, costs, damages, expenses or liabilities of the nature provided for above such that

each Underwriter shall be responsible for that portion represented by the percentage that the portion of the Underwriting Fee payable by the Corporation to such Underwriter bears to the gross proceeds realized by the Corporation from the Offering, whether or not the Underwriters have been sued together or separately, and the Corporation shall be responsible for the balance, provided that, in no event, shall an Underwriter be responsible for any amount in excess of the portion of the Underwriting Fee actually received by such Underwriter. In the event that the Corporation may be held to be entitled to contribution from the Underwriters under the provisions of any statute or law, the Corporation shall be limited to contribution in an amount not exceeding the lesser of: (a) the portion of the full amount of losses, claims, costs, damages, expenses, liabilities, giving rise to such contribution for which such Underwriter is responsible; and (b) the amount of the Underwriting Fee actually received by any Underwriter. Notwithstanding the foregoing, a person guilty of fraud, fraudulent misrepresentation or gross negligence shall not be entitled to contribution from any other party. Any party entitled to contribution will, promptly after receiving notice of commencement of any claim, action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this section, notify such party or parties from whom contribution may be sought, but the omission to so notify such party shall not relieve the party from whom contribution may be sought from any obligation it may have otherwise under this section, except to the extent that the party from whom contribution may be sought is materially prejudiced by such omission. The right to contribution provided herein shall be in addition and not in derogation of any other right to contribution which the Underwriters may have by statute or otherwise by law.

Section 14 Expenses

Whether or not the transactions provided for herein (including the Offering) are completed, the Corporation shall pay all costs, fees and expenses of or incidental to the performance of its obligations under this Agreement including, without limitation: (i) the costs of the Corporation's professional advisors (including, without limitation, the Corporation's auditors, counsel and local counsel, including U.S. counsel) and (ii) the cost of printing the Preliminary Prospectus, the Final Prospectus, any Prospectus Amendment, the U.S. Prospectus and any amendments thereto, Supplementary Material and certificates for the Common Shares. The reasonable fees and disbursements of any counsel (whether Canadian or U.S.) to the Underwriters and the Agents and out-of-pocket expenses of the Underwriters shall be borne by the Corporation; provided that, notwithstanding the foregoing, in the event that the sale and purchase of the Common Shares is not completed in accordance with the terms hereof (other than as a result of a breach by the Underwriters of any of their obligations hereunder), the Corporation shall assume and pay, in addition to the out-of-pocket expenses of the Underwriters and any other expenses required to be paid by it hereunder, all fees and disbursements of counsel (whether Canadian or U.S.) to the Underwriters or the Agents.

Section 15 Liability of Underwriters

- (1) The obligation of the Underwriters to purchase the Common Shares in connection with the Offering at the Time of Closing on the Closing Date shall be several and not joint or joint and several and shall be as to the following percentages of the Common Shares to be purchased at that time:
-

BMO Nesbitt Burns Inc.	45%
Blackmont Capital Inc.	45%
Wellington West Capital Markets Inc.	10%
	<u>100%</u>

- (2) In the event that one or more Underwriters shall fail to purchase the applicable percentage of Common Shares (the “**Defaulted Securities**”) at the Time of Closing, and such failure shall constitute a default by such one or more of them of the performance of its or their obligations hereunder, the non-defaulting Underwriters shall have the right, within 36 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities, in such amounts as may be agreed upon by the non-defaulting Underwriters and upon the terms set forth herein. If, however, the Underwriters shall have not completed such arrangements with such 36 hour period, then:
- (a) if the number of Defaulted Securities does not exceed 10% of the number of Common Shares to be purchased hereunder, the non-defaulting Underwriters shall be obligated, each severally, and not jointly, nor jointly and severally, to purchase all of the Defaulted Securities in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligation of all non-defaulting Underwriters, or
 - (b) if the number of Defaulted Securities exceeds 10% of the number of Common Shares to be purchased on such date, any non-defaulting Underwriter shall be entitled to terminate its obligation to purchase the Common Shares agreed to be purchased by it as set forth in Section 15(1) and shall be relieved of its obligations under this Agreement. No action taken pursuant to this Section 15 shall relieve any defaulting Underwriter from liability in respect of its default to the Corporation or to any non-defaulting Underwriter.
- (3) In the event of any such default which does not result in a termination of this Agreement, either the Underwriters or the Corporation shall have the right to postpone the Closing Date for a period not exceeding seven (7) calendar days in order to effect any required changes to the Final Prospectus or any other offering document.
- (4) Subject to the foregoing, the Underwriters shall have the right, but not the obligation, to sell to the Agents, any Common Shares pursuant to the Inter-Dealer Agreement, and subject to the terms and conditions set out therein.
- (5) Any Common Shares that are sold by the Agents pursuant to the Agency Agreement will reduce the obligation of the Underwriters to purchase the Common Shares hereunder by an equal amount.

