(c) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (20) of Section 4.09(b) or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Issuer, in its sole discretion, may classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses; provided that all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (1) of Section 4.09(b) hereof; and

(2) at the time of incurrence or reclassification, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) or (b) hereof.

Accrual of interest, the accretion of accreted value and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Notwithstanding anything to the contrary, the Issuer will not, and will not permit any Restricted Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Issuer or such Restricted Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Restricted Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Restricted Guarantor, as the case may be. For the purposes of this Indenture, (1) unsecured Indebtedness is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness is not deemed to be subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

SECTION 4.10. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause, make or suffer to exist an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; provided that the amount of:

(A) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes or that are owed to the Issuer or a Restricted Subsidiary, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(B) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed 5.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this Section 4.10(a)(2) and for no other purpose; and

(3) if such Asset Sale involves the disposition of Collateral, the Issuer or such Restricted Subsidiary has complied with the provisions of Article XII and the Security Documents.

(b) Within 15 months after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(A) Obligations constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) ( provided that (x) (A) to the extent that the terms of First Priority Lien Obligations, other than Senior Credit Facilities Obligations and Notes Obligations, require that such First Priority Lien Obligations are repaid relating to such Obligations with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness or (B) with respect to the Senior Credit Facilities Obligations, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Priority Lien Obligations prior to

repaying the Notes Obligations and (y) subject to the foregoing clause (x), if the Issuer or any Guarantor shall so reduce First Priority Lien Obligations, the Issuer shall equally and ratably offer to purchase Obligations under the Notes pursuant to Section 3.07, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer (and after making such offer complying with the procedures set forth below, the amount of Collateral Excess Proceeds and Excess Proceeds shall be reduced by the amount of Net Proceeds so offered for purchase of Notes)) to all Holders of Notes to purchase a pro rata amount of their Notes at 100% of the principal amount thereof, plus accrued but unpaid interest); or

(B) Indebtedness constituting Pari Passu Indebtedness (other than First Priority Lien Obligations) so long as the Asset Sale proceeds are with respect to non-Collateral ( provided that if the Issuer shall so reduce Pari Passu Indebtedness that is unsecured, the Issuer will equally and ratably offer to purchase Notes Obligations in any manner set forth in clause (a) above) (and after making such offer complying with the procedures set forth below, the amount of Collateral Excess Proceeds and Excess Proceeds shall be reduced by the amount of Net Proceeds so offered for purchase of Notes)) to all Holders of Notes to purchase a pro rata amount of their Notes at 100% of the principal amount thereof, plus accrued but unpaid interest); or

(C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary; or

(2) to (a) make an Investment in any one or more businesses, provided that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) acquire properties, (c) make capital expenditures or (d) acquire other assets that, in the case of each of clauses (a), (b), (c) and (d) either (x) are used or useful in a Similar Business or (y) replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that, in the case of clause (2) of this Section 4.10(b), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an “ Acceptable Commitment ”) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a “ Second Commitment ”) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Collateral Excess Proceeds or Excess Proceeds, as the case may be.

(c) Any Net Proceeds from Asset Sales of Collateral that are not invested or applied as provided and within the time period set forth in Section 4.10(b) will be deemed to constitute “ Collateral Excess Proceeds .” When the aggregate amount of Collateral Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any other First Priority Lien Obligations, to the holders of such other First Priority Lien Obligations (a “ Collateral Asset Sale Offer ”), to purchase the maximum aggregate principal amount of the Notes and such First Priority Lien Obligations that is a minimum of \$2,000 or any integral multiple of \$1,000 (in each case in aggregate principal amount) that may be purchased out of the Collateral Excess Proceeds at an offer price in

cash in an amount equal to 100% of the principal amount thereof (or, in the event such First Priority Lien Obligations provide for the accretion of original issue discount, 100% of the accreted value thereof) plus accrued and unpaid interest any (or, in respect of such First Priority Lien Obligations, such lesser price, if any, as may be provided for by the terms of such First Priority Lien Obligations or such other Obligations) to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence a Collateral Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Collateral Excess Proceeds exceed \$100.0 million in accordance with the procedures set forth in Section 3.09.

To the extent that the aggregate principal amount of Notes and such First Priority Lien Obligations tendered pursuant to a Collateral Asset Sale Offer is less than the Collateral Excess Proceeds, the Issuer may use any remaining Collateral Excess Proceeds for general corporate purposes, subject to the other covenants contained herein. Upon completion of any such Collateral Asset Sale Offer, the amount of Collateral Excess Proceeds shall be reset at zero.

Any Net Proceeds from Asset Sales of non-Collateral that are not invested or applied as provided and within the time period set forth in the first sentence of the third preceding paragraph will be deemed to constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any Indebtedness that is pari passu in right of payment with the Notes (“Pari Passu Indebtedness”), to the holders of such Pari Passu Indebtedness (an “Asset Sale Offer”), to purchase the maximum aggregate principal amount of the Notes and such Pari Passu Indebtedness that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness provided for the accretion of original issue discount, 100% of the accreted value thereof) plus accrued and unpaid interest (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness) to the date fixed for the closing of such offer, in accordance with the procedures set forth herein. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceed \$100.0 million in accordance with the procedures set forth in Section 3.09.

To the extent that the aggregate principal amount of Notes and such Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(d) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(e) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10 or Section 3.09, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.10 by virtue thereof.

SECTION 4.11. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$25.0 million, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$75.0 million, a resolution adopted by the majority of the board of directors of the Issuer approving such Affiliate Transaction and set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a).

(b) The provisions of Section 4.11(a) will not apply to the following:

(1) transactions between or among the Issuer or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by Section 4.07 hereof and the definition of “Permitted Investments”;

(3) the payment of management, consulting, monitoring, transaction, advisory and termination fees and related expenses and indemnities, directly or indirectly, to the Investors or such other persons as they designate, in each case pursuant to the Sponsor Management Agreement or any similar agreement so long as such amount does not exceed the amounts otherwise payable under the Sponsor Management Agreement as in effect on the Issue Date (subject to the right to include additional designees to receive payment thereunder);

(4) the payment of reasonable and customary fees paid to, and indemnities provided on behalf of, officers, directors, employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis;

(6) any agreement as in effect as of the Issue Date (other than the Sponsor Management Agreement), or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);

(7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement, principal investors agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; provided, however, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders when taken as a whole;

(8) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the board of directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(9) the issuance of Equity Interests (other than Disqualified Stock) by the Issuer or a Restricted Subsidiary;

(10) sales of accounts receivable, or participations therein, in connection with any Receivables Facility;

(11) payments by the Issuer or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures which payments are approved by a majority of the board of directors of the Issuer in good faith;

(12) payments or loans (or cancellation of loans) to employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, severance arrangements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by a majority of the board of directors of the Issuer in good faith; and

(13) Investments by the Investors in debt securities of the Issuer or any of its Restricted Subsidiaries so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities.

SECTION 4.12. Liens. The Issuer will not, and will not permit any Restricted Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Issuer or any Restricted Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, other than Liens securing Indebtedness, which Liens are junior in priority to the Liens on such property or assets securing the Notes or the Guarantees.

The foregoing shall not apply to (a) Liens securing Indebtedness permitted to be incurred under Credit Facilities, including any letter of credit facility relating thereto, that was permitted by the terms of this Indenture to be incurred pursuant to clause (1) of Section 4.09(b) hereof and (b) Liens incurred to secure Obligations in respect of any Indebtedness permitted to be incurred pursuant to Section

4.09 hereof; provided that, with respect to Liens securing Obligations permitted under this subclause (b), at the time of incurrence of such Obligations and after giving pro forma effect thereto, the Consolidated First Lien Secured Debt Ratio would be no greater than 7.0 to 1.0; provided that, with respect to Liens securing First Priority Lien Obligations incurred pursuant to subclause (a) above or this subclause (b), the Notes are also secured by the assets subject to such Liens with the priority and subject to intercreditor arrangements, in each case, no less favorable to the Holders of the Notes than those set forth in the Intercreditor Agreement.

SECTION 4.13. Corporate Existence. Subject to Article V hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Issuer and its Restricted Subsidiaries; provided that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries (other than the Issuer), if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

SECTION 4.14. Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs, unless the Issuer has previously or concurrently sent a redemption notice with respect to all the outstanding Notes pursuant to Section 3.07 hereof, the Issuer shall make an offer to purchase all of the Notes pursuant to the offer described below (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer shall send notice of such Change of Control Offer by electronic transmission or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Note Register with a copy to the Trustee or otherwise in accordance with Applicable Procedures, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is sent (the “Change of Control Payment Date”);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes, provided that the paying agent receives, not later than the close of business on the fifth Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that the Holders whose Notes are being repurchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to a minimum of \$2,000 or an integral multiple of \$1,000 in principal amount in excess thereof;

(8) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (a) the notice is mailed in a manner herein provided and (b) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.14 by virtue thereof.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to “redeem,” “redemption” and similar words shall be deemed to refer to “purchase,” “repurchase” and similar words, as applicable.

SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries . The Issuer shall not permit any Restricted Subsidiary that is a Wholly Owned Subsidiary of the Issuer (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities), other than a Guarantor or a Foreign Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any other Guarantor unless:

(a) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture in form attached hereto as Exhibit D providing for a Guarantee by such Restricted Subsidiary, a joinder to the Security Agreement and joinders and/or amendments to any other Security Documents to the extent necessary to grant a Lien in favor of the Collateral Agent to secure the Notes Obligations in the assets of such Restricted Subsidiary required to be Collateral pursuant to the provisions of the Security Agreement and takes all action to perfect the liens and security interests granted under the Security Documents to the extent required by the Security Documents, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor’s Guarantee; and

(b) such Restricted Subsidiary shall within 30 days deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee stating that the execution and delivery of the supplemental indenture and the Guarantor’s Guarantee have been duly authorized, executed and delivered by such Guarantor in accordance with the terms of this Indenture and that such supplemental indenture and Guarantee constitute legal, valid, binding and enforceable obligations of the Guarantor party thereto;

provided that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

SECTION 4.16. Suspension of Covenants .

(a) If on any date following the Issue Date (the “Suspension Date”) (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the Issuer and its Restricted Subsidiaries will not be subject to the following covenants (collectively, the “Suspended Covenants”):

- (1) Section 4.07 hereof;
- (2) Section 4.08 hereof;
- (3) Section 4.09 hereof;
- (4) Section 4.10 hereof;

- (5) Section 4.11 hereof;
- (6) Section 4.14 hereof;
- (7) Section 4.15 hereof; and
- (8) clause (4) of Section 5.01(a) hereof.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating and/or (b) the Issuer or any of its Affiliates enter into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events, including, without limitation, a proposed transaction described in clause (b) above.

(c) The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period.” Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Collateral Excess Proceeds and Excess Proceeds from Net Proceeds shall be reset at zero. In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any of its Restricted Subsidiaries prior to such reinstatement and available will give rise to a Default or Event of Default under this Indenture with respect to Notes; provided that (1) with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.07 hereof had been in effect prior to, but not during the Suspension Period, provided, further, that any Subsidiaries designated as Unrestricted Subsidiaries during the Suspension Period shall automatically become Restricted Subsidiaries on the Reversion Date (subject to the Issuer’s right to subsequently designate them as Unrestricted Subsidiaries in compliance with this Indenture and (2) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been incurred or issued pursuant to clause (3) of Section 4.09(b) hereof.

(d) The Issuer shall deliver promptly to the Trustee an Officer’s Certificate of the Issuer notifying it of any event set forth under this Section 4.16 specifying, without limitation, the commencement and cessation of any Suspension Period.

**SECTION 4.17. Further Assurances and After-Acquired Property.** The Issuer and each Guarantor will comply with the terms of each Security Document to which it is a party.

**SECTION 4.18. Insurance.** The Issuer and each Guarantor will:

(a) keep their respective material insurable properties adequately insured in all material respects at all times by financially sound and reputable insurers to such extent and against such risks, including fire and other risks insured against by extended coverage, as is customary with companies in the same or similar businesses operating in the same or similar locations; and

(b) within 60 days of the Issue Date (or such longer period as the Collateral Agent shall agree to) and subject to the Intercreditor Agreement, cause all such policies covering any

Collateral to be endorsed or otherwise amended to include a customary lender's loss payable endorsement and, to the extent available on commercially reasonable terms, cause each such policy to provide that it shall not be canceled, modified or not renewed (i) by reason of nonpayment of premium unless not less than 10 days' prior written notice thereof is given by the insurer to the Collateral Agent (giving the Collateral Agent the right to cure defaults in the payment of premiums) or (ii) for any other reason unless not less than 30 days' prior written notice thereof is given by the insurer to the Collateral Agent.

#### SECTION 5.01. Merger, Consolidation or Sale of All or Substantially All Assets.

(a) The Issuer shall not consolidate or merge with or into or wind up into (whether or not the Issuer is the surviving corporation), and shall not sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Issuer and its Restricted Subsidiaries, taken as a whole, in one or more related transactions, to any Person unless:

(1) the Issuer is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or the Person to whom such sale, assignment, transfer, lease, conveyance or other disposition will have been made, is a Person organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the "Successor Company"); provided that in the case where the Successor Company is not a corporation, a co-obligor of the Notes is a corporation;

(2) the Successor Company, if other than the Issuer, expressly assumes all the obligations of the Issuer under this Indenture, the Notes and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(A) the Successor Company or the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in Section 4.09(a) hereof, or

(B) the Consolidated Leverage Ratio would be equal to or less than the Consolidated Leverage Ratio immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (b)(1)(B) of this Section 5.01 hereof shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's Obligations under this Indenture, the Notes and the Security Documents; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture, the Notes and the Security Documents.

Notwithstanding clauses (3) and (4) above:

(1) the Issuer or a Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or a Restricted Guarantor; and

(2) the Issuer may merge with an Affiliate of the Issuer solely for the purpose of reorganizing the Issuer in a State of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

(b) Subject to Section 10.06 hereof, no Restricted Guarantor shall, and the Issuer shall not permit any Restricted Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or Restricted Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (A) such Restricted Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Restricted Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the jurisdiction of organization of such Restricted Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Restricted Guarantor or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than such Restricted Guarantor, expressly assumes all the obligations of such Restricted Guarantor under this Indenture, such Restricted Guarantor's related Guarantee and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(2) the transaction is made in compliance with Section 4.10 hereof.

Notwithstanding the foregoing, any Restricted Guarantor may merge into or transfer all or part of its properties and assets to another Restricted Guarantor or the Issuer.

SECTION 5.02. Successor Corporation Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer or a Restricted Guarantor in accordance with Section 5.01(a) or Section 5.01(b)(1) hereof, the successor corporation formed by such consolidation or into or with which the Issuer or such Restricted Guarantor, as applicable, is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture and the Security Documents referring to the Issuer or such Restricted Guarantor, as applicable, shall

refer instead to the successor corporation and not to the Issuer or such Restricted Guarantor, as applicable), and may exercise every right and power of the Issuer or such Restricted Guarantor, as applicable, under this Indenture and the Security Documents with the same effect as if such successor Person had been named as the Issuer or a Restricted Guarantor, as applicable, herein and therein; provided that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale, assignment, transfer, conveyance or other disposition of all of the Issuer's assets that meets the requirements of Section 5.01 hereof.

## ARTICLE VI

SECTION 6.01. Events of Default. An "Event of Default" wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$100.0 million or more at any one time outstanding;

(5) failure by the Issuer or any Significant Party to pay final non-appealable judgments aggregating in excess of \$100.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 90 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding have been commenced by any creditor upon such judgment or decree which is not promptly stayed;

---

(6) the Issuer or any Significant Party, pursuant to or within the meaning of any Bankruptcy Law:

(C) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; or

(D) makes a general assignment for the benefit of its creditors;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Party, in a proceeding in which the Issuer or any Significant Party, is to be adjudicated bankrupt or insolvent;

(B) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any Significant Party, or for all or substantially all of the property of the Issuer or any Significant Party; or

and the order or decree remains unstayed and in effect for 60 consecutive days;

(8) the Guarantee of any Significant Party shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Party, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture; or

(9) with respect to any Collateral having a fair market value in excess of \$100.0 million, individually or in the aggregate, (a) the security interest under the Security Documents, at any time, ceases to be in full force and effect for any reason other than in accordance with the terms of this Indenture, the Security Documents and the Intercreditor Agreement, except to the extent that any lack of perfection or priority results from any act or omission by the Collateral Agent (so long as such act or omission does not result from the breach or non-compliance by the Issuer or any Guarantor with this Indenture or the Security Documents), (b) any security interest created thereunder or hereunder is declared invalid or unenforceable by a court of competent jurisdiction or (c) the Issuer or any Guarantor asserts, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable.

#### SECTION 6.02. Acceleration.

(a) If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01 hereof) occurs and is continuing under this Indenture, the Trustee by notice to the Issuer or the Holders of at least 25% in principal amount of the then total outstanding Notes by notice to the Issuer and the Trustee, in either case specifying in such notice the respective Event of Default and that

such notice is a “notice of acceleration,” may declare the principal, interest and premium, if any, on all the then outstanding Notes to be due and payable. The Trustee shall have no obligation to accelerate the Notes if the Trustee determines, in its best judgment, that acceleration is not in the best interests of the Holders of the Notes. Upon the effectiveness of such declaration, such principal and interest shall be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01 hereof, all outstanding Notes shall be due and payable without further action or notice.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment or decree of a court of competent jurisdiction and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. In the event of any Event of Default specified in clause (4) of Section 6.01 hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or
- (2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Section 6.02 hereof, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (b) Holders of at least 25% in principal amount of the total outstanding Notes have requested the Trustee to pursue the remedy;
- (c) Holders of the Notes have offered the Trustee satisfactory security or indemnity against any loss, liability or expense;
- (d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (e) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with a Collateral Asset Sale Offer, an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein or in the Security Documents conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to

the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or in the Security Documents, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver . No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim . The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities . If the Trustee or any Agent collects any money or property pursuant to this Article VI, it shall, subject to the Intercreditor Agreement, pay out the money in the following order:

(a) First, to the Trustee, such Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;

(b) Second, to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

(c) Third, to the Issuer or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable. The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

## ARTICLE VII

### TRUSTEE

#### SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the form required in this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of the Notes unless the Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

**SECTION 7.02. Rights of Trustee .**

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and its Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate of the Issuer or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The recitals and statements contained herein and in the Notes, except those contained in any Trustee's certificate of authentication, shall be taken as the recitals and statements of the Issuer, and the Trustee or any authenticating agent assumes no responsibility for their correctness.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes. The Trustee shall not be deemed to know of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee in accordance with Section 13.02 hereof at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture.

SECTION 7.06. Reports by Trustee to Holders of the Notes. Within 60 days after each April 15, beginning with the April 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2) (to the extent applicable). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Issuer and each stock exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Issuer shall promptly notify the Trustee when the Notes are listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly

upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee (in its capacity as trustee) and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connective with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder except to the extent the Issuer has been materially prejudiced thereby. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

**SECTION 7.08. Replacement of Trustee.** A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof or Section 310 of the Trust Indenture Act;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. . If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

SECTION 7.11. Preferential Collection of Claims Against Issuer. The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

## ARTICLE VIII

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged

from their Obligations with respect to all outstanding Notes and Guarantees (including their Obligations under the Security Documents with respect to the Notes Obligations) on the date the conditions set forth below are satisfied (“Legal Defeasance”). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be “outstanding” only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other Obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (b) the Issuer’s obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer’s obligations in connection therewith; and
- (d) this Section 8.02.

If the Issuer exercises under Section 8.01 the option applicable to this Section 8.02, subject to satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default under clauses (3), (4), (5), (6) (solely with respect to a Significant Party) and (7) (solely with respect to a Significant Party) of Section 6.01. Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

**SECTION 8.03. Covenant Defeasance.** Upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.17 and 4.18 hereof and clauses (4), (5) and (6) of Section 5.01(a) and Section 5.01(b) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (“Covenant Defeasance”), and the Notes shall thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(4), 6.01(5), 6.01(6) (solely with respect to a Significant Party), 6.01(7) (solely with respect to a Significant Party), 6.01(8) and 6.01(9) hereof shall not constitute Events of Default.

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal amount, premium, if any, or interest on such Notes and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date.

(b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(i) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(ii) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Existing Senior Notes, the indentures pursuant to which the Existing Senior Notes were issued or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of

funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness to the extent such Indebtedness is simultaneously being discharged or repaid, and the granting of Liens in connection therewith);

(f) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(g) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes. Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Issuer. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuer makes any payment

of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE IX

### AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes. Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture, the Notes, any Guarantee, any Security Document or the Intercreditor Agreement without the consent of any Holder:

- (a) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (b) to provide for uncertificated Notes of such series in addition to or in place of Definitive Notes;
- (c) to comply with Section 5.01 hereof;
- (d) to provide the assumption of the Issuer's or any Guarantor's obligations to the Holders;
- (e) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture, the Notes, the Guarantee, the Security Documents or the Intercreditor Agreement of any such Holder;
- (f) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;
- (g) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;
- (i) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;
- (j) to add a Guarantor under this Indenture, the Security Documents or the Intercreditor Agreement;
- (k) to conform the text of this Indenture, Guarantees, the Intercreditor Agreement, the Security Documents or the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum to the extent that such provision in such "Description of the Notes" section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee, the Intercreditor Agreement, the Security Documents or Notes;
- (l) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this Indenture

as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(m) to add or release Collateral from, or subordinate, the Lien of the Security Documents when permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement;

(n) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Collateral Agent for the benefit of the Holders of the Notes, as additional security for the payment and performance of all or any portion of the Notes Obligations, on any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or on which a Lien is required to be granted to or for the benefit of the Trustee or the Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise; and

(o) to add additional holders of any additional Series of First Priority Lien Obligations to any Security Documents or the Intercreditor Agreement.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, an Opinion of Counsel shall not be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto.

**SECTION 9.02. With Consent of Holders of Notes.** Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture, the Notes, the Guarantees, the Intercreditor Agreement or any Security Documents with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof, Section 2.09 hereof and Section 2.14 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (a) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal amount of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Note (other than provisions relating to Section 3.09, Section 4.10 and Section 4.14 hereof);
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration) or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of each Holder affected thereby;
- (e) make any Note payable in money other than that stated therein;
- (f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;
- (g) make any change in these amendment and waiver provisions;
- (h) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (i) make any change to the ranking in right of payment of the Notes that would adversely affect the Holders; or
- (j) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Party in any manner adverse to the Holders of the Notes.

In addition, without the consent of the Holders of at least two-thirds in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may modify any Security

Document or the provisions of this Indenture dealing with the Security Documents or application of Trust Monies in any manner, in each case that would subordinate the Lien of the Collateral Agent to the Liens securing any other Obligations (other than as contemplated under clause (m) of Section 9.01 and the last sentence of Section 12.04(a)) or otherwise release all or substantially all of the Collateral, in each case other than in accordance with this Indenture, the Security Documents and the Intercreditor Agreement.

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies in all material respects with the Trust Indenture Act as then in effect.

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. None of the Issuer nor any Guarantor may sign an amendment, supplement or waiver until the board of directors (or similar governing body) approves it. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive, and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03). Notwithstanding the foregoing, an Opinion of Counsel shall not be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D.

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

## ARTICLE X

### GUARANTEES

SECTION 10.01. Guarantee. Subject to this Article X, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Indenture, the Notes or the obligations of Issuer hereunder or thereunder, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer or any Guarantor, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article

VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Unless and until released in accordance with Section 10.06, each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

**SECTION 10.02. Limitation on Guarantor Liability.** Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

**SECTION 10.03. Execution and Delivery.** To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture or a supplement indenture hereto in substantially the form of Exhibit D hereto, as the case may be, shall be executed on behalf of such Guarantor by its President, one of its Vice Presidents or one of its Assistant Vice Presidents.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 or Section 10.01 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article X, to the extent applicable.

SECTION 10.04. Subrogation. Each Guarantor shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

SECTION 10.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06. Release of Guarantees. A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

- (a) (A) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all the assets of such Guarantor, in each case made in compliance with the applicable provisions of this Indenture;
  - (B) the release or discharge of the guarantee by such Guarantor of Indebtedness under the Senior Credit Facilities or such other guarantee that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee;
  - (C) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with Section 4.07 and the definition of "Unrestricted Subsidiary"; or
  - (D) the exercise by the Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Issuer's obligations under this Indenture in accordance with the terms of this Indenture; and
- (b) such Guarantor delivering to the Trustee an Officer's Certificate of such Guarantor and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.01. Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(a) all Notes heretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has heretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (A) all Notes not heretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption and redeemed within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not heretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(B) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness to the extent such Indebtedness is simultaneously being discharged or repaid and the granting of Liens in connection therewith) with respect to this Indenture or the Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Existing Senior Notes, the indentures governing the Existing Senior Notes or any other material agreement or instrument governing Indebtedness (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(C) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(D) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuer shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (b) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive.

SECTION 11.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee

may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

## ARTICLE XII

The Issuer shall deliver an Opinion of Counsel to the Trustee within 30 calendar days following the end of each annual period beginning with the annual period beginning on July 1, 2014 of each year, to the effect that all actions required to maintain the Lien of the Security Documents with respect to items of Collateral that may be perfected solely by the filing of financing statements under the Uniform Commercial Code have been taken.

#### **SECTION 12.02. Collateral Agent.**

(a) The Collateral Agent shall have all the rights and protections provided in the Security Documents and the Intercreditor Agreement and shall have no responsibility to exercise any discretionary power or right provided in any Security Document except as expressly required pursuant to the Security Documents or the Intercreditor Agreement or to ensure the existence, genuineness, value or protection of any Collateral or to ensure the legality, enforceability, effectiveness or sufficiency of the Security Documents or the creation, perfection, priority, sufficiency or protection of any Lien or any defect or deficiency as to any such matters.

(c) Subject to Section 7.01, neither the Trustee nor the Collateral Agent nor any of their officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any Lien or any defect or deficiency as to any such matters.

#### SECTION 12.03. Authorization of Actions to Be Taken.

(a) Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of each Security Document and the Intercreditor Agreement, as originally in effect and as amended, restated, amended and restated, renewed, modified, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee to authorize the Collateral Agent to enter into the Security Documents to which it is a party, authorizes and empowers the Trustee and the Collateral Agent to enter into the Intercreditor Agreement and authorizes and empowers the Trustee and the Collateral Agent to bind the Holders of Notes pursuant to the terms of the Intercreditor Agreement and to perform their respective obligations and exercise their respective rights and powers thereunder.

(b) The Trustee is authorized and empowered to receive for the benefit of the Holders of Notes any funds collected or distributed under the Security Documents to which the Trustee is entitled pursuant to the terms of the Intercreditor Agreement and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

(c) Subject to the Intercreditor Agreement, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the Liens of the Security Documents or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents.

#### SECTION 12.04. Release of Collateral.

(a) Collateral may be released from the Lien and security interest created by the Security Documents to secure the Notes Obligations at any time or from time to time as required by the terms of the Intercreditor Agreement and this Section 12.04. The applicable assets included in the Collateral shall be automatically released from the Liens securing the Notes and the Notes Obligations under any one or more of the following circumstances:

(1) to enable the Issuer and the Guarantors to consummate the sale, transfer or other disposition of such property or assets to the extent not prohibited under Section 4.10 other than any such sale or disposition to the Issuer or Guarantor;

(2) the release of Excess Proceeds or Collateral Excess Proceeds that remain unexpended after the conclusion of an Asset Sale Offer or a Collateral Asset Sale Offer conducted in accordance with Section 3.09;

(3) in respect of the property and assets of a Guarantor, upon (A) the designation of such Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.07 and the definition of "Unrestricted Subsidiary" or (B) the release of such Guarantor from its guarantee under Section 10.06;

(4) in respect of the property and assets of a Guarantor, upon the release or discharge of the security interest granted by such Guarantor to secure the obligations under the Senior Credit Facilities or any other Indebtedness or the guarantee of any other Indebtedness which resulted in the obligation to become a Guarantor with respect to the Notes other than in connection with a release or discharge by or as a result of payment in full in respect of the Senior Credit Facilities or such other Indebtedness;

(5) as described in the first sentence of this Section 12.04(a) in accordance with the Intercreditor Agreement; and

(6) as permitted under Section 9.02.

In addition, the Liens granted pursuant to the Security Documents securing the Notes Obligations shall automatically terminate and/or be released in full all without delivery of any instrument or performance of any act by any party as of the date upon (i) all the Obligations under the Notes and this Indenture (other than contingent or unliquidated obligations or liabilities not then due) have been paid in full in cash or immediately available funds or (ii) a Legal Defeasance or Covenant Defeasance under Article VIII or a discharge in accordance with Article XI.

Upon the receipt of an Officer's Certificate from the Issuer, as described in Section 12.04(b) below and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreement.

The Liens on Collateral shall also be automatically subordinated to the extent Liens on such Collateral securing the Senior Credit Facilities are also subordinated pursuant to the requirements set forth in the Senior Credit Facilities.

(b) Notwithstanding anything herein to the contrary, in connection with (x) any release of Collateral pursuant to Section 12.04(a)(2), (3), (4) or (6) above, such Collateral may not be released from the Lien and security interest created by the Security Documents and (y) any release of Collateral pursuant to Section 12.04(a)(1) or (5), the Collateral Agent shall not be required to execute, deliver or acknowledge any instruments of termination, satisfaction or release unless, in each case, an Officer's Certificate and Opinion of Counsel certifying that all conditions precedent, including, without limitation, this Section 12.04, have been met and stating under which of the circumstances set forth in Section 12.04(a) above the Collateral is being released have been delivered to the Collateral Agent on or prior to the date of such release or, in the case of clause (y) above, the date on which the Collateral Agent executes any such instrument. The Trustee shall be entitled to receive and rely on Officer's Certificates and Opinions of Counsel delivered to the Collateral Agent under this Section 12.04(b).

**SECTION 12.05. Powers Exercisable by Receiver or Trustee** . In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article XII; and if the Trustee or the Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Collateral Agent, as the case may be.

SECTION 12.06. No Fiduciary Duties; Collateral. The Trustee shall not be deemed to owe any fiduciary duty to any Additional First Lien Secured Party and shall not be liable to any such Additional First Lien Secured Party if the Trustee shall in good faith mistakenly pay over or distribute to Holders of Notes or to the Issuer or to any other person cash, property or securities to which any Additional First Lien Secured Party shall be entitled by virtue of this Article or otherwise. With respect to the Additional First Lien Secured Parties, the Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in this Article and the Intercreditor Agreement and no implied covenants or obligations with respect to the Additional First Lien Secured Parties shall be read into this Indenture against the Trustee.

Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

SECTION 12.07. Intercreditor Agreement Controls. Upon the Trustee's entry into the Joinder, the Holders of the Notes and the Trustee will be subject to and bound by the provisions of the Intercreditor Agreement as "Additional First Lien Secured Parties" thereunder. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to the Security Documents and all rights and obligations of the Trustee hereunder are expressly subject to the Intercreditor Agreement and (ii) the exercise of any right or remedy by the Trustee hereunder is subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of the Intercreditor Agreement and the terms of this Indenture, the terms of the Intercreditor Agreement shall govern.

## FIRST SUPPLEMENTAL INDENTURE

First Supplemental Indenture (this “Supplemental Indenture”), dated as of February 6, 2013, among Univision Communications Inc., a Delaware corporation (the “Issuer”), the Guarantors (as defined in the Indenture referred to herein), each a direct or indirect subsidiary of the Issuer, and Wilmington Trust, National Association, as trustee (the “Trustee”).

## WITNESSETH

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee a Senior Secured Notes Indenture (the “Indenture”), dated as of August 29, 2012, providing for the issuance of \$625,000,000 aggregate principal amount of 6 3/4% Senior Secured Notes due 2022 (the “Initial Notes”) and the issuance of additional \$600,000,000 aggregate principal amount of 6 3/4% Senior Secured Notes due 2022 (the “Add-on Notes”), and, together with the Initial Notes, the “Notes”;

WHEREAS, Section 9.01 of the Indenture provides, among other things, that the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement the Indenture, the Notes, any Guarantee, any Security Document or the Intercreditor Agreement without the consent of any Holder in accordance with Section 9.01;

WHEREAS, the “Description of the Notes” contained in each of the Offering Memorandum dated August 15, 2012 relating to the offering of the Initial Notes and the Offering Memorandum dated September 14, 2012 relating to the offering of the Add-on Notes provided that the Notes shall only be guaranteed by the Issuer’s restricted subsidiaries that guarantee its Senior Credit Facility (the “Designated Guarantors”) and, whereas, Section 10.06(b) provides that Guarantors who have been released as Guarantors under the Senior Credit Facilities are not to be Guarantors under the Indenture and the Notes;

WHEREAS, Univision 2417, LLC, Univision Deportes, LLC and Univision tlnovelas, LLC were released as Guarantors under, and did not guarantee on the date of the Indenture, the Issuer’s Senior Credit Facility and thus are not Designated Guarantors;

WHEREAS, the Issuer desires to establish that such entities are not Designated Guarantors;

WHEREAS, all conditions and requirements necessary to make this Supplemental Indenture a valid and binding agreement of the Issuer and the Guarantors have been duly performed and complied with; and

WHEREAS, pursuant to Sections 9.01(a) and 9.01(k) of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture; and

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

(1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

---

(2) Operative Language.

No Subsidiary of the Issuer that did not guarantee the Senior Credit Facilities (including Univision 2417, LLC, Univision Deportes, LLC and Univision tlnovelas, LLC) on the date of the Indenture shall be deemed a Guarantor unless such Subsidiary subsequently executes a supplemental indenture. Accordingly, Univision 2417, LLC, Univision Deportes, LLC and Univision tlnovelas, LLC are deemed deleted as signatories to the Indenture and for the avoidance of doubt are released as Guarantors.

(3) Ratification of Indenture: Supplemental Indenture Part of Indenture. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect. This Supplemental Indenture shall form a part of the Indenture for all purposes, and every Holder of Notes heretofore or hereafter authenticated and delivered shall be bound hereby.

