In connection with the spin-off of Fiesta Restaurant Group by Carrols Restaurant Group, on May 7, 2012, each holder of record on April 26, 2012 of Carrols Restaurant Group common stock, including Jefferies Capital Partners IV L.P., which we refer to as “Jefferies Capital”, Jefferies Employee Partners IV LLC, which we refer to as “Jefferies Employee Partners” and JCP Partners IV LLC, which we refer to as “JCP Partners” and together with Jefferies Capital and Jefferies Employee Partners, the “JCP Group”, received one share of our common stock for every one share of Carrols Restaurant Group common stock held. Consequently, the JCP Group received an aggregate of 6,559,739 shares of our common stock on May 7, 2012. On March 27, 2013, the JCP Group sold an aggregate of 3,335,000 shares of our common stock in an underwritten secondary offering, which we refer to as the “Offering”, of our common stock pursuant to a prospectus supplement dated March 21, 2013, which formed a part of the Registration Statement. We did not receive any of the proceeds from the sale of shares of our common stock by the JCP Group in the Offering. On June 20, 2013, Jefferies Capital and JCP Partners distributed for no consideration an aggregate of 2,284,185 shares of our common stock to their respective partners and members, including Jefferies Group LLC, 2055 Partners L.P., Brian P. On the same date, JCP IV LLC distributed for no consideration an aggregate of 61,361 shares of our common stock that it received pursuant to the foregoing distribution from Jefferies Capital to its members, including Jefferies Group LLC, 2055 Partners L.P., Jefferies LLC, Brian P. We have prepared, on behalf of the selling stockholders, the Registration Statement, of which this prospectus supplement and the Prospectus form a part, to register with the SEC the offer and sale of the shares of common stock to be sold hereby from time to time. This prospectus supplement and the Prospectus relate to the possible resale from time to time by the selling stockholders of any or all of the 1,265,277 shares our common stock held by them.

Two members of our board of directors, Brian P. Friedman and Nicholas Daraviras, are affiliated with the JCP Group. Mr. Friedman has been President of Jefferies Capital Partners and its predecessors since 1997, and is a director and executive officer of Jefferies LLC and a managing member of Jefferies Capital Partners LLC. Mr. Friedman may be deemed to beneficially own shares offered by the JCP Group, Jefferies LLC and 2055 Partners L.P. in this prospectus supplement and the Prospectus. Additionally, Mr. Daraviras is an employee and Managing Director of an affiliate of certain of the entities that comprise the JCP Group. Mr. Daraviras also serves as a member of the board of directors of Carrols Restaurant Group, our former indirect parent company prior to the spin-off, and has served since July 2009. Mr. Friedman served as a member of the board of directors of Carrols Restaurant Group from July 2009 until May 7, 2012. Pursuant to a letter dated as of July 21, 2011, Mr. Friedman resigned as a member of the board of directors of Carrols Restaurant Group effective on the date of the consummation of the spin-off. Jefferies LLC acted as a joint book-running manager of the Offering which closed on March 27, 2013. In addition, Jefferies LLC received a portion of the transaction related fees and reimbursement of certain expenses to be paid by the JCP Group in connection with the Offering for acting as a joint book-running manager. Except as provided above, the selling stockholders have not had any material relationship with us or our affiliates within the past three years other than for the ownership of the shares of common stock.

The table below, including the footnotes, lists the selling stockholders and other information regarding the beneficial ownership of the shares of common stock held by each of the selling stockholders based in part on information provided to us by the selling stockholders. The percentages of shares owned prior to and after the offering are based on 23,646,105 shares of our common stock issued and outstanding as of June 19, 2013. The number of shares beneficially owned prior to offering column indicates the number of shares of common stock beneficially owned by each selling shareholder as of June 20, 2013. We have determined beneficial ownership in accordance with SEC rules.

The number of shares being offered column indicates the total number of shares of our common stock that each selling stockholder may offer under this prospectus supplement and the Prospectus.

The shares beneficially owned after offering column assumes the sale of all of the shares offered by the selling stockholders pursuant to this prospectus supplement and the Prospectus. However, because the selling stockholders may sell all or some of their shares under this prospectus supplement and the Prospectus from time to time, or in another permitted manner, we cannot assure you as to the actual number of shares, if any, that will be sold by the selling stockholders or that will be held by the selling stockholders after completion of any sales. We do not know how long any of the selling stockholders will hold the shares before selling them. Information concerning the selling stockholders may change from time to time and changed information will be presented in a supplement to the Prospectus if and when necessary and required.

The selling stockholders may sell all, some or none of their shares in this offering. See “Plan of Distribution” in the Prospectus.