Section 16 Action by Underwriters

All steps which must or may be taken by the Underwriters in connection with this Agreement, with the exception of the matters relating to termination contemplated by Section 11 hereof, may be taken by the Lead Underwriters on behalf of themselves and the other

Underwriters and the acceptance of this offer by the Corporation shall constitute the Corporation's authority for accepting notification of any such steps from, and for delivering the definitive documents constituting the Common Shares to or to the order of the Lead Underwriters.

Section 17 Compliance with U.S. Securities Laws; Concurrent Offering

- (1) The Corporation and the Underwriters agree that each will comply with U.S. Securities Laws in connection with this Agreement and the Offering. Each acknowledges that the Common Shares will be registered under the U.S. Securities Act and that the Preliminary Prospectus and the Final Prospectus must be, or have been, filed with SEC.
- (2) It is understood and agreed to by all parties that the Corporation is concurrently entering into the Agency Agreement providing for the sale by the Corporation of the Common Shares in the United States, through arrangements with the Agents. Two forms of prospectus are to be used in connection with the offering and sale of the Common Shares contemplated by the foregoing, one relating to the Common Shares hereunder and the other related to the Common Shares sold through the Agents. The latter form of prospectus will be the same in all material respects to the Preliminary Prospectus and the Final Prospectus, and amendments thereto except for differences that relate to Canadian Securities Laws or local market conventions.

Section 18 Governing Law; Time of Essence

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein and time shall be of the essence hereof.

Section 19 Survival of Warranties, Representations, Covenants and Agreements

All warranties, representations, covenants and agreements of the Corporation and the Underwriters herein contained or contained in documents submitted or required to be submitted pursuant to this Agreement shall survive the purchase by the Underwriters of the Common Shares and shall continue in full force and effect, regardless of the closing of the sale of the Common Shares and regardless of any investigation which may be carried on by the Underwriters, or on their behalf, for a period of two years following the Closing Date. Without limitation of the foregoing, the provisions contained in this Agreement in any way related to the indemnification or the contribution obligations herein shall survive and continue in full force and effect for the maximum period permitted under the *Limitations Act 2002* (Ontario).

LITIGATION

The court action and appeal in Ghana regarding the Hwini-Butre property and associated permit between Hwini Butre Minerals Limited versus Minister for Mines & Energy (Ghana), the Minerals Commission (Ghana), the Attorney-General (Ghana) and B.D. Goldfields Limited, seeking among other things a decision determining whether ownership of the Hwini-Butre permit is with Hwini-Butre Minerals Limited or B.D. Goldfields Limited.

Gebrand Luttk, Paul Oteng and Eric Stevens, each a minority shareholder of B.D. Goldfields Limited (“BDG”), together brought an application to prevent the sale of the Hwini-Butre concession to St. Jude Resources (Ghana) Ltd. on the grounds that the management of BDG violated the regulations of the company in selling the Hwini-Butre concession, the primary asset of BDG, without the requisite shareholder consent. An interim order was issued restraining the management of BDG from disposing of the Hwini-Butre concession in contravention of its own regulations or the provisions of the Ghana Companies Code with a final order to follow in January 2006 if the shareholders of BDG had not ratified the August 26, 2005 agreement between St. Jude (Ghana) Ltd. and BDG transferring the property to St. Jude (Ghana) Ltd.