(4) Severability. In case any provision in this Supplemental Indenture, the Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(5) Governing Law. THIS SUPPLEMENTAL INDENTURE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(6) Counterpart Originals. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

(7) Headings. The headings of this Supplemental Indenture have been inserted for convenience of reference only, are not to be considered a part of this Supplemental Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

In the event that the Issuer or any Restricted Subsidiary (i) incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness or (ii) issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Consolidated First Lien Secured Debt Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated First Lien Secured Debt Ratio is made (the “Consolidated First Lien Secured Debt Ratio Calculation Date”), then the Consolidated First Lien Secured Debt Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made (or committed to

be made pursuant to a definitive agreement) during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated First Lien Secured Debt Ratio Calculation Date, and other operational changes that the Issuer or any of its Restricted Subsidiaries has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated First Lien Secured Debt Ratio Calculation Date shall be calculated on a pro forma basis in accordance with GAAP assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated First Lien Secured Debt Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable determination of the Issuer as set forth in an Officer's Certificate, to reflect (1) operating expense reductions and other operating improvements or synergies reasonably expected to result from any acquisition, amalgamation, merger or operational change; and (2) all adjustments of the nature used in connection with the calculation of "Adjusted EBITDA" as set forth in footnote (1) to the "Summary Historical and Pro Forma Consolidated Financial Data" under "Offering Circular Summary" in the offering circular with respect to the Issuer's 2015 Notes dated March 1, 2007 to the extent such adjustments, without duplication, continue to be applicable to such four-quarter period; provided that (x) such operating expense reductions and other operating improvements or synergies are reasonably identifiable and factually supportable, (y) with respect to operational changes, such actions are taken no later than 48 months after the Issue Date and (z) the aggregate amount of projected operating expense reductions, operating improvements and synergies in respect of operational changes (not resulting from an acquisition) included in any pro forma calculation shall not exceed \$80.0 million for any four consecutive quarter period.

For the purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination determined in a manner consistent with that used in calculating EBITDA for the applicable period.

"Consolidated Indebtedness" means, as of any date of determination, the sum, without duplication, of (1) the total amount of Indebtedness of the Issuer and its Restricted Subsidiaries, plus (2) the greater of the aggregate liquidation value and maximum fixed repurchase price without regard to any change of control or redemption premiums of all Disqualified Stock of the Issuer and the Restricted Guarantors and all Preferred Stock of its Restricted Subsidiaries that are not Guarantors, in each case, determined on a consolidated basis in accordance with GAAP.

"Consolidated Interest Expense" means, with respect to any Person for any period, without duplication, the sum of:

Net Income (including (a) amortization of original issue discount resulting from the issuance of Indebtedness at less than par, (b) all commissions, discounts and other fees and charges owed with respect to letters of credit or bankers acceptances, (c) non-cash interest expense (but excluding any non-cash interest expense attributable to the movement in the market to market valuation of Hedging Obligations or other derivative instruments pursuant to GAAP), (d) the interest component of Capitalized Lease Obligations and (e) net payments, if any, pursuant to interest rate Hedging Obligations with respect to Indebtedness, and excluding (x) amortization of deferred financing fees, debt issuance costs, commissions, fees and expenses, (y) any expensing of bridge, commitment and other financing fees and (z) commissions, discounts, yield and other fees and charges (including any interest expense) related to any Receivables Facility); plus

(2) consolidated capitalized interest of such Person and its Restricted Subsidiaries for such period, whether paid or accrued; plus

(3) solely for purposes of determining Consolidated Interest Expense for purposes of clause (a)(3)(A) of Section 4.07 hereof, such amount of Restricted Payments made during such period pursuant to clause (b)(17) of Section 4.07 hereof; less

(4) interest income of such Person and its Restricted Subsidiaries for such period.

For purposes of this definition, interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by such Person to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP.

“Consolidated Leverage Ratio” means, as of the date of determination, the ratio of (a) the Consolidated Indebtedness of the Issuer and its Restricted Subsidiaries on such date less the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of the Issuer and its Restricted Subsidiaries and held by the Issuer and its Restricted Subsidiaries as of such date of determination, as determined in accordance with GAAP, to (b) EBITDA of the Issuer and its Restricted Subsidiaries for the most recently ended four fiscal quarters ending immediately prior to such date for which internal financial statements are available.

In the event that the Issuer or any Restricted Subsidiary (i) incurs, redeems, retires or extinguishes any Indebtedness or (ii) issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Consolidated Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Leverage Ratio is made (the “Consolidated Leverage Ratio Calculation Date”), then the Consolidated Leverage Ratio shall be calculated giving pro forma effect to such incurrence, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made (or committed to be made pursuant to a definitive agreement) during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Ratio Calculation Date, and other operational changes that the Issuer or any of its Restricted Subsidiaries has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Ratio Calculation Date shall be calculated on a pro forma basis in accordance with GAAP assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational

changes had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable determination of the Issuer as set forth in an Officer's Certificate, to reflect (1) operating expense reductions and other operating improvements or synergies reasonably expected to result from any acquisition, amalgamation, merger or operational change and (2) all adjustments of the nature used in connection with the calculation of "Adjusted EBITDA" as set forth in footnote (1) to the "Summary Historical and Pro Forma Consolidated Financial Data" under "Offering Circular Summary" in the offering circular with respect to the Issuer's 2015 Notes dated March 1, 2007 to the extent such adjustments, without duplication, continue to be applicable to such four-quarter period; provided that (x) such operating expense reductions and other operating improvements or synergies are reasonably identifiable and factually supportable, (y) with respect to operational changes, such actions are taken no later than 48 months after the Issue Date and (z) the aggregate amount of projected operating expense reductions, operating improvements and synergies in respect of operational changes (not resulting from an acquisition) included in any pro forma calculation shall not exceed \$80.0 million for any four consecutive quarter period.

For the purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination determined in a manner consistent with that used in calculating EBITDA for the applicable period.

"Consolidated Net Income" means, with respect to any Person for any period, the aggregate of the Net Income of such Person and its Restricted Subsidiaries for such period, on a consolidated basis, and otherwise determined in accordance with GAAP; provided, however, that, without duplication,

(1) any after-tax effect of extraordinary, non-recurring or unusual gains or losses (less all fees and expenses relating thereto) or expenses, severance, relocation costs and curtailments or modifications to pension and post-retirement employee benefit plans shall be excluded,

(2) the Net Income for such period shall not include the cumulative effect of a change in accounting principles during such period,

(3) any after-tax effect of income (loss) from disposed or discontinued operations and any net after-tax gains or losses on disposal of disposed, abandoned or discontinued operations shall be excluded,

(4) any after-tax effect of gains or losses (less all fees and expenses relating thereto) attributable to asset dispositions other than in the ordinary course of business, as determined in good faith by the Issuer, shall be excluded,

SECTION 1.04. Rules of Construction. Unless the context otherwise requires:

- (a) a term has the meaning assigned to it;
- (b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;
- (c) “or” is not exclusive;

SECTION 1.05. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 1.05.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Issuer may, at its option in the circumstances permitted by the Trust Indenture Act, set a record date for purposes of determining the identity of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or take any other act, or to vote or consent to any action by vote or consent authorized or permitted to be given or taken by Holders, but the Issuer shall have no obligation to do so.

(f) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this paragraph shall have the same effect as if given or taken by separate Holders of each such different part.

(g) Without limiting the generality of the foregoing, a Holder, including the Depositary, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and the Depositary may provide its proxy to the beneficial owners of interests in any such Global Note through such Depositary's standing instructions and customary practices.

No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 90 days after such record date.

## ARTICLE II

### THE NOTES

#### SECTION 2.01. Form and Dating; Terms.

(a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified on the face of such Global Note, as increased or decreased in the "Schedule of Exchanges of Interests in the Global Note" attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions by increasing the aggregate principal amount of such Global Note. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Custodian and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Restricted Period shall be terminated upon the receipt by the Trustee of:

(i) a written certificate from the Depository, together with copies of certificates from Euroclear and Clearstream certifying that they have received certification of non-United States beneficial ownership of 100% of the aggregate principal amount of each Regulation S Temporary Global Note (except to the extent of any beneficial owners thereof who acquired an interest therein during the Restricted Period pursuant to another exemption from registration under the Securities Act and who shall take delivery of a beneficial ownership interest in a 144A Global Note bearing a Private Placement Legend, all as contemplated by Section 2.06(b) hereof); and

(ii) an Officer's Certificate from the Issuer.

Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Regulation S Temporary Global Note shall be exchanged for beneficial interests in a Regulation S Permanent Global Note upon delivery to DTC of the certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Regulation S Permanent Global Note, the Trustee shall cancel the corresponding Regulation S Temporary Global Note. The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Issuer pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer as provided in Section 4.10 hereof or a Change of Control Offer as provided in Section 4.14 hereof. The Notes shall not be redeemable, other than as provided in Article III hereof.

(e) Issuance of Additional Notes. Additional Notes ranking pari passu with the Initial Notes may be created and issued from time to time by the Issuer without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes; provided that the Issuer's ability to issue Additional Notes shall be subject to the Issuer's compliance with Sections 4.09 and 4.12 hereof.

SECTION 2.02. Execution and Authentication. At least one Officer of the Issuer shall execute the Notes on behalf of the Issuer by manual, facsimile or electronic (e.g. .pdf) signature.

If an Officer of the Issuer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be entitled to any benefit under this Indenture or be valid or obligatory for any purpose until authenticated substantially in the form of Exhibit A attached hereto, as the case may be, by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated and delivered under this Indenture.

On the Issue Date, the Trustee shall, upon receipt of an Issuer Order (an "Authentication Order"), which order shall set forth the number of separate Note certificates, the principal amount of each of the Notes to be authenticated, the date on which the Notes are to be authenticated, the registered holder of each Note and delivery instructions, authenticate and deliver the Initial Notes. In addition, at any time, from time to time, the Trustee shall upon an Authentication Order authenticate and deliver any Additional Notes.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

SECTION 2.03. Registrar and Paying Agent. The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange ("Registrar") and (ii) an office or agency where Notes may be presented for payment ("Paying Agent"). The Registrar shall keep a register of the Notes ("Note Register") reflecting the ownership of the Notes outstanding from time to time and of their transfer. The Registrar shall also facilitate the transfer of the Notes on behalf of the Issuer in accordance with Section 2.06 hereof. The Issuer may appoint one or more co-registrars and one or

more additional paying agents. The term “Registrar” includes any co-registrar, and the term “Paying Agent” includes any additional paying agents. The Issuer initially appoints the Trustee as Paying Agent. The Issuer may change any Paying Agent or Registrar without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall, to the extent that it is capable, act as such. The Issuer or any of its domestic Subsidiaries may act as Paying Agent or Registrar.

The Issuer initially appoints The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Notes representing the Notes.

The Issuer initially appoints the Trustee to act as the Registrar for the Notes and the Trustee agrees to initially so act.

SECTION 2.04. Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary) shall have no further liability for such funds. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all funds held by it as Paying Agent. Upon any Event of Default pursuant to Section 6.01(6) or (7), the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.05. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five (5) Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes and the Issuer shall otherwise comply with Trust Indenture Act Section 312(a).

SECTION 2.06. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. Except as otherwise set forth in this Section 2.06, a Global Note may be transferred, in whole and not in part, only to another nominee of the Depository or to a successor thereto or a nominee of such successor thereto. A beneficial interest in a Global Note may not be exchanged for a Definitive Note of the same series unless (A) the Depository (x) notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act, and, in either case, a successor Depository is not appointed by the Issuer within 120 days or (B) there shall have occurred and be continuing an Event of Default with respect to the Notes. Upon the occurrence of any of the preceding events in (A) above, Definitive Notes delivered in exchange for any Global Note of the same series or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository (in accordance with its customary procedures). Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note of the same series or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note, except for Definitive Notes issued subsequent to any of the

preceding events in (A) or (B) above and pursuant to Section 2.06(c) hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); and beneficial interests in a Global Note may not be transferred and exchanged other than as provided in Section 2.06(b) or (c) hereof.

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (i) or (ii) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person other than to a “distributor” (as defined in Rule 902(d) of Regulation S) and other than pursuant to Rule 144A. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) hereof, the transferor of such beneficial interest must deliver to the Registrar either (A) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B) (1) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note of the same series in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (B)(1) above; provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in a Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B). Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(iii) Transfer of Beneficial Interests in a Restricted Global Note to Another Restricted Global Note. A beneficial interest in any Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) hereof and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof or, if permitted by the Applicable Procedures, item 3 thereof; or

A Holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the exchange or transfer complies with the requirements of Section 2.06(b)(ii) above and the Registrar receives the following:

(A) if the Holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the Holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof; and, in each such case, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer complies with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall execute and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

(v) Transfer or Exchange of Beneficial Interests in an Unrestricted Global Note for Beneficial Interests in a Restricted Global Note Prohibited. Beneficial interests in an Unrestricted Global Note may not be exchanged for, or transferred to Persons who take delivery thereof in the form of, beneficial interests in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests in Global Notes for Definitive Notes.

(i) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon the occurrence of any of the events in subsection (A) of Section 2.06(a) hereof and receipt by the Registrar of the following documentation:

(F) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate substantially in the form of Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(g) hereof, and the Issuer shall execute and the Trustee shall authenticate and mail to the Person designated by the Holder of such beneficial interest in the instructions delivered to the Registrar by the Depository and the applicable Participant or Indirect Participant on behalf of such Holder a Restricted Definitive Note in the applicable principal amount. (iii) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes . Subject to Section 2.06(a) hereof, a Holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(iv) Unrestricted Definitive Notes to Beneficial Interests in Restricted Global Notes Prohibited. An Unrestricted Definitive Note may not be exchanged for, or transferred to Persons who take delivery thereof in the form of, beneficial interests in a Restricted Global Note.

(v) Issuance of Unrestricted Global Notes. If any such exchange or transfer of a Definitive Note for a beneficial interest in an Unrestricted Global Note is effected pursuant to clause (ii) or (iii) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes.

(i) Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e):

(ii) Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to a QIB in accordance with Rule 144A, then the transferor must deliver a certificate substantially in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904 then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; or

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications required by item (3) thereof, if applicable.

(iii) Transfer or Exchange of Restricted Definitive Notes to Unrestricted Definitive Notes. Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(D) if the Holder of such Restricted Definitive Note proposes to exchange such Restricted Definitive Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(E) if the Holder of such Restricted Definitive Notes proposes to transfer such Restricted Definitive Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer complies with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the clauses of this Section 2.06(e)(iii), the Trustee shall cancel the prior Restricted Definitive Note and the Issuer shall execute, and upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate and deliver an Unrestricted Definitive Note in the appropriate aggregate principal amount to the Person designated by the Holder of such prior Restricted Definitive Note in instructions delivered to the Registrar by such Holder.

(iv) Transfer of Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the aggregate principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05 hereof).

(iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(iv) Neither the Registrar nor the Issuer shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

(v) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(vi) Upon surrender for registration of transfer of any Note at the office or agency of the Issuer designated pursuant to Section 4.02 hereof, the Issuer shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(vii) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile (with originals to follow promptly thereafter).

(ix) The Trustee is hereby authorized and directed to enter into a letter of representation with the Depositary in the form provided by the Issuer and to act in accordance with such letter.

**SECTION 2.07. Replacement Notes.** If any mutilated Note is surrendered to the Trustee, the Registrar or the Issuer and the Trustee receives evidence to its satisfaction of the ownership and destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note issued in accordance with this Section 2.07 is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

**SECTION 2.08. Outstanding Notes.** The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

**SECTION 2.09. Treasury Notes.** In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, a Guarantor or by any Affiliate of the Issuer or a Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so

owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Issuer, a Guarantor or any obligor upon the Notes or any Affiliate of the Issuer, a Guarantor or of such other obligor.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holder and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Issuer shall fix or cause to be fixed any such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before any such special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed, first-class postage prepaid, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP/ISIN Numbers. The Issuer in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the

Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.08 and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

### ARTICLE III

#### REDEMPTION

SECTION 3.01. Notices to Trustee. If the Issuer elects to redeem the Notes pursuant to Section 3.07 hereof, it shall furnish to the Trustee, at least two (2) Business Days (or such shorter period as allowed by the Trustee) before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 3.03 hereof but not more than 60 days before a Redemption Date, an Officer's Certificate of the Issuer setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes, to be redeemed and (iv) the redemption price.

SECTION 3.02. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes of such series to be redeemed (a) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed or (b) on a pro rata basis to the extent practicable, or, if the pro rata basis is not practicable for any reason, by lot or by such other method the Trustee shall deem fair and appropriate. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; no Notes of less than \$2,000 can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000 shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption. Subject to Section 3.09 hereof, the Issuer shall mail or cause to be mailed by first-class mail notices of redemption at least 30 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address appearing in the Note Register or otherwise in accordance with Applicable Procedures, provided, that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI hereof. Except pursuant to a notice of redemption delivered in accordance with a redemption pursuant to Sections 3.07(c) hereof, notices of redemption may not be conditional.

---

The notice shall identify the Notes to be redeemed and shall state:

(a) the Redemption Date;

(b) the appropriate method for calculation of the redemption price, but need not include the redemption price itself; the actual redemption price shall be set forth in an Officer's Certificate delivered to the Trustee no later than two (2) Business Days prior to the Redemption Date unless the redemption is pursuant to Section 3.07(a) hereof, in which case such Officer's Certificate should be delivered on the Redemption Date;

(c) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder of the Notes upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes; and

(i) if in connection with a redemption pursuant to Section 3.07(c) hereof, any condition to such redemption.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; provided that the Issuer shall have delivered to the Trustee, at least ten days before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate of the Issuer requesting that the Trustee give such notice (in which case the Issuer shall provide to the Trustee the complete form of such notice in the name and at the expense of the Issuer) and setting forth the information to be stated in such notice as provided in the preceding paragraph.

The Issuer may provide in the notice of redemption that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption or purchase may be performed by another Person.

SECTION 3.04. Effect of Notice of Redemption. Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable

on the Redemption Date at the redemption price (except as provided for in Sections 3.07(c) hereof). The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest ceases to accrue on Notes or portions of Notes called for redemption.

**SECTION 3.05. Deposit of Redemption Price .**

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly, and in any event within two (2) Business Days after the Redemption Date, return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuer complies with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the applicable series of Notes or the portions of Notes called for redemption, whether or not such Notes are presented for payment. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

**SECTION 3.06. Notes Redeemed in Part .** Upon surrender of a Note that is redeemed in part, the Issuer shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; provided that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate of the Issuer is required for the Trustee to authenticate such new Note.

**SECTION 3.07. Optional Redemption .**

(a) At any time prior to May 15, 2018, the Notes may be redeemed or purchased (by the Issuer or any other Person), in whole or in part, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of the date of redemption (the "Redemption Date"), and, without duplication, accrued and unpaid interest to the Redemption Date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) On and after May 15, 2018 the Notes may be redeemed, at the Issuer's option, in whole or in part, at any time and from time to time at the applicable redemption price set forth below. The Notes will be redeemable at the applicable redemption price (expressed as a percentage of principal amount of the Notes to be redeemed) plus accrued and unpaid interest thereon to the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on May 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2018	102.563%
2019	101.708%
2020	100.854%
2021 and thereafter	100.000%

(c) Until May 15, 2016, the Issuer may, at its option on one or more occasions, redeem up to 40% of the then outstanding aggregate principal amount of Notes at a redemption price equal to 105.125% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, with the net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are contributed to the Issuer; provided that at least 50% of the sum of the aggregate principal amount of Notes originally issued under this Indenture and any Additional Notes issued under this Indenture, after the Issue Date remains outstanding immediately after the occurrence of each such redemption; provided, further, that each such redemption occurs within 180 days of the date of closing of each such Equity Offering. Notice of any redemption upon any Equity Offering may be given prior to the completion of the related Equity Offering, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Equity Offering.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

SECTION 3.08. Mandatory Redemption. The Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09. Collateral Asset Sale and Asset Sale Offers to Purchase.

(a) In the event that, pursuant to Section 4.10 hereof, the Issuer shall be required to commence a Collateral Asset Sale Offer or an Asset Sale Offer, it shall follow the procedures specified below.

(b) The Collateral Asset Sale Offer or Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five (5) Business Days after the termination of the Offer Period (the "Purchase Date"), the Issuer shall apply all Excess Proceeds or Collateral Excess Proceeds, as the case may be, (the "Offer Amount") to the purchase of Notes and, if required, Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, tendered in response to the Collateral Asset Sale Offer or Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Collateral Asset Sale Offer or Asset Sale Offer.

(d) Upon the commencement of a Collateral Asset Sale Offer or an Asset Sale Offer, the Issuer shall send, by first-class mail, postage prepaid, a notice to each of the Holders, with a copy to

The Collateral Asset Sale Offer or Asset Sale Offer shall be made to all Holders and holders of Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be. The notice, which shall govern the terms of the Collateral Asset Sale Offer or Asset Sale Offer, shall state:

(i) that the Collateral Asset Sale Offer or Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Collateral Asset Sale Offer or Asset Sale Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Collateral Asset Sale Offer or Asset Sale Offer shall cease to accrue interest on and after the Purchase Date;

(v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer may elect to have Notes purchased in denominations of \$2,000 or whole multiples of \$1,000 in excess thereof;

(vi) that Holders electing to have a Note purchased pursuant to any Collateral Asset Sale Offer or Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer by book-entry transfer, to the Issuer, the Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least two (2) Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, surrendered pursuant to such Collateral Asset Sale Offer or Asset Sale Offer by the Holders thereof exceeds the Offer Amount, the Trustee shall select the Notes and the Issuer or the agent for such Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, will select such Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, surrendered (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000 or whole multiples of \$1,000 in excess thereof are purchased);

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased; and

(x) any other procedures the Holders must follow in order to tender their Notes (or portions thereof) for payment and the procedures that Holders must follow in order to withdraw an election to tender Notes (or portions thereof) for payment.

(e) On or before the Purchase Date, the Issuer shall, to the extent lawful, (1) accept for payment, on a pro rata basis as described in clause (d)(viii) of this Section 3.09, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Collateral Asset Sale Offer or Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(f) The Issuer, the Depositary or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate of the Issuer is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Collateral Asset Sale Offer or Asset Sale Offer on or as soon as practicable after the Purchase Date.

(g) Prior to 11:00 a.m. (New York City time) on the purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the purchase price of and accrued and unpaid interest on all Notes to be purchased on that purchase date. The Trustee or the Paying Agent shall promptly, and in any event within two Business Days, return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the purchase price of, and accrued and unpaid interest on, all Notes to be redeemed.

To the extent that the provisions of any securities laws or regulations conflict with Section 4.10, this Section 3.09 or other provisions of this Indenture, the Issuer shall comply with applicable securities laws and regulations and shall not be deemed to have breached its obligations under Section 4.10, this Section 3.09 or such other provision by virtue of such compliance.

If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain such offices or agencies as required by Section 2.03 for such purposes. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein, including compliance with any of the covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or statements contained therein. The Trustee is entitled to assume such compliance and correctness unless a Responsible Officer of the Trustee is informed in writing otherwise.

(b) The Issuer shall provide S&P and Moody's (and their respective successors) with information on a periodic basis as S&P or Moody's, as the case may be, shall reasonably require in order to maintain public ratings of the Notes. In addition, the Issuer has agreed that, for so long as any Notes remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors that certify that they are qualified institutional buyers, upon their request, the information described above as well as all information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(7) Indebtedness of the Issuer or a Restricted Subsidiary to another Restricted Subsidiary; provided that any such Indebtedness owing by the Issuer or a Guarantor to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Notes or the Guarantee of the Notes, as the case may be; provided, further, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien) shall be deemed, in each case, to be an incurrence of such Indebtedness not permitted by this clause (7);

(8) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary, provided that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or a Restricted Subsidiary) shall be deemed in each case to be an issuance of such shares of Preferred Stock not permitted by this clause (8);

(A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced,

(B) to the extent such Refinancing Indebtedness refinances (i) Indebtedness subordinated or pari passu to the Notes or any Guarantee thereof, such Refinancing Indebtedness is subordinated or pari passu to the Notes or the Guarantee at least to the same extent as the Indebtedness being refinanced or refunded or (ii) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness must be Disqualified Stock or Preferred Stock, respectively, and

(A) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in the clause (a) of this Section 4.09, or

(B) the Consolidated Leverage Ratio is less than the Consolidated Leverage Ratio immediately prior to such acquisition or merger;

(14) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, provided that such Indebtedness is extinguished within two (2) Business Days of its incurrence;

(B) any guarantee by a Restricted Subsidiary of Indebtedness of the Issuer; provided that such Restricted Subsidiary shall comply with Section 4.15 hereof;

(17) Indebtedness of Foreign Subsidiaries of the Issuer in an amount not to exceed at any one time outstanding and together with any other Indebtedness incurred under this clause (17) 5.0% of the Foreign Subsidiary Total Assets (it being understood that any Indebtedness incurred pursuant to this clause (17) shall cease to be deemed incurred or outstanding for purposes of this clause (17) but shall be deemed incurred for the purposes of Section 4.09(a) from and after the first date on which such Foreign Subsidiary could have incurred such Indebtedness under Section 4.09(a) without reliance on this clause (17));

(18) Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Restricted Subsidiary incurred to finance or assumed in connection with an acquisition in a principal amount not to exceed \$200.0 million in the aggregate at any one time outstanding together with all other Indebtedness, Disqualified Stock and/or Preferred Stock issued under this clause (18) (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (18) shall cease to be deemed incurred or outstanding for purposes of this clause (18) but shall be deemed incurred for the purposes of Section 4.09(a) from and after the first date on which such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under Section 4.09(a) without reliance on this clause (18));

(19) Indebtedness consisting of Indebtedness issued by the Issuer or any of its Restricted Subsidiaries to future, current or former officers, directors, employees and consultants thereof or any direct or indirect parent thereof, their respective estates, heirs, family members, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Issuer, a Restricted Subsidiary or any of their respective direct or indirect parent companies to the extent described in clause (4) of Section 4.07(b) hereof; and

(20) cash management obligations and Indebtedness in respect of netting services, employee credit card programs and similar arrangements in connection with cash management and deposit accounts.

(c) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (20) of Section 4.09(b) or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Issuer, in its sole discretion,

may classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses; provided that all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (1) of Section 4.09(b) hereof; and

(2) at the time of incurrence or reclassification, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) or (b) hereof.

Accrual of interest, the accretion of accreted value and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Notwithstanding anything to the contrary, the Issuer will not, and will not permit any Restricted Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Issuer or such Restricted Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Restricted Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Restricted Guarantor, as the case may be. For the purposes of this Indenture, (1) unsecured Indebtedness is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness is not deemed to be subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

#### SECTION 4.10. Asset Sales.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause, make or suffer to exist an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; provided that the amount of:

(A) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes or that are owed to the Issuer or a Restricted Subsidiary, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(B) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed 5.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this Section 4.10(a)(2) and for no other purpose; and

(3) if such Asset Sale involves the disposition of Collateral, the Issuer or such Restricted Subsidiary has complied with the provisions of Article XII and the Security Documents.

(b) Within 15 months after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(A) Obligations constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) ( provided that (x) (A) to the extent that the terms of First Priority Lien Obligations, other than Senior Credit Facilities Obligations and Notes Obligations, require that such First Priority Lien Obligations are repaid relating to such Obligations with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness or (B) with respect to the Senior Credit Facilities Obligations, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Priority Lien Obligations prior to repaying the Notes Obligations and (y) subject to the foregoing clause (x), if the Issuer or any Guarantor shall so reduce First Priority Lien Obligations, the Issuer shall equally and ratably offer to purchase Obligations under the Notes pursuant to Section 3.07, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer (and after making such offer complying with the procedures set forth below, the amount of Collateral Excess Proceeds and Excess Proceeds shall be reduced by the amount of Net Proceeds so offered for purchase of Notes)) to all Holders of Notes to purchase a pro rata amount of their Notes at 100% of the principal amount thereof, plus accrued but unpaid interest); or

(B) Indebtedness constituting Pari Passu Indebtedness (other than First Priority Lien Obligations) so long as the Asset Sale proceeds are with respect to non-Collateral ( provided that if the Issuer shall so reduce Pari Passu Indebtedness that is unsecured, the Issuer will equally and ratably offer to purchase Notes Obligations in any manner set forth in clause (a) above) (and after making such offer complying with the procedures set forth below, the amount of Collateral Excess Proceeds and Excess Proceeds shall be reduced by the amount of Net Proceeds so offered for purchase of Notes)) to all Holders of Notes to purchase a pro rata amount of their Notes at 100% of the principal amount thereof, plus accrued but unpaid interest); or

(C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary; or

(2) to (a) make an Investment in any one or more businesses, provided that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) acquire properties, (c) make capital expenditures or (d) acquire other assets that, in the case of each of clauses (a), (b), (c) and (d) either (x) are used or useful in a Similar Business or (y) replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that, in the case of clause (2) of this Section 4.10(b), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an “ Acceptable Commitment ”) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a “ Second Commitment ”) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Collateral Excess Proceeds or Excess Proceeds, as the case may be.

(c) Any Net Proceeds from Asset Sales of Collateral that are not invested or applied as provided and within the time period set forth in Section 4.10(b) will be deemed to constitute “ Collateral Excess Proceeds.” When the aggregate amount of Collateral Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any other First Priority Lien Obligations, to the holders of such other First Priority Lien Obligations (a “ Collateral Asset Sale Offer ”), to purchase the maximum aggregate principal amount of the Notes and such First Priority Lien Obligations that is a minimum of \$2,000 or any integral multiple of \$1,000 (in each case in aggregate principal amount) that may be purchased out of the Collateral Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such First Priority Lien Obligations provide for the accretion of original issue discount, 100% of the accreted value thereof) plus accrued and unpaid interest any (or, in respect of such First Priority Lien Obligations, such lesser price, if any, as may be provided for by the terms of such First Priority Lien Obligations or such other Obligations) to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence a Collateral Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Collateral Excess Proceeds exceed \$100.0 million in accordance with the procedures set forth in Section 3.09.

To the extent that the aggregate principal amount of Notes and such First Priority Lien Obligations tendered pursuant to a Collateral Asset Sale Offer is less than the Collateral Excess Proceeds, the Issuer may use any remaining Collateral Excess Proceeds for general corporate purposes, subject to the other covenants contained herein. Upon completion of any such Collateral Asset Sale Offer, the amount of Collateral Excess Proceeds shall be reset at zero.

Any Net Proceeds from Asset Sales of non-Collateral that are not invested or applied as provided and within the time period set forth in the first sentence of the third preceding paragraph will be deemed to constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any Indebtedness that is pari passu in right of payment with the Notes (“Pari Passu Indebtedness”), to the holders of such Pari Passu Indebtedness (an “Asset Sale Offer”), to purchase the maximum aggregate principal amount of the Notes and such Pari Passu Indebtedness that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness provided for the accretion of original issue discount, 100% of the accreted value thereof) plus accrued and unpaid interest (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness) to the date fixed for the closing of such offer, in accordance with the procedures set forth herein. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceed \$100.0 million in accordance with the procedures set forth in Section 3.09.

To the extent that the aggregate principal amount of Notes and such Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(d) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(e) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10 or Section 3.09, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.10 by virtue thereof.

#### SECTION 4.11. Transactions with Affiliates.

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$25.0 million, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$75.0 million, a resolution adopted by the majority of the board of directors of the Issuer approving such Affiliate Transaction and set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a).

(b) The provisions of Section 4.11(a) will not apply to the following:

(1) transactions between or among the Issuer or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by Section 4.07 hereof and the definition of “Permitted Investments”;

(3) the payment of management, consulting, monitoring, transaction, advisory and termination fees and related expenses and indemnities, directly or indirectly, to the Investors or such other persons as they designate, in each case pursuant to the Sponsor Management Agreement or any similar agreement so long as such amount does not exceed the amounts otherwise payable under the Sponsor Management Agreement as in effect on the Issue Date (subject to the right to include additional designees to receive payment thereunder);

(4) the payment of reasonable and customary fees paid to, and indemnities provided on behalf of, officers, directors, employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis;

(6) any agreement as in effect as of the Issue Date (other than the Sponsor Management Agreement), or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);

(7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement, principal investors agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; provided, however, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders when taken as a whole;

(8) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the board of directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(9) the issuance of Equity Interests (other than Disqualified Stock) by the Issuer or a Restricted Subsidiary;

(10) sales of accounts receivable, or participations therein, in connection with any Receivables Facility;

(11) payments by the Issuer or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures which payments are approved by a majority of the board of directors of the Issuer in good faith;

(12) payments or loans (or cancellation of loans) to employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, severance arrangements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by a majority of the board of directors of the Issuer in good faith; and

(13) Investments by the Investors in debt securities of the Issuer or any of its Restricted Subsidiaries so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities.

SECTION 4.12. Liens. The Issuer will not, and will not permit any Restricted Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Issuer or any Restricted Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, other than Liens securing Indebtedness, which Liens are junior in priority to the Liens on such property or assets securing the Notes or the Guarantees.

The foregoing shall not apply to (a) Liens securing Indebtedness permitted to be incurred under Credit Facilities, including any letter of credit facility relating thereto, that was permitted by the terms of this Indenture to be incurred pursuant to clause (1) of Section 4.09(b) hereof and (b) Liens incurred to secure Obligations in respect of any Indebtedness permitted to be incurred pursuant to Section 4.09 hereof; provided that, with respect to Liens securing Obligations permitted under this subclause (b), at the time of incurrence of such Obligations and after giving pro forma effect thereto, the Consolidated First Lien Secured Debt Ratio would be no greater than 7.0 to 1.0; provided that, with respect to Liens securing First Priority Lien Obligations incurred pursuant to subclause (a) above or this subclause (b), the Notes are also secured by the assets subject to such Liens with the priority and subject to intercreditor arrangements, in each case, no less favorable to the Holders of the Notes than those set forth in the Inter-creditor Agreement.

SECTION 4.13. Corporate Existence. Subject to Article V hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate exist

ence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Issuer and its Restricted Subsidiaries; provided that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries (other than the Issuer), if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

SECTION 4.14. Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs, unless the Issuer has previously or concurrently sent a redemption notice with respect to all the outstanding Notes pursuant to Section 3.07 hereof, the Issuer shall make an offer to purchase all of the Notes pursuant to the offer described below (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer shall send notice of such Change of Control Offer by electronic transmission or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Note Register with a copy to the Trustee or otherwise in accordance with Applicable Procedures, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is sent (the “Change of Control Payment Date”);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes, provided that the paying agent receives, not later than the close of business on the fifth Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that the Holders whose Notes are being repurchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to a minimum of \$2,000 or an integral multiple of \$1,000 in principal amount in excess thereof;

(8) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (a) the notice is mailed in a manner herein provided and (b) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.14 by virtue thereof.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to "redeem," "redemption" and similar words shall be deemed to refer to "purchase," "repurchase" and similar words, as applicable.

SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries. The Issuer shall not permit any Restricted Subsidiary that is a Wholly Owned Subsidiary of the Issuer (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities), other than a Guarantor or a Foreign Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any other Guarantor unless:

(a) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture in form attached hereto as Exhibit D providing for a Guarantee by such Restricted Subsidiary, a joinder to the Security Agreement and joinders and/or amendments to any other Security Documents to the extent necessary to grant a Lien in favor of the Collateral Agent to secure the Notes Obligations in the assets of such Restricted Subsidiary required to be Collateral pursuant to the provisions of the Security Agreement and takes all action to perfect the liens and security interests granted under the Security Documents to the extent required by the Security Documents, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor's Guarantee; and

(b) such Restricted Subsidiary shall within 30 days deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee stating that the execution and delivery of the supplemental indenture and the Guarantor's Guarantee have been duly authorized, executed and delivered by such Guarantor in accordance with the terms of this Indenture and that such supplemental indenture and Guarantee constitute legal, valid, binding and enforceable obligations of the Guarantor party thereto;

provided that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

SECTION 4.16. Suspension of Covenants.

(a) If on any date following the Issue Date (the "Suspension Date") (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the Issuer and its Restricted Subsidiaries will not be subject to the following covenants (collectively, the "Suspended Covenants"):

- (1) Section 4.07 hereof;
- (2) Section 4.08 hereof;
- (3) Section 4.09 hereof;
- (4) Section 4.10 hereof;
- (5) Section 4.11 hereof;
- (6) Section 4.14 hereof;
- (7) Section 4.15 hereof; and
- (8) clause (4) of Section 5.01(a) hereof.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating and/or (b) the Issuer or any of its Affiliates enter into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events, including, without limitation, a proposed transaction described in clause (b) above.

(c) The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period.” Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Collateral Excess Proceeds and Excess Proceeds from Net Proceeds shall be reset at zero. In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any of its Restricted Subsidiaries prior to such reinstatement and available will give rise to a Default or Event of Default under this Indenture with respect to Notes; provided that (1) with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.07 hereof had been in effect prior to, but not during the Suspension Period, provided, further, that any Subsidiaries designated as Unrestricted Subsidiaries during the Suspension Period shall automatically become Restricted Subsidiaries on the Reversion Date (subject to the Issuer’s right to subsequently designate them as Unrestricted Subsidiaries in compliance with this Indenture) and (2) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been incurred or issued pursuant to clause (3) of Section 4.09(b) hereof.

(d) The Issuer shall deliver promptly to the Trustee an Officer’s Certificate of the Issuer notifying it of any event set forth under this Section 4.16 specifying, without limitation, the commencement and cessation of any Suspension Period.

SECTION 4.17. Further Assurances and After-Acquired Property. The Issuer and each Guarantor will comply with the terms of each Security Document to which it is a party.

SECTION 4.18. Insurance. The Issuer and each Guarantor will:

(a) keep their respective material insurable properties adequately insured in all material respects at all times by financially sound and reputable insurers to such extent and against such risks, including fire and other risks insured against by extended coverage, as is customary with companies in the same or similar businesses operating in the same or similar locations; and

(b) within 60 days of the Issue Date (or such longer period as the Collateral Agent shall agree to) and subject to the Intercreditor Agreement, cause all such policies covering any Collateral to be endorsed or otherwise amended to include a customary lender’s loss payable endorsement and, to the extent available on commercially reasonable terms, cause each such policy to provide that it shall not be canceled, modified or not renewed (i) by reason of nonpayment of premium unless not less than 10 days’ prior written notice thereof is given by the insurer to the Collateral Agent (giving the Collateral Agent the right to cure defaults in the payment of premiums) or (ii) for any other reason unless not less than 30 days’ prior written notice thereof is given by the insurer to the Collateral Agent.

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(A) the Successor Company or the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in Section 4.09(a) hereof, or

(B) the Consolidated Leverage Ratio would be equal to or less than the Consolidated Leverage Ratio immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (b)(1)(B) of this Section 5.01 hereof shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's Obligations under this Indenture, the Notes and the Security Documents; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture, the Notes and the Security Documents.

(1) the Issuer or a Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or a Restricted Guarantor; and

(2) the Issuer may merge with an Affiliate of the Issuer solely for the purpose of reorganizing the Issuer in a State of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

(b) Subject to Section 10.06 hereof, no Restricted Guarantor shall, and the Issuer shall not permit any Restricted Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or Restricted Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (A) such Restricted Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Restricted Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the jurisdiction of organization of such Restricted Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Restricted Guarantor or such Person, as the case may be, being herein called the “Successor Person”);

(B) the Successor Person, if other than such Restricted Guarantor, expressly assumes all the obligations of such Restricted Guarantor under this Indenture, such Restricted Guarantor’s related Guarantee and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(2) the transaction is made in compliance with Section 4.10 hereof.

Notwithstanding the foregoing, any Restricted Guarantor may merge into or transfer all or part of its properties and assets to another Restricted Guarantor or the Issuer.

**SECTION 5.02. Successor Corporation Substituted.** Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer or a Restricted Guarantor in accordance with Section 5.01(a) or Section 5.01(b)(1) hereof, the successor corporation formed by such consolidation or into or with which the Issuer or such Restricted Guarantor, as applicable, is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture and the Security Documents referring to the Issuer or such Restricted Guarantor, as applicable, shall refer instead to the successor corporation and not to the Issuer or such Restricted Guarantor, as applicable), and may exercise every right and power of the Issuer or such Restricted Guarantor, as applicable, under this Indenture and the Security Documents with the same effect as if such successor Person had been named as the Issuer or a Restricted Guarantor, as applicable, herein and therein; provided that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale, assignment, transfer, conveyance or other disposition of all of the Issuer’s assets that meets the requirements of Section 5.01 hereof.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An “Event of Default” wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(2) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 25% in principal amount of the Notes to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1) and (2) above) contained in this Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$100.0 million or more at any one time outstanding;

(5) failure by the Issuer or any Significant Party to pay final non-appealable judgments aggregating in excess of \$100.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 90 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding have been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) the Issuer or any Significant Party, pursuant to or within the meaning of any Bankruptcy Law:

(C) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; or

(D) makes a general assignment for the benefit of its creditors;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Party, in a proceeding in which the Issuer or any Significant Party, is to be adjudicated bankrupt or insolvent;

(B) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any Significant Party, or for all or substantially all of the property of the Issuer or any Significant Party; or

(C) orders the liquidation the Issuer or any Significant Party;

and the order or decree remains unstayed and in effect for 60 consecutive days;

(8) the Guarantee of any Significant Party shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Party, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture; or

(9) with respect to any Collateral having a fair market value in excess of \$100.0 million, individually or in the aggregate, (a) the security interest under the Security Documents, at any time, ceases to be in full force and effect for any reason other than in accordance with the terms of this Indenture, the Security Documents and the Intercreditor Agreement, except to the extent that any lack of perfection or priority results from any act or omission by the Collateral Agent (so long as such act or omission does not result from the breach or non-compliance by the Issuer or any Guarantor with this Indenture or the Security Documents), (b) any security interest created thereunder or hereunder is declared invalid or unenforceable by a court of competent jurisdiction or (c) the Issuer or any Guarantor asserts, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable.

#### SECTION 6.02. Acceleration.

(a) If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01 hereof) occurs and is continuing under this Indenture, the Trustee by notice to the Issuer or the Holders of at least 25% in principal amount of the then total outstanding Notes by notice to the Issuer and the Trustee, in either case specifying in such notice the respective Event of Default and that such notice is a "notice of acceleration," may declare the principal, interest and premium, if any, on all the then outstanding Notes to be due and payable. The Trustee shall have no obligation to accelerate the Notes if the Trustee determines, in its best judgment, that acceleration is not in the best interests of the Holders of the Notes. Upon the effectiveness of such declaration, such principal and interest shall be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01 hereof, all outstanding Notes shall be due and payable without further action or notice.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment or decree of a court of competent jurisdiction and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. In the event of any Event of Default specified in clause (4) of Section 6.01 hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or
- (2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults. Subject to Section 6.02 hereof, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority. Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits. Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (b) Holders of at least 25% in principal amount of the total outstanding Notes have requested the Trustee to pursue the remedy;
- (c) Holders of the Notes have offered the Trustee satisfactory security or indemnity against any loss, liability or expense;
- (d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (e) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with a Collateral Asset Sale Offer, an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein or in the Security Documents conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or in the Security Documents, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article VI, it shall, subject to the Intercreditor Agreement, pay out the money in the following order:

- (a) First, to the Trustee, such Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;
- (b) Second, to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (c) Third, to the Issuer or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

## ARTICLE VII

### TRUSTEE

#### SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the form required in this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of the Notes unless the Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and its Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate of the Issuer or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The recitals and statements contained herein and in the Notes, except those contained in any Trustee's certificate of authentication, shall be taken as the recitals and statements of the Issuer, and the Trustee or any authenticating agent assumes no responsibility for their correctness.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes. The Trustee shall not be deemed to know of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee in accordance with Section 13.02 hereof at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture.

SECTION 7.06. Reports by Trustee to Holders of the Notes. Within 60 days after each April 15, beginning with the April 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2) (to the extent applicable). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Issuer and each stock exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Issuer shall promptly notify the Trustee when the Notes are listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly

upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee (in its capacity as trustee) and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connective with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder except to the extent the Issuer has been materially prejudiced thereby. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

**SECTION 7.08. Replacement of Trustee.** A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof or Section 310 of the Trust Indenture Act;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

SECTION 7.11. Preferential Collection of Claims Against Issuer. The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

## ARTICLE VIII

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been

discharged from their Obligations with respect to all outstanding Notes and Guarantees (including their Obligations under the Security Documents with respect to the Notes Obligations) on the date the conditions set forth below are satisfied (“Legal Defeasance”). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be “outstanding” only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other Obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (b) the Issuer’s obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer’s obligations in connection therewith; and
- (d) this Section 8.02.

If the Issuer exercises under Section 8.01 the option applicable to this Section 8.02, subject to satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default under clauses (3), (4), (5), (6) (solely with respect to a Significant Party) and (7) (solely with respect to a Significant Party) of Section 6.01. Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

**SECTION 8.03. Covenant Defeasance.** Upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.17 and 4.18 hereof and clauses (4), (5) and (6) of Section 5.01(a) and Section 5.01(b) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (“Covenant Defeasance”), and the Notes shall thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(4), 6.01(5), 6.01(6) (solely with respect to a Significant Party), 6.01(7) (solely with respect to a Significant Party), 6.01(8) and 6.01(9) hereof shall not constitute Events of Default.

---

SECTION 8.04. Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal amount, premium, if any, or interest on such Notes and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date.

(b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(i) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(ii) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Existing Senior Notes, the indentures pursuant to which the Existing Senior Notes were issued or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of

funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness to the extent such Indebtedness is simultaneously being discharged or repaid, and the granting of Liens in connection therewith);

(f) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(g) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes. Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Issuer. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuer makes any payment

of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE IX

### AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes. Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture, the Notes, any Guarantee, any Security Document or the Intercreditor Agreement without the consent of any Holder:

- (a) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (b) to provide for uncertificated Notes of such series in addition to or in place of Definitive Notes;
- (c) to comply with Section 5.01 hereof;
- (d) to provide the assumption of the Issuer's or any Guarantor's obligations to the Holders;
- (e) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture, the Notes, the Guarantee, the Security Documents or the Intercreditor Agreement of any such Holder;
- (f) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;
- (g) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;
- (h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;
- (i) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;
- (j) to add a Guarantor under this Indenture, the Security Documents or the Intercreditor Agreement;
- (k) to conform the text of this Indenture, Guarantees, the Intercreditor Agreement, the Security Documents or the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum to the extent that such provision in such "Description of the Notes" section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee, the Intercreditor Agreement, the Security Documents or Notes;
- (l) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this In-

denture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(m) to add or release Collateral from, or subordinate, the Lien of the Security Documents when permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement;

(n) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Collateral Agent for the benefit of the Holders of the Notes, as additional security for the payment and performance of all or any portion of the Notes Obligations, on any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or on which a Lien is required to be granted to or for the benefit of the Trustee or the Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise; and

(o) to add additional holders of any additional Series of First Priority Lien Obligations to any Security Documents or the Intercreditor Agreement.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, an Opinion of Counsel shall not be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto.

**SECTION 9.02. With Consent of Holders of Notes.** Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture, the Notes, the Guarantees, the Intercreditor Agreement or any Security Documents with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof, Section 2.09 hereof and Section 2.14 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (a) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal amount of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Note (other than provisions relating to Section 3.09, Section 4.10 and Section 4.14 hereof);
- (c) reduce the rate of or change the time for payment of interest on any Note;
- (d) waive a Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration) or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of each Holder affected thereby;
- (e) make any Note payable in money other than that stated therein;
- (f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;
- (g) make any change in these amendment and waiver provisions;
- (h) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;
- (i) make any change to the ranking in right of payment of the Notes that would adversely affect the Holders; or
- (j) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Party in any manner adverse to the Holders of the Notes.

In addition, without the consent of the Holders of at least two-thirds in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may modify any Security

Document or the provisions of this Indenture dealing with the Security Documents or application of Trust Monies in any manner, in each case that would subordinate the Lien of the Collateral Agent to the Liens securing any other Obligations (other than as contemplated under clause (m) of Section 9.01 and the last sentence of Section 12.04(a)) or otherwise release all or substantially all of the Collateral, in each case other than in accordance with this Indenture, the Security Documents and the Intercreditor Agreement.

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies in all material respects with the Trust Indenture Act as then in effect.

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. None of the Issuer nor any Guarantor may sign an amendment, supplement or waiver until the board of directors (or similar governing body) approves it. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive, and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03). Notwithstanding the foregoing, an Opinion of Counsel shall not be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D.

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

## ARTICLE X

### GUARANTEES

SECTION 10.01. Guarantee. Subject to this Article X, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Indenture, the Notes or the obligations of Issuer hereunder or thereunder, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer or any Guarantor, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article

VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Unless and until released in accordance with Section 10.06, each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

**SECTION 10.02. Limitation on Guarantor Liability.** Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

**SECTION 10.03. Execution and Delivery.** To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture or a supplement indenture hereto in substantially the form of Exhibit D hereto, as the case may be, shall be executed on behalf of such Guarantor by its President, one of its Vice Presidents or one of its Assistant Vice Presidents.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 or Section 10.01 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article X, to the extent applicable.

SECTION 10.04. Subrogation. Each Guarantor shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

SECTION 10.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06. Release of Guarantees. A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

(a) (A) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all the assets of such Guarantor, in each case made in compliance with the applicable provisions of this Indenture;

(B) the release or discharge of the guarantee by such Guarantor of Indebtedness under the Senior Credit Facilities or such other guarantee that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with Section 4.07 and the definition of "Unrestricted Subsidiary"; or

(D) the exercise by the Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Issuer's obligations under this Indenture in accordance with the terms of this Indenture; and

(b) such Guarantor delivering to the Trustee an Officer's Certificate of such Guarantor and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.01. Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(a) all Notes heretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has heretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (A) all Notes not heretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption and redeemed within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not heretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(B) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness to the extent such Indebtedness is simultaneously being discharged or repaid and the granting of Liens in connection therewith) with respect to this Indenture or the Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Existing Senior Notes, the indentures governing the Existing Senior Notes or any other material agreement or instrument governing Indebtedness (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

(C) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(D) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuer shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (b) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive.

SECTION 11.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee

may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

(c) Subject to the Intercreditor Agreement, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the Liens of the Security Documents or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents.

#### SECTION 12.04. Release of Collateral.

(a) Collateral may be released from the Lien and security interest created by the Security Documents to secure the Notes Obligations at any time or from time to time as required by the terms of the Intercreditor Agreement and this Section 12.04. The applicable assets included in the Collateral shall be automatically released from the Liens securing the Notes and the Notes Obligations under any one or more of the following circumstances:

(1) to enable the Issuer and the Guarantors to consummate the sale, transfer or other disposition of such property or assets to the extent not prohibited under Section 4.10 other than any such sale or disposition to the Issuer or Guarantor;

(2) the release of Excess Proceeds or Collateral Excess Proceeds that remain unexpended after the conclusion of an Asset Sale Offer or a Collateral Asset Sale Offer conducted in accordance with Section 3.09;

(3) in respect of the property and assets of a Guarantor, upon (A) the designation of such Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.07 and the definition of "Unrestricted Subsidiary" or (B) the release of such Guarantor from its guarantee under Section 10.06;

(4) in respect of the property and assets of a Guarantor, upon the release or discharge of the security interest granted by such Guarantor to secure the obligations under the Senior Credit Facilities or any other Indebtedness or the guarantee of any other Indebtedness which resulted in the obligation to become a Guarantor with respect to the Notes other than in connection with a release or discharge by or as a result of payment in full in respect of the Senior Credit Facilities or such other Indebtedness;

(5) as described in the first sentence of this Section 12.04(a) in accordance with the Intercreditor Agreement; and

(6) as permitted under Section 9.02.

In addition, the Liens granted pursuant to the Security Documents securing the Notes Obligations shall automatically terminate and/or be released in full all without delivery of any instrument or performance of any act by any party as of the date upon (i) all the Obligations under the Notes and this Indenture (other than contingent or unliquidated obligations or liabilities not then due) have been paid in full in cash or immediately available funds or (ii) a Legal Defeasance or Covenant Defeasance under Article VIII or a discharge in accordance with Article XI.

Upon the receipt of an Officer's Certificate from the Issuer, as described in Section 12.04(b) below and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreement.

The Liens on Collateral shall also be automatically subordinated to the extent Liens on such Collateral securing the Senior Credit Facilities are also subordinated pursuant to the requirements set forth in the Senior Credit Facilities.

(b) Notwithstanding anything herein to the contrary, in connection with (x) any release of Collateral pursuant to Section 12.04(a)(2), (3), (4) or (6) above, such Collateral may not be released from the Lien and security interest created by the Security Documents and (y) any release of Collateral pursuant to Section 12.04(a)(1) or (5), the Collateral Agent shall not be required to execute, deliver or acknowledge any instruments of termination, satisfaction or release unless, in each case, an Officer's Certificate and Opinion of Counsel certifying that all conditions precedent, including, without limitation, this Section 12.04, have been met and stating under which of the circumstances set forth in Section 12.04(a) above the Collateral is being released have been delivered to the Collateral Agent on or prior to the date of such release or, in the case of clause (y) above, the date on which the Collateral Agent executes any such instrument. The Trustee shall be entitled to receive and rely on Officer's Certificates and Opinions of Counsel delivered to the Collateral Agent under this Section 12.04(b).

**SECTION 12.05. Powers Exercisable by Receiver or Trustee.** In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article XII; and if the Trustee or the Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Collateral Agent, as the case may be.

SECTION 12.06. No Fiduciary Duties; Collateral. The Trustee shall not be deemed to owe any fiduciary duty to any Additional First Lien Secured Party and shall not be liable to any such Additional First Lien Secured Party if the Trustee shall in good faith mistakenly pay over or distribute to Holders of Notes or to the Issuer or to any other person cash, property or securities to which any Additional First Lien Secured Party shall be entitled by virtue of this Article or otherwise. With respect to the Additional First Lien Secured Parties, the Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in this Article and the Intercreditor Agreement and no implied covenants or obligations with respect to the Additional First Lien Secured Parties shall be read into this Indenture against the Trustee.

Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

SECTION 12.07. Intercreditor Agreement Controls. Upon the Trustee's entry into the Joinder, the Holders of the Notes and the Trustee will be subject to and bound by the provisions of the Intercreditor Agreement as "Additional First Lien Secured Parties" thereunder. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to the Security Documents and all rights and obligations of the Trustee hereunder are expressly subject to the Intercreditor Agreement and (ii) the exercise of any right or remedy by the Trustee hereunder is subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of the Intercreditor Agreement and the terms of this Indenture, the terms of the Intercreditor Agreement shall govern.

2. Method of Payment. The Issuer will pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Cash payment of interest may be made by check mailed to the Holders at their addresses set forth in the Register, provided that [all cash payments of principal, premium, if any, and interest on, this Note will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof] [all cash payments of principal, premium, if any, and interest on, this Note will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion)]. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

This Note is one of a duly authorized issue of notes of the Issuer designated as its 5 1/8 % Senior Secured Notes due 2023. The Issuer shall be entitled to issue Additional Notes pursuant to Section 2.01 of the Indenture. The Notes and any Additional Notes issued under the Indenture shall be treated as a single class of securities under the Indenture. The terms of the Notes include those stated in the Indenture and those incorporated by reference into the Indenture from the Trust Indenture Act of 1939, as

amended (the “Trust Indenture Act”). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

5. Optional Redemption.

7. Offers to Repurchase. Upon the occurrence of a Change of Control, the Issuer shall make a Change of Control Offer in accordance with Section 4.14 of the Indenture. In connection with certain Asset Sales, the Issuer shall make a Collateral Asset Sale Offer or an Asset Sale Offer as and when provided in accordance with Section 4.10 of the Indenture.

8. Collateral and Intercreditor Agreement. These Notes and any Guarantee by a Guarantor are secured by a security interest in the Collateral pursuant to certain of the Security Documents. The Liens securing the Notes and the Guarantees are subject to the terms of the Intercreditor Agreement.

9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. 12. Defaults and Remedies. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a non-consenting Holder. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required within five (5) Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuer is taking or proposes to take with respect thereto.

---

13. Authentication. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

14. GOVERNING LAW. THE LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THE NOTES AND THE GUARANTEES.

15. CUSIP and ISIN Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuer at the following address:

“Consolidated First Lien Secured Debt Ratio” means, as of the date of determination, the ratio of (a) the Consolidated Indebtedness of the Issuer and its Restricted Subsidiaries on such date constituting First Priority Lien Obligations less the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of the Issuer and its Restricted Subsidiaries and held by the Issuer and its Restricted Subsidiaries as of such date of determination, as determined in accordance with GAAP, to (b) EBITDA of the Issuer and its Restricted Subsidiaries for the most recently ended four fiscal quarters ending immediately prior to such date for which internal financial statements are available.

In the event that the Issuer or any Restricted Subsidiary (i) incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness or (ii) issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Consolidated First Lien Secured Debt Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated First Lien Secured Debt Ratio is made (the “Consolidated First Lien Secured Debt Ratio Calculation Date”), then the Consolidated First Lien Secured Debt Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made (or committed to be made pursuant to a definitive agreement) during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated First Lien Secured Debt Ratio Calculation Date, and other operational changes that the Issuer or any of its Restricted Subsidiaries has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated First Lien Secured Debt Ratio Calculation Date shall be calculated on a pro forma basis in accordance with GAAP assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated First Lien Secured Debt Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable determination of the Issuer as set forth in an Officer’s Certificate, to reflect (1) operating expense reductions and other operating improvements or synergies reasonably expected to result from any acquisition, amalgamation, merger or operational change; and (2) all adjustments of the nature used in connection with the calculation of “Adjusted EBITDA” as set forth in footnote (1) to the “Summary Historical and Pro Forma Consolidated Financial Data” under “Offering Circular Summary” in the offering circular with respect to the Issuer’s 2015 Notes dated March 1, 2007 to the extent such adjustments, without duplication, continue to be applicable to such four-quarter period; provided that (x) such operating expense reductions and other operating improvements or synergies are reasonably identifiable and factually supportable, (y) with respect to operational changes, such actions are taken no later than 48 months after the Issue Date and (z) the aggregate amount of projected operating expense reductions, operating improvements and synergies in respect of operational changes (not resulting from an acquisition) included in any pro forma calculation shall not exceed \$80.0 million for any four consecutive quarter period.

For the purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination determined in a manner consistent with that used in calculating EBITDA for the applicable period.

“Consolidated Indebtedness” means, as of any date of determination, the sum, without duplication, of (1) the total amount of Indebtedness of the Issuer and its Restricted Subsidiaries, plus (2) the greater of the aggregate liquidation value and maximum fixed repurchase price without regard to any change of control or redemption premiums of all Disqualified Stock of the Issuer and the Restricted Guarantors and all Preferred Stock of its Restricted Subsidiaries that are not Guarantors, in each case, determined on a consolidated basis in accordance with GAAP.

(4) interest income of such Person and its Restricted Subsidiaries for such period.

“Consolidated Leverage Ratio” means, as of the date of determination, the ratio of (a) the Consolidated Indebtedness of the Issuer and its Restricted Subsidiaries on such date less the amount of cash and Cash Equivalents in excess of any Restricted Cash that would be stated on the balance sheet of the Issuer and its Restricted Subsidiaries and held by the Issuer and its Restricted Subsidiaries as of such date of determination, as determined in accordance with GAAP, to (b) EBITDA of the Issuer and its Restricted Subsidiaries for the most recently ended four fiscal quarters ending immediately prior to such date for which internal financial statements are available.

In the event that the Issuer or any Restricted Subsidiary (i) incurs, redeems, retires or extinguishes any Indebtedness or (ii) issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Consolidated Leverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Leverage Ratio is made (the “Consolidated Leverage Ratio Calculation Date”), then the Consolidated Leverage Ratio shall be calculated giving pro forma effect to such incurrence, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP), in each case with respect to an operating unit of a business made (or committed to be made pursuant to a definitive agreement) during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Ratio Calculation Date, and other operational changes that the Issuer or any of its Restricted Subsidiaries has determined to make and/or made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Leverage Ratio Calculation Date shall be calculated on a pro forma basis in accordance with GAAP assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Issuer or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, in each case with respect to an operating unit of a business, that would have required adjustment pursuant to this definition, then the Consolidated Leverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation, discontinued operation or operational change had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation or operational change, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Issuer. Any such pro forma calculation may include adjustments appropriate, in the reasonable determination of the Issuer as set forth in an Officer's Certificate, to reflect (1) operating expense reductions and other operating improvements or synergies reasonably expected to result from any acquisition, amalgamation, merger or operational change and (2) all adjustments of the nature used in connection with the calculation of "Adjusted EBITDA" as set forth in footnote (1) to the "Summary Historical and Pro Forma Consolidated Financial Data" under "Offering Circular Summary" in the offering circular with respect to the Issuer's 2015 Notes dated March 1, 2007 to the extent such adjustments, without duplication, continue to be applicable to such four-quarter period; provided that (x) such operating expense reductions and other operating improvements or synergies are reasonably identifiable and factually supportable, (y) with respect to operational changes, such actions are taken no later than 48 months after the Issue Date and (z) the aggregate amount of projected operating expense reductions, operating improvements and synergies in respect of operational changes (not resulting from an acquisition) included in any pro forma calculation shall not exceed \$80.0 million for any four consecutive quarter period.

For the purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination determined in a manner consistent with that used in calculating EBITDA for the applicable period.

up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions by increasing the aggregate principal amount of such Global Note. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(iv) Neither the Registrar nor the Issuer shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date with respect to such Note and the next succeeding Interest Payment Date with respect to such Note.

(ix) The Trustee is hereby authorized and directed to enter into a letter of representation with the Depositary in the form provided by the Issuer and to act in accordance with such letter.

**SECTION 2.07. Replacement Notes.** If any mutilated Note is surrendered to the Trustee, the Registrar or the Issuer and the Trustee receives evidence to its satisfaction of the ownership and destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note issued in accordance with this Section 2.07 is a contractual obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

SECTION 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

SECTION 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, a Guarantor or by any Affiliate of the Issuer or a Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Issuer, a Guarantor or any obligor upon the Notes or any Affiliate of the Issuer, a Guarantor or of such other obligor.

SECTION 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy cancelled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Issuer shall fix or cause to be fixed any such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before any such special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed, first-class postage prepaid, to each Holder, with a copy to the Trustee, a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13. CUSIP/ISIN Numbers. The Issuer in issuing the Notes may use CUSIP and ISIN numbers (in each case, if then generally in use) and, if so, the Trustee shall use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will as promptly as practicable notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

SECTION 2.14. Calculation of Principal Amount of Securities. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.08 and Section 2.09 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

### ARTICLE III

#### REDEMPTION

SECTION 3.01. Notices to Trustee. If the Issuer elects to redeem the Notes pursuant to Section 3.07 hereof, it shall furnish to the Trustee, at least two (2) Business Days (or such shorter period as allowed by the Trustee) before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 3.03 hereof but not more than 60 days before a Redemption Date, an Officer's Certificate of the Issuer setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes, to be redeemed and (iv) the redemption price.

SECTION 3.02. Selection of Notes to Be Redeemed. If less than all of the Notes are to be redeemed at any time, the Trustee shall select the Notes of such series to be redeemed (a) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed or (b) on a pro rata basis to the extent practicable, or, if the pro rata basis is not practicable for any reason, by lot or by such other method the Trustee shall deem fair and appropriate. In the event of partial redemption by lot, the particular Notes to be redeemed shall be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; no Notes of less than \$2,000 can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000 shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

SECTION 3.03. Notice of Redemption. Subject to Section 3.09 hereof, the Issuer shall mail or cause to be mailed by first-class mail notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address appearing in the Note Register or otherwise in accordance with Applicable Procedures, provided, that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article VIII or Article XI hereof. Any notice of redemption may be subject to one or more conditions precedent.

The notice shall identify the Notes to be redeemed and shall state:

(a) the Redemption Date;

(b) the appropriate method for calculation of the redemption price, but need not include the redemption price itself; the actual redemption price shall be set forth in an Officer's Certificate delivered to the Trustee no later than two (2) Business Days prior to the Redemption Date unless the redemption is pursuant to Section 3.07(a) hereof, in which case such Officer's Certificate should be delivered on the Redemption Date;

(c) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder of the Notes upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;

(h) the CUSIP and ISIN number, if any, printed on the Notes being redeemed and that no representation is made as to the correctness or accuracy of any such CUSIP and ISIN number that is listed in such notice or printed on the Notes; and

(i) if in connection with a redemption pursuant to Section 3.07(c) hereof, any condition to such redemption.

At the Issuer's request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; provided that the Issuer shall have delivered to the Trustee, at least ten days before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate of the Issuer requesting that the Trustee give such notice (in which case the Issuer shall provide to the Trustee the complete form of such notice in the name and at the expense of the Issuer) and setting forth the information to be stated in such notice as provided in the preceding paragraph.

The Issuer may provide in the notice of redemption that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption or purchase may be performed by another Person.

**SECTION 3.04. Effect of Notice of Redemption** . Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price (subject to any conditions precedent relating thereto). The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05 hereof, on and after the Redemption Date, interest ceases to accrue on Notes or portions of Notes called for redemption.

**SECTION 3.05. Deposit of Redemption Price** .

(a) Prior to 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly, and in any event within two (2) Business Days after the Redemption Date, return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed.

(b) If the Issuer complies with the provisions of the preceding paragraph (a), on and after the Redemption Date, interest shall cease to accrue on the applicable series of Notes or the portions of Notes called for redemption, whether or not such Notes are presented for payment. If a Note is redeemed on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

SECTION 3.06. Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Issuer shall issue and the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; provided that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate of the Issuer is required for the Trustee to authenticate such new Note.

SECTION 3.07. Optional Redemption.

(a) At any time prior to February 15, 2020, the Notes may be redeemed or purchased (by the Issuer or any other Person), in whole or in part, at a redemption price equal to 100% of the principal amount of Notes redeemed plus the Applicable Premium as of the date of redemption (the "Redemption Date"), and, without duplication, accrued and unpaid interest to the Redemption Date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) On and after February 15, 2020 the Notes may be redeemed, at the Issuer's option, in whole or in part, at any time and from time to time at the applicable redemption price set forth below. The Notes will be redeemable at the applicable redemption price (expressed as a percentage of principal amount of the Notes to be redeemed) plus accrued and unpaid interest thereon to the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2020	102.563%
2021	101.708%
2022	100.854%
2023 and thereafter	100.000%

(c) Until February 15, 2018, the Issuer may, at its option on one or more occasions, redeem up to 40% of the then outstanding aggregate principal amount of Notes at a redemption price equal to 105.125% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, with the net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are contributed to the Issuer; provided that at least 50% of the sum of the aggregate principal amount of Notes originally issued under this Indenture and any Additional Notes issued under this Indenture, after the Issue Date remains outstanding immediately after the occurrence of each such redemption; provided, further, that each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

SECTION 3.08. Mandatory Redemption. The Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

SECTION 3.09. Collateral Asset Sale and Asset Sale Offers to Purchase.

(a) In the event that, pursuant to Section 4.10 hereof, the Issuer shall be required to commence a Collateral Asset Sale Offer or an Asset Sale Offer, it shall follow the procedures specified below.

(b) The Collateral Asset Sale Offer or Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the “Offer Period”). No later than five (5) Business Days after the termination of the Offer Period (the “Purchase Date”), the Issuer shall apply all Excess Proceeds or Collateral Excess Proceeds, as the case may be, (the “Offer Amount”) to the purchase of Notes and, if required, Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, tendered in response to the Collateral Asset Sale Offer or Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Collateral Asset Sale Offer or Asset Sale Offer.

(d) Upon the commencement of a Collateral Asset Sale Offer or an Asset Sale Offer, the Issuer shall send, by first-class mail, postage prepaid, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Collateral Asset Sale Offer or Asset Sale Offer. The Collateral Asset Sale Offer or Asset Sale Offer shall be made to all Holders and holders of Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be. The notice, which shall govern the terms of the Collateral Asset Sale Offer or Asset Sale Offer, shall state:

(i) that the Collateral Asset Sale Offer or Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Collateral Asset Sale Offer or Asset Sale Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Collateral Asset Sale Offer or Asset Sale Offer shall cease to accrue interest on and after the Purchase Date;

(v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer may elect to have Notes purchased in denominations of \$2,000 or whole multiples of \$1,000 in excess thereof;

(vi) that Holders electing to have a Note purchased pursuant to any Collateral Asset Sale Offer or Asset Sale Offer shall be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Note completed, or transfer by book-entry transfer, to the Issuer, the Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least two (2) Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, surrendered pursuant to such Collateral Asset Sale Offer or Asset Sale Offer by the Holders thereof exceeds the Offer Amount, the Trustee shall select the Notes and the Issuer or the agent for such Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, will select such Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness or other First Priority Lien Obligations, as the case may be, surrendered (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000 or whole multiples of \$1,000 in excess thereof are purchased);

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased; and

(x) any other procedures the Holders must follow in order to tender their Notes (or portions thereof) for payment and the procedures that Holders must follow in order to withdraw an election to tender Notes (or portions thereof) for payment.

(e) On or before the Purchase Date, the Issuer shall, to the extent lawful, (1) accept for payment, on a pro rata basis as described in clause (d)(viii) of this Section 3.09, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Collateral Asset Sale Offer or Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(f) The Issuer, the Depositary or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate of the Issuer is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Issuer shall publicly announce the results of the Collateral Asset Sale Offer or Asset Sale Offer on or as soon as practicable after the Purchase Date.

(g) Prior to 11:00 a.m. (New York City time) on the purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the purchase price of and accrued and unpaid interest on all Notes to be purchased on that purchase date. The Trustee or the Paying Agent shall promptly, and in any event within two Business Days, return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the purchase price of, and accrued and unpaid interest on, all Notes to be redeemed.

