#### Explanation of Responses:

(1) The Form 4 originally filed with respect to this transaction inadvertently understated the number of shares beneficially owned following the reported transaction by 4,409 shares, an understatement that was carried forward into subsequent filings. During the same period of time, the number of shares reported as directly beneficially owned by the reporting person was overstated by 14 shares, relating to a gift transaction voluntarily reported on a Form 4 filed on 2/24/10.