Section 9 Additional Documents upon Filing of U.S. Prospectus

- (1) The Agents' obligations under this Agreement are conditional upon the receipt by the Agents concurrently with the filing of the U.S. Prospectus, of:
 - (a) a "long form" comfort letter dated the date of Prospectus Supplements from the auditors of the Corporation, addressed to the Agents, in form and substance reasonably satisfactory to the Agents, relating to the verification of the financial information and accounting data and other numerical data of a financial nature contained in the U.S. Prospectus and Canadian Prospectus and matters involving changes or developments since the respective dates as of which specified financial information is given in the U.S. Prospectus and the Canadian Prospectus to a date not more than two business days prior to the date of such letter. Such letter shall further state that such auditors are independent public accountants within the meaning of the Securities Act and the appropriate rules and regulations thereof, and that:
 - (i) in their opinion the Corporation's Financial Statements examined by them and included in the U.S. Prospectus and the Canadian Prospectus comply in all material respects with the applicable accounting requirements of the Securities Act and the related published rules and regulations;
 - (ii) in their opinion any unaudited pro forma financial statements included or incorporated by reference in the Registration Statement, U.S. Prospectus or Canadian Prospectus comply as to form in all material respects with the requirements of the Securities Act and the Exchange Act and the related published rules and regulations, and all pro forma adjustments have been properly applied to the historical amounts in the compilation of those statements;
 - (iii) they have performed the procedures specified by the American Institute of Certified Accountants for a review of interim financial information described in Statement of Auditing Standards No. 71, on the unaudited financial statements included or incorporated by reference in the Registration Statement;
 - (iv) on the basis of the review referred to above nothing came to their attention that caused them to believe that the unaudited financial statements included or incorporated by reference in the Registration Statement, U.S. Prospectus or Canadian Prospectus, including any reconciliation of financial statements prepared in accordance with generally accepted accounting principles in Canada with generally accepted accounting principles in the United States, do not comply as to form in all material respects with the requirements of the Securities Act and the Exchange Act and the related published rules and regulations, or that any material modification should be made to such unaudited
-

financial statements for them to be in conformity with generally accepted accounting principles;

- (v) they have compared specified United States and Canadian dollar amounts (or percentages derived from such United States and Canadian dollar amounts) and other financial information contained in the Prospectuses (in each case to the extent that such dollar amounts, percentages and other financial information are derived from the general accounting records of the Corporation and its subsidiaries subject to the internal controls of the Corporation's accounting system or are derived from such records by analysis or computation) with the results obtained from inquiries, a reading of such general accounting records and other procedures specified in such letter and have found such United States and Canadian dollar amounts, percentages and other financial information to be in agreement with such results, except as otherwise specified in such letter;
 - (vi) they compared for the period from the date of the latest balance sheet included in the Prospectuses to the date of the latest available balance sheet read by such auditors, or at a subsequent specified date not more than two business days prior to the date of the Prospectuses, there was any material change in the capital or any increase in short term indebtedness or long-term debt of the Corporation and its Material Subsidiaries consolidated or, at the date of the latest available balance sheet read by such auditors, there was any material decrease in consolidated net current assets or net assets as compared with amounts shown on the latest balance sheet included or incorporated by reference in the Prospectuses; and
 - (vii) they compared for the period from the date of the latest income statement included in the Prospectuses to the date of the latest available income statement read by such auditors or at a subsequent specified date not more than two business days prior to the date of the Prospectuses, there were any material decreases as compared with the corresponding period of the previous year and with the period of corresponding length ended the date of the latest income statement included in the Prospectuses, in the consolidated revenue, net operating income, or total or per share amounts of net income.
- (b) a "long form" comfort letter dated the date of Prospectus Supplements from the auditors of St. Jude, addressed to the Agents, in form and substance reasonably satisfactory to the Agents, relating to the verification of the financial information and accounting data and other numerical data of a financial nature regarding St. Jude contained in the U.S. Prospectus and Canadian Prospectus and matters involving changes or developments since the respective dates as of which specified financial information is given in the U.S. Prospectus and the Canadian Prospectus to a date not more than two business days prior to the date of such
-

letter. Such letter shall further state that such auditors are independent public accountants within the meaning of the Securities Act and the appropriate rules and regulations thereof, and that:

- (i) in their opinion the St. Jude's Financial Statements examined by them and included in the U.S. Prospectus and the Canadian Prospectus comply in all material respects with the applicable accounting requirements of the Securities Act and the related published rules and regulations;
 - (ii) they have performed the procedures specified by the American Institute of Certified Accountants for a review of interim financial information described in Statement of Auditing Standards No. 71, on the unaudited financial statements included or incorporated by reference in the Registration Statement;
 - (iii) on the basis of the review referred to above nothing came to their attention that caused them to believe that the unaudited financial statements included or incorporated by reference in the Registration Statement, U.S. Prospectus or Canadian Prospectus, including any reconciliation of financial statements prepared in accordance with generally accepted accounting principles in Canada with generally accepted accounting principles in the United States, do not comply as to form in all material respects with the requirements of the Securities Act and the Exchange Act and the related published rules and regulations, or that any material modification should be made to such unaudited financial statements for them to be in conformity with generally accepted accounting principles;
 - (iv) they compared for the period from the date of the latest balance sheet included in the Prospectuses to the date of the latest available balance sheet read by such auditors, or at a subsequent specified date not more than two business days prior to the date of the Prospectuses, there was any material change in the capital or any increase in short term indebtedness or long-term debt of St. Jude or, at the date of the latest available balance sheet read by such auditors, there was any material decrease in consolidated net current assets or net assets as compared with amounts shown on the latest balance sheet included or incorporated by reference in the Prospectuses; and
 - (v) they compared for the period from the date of the latest income statement included in the Prospectuses to the date of the latest available income statement read by such auditors or at a subsequent specified date not more than two business days prior to the date of the Prospectuses, there were any material decreases as compared with the corresponding period of the previous year and with the period of corresponding length ended the date of the latest income statement included in the Prospectuses, in the consolidated revenue, net operating income, or total or per share amounts of net income.
-

- (2) Such comfort letters referred to in Section 9(1)(a) and Section 9(1)(b) shall be in addition to any comfort letters required by the terms of the Underwriting Agreement to be addressed to the Underwriters.
- (3) Similar documents and comfort letters shall be delivered to the Agents with respect to any amendment to the Prospectuses (provided, in the case of comfort letters, that the amendment to the Prospectuses contains financial, accounting or other numerical data of a financial nature), or as required by the terms of the Underwriting Agreement to be delivered to Underwriters.

Section 10 Closing

- (1) The Offering will be completed at the offices of Fasken Martineau DuMoulin LLP in Toronto at 8:00 a.m. (Toronto time) on December 30, 2005 (the “**Time of Closing**” and the “**Closing Date**”, respectively) or at such other time and/or on such other date as the Agents and the Corporation may agree upon, but in any event no later than January 6, 2006.
- (2) At the Time of Closing, subject to the terms and conditions contained in this Agreement, the Corporation shall deliver to the Agents a certificate or certificates representing the Common Shares against payment of the purchase price, net of the Agents’ Fee, by wire transfer, dated the Closing Date, payable to the Corporation. Upon the receipt of the wire transfer the Corporation shall deliver to the Agents written confirmation of the receipt thereof.
- (3) At the Time of Closing, subject to the terms and conditions contained in this Agreement, the Corporation shall have obtained approval to list for trading the Common Shares on the Exchanges.

Section 11

[Reserved.]

Section 12 Termination Rights

- (1) Except as otherwise provided herein, all terms and conditions set out herein shall be construed as conditions and any breach or failure by the Corporation to comply with any such conditions in favour of the Agents shall entitle the Agents to terminate their obligations under this Agreement by written notice to that effect given to the Corporation prior to the Time of Closing on the Closing Date. The Corporation shall use its reasonable best efforts to cause all conditions in this Agreement to be satisfied. It is understood that the Agents may waive in whole or in part, or extend the time for compliance with, any of such terms and conditions without prejudice to their rights in respect of any subsequent breach or non-compliance, provided that to be binding on the Agents, any such waiver or extension must be in writing.
 - (2) In addition to any other remedies that may be available to the Agents, the Agents shall each be entitled, at their option, to terminate and cancel, without any liability on the Agents’ part, their obligations under this Agreement, by giving written notice to the Corporation at any time at or prior to the Time of Closing on the Closing Date:
-