Other than as specifically provided in this Section 3.09 or Section 4.10 hereof, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 hereof, and references therein to “redeem,” “redemption” and similar words shall be deemed to refer to “purchase,” “repurchase” and similar words, as applicable. To the extent that the provisions of any securities laws or regulations conflict with Section 4.10, this Section 3.09 or other provisions of this Indenture, the Issuer shall comply with applicable securities laws and regulations and shall not be deemed to have breached its obligations under Section 4.10, this Section 3.09 or such other provision by virtue of such compliance.

Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

SECTION 4.02. Maintenance of Office or Agency. The Issuer shall maintain the offices or agencies (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) required under Section 2.03 where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain such offices or agencies as required by Section 2.03 for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein, including compliance with any of the covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or statements contained therein. The Trustee is entitled to assume such compliance and correctness unless a Responsible Officer of the Trustee is informed in writing otherwise.

(b) The Issuer shall provide S&P and Moody's (and their respective successors) with information on a periodic basis as S&P or Moody's, as the case may be, shall reasonably require in order to maintain public ratings of the Notes. In addition, the Issuer has agreed that, for so long as any Notes remain outstanding, it will furnish to the Holders and to securities analysts and prospective investors that certify that they are qualified institutional buyers, upon their request, the information described above as well as all information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) The Issuer shall either (1) maintain a website (which may be non-public) to which Holders, prospective investors that certify that they are qualified institutional buyers, securities analysts and market makers ("Permitted Parties") are given access and to which such information is posted or (2) file such information with the SEC.

(d) For so long as any Notes are outstanding, the Issuer shall also:

(A) within 15 Business Days after filing with the Trustee the annual and quarterly information required pursuant to clauses (1) and (2) above, hold a conference call for Permitted Parties to discuss such reports and the results of operations for the relevant reporting period; and

(B) employ commercially reasonable means expected to reach Permitted Parties no fewer than three (3) Business Days prior to the date of the conference call required to be held in accordance with clause (A) above, to announce the time and date of such conference call and either include all information necessary to access the call or direct Permitted Parties to contact the appropriate person at the Issuer to obtain such information.

(e) If at any time any direct or indirect parent becomes a Guarantor (there being no obligation of any such parent to do so), such entity holds no material assets other than cash, Cash Equivalents and the Capital Stock of the Issuer or any other direct or indirect parent of the Issuer (and performs the related incidental activities associated with such ownership) and would comply with the requirements of Rule 3-10 of Regulation S-X promulgated by the SEC (or any successor provision), the reports, information and other documents required to be furnished to Holders of the Notes pursuant to this covenant may, at the option of the Issuer, be furnished by and be those of parent rather than the Issuer.

#### SECTION 4.04. Compliance Certificate.

(a) The Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year ending after the Issue Date, a certificate from the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Issuer and its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Issuer and its Restricted Subsidiaries have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Issuer and its Restricted Subsidiaries have kept, observed, performed and fulfilled each and every condition and covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto). Except with respect to receipt of payment on Notes required by this Indenture and any Default or Event of Default information contained in an Officer's Certificate delivered to it pursuant to this Section 4.04, the Trustee shall have no duty to review, ascertain or confirm the Issuer's compliance with or breach of any representation, warranty or covenant made in this Indenture.

(b) When any Default has occurred and is continuing under this Indenture, or if the Trustee or the holder of any other evidence of Indebtedness of the Issuer or any Subsidiary gives any notice or takes any other action with respect to a claimed Default, the Issuer shall, within five (5) Business Days after becoming aware of such Default, deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such Default and what action the Issuer is taking or proposes to take with respect thereto.

SECTION 4.05. Taxes. The Issuer shall pay, and shall cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate negotiations or proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

SECTION 4.06. Stay, Extension and Usury Laws. The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.07. Limitation on Restricted Payments.

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any payment or distribution on account of the Issuer's or any Restricted Subsidiary's Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation other than:

(A) dividends or distributions payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or

(B) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly Owned Subsidiary of the Issuer, the Issuer or a Restricted Subsidiary receives at least its pro rata share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(ii) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent of the Issuer, including in connection with any merger or consolidation;

(a) any Indebtedness, Disqualified Stock or Preferred Stock incurred as permitted under Section 4.09(a) and clauses (2), (3), (4), (11)(a) and (13) of this Section 4.09(b), or

(b) any Indebtedness, Disqualified Stock or Preferred Stock issued to so refund or refinance the Indebtedness, Disqualified Stock or Preferred Stock described in clause (12)(a) above

including, in each case, additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay premiums (including tender premiums), accrued and unpaid interest with respect to such Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced, defeasance costs and fees and expenses in connection therewith (collectively, the “Refinancing Indebtedness”) prior to its respective maturity; provided, however, that such Refinancing Indebtedness

(A) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced,

(B) to the extent such Refinancing Indebtedness refinances (i) Indebtedness subordinated or pari passu to the Notes or any Guarantee thereof, such Refinancing Indebtedness is subordinated or pari passu to the Notes or the Guarantee at least to the same extent as the Indebtedness being refinanced or refunded or (ii) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness must be Disqualified Stock or Preferred Stock, respectively, and

(C) shall not include:

(i) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary that is not a Guarantor that refinances Indebtedness, Disqualified Stock or Preferred Stock of the Issuer;

(ii) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary that is not a Guarantor that refinances Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Guarantor; or

(iii) Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Restricted Subsidiary that refinances Indebtedness, Disqualified Stock or Preferred Stock of an Unrestricted Subsidiary; and provided, further, that subclause (A) of this clause (12) will not apply to any refunding or refinancing of Indebtedness under a Credit Facility;

(13) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Issuer or a Restricted Subsidiary incurred to finance an acquisition or (y) Persons that are acquired by the Issuer or any Restricted Subsidiary or merged into the Issuer or a Restricted Subsidiary in accordance with the terms of this Indenture; provided that either

(a) such Indebtedness, Disqualified Stock or Preferred Stock:

(A) is not Secured Indebtedness and is Subordinated Indebtedness;

(B) is not incurred while a Default exists and no Default shall result therefrom; and

(C) matures and does not require any payment of principal prior to the final maturity or the Notes (other than in a manner consistent with the terms of this Indenture); or

(b) after giving effect to such acquisition or merger, either

(A) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in the clause (a) of this Section 4.09, or

(B) the Consolidated Leverage Ratio is less than the Consolidated Leverage Ratio immediately prior to such acquisition or merger;

(14) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, provided that such Indebtedness is extinguished within two (2) Business Days of its incurrence;

(15) Indebtedness of the Issuer or any of its Restricted Subsidiaries supported by a letter of credit issued pursuant to the Credit Facilities, in a principal amount not in excess of the stated amount of such letter of credit;

(16) (A) any guarantee by the Issuer or a Restricted Subsidiary of Indebtedness or other obligations of any Restricted Subsidiary so long as the incurrence of such Indebtedness incurred by such Restricted Subsidiary is permitted under the terms of this Indenture, or

(B) any guarantee by a Restricted Subsidiary of Indebtedness of the Issuer; provided that such Restricted Subsidiary shall comply with Section 4.15 hereof;

(17) Indebtedness of Foreign Subsidiaries of the Issuer in an amount not to exceed at any one time outstanding and together with any other Indebtedness incurred under this clause (17) 5.0% of the Foreign Subsidiary Total Assets (it being understood that any Indebtedness incurred pursuant to this clause (17) shall cease to be deemed incurred or outstanding for purposes of this clause (17) but shall be deemed incurred for the purposes of Section 4.09(a) from and after the first date on which such Foreign Subsidiary could have incurred such Indebtedness under Section 4.09(a) without reliance on this clause (17));

(18) Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Restricted Subsidiary incurred to finance or assumed in connection with an acquisition in a principal amount not to exceed \$200.0 million in the aggregate at any one time outstanding together with all other Indebtedness, Disqualified Stock and/or Preferred Stock issued under this clause (18) (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (18) shall cease to be deemed incurred or outstanding for purposes of this clause (18) but shall be deemed incurred for the purposes of Section 4.09(a) from and after the first date on which such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under Section 4.09(a) without reliance on this clause (18));

(19) Indebtedness consisting of Indebtedness issued by the Issuer or any of its Restricted Subsidiaries to future, current or former officers, directors, employees and consultants thereof or any direct or indirect parent thereof, their respective estates, heirs, family members, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Issuer, a Restricted Subsidiary or any of their respective direct or indirect parent companies to the extent described in clause (4) of Section 4.07(b) hereof; and

(20) cash management obligations and Indebtedness in respect of netting services, employee credit card programs and similar arrangements in connection with cash management and deposit accounts.

(c) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (20) of Section 4.09(b) or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Issuer, in its sole discretion, may classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses; provided that all Indebtedness outstanding under the Senior Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (1) of Section 4.09(b) hereof; and

(2) at the time of incurrence or reclassification, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) or (b) hereof.

Accrual of interest, the accretion of accreted value and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as applicable, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.09.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Notwithstanding anything to the contrary, the Issuer will not, and will not permit any Restricted Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Issuer or such Restricted Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Restricted Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Restricted Guarantor, as the case may be. For the purposes of this Indenture, (1) unsecured Indebtedness is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness is not deemed to be subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

**SECTION 4.10. Asset Sales .**

(a) The Issuer shall not, and shall not permit any of its Restricted Subsidiaries to, cause, make or suffer to exist an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; provided that the amount of:

(A) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes or that are owed to the Issuer or a Restricted Subsidiary, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(B) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(C) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed 5.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash for purposes of this Section 4.10(a)(2) and for no other purpose; and

(3) if such Asset Sale involves the disposition of Collateral, the Issuer or such Restricted Subsidiary has complied with the provisions of Article XII and the Security Documents.

(b) Within 15 months after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(A) Obligations constituting First Priority Lien Obligations (and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto) ( provided that (x) (A) to the extent that the terms of First Priority Lien Obligations, other than Senior Credit Facilities Obligations and Notes Obligations, require that such First Priority Lien Obligations are repaid relating to such Obligations with the Net Proceeds of Asset Sales prior to repayment of other Indebtedness or (B) with respect to the Senior Credit Facilities Obligations, the Issuer and its Restricted Subsidiaries shall be entitled to repay such other First Priority Lien Obligations prior to repaying the Notes Obligations and (y) subject to the foregoing clause (x), if the Issuer or any Guarantor shall so reduce First Priority Lien Obligations, the Issuer shall equally and ratably offer to purchase Obligations under the Notes pursuant to Section 3.07, through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer (and after making such offer complying with the procedures set forth below, the amount of Collateral Excess Proceeds and Excess Proceeds shall be reduced by the amount of Net Proceeds so offered for purchase of Notes)) to all Holders of Notes to purchase a pro rata amount of their Notes at 100% of the principal amount thereof, plus accrued but unpaid interest); or

(B) Indebtedness constituting Pari Passu Indebtedness (other than First Priority Lien Obligations) so long as the Asset Sale proceeds are with respect to non-Collateral ( provided that if the Issuer shall so reduce Pari Passu Indebtedness that is unsecured, the Issuer will equally and ratably offer to purchase Notes Obligations in any manner set forth in clause (a) above) (and after making such offer complying with the procedures set forth below, the amount of Collateral Excess Proceeds and Excess Proceeds shall be reduced by the amount of Net Proceeds so offered for purchase of Notes)) to all Holders of Notes to purchase a pro rata amount of their Notes at 100% of the principal amount thereof, plus accrued but unpaid interest); or

(C) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary; or

(2) to (a) make an Investment in any one or more businesses, provided that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) acquire properties, (c) make capital expenditures or (d) acquire other assets that, in the case of each of clauses (a), (b), (c) and (d) either (x) are used or useful in a Similar Business or (y) replace the businesses, properties and/or assets that are the subject of such Asset Sale;

provided that, in the case of clause (2) of this Section 4.10(b), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an “Acceptable Commitment”) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Collateral Excess Proceeds or Excess Proceeds, as the case may be.

(c) Any Net Proceeds from Asset Sales of Collateral that are not invested or applied as provided and within the time period set forth in Section 4.10(b) will be deemed to constitute “Collateral Excess Proceeds.” When the aggregate amount of Collateral Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any other First Priority Lien Obligations, to the holders of such other First Priority Lien Obligations (a “Collateral Asset Sale Offer”), to purchase the maximum aggregate principal amount of the Notes and such First Priority Lien Obligations that is a minimum of \$2,000 or any integral multiple of \$1,000 (in each case in aggregate principal amount) that may be purchased out of the Collateral Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such First Priority Lien Obligations provide for the accretion of original issue discount, 100% of the accreted value thereof) plus accrued and unpaid interest (or, in respect of such First Priority Lien Obligations, such lesser price, if any, as may be provided for by the terms of such First Priority Lien Obligations or such other Obligations) to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Issuer will commence a Collateral Asset Sale Offer with respect to Collateral Excess Proceeds within ten (10) Business Days after the date that Collateral Excess Proceeds exceed \$100.0 million in accordance with the procedures set forth in Section 3.09.

To the extent that the aggregate principal amount of Notes and such First Priority Lien Obligations tendered pursuant to a Collateral Asset Sale Offer is less than the Collateral Excess Proceeds, the Issuer may use any remaining Collateral Excess Proceeds for general corporate purposes, subject to the other covenants contained herein. Upon completion of any such Collateral Asset Sale Offer, the amount of Collateral Excess Proceeds shall be reset at zero.

Any Net Proceeds from Asset Sales of non-Collateral that are not invested or applied as provided and within the time period set forth in the first sentence of the third preceding paragraph will be deemed to constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds \$100.0 million, the Issuer shall make an offer to all Holders of the Notes and, if required by the terms of any Indebtedness that is pari passu in right of payment with the Notes (“Pari Passu Indebtedness”), to the holders of such Pari Passu Indebtedness (an “Asset Sale Offer”), to purchase the maximum aggregate principal amount of the Notes and such Pari Passu Indebtedness that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness provided for the accretion of original issue discount, 100% of the accreted value thereof) plus accrued and unpaid interest (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness) to the date fixed for the closing of such offer, in accordance with the procedures set forth herein. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten (10) Business Days after the date that Excess Proceeds exceed \$100.0 million in accordance with the procedures set forth in Section 3.09.

To the extent that the aggregate principal amount of Notes and such Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to the other covenants contained in this Indenture. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(d) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(e) The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Collateral Asset Sale Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.10 or Section 3.09, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.10 by virtue thereof.

#### SECTION 4.11. Transactions with Affiliates .

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$25.0 million, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$75.0 million, a resolution adopted by the majority of the board of directors of the Issuer approving such Affiliate Transaction and set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a).

(b) The provisions of Section 4.11(a) will not apply to the following:

(1) transactions between or among the Issuer or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by Section 4.07 hereof and the definition of “Permitted Investments”;

(3) the payment of management, consulting, monitoring, transaction, advisory and termination fees and related expenses and indemnities, directly or indirectly, to the Investors or such other persons as they designate, in each case pursuant to the Sponsor Management Agreement or any similar agreement so long as such amount does not exceed the amounts otherwise payable under the Sponsor Management Agreement as in effect on the Issue Date (subject to the right to include additional designees to receive payment thereunder);

---

(4) the payment of reasonable and customary fees paid to, and indemnities provided on behalf of, officers, directors, employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(6) any agreement as in effect as of the Issue Date (other than the Sponsor Management Agreement), or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date);

(7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement, principal investors agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; provided, however, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders when taken as a whole;

(8) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the board of directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(9) the issuance of Equity Interests (other than Disqualified Stock) by the Issuer or a Restricted Subsidiary;

(10) sales of accounts receivable, or participations therein, in connection with any Receivables Facility;

(11) payments by the Issuer or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures which payments are approved by a majority of the board of directors of the Issuer in good faith;

(12) payments or loans (or cancellation of loans) to employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, severance arrangements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by a majority of the board of directors of the Issuer in good faith; and

(13) Investments by the Investors in debt securities of the Issuer or any of its Restricted Subsidiaries so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities.

SECTION 4.12. Liens. The Issuer will not, and will not permit any Restricted Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Issuer or any Restricted Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, other than Liens securing Indebtedness, which Liens are junior in priority to the Liens on such property or assets securing the Notes or the Guarantees.

The foregoing shall not apply to (a) Liens securing Indebtedness permitted to be incurred under Credit Facilities, including any letter of credit facility relating thereto, that was permitted by the terms of this Indenture to be incurred pursuant to clause (1) of Section 4.09(b) hereof and (b) Liens incurred to secure Obligations in respect of any Indebtedness permitted to be incurred pursuant to Section 4.09 hereof; provided that, with respect to Liens securing Obligations permitted under this subclause (b), at the time of incurrence of such Obligations and after giving pro forma effect thereto, the Consolidated First Lien Secured Debt Ratio would be no greater than 7.0 to 1.0; provided that, with respect to Liens securing First Priority Lien Obligations incurred pursuant to subclause (a) above or this subclause (b), the Notes are also secured by the assets subject to such Liens with the priority and subject to intercreditor arrangements, in each case, no less favorable to the Holders of the Notes than those set forth in the Intercreditor Agreement.

SECTION 4.13. Corporate Existence. Subject to Article V hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its corporate existence, and the corporate, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuer or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Issuer and its Restricted Subsidiaries; provided that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries (other than the Issuer), if the Issuer in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole.

SECTION 4.14. Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs, unless the Issuer has previously or concurrently sent a redemption notice with respect to all the outstanding Notes pursuant to Section 3.07 hereof, the Issuer shall make an offer to purchase all of the Notes pursuant to the offer described below (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase, subject to the right of Holders of the Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control, the Issuer shall send notice of such Change of Control Offer by electronic transmission or by first-class mail, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Note Register with a copy to the Trustee or otherwise in accordance with Applicable Procedures, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is sent (the “Change of Control Payment Date”);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes, provided that the paying agent receives, not later than the close of business on the fifth Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that the Holders whose Notes are being repurchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to a minimum of \$2,000 or an integral multiple of \$1,000 in principal amount in excess thereof;

(8) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuer, consistent with this Section 4.14, that a Holder must follow.

The notice, if mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (a) the notice is mailed in a manner herein provided and (b) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder’s failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.14 by virtue thereof.

- 
- (b) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law,
- (1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,
  - (2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and
  - (3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Issuer.

(c) The Issuer shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(d) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to "redeem," "redemption" and similar words shall be deemed to refer to "purchase," "repurchase" and similar words, as applicable.

**SECTION 4.15. Limitation on Guarantees of Indebtedness by Restricted Subsidiaries.** The Issuer shall not permit any Restricted Subsidiary that is a Wholly Owned Subsidiary of the Issuer (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities), other than a Guarantor or a Foreign Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any other Guarantor unless:

(a) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to this Indenture in form attached hereto as Exhibit D providing for a Guarantee by such Restricted Subsidiary, a joinder to the Security Agreement and joinders and/or amendments to any other Security Documents to the extent necessary to grant a Lien in favor of the Collateral Agent to secure the Notes Obligations in the assets of such Restricted Subsidiary required to be Collateral pursuant to the provisions of the Security Agreement and takes all action to perfect the liens and security interests granted under the Security Documents to the extent required by the Security Documents, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor's Guarantee; and

(b) such Restricted Subsidiary shall within 30 days deliver to the Trustee an Opinion of Counsel reasonably satisfactory to the Trustee stating that the execution and delivery of the supplemental indenture and the Guarantor's Guarantee have been duly authorized, executed and delivered by such Guarantor in accordance with the terms of this Indenture and that such supplemental indenture and Guarantee constitute legal, valid, binding and enforceable obligations of the Guarantor party thereto;

provided that this covenant shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary.

SECTION 4.16. Suspension of Covenants.

(a) If on any date following the Issue Date (the “Suspension Date”) (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), the Issuer and its Restricted Subsidiaries will not be subject to the following covenants (collectively, the “Suspended Covenants”):

- (1) Section 4.07 hereof;
- (2) Section 4.08 hereof;
- (3) Section 4.09 hereof;
- (4) Section 4.10 hereof;
- (5) Section 4.11 hereof;
- (6) Section 4.14 hereof;
- (7) Section 4.15 hereof; and
- (8) clause (4) of Section 5.01(a) hereof.

(b) In the event that the Issuer and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies (a) withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating and/or (b) the Issuer or any of its Affiliates enter into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Notes below an Investment Grade Rating, then the Issuer and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events, including, without limitation, a proposed transaction described in clause (b) above.

(c) The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period.” Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Collateral Excess Proceeds and Excess Proceeds from Net Proceeds shall be reset at zero. In the event of any such reinstatement, no action taken or omitted to be taken by the Issuer or any of its Restricted Subsidiaries prior to such reinstatement and available will give rise to a Default or Event of Default under this Indenture with respect to Notes; provided that (1) with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.07 hereof had been in effect prior to, but

not during the Suspension Period, provided, further, that any Subsidiaries designated as Unrestricted Subsidiaries during the Suspension Period shall automatically become Restricted Subsidiaries on the Reversion Date (subject to the Issuer's right to subsequently designate them as Unrestricted Subsidiaries in compliance with this Indenture) and (2) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified as having been incurred or issued pursuant to clause (3) of Section 4.09(b) hereof.

(d) The Issuer shall deliver promptly to the Trustee an Officer's Certificate of the Issuer notifying it of any event set forth under this Section 4.16 specifying, without limitation, the commencement and cessation of any Suspension Period.

SECTION 4.17. Further Assurances and After-Acquired Property. The Issuer and each Guarantor will comply with the terms of each Security Document to which it is a party.

SECTION 4.18. Insurance. The Issuer and each Guarantor will:

(a) keep their respective material insurable properties adequately insured in all material respects at all times by financially sound and reputable insurers to such extent and against such risks, including fire and other risks insured against by extended coverage, as is customary with companies in the same or similar businesses operating in the same or similar locations; and

(b) within 60 days of the Issue Date (or such longer period as the Collateral Agent shall agree to) and subject to the Intercreditor Agreement, cause all such policies covering any Collateral to be endorsed or otherwise amended to include a customary lender's loss payable endorsement and, to the extent available on commercially reasonable terms, cause each such policy to provide that it shall not be canceled, modified or not renewed (i) by reason of nonpayment of premium unless not less than 10 days' prior written notice thereof is given by the insurer to the Collateral Agent (giving the Collateral Agent the right to cure defaults in the payment of premiums) or (ii) for any other reason unless not less than 30 days' prior written notice thereof is given by the insurer to the Collateral Agent.

(1) the Issuer is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or the Person to whom such sale, assignment, transfer, lease, conveyance or other disposition will have been made, is a Person organized or existing under the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the "Successor Company"); provided that in the case where the Successor Company is not a corporation, a co-obligor of the Notes is a corporation;

(2) the Successor Company, if other than the Issuer, expressly assumes all the obligations of the Issuer under this Indenture, the Notes and the Security Documents pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(A) the Successor Company or the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Consolidated Leverage Ratio test set forth in Section 4.09(a) hereof, or

(B) the Consolidated Leverage Ratio would be equal to or less than the Consolidated Leverage Ratio immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (b)(1)(B) of this Section 5.01 hereof shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's Obligations under this Indenture, the Notes and the Security Documents; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture, the Notes and the Security Documents.

Notwithstanding clauses (3) and (4) above:

(1) the Issuer or a Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer or a Restricted Guarantor; and

(2) the Issuer may merge with an Affiliate of the Issuer solely for the purpose of reorganizing the Issuer in a State of the United States so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

In the case of a Restricted Subsidiary that merges with and into the Issuer, the Issuer will not be required to comply with clauses (5) and (6) above.

(b) Subject to Section 10.06 hereof, no Restricted Guarantor shall, and the Issuer shall not permit any Restricted Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or Restricted Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (A) such Restricted Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Restricted Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is organized or existing under the laws of the jurisdiction of organization of such Restricted Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Restricted Guarantor or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than such Restricted Guarantor, expressly assumes all the obligations of such Restricted Guarantor under this Indenture, such Restricted Guarantor's related Guarantee and the Security Documents pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default exists; and

(D) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture; or

(2) the transaction is made in compliance with Section 4.10 hereof.

Notwithstanding the foregoing, any Restricted Guarantor may merge into or transfer all or part of its properties and assets to another Restricted Guarantor or the Issuer.

SECTION 5.02. Successor Corporation Substituted. Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Issuer or a Restricted Guarantor in accordance with Section 5.01(a) or Section 5.01(b)(1) hereof, the successor corporation formed by such consolidation or into or with which the Issuer or such Restricted Guarantor, as applicable, is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture and the Security Documents referring to the Issuer or such Restricted Guarantor, as applicable, shall refer instead to the successor corporation and not to the Issuer or such Restricted Guarantor, as applicable), and may exercise every right and power of the Issuer or such Restricted Guarantor, as applicable, under this Indenture and the Security Documents with the same effect as if such successor Person had been named as the Issuer or a Restricted Guarantor, as applicable, herein and therein; provided that the predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale, assignment, transfer, conveyance or other disposition of all of the Issuer's assets that meets the requirements of Section 5.01 hereof.

## ARTICLE VI

### DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. An "Event of Default" wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(2) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 25% in principal amount of the Notes to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1) and (2) above) contained in this Indenture or the Notes;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$100.0 million or more at any one time outstanding;

(5) failure by the Issuer or any Significant Party to pay final non-appealable judgments aggregating in excess of \$100.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 90 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding have been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) the Issuer or any Significant Party, pursuant to or within the meaning of any Bankruptcy Law:

(C) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; or

(D) makes a general assignment for the benefit of its creditors;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any Significant Party, in a proceeding in which the Issuer or any Significant Party, is to be adjudicated bankrupt or insolvent;

(B) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any Significant Party, or for all or substantially all of the property of the Issuer or any Significant Party; or

(C) orders the liquidation the Issuer or any Significant Party;

and the order or decree remains unstayed and in effect for 60 consecutive days;

(8) the Guarantee of any Significant Party shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Party, as the case may be, denies in writing that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture; or

(9) with respect to any Collateral having a fair market value in excess of \$100.0 million, individually or in the aggregate, (a) the security interest under the Security Documents, at any time, ceases to be in full force and effect for any reason other than in accordance with the terms of this Indenture, the Security Documents and the Intercreditor Agreement, except to the extent that any lack of perfection or priority results from any act or omission by the Collateral Agent (so long as such act or omission does not result from the breach or non-compliance by the Issuer or any Guarantor with this Indenture or the Security Documents), (b) any security interest created thereunder or hereunder is declared invalid or unenforceable by a court of competent jurisdiction or (c) the Issuer or any Guarantor asserts, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable.

#### SECTION 6.02. Acceleration.

(a) If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01 hereof) occurs and is continuing under this Indenture, the Trustee by notice to the Issuer or the Holders of at least 25% in principal amount of the then total outstanding Notes by notice to the Issuer and the Trustee, in either case specifying in such notice the respective Event of Default and that such notice is a "notice of acceleration," may declare the principal, interest and premium, if any, on all the then outstanding Notes to be due and payable. The Trustee shall have no obligation to accelerate the Notes if the Trustee determines, in its best judgment, that acceleration is not in the best interests of the Holders of the Notes. Upon the effectiveness of such declaration, such principal and interest shall be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01 hereof, all outstanding Notes shall be due and payable without further action or notice.

(b) The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of the Holders of all of the Notes rescind any acceleration with respect to the Notes and its consequences if such rescission would not conflict with any judgment or decree of a court of competent jurisdiction and if all existing Events of Default (except non-payment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived. In the event of any Event of Default specified in clause (4) of Section 6.01 hereof, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

(1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or

(2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(3) the default that is the basis for such Event of Default has been cured.

SECTION 6.03. Other Remedies . If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, this Indenture or the Security Documents.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

SECTION 6.04. Waiver of Past Defaults . Subject to Section 6.02 hereof, Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder (except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority . Holders of a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder of a Note or that would involve the Trustee in personal liability.

SECTION 6.06. Limitation on Suits . Subject to Section 6.07 hereof, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (a) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (b) Holders of at least 25% in principal amount of the total outstanding Notes have requested the Trustee to pursue the remedy;
- (c) Holders of the Notes have offered the Trustee satisfactory security or indemnity against any loss, liability or expense;
- (d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (e) Holders of a majority in principal amount of the total outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

---

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

SECTION 6.07. Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with a Collateral Asset Sale Offer, an Asset Sale Offer or a Change of Control Offer), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.09. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

SECTION 6.10. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07 hereof, no right or remedy herein or in the Security Documents conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or in the Security Documents, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11. Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12. Trustee May File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes including the Guarantors), its creditors or its property and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable

compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.13. Priorities. If the Trustee or any Agent collects any money or property pursuant to this Article VI, it shall, subject to the Intercreditor Agreement, pay out the money in the following order:

(a) First, to the Trustee, such Agent, their agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or such Agent and the costs and expenses of collection;

(b) Second, to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

(c) Third, to the Issuer or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.13.

SECTION 6.14. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

## ARTICLE VII

### TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

---

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the form required in this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of the Notes unless the Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

#### SECTION 7.02. Rights of Trustee .

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and its Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate of the Issuer or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

**SECTION 7.03. Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

**SECTION 7.04. Trustee's Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The recitals and statements contained herein and in the Notes, except those contained in any Trustee's certificate of authentication, shall be taken as the recitals and statements of the Issuer, and the Trustee or any authenticating agent assumes no responsibility for their correctness.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default within 90 days after it occurs. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes. The Trustee shall not be deemed to know of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee in accordance with Section 13.02 hereof at the Corporate Trust Office of the Trustee and such notice references the Notes and this Indenture.

SECTION 7.06. Reports by Trustee to Holders of the Notes. Within 60 days after each April 15, beginning with the April 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with Trust Indenture Act Section 313(a) (but if no event described in Trust Indenture Act Section 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with Trust Indenture Act Section 313(b)(2) (to the extent applicable). The Trustee shall also transmit by mail all reports as required by Trust Indenture Act Section 313(c).

A copy of each report at the time of its mailing to the Holders of Notes shall be mailed to the Issuer and each stock exchange on which the Notes are listed in accordance with Trust Indenture Act Section 313(d). The Issuer shall promptly notify the Trustee when the Notes are listed on any stock exchange.

SECTION 7.07. Compensation and Indemnity. The Issuer shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee and its officers, directors, employees, agents and any predecessor trustee (in its capacity as trustee) and its officers, directors, employees and agents for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including reasonable attorneys' fees) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the costs and expenses of enforcing this Indenture against the Issuer or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Issuer or any Guarantor, or liability in connective with the acceptance, exercise or performance of any of its powers or duties hereunder). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder except to the extent the Issuer has been materially prejudiced thereby. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or negligence.

The obligations of the Issuer under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.08. Replacement of Trustee. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof or Section 310 of the Trust Indenture Act;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuer's expense), the Issuer or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10. Eligibility; Disqualification. There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of Trust Indenture Act Sections 310(a)(1), (2) and (5). The Trustee is subject to Trust Indenture Act Section 310(b).

SECTION 7.11. Preferential Collection of Claims Against Issuer. The Trustee is subject to Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

## ARTICLE VIII

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time, elect to have either Section 8.02 or 8.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.02. Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their Obligations with respect to all outstanding Notes and Guarantees (including their Obligations under the Security Documents with respect to the Notes Obligations) on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other Obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04 hereof;
- (b) the Issuer's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(d) this Section 8.02.

If the Issuer exercises under Section 8.01 the option applicable to this Section 8.02, subject to satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default under clauses (3), (4), (5), (6) (solely with respect to a Significant Party) and (7) (solely with respect to a Significant Party) of Section 6.01. Subject to compliance with this Article VIII, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

**SECTION 8.03. Covenant Defeasance.** Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14, 4.15, 4.17 and 4.18 hereof and clauses (4), (5) and (6) of Section 5.01(a) and Section 5.01(b) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied ("Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(4), 6.01(5), 6.01(6) (solely with respect to a Significant Party), 6.01(7) (solely with respect to a Significant Party), 6.01(8) and 6.01(9) hereof shall not constitute Events of Default.

**SECTION 8.04. Conditions to Legal or Covenant Defeasance.** The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal amount, premium, if any, or interest on such Notes and the Issuer must specify whether such Notes are being defeased to maturity or to a particular Redemption Date.

(b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(i) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(ii) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Existing Senior Notes, the indentures pursuant to which the Existing Senior Notes were issued or any other material agreement or instrument (other than this Indenture) to which, the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness to the extent such Indebtedness is simultaneously being discharged or repaid, and the granting of Liens in connection therewith);

(f) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(g) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

**SECTION 8.05. Deposited Money and Government Securities to Be Held in Trust: Other Miscellaneous Provisions.** Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes. Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.06. Repayment to Issuer. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

SECTION 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE IX

### AMENDMENT, SUPPLEMENT AND WAIVER

SECTION 9.01. Without Consent of Holders of Notes. Notwithstanding Section 9.02 hereof, the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture, the Notes, any Guarantee, any Security Document or the Intercreditor Agreement without the consent of any Holder:

- (a) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (b) to provide for uncertificated Notes of such series in addition to or in place of Definitive Notes;
- (c) to comply with Section 5.01 hereof;
- (d) to provide the assumption of the Issuer's or any Guarantor's obligations to the Holders;

(e) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture, the Notes, the Guarantee, the Security Documents or the Intercreditor Agreement of any such Holder;

(f) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;

(g) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act;

(h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee hereunder pursuant to the requirements hereof;

(i) to provide for the issuance of exchange notes or private exchange notes, which are identical to exchange notes except that they are not freely transferable;

(j) to add a Guarantor under this Indenture, the Security Documents or the Intercreditor Agreement;

(k) to conform the text of this Indenture, Guarantees, the Intercreditor Agreement, the Security Documents or the Notes to any provision of the "Description of the Notes" section of the Offering Memorandum to the extent that such provision in such "Description of the Notes" section was intended to be a verbatim recitation of a provision of this Indenture, Guarantee, the Intercreditor Agreement, the Security Documents or Notes;

(l) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation to facilitate the issuance and administration of the Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(m) to add or release Collateral from, or subordinate, the Lien of the Security Documents when permitted or required by this Indenture, the Security Documents or the Intercreditor Agreement;

(n) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Collateral Agent for the benefit of the Holders of the Notes, as additional security for the payment and performance of all or any portion of the Notes Obligations, on any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or on which a Lien is required to be granted to or for the benefit of the Trustee or the Collateral Agent pursuant to this Indenture, any of the Security Documents or otherwise; and

(o) to add additional holders of any additional Series of First Priority Lien Obligations to any Security Documents or the Intercreditor Agreement.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein

contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, an Opinion of Counsel shall not be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto.

