Explanation of Responses:

- (1) 17,790,052 shares of the Series A Preferred Stock and 7,507,835 shares of the Series E Preferred Stock, which were each convertible into shares of Class B Common Stock on a one-for-one basis at any time and had no expiration date, converted into 25,297,887 shares of Class B Common Stock on a one-for-one basis immediately prior to the closing of the Issuer's initial public offering.
- (2) Each share of Class B Common Stock is convertible at any time at the option of the Reporting Person into one share of Class A Common

Stock and has no expiration date. Each share of Class B Common Stock will convert automatically into one share of Class A Common Stock upon any transfer, whether or not for value (subject to certain exceptions). 2,104,467 shares of Class B Common Stock were converted on a 1-for-1 basis into shares of Class A Common Stock in connection with the sale of such shares in the initial public offering.

(3) Each share of Class A Common Stock was issued upon conversion of one share of Class B Common Stock.

Remarks:

Due to the management agreement with DST Global Advisors Limited, DST USA II Limited ("DUSAI") was deemed to be part of a "group" with DST Global Advisors Limited and the other persons for whom DST Global Advisors Limited served as investment manager at the time of the closing of the initial public offering. Following Facebook, Inc.'s (the "Issuer") IPO, such management agreement became terminable. After the right to terminate arose, the shares of the Issuer beneficially owned by DUSAI are also beneficially owned by Epion Holdings Limited ("Epion") as the owner of a class of shares of DUSAI that would enable Epion to control the voting and disposition of the Issuer's shares held by DUSAI. The management agreement was terminated after the closing of the IPO. Epion also owns a 25.3% economic interest in Mail.ru Group Limited ("Mail.ru"). Because of its ownership of Class A shares of Mail.ru, which carry increased voting rights, Epion, according to Mail.ru, currently holds approximately 50.3% of the voting power of Mail.ru; Epion, however, is currently entitled to name 3 out of 10 members of the board of directors of Mail.ru. According to the Issuer's final prospectus relating to the IPO, Mail.ru beneficially owns 36,751,311 shares of Class B Common Stock of the Issuer after the closing of the IPO.