- (a) if there should occur any suspension or limitation of trading in Common Shares generally on the TSX or AMEX, or if a general moratorium on commercial banking activities in Toronto or New York should be declared by the relevant authorities, or if, in relation to the Corporation, any inquiry, investigation or other proceeding (whether formal or informal) is commenced, threatened or announced or any order or ruling is issued by any officer of such Exchange or market, or by the SEC, or any other regulatory authority in Canada or the United States, or if any law or regulation under or pursuant to any statute of Canada or of any province thereof or of the United States is promulgated or changed which, in the reasonable opinion of the Agents (or any of them) operates to prevent or materially restrict trading the Common Shares or the distribution of the Common Shares;
 - (b) if any inquiry, investigation or other proceeding is commenced or any other order is issued under or pursuant to any statute of the United States or any state thereof or Canada or any province thereof (other than an inquiry, investigation or other proceeding order based solely upon the activities or alleged activities of any Agent, Canadian Underwriter or Selling Firm) or Canada or any province thereof or there is any change of law or the interpretation or administration thereof by a securities regulator or other public authority, which in the reasonable opinion of the Agents, operates to prevent or materially restrict the trading of the Common Shares or the distribution of the Common Shares;
 - (c) if there shall occur any actual material adverse change in the business, affairs, operations, assets, liabilities or financial condition of the Corporation and its subsidiaries considered as one enterprise, and which in the Agents' opinion would reasonably be expected to have a material adverse effect on the market price or value of any of the Common Shares or the Corporation's common shares generally;
 - (d) if the Agents determine that any material adverse fact or information with respect to the Corporation or the Common Shares that existed on or prior to December 8, 2005 that had not been publicly disclosed in accordance with applicable securities laws by December 12, 2005; or
 - (e) if there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence, including without limiting the generality of the foregoing, any military conflict, civil insurrection, or any terrorist action (whether or not in connection with such conflict or insurrection), which, in the Agents' opinion, materially adversely affects or involves, or will materially adversely affect or involve, the Canadian or United States financial markets and/or prevents or materially restricts the trading of the Common Shares or the distribution of the Common Shares.
- (3) The Agents shall make reasonable best efforts to give notice to the Corporation (in writing or by other means) of the occurrence of any of the events referred to in Section 12(2), provided that neither the giving nor the failure to give such notice shall in any
-

way affect the entitlement of the Agents to exercise this right at any time prior to or at the Time of Closing.

- (4) The rights of termination contained in this Section 12 as may be exercised by the Agents are in addition to any other rights or remedies the Agents may have in respect of any default, act or failure to act or non-compliance by the Corporation in respect of any of the matters contemplated by this Agreement.
- (5) If the obligations of the Agents are terminated under this Agreement pursuant to these termination rights, the Corporation's liabilities to the Agents shall be limited to the Corporation's obligations under Section 13, Section 14 and Section 15.

Section 13 Indemnity

- (1) The Corporation agrees to indemnify and hold harmless each Agent, and their respective directors, officers, employees and agents, and each person, if any, who controls any Agent within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all losses, claims, damages and liabilities, joint or several (including any investigation, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), to which they, or any of them, may become subject under the Securities Act, at common law or otherwise, insofar as such losses, claims, damages or liabilities arise out of or are based upon (i) any breach of a representation or warranty of the Corporation contained herein or the failure of the Corporation to comply with any of its obligations hereunder, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the U.S. Preliminary Prospectus, the Canadian Preliminary Prospectus, the U.S. Prospectus, the Canadian Prospectus or the Registration Statement, or any amendment or supplement thereto, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as any such untrue statement or omission or alleged untrue statement or omission was made in such U.S. Preliminary Prospectus, the Canadian Preliminary Prospectus, the U.S. Prospectus, the Canadian Prospectus or the Registration Statement, or such amendment or supplement, in reliance upon and in conformity, with information furnished in writing to the Corporation by or on behalf of any Agent or Underwriter expressly for use in the preparation thereof; provided, however, that the foregoing indemnity against losses, claims, damages or liabilities is subject to the condition that, insofar as it relates to any untrue statement or alleged untrue statement, omission or alleged omission made in the Registration Statement, the U.S. Preliminary Prospectus and the Canadian Preliminary Prospectus but eliminated or remedied in the U.S. Prospectus and the Canadian Prospectus, such indemnity shall not inure to the benefit of any Agent from whom the person asserting any loss, claim, damage or liability purchased the Common Shares which are the subject thereof (or to the benefit of any person who controls such Agent) if such Agent failed to send or give a copy of the U.S. Prospectus (or any amendment or supplement thereto) to such person at or prior to the time such action is required by the Securities Act.
 - (2) Each Agent agrees to indemnify and hold harmless the Corporation, each person, if any, who controls the Corporation within the meaning of Section 15 of the Securities Act or
-