**SECTION 9.02. With Consent of Holders of Notes.** Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee (or the Collateral Agent, as applicable) may amend or supplement this Indenture, the Notes, the Guarantees, the Intercreditor Agreement or any Security Documents with the consent of the Holders of at least a majority in principal amount of the Notes (including Additional Notes, if any) then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof, Section 2.09 hereof and Section 2.14 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Upon the request of the Issuer accompanied by a resolution of its board of directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuer in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder of Notes, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (a) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the principal amount of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Note (other than provisions relating to Section 3.09, Section 4.10 and Section 4.14 hereof);
- (c) reduce the rate of or change the time for payment of interest on any Note;

(d) waive a Default in the payment of principal of or premium, if any, or interest on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration) or in respect of a covenant or provision contained in this Indenture or any Guarantee which cannot be amended or modified without the consent of each Holder affected thereby;

(e) make any Note payable in money other than that stated therein;

(f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Notes;

(g) make any change in these amendment and waiver provisions;

(h) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes;

(i) make any change to the ranking in right of payment of the Notes that would adversely affect the Holders; or

(j) except as expressly permitted by this Indenture, modify the Guarantees of any Significant Party in any manner adverse to the Holders of the Notes.

In addition, without the consent of the Holders of at least two-thirds in aggregate principal amount of Notes then outstanding, no amendment, supplement or waiver may modify any Security Document or the provisions of this Indenture dealing with the Security Documents or application of Trust Monies in any manner, in each case that would subordinate the Lien of the Collateral Agent to the Liens securing any other Obligations (other than as contemplated under clause (m) of Section 9.01 and the last sentence of Section 12.04(a)) or otherwise release all or substantially all of the Collateral, in each case other than in accordance with this Indenture, the Security Documents and the Intercreditor Agreement.

SECTION 9.03. Compliance with Trust Indenture Act. Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies in all material respects with the Trust Indenture Act as then in effect.

SECTION 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

SECTION 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. None of the Issuer nor any Guarantor may sign an amendment, supplement or waiver until the board of directors (or similar governing body) approves it. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive, and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuer and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03). Notwithstanding the foregoing, an Opinion of Counsel shall not be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D.

SECTION 9.07. Payment for Consent. Neither the Issuer nor any Affiliate of the Issuer shall, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

## ARTICLE X

### GUARANTEES

SECTION 10.01. Guarantee. Subject to this Article X, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, that: (a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of this Indenture, the Notes or the obligations of Issuer hereunder or thereunder, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer or any Guarantor, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Unless and until released in accordance with Section 10.06, each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

SECTION 10.02. Limitation on Guarantor Liability. Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

SECTION 10.03. Execution and Delivery. To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture or a supplement indenture hereto in substantially the form of Exhibit D hereto, as the case may be, shall be executed on behalf of such Guarantor by its President, one of its Vice Presidents or one of its Assistant Vice Presidents.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15 or Section 10.01 hereof, the Issuer shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 hereof and this Article X, to the extent applicable.

SECTION 10.04. Subrogation. Each Guarantor shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

SECTION 10.05. Benefits Acknowledged. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.06. Release of Guarantees. A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by the Guarantoring Subsidiary, the Issuer or the Trustee is required for the release of the Guarantoring Subsidiary's Guarantee, upon:

(a) (A) any sale, exchange or transfer (by merger or otherwise) of (i) the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all the assets of such Guarantor, in each case made in compliance with the applicable provisions of this Indenture;

(B) the release or discharge of the guarantee by such Guarantor of Indebtedness under the Senior Credit Facilities or such other guarantee that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee;

(C) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with Section 4.07 and the definition of "Unrestricted Subsidiary"; or

(D) the exercise by the Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article VIII hereof or the discharge of the Issuer's obligations under this Indenture in accordance with the terms of this Indenture.

At the written request of the Issuer and upon delivery of an Officer's Certificate and an Opinion of Counsel, the Trustee shall execute and deliver any documents reasonably required to evidence such release, discharge and termination in respect of the applicable Guarantee.

## ARTICLE XI

### SATISFACTION AND DISCHARGE

SECTION 11.01. Satisfaction and Discharge. This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(a) all Notes heretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has heretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (A) all Notes not heretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption and redeemed within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of the Notes, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not heretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(B) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness to the extent such Indebtedness is simultaneously being discharged or repaid and the granting of Liens in connection therewith) with respect to this Indenture or the Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Existing Senior Notes, the indentures governing the Existing Senior Notes or any other material agreement or instrument governing Indebtedness (other than this Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound;

---

(C) the Issuer has paid or caused to be paid all sums payable by it under this Indenture; and

(D) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the Redemption Date, as the case may be.

In addition, the Issuer shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (b) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 hereof shall survive.

SECTION 11.02. Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

## ARTICLE XII

### SECURITY

SECTION 12.01. Security Documents. The payment of the principal of and interest and premium, if any, on the Notes when due, whether at maturity, by acceleration, repurchase, redemption or otherwise and whether by the Issuer pursuant to the Notes or by the Guarantors pursuant to the Guarantees, the payment of all other Notes Obligations and the performance of all other obligations of the Issuer and the Guarantors under this Indenture, the Notes, the Guarantees and the Security Documents are secured as provided in the Security Documents which the Issuer and the Guarantors have entered into and will be secured by Security Documents hereafter delivered as required or permitted by this Indenture. The Issuer shall, and shall cause each Guarantor to, and each Guarantor shall, comply with all provisions and covenants in the Joinder, make all filings (including filings of continuation statements and amendments to Uniform Commercial Code financing statements that may be necessary to continue the effectiveness of such Uniform Commercial Code financing statements) and all other actions as are necessary or required by the Security Documents to maintain (at the sole cost and expense of the Issuer and the Guarantors) the security interest created by the Security Documents in the Collateral (other than with

respect to any Collateral the security interest in which is not required to be perfected or maintained under the Security Documents) as a perfected security interest subject only to Liens permitted by Section 4.12. The Issuer shall deliver an Opinion of Counsel to the Trustee within 30 calendar days following the end of each annual period beginning with the annual period beginning on July 1, 2016 of each year, to the effect that all actions required to maintain the Lien of the Security Documents with respect to items of Collateral that may be perfected solely by the filing of financing statements under the Uniform Commercial Code have been taken.

**SECTION 12.02. Collateral Agent.**

(a) The Collateral Agent shall have all the rights and protections provided in the Security Documents and the Intercreditor Agreement and shall have no responsibility to exercise any discretionary power or right provided in any Security Document except as expressly required pursuant to the Security Documents or the Intercreditor Agreement or to ensure the existence, genuineness, value or protection of any Collateral or to ensure the legality, enforceability, effectiveness or sufficiency of the Security Documents or the creation, perfection, priority, sufficiency or protection of any Lien or any defect or deficiency as to any such matters.

(b) The Trustee, is authorized and directed to (i) enter into the Intercreditor Agreement, (ii) appoint the Collateral Agent as the Collateral Agent and to authorize the Collateral Agent (and the Holders hereby authorize the Collateral Agent) to enter into the Security Documents for the benefit of the Holders, (iii) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreement and (iv) perform and observe its obligations and exercise its rights (and the Holders hereby authorize the Collateral Agent to perform and observe its obligations and exercise its rights) under the Intercreditor Agreement and the Security Documents.

(c) Subject to Section 7.01, neither the Trustee nor the Collateral Agent nor any of their officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any Lien or any defect or deficiency as to any such matters.

**SECTION 12.03. Authorization of Actions to Be Taken.**

(a) Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of each Security Document and the Intercreditor Agreement, as originally in effect and as amended, restated, amended and restated, renewed, modified, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee to authorize the Collateral Agent to enter into the Security Documents to which it is a party, authorizes and empowers the Trustee and the Collateral Agent to enter into the Intercreditor Agreement and authorizes and empowers the Trustee and the Collateral Agent to bind the Holders of Notes pursuant to the terms of the Intercreditor Agreement and to perform their respective obligations and exercise their respective rights and powers thereunder.

(b) The Trustee is authorized and empowered to receive for the benefit of the Holders of Notes any funds collected or distributed under the Security Documents to which the Trustee is entitled pursuant to the terms of the Intercreditor Agreement and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

(c) Subject to the Intercreditor Agreement, the Trustee is authorized and empowered to institute and maintain, or direct the Collateral Agent to institute and maintain, such suits and proceedings as it may deem expedient to protect or enforce the Liens of the Security Documents or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents.

SECTION 12.04. Release of Collateral.

(a) Collateral may be released from the Lien and security interest created by the Security Documents to secure the Notes Obligations at any time or from time to time as required by the terms of the Intercreditor Agreement and this Section 12.04. The applicable assets included in the Collateral shall be automatically released from the Liens securing the Notes and the Notes Obligations under any one or more of the following circumstances:

- (1) to enable the Issuer and the Guarantors to consummate the sale, transfer or other disposition of such property or assets to the extent not prohibited under Section 4.10 other than any such sale or disposition to the Issuer or Guarantor;
- (2) the release of Excess Proceeds or Collateral Excess Proceeds that remain unexpended after the conclusion of an Asset Sale Offer or a Collateral Asset Sale Offer conducted in accordance with Section 3.09;
- (3) in respect of the property and assets of a Guarantor, upon (A) the designation of such Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.07 and the definition of "Unrestricted Subsidiary" or (B) the release of such Guarantor from its guarantee under Section 10.06;
- (4) in respect of the property and assets of a Guarantor, upon the release or discharge of the security interest granted by such Guarantor to secure the obligations under the Senior Credit Facilities or any other Indebtedness or the guarantee of any other Indebtedness which resulted in the obligation to become a Guarantor with respect to the Notes other than in connection with a release or discharge by or as a result of payment in full in respect of the Senior Credit Facilities or such other Indebtedness;
- (5) as described in the first sentence of this Section 12.04(a) in accordance with the Intercreditor Agreement; and
- (6) as permitted under Section 9.02.

In addition, the Liens granted pursuant to the Security Documents securing the Notes Obligations shall automatically terminate and/or be released in full all without delivery of any instrument or performance of any act by any party as of the date upon (i) all the Obligations under the Notes and this Indenture (other than contingent or unliquidated obligations or liabilities not then due) have been paid in full in cash or immediately available funds or (ii) a Legal Defeasance or Covenant Defeasance under Article VIII or a discharge in accordance with Article XI.

Upon the receipt of an Officer's Certificate from the Issuer, as described in Section 12.04(b) below and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Collateral Agent shall execute, deliver or acknowledge such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreement.

The Liens on Collateral shall also be automatically subordinated to the extent Liens on such Collateral securing the Senior Credit Facilities are also subordinated pursuant to the requirements set forth in the Senior Credit Facilities.

(b) Notwithstanding anything herein to the contrary, in connection with (x) any release of Collateral pursuant to Section 12.04(a)(2), (3), (4) or (6) above, such Collateral may not be released from the Lien and security interest created by the Security Documents and (y) any release of Collateral pursuant to Section 12.04(a)(1) or (5), the Collateral Agent shall not be required to execute, deliver or acknowledge any instruments of termination, satisfaction or release unless, in each case, an Officer's Certificate and Opinion of Counsel certifying that all conditions precedent, including, without limitation, this Section 12.04, have been met and stating under which of the circumstances set forth in Section 12.04(a) above the Collateral is being released have been delivered to the Collateral Agent on or prior to the date of such release or, in the case of clause (y) above, the date on which the Collateral Agent executes any such instrument. The Trustee shall be entitled to receive and rely on Officer's Certificates and Opinions of Counsel delivered to the Collateral Agent under this Section 12.04(b).

**SECTION 12.05. Powers Exercisable by Receiver or Trustee.** In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XII upon the Issuer with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or of any officer or officers thereof required by the provisions of this Article XII; and if the Trustee or the Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Collateral Agent, as the case may be.

**SECTION 12.06. No Fiduciary Duties; Collateral.** The Trustee shall not be deemed to owe any fiduciary duty to any Additional First Lien Secured Party and shall not be liable to any such Additional First Lien Secured Party if the Trustee shall in good faith mistakenly pay over or distribute to Holders of Notes or to the Issuer or to any other person cash, property or securities to which any Additional First Lien Secured Party shall be entitled by virtue of this Article or otherwise. With respect to the Additional First Lien Secured Parties, the Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in this Article and the Intercreditor Agreement and no implied covenants or obligations with respect to the Additional First Lien Secured Parties shall be read into this Indenture against the Trustee.

Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Trustee in good faith.

**SECTION 12.07. Intercreditor Agreement Controls.** Upon the Trustee's entry into the Joinder, the Holders of the Notes and the Trustee will be subject to and bound by the provisions of the Intercreditor Agreement as "Additional First Lien Secured Parties" thereunder. Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to the Security Documents and all rights and obligations of the Trustee hereunder are expressly subject to the

Intercreditor Agreement and (ii) the exercise of any right or remedy by the Trustee hereunder is subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of the Intercreditor Agreement and the terms of this Indenture, the terms of the Intercreditor Agreement shall govern.

1. Interest. Univision Communications Inc., a Delaware corporation (the “Issuer”), promises to pay interest on the principal amount of this Note at a rate per annum set forth below from the Issue Date until maturity. The Issuer will pay interest on this Note semi-annually in arrears on February 15 and August 15 of each year, commencing on August 15, 2015, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”), and no interest shall accrue on such payment for the intervening period. The Issuer will make each interest payment to the Holder of record of this Note on the immediately preceding February 1 and August 1 (each, a “Record Date”). Interest on this Note will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including the Issue Date. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate then applicable to this Note; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) at the rate then applicable to this Note to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Interest on this Note will accrue at the rate of 5.125% per annum.

2. Method of Payment. The Issuer will pay interest on this Note to the Person who is the registered Holder of this Note at the close of business on the Record Date (whether or not a Business Day) next preceding the Interest Payment Date, even if this Note is canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. Cash payment of interest may be made by check mailed to the Holders at their addresses set forth in the Note Register, provided that [all cash payments of principal, premium, if any, and interest on, this Note will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof] [all cash payments of principal, premium, if any, and interest on, this Note will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion)]. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. Paying Agent and Registrar. Initially, Wilmington Trust, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

4. Indenture. The Issuer issued the Notes under a Senior Secured Notes Indenture, dated as of February 19, 2015 (the “Indenture”), among Univision Communications Inc., the Guarantors and the Trustee. This Note is one of a duly authorized issue of notes of the Issuer designated as its 5 1/8 % Senior Secured Notes due 2025. The Issuer shall be entitled to issue Additional Notes pursuant to Section 2.01 of the Indenture. The Notes and any Additional Notes issued under the Indenture shall be treated as a single class of securities under the Indenture. The terms of the Notes include those stated in the Indenture and those incorporated by reference into the Indenture from the Trust Indenture Act of 1939, as

amended (the “Trust Indenture Act”). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

Any notice of redemption may be subject to one or more conditions precedent.

(d) On and after February 15, 2020, the Issuer may redeem the Notes at the Issuer’s option, in whole or in part, at any time and from time to time at the redemption prices (expressed as a percentage of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to the Redemption Date, subject to the right of Holders of Notes of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on February 15 of each of the years indicated below:

Notes in denominations larger than \$2,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. Any notice of redemption may be subject to one or more conditions precedent. On and after the Redemption Date, interest ceases to accrue on this Note or portions thereof called for redemption.

The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed.

10. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

11. Amendment, Supplement and Waiver. The Indenture, the Guarantees, the Notes, the Security Documents and the Intercreditor Agreement may be amended or supplemented as provided in the Indenture.

12. Defaults and Remedies. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture, the Notes or the Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default (except a Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture except a continuing Default in payment of the principal of, premium, if any, or interest on, any of the Notes held by a non-consenting Holder. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required within five (5) Business Days after becoming aware of any Default, to deliver to the Trustee a statement specifying such Default and what action the Issuer is taking or proposes to take with respect thereto.

---

14. GOVERNING LAW. THE LAWS OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THE NOTES AND THE GUARANTEES.

15. CUSIP and ISIN Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuer at the following address:

SECTION 2.01 Priority of Claims. (a) Anything contained herein or in any of the Secured Credit Documents to the contrary notwithstanding (but subject to Section 1.03), if an Event of Default has occurred and is continuing, and the Collateral Agent or any First-Lien Secured Party is taking action to enforce rights in respect of any Shared Collateral, or any distribution is made in respect of any Shared Collateral in any Bankruptcy Case of the Company or any other Grantor or any First-Lien Secured Party receives any payment pursuant to any

intercreditor agreement (other than this Agreement or the Existing Intercreditor Agreement (to the extent such payment represents an application of Proceeds made pursuant to this Section 2.01)) with respect to any Shared Collateral, the proceeds of any sale, collection or other liquidation of any such Collateral by any First-Lien Secured Party or received by the Collateral Agent or any First-Lien Secured Party pursuant to any such intercreditor agreement with respect to such Shared Collateral and proceeds of any such distribution (subject, in the case of any such distribution, to the sentence immediately following) to which the First-Lien Obligations are entitled under any intercreditor agreement (other than this Agreement or the Existing Intercreditor Agreement (to the extent such distribution represents an application of Proceeds made pursuant to this Section 2.01)) (all proceeds of any sale, collection or other liquidation of any Collateral and all proceeds of any such distribution being collectively referred to as "Proceeds"), shall be applied (i) FIRST, to the payment of all amounts owing to the Collateral Agent (in its capacity as such) pursuant to the terms of any Secured Credit Document, (ii) SECOND, subject to Section 1.03, to the payment in full of the First-Lien Obligations of each Series (and, to the extent the Existing Senior Notes Obligations are required to be secured pursuant to the Equal and Ratable Provision, the Existing Senior Notes Obligations) on a ratable basis, with such Proceeds to be applied to the First-Lien Obligations of a given Series (and, if applicable, the Existing Senior Notes Obligations) in accordance with the terms of the applicable Secured Credit Documents and (iii) THIRD, after payment of all First-Lien Obligations, to the Company and the other Grantors or their successors or assigns, as their interests may appear, or to whosoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct. Notwithstanding the foregoing, with respect to any Shared Collateral for which a third party (other than a First-Lien Secured Party) has a lien or security interest that is junior in priority to the security interest of any Series of First-Lien Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the security interest of any other Series of First-Lien Obligations (such third party, an "Intervening Creditor"), the value of any Shared Collateral or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral or Proceeds to be distributed in respect of the Series of First-Lien Obligations with respect to which such Impairment exists.

(b) It is acknowledged that the First-Lien Obligations of any Series may, subject to the limitations set forth in the then extant Secured Credit Documents, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.01(a) or the provisions of this Agreement defining the relative rights of the First-Lien Secured Parties of any Series.

(c) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of First-Lien Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Secured Credit Documents or any defect or deficiencies in the Liens securing the First-Lien Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 1.03), each First-Lien Secured Party hereby agrees that the Liens securing each Series of First-Lien Obligations (and, to the extent the Existing Senior Notes Obligations are required to be secured pursuant to the Equal and Ratable Provision, the Existing Senior Notes Obligations) on any Shared Collateral shall be of equal priority.

(d) Notwithstanding anything in this Agreement or any other First-Lien Security Documents to the contrary, Collateral consisting of cash and Cash Equivalents pledged to secure Credit Agreement Obligations consisting of reimbursement obligations in respect of Letters of Credit or otherwise held by the Administrative Agent or the Collateral Agent pursuant to Section 2.13(a), 2.23(j) or 2.23(1)(iii) of the Credit Agreement (or any equivalent successor provision) shall be applied as specified in such Section of the Credit Agreement (or the arrangements specified therein) and will not constitute Shared Collateral.

SECTION 2.02 Actions with Respect to Shared Collateral; Prohibition on Contesting Liens. (a) With respect to any Shared Collateral, (i) only the Collateral Agent shall act or refrain from acting with respect to the Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), and then only on the instructions of the Applicable Authorized Representative, (ii) the Collateral Agent shall not follow any instructions with respect to such Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral) from any Non-Controlling Authorized Representative (or any other First-Lien Secured Party other than the Applicable Authorized Representative) and (iii) no Non-Controlling Authorized Representative or other First-Lien Secured Party (other than the Applicable Authorized Representative) shall or shall instruct the Collateral Agent to, commence any judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any First-Lien Security Document, applicable law or otherwise, it being agreed that only the Collateral Agent, acting on the instructions of the Applicable Authorized Representative and in accordance with the applicable First-Lien Security Documents, shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral. Notwithstanding the equal priority of the Liens securing each Series of First-Lien Obligations (and, to the extent the Existing Senior Notes Obligations are required to be secured pursuant to the Equal and Ratable Provision, the Existing Senior Notes Obligations), the Collateral Agent (acting on the instructions of the Applicable Authorized Representative) may deal with the Shared Collateral as if such Applicable Authorized Representative had a senior Lien on such Collateral. No Non-Controlling Authorized Representative or Non-Controlling Secured Party will contest, protest or object to any foreclosure proceeding or action brought by the Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party or any other exercise by the Collateral Agent, the Applicable Authorized Representative or the Controlling Secured Party of any rights and remedies relating to the Shared Collateral, or to cause the Collateral Agent to do so. The foregoing shall not be construed to limit the rights and priorities of any First-Lien Secured Party, the Collateral Agent or any Authorized Representative with respect to any Collateral not constituting Shared Collateral.

(b) Each of the Authorized Representatives agrees that it will not accept any Lien on any collateral for the benefit of any Series of First-Lien Obligations (other than funds deposited for the discharge or defeasance of any Additional First-Lien Document, to the extent permitted by the applicable Secured Credit Documents) other than pursuant to the First-Lien Security Documents to which it is a party and pursuant to Section 2.13(a), 2.230) or 2.23(1)(iii)

---

(or other similar provisions) of the Credit Agreement, and by executing this Agreement (or a Joinder Agreement), each Authorized Representative and the Series of First-Lien Secured Parties for which it is acting hereunder agree to be bound by the provisions of this Agreement and the other First-Lien Security Documents applicable to it.

(c) Each of the First-Lien Secured Parties agrees that it will not (and hereby waives any right to) question or contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity, attachment or enforceability of a Lien held by or on behalf of any of the First-Lien Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agent or any Authorized Representative to enforce this Agreement.

SECTION 2.03 No Interference: Payment Over. (a) Each First-Lien Secured Party agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any First-Lien Obligations of any Series or any First-Lien Security Document or the validity, attachment, perfection or priority of any Lien under any First-Lien Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Collateral Agent, (iii) except as provided in Section 2.02, it shall have no right to (A) direct the Collateral Agent or any other First-Lien Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement) or (B) consent to the exercise by the Collateral Agent or any other First-Lien Secured Party of any right, remedy or power with respect to any Shared Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Collateral Agent or any other First-Lien Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Collateral Agent, any Applicable Authorized Representative or any other First-Lien Secured Party shall be liable for any action taken or omitted to be taken by the Collateral Agent, such Applicable Authorized Representative or other First-Lien Secured Party with respect to any Shared Collateral in accordance with the provisions of this Agreement, (v) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Collateral and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agent or any other First-Lien Secured Party to enforce this Agreement.

(b) Each First-Lien Secured Party hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral, pursuant to any First-Lien Security Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the First-Lien Obligations (and, to the extent the Existing Senior Notes Obligations are required to be secured pursuant to the Equal and Ratable Provision, the Existing Senior Notes Obligations), then it shall hold such Shared Collateral,

proceeds or payment in trust for the other First-Lien Secured Parties (and, to the extent applicable under any First-Lien Security Document, the Existing Senior Notes Creditors) and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Collateral Agent, to be distributed in accordance with the provisions of Section 2.01.

SECTION 2.04 Automatic Release of Liens; Amendments to First-Lien Security Documents. (a) If, at any time the Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral resulting in a sale or disposition thereof, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Collateral Agent for the benefit of each Series of First-Lien Secured Parties upon such Shared Collateral will automatically be released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01.

(b) Each First-Lien Secured Party agrees that the Collateral Agent may enter into any amendment to any First-Lien Security Document (including, without limitation, to release any Liens securing any Series of First-Lien Obligations), so long as the Collateral Agent receives a certificate of an officer of the Company stating that such amendment is permitted by the terms of each then extant Secured Credit Document. Additionally, each First-Lien Secured Party agrees that the Collateral Agent may enter into any amendment to any First-Lien Security Document solely as such First-Lien Security Document relates to a particular Series of First-Lien Obligations (including, without limitation, to release any Liens securing such Series of First-Lien Obligations), so long as (x) such amendment is in accordance with the Secured Credit Document pursuant to which such Series of First-Lien Obligations was incurred and (y) such amendment does not adversely affect the First-Lien Secured Parties of any other Series.

(c) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Collateral Agent or the Company to evidence and confirm any release of Shared Collateral or amendment to any First-Lien Security Document provided for in this Section.

(d) In determining whether an amendment to any First-Lien Security Document is permitted by this Section 2.04, the Collateral Agent may conclusively rely on a certificate of an officer of the Company stating that such amendment is permitted by Section 2.04(b) above.

SECTION 2.05 Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings. (a) This Agreement shall continue in full force and effect notwithstanding the commencement of any Insolvency or Liquidation Proceeding.

(b) If the Company and/or any other Grantor shall become subject to a case (a “Bankruptcy Case”) under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing (“DIP Financing”) to be provided by one or more lenders (the “DIP Lenders”) under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law or the use of cash collateral under Section 363 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, each First-Lien Secured Party (other than any Controlling Secured Party or Authorized Representative of any Controlling Secured Party) agrees that it will raise no objection to any such financing or to the Liens on the Shared

Collateral securing the same (“DIP Financing Liens”) or to any use of cash collateral that constitutes Shared Collateral, unless any Controlling Secured Party, or an Authorized Representative of any Controlling Secured Party, shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Secured Parties, each Non-Controlling Secured Party will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Secured Parties (other than any Liens of any First-Lien Secured Parties constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the First-Lien Obligations of the Controlling Secured Parties, each Non-Controlling Secured Party will confirm the priorities with respect to such Shared Collateral as set forth herein), in each case so long as (A) the First-Lien Secured Parties of each Series (and, to the extent the Existing Senior Notes Obligations are required to be secured pursuant to the Equal and Ratable Provision, the Existing Senior Notes Creditors) retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-a-vis all the other First-Lien Secured Parties (other than any Liens of the First-Lien Secured Parties constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the First-Lien Secured Parties of each Series (and, to the extent required pursuant to the Equal and Ratable Provision, the Existing Senior Notes Creditors) are granted Liens on any additional collateral pledged to any First-Lien Secured Parties (and any Existing Senior Notes Creditors, as applicable) as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-a-vis the First-Lien Secured Parties (and the Existing Senior Notes Creditors, as applicable) as set forth in this Agreement, (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the First-Lien Obligations (and, to the extent the Existing Senior Notes Obligations are required to be secured pursuant to the Equal and Ratable Provision, the Existing Senior Notes Obligations), such amount is applied pursuant to Section 2.01, and (D) if any First-Lien Secured Parties are granted adequate protection, including in the form of periodic payments, in connection with such DIP Financing or use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.01; provided that the First-Lien Secured Parties of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the First-Lien Secured Parties of such Series or its Authorized Representative that shall not constitute Shared Collateral; and provided, further, that the First-Lien Secured Parties receiving adequate protection shall not object to any other First-Lien Secured Party (or any other Existing Senior Notes Creditor, as applicable) receiving adequate protection comparable to any adequate protection granted to such First-Lien Secured Parties (and such Existing Senior Notes Creditors, as applicable) in connection with a DIP Financing or use of cash collateral.

**SECTION 2.06 Reinstatement.** In the event that any of the First-Lien Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such First-Lien Obligations shall again have been paid in full in cash.

SECTION 2.07 Insurance. As between the First-Lien Secured Parties, the Collateral Agent, acting at the direction of the Applicable Authorized Representative, shall have the right to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08 Refinancings. The First-Lien Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Secured Credit Document) of any First-Lien Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection. (a) The Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other First-Lien Secured Party and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First-Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09. Pending delivery to the Collateral Agent, each other Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other First-Lien Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable First-Lien Security Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties or responsibilities of the Collateral Agent and each other Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other First-Lien Secured Party for purposes of perfecting the Lien held by such First-Lien Secured Parties therein.

### ARTICLE III

#### Existence and Amounts of Liens and Obligations

SECTION 3.01 Determinations with Respect to Amounts of Liens and Obligations. Whenever the Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First-Lien Obligations of any Series, or the Shared Collateral subject to any Lien securing the First-Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Authorized Representative and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if an Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent or Authorized Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a

certificate of the Company. The Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any First-Lien Secured Party or any other person as a result of such determination.

## ARTICLE IV

### The Collateral Agent

SECTION 4.01 Appointment and Authority. (a) Each of the First-Lien Secured Parties (including the holders of the notes issued under the Initial Additional First-Lien Indenture, by their acceptance of the benefits of this Agreement and the First-Lien Security Documents and their direction to the Initial Additional Authorized Representative to enter into this Agreement) hereby irrevocably appoints DBNY to act on its behalf as the Collateral Agent hereunder and under each of the other First-Lien Security Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Grantor to secure any of the First-Lien Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the First-Lien Security Documents, or for exercising any rights and remedies thereunder at the direction of the Applicable Authorized Representative, shall be entitled to the benefits, without duplication, of all provisions of this Article IV and Article VIII of the Credit Agreement and the equivalent provision of any Additional First-Lien Agreement (as though such co-agents, sub-agents and attorneys-in-fact were the “Collateral Agent” named therein) as if set forth in full herein with respect thereto.

(b) Each Non-Controlling Secured Party acknowledges and agrees that the Collateral Agent shall be entitled, for the benefit of the First-Lien Secured Parties, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the First-Lien Security Documents, without regard to any rights to which the holders of the Non-Controlling Secured Obligations would otherwise be entitled as a result of such Non-Controlling Secured Obligations. Without limiting the foregoing, each Non-Controlling Secured Party agrees that none of the Collateral Agent, the Applicable Authorized Representative or any other First-Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the First-Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any First-Lien Obligations), in any manner that would maximize the return to the Non-Controlling Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Secured Parties from such realization, sale, disposition or liquidation. Each of the First-Lien Secured Parties waives any claim it may now or hereafter have against the Collateral Agent, the Applicable Authorized Representative or any other First-Lien Secured Party of any Series of First-Lien Obligations for which the Applicable Authorized Representative acts arising out of (i) any actions which the Collateral Agent, the

Applicable Authorized Representative or any such First-Lien Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First-Lien Obligations from any account debtor, guarantor or any other party) in accordance with the applicable First-Lien Security Documents or any other agreement related thereto or to the collection of the First-Lien Obligations or the valuation, use, protection or release of any security for the First-Lien Obligations, (ii) any election by any Applicable Authorized Representative or any holders of First-Lien Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law by, the Company or any of its Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Collateral Agent shall not accept any Shared Collateral in full or partial satisfaction of any First-Lien Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Authorized Representative representing holders of First-Lien Obligations for whom such Collateral constitutes Shared Collateral.

(c) Each Authorized Representative acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Annex II by an additional Senior Class Debt Representative, the Collateral Agent and each Grantor in accordance with Section 5.13, the Collateral Agent will continue to act in its capacity as Collateral Agent in respect of the then existing Authorized Representatives and such additional Authorized Representative.

**SECTION 4.02 Rights as a First-Lien Secured Party.** (a) The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a First-Lien Secured Party under any Series of First-Lien Obligations that it holds as any other First-Lien Secured Party of such Series and may exercise the same as though it were not the Collateral Agent and the term “First-Lien Secured Party” or “First-Lien Secured Parties” or (as applicable) “Credit Agreement Secured Party”, “Credit Agreement Secured Parties”, “Additional First-Lien Secured Party”, “Additional First-Lien Secured Parties”, “Initial Additional First-Lien Secured Party” or “Initial Additional First-Lien Secured Parties” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to any other First-Lien Secured Party.

**SECTION 4.03 Exculpatory Provisions.** (a) The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other First-Lien Security Documents. Without limiting the generality of the foregoing, the Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties of any kind or nature to any Person, regardless of whether an Event of Default has occurred and is continuing;

---

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other First-Lien Security Documents that the Collateral Agent is required to exercise as directed in writing by the Applicable Authorized Representative; provided that the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or that is contrary to any First-Lien Security Document or applicable law;

(iii) shall not, except as expressly set forth herein and in the other First-Lien Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Applicable Authorized Representative or (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Company stating that such action is permitted by the terms of this Agreement (it being understood and agreed that the Collateral Agent shall be deemed not to have knowledge of any Event of Default under any Series of First-Lien Obligations unless and until notice describing such Event Default is given to the Collateral Agent by the Authorized Representative of such First-Lien Obligations or the Company); and

(v) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other First-Lien Security Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other First-Lien Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the First-Lien Security Documents, (v) the value or the sufficiency of any Collateral for any Series of First-Lien Obligations, or (v) the satisfaction of any condition set forth in any Secured Credit Document, other than to confirm receipt of items expressly required to be delivered to the Collateral Agent;

(vi) shall not have any fiduciary duties of any kind or nature under any Additional First-Lien Document (but shall be entitled to all protections provided to the Collateral Agent therein);

(vii) with respect to the Credit Agreement or any Additional First-Lien Document, may conclusively assume that the Grantors have complied with all of their obligations thereunder unless advised in writing by the Authorized Representative thereunder to the contrary specifically setting forth the alleged violation; and

---

(viii) may conclusively rely on any certificate of an officer of the Company provided pursuant to Section 2.04(d).

(b) Each First-Lien Secured Party acknowledges that, in addition to acting as the initial Collateral Agent, DBNY also serves as Administrative Agent and First-Lien Collateral Agent (under, and as defined in, the Credit Agreement), and each First-Lien Secured Party hereby waives any right to make any objection or claim against DBNY (or any successor Collateral Agent or any of their respective counsel) based on any alleged conflict of interest or breach of duties arising from the Collateral Agent also serving as the Administrative Agent and First-Lien Collateral Agent.

**SECTION 4.04 Reliance by Collateral Agent.** The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may include, but shall not be limited to, counsel for the Company or counsel for the Administrative Agent), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**SECTION 4.05 Delegation of Duties.** The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other First-Lien Security Document by or through anyone or more sub-agents appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Collateral Agent and any such sub-agent.

**SECTION 4.06 Resignation of Collateral Agent.** The Collateral Agent may at any time give notice of its resignation as Collateral Agent under this Agreement and the other First-Lien Security Documents to each Authorized Representative and the Company. Upon receipt of any such notice of resignation, the Applicable Authorized Representative shall have the right, in consultation with the Company, to appoint a successor, which shall be a bank or trust company with an office in the United States, or an Affiliate of any such bank or trust company with an office in the United States. If no such successor shall have been so appointed by the Applicable Authorized Representative and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the First-Lien Secured Parties, appoint a successor Collateral Agent meeting the qualifications set forth above (but without the consent of any other First-Lien Secured Party or the Company); provided that if the Collateral Agent shall notify the Company and each Authorized Representative that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Collateral Agent shall be discharged from its duties and obligations hereunder and under the First-Lien Security Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the First-Lien Secured Parties under any of the First-Lien

Security Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the perfection of the security interests of the First-Lien Secured Parties therein until such time as a successor Collateral Agent is appointed but with no obligation to take any further action at the request of the Applicable Authorized Representative, any other First-Lien Secured Parties or any Grantor) and (b) all payments, communications and determinations provided to be made by, to or through the Collateral Agent shall instead be made by or to each Authorized Representative directly, until such time as the Applicable Authorized Representative appoints a successor Collateral Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Collateral Agent hereunder and under the First-Lien Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other First-Lien Security Documents (if not already discharged therefrom as provided above in this Section). After the retiring Collateral Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article and Article VIII of the Credit Agreement and the equivalent provision of any Additional First-Lien Agreement shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any notice of resignation of the Collateral Agent hereunder and under the First-Lien Security Documents, the Company agrees to use commercially reasonable efforts to transfer (and maintain the validity and priority of) the Liens in favor of the retiring Collateral Agent under the First-Lien Security Documents to the successor Collateral Agent.

**SECTION 4.07 Non-Reliance on Collateral Agent and Other First-Lien Secured Parties.** Each First-Lien Secured Party (other than the Initial Additional Authorized Representative) acknowledges that it has, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other First-Lien Secured Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured Credit Documents. Each First-Lien Secured Party also acknowledges that it will, independently and without reliance upon the Collateral Agent, any Authorized Representative or any other First-Lien Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Secured Credit Document or any related agreement or any document furnished hereunder or thereunder.

**SECTION 4.08 Collateral and Guaranty Matters.** Each of the First-Lien Secured Parties irrevocably authorizes the Collateral Agent, at its option and in its discretion:

Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt (if a Business Day) and on the next Business Day thereafter (in all other cases) if delivered by hand or overnight courier service or sent by telecopy or on the date five Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 5.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 5.01. As agreed to in writing among the Collateral Agent and each Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

SECTION 5.02 Waivers; Amendment; Joinder Agreements. (a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and the Collateral Agent (and with respect to any such termination, waiver, amendment or modification which by the terms of this Agreement requires the Company's consent or which increases the obligations or reduces the rights of the Company or any other Grantor, with the consent of the Company).

(c) Notwithstanding the foregoing, without the consent of any First-Lien Secured Party, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.13 and upon such execution and delivery, such Authorized Representative and the Additional First-Lien Secured Parties and Additional First-Lien Obligations of the Series for which such Authorized Representative is acting shall be subject to the terms hereof and the terms of the other First-Lien Security Documents applicable thereto.

(d) Notwithstanding the foregoing, without the consent of any other Authorized Representative or First-Lien Secured Party, the Collateral Agent may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Additional First-Lien Obligations in compliance with the Credit Agreement.

(e) Notwithstanding the foregoing, any Grantor may become a party hereto by execution and delivery to the Collateral Agent of an assumption or joinder agreement in accordance with Section 5.16.

SECTION 5.03 Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other First-Lien Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04 Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05 Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5.06 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07 Governing Law; Jurisdiction. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

SECTION 5.08 Submission to Jurisdiction Waivers; Consent to Service of Process. The Collateral Agent and each Authorized Representative, on behalf of itself and the First-Lien Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the First-Lien Security Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York in the County of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 5.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any First-Lien Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any First-Lien Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.09.

SECTION 5.10 Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11 Conflicts. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the First-Lien Security Documents or any of the other Secured Credit Documents, the provisions of this Agreement shall control.

SECTION 5.12 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First-Lien Secured Parties in relation to one another. None of the Company, any other Grantor or any other creditor thereof shall have any rights or obligations hereunder, except as expressly provided in this Agreement ( provided that nothing in this Agreement (other than Section 2.04, 2.05, 2.08, 2.09 or Article V) is intended to or will amend, waive or otherwise modify the provisions of the Credit Agreement or any Additional First-Lien Documents), and none of the Company or any other Grantor may rely on the terms hereof (other than Sections 2.04, 2.05, 2.08, 2.09 and Article V). Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute and unconditional, to pay the First-Lien Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 5.13 Additional Senior Debt. To the extent, but only to the extent permitted by the provisions of the Credit Agreement and the Additional First-Lien Documents, the Company may incur Additional First-Lien Obligations. Any such additional class or series of Additional First-Lien Obligations (the “ Senior Class Debt ”) may be secured by a Lien and may be Guaranteed by the Grantors on a senior basis, in each case under and pursuant to the Additional First-Lien Documents, if and subject to the condition that the Authorized Representative of any such Senior Class Debt (each, a “ Senior Class Debt Representative ”), acting on behalf of the holders of such Senior Class Debt (such Authorized Representative and holders in respect of any Senior Class Debt being referred to as the “ Senior Class Debt Parties ”), becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for a Senior Class Debt Representative to become a party to this Agreement,

(i) such Senior Class Debt Representative, the Collateral Agent and each Grantor shall have executed and delivered an instrument substantially in the form of Annex II (with such changes as may be reasonably approved by the Collateral Agent and such Senior Class Debt Representative) pursuant to which such Senior Class Debt Representative becomes an Authorized Representative hereunder, and the Senior Class Debt in respect of which such Senior Class Debt Representative is the Authorized Representative and the related Senior Class Debt Parties become subject hereto and bound hereby;

(ii) the Company shall have (x) delivered to the Collateral Agent true and complete copies of each of the Additional First-Lien Documents relating to such Senior Class Debt, certified as being true and correct by a Responsible Officer of the Company and (y) identified the obligations to be designated as Additional First-Lien Obligations and the initial aggregate principal amount or face amount thereof;

(iii) (x) all filings, recordations and/or amendments or supplements to the First-Lien Security Documents necessary or desirable in the reasonable judgment of the Collateral Agent to confirm and perfect the Liens securing the relevant obligations relating to such Senior Class Debt shall have been made, executed and/or delivered (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordings have been taken in the reasonable judgment of the Collateral Agent), and (y) all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments have been taken in the reasonable judgment of the Collateral Agent), subject, in the case of any action referred to in preceding sub-clause (x) or (y), to any extension of the time permitted for the taking of such action in accordance with the relevant Additional First-Lien Documents; and

(iv) the Additional First-Lien Documents, as applicable, relating to such Senior Class Debt shall provide, in a manner reasonably satisfactory to the Collateral Agent, that each Senior Class Debt Party with respect to such Senior Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Senior Class Debt.

SECTION 5.14 Certain Agreements Relating to the Existing Intercreditor Agreement. Each of the First-Lien Secured Parties and the Grantors acknowledges and agrees that (i) the Initial Additional First-Lien Documents do not constitute “Refinancing Existing Senior Notes Documents” and (ii) Initial Additional First-Lien Obligations do not constitute “Existing Senior Notes Obligations”, in either case, solely for purposes of the Existing Intercreditor Agreement.

SECTION 5.15 Integration. This Agreement together with the other Secured Credit Documents and the First-Lien Security Documents represents the agreement of each of the Grantors and the First-Lien Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Collateral Agent, any or any other First-Lien Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Credit Documents or the First-Lien Security Documents.

SECTION 5.16 Grantors; Additional Grantors. The Grantors existing on the date hereof hereby covenant and agree to cause each Subsidiary of the Company or direct or indirect parent of the Company which becomes a Grantor after the date hereof to contemporaneously become a party hereto by executing and delivering an assumption or joinder agreement in form and substance reasonably satisfactory to the Collateral Agent. The parties hereto further agree that, notwithstanding any failure to take the actions required by the immediately preceding sentence, each Person which becomes a Grantor at any time (and any security granted by any such Person) shall be subject to the provisions hereof as fully as if same constituted a Grantor party hereto and had complied with the requirements of the immediately preceding sentence.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their respective authorized officers as of the day and year first above written.

Nothing contained in this Agreement shall be construed to make the Collateral Agent or any other Additional First-Lien Secured Party liable as a member of any limited liability company or as a partner of any partnership, neither the Collateral Agent nor any other Additional First-Lien Secured Party by virtue of this Agreement or otherwise (except as referred to in the following sentence) shall have any of the duties, obligations or liabilities of a member of any limited liability company or as a partner in any partnership. The parties hereto expressly agree that, unless the Collateral Agent shall become the owner of Pledged Collateral consisting of a limited liability company interest or a partnership interest pursuant hereto, this Agreement shall not be construed as creating a partnership or joint venture among the Collateral Agent, any other Additional First-Lien Secured Party, any Grantor and/or any other Person.

(e) Subject to the provisions of the Intercreditor Agreement, to the extent, and for so long as, the Applicable Authorized Representative is the Administrative Agent (as both such terms are defined in the Intercreditor Agreement), then any determination expressly required to be made hereunder by the Collateral Agent shall be deemed to be (and shall be) the same as any determination made by the Administrative Agent or the collateral agent, as applicable, under the Senior Credit Facilities, with respect to such matter; *provided* that the Collateral Agent shall not be required to execute any document, unless it is in a form reasonably satisfactory to it.

**SECTION 3.02. *Representations and Warranties*** . The Grantors jointly and severally represent and warrant to the Collateral Agent and the other Additional First-Lien Secured Parties that:

(a) Each Grantor has good and valid rights in and title to the Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent, for the benefit of the Additional First-Lien Secured Parties, the Security Interest in such Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement,

(b) Uniform Commercial Code financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations containing a description of the Collateral have been prepared by the Collateral Agent based upon the information provided to the Collateral Agent and the Additional First-Lien Secured Parties by the Grantors for filing in each governmental, municipal or other office specified on Schedule IV hereof (or specified by notice from the Company to the Collateral Agent after the Closing Date in the case of filings, recordings or registrations required by Section 3.02(f) of this Agreement or in connection with the joinder of any new Grantor and the corresponding provision of any Additional First-Lien Agreement), which are all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in the Collateral consisting of United States Patents, Trademarks and Copyrights) that are necessary as of the Closing Date (or after the Closing Date, in the case of filings, recordings or registrations required by Section 3.02(f) of this Agreement or in connection with the joinder of any new Grantor) to publish notice of and protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Additional First-Lien Secured Parties in respect of all Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements. Each Grantor represents and warrants that, to the extent the Collateral consists of Intellectual Property, a fully executed agreement in the form hereof or, alternatively, each applicable short form security agreement in the form attached to this Agreement as Exhibits B-1, B-2 and B-3, and containing a description of all Collateral consisting of Intellectual Property with respect to United States Patents and United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights has been or will be delivered to the Collateral Agent for recording by the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. §261, 15 U.S.C. §1060 or 17 U.S.C. §205 and the regulations thereunder, as applicable, and otherwise as may be required pursuant to the laws of any other necessary jurisdiction, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Additional First-Lien Secured Parties in respect of all Collateral consisting of Patents, Trademarks and Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Collateral consisting of United States federally registered Patents, Trademarks and Copyrights (and applications therefor) acquired or developed after the date hereof).

(c) The Security Interest constitutes (i) a legal and valid security interest in all Collateral securing the payment and performance of the Additional First-Lien Obligations, (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any state thereof) pursuant to the Uniform Commercial Code and (iii) subject to the filings described in Section 3.02(b), a security interest that shall be perfected in all Collateral in which a security interest may be perfected upon the receipt and recording of this Agreement (or the applicable short form security agreement) with the United States Patent and Trademark Office and the United States Copyright Office, as applicable, within the three month period (commencing as of the date hereof) pursuant to 35 U.S.C. § 261 or 15 U.S.C. § 1060 or the one month period (commencing as of the date hereof) pursuant to 17 U.S.C. § 205. The Security Interest is and shall be prior to any other Lien on any of the Collateral, other than Permitted Liens.

(d) Schedule II correctly sets forth as of the Closing Date the percentage of the issued and outstanding shares or units of each class of the Equity Interests of the issuer thereof represented by the Pledged Stock and includes all Equity Interests, debt securities and promissory notes other than those not required to be pledged hereunder.

(e) The Pledged Stock and Pledged Debt Securities have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Stock issued by a corporation, are fully paid and nonassessable and (ii) in the case of Pledged Debt Securities, are legal, valid and binding obligations of the issuers thereof, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other loss affecting creditors' rights generally and general principles of equity or at law.

(f) Schedule V correctly sets forth as of the Closing Date (i) the exact legal name of each Grantor, as such name appears in its respective certificate or articles of incorporation or formation, (ii) the jurisdiction of organization of each Grantor, (iii) the mailing address of each Grantor, (iv) the organizational identification number, if any, issued by the jurisdiction of organization of each Grantor, (v) the identity or type of organization of each Grantor and (vi) the Federal Taxpayer Identification Number, if any, of each Grantor. The Grantors agree to furnish to the Collateral Agent notice of any change on or prior to the later to occur of (a) 30 days following the occurrence of such change and (b) the date which is 45 days after the end of the most recently ended fiscal quarter of the Company following such change (i) in any Grantor's legal name, (ii) in the jurisdiction of organization or formation of any Grantor or (iii) in any Grantor's identity or corporate structure. Each Grantor agrees not to effect or permit any change referred to in the preceding sentence unless all filings have been made or will have been made within the time periods described in the preceding sentence that are required in order for the Collateral Agent to continue, following such change, to have a valid and, to the extent required by this Agreement, perfected security interest in all the Collateral with the same priority as immediately prior to such change.

---

(g) The Collateral is owned by the Grantors free and clear of any Lien, except for Permitted Liens.

(h) Notwithstanding the foregoing or anything else in this Agreement to the contrary, no representation, warranty or covenant is made with respect to the creation or perfection of a security interest in Collateral to the extent such creation or perfection would require (i) any filing other than a filing in the United States of America, any state thereof and the District of Columbia or (ii) other action under the laws of any jurisdiction other than the United States of America, any state thereof and the District of Columbia.

(i) As of the Closing Date, no Grantor holds (i) any Commercial Tort Claims or (ii) any interest in any Chattel Paper, in each case, in an amount in excess of \$10,000,000 individually, except as described in Schedule VI hereto.

(j) Each Grantor represents and warrants that (x) the Trademarks, Patents and Copyrights listed on Schedule III include all United States federal registrations and pending applications for Trademarks, Patents and Copyrights, all as in effect as of the Closing Date, that such Grantor owns and that are material to the conduct of its business as of the date hereof and (y) the Domain Names listed on Schedule III include all Domain Names in which such Grantor has rights as of the date hereof that are material to the conduct of its business as of the date hereof.

(k) Schedule VII lists completely and correctly (in all material respects) as of the Closing Date all real property owned by the Grantors that is mortgaged to secure the Grantors' obligations under the Senior Credit Facilities.

### SECTION 3.03. *Covenants.*

(a) Subject to Section 3.02(h), each Grantor shall, at its own expense, take all commercially reasonable actions necessary to defend title to the Collateral against all persons and to defend the Security Interest of the Collateral Agent in the Collateral and the priority thereof against any Lien which does not constitute a Permitted Lien.

(b) Subject to Section 3.02(h), each Grantor agrees, upon written request by the Collateral Agent and at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably deem necessary to obtain, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and Taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing or continuation statements (including fixture filings) or other documents in connection herewith or therewith.

(c) At its option, but only following 5 Business Days' written notice to each Grantor of its intent to do so, the Collateral Agent may discharge past due Taxes, assessments, charges, fees or Liens at any time levied or placed on the Collateral which do not constitute a Permitted Lien, and may pay for the maintenance and preservation of the Collateral to the extent any Grantor fails to do so as required by the Indenture or any Additional First-Lien Agreement then extant, and each Grantor jointly and severally agrees to reimburse the Collateral Agent within 30 days after demand for any reasonable payment made or any reasonable expense incurred by the Collateral Agent pursuant to the foregoing authorization; provided, however, that nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any other Additional First-Lien Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to Taxes, assessments, charges, fees or Liens and maintenance as set forth herein or in the Additional First-Lien Documents.

(d) Each Grantor shall remain liable to observe and perform all conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral, all in accordance with the terms and conditions thereof.

**SECTION 3.04. *Other Actions*** . In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest in the Collateral, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Collateral:

(a) ***Instruments***. If any Grantor shall at any time hold or acquire any Instruments constituting Collateral in excess of \$10,000,000 individually, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such undated instruments of endorsement, transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably specify.

(b) ***Investment Property*** . Subject to the terms hereof, if any Grantor shall at any time hold or acquire any Certificated Securities constituting Collateral, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent, accompanied by such undated instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably specify. Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule II and made a part hereof and supplement any prior schedule so delivered; provided that failure to attach any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities and shall not in and of itself result in any Default or Event of Default. Each certificate representing an interest in any limited liability company or limited partnership controlled by any Grantor and pledged under Section 3.01 shall be physically delivered to the Collateral Agent on or prior to the later to occur of (i) 30 days following the acquisition by such Grantor of such certificate and (ii) the date which is 45 days after the end of the most recently ended fiscal quarter of the Company following the acquisition of such certificate and endorsed to the Collateral Agent or endorsed in blank.

(c) **Electronic Chattel Paper and Transferable Records.** If any Grantor at any time holds or acquires an interest constituting Collateral in an amount in excess of \$10,000,000 individually in any Electronic Chattel Paper or any “transferable record”, as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, such Grantor shall promptly notify the Collateral Agent thereof and, at the request of the Collateral Agent, shall take such action as the Collateral Agent may reasonably request to vest in the Collateral Agent control under New York UCC Section 9-105 of such Electronic Chattel Paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Collateral Agent agrees with such Grantor that the Collateral Agent will arrange, pursuant to procedures reasonably satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent’s loss of control, for the Grantor to make alterations to the Electronic Chattel Paper or transferable record permitted under UCC Section 9-105 or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Grantor with respect to such Electronic Chattel Paper or transferable record.

(d) **Letter-of-Credit Rights.** If any Grantor is at any time a beneficiary under a letter of credit constituting Collateral in excess of \$10,000,000 individually, now or hereafter issued in favor of such Grantor, such Grantor shall notify the Collateral Agent thereof and, at the reasonable request and option of the Collateral Agent, such Grantor shall, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, use commercially reasonable efforts to either (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under the letter of credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of the letter of credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be paid to the applicable Grantor unless an Event of Default has occurred or is continuing.

(e) **Commercial Tort Claims.** If any Grantor shall at any time hold or acquire a Commercial Tort Claim in excess of \$10,000,000 individually, the Grantor shall notify the Collateral Agent thereof in a writing signed by such Grantor including a summary description of such claim and grant to the Collateral Agent, for the benefit of the Additional First-Lien Secured Parties, in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent.

(t) ***Security Interests in Property of Account Debtors.*** If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person the value of which equals or exceeds \$10,000,000 to secure payment and performance of an Account constituting Collateral, such Grantor shall promptly assign such security interest to the Collateral Agent for the benefit of the Additional First-Lien Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

**SECTION 3.05. *Voting Rights; Dividends and Interest, Etc.*** Unless and until an Event of Default shall have occurred and be continuing and, except in the case of a Bankruptcy Default, the Collateral Agent shall have given the Grantors notice of its intent to exercise its rights under this Agreement:

(a) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of the Pledged Collateral or any part thereof for any purpose consistent with the terms of this Agreement, the Indenture, any other then extant Additional First-Lien Agreement and applicable law.

(b) The Collateral Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a) above.

(c) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are not prohibited by, and otherwise paid or distributed in accordance with, the terms and conditions of the Indenture, any other then extant Additional First-Lien Agreement and applicable law; provided that any noncash dividends, interest, principal or other distributions that would constitute Pledged Collateral, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall be held in trust for the benefit of the Collateral Agent and the other Additional First-Lien Secured Parties and shall be delivered to the Collateral Agent in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent) on or prior to the later to occur of (i) 30 days following the receipt thereof and (ii) the date which is 45 days after the end of the most recently ended fiscal quarter.

**SECTION 3.06. *Additional Covenants Regarding Patent, Trademark and Copyright Collateral.***

(a) Except as could not reasonably be expected to have a Material Adverse Effect, each Grantor agrees that it will not, and will use commercially reasonable efforts to not permit any of its licensees to, do any act, or omit to do any act, whereby any Patent that is material to the conduct of such Grantor's business may become invalidated or dedicated to the public.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, each Grantor (either itself or through its licensees or its sublicensees) will, for each Trademark material to the conduct of such Grantor's business, use commercially reasonable efforts to maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use.

(c) Except as could not reasonably be expected to have a Material Adverse Effect (and subject to Section 7.14(a) hereof), each Grantor (either itself or through its licensees or sublicensees) will, for each work covered by a material Copyright, use commercially reasonable efforts to continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary to establish and preserve its rights under applicable copyright laws.

(d) Except to the extent failure to act could not reasonably be expected to have a Material Adverse Effect, each Grantor will take all reasonable and necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or in any other country or any political subdivision thereof, to maintain and pursue each material application relating to the Patents, Trademarks and/or Copyrights (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights that is material to the conduct of any Grantor's business, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(e) Each Grantor agrees that, should it obtain an ownership or other interest in any Intellectual Property after the Closing Date ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto, and (ii) any such After-Acquired Intellectual Property and, in the case of Trademarks, the goodwill symbolized thereby, shall automatically become part of the Collateral subject to the terms and conditions of this Agreement. Not later than the 45th day after the last day of each of the first three fiscal quarters of the Company in any fiscal year and the 90th day after the last day of the Company's fiscal year, the relevant Grantor shall sign and deliver to the Collateral Agent an appropriate Intellectual Property Security Agreement with respect to all applicable U.S. federally registered (or application for U.S. federally registered) After-Acquired Intellectual Property owned by it as of the last day of the applicable fiscal quarter, to the extent that such Intellectual Property is not covered by any previous Intellectual Property Security Agreement so signed and delivered by it.

#### **SECTION 3.07. *Mortgages.***

(a) With respect to the Mortgaged Properties listed on Schedule VII, within sixty (60) days after the Closing Date (or such later date as the Collateral Agent may agree to); the Collateral Agent shall have received each of the following documents, which shall be reasonably satisfactory in form and substance to the Collateral Agent: Fully executed counterparts of Mortgages, which Mortgages shall cover each Mortgaged Property, together with

evidence that counterparts of all the Mortgages have been delivered to a title insurance company reasonably acceptable to Collateral Agent for recording in all places to the extent necessary or, in the reasonable opinion of the Collateral Agent, desirable to effectively create a valid and enforceable first priority pari passu mortgage lien on each Mortgaged Property in favor of the Collateral Agent for its benefit and the benefit of the Additional First-Lien Secured Parties, securing the Additional First-Lien Obligations;

(ii) Opinions addressed to the Collateral Agent, of local counsel in each jurisdiction where Mortgaged Property is located and opinions of counsel for the Company regarding due authorization, execution and delivery of the Mortgages, in each case reasonably satisfactory to the Collateral Agent;

(iii) With respect to each Mortgage encumbering any Mortgaged Property, title searches in form and substance reasonably acceptable to the Collateral Agent, conducted by a title insurance company reasonably acceptable to the Collateral Agent, which reflect that such Mortgaged Property is free and clear of all defects and encumbrances except Permitted Liens;

(iv) Proper fixture filings under the Uniform Commercial Code on Form UCC-1 for filing under the Uniform Commercial Code in the appropriate jurisdiction in which the Mortgaged Properties are located to perfect the security interests in fixtures purported to be created by the Mortgages in favor of the Collateral Agent for its benefit and the benefit of the Additional First-Lien Secured Parties; and

(v) Evidence reasonably acceptable to the Collateral Agent of payment by the Company of all title and lien searches and examination charges, mortgage recording taxes, fees, charges, costs and expenses required for the recording of the Mortgages and fixture filings referred to above.

(b) The relevant Grantor agrees to promptly grant to the Collateral Agent, within 90 days of the acquisition thereof (or such later date as the Collateral Agent may agree to), a security interest in and Mortgage on each real property located in the United States owned in fee by such Grantor as is acquired by such Grantor after the Closing Date and that, together with any improvements thereon, individually has a book value of at least \$15,000,000 (as reasonably estimated by the Company), as additional security for the Additional First-Lien Obligations. Such Mortgages shall be granted pursuant to documentation reasonably satisfactory in form and substance to the Collateral Agent and shall constitute valid and enforceable perfected Liens subject only to Permitted Liens or other Liens acceptable to the Collateral Agent and the relevant Grantor shall cause the actions or documents described in clauses (i)-(v) in clause (a) above to have been taken or delivered, as applicable.

(c) To the extent not constituting collateral for any other First-Lien Obligations and notwithstanding anything to the contrary in this Agreement or any other Additional First-Lien Security Document (i) the Collateral Agent shall not require the taking of a Lien on, or require the perfection of any Lien granted in, real property as to which the cost of obtaining or

perfecting such Lien (including any mortgage, stamp, intangibles or other tax or expenses relating to such Lien) is excessive in relation to the benefit to the Additional First-Lien Secured Parties of the security afforded thereby as reasonably determined by the Collateral Agent and (ii) Liens required to be granted on or in real property pursuant to this Agreement shall be subject to exceptions and limitations consistent with those set forth in Section 3.07 of this Agreement or the Indenture as in effect on the Closing Date (to the extent appropriate in the applicable jurisdiction).

SECTION 3.08. *Future Actions* . In the event that after the date hereof, any Grantor shall pledge any assets of such Grantor or undertake any actions to perfect or protect any liens on any assets of such Grantor pledged in connection with First-Lien Obligations, such Grantor shall also at the time pledge such assets to the Collateral Agent and undertake such actions with respect to the Collateral for the Collateral Agent for the benefit of the Additional First-Lien Secured Parties without request by the Collateral Agent.

## ARTICLE IV

### *Remedies*

#### SECTION 4.01. *Pledged Collateral.*

(a) Upon the occurrence and during the continuance of an Event of Default and with notice to the Company, the Collateral Agent, on behalf of the Additional First-Lien Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Collateral Agent. Upon the occurrence and during the continuance of an Event of Default and with notice to the relevant Grantor, the Collateral Agent shall at all times have the right to exchange the certificates representing any Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement.

(b) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have notified the Company in writing of the suspension of their rights under paragraph (c) of Section 3.05, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (c) of Section 3.05 shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of Section 3.05 shall be held in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Collateral Agent upon demand in the same form as so received (with any necessary endorsement or instrument of assignment). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.03. After all Events of Default have been cured or waived, the Collateral Agent shall promptly repay to each applicable Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (c) of Section 3.05 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default and with notice to the Company, all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a) of Section 3.05, and the obligations of the Collateral Agent under paragraph (b) of Section 3.05, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided, however, that, unless otherwise directed by the Applicable Authorized Representative, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default and the provision of the notice referred to above to permit the Grantors to exercise such rights. To the extent the notice referred to in the first sentence of this paragraph (c) has been given, after all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a) of Section 3.05, and the Collateral Agent shall again have the obligations under paragraph (b) of Section 3.05.

(d) Notwithstanding anything to the contrary contained in this Section 4.01, if a Bankruptcy Default shall have occurred and be continuing, the Collateral Agent shall not be required to give any notice referred to in Section 3.05 or this Section 4.01 in order to exercise any of its rights described in said Sections, and the suspension of the rights of each of the Grantors under said Sections shall be automatic upon the occurrence of such Bankruptcy Default.

**SECTION 4.02. *Uniform Commercial Code and Other Remedies*** . Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral to the Collateral Agent on demand, and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable Grantor to the Collateral Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements), and (b) to withdraw any and all cash or other Collateral from any account established by the Collateral Agent to hold Collateral or proceeds of Collateral and to apply such cash and other Collateral to the payment of any and all Additional First-Lien Obligations in the manner provided in Section 4.03, (c) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral without breach of the peace, and subject to the terms of any related lease agreement, to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral, and (d) generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any

broker's board or on any securities exchange upon such commercially reasonable terms and conditions as it may deem advisable, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give each applicable Grantor 10 Business Days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Additional First-Lien Secured Party may bid for or purchase, free (to the extent permitted by applicable law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by applicable law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Additional First-Lien Secured Party from any Grantor as a credit against the purchase price, and such Additional First-Lien Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof, the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the

Collateral Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Additional First-Lien Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver.

Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, upon the occurrence and during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. All sums disbursed by the Collateral Agent in connection with this paragraph, including attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Additional First-Lien Obligations secured hereby.

**SECTION 4.03. *Application of Proceeds*** . If an Event of Default shall have occurred and be continuing the Collateral Agent shall apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral in accordance with the requirements of the Intercreditor Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

**SECTION 4.04. *Grant of License To Use Intellectual Property*** . For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent an irrevocable (until the termination of this Agreement), nonexclusive license, subject in all respects to any existing licenses (exercisable without payment of royalty or other compensation to the Grantors), to use, license or sublicense any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Collateral Agent may be exercised, at the option of the Collateral Agent, only upon the occurrence and during the continuation of an Event of Default; provided, however, that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon each Grantor notwithstanding any subsequent cure of an Event of Default.

SECTION 4.05. *Securities Act, Etc* . In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the U.S. Securities Act of 1933, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the “Federal Securities Laws”) with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable “blue sky” or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that to the extent such restrictions and limitations apply to any proposed sale of Pledged Collateral, the Collateral Agent may, with respect to any sale of such Pledged Collateral, limit the purchasers to those who will agree, among other things, to acquire such Pledged Collateral for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that to the extent such restrictions and limitations apply to any proposed sale of Pledged Collateral, the Collateral Agent, in its sole and absolute discretion (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws and (b) may approach and negotiate with a limited number of potential purchasers (including a single potential purchaser) to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a limited number of purchasers (or a single purchaser) were approached. The provisions of this Section 4.05 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

ARTICLE VI

*Subject to Intercreditor Agreement*

SECTION 6.01. *Intercreditor Agreement* . Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the Collateral Agent pursuant to this Agreement and all rights and obligations of the Collateral Agent and the other Additional First-Lien Secured Parties hereunder are expressly subject to the Intercreditor Agreement and (ii) the exercise of any right or remedy by the Collateral Agent or any other Additional First-Lien Secured Party hereunder is subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern.

SECTION 6.02. **Obligations** . To the extent any obligation of any Grantor hereunder or under any other Additional First-Lien Security Document, including without limitation any obligation to grant sole possession or control or deliver or assign property or funds to a collateral agent or any other Person conflicts or is inconsistent with (or any representation or warranty hereunder or under any other Additional First-Lien Security Document would, if required to be true, conflict or be inconsistent with) the obligations or requirements under a substantially similar provision of any other First-Lien Security Document (other than any Additional First-Lien Security Document), such obligations or requirements under the First-Lien Security Documents shall control, and such Grantor shall not be required to fulfill such obligations (or make such representations and warranties) hereunder or under any Additional First-Lien Security Document, and shall be deemed not to be in violation of this Agreement or any other Loan Document as a result of its performance of the obligations or requirements of such Additional First-Lien Security Document. For the avoidance of doubt, the absence of any specific reference to this paragraph in any other provision of this Agreement or in the Indenture or any Additional First-Lien Agreement shall not be deemed to limit the generality of this paragraph.

## ARTICLE VII

### *Miscellaneous*

SECTION 7.01. **Notices** . All communications and notices hereunder to the Collateral Agent shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 5.01 of the Intercreditor Agreement. All communications and notices hereunder to any Grantor shall be given to it in care of the Company as provided in Section 13.02 of the Indenture.

SECTION 7.02. **Binding Effect; Several Agreement**. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Grantor and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Grantor, the Collateral Agent and the other Additional First-Lien Secured Parties and their respective successors and permitted assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void), except as contemplated or permitted by the Indenture and each then extant Additional First-Lien Agreement. This Agreement shall be construed as a separate agreement with respect to the Company and each other Grantor and may be amended, modified, supplemented, waived or released with respect to the Company and any other Grantor without the approval of any other Grantor and without affecting the obligations of the Company or any other Grantor hereunder.

SECTION 7.03. **Successors and Assigns**. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

**SECTION 7.04. *Collateral Agent's Fees and Expenses; Indemnification.***

(a) The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder, without duplication, as provided in Section 7.07 of the Indenture and the corresponding provision of any other Additional First-Lien Agreement.

(b) Without limitation of its indemnification obligations under the other Indenture and any other Additional First-Lien Agreement, each Grantor jointly and severally agrees, without duplication, to indemnify the Collateral Agent, its Affiliates and the respective directors, officers, employees, trustees, agents and advisors of the Collateral Agent and its Affiliates and their successors and assigns (each an "Indemnitee") against, and hold each Indemnitee harmless from, any and all costs, expenses (including reasonable fees, out-of-pocket disbursements and other charges of one primary counsel, one regulatory counsel and one local counsel to the Indemnitees (taken as a whole) in each relevant jurisdiction; provided, however, that if (i) one or more Indemnitees shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to one or more other Indemnitees or (ii) the representation of the Indemnitees (or any portion thereof) by the same counsel would be inappropriate due to actual or potential differing interests between them, then such expenses shall include the reasonable fees, out-of-pocket disbursements and other charges of one separate counsel to such Indemnitees, taken as a whole, in each relevant jurisdiction) and liabilities arising out of or in connection with the execution, delivery or performance of this Agreement or any agreement or instrument contemplated hereby or any claim, litigation, investigation or proceeding relating to any of the foregoing or to the Collateral, regardless of whether any Indemnitee is a party thereto or whether initiated by a third party or by a Grantor or any Affiliate thereof; provided, however, that such indemnity shall not, as to any Indemnitee, be available to the extent that such costs, expenses or liabilities (x) resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or material breach of its (or its Related Parties') obligations hereunder, under the Indenture or under any other Additional First-Lien Agreement or (y) resulted from any dispute solely among Indemnitees and not involving the Grantors or their respective Affiliates. To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby or the use of proceeds of any Additional First-Lien Obligations.

(c) Any such amounts payable as provided hereunder shall be additional Additional First-Lien Obligations secured hereby and by the other Additional First-Lien Security Documents. The provisions of this Section 7.04, shall survive the Termination Date.

**SECTION 7.05. *Collateral Agent Appointed Attorney-in-Fact.*** Each Grantor hereby appoints the Collateral Agent as the attorney-in-fact of such Grantor for the purpose of, upon the occurrence and during the continuance of an Event of Default, carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest; provided, however, that the Collateral Agent shall not execute on behalf of Grantors any application or other instrument to be submitted to the FCC.

Without limiting the generality of the foregoing, the Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, with full power of substitution either in the Collateral Agent's name or in the name of such Grantor (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof, (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral, (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral, (d) to send verifications of Accounts to any Account Debtor, (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral, (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral, (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent, and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement in accordance with its terms, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Additional First-Lien Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence, willful misconduct or bad faith. The foregoing powers of attorney being coupled with an interest, are irrevocable until the Security Interest shall have terminated in accordance with the terms hereof.