Section 20 of the Exchange Act, each director of the Corporation and each officer of the Corporation, against any and all losses, claims, damages and liabilities, joint or several (including any investigation, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), to which they, or any of them, may become subject under the Securities Act, at common law or otherwise, insofar as such losses, claims, damages or liabilities arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the U.S. Preliminary Prospectus, the Canadian Preliminary Prospectus, the U.S. Prospectus, the Canadian Prospectus or the Registration Statement, or any amendment or supplement thereto, or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only insofar as such losses, claims, damages or liabilities arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission which was made in the U.S. Preliminary Prospectus, the Canadian Preliminary Prospectus, the U.S. Prospectus, or the Canadian Prospectus, or any amendment or supplement thereto, in reliance upon and in conformity with information furnished in writing to the Corporation by such Agent with respect to the Agents expressly for use in the preparation thereof.

- (3) Any party which proposes to assert the right to be indemnified under this Section 13 will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim is to be made against an indemnified party under this Section 13, notify each such indemnifying party of the commencement of such action, suit or proceeding, enclosing a copy of all papers served, but the omission so to notify such indemnifying party of any such action, suit or proceeding shall not relieve it from any liability which it may have to any indemnified party otherwise than under this Section 13. In case any such action, suit or proceeding shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in, and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defence thereof, with counsel satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defence thereof, the indemnifying party shall not be liable to such indemnified party for any legal or other expenses, other than reasonable costs of investigation subsequently incurred by such indemnified party in connection with the defence thereof. The indemnified party shall have the right to employ its counsel in any such action, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the employment of counsel by such indemnified party has been authorized by the indemnifying parties, (ii) the indemnified party shall have reasonably concluded that there may be a conflict of interest between the indemnifying parties and the indemnified party in the conduct of the defence of such action (in which case the indemnifying parties shall not have the right to direct the defence of such action on behalf of the indemnified party) or (iii) the indemnifying parties shall not in fact have employed counsel to assume the defence of such action. An indemnifying party shall not be liable for any settlement of any action or claim effected without its consent. For the purposes of clause (ii) of the preceding sentence only, any indemnified party or
-

parties shall be represented by one counsel whom they may select with the approval, which shall not be unreasonably withheld, of the indemnifying parties.

Section 14 Contribution

In order to provide for just and equitable contribution in circumstances in which the indemnification provided for in Section 13 hereof is applicable but for any reason, other than as specified in Section 13, is held to be unavailable from the indemnifying party, then each indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the aggregate losses, claims, damages and liabilities (including any investigation, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claims asserted), in such proportion as is appropriate to reflect the relative benefits received by the Corporation on the one hand and the Agents on the other from the offering of the Common Shares. If however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Corporation on the one hand and the Agents on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Corporation on the one hand and the Agents on the other shall be deemed to be in the same proportion as the total net proceeds from the offering of the Common Shares (before deducting expenses) received by the Corporation bear to the total Agents' Fee received by the Agents, in each case as set forth in the U.S. Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Corporation on the one hand or the Agents on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Corporation and the Agents agree that it would not be just and equitable if contributions pursuant to this Section 14 were determined by pro rata allocation (even if the Agents were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 14. Notwithstanding the provisions of this Section 14, (i) in no case shall any Agent be responsible for any amount in excess of the sum of the Agents' Fee applicable to the Common Shares purchased by such Agent hereunder, and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 14, each person, if any, who controls an Agent within the meaning of the Securities Act and the Exchange Act, and each director, officer, employee and agent of a Agent shall have the same rights to contribution as such Agent, and each person, if any, who controls the Corporation within the meaning of the Securities Act and the Exchange Act, and each director of the Corporation shall have the same rights to contribution as the Corporation, subject in each case to clauses (i) and (ii) of this Section 14. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this Section 14, notify such party or parties from whom contribution may be sought, but the omission so to notify such party or parties from whom contribution may be sought shall not relieve the party or parties from whom contribution may be sought from any other obligation it

or they may have hereunder or otherwise than under this Section 14. No party shall be liable for contribution with respect to any action or claim settled without its written consent. The Agents' obligations in this section to contribute are several in proportion to their respective obligations and not joint.