**SECTION 7.06. *Applicable Law.*** THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF).

**SECTION 7.07. *Waivers; Amendment.***

(a) No failure or delay by the Collateral Agent in exercising any right or power hereunder or under any other Additional First-Lien Security Document shall operate as a waiver hereof or thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent hereunder and under the other Additional First-Lien Security Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Additional First-Lien Security Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 7.07, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Except as otherwise provided herein, no notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

---

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantors in accordance with Section 2.04(b) of the Intercreditor Agreement.

SECTION 7.08. **WAIVER OF JURY TRIAL.** EACH PARTY HERETO (AND EACH OTHER ADDITIONAL FIRST-LIEN SECURED PARTY, BY ITS ACCEPTANCE OF THE BENEFITS HEREOF) HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER ADDITIONAL FIRST-LIEN SECURITY DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER ADDITIONAL FIRST-LIEN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.08.

SECTION 7.09. **Severability** . In the event anyone or more of the provisions contained in this Agreement or in any other Additional First-Lien Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7.10. **Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 7.02. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 7.11. **Headings.** *Article* and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

**SECTION 7.12. *Jurisdiction; Consent to Service of Process.***

(a) Each of the Grantors and the Additional First-Lien Secured Parties, by their acceptance of the benefits of this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America, sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Additional First-Lien Document, or for recognition or enforcement of any judgment, and each of the Grantors and the Additional First-Lien Secured Parties, by their acceptance of the benefits of this Agreement hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the Grantors and the Additional First-Lien Secured Parties, by their acceptance of the benefits of this Agreement agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Additional First-Lien Document shall affect any right that the Collateral Agent or any other Additional First-Lien Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or any other Additional First-Lien Document against any Grantor or its properties in the courts of any jurisdiction.

(b) Each of the Grantors and the Additional First-Lien Secured Parties, by their acceptance of the benefits of this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Additional First-Lien Document in any court referred to in paragraph (a) of this Section. Each of the Grantors and the Additional First-Lien Secured Parties, by their acceptance of the benefits of this Agreement hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each of the Grantors and the Additional First-Lien Secured Parties, by their acceptance of the benefits of this Agreement hereby irrevocably consents to service of process in the manner provided for notices in Section 7.01. Nothing in this Agreement or any other Additional First-Lien Document will affect the right of the Collateral Agent or the Grantors to serve process in any other manner permitted by law.

**SECTION 7.13. *Termination or Release.***

(a) This Agreement, the Security Interest, the pledge of the Pledged Collateral and all other security interests granted hereby shall terminate (i) in full on the Termination Date and (ii) with respect to any Series of any Additional First-Lien Obligations, upon the Discharge of Series of Additional First-Lien Obligations with respect to such Series.

(b) All or a portion of the Collateral of any Grantor pledged hereunder shall be released from the Security Interest to the extent (and only to the extent) securing any Series of Additional First-Lien Obligations as provided in the Indenture or the Additional First-Lien Agreements, as applicable, under which such Series of Additional First-Lien Obligations was incurred.

(c) In connection with any termination or release pursuant to paragraph (a) or (b) above with respect to all or any Series of Additional First-Lien Obligations, the Collateral Agent shall promptly execute and deliver to any Grantor, at such Grantor's expense, all Uniform Commercial Code termination statements and similar documents (including releases or satisfaction of any Mortgages) that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 7.13 shall be without recourse to or representation or warranty by the Collateral Agent (other than any representation and warranty that the Collateral Agent has the authority pursuant to the Intercreditor Agreement to execute and deliver such documents) or any other Additional First-Lien Secured Party. Without limiting the provisions of Section 7.04, the Company shall reimburse the Collateral Agent upon demand for all reasonable out-of-pocket costs and expenses, including the fees, charges and expenses of counsel, incurred by it in connection with any action contemplated by this Section 7.13.

(d) In the event that Rule 3-16 of Regulation S-X under the Securities Act is amended, modified or interpreted by the SEC to permit (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would permit) such subsidiary's Equity Interests and/or other securities issued by such subsidiary to secure any Series of Additional First-Lien Obligations in excess of the amount then pledged without the filing with the SEC (or any other Governmental Authority) of separate financial statements of such subsidiary, then the Equity Interests and/or other securities issued by such subsidiary will automatically be deemed to be a part of the Collateral (and shall cease to be Excluded Collateral) for the relevant Additional First-Lien Obligations but only to the extent necessary to not be subject to any such financial statement requirement.

(e) At any time that the respective Grantor desires that the Collateral Agent take any action described in preceding paragraph (c) above, it shall, upon request of the Collateral Agent, deliver to the Collateral Agent an officer's certificate certifying that the release of the respective Collateral is permitted pursuant to paragraph (a) or (b) above. The Collateral Agent shall have no liability whatsoever to any Additional First-Lien Secured Party as the result of any release of Collateral with respect to which the Collateral Agent has received an officer's certificate pursuant to this Section 7.13(e).

#### SECTION 7.14. *FCC Compliance.*

(a) Notwithstanding anything to the contrary contained herein or in any other agreement, instrument or document executed in connection herewith, no party hereto shall take any actions hereunder that would constitute or result in a transfer or assignment of any FCC License or a change of control over such FCC License requiring the prior approval of the FCC without first obtaining such prior approval of the FCC. In addition, the parties acknowledge that the voting rights of the Pledged Stock shall remain with the relevant Grantor thereof even upon the occurrence and during the continuance of an Event of Default until the FCC shall have given its prior consent to the exercise of stockholder rights by a purchaser at a public or private sale of such Pledged Stock or the exercise of such rights by the Collateral Agent or by a receiver, trustee, conservator or other agent duly appointed pursuant to applicable law.

(b) If an Event of Default shall have occurred and is continuing, each Grantor shall take any action which the Collateral Agent may reasonably request in the exercise of its rights and remedies under this Agreement in order to transfer or assign the Collateral to the Collateral Agent or to such one or more third parties as the Collateral Agent may designate, or to a combination of the foregoing. To enforce the provision of this Section 7.14, the Collateral Agent is empowered to seek from the FCC and any other Governmental Authority, to the extent required, consent to or approval of any involuntary transfer of control of any entity whose Collateral is subject to this Agreement for the purpose of seeking a bona fide purchaser to whom control ultimately will be transferred. Each Grantor agrees to cooperate with any such purchaser and with the Collateral Agent in the preparation, execution and filing of any forms and providing any information that may be necessary or helpful in obtaining the FCC's consent to the assignment to such purchaser of the Collateral. Each Grantor hereby agrees to consent to any such voluntary or involuntary transfer after and during the continuation of an Event of Default and, without limiting any rights of the Collateral Agent under this Agreement, to authorize the Collateral Agent to nominate a trustee or receiver to assume control of the Collateral, subject only to required judicial, FCC or other consents required by Governmental Authorities, in order to effectuate the transactions contemplated by this Section 7.14. Such trustee or receiver shall have all the rights and powers as provided to it by law or court order, or to the Collateral Agent under this Agreement. Each Grantor shall cooperate fully in obtaining the consent of the FCC and the approval or consent of each other Governmental Authority required to effectuate the foregoing.

(c) Without limiting the obligations of any Grantor hereunder in any respect, each Grantor further agrees that if such Grantor, upon or after the occurrence (and during the continuance) of an Event of Default, should fail or refuse for any reason whatsoever, without limitation, including any refusal to execute any application necessary or appropriate to obtain any governmental consent necessary or appropriate for the exercise of any right of the Collateral Agent hereunder, such Grantor agrees that such application may be executed on such Grantor's behalf by the clerk of any court of competent jurisdiction without notice to such Grantor pursuant to court order.

**SECTION 7.15. *Additional Subsidiaries.*** Upon execution and delivery by the Collateral Agent and any subsidiary that is not a Grantor on the Closing Date of a supplement in the form of Exhibit A hereto, such subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each of the Grantors hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

**SECTION 7.16. *Security Interest and Additional First-Lien Obligations Absolute.*** Subject to Section 7.13 hereof, all rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Indenture, any other Additional First-Lien Agreement, any other Additional First-Lien Document, any agreement with respect to any of the Additional First-Lien Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Additional First-Lien

Obligations, or any other amendment or waiver of or any consent to any departure from the Indenture, any other Additional First-Lien Agreement, any other Additional First-Lien Document, or any other agreement or instrument (so long as the same are made in accordance with the terms of Article IX of the Indenture (or any similar provision under any Additional First-Lien Document), (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Additional First-Lien Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Additional First-Lien Obligations or this Agreement.

SUPPLEMENT NO. [•] (this “Supplement”) dated as of [•], to the Collateral Agreement dated as of July 9, 2009 (the “Collateral Agreement”) (capitalized terms used herein without definition have the meanings given such terms by the Collateral Agreement), among UNIVISION COMMUNICATIONS INC., a Delaware corporation (the “Company”), each subsidiary of the Company from time to time party thereto (each such subsidiary individually a “Guarantor” and collectively, the “Guarantors”; the Guarantors and the Company are referred to collectively herein as the “Grantors”) and DEUTSCHE BANK AG NEW YORK BRANCH, as collateral agent (in such capacity, the “Collateral Agent”) for the Additional First-Lien Secured Parties.

A Section 7.15 of the Collateral Agreement provides that additional subsidiaries of the Company may become Grantors under the Collateral Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned subsidiary (the “New Subsidiary”) is executing this Supplement in order to become a Grantor under the Collateral Agreement.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.15 of the Collateral Agreement, the New Subsidiary by its signature below becomes a Grantor under the Collateral Agreement with the same force and effect as if originally named therein as a Grantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Collateral Agreement applicable to it as a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct in all material respects on and as of the date hereof (for this purpose, as though references therein to the Closing Date were to the date hereof). In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Additional First-Lien Obligations, does hereby create and grant to the Collateral Agent, its successors and permitted assigns, for the benefit of the Additional First-Lien Secured Parties, their successors and permitted assigns, a security interest in and lien on all of the New Subsidiary’s right, title and interest in and to the Collateral of the New Subsidiary. Each reference to a “Grantor” or a “Guarantor” in the Collateral Agreement shall be deemed to include the New Subsidiary. The Collateral Agreement is hereby incorporated herein by reference.

SECTION 2. The New Subsidiary represents and warrants to the Collateral Agent and the other Additional First-Lien Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms except as the enforceability thereof may be limited by bankruptcy, insolvency or other similar laws relating to the enforcement of creditors’ rights generally and by general equitable principles.

---

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Supplement shall become effective when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Subsidiary and the Collateral Agent. Delivery of an executed signature page to this Supplement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 4. The New Subsidiary hereby represents and warrants that (a) set forth on Schedule I attached hereto is a true and correct schedule of (i) any and all Equity Interests and Pledged Debt Securities now owned by the New Subsidiary and (ii) any and all Intellectual Property now owned by the New Subsidiary and (b) set forth under its signature hereto, is the true and correct legal name of the New Subsidiary and its jurisdiction of organization.

SECTION 5. Except as expressly supplemented hereby, the Collateral Agreement shall remain in full force and effect.

**SECTION 6. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF).**

SECTION 7. In case anyone or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Collateral Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall be made in accordance with Section 7.01 of the Collateral Agreement.

SECTION 9. The New Subsidiary agrees to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Collateral Agent.

IN WITNESS WHEREOF, the New Subsidiary and the Collateral Agent have duly executed this Supplement to the Collateral Agreement as of the day and year first above written.

B Section 5.16 of the First-Lien Intercreditor Agreement provides that additional subsidiaries of the Company may become Grantors under the First-Lien Intercreditor Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned New Subsidiary is executing this Supplement in order to become a Grantor under the First-Lien Intercreditor Agreement.

Accordingly, the Collateral Agent and the New Subsidiary agree as follows:

SECTION 1. In accordance with Section 7.15 of the Collateral Agreement, the New Subsidiary by its signature below becomes a Grantor under the Collateral Agreement with the same force and effect as if originally named therein as a Grantor and the New Subsidiary hereby (a) agrees to all the terms and provisions of the Collateral Agreement applicable to it as a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct in all material respects on and as of the date hereof (for this purpose, as though references therein to the Closing Date were to the date

hereof). In furtherance of the foregoing, the New Subsidiary, as security for the payment and performance in full of the Additional First-Lien Obligations, does hereby create and grant to the Collateral Agent, its successors and permitted assigns, for the benefit of the Additional First-Lien Secured Parties, their successors and permitted assigns, a security interest in and lien on all of the New Subsidiary's right, title and interest in and to the Collateral of the New Subsidiary. SECTION 2. In accordance with Section 5.16 of the First-Lien Intercreditor Agreement, the New Subsidiary by its signature below becomes a Grantor under the First-Lien Intercreditor Agreement with the same force and effect as if originally named therein as a Grantor and the New Subsidiary hereby (a) agrees to all terms and provisions of the First-Lien Intercreditor Agreement applicable to it as a Grantor thereunder. Each reference to a "Grantor" in the First-Lien Intercreditor Agreement shall be deemed to include the New Subsidiary. The First-Lien Intercreditor Agreement is hereby incorporated as if specifically set forth herein, mutatis mutandis.

SECTION 3. The New Subsidiary represents and warrants to the Collateral Agent and the other Additional First-Lien Secured Parties that this Supplement (when delivered) has been duly executed and delivered by the New Subsidiary. This Supplement constitutes a legal, valid and binding obligation of the New Subsidiary enforceable against such party in accordance with its terms, except as may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, receivership, moratorium or similar laws of general applicability relating to or limiting creditors' rights generally or by general equity principles.

SECTION 4. This Supplement may be executed in any number of counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute one instrument. This Supplement shall become effective when the First-Lien Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Subsidiary and the First-Lien Collateral Agent, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Delivery of an executed signature page to this Supplement by facsimile transmission or other electronic transmission (including ".pdf" or ".tif" format via email) shall be as effective as delivery of a manually signed counterpart of this Supplement.

SECTION 5. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Collateral Agreement, and the First-Lien Intercreditor Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 9. All communications and notices hereunder shall be made in accordance with Section 7.01 of the Collateral Agreement (except as otherwise expressly permitted by the First-Lien Intercreditor Agreement).

SECTION 10. The New Subsidiary agrees to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Collateral Agent, in each case, in accordance with and to the extent required by Section 7.04(a) of the Collateral Agreement.

*Amended and Restated Receivables Sale Agreement*

---

**ARTICLE I  
DEFINITIONS AND INTERPRETATION**

Section 1.01. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in Annex X.

Section 1.02. Rules of Construction. For purposes of this Agreement, the rules of construction set forth in Annex X shall govern. All Appendices hereto, or expressly identified to this Agreement, are incorporated herein by reference and, taken together with this Agreement, shall constitute but a single agreement.

**ARTICLE II  
TRANSFERS OF RECEIVABLES**

Section 2.01. Agreement to Transfer.

(a) Receivables Transfers. Under the Existing Sale Agreement, each of the Originators (other than the New Originators) sold or contributed to its Related Buyer on each respective "Transfer Date" (as defined in the Existing Sale Agreement), all Receivables owned by it on such "Transfer Date," and such Related Buyer purchased or acquired as a capital contribution all such Receivables on each such "Transfer Date." Subject to the terms and conditions hereof, each Originator agrees to sell (without recourse except to the limited extent specifically provided herein) or contribute to its Related Buyer on the Second Restatement Effective Date and on each Business Day thereafter (each such date, a "Transfer Date") until the Facility Termination Date, all Receivables owned by it on each such Transfer Date, and such Related Buyer agrees to purchase or acquire as a capital contribution all such Receivables on each such Transfer Date. All such Transfers by an Originator to its Related Buyer shall collectively be evidenced by a certificate of assignment substantially in the form of Exhibit 2.01(a) (each, a "Receivables Assignment" and collectively, the "Receivables Assignments"), and each Originator and its Related Buyer has previously executed and delivered a Receivables Assignment on or before the Second Restatement Effective Date.

(b) Determination of Sold Receivables. On and as of each Transfer Date, all Receivables then owned by each Originator and not previously acquired by its Related Buyer shall be sold immediately upon its creation to such Related Buyer (each such Receivable sold, individually, a "Sold Receivable" and, collectively, the "Sold Receivables").

(c) Payment of Sale Price. Subject to subparagraph (d) below, in consideration for each Sale of Sold Receivables by any Originator hereunder, its Related Buyer shall pay to such Originator on the Transfer Date therefor the applicable Sale Price therefor in Dollars in immediately available funds. All cash payments by a Related Buyer under this Section 2.01(c) shall be effected by means of a wire transfer on the day when due to such account or accounts as its Related Originator may designate from time to time.

(d) Determination of Contributed Receivables. Prior to the delivery of an Election Notice, on each Transfer Date on which a Buyer cannot pay the Sale Price therefore in cash, its

*Amended and Restated Receivables Sale Agreement*

Related Originator shall identify Receivables then owned by it which have not been previously acquired by such Buyer, and shall, unless it delivers an Election Notice on such date, contribute such Receivables as a capital contribution to such Buyer (each such contributed Receivable, individually, a “Contributed Receivable,” and collectively, the “Contributed Receivables”), to the extent such Buyer cannot so pay the Sale Price therefor in cash pursuant to the foregoing clause (c). Notwithstanding the foregoing, no Originator shall be obligated to make additional contributions to its Related Buyer at any time. If on any Transfer Date an Originator elects not to contribute Receivables to its Related Buyer when such Buyer cannot pay the Sale Price therefor in cash, such Originator shall deliver to its Related Buyer (with a copy to the Seller and the Purchaser Agent) not later than 5:00 p.m. (New York time) on the Business Day immediately preceding such Transfer Date a notice of election thereof (each such notice, an “Election Notice”).

(e) Ownership of Transferred Receivables. On and after each Transfer Date and after giving effect to the Transfers to be made on each such date, each Buyer shall own the Transferred Receivables sold or contributed to it by its Related Originator (subject to the subsequent sale to the SPV) and no Originator shall take any action inconsistent with such ownership nor shall any Originator claim any ownership interest in such Transferred Receivables.

(f) Reconstruction of General Trial Balance. If at any time any Originator fails to generate its General Trial Balance, its Related Buyer shall have the right to reconstruct such General Trial Balance so that a determination of the Sold Receivables and Contributed Receivables can be made pursuant to Section 2.01(b). Each Originator agrees to cooperate with such reconstruction, including by delivery to its Related Buyer, upon such Buyer’s request, of copies of all Records.

Section 2.02. Purchase and Sale. The parties hereto intend that each Transfer shall be absolute and shall constitute a purchase and sale and not a loan. The parties hereto intend that this Agreement shall constitute a “sale of accounts” or “sale of payment intangibles” (as such terms are used in Article 9 of the UCC) and therefor this Agreement is intended to create a “security interest” relating to a sale of accounts (and shall constitute a “security agreement” relating to a sale of accounts) within the meaning of Article 9 of the UCC. Pursuant to this Agreement each Originator shall have assigned, conveyed and sold to its Related Buyer all of such Originator’s right, title and interest in, to and under the Transferred Receivables and any Receivables purported to be sold by it hereunder, in each case, whether now owned or hereafter acquired by such Originator.

Section 2.03. Originators Remain Liable. It is expressly agreed by the Originators that, anything herein to the contrary notwithstanding, each Originator shall remain liable to the Obligor (and any other party to the related Contract) under any and all of the Receivables originated by it and under the Contracts therefor to observe and perform all the conditions and obligations to be observed and performed by it thereunder. No Buyer shall have any obligation or liability to the Obligor or any other party to the related Contract under any such Receivables or Contracts by reason of or arising out of this Agreement or the assignment to such Buyer thereof or the receipt by such Buyer of any payment relating thereto pursuant hereto. The exercise by a Buyer of any of its rights under this Agreement shall not release any Originator

*Amended and Restated Receivables Sale Agreement*

from any of its respective duties or obligations under any such Receivables or Contracts. No Buyer shall be required or obligated in any manner to perform or fulfill any of the obligations of any Originator under or pursuant to any such Receivable or Contract, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such Receivable or Contract, or to present or file any claims, or to take any action to collect or enforce any performance or the payment of any amounts that may have been assigned to it or to which it may be entitled at any time or times.

Section 2.04. Sale Price Credits. If on any day the Outstanding Balance of a Receivable is reduced or canceled as a result of any Dilution Factor then, in such event, the Buyer of such Receivable shall be entitled to a credit (each, a “Sale Price Credit”) against the Sale Price otherwise payable hereunder in an amount equal to the amount of such reduction or cancellation. If the Sale Price Credit exceeds the Sale Price of the Receivables being sold by the applicable Related Originator on any such day, then such Originator shall pay the remaining amount of such Sale Price Credit to its Related Buyer in cash promptly (and in any event within one (1) Business Day) thereafter.

Section 2.05. Acknowledgement of Assignment. Each Originator hereby acknowledges and consents to its Related Buyer’s assignment of its rights and remedies hereunder to SPV as set forth in Section 2.05 of the Transfer Agreement and agrees that all rights and remedies of Buyer may be exercised by SPV as assignee of such Buyer (or by the Purchaser Agent as SPV’s assignee). Each Originator agrees that the representations, warranties and covenants set forth in Sections 4.01, 4.02 and 4.03 hereof, the indemnification and payment provisions of Article V hereof and the provisions of Sections 4.03(k), 6.12 and 6.14 hereof shall survive the sale of the Transferred Receivables (and undivided percentage ownership interests therein) and the termination of the Transfer Agreement and this Agreement.

(a) the representations and warranties of each Originator contained herein or in any other Related Document shall be true and correct in all material respects as of such Transfer Date, both before and after giving effect to such Transfer and to the application of the Sale Price therefor, except to the extent that any such representation or warranty expressly relates to an earlier date and except for changes therein expressly permitted by this Agreement;

(b) (i) the Purchaser Agent shall not have declared the Facility Termination Date to have occurred following the occurrence of a Termination Event, and (ii) the Facility Termination Date shall not have otherwise automatically occurred, in either event, in accordance with Section 8.01 of the Purchase Agreement; and

The acceptance by any Originator of the Sale Price for any Sold Receivables and the contribution to a Buyer by its Related Originator of any Contributed Receivables on any Transfer Date shall be deemed to constitute, as of any such Transfer Date, a representation and warranty by such Originator that the conditions precedent set forth in this Article III have been satisfied. Upon any such acceptance, title to the Transferred Receivables sold on such Transfer Date shall be vested absolutely in the applicable Related Buyer, whether or not such conditions were in fact so satisfied.

#### **ARTICLE IV REPRESENTATIONS, WARRANTIES AND COVENANTS**

Section 4.01. Representations and Warranties of the Originators. To induce its Related Buyer to purchase the Sold Receivables and to acquire the Contributed Receivables, each Originator, as applicable, makes the following representations and warranties to its Related Buyer as of the Closing Date, the Second Restatement Effective Date and, except to the extent otherwise expressly provided below, as of each Transfer Date, each of which shall survive the execution and delivery of this Agreement.

(a) Corporate Existence; Compliance with Law. Such Originator (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; (ii) is duly qualified to conduct business and is in good standing in each other jurisdiction where its ownership or lease of property or the conduct of its business requires such qualification, except where the failure to so qualify could not reasonably be expected to result in a Material Adverse Effect; (iii) has the requisite corporate power and authority and the legal right to own, pledge, mortgage or otherwise encumber and operate its properties, to lease the property it operates under lease, and to conduct its business, in each case, as now, heretofore and proposed to be conducted; (iv) has all licenses, permits, consents or approvals from or by, and has made all filings with, and has given all notices to, all Governmental Authorities having jurisdiction, to the extent required for such ownership, operation and conduct, except where the failure to do any of the foregoing could not reasonably be expected to result in a Material Adverse Effect; (v) is in compliance with its articles or certificate of incorporation and by-laws; and (vi) subject to specific representations set forth herein regarding ERISA, Environmental Laws, tax laws and other laws, is in compliance with all applicable provisions of law, except where the failure to so comply, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Such Originator is a registered organization of the type and is organized under the laws of the State set forth in Schedule 4.01(b) (as supplemented from time to time in compliance with Section 4.02(g)(vi)) and such Originator's organizational identification number (if any), the current location of such Originator's chief executive office, principal place of business, other offices, the warehouses and premises within which any records relating to the Receivables are stored or located, and the locations of its records concerning the Receivables are

set forth in Schedule 4.01(b). During the five years prior to the Second Restatement Effective Date, except as set forth in Schedule 4.01(b), no Originator has used any legal names. In addition, Schedule 4.01(b) lists the federal employer identification number of each Originator as of the Second Restatement Effective Date. Each Buyer is a wholly-owned Subsidiary of its Related Originator.

(c) Corporate Power, Authorization, Enforceable Obligations. The execution, delivery and performance by such Originator of this Agreement and the other Related Documents to which it is a party and the creation and perfection of all Transfers provided for herein and therein and, solely with respect to clause (vii) below, the exercise by Buyer, or its assigns of any of its rights and remedies under any Related Document to which it is a party: (i) are within such Originator's corporate power; (ii) have been duly authorized by all necessary or proper corporate and shareholder action; (iii) do not contravene any provision of such Originator's articles or certificate of incorporation or by-laws; (iv) do not violate any law or regulation, or any order or decree of any court or Governmental Authority; (v) do not conflict with or result in the breach or termination of, constitute a default under or accelerate or permit the acceleration of any performance required by, any material indenture, mortgage, deed of trust, lease, agreement or other instrument to which such Originator is a party or by which such Originator or any of its property is bound; (vi) do not result in the creation or imposition of any Adverse Claim upon any of the property of such Originator; and (vii) do not require the consent or approval of any Governmental Authority or any other Person, except those referred to in Section 3.01(b), all of which will have been duly obtained, made or complied with prior to the Second Restatement Effective Date. Each of the Related Documents to which any Originator is a party have been duly executed and delivered by each such Originator and on the Second Restatement Effective Date each such Related Document shall then constitute a legal, valid and binding obligation of the applicable Originator, enforceable against it in accordance with its terms, except as may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, receivership, moratorium or similar laws of general applicability relating to or limiting creditors' rights generally or by general equity principles.

(d) No Litigation. No Litigation is now pending or, to the knowledge of such Originator, threatened in writing against such Originator or any Subsidiary of such Originator that (i) challenges such Originator's right or power to enter into or perform any of its obligations under the Related Documents to which it is a party, or the validity or enforceability of any Related Document or any action taken thereunder, (ii) seeks to prevent the Transfer of any Receivable or the consummation of any of the transactions contemplated under this Agreement or the other Related Documents or (iii) is reasonably likely to be adversely determined and, if adversely determined, could reasonably be expected to have a Material Adverse Effect. Except as set forth on Schedule 4.01(d), as of the Second Restatement Effective Date, there is no Litigation pending or, to the knowledge of such Originator, threatened in writing that either (a) seeks damages in excess of \$100,000,000.00 against such Originator or any Subsidiary of such Originator or (b) alleges criminal misconduct by such Originator or any Subsidiary of such Originator and which, in the case of this clause (b) only, could reasonably be expected to have a Material Adverse Effect.

(e) Solvency. After giving effect to (i) the transactions contemplated by this Agreement and the other Related Documents and (ii) the payment and accrual of all transaction costs in connection with the foregoing, such Originator is and will be Solvent. After giving effect to the sale and contribution of Transferred Receivables and other payments and transactions contemplated on such Transfer Date, such Originator is and will be Solvent.

(f) Material Adverse Effect. Since December 31, 2012, except as has been previously disclosed in such Originator's SEC filings on or prior to the Second Restatement Effective Date, (i) such Originator has not incurred any obligations, contingent or non-contingent liabilities, liabilities for Charges, long-term leases or unusual forward or long-term commitments other than (x) it obligations under the Related Documents and (y) obligations, liabilities and commitments that, alone or in the aggregate, could reasonably be expected to have a Material Adverse Effect, (ii) no contract, lease or other agreement or instrument has been entered into by such Originator or has become binding upon such Originator's assets and no law or regulation applicable to such Originator has been adopted that has had or could reasonably be expected to have a Material Adverse Effect and (iii) such Originator is not in default and no third party is, to such Originator's actual knowledge, in default under any contract, lease or other agreement or instrument to which such Originator is a party, to the extent, in either case, such default could reasonably be expected to result in a Material Adverse Effect. Since December 31, 2012, except as has been previously disclosed in such Originator's SEC filings on or prior to the Second Restatement Effective Date, no event has occurred that alone or together with other events could reasonably be expected to have a Material Adverse Effect.

(g) Ownership of Receivables; Liens. Immediately prior to the transfer thereof hereunder, such Originator owns each Receivable originated or acquired by it free and clear of any Adverse Claim (other than (1) Permitted Encumbrances and (2) security interests which shall be immediately and automatically released upon the transfer of such Receivable hereunder) and, from and after each Transfer Date, its Related Buyer will acquire valid and properly perfected title to and the sole record and beneficial ownership interest in each Transferred Receivable purchased or otherwise acquired on such date from such Originator, free and clear of any Adverse Claim (other than Permitted Encumbrances) or restrictions on transferability. Such Originator has received all assignments, bills of sale and other documents, and has duly effected all recordings, filings and other actions necessary to establish, protect and perfect such Originator's right, title and interest in and to the Receivables originated or acquired by it and its other properties and assets. Such Originator has rights in and full power to transfer its Receivables hereunder. No effective financing statements or other similar instruments are of record in any filing office listing such Originator as debtor and purporting to cover the Transferred Receivables except those filed in favor of its Related Buyer in connection with this Agreement and those relating to security interests that shall be immediately and automatically released with respect to a Transferred Receivable upon its Transfer hereunder.

(h) Taxes. All material tax returns, reports and statements, including information returns, required by any Governmental Authority to be filed by such Originator or any other member of the Parent Group have been filed with the appropriate Governmental Authority and all Charges have been paid prior to the date on which any fine, penalty, interest or late charge may be added thereto for nonpayment thereof (or any such fine, penalty, interest, late charge or loss has been paid), excluding (x) Charges that individually or in the aggregate could not reasonably be expected to result in a Material Adverse Effect and (y) Charges or other amounts being contested in accordance with Section 4.02(k). Proper and accurate amounts have been withheld by such Originator and each such member from its respective employees for all periods in full and complete compliance with all applicable federal, state, provincial, local and foreign

laws and such withholdings have been timely paid to the respective Governmental Authorities, except where the failure to so comply, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. Schedule 4.01(h) sets forth as of the Second Restatement Effective Date (i) those taxable years for which such Originator's or any such member's tax returns are currently being audited by the IRS or any other applicable Governmental Authority and (ii) any assessments or threatened assessments in connection with such audit or otherwise currently outstanding. Neither such Originator nor any such member and their respective predecessors are liable for any Charges: (A) under any agreement (including any tax sharing agreements) or (B) to the best of such Originator's knowledge, as a transferee, except in each of (A) and (B), where such liability, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. As of the Second Restatement Effective Date, such Originator has not agreed or been requested to make any adjustment under IRC Section 481(a), by reason of a change in accounting method or otherwise, that would have a Material Adverse Effect.

(i) Intellectual Property. As of the Second Restatement Effective Date, such Originator owns or has rights to use (x) all intellectual property relating to the servicing and administration of the Receivables and the maintenance of Records with respect thereto and (y) all intellectual property necessary to continue to conduct its business as now or heretofore conducted by it or proposed to be conducted by it except, in the case of this clause (y), where the failure to so own or have, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. Such Originator conducts its business and affairs without infringement of or interference with any intellectual property of any other Person except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. As of the Second Restatement Effective Date, except as set forth in Schedule 4.01(i), such Originator is not aware of any material infringement or claim of infringement by others of any material intellectual property of such Originator that is reasonably likely to be adversely determined and, if adversely determined, could reasonably be expected to have a Material Adverse Effect. No license or approval is required for its Related Buyer or its assignee (including the Purchaser Agent or any Successor Servicer) to use any programs used by such Originator in the servicing of the Receivables other than those which have been obtained and are in full force and effect.

(j) Full Disclosure. All information (other than projections and other forward looking information and information of a general economic or industry specific nature) contained in this Agreement, any of the other Related Documents, or any other written statement or information furnished by or on behalf of such Originator to its Related Buyer relating to this Agreement, the Transferred Receivables or any of the other Related Documents, in each case, taken as a whole, is true and accurate in every material respect, and none of this Agreement, any of the other Related Documents, or any other written statement or information furnished by or on behalf of such Originator to its Related Buyer relating to this Agreement or any of the other Related Documents, in each case, taken as a whole, is misleading as a result of the failure to include therein a material fact. All information contained in this Agreement, any of the other Related Documents, or any written statement furnished to its Related Buyer has been prepared in good faith by management of such Originator, as the case may be, with the exercise of reasonable diligence.

*Amended and Restated Receivables Sale Agreement*

(k) Notices to Obligors. Each Obligor of Transferred Receivables has been notified, in each invoice sent to such Obligor with respect to such Receivable that all payments with respect to such Receivables are to be made by remitting payment to a Lockbox or a Collection Account.

(l) ERISA. Such Originator and its respective ERISA Affiliates are in compliance with ERISA, except where the failure to so comply, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and have not incurred and do not expect to incur any liabilities (except for timely paid premium payments arising in the ordinary course of business) under Title IV of ERISA.

(m) Brokers. No broker or finder acting on behalf of such Originator was employed or utilized in connection with this Agreement or the other Related Documents or the transactions contemplated hereby or thereby and such Originator does not have any obligation to any Person in respect of any finder's or brokerage fees in connection herewith or therewith.

(n) Margin Regulations. Such Originator is not engaged, nor will it engage, principally or as one of its important activities, in the business of extending credit for the purpose of "purchasing" or "carrying" any "margin security" as such terms are defined in Regulations T, U or X of the Federal Reserve Board as now and from time to time hereafter in effect (such securities being referred to herein as "Margin Stock"). No portion of the proceeds of the Sale Price from any Sale will be used, directly or indirectly, for the purpose of purchasing or carrying any Margin Stock, for the purpose of reducing or retiring any Debt that was originally incurred to purchase or carry any Margin Stock or for any other purpose that might cause any portion of such proceeds to be considered a "purpose credit" within the meaning of Regulations T, U or X of the Federal Reserve Board. Such Originator will not take or permit to be taken any action that might cause any Related Document to violate any regulation of the Federal Reserve Board.

(o) Nonapplicability of Bulk Sales Laws. No transaction contemplated by this Agreement or any of the other Related Documents requires compliance with any bulk sales act or similar law.

(p) Investment Company Act Exemptions. Each purchase of Transferred Receivables under this Agreement constitutes a purchase or other acquisition of notes, drafts, acceptances, open accounts receivable or other obligations representing part or all of the sales price of merchandise, insurance or services within the meaning of Section 3(c)(5) of the Investment Company Act.

(q) Government Regulation. Such Originator is not an "investment company" or an "affiliated person" of, or "promoter" or "principal underwriter" for, an "investment company," as such terms are defined in the Investment Company Act. Such Originator is not subject to regulation under the Federal Power Act, or any other federal or state statute that restricts or limits its ability to incur Debt or to perform its obligations hereunder or under any other Related Document. The purchase or acquisition of the Transferred Receivables by its Related Buyer hereunder, the application of the Sale Price therefor and the consummation of the transactions contemplated by this Agreement and the other Related Documents will not violate any provision of any such statute or any rule, regulation or order issued by the Securities and Exchange Commission.

*Amended and Restated Receivables Sale Agreement*

(r) Books and Records; Minutes. The by-laws or the certificate or articles of incorporation of such Originator require it to maintain (i) books and records of account and (ii) minutes of the meetings and other proceedings of its Stockholders and board of directors (or an analogous governing body).

(s) Deposit and Disbursement Accounts. Schedule 4.01(s), as updated from time to time by written notice to its Related Buyer and the Purchaser Agent, lists all banks and other financial institutions at which such Originator maintains deposit accounts established for the receipt of collections on Receivables, and such schedule correctly identifies the name, address and telephone number of each depository, the name in which the account is held, a description of the purpose of the account, and the complete account number therefor.

(t) Representations and Warranties in Other Related Documents. Each of the representations and warranties of such Originator contained in the Related Documents (other than this Agreement) is true and correct in all material respects (or, in the case of any such representation or warranty that is expressly qualified by a materiality standard or contains any carve-out or exception based on a Material Adverse Effect by its express terms, in all respects) and such Originator hereby makes each such representation and warranty to, and for the benefit of, its Related Buyer as if the same were set forth in full herein. Such Originator consents to the assignment of its Related Buyer's rights with respect to all such representations and warranties to SPV (and its respective successors and assigns) pursuant to the Transfer Agreement as more fully described in Section 6.03 below.

(u) Receivables. With respect to each Transferred Receivable acquired by a Buyer hereunder:

(i) Each Transferred Receivable included in any Investment Base Certificate, Monthly Report, Weekly Report or Daily Report, as applicable, as an Eligible Receivable, as of the applicable Transfer Date therefor, satisfied the criteria for an Eligible Receivable;

(ii) immediately prior to its transfer to such Buyer, such Receivable was owned by the Related Originator thereof free and clear of any Adverse Claim (other than (1) Permitted Encumbrances and (2) security interests which shall be immediately and automatically released upon the transfer of such Receivable), and such Originator had the full right, power and authority to sell, contribute, assign and transfer its interest therein as contemplated under this Agreement and the other Related Documents and, upon such Transfer, such Buyer will acquire valid and properly perfected title to and the sole legal and beneficial ownership interest in such Receivable, free and clear of any Adverse Claim (other than Permitted Encumbrances) and, following such Transfer, such Receivable will not be subject to any Adverse Claim (other than Permitted Encumbrances) as a result of any action or inaction on the part of such Originator;

*Amended and Restated Receivables Sale Agreement*

(iii) the Transfer of each such Receivable pursuant to this Agreement and the Receivables Assignment executed by the Originator thereof constitutes, as applicable, a valid sale, contribution, transfer, assignment, setover and conveyance to its Related Buyer of all right, title and interest of such Originator in and to such Receivable; and

(iv) the Originator of such Receivable has no knowledge of any fact (including Dilution Factors and any defaults by the Obligor thereunder on any other Receivable) that would cause it to expect that any payments on such Receivable will not be paid in full when due or to expect any other Material Adverse Effect with respect to such Receivable.

(v) Fair Value. With respect to each Transferred Receivable acquired by its Related Buyer hereunder, (i) the consideration received from such Buyer in respect of such Transferred Receivable represents adequate consideration and fair and reasonably equivalent value for such Transferred Receivable as of the applicable Transfer Date and (ii) such consideration is not less than the fair market value of such Transferred Receivables, in each case, as of the applicable Transfer Date.

(w) Supplementary Representations.

(i) Receivables; Accounts.

(A) Each Receivable constitutes an “account” within the meaning of the applicable UCC.

(B) Each Account constitutes a “deposit account” within the meaning of the applicable UCC.

(ii) Title. Immediately prior to giving effect to the transactions contemplated hereunder, the Originators own and have good and marketable title to the Receivables, and the Collections free and clear of any Adverse Claim (other than (1) Permitted Encumbrances, (2) the transfer of the Transferred Receivables by the Originators to the respective Related Buyers pursuant to this Agreement and (3) security interests which shall be immediately and automatically released upon the transfer of the Receivables hereunder). The Agreement transfers all ownership of the Transferred Receivables transferred to each Related Buyer (together with the related Collections) in favor of such Buyer, which ownership interest is prior to all other Adverse Claims and is enforceable as such as against any creditors of and purchasers from the Related Originator.

(iii) Perfection. On or prior to the Second Restatement Effective Date, each Originator has caused the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the sale of the Transferred Receivables from such Originator to its Related Buyer pursuant to this Agreement.

(iv) Priority.

(A) Other than (1) Permitted Encumbrances, (2) the transfer of the Transferred Receivables by such Originator to its Related Buyer pursuant to this Agreement and (3) security interests which shall be immediately and automatically released upon the transfer of the Receivables hereunder, such Originator has not pledged, assigned, sold, conveyed, or otherwise granted a security interest in any of the Receivables to any other Person.

*Amended and Restated Receivables Sale Agreement*

(B) Such Originator has not authorized, and is not aware of, any filing of any financing statement against such Originator that includes a description of collateral covering the Receivables or any other assets transferred to its Related Buyer hereunder, other than any financing statement filed pursuant to this Agreement and the Purchase Agreement, financing statements that have been validly terminated on or prior to the date hereof and those relating to security interests that shall be immediately and automatically released with respect to a Transferred Receivable upon the Transfer thereof hereunder.

(C) Such Originator is not aware of any judgment, ERISA or tax lien filings against such Originator (other than any judgment lien that does not attach to the Receivables and which constitutes a Permitted Encumbrance).

(v) Survival of Supplemental Representations. Notwithstanding any other provision of this Agreement or any other Related Document, the representations contained in this Section 4.01(w) shall be continuing, and remain in full force and effect until the Termination Date.

The representations and warranties described in this Section 4.01 shall survive the Transfer of the Transferred Receivables to the Buyers, any subsequent assignment of the Transferred Receivables by Buyer, and the termination of this Agreement and the other Related Documents and shall continue until the indefeasible payment in full of all Transferred Receivables.

Section 4.02. Affirmative Covenants of the Originators. Each Originator covenants and agrees that, unless otherwise consented to by its Related Buyer and the Purchaser Agent, from and after the Closing Date and until the Termination Date:

(a) Offices and Records. Such Originator shall maintain its jurisdiction of organization, principal place of business and chief executive office and the office at which it keeps its Records at the respective locations specified in Schedule 4.01(b) (as supplemented from time to time in compliance with Section 4.02(g)(vi)). Such Originator shall at its own cost and expense, for not less than three years from the date on which each Transferred Receivable was originated, or for such longer period as may be required by law, maintain adequate Records with respect to such Transferred Receivable, including records of all payments received, credits granted and merchandise returned with respect thereto.

(b) Access. Such Originator shall, at its own expense (provided such Originator shall only be required to pay for such visits two (2) times a year so long as no Incipient Termination Event or Termination Event shall have occurred and be continuing), during normal business hours, from time to time upon one Business Day's prior notice and as frequently as its Related Buyer, SPV or the Servicer determines to be appropriate: (i) provide its Related Buyer, SPV,

the Servicer and any of their respective officers, employees, agents and representatives access to its properties (including properties of such Originator utilized in connection with the collection, processing or servicing of the Transferred Receivables) and facilities, advisors and employees (including officers) of such Originator, (ii) permit its Related Buyer, SPV and the Servicer and any of their respective officers, employees, agents and representatives to inspect, audit and make extracts from such Originator's books and records, including all Records maintained by such Originator, (iii) permit its Related Buyer, SPV, the Servicer and their respective officers, employees, agents and representatives, to inspect, review and evaluate the Transferred Receivables, and (iv) permit its Related Buyer, the Servicer and their respective officers, employees, agents and representatives to discuss matters relating to the Transferred Receivables or such Originator's performance under this Agreement or the affairs, finances and accounts of such Originator with any of its officers, directors, employees, representatives or agents (in each case, with those Persons having knowledge of such matters) and with its independent certified public accountants. If an Incipient Termination Event or a Termination Event shall have occurred and be continuing, or a Buyer, in good faith, notifies its Related Originator that an Incipient Termination Event or a Termination Event may have occurred, is imminent or deems its rights or interests in the Transferred Receivables insecure, such Originator shall provide such access at all times and without advance notice and shall provide its Related Buyer, SPV and the Servicer with access to its suppliers and customers. Such Originator shall make available to its Related Buyer, SPV and the Servicer and their respective counsel, as quickly as is possible under the circumstances, originals or copies of all books and records, including Records maintained by such Originator, as its Related Buyer, SPV or the Servicer may reasonably request. Such Originator shall deliver any document or instrument reasonably necessary for its Related Buyer, SPV or the Servicer, as they may from time to time request, to obtain records from any service bureau or other Person that maintains records for such Originator, and shall maintain duplicate records or supporting documentation on media, including computer tapes and discs owned by such Originator.

(c) Communication with Accountants. Provided that the Related Buyer gives reasonable prior notice to the applicable Originator and gives the applicable Originator an opportunity to participate in such discussions, each Originator authorizes its Related Buyer, SPV and the Servicer and their designated representatives to communicate directly with its independent certified public accountants, and authorizes and, if requested by its Related Buyer, SPV or Servicer, shall instruct those accountants to disclose and make available to its Related Buyer, SPV, the Servicer and their designated representatives, any and all financial statements and other supporting financial documents, schedules and information relating to such Originator (including copies of any issued management letters) with respect to the business, financial condition and other affairs of such Originator. Such Originator agrees to render to its Related Buyer, SPV and the Servicer at such Originator's own cost and expense, such clerical and other assistance as may be reasonably requested with regard to the foregoing. If any Termination Event shall have occurred and be continuing, such Originator shall, promptly upon request therefor, deliver to its Related Buyer or its designee all Records reflecting activity through the close of business on the Business Day immediately preceding the date of such request.

(d) Compliance With Credit and Collection Policies. Such Originator shall comply with the Credit and Collection Policies applicable to each Transferred Receivable and the Contracts therefor, and with the terms of such Receivables and Contracts, except any failure to comply which could not reasonably be expected to impair the validity, collectibility or enforceability of such Transferred Receivable or otherwise result in a Material Adverse Effect.

*Amended and Restated Receivables Sale Agreement*

(e) Assignment. Such Originator agrees that, to the extent permitted under the Transfer Agreement, its Related Buyer may assign all of its right, title and interest in, to and under the Transferred Receivables and this Agreement, including its right to exercise the remedies set forth in Section 4.04. Such Originator agrees that, upon any such assignment, the assignee thereof may enforce directly, without joinder of its Related Buyer, all of the obligations of such Originator hereunder, including any obligations of such Originator set forth in Sections 4.04, 5.01 and 6.14 and that such assignees are third party beneficiaries of its Related Buyer's rights hereunder.

(f) Compliance with Agreements and Applicable Laws. Such Originator shall perform each of its obligations under this Agreement and the other Related Documents and comply with all federal, state, provincial and local laws and regulations applicable to it and the Receivables, including those relating to truth in lending, retail installment sales, fair credit billing, fair credit reporting, equal credit opportunity, fair debt collection practices, privacy, licensing, securities laws, margin regulations, taxation, ERISA and labor matters and environmental laws and environmental permits, except where the failure to so comply could not reasonably be expected to result in a Material Adverse Effect. Such Originator shall pay all Charges, including any stamp duties, which may be imposed as a result of the transactions contemplated by this Agreement and the other Related Documents, except to the extent such Charges are being contested in accordance with Section 4.01(h).

(g) Maintenance of Existence and Conduct of Business. Such Originator shall: (i) do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and its rights and franchises; provided, that any Originator may consolidate or merge with or into or wind up into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties, so long as (w) the Person resulting from such consolidation, merger or winding up, or the beneficiary of such sale, assignment, transfer, lease, conveyance or other disposition (a "transaction"), as applicable, is (I) another Originator or (II) a wholly-owned Subsidiary of the Parent that agrees in writing (in form and substance reasonably satisfactory to the Purchaser Agent and its Related Buyer) to become party as an Originator to this Agreement and to be bound by the terms and conditions hereof in such capacity; (x) no Incipient Termination Event, Termination Event, Event of Servicer Termination or Incipient Servicer Termination Event shall have occurred immediately after giving effect to such transaction; (y) the Parent shall continue to exist after giving effect to such transaction; and (z) the Parent shall have reaffirmed its obligations under the Originator Support Agreement in writing (in form and substance reasonably satisfactory to the Purchaser Agent and its Related Buyer) with respect to the Person surviving such transaction or the beneficiary of such transaction, as applicable; (ii) continue to conduct its business substantially as now conducted or as otherwise permitted hereunder and in accordance with (x) the terms of its certificate or articles of incorporation and by-laws and (y) the assumptions set forth in each opinion letter of Weil, Gotshal & Manges LLP or other outside counsel to SPV delivered pursuant to the Schedule of Documents with respect to issues of substantive consolidation and true sale; (iii) at all times maintain, preserve and protect all of its assets and properties which are necessary in the conduct of its business, and keep the same in good repair, working order and condition in all material respects (taking into consideration ordinary wear and tear) and from time to time make, or cause to be made, all

necessary or appropriate repairs, replacements and improvements thereto consistent with industry practices; (iv) at all times maintain all licenses, permits, charters and registrations, required for the conduct of its business, except to the extent that a failure to maintain any of the same could not reasonably be expected to result in a Material Adverse Effect; (v) transact business only in such corporate, legal and trade names as are set forth in Schedule 4.02(g) or, such other corporate, legal or trade names as to which such Originator complies with clause (vi) below; and (vi) (x) furnish to its Related Buyer and the Purchaser Agent notice of, and take all actions necessary to maintain the perfection and priority of such Related Buyer's security interest (as assigned to SPV) with respect to the Transferred Receivables sold or purportedly sold by such Originator hereunder, including the filing of UCC financing statements or financing statement amendments, any change in (A) such Originator's legal name, (B) the jurisdiction of organization or formation of such Originator or (C) such Originator's identity or corporate structure, in each case, not later than 10 days (or such shorter period as may be agreed to by the Purchaser Agent) prior to the effectiveness of such change and (y) furnish to its Related Buyer and the Purchaser Agent notice of, and take all action requested by its Related Buyer pursuant to Section 6.13 with respect to the Transferred Receivables sold or purportedly sold by such Originator hereunder in light of such change, any change in the principal place of business or chief executive office of such Originator or the office at which it keeps its Records, on or prior to the later to occur of (I) 30 days following the occurrence of such change and (II) the earlier of the date of the required delivery of the Officer's Certificate pursuant to paragraph (d) of Annex 5.02(a) of the Purchase Agreement following such change and the date which is 45 days after the end of the most recently ended fiscal quarter following such change. To the extent reasonably practicable, no party to this Agreement will amend any UCC financing statement filed in connection herewith without the prior approval of the Purchaser Agent.

(h) Notice of Material Event. (e) Business. Such Originator shall not (and such Originator shall cause each other member of the Parent Group not to) make any changes in any of its business objectives, purposes or operations that could reasonably be expected to have or result in a Material Adverse Effect. Such Originator shall not (i) take any action, or fail to take any action, if such action or failure to take action would reasonably be expected to interfere with the enforcement of any rights hereunder or under the other Related Documents, including rights with respect to the Transferred Receivables; or (ii) subject to Section 4.02(k), fail to pay any Charge, fee or other obligation of such Originator with respect to the Transferred Receivables, or fail to defend any action, if such failure to pay or defend could reasonably be expected to adversely affect the priority or enforceability of the perfected title of its Related Buyer to and the sole legal and beneficial ownership interest of such Buyer in the Transferred Receivables or, prior to their Transfer hereunder, such Originator's right, title or interest therein.

(g) ERISA. Such Originator shall not, and shall not cause or permit any of its ERISA Affiliates to, cause or permit to occur an event that could reasonably be expected to result in the imposition of a Lien under Section 412 or 430 of the IRC or Section 302, 303 or 4068 of ERISA or cause or permit to occur an ERISA Event.

Such Originator shall not take or permit to be taken any action (other than with respect to actions taken or to be taken solely by a Governmental Authority), or fail or neglect to perform, keep or observe any of its obligations hereunder or under the other Related Documents, that would have the effect directly or indirectly of subjecting any payment to its Related Buyer, or to any assignee who is a resident of the United States of America, to withholding taxation.

*Amended and Restated Receivables Sale Agreement*

(k) No Proceedings. From and after the Closing Date and until the date one year plus one day following the Termination Date, such Originator shall not, directly or indirectly, institute or cause to be instituted against any Buyer any proceeding of the type referred to in Sections 8.01(d) and 8.01(e) of the Purchase Agreement.

(l) Commingling. Such Originator shall not deposit, and shall use commercially reasonable efforts to prevent the deposit by others of, funds that do not constitute Collections of Transferred Receivables into any Lockbox or a Collection Account, provided that after the Facility Termination Date, so long as any Transferred Receivables of an Obligor remain unpaid, such Originator shall not instruct such Obligor to remit Collections of any Transferred Receivables to any Person or account other than to a Lockbox or a Collection Account. If any funds not constituting collections of Transferred Receivables are nonetheless deposited into a Lockbox or a Collection Account and such Originator so notifies its Related Buyer, such Buyer shall notify the Purchaser Agent to promptly remit any such amounts to the applicable Originator.

(m) Purchases of Receivables. Such Originator shall not, directly or indirectly, purchase or otherwise acquire any accounts receivable from any Person without the express written consent of its Related Buyer.

Each such Originator shall ensure that no Collections or other proceeds with respect to a Transferred Receivable so reconveyed to it are paid or deposited into a Collection Account.

**(a) THIS AGREEMENT AND EACH RELATED DOCUMENT (EXCEPT TO THE EXTENT THAT ANY RELATED DOCUMENT EXPRESSLY PROVIDES TO THE CONTRARY) AND THE OBLIGATIONS ARISING HEREUNDER AND THEREUNDER SHALL IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATION WITH RESPECT TO POST-JUDGMENT INTEREST), BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAWS BUT OTHERWISE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES), EXCEPT TO THE EXTENT THAT THE PERFECTION, EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF EACH BUYER IN THE RECEIVABLES OR REMEDIES HEREUNDER OR THEREUNDER, IN RESPECT THEREOF, ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK, AND ANY APPLICABLE LAWS OF THE UNITED STATES OF AMERICA.**

*Amended and Restated Receivables Sale Agreement*

(b) EACH PARTY HERETO HEREBY CONSENTS AND AGREES THAT THE STATE OR FEDERAL COURTS LOCATED IN THE BOROUGH OF MANHATTAN IN NEW YORK CITY SHALL HAVE EXCLUSIVE JURISDICTION TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THEM PERTAINING TO THIS AGREEMENT OR TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY RELATED DOCUMENT; PROVIDED, THAT EACH PARTY HERETO ACKNOWLEDGES THAT ANY APPEALS FROM THOSE COURTS MAY HAVE TO BE HEARD BY A COURT LOCATED OUTSIDE OF THE BOROUGH OF MANHATTAN IN NEW YORK CITY; PROVIDED, FURTHER, THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE A BUYER FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE RECEIVABLES OR ANY OTHER SECURITY FOR THE OBLIGATIONS OF THE ORIGINATORS ARISING HEREUNDER, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOR OF BUYER. EACH PARTY HERETO SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND EACH PARTY HERETO HEREBY WAIVES ANY OBJECTION THAT SUCH PARTY MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS AND HEREBY CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT. EACH PARTY HERETO HEREBY WAIVES PERSONAL SERVICE OF THE SUMMONS, COMPLAINT AND OTHER PROCESS ISSUED IN ANY SUCH ACTION OR SUIT AND AGREES THAT SERVICE OF SUCH SUMMONS, COMPLAINT AND OTHER PROCESS MAY BE MADE BY REGISTERED OR CERTIFIED MAIL ADDRESSED TO SUCH PARTY AT THE ADDRESS SET FORTH IN SECTION 6.01 HEREOF AND THAT SERVICE SO MADE SHALL BE DEEMED COMPLETED UPON THE EARLIER OF SUCH PARTY'S ACTUAL RECEIPT THEREOF OR THREE DAYS AFTER DEPOSIT IN THE UNITED STATES MAIL, PROPER POSTAGE PREPAID. NOTHING IN THIS SECTION SHALL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

(c) BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX FINANCIAL TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, THE PARTIES HERETO WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED AMONG THEM IN CONNECTION WITH THIS AGREEMENT OR ANY RELATED DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 6.08. Counterparts. This Agreement may be executed in any number of separate counterparts, each of which shall collectively and separately constitute one agreement. Delivery of an executed counterpart of this Agreement by facsimile or other electronic imaging system shall be deemed as effective delivery of an originally executed counterpart.

Section 6.09. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 6.10. Section Titles. The section titles and table of contents contained in this Agreement are provided for ease of reference only and shall be without substantive meaning or content of any kind whatsoever and are not a part of the agreement between the parties hereto.

Section 6.11. No Setoff. Each Originator's obligations under this Agreement shall not be affected by any right of setoff, counterclaim, recoupment, defense or other right such Originator might have against any Buyer, all of which rights are hereby expressly waived by such Originator.

Section 6.12. Confidentiality.

(a) Except to the extent otherwise required by applicable law, as required to be filed publicly with the Securities and Exchange Commission, or unless each Specified Party shall otherwise consent in writing, each Originator, the Servicer and each Buyer agree to maintain the confidentiality of this Agreement (and all drafts hereof and documents ancillary hereto) in its communications with third parties (other than its directors, officers, employees, accountants or counsel and any Specified Parties) and otherwise not to disclose, deliver or otherwise make available to any third party (other than its directors, officers, employees, accountants or counsel) the original or any copy of all or any part of this Agreement (or any draft hereof and documents ancillary hereto) except to a Specified Party.

(b) Each Originator agrees that it shall not (and shall not permit any of its Subsidiaries to) issue any news release or make any public announcement pertaining to the transactions contemplated by this Agreement and the Related Documents without the prior written consent of its Related Buyer (which consent shall not be unreasonably withheld) unless such news release or public announcement is required by law, in which case such Originator shall consult with such Buyer prior to the issuance of such news release or public announcement. Any Originator may, however, disclose the general terms of the transactions contemplated by this Agreement and the Related Documents to trade creditors, suppliers and other similarly-situated Persons so long as such disclosure is not in the form of a news release or public announcement.

*Amended and Restated Receivables Sale Agreement*

(c) Except to the extent otherwise required by applicable law, or in connection with any judicial or administrative proceedings, as required to be filed publicly with the Securities Exchange Commission, or unless the Originators otherwise consent in writing, each Buyer agrees (i) to maintain the confidentiality of (A) this Agreement (and all drafts hereof and documents ancillary hereto) and (B) all other confidential proprietary information with respect to the Originators and their respective Affiliates and each of their respective businesses obtained by such Buyer in connection with the structuring, negotiation and execution of the transactions contemplated herein and in the other documents ancillary hereto, in each case, in its communications with third parties other than any Originator, and (ii) not to disclose, deliver, or otherwise make available to any third party (other than its directors, officers, employees, accountants or counsel) the original or any copy of all or any part of this Agreement (or any draft hereof and documents ancillary hereto) except to any Originator. Notwithstanding the foregoing, a Buyer shall be permitted to disclose copies of this Agreement and the confidential proprietary information described above to (1) each Specified Party and each Specified Party's and their respective Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and to not disclose or use such Information in violation of Regulation FD (17 C.F.R. § 243.100-243.103)); (2) any regulatory authority (it being understood that it will to the extent reasonably practicable provide the Originators with an opportunity to request confidential treatment from such regulatory authority), (3) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (4) to any other party to the Purchase Agreement, (5) to the extent required in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Related Document or the enforcement of rights hereunder or thereunder, (6) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee or pledgee of (or participant in), or any prospective assignee or pledgee of (or participant in), any of its rights or obligations under this Agreement, (7) with the consent of the applicable Related Originator or (8) to the extent such Agreement or other information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to such Buyer or Specified Party on a nonconfidential basis from a source other than the Parent or any Subsidiary thereof.

Section 6.13. Further Assurances.

(a) Each Originator shall, at its sole cost and expense, upon request of its Related Buyer, promptly and duly execute and deliver any and all further instruments and documents and take such further actions that may be necessary or desirable or that its Related Buyer may request to carry out more effectively the provisions and purposes of this Agreement or any other Related Document or to obtain the full benefits of this Agreement and of the rights and powers herein granted, including (i) using its best efforts to secure all consents and approvals necessary or appropriate for the assignment to or for the benefit of its Related Buyer of any Transferred Receivable held by such Originator or in which such Originator has any rights not heretofore assigned, and (ii) filing any financing or continuation statements under the UCC with respect to the ownership interests created hereunder or under any other Related Document. Each Originator hereby authorizes its Related Buyer, to file any such financing or continuation statements. A carbon, photographic or other reproduction of this Agreement or of any notice or financing statement covering the Transferred Receivables or any part thereof shall be sufficient

*Amended and Restated Receivables Sale Agreement*

as a notice or financing statement where permitted by law. If any amount payable under or in connection with any of the Transferred Receivables is or shall become evidenced by any instrument, such instrument, other than checks and notes received in the ordinary course of business, shall be duly endorsed in a manner satisfactory to the applicable Related Buyer immediately upon such Originator's receipt thereof and promptly delivered to such Buyer.

(b) If any Originator fails to perform any agreement or obligation under this Section 6.13, its Related Buyer may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the reasonable expenses of such Buyer incurred in connection therewith shall be payable by such Originator upon demand of such Buyer.

Section 6.14. Fees and Expenses. In addition to its indemnification obligations pursuant to Article V, each Originator agrees, jointly and severally, to pay on demand all costs and expenses incurred by the Buyers in connection with the negotiation, preparation, execution and delivery of this Agreement and the other Related Documents, including the reasonable fees and out-of-pocket expenses incurred by the Buyers (including any such amounts owed by the Buyers in connection with its financing of the Transfers hereunder), for counsel, advisors, consultants and auditors retained in connection with the transactions contemplated hereby and advice in connection therewith, and each Originator agrees, jointly and severally, to pay all costs and expenses, if any (including reasonable attorneys' fees and expenses but excluding any costs of enforcement or collection of the Transferred Receivables), in connection with the enforcement of this Agreement and the other Related Documents.

Section 6.15. Interpretation. References herein to the "security interest" of each Buyer in the Transferred Receivables shall be given the meaning ascribed thereto in Section 1-201(37) of the UCC in the context of a sale of accounts receivable, and accordingly shall refer to an ownership interest consistent with the requirements of Section 2.02.

Section 6.16. Power of Attorney. On the Second Restatement Effective Date, each Originator shall execute and deliver a power of attorney in substantially the form attached hereto as Exhibit 6.16 (each a "Power of Attorney"). The Power of Attorney is a power coupled with an interest and shall be irrevocable until this Agreement has terminated in accordance with its terms and all of the Transferred Receivables have been indefeasibly paid or otherwise written off as uncollectible. The powers conferred on the Purchaser Agent, the Servicer and SPV under the Power of Attorney are solely to protect the interests of the Purchaser Agent in the Transferred Receivables and shall not impose any duty upon the Purchaser Agent, the Servicer or SPV to exercise any such powers.

Section 6.17. Amendment and Restatement. The parties hereto (i) generally reaffirm their rights and obligations under the Existing Sale Agreement and (ii) agree that as of the Second Restatement Effective Date, the terms and conditions of the Existing Sale Agreement shall be and hereby are amended, superseded, and restated in their entirety by the terms and provisions of this Agreement. This Agreement is not intended to and shall not constitute a novation of the Existing Sale Agreement. With respect to any date or time period occurring and ending prior to the Second Restatement Effective Date, the rights and obligations of the parties to the Existing Sale Agreement shall be governed by the Existing Sale Agreement and the "Related Documents" (as defined therein), and with respect to any date or time period occurring and

ending on or after the Second Restatement Effective Date, the rights and obligations of the parties hereto shall be governed by this Agreement and the other Related Documents (as defined herein).

Section 6.18. Joinder. The parties hereto agree that as of the Second Restatement Effective Date, (a) each New Originator shall become an “Originator” under this Agreement and shall be bound by, and hereby agrees to comply with, the terms, conditions, provisions and obligations relating to an Originator under this Agreement and (b) each New Buyer shall become a “Buyer” under this Agreement and shall be bound by, and hereby agrees to comply with, the terms, conditions, provisions and obligations relating to a “Buyer” under this Agreement.

THIS RECEIVABLES ASSIGNMENT (the “Receivables Assignment”) is entered into as of June 28, 2013, by and between (i) each party listed on Schedule I hereto, (each such party, an “Originator”) and (ii) such Originator’s Related Buyer (as set forth opposite such Originator’s name on Schedule I hereto).

1. We refer to that certain Amended and Restated Receivables Sale Agreement (as amended, restated, supplemented or otherwise modified from time to time, the “Sale Agreement”) of even date herewith among each of the persons signatory thereto from time to time as Originators and each of the persons signatory thereto from time to time as Buyers. All of the terms, covenants and conditions of the Sale Agreement are hereby made a part of this Receivables Assignment and are deemed incorporated herein in full. Unless otherwise defined herein, capitalized terms or matters of construction defined or established in the Sale Agreement shall be applied herein as defined or established therein.

2. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Originator hereby sells or contributes to its Related Buyer, without recourse, except as provided in Section 4.04 of the Sale Agreement, all of such Originator’s right, title and interest in, to and under all of its Receivables (including all Collections, Records and proceeds with respect thereto) existing as of the Closing Date and thereafter created or arising at any time until the Facility Termination Date.

3. Subject to the terms and conditions of the Sale Agreement, each Originator hereby covenants and agrees to assign, sell or contribute, execute and deliver, or cause to be assigned or sold or contributed, executed and delivered, and to do or make, or cause to be done or made, upon request of such Originator’s Related Buyer and at such Originator’s expense, any and all agreements, instruments, papers, deeds, acts or things, supplemental, confirmatory or otherwise, as may be reasonably required by such Originator’s Related Buyer for the purpose of or in connection with acquiring or more effectively vesting in the Related Buyer or evidencing the vesting in the Related Buyer of the property, rights, title and interests of such Originator sold hereunder or intended to be sold hereunder.

4. Wherever possible, each provision of this Receivables Assignment shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Receivables Assignment shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Receivables Assignment.

POWER OF ATTORNEY

This Power of Attorney is executed and delivered by each of the undersigned Grantors (each a “Grantor” and collectively, the “Grantors”) in favor of UNIVISION RECEIVABLES CO., LLC (“SPV”), the Servicer and the Purchaser Agent or such Successor Servicer as the SPV or the Purchaser Agent may designate herein (the Purchaser Agent, the Servicer, the SPV or such Successor Servicer, the “Attorney”) pursuant to that certain Amended and Restated Receivables Sale Agreement dated as of June 28, 2013 (as the same may from time to time be amended, restated, supplement or otherwise modified, the “Sale Agreement”), by and among the Grantors (as Originators and together with any other Originators) and the Buyers. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Sale Agreement. No person to whom this Power of Attorney is presented, as authority for Attorney to take any action or actions contemplated hereby, shall be required to inquire into or seek confirmation from any Grantor as to the authority of Attorney to take any action described below, or as to the existence of or fulfillment of any condition to this Power of Attorney, which is intended to grant to Attorney unconditionally the authority to take and perform the actions contemplated herein, and each Grantor irrevocably waives any right to commence any suit or action, in law or equity, against any person or entity that acts in reliance upon or acknowledges the authority granted under this Power of Attorney. The power of attorney granted hereby is coupled with an interest and may not be revoked or cancelled by any Grantor until all Transferred Receivables under the Sale Agreement have been indefeasibly paid in full and/or written-off as uncollectible and Attorney has provided its written consent thereto. The Purchaser Agent may terminate the right of any other Attorney hereunder at any time upon written notice of such termination to such Attorney and the Grantors.

Each Grantor hereby irrevocably constitutes and appoints Attorney (and all officers, employees or agents designated by Attorney), with full power of substitution, as its true and lawful attorney in fact with full irrevocable power and authority in its place and stead and in its name or in Attorney’s own name, from time to time in Attorney’s discretion, to take any and all appropriate action and to execute and deliver any and all documents and instruments that may be necessary or desirable to accomplish the purposes of the Sale Agreement, and, without limiting the generality of the foregoing, hereby grants to Attorney the power and right, on its behalf, without notice to or assent by it, upon the occurrence and during the continuance of any Termination Event, to do the following: (a) open mail for it, and ask, demand, collect, give acquittances and receipts for, take possession of, or endorse and receive payment of, any checks, drafts, notes, acceptances, or other instruments for the payment of moneys due in respect of Transferred Receivables, issue invoices in respect of Unbilled Receivables, and sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, and notices in connection with any Transferred Receivable or other Seller Assets; (b) pay or discharge any taxes, Liens, or other encumbrances levied or placed on or threatened against any Seller Assets; (c) defend any suit, action or proceeding brought against it or any Seller Assets if such Grantor does not defend such suit, action or proceeding or if Attorney believes that it is not pursuing such defense in a manner that will maximize the recovery to Attorney, and settle, compromise or adjust any suit, action, or proceeding described above and, in connection therewith, give such discharges or releases as

Attorney may deem appropriate; (d) file or prosecute any claim, Litigation, suit or proceeding in any court of competent jurisdiction or before any arbitrator, or take any other action otherwise deemed appropriate by Attorney for the purpose of collecting any and all such moneys due with respect to any Transferred Receivable or other Seller Assets or otherwise with respect to the Related Documents whenever payable and to enforce any other right in respect of its property; (e) sell, transfer, pledge, make any agreement with respect to, or otherwise deal with, any Transferred Receivables or other Seller Assets, and execute, in connection with such sale or action, any endorsements, assignments or other instruments of conveyance or transfer in connection therewith; and (g) cause the certified public accountants then engaged by it to prepare and deliver to Attorney at any time and from time to time, promptly upon Attorney's request, any and all financial statements or other reports required to be delivered by or on behalf of such Grantor under the Related Documents, all as though Attorney were the absolute owner of its property for all purposes, and to do, at Attorney's option and its expense, at any time or from time to time, all acts and other things that Attorney reasonably deems necessary to perfect, preserve, or realize upon the Transferred Receivables and the SPV's interests therein, all as fully and effectively as it might do. Each Grantor hereby ratifies, to the extent permitted by law, all that said attorneys shall lawfully do or cause to be done by virtue hereof.