Section 15 Expenses

Whether or not the transactions provided for herein (including the Offering) are completed, the Corporation shall pay all costs, fees and expenses of or incidental to the performance of its obligations under this Agreement including, without limitation: (i) the costs of the Corporation's professional advisors (including, without limitation, the Corporation's auditors, counsel and any local counsel), (ii) the cost of printing the U.S. Preliminary Prospectus, the U.S. Prospectus, the Canadian Preliminary Prospectus and the Canadian Prospectus, and any amendments and supplements thereto, and certificates for the Common Shares, (iii) the preparation of a Blue Sky and Legal Investment Memorandum survey with respect to the sale of the Common Shares, and (iv) any Goods and Services Tax relating to the foregoing. The reasonable fees and disbursements of any counsel (whether Canadian or U.S.) to the Agents and the Underwriters and out-of-pocket expenses of the Agents shall be borne by the Corporation; provided that, notwithstanding the foregoing, in the event that the sale and purchase of the Common Shares is not completed in accordance with the terms hereof (other than as a result of a breach by the Agents of any of its obligations hereunder), the Corporation shall assume and pay, in addition to the out-of-pocket expenses of the Agents and any other expenses required to be paid by it hereunder, all fees and disbursements of counsel (whether Canadian or U.S.) to the Agents or the Underwriters.

Section 16 Action by Agents

All steps which must or may be taken by the Agents in connection with this Agreement, with the exception of the matters relating to termination contemplated by Section 12 hereof, may be taken by the Lead Managers on behalf of themselves and the other Agent and the acceptance of this offer by the Corporation shall constitute the Corporation's authority for accepting notification of any such steps from, and for delivering the definitive documents constituting the Common Shares to or to the order of the Lead Managers.

Section 17 Governing Law; Time of Essence

This Agreement shall be governed by and construed in accordance with the laws of the State of New York and the federal laws of the United States of America applicable therein and time shall be of the essence hereof.

Section 18 Survival of Warranties, Representations, Covenants and Agreements

All warranties, representations, covenants and agreements of the Corporation and the Agents herein contained or contained in documents submitted or required to be submitted pursuant to this Agreement shall survive the purchase by the Agents of the Common Shares and shall continue in full force and effect, regardless of the closing of the sale of the Common Shares and regardless of any investigation which may be carried on by the Agents, or on their behalf.

Section 19 Press Releases

The Corporation shall provide the Agents and their counsel with a copy of all press releases to be issued by the Corporation concerning the Offering contemplated hereby prior to the issuance thereof, and shall give the Agents and their counsel a reasonable opportunity to provide comments on any press release.

SCHEDULE B

Unless the context otherwise dictates, all capitalized terms herein have the meaning ascribed to thereto in the Agency Agreement to which this Schedule B is attached

Canadian counsel's opinions :

As set out in Section 4(1) of the Underwriting Agreement.

U.S. counsel's opinions :

1. No authorization, approval or other action by, and no notice to, consent of, order of, or filing with, any United States Federal or Colorado state governmental authority or Colorado regulatory body is required for the consummation of the transactions contemplated by the Agency Agreement and the Underwriting Agreement, except such as have been obtained under the Securities Act and such as may be required under the blue sky laws of any jurisdiction.

2. Assuming that all necessary corporate action has been taken by the Corporation to authorize the execution and delivery of the Agency Agreement and the performance of its obligations thereunder, the Agency Agreement has been duly executed and delivered by the Corporation and the Corporation has all requisite corporate power and authority to execute, deliver and perform its obligations under the Agency Agreement and to own and operate its assets and conduct its business, the Agency Agreement constitutes a legal, valid and binding obligation of, and is enforceable against, the Corporation in accordance with its terms (subject to bankruptcy, insolvency, reorganization or other laws affecting the rights of creditors generally, general equitable principles including the availability of equitable remedies) .

3. To such counsel's knowledge and other than as set forth in the Prospectuses, there are no legal or governmental proceedings pending to which the Corporation or any of its subsidiaries is a party or of which any property of the Corporation or any of its subsidiaries is subject that would, individually or in the aggregate, have a material adverse effect on the current consolidated financial position, shareholders' equity or results of operation of the Corporation and its subsidiaries; and to such counsel's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others;

4. Neither the issue and sale of the Common Shares as described in the Prospectuses, nor the consummation of the transactions contemplated by the Agency Agreement and the Underwriting Agreement and the performance of the terms of the Agency Agreement and the Underwriting Agreement, (i) will result in a breach of or constitute a default under any agreement or instrument that is listed as an exhibit to the Registration Statement or to any document incorporated by reference to the Prospectuses and to which the Corporation or any of its Material Subsidiaries is a party or bound, (ii) will contravene any law, rule or regulation of the United States of America or the State of Colorado or any law, rule or regulation of any other state known by such counsel to be

applicable to the Corporation, or (iii) will contravene any order or decree of any court or government agency or instrumentality any state or the Federal government of the United States of America known to such counsel.

5. The statements made in the Prospectuses under the caption "Plan of Distribution," insofar as they purport to summarize the material terms of the Agency Agreement and the Underwriting Agreement, and statements made in the U.S. Prospectus under the caption "U.S. Federal Income Tax Considerations", insofar as they purport to describe the material tax consequences under U.S. Federal Income Tax laws of an investment in the Common Shares, fairly summarize the matters therein described.

6. The Corporation is not an "investment company" or an entity "controlled" by an "investment company", as such terms are defined in the *Investment Company Act of 1940*, as amended.

7. The Registration Statement has become effective under the Securities Act and the filings of the Preliminary Prospectuses and the Prospectuses have been made in the manner and within the time required by Rule 424 of the Securities Act. To such counsel's knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceeding for that purpose has been instituted, threatened or contemplated by the SEC.

8. The Registration Statement as of its effective date and each of the Prospectuses at the date of each such prospectus and any further amendments thereto made by the Corporation prior to the date hereof comply as to form in all material respects with the requirements of the Securities Act and the rules and regulations thereunder (provided, however, we express no opinion with respect to the financial statements and notes thereto and related schedules therein or other financial data derived from accounting records and other statistical, ore reserve and resource and geological information).

9. During the course of the Corporation's preparation of the Prospectuses, such counsel participated in conferences with officers and other representatives of the Corporation and the Corporation's independent public accountants, the Agents and the Underwriters and their counsel, at which the contents of the Registration Statement and the Prospectuses were discussed, and while such counsel has not independently verified and is not passing upon the accuracy, completeness or fairness of the statements made in the Registration Statement or the Prospectuses except as explicitly set forth in paragraphs 4 and 11 hereof, such counsel has no reason to believe that the Registration Statement, as of its effective date or as of the date hereof, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading (other than the financial statements and notes thereto and related schedules therein or other financial data derived from accounting records and other statistical, ore reserve and resource and geological information, as to which such counsel is not expressing an opinion); or that the Prospectuses, as of their dates or as of the date hereof, contained or contain any untrue statement of a material fact or omitted or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (other than the financial statements and notes thereto and related schedules

SCHEDULE C

LITIGATION

The court action and appeal in Ghana regarding the Hwini-Butre property and associated permit between Hwini Butre Minerals Limited versus Minister for Mines & Energy (Ghana), the Minerals Commission (Ghana), the Attorney-General (Ghana) and B.D. Goldfields Limited, seeking among other things a decision determining whether ownership of the Hwini-Butre permit is with Hwini-Butre Minerals Limited or B.D. Goldfields Limited.

Gebrand Luttk, Paul Oteng and Eric Stevens, each a minority shareholder of B.D. Goldfields Limited (“BDG”), together brought an application to prevent the sale of the Hwini-Butre concession to St. Jude Resources (Ghana) Ltd. on the grounds that the management of BDG violated the regulations of the company in selling the Hwini-Butre concession, the primary asset of BDG, without the requisite shareholder consent. An interim order was issued restraining the management of BDG from disposing of the Hwini-Butre concession in contravention of its own regulations or the provisions of the Ghana Companies Code with a final order to follow in January 2006 if the shareholders of BDG had not ratified the August 26, 2005 agreement between St. Jude (Ghana) Ltd. and BDG transferring the property to St. Jude (Ghana) Ltd.
